(b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;

(c) “or” is not exclusive;

(d) “including” means including without limitation;

(e) words in the singular include the plural and words in the plural include the singular;

(f) unsecured Indebtedness shall not be deemed to be subordinate or junior to secured Indebtedness merely by virtue of its nature as unsecured Indebtedness; and

(g) the principal amount of any non-interest bearing or other discount security at any date shall be the principal amount thereof that would be shown on a balance sheet of the Company dated such date prepared in accordance with GAAP.

Section 1.05. Limited Condition Transactions

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio;

(ii) determining whether a Default or Event of Default shall have occurred and be continuing (or any subset of Defaults or Events of Default); or

(iii) testing availability under baskets set forth in this Indenture (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets or by reference to Section 4.06(a)(B) or the Excluded Contribution Amount);

in each case, at the option of the Company (the Company’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), with such option to be exercised on or prior to the date of execution of the definitive agreements related to such Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the “LCT Test Date”), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Company could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.
For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Company or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of the incurrence ratios subject to the LCT Election on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.

Section 1.06. Certain Compliance Determinations.

(a) Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test or utilization of any basket contained in this Indenture, Consolidated EBITDA, Consolidated Total Assets, the Total Leverage Ratio, the First Lien Leverage Ratio, the Senior Leverage Ratio and the Secured Leverage Ratio shall be calculated on a Pro Forma Basis to give effect to all Specified Transactions that have been made during the applicable period of measurement or subsequent to such period and prior to or simultaneously with the event for which the calculation is made and to the extent the proceeds of any new Indebtedness are to be used to repay other Indebtedness (including by repurchase, redemption, retirement, extinguishment, defeasance, discharge or pursuant to escrow or similar arrangements) no later than 60 days following the incurrence of such new Indebtedness, the Company shall be permitted to give Pro Forma Effect to such repayment of Indebtedness.

(b) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test, the amount of Consolidated EBITDA and/or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to Section 1.05), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision in any covenant (including any constituent definition thereof) of this Indenture that does not require compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts.

(d) Notwithstanding anything herein to the contrary, for purposes of any determination under this Indenture expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the Spot Rate (or, if such determination is calculated under the First Lien Credit Facilities at the Exchange Rate, such Exchange Rate) (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for purposes of determining compliance with respect to the amount of any Indebtedness, Investment, disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, this Section 1.06 shall otherwise apply to such provisions, including with respect to determining whether any Indebtedness or Investment may be incurred or disposition or Restricted Payment made at any time under such provisions. For purposes of any determination of Consolidated Total Debt, amounts in currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 4.12 (or, prior to the first such delivery, the most recent internally available financial statements).
ARTICLE II

The Notes

Section 2.01. Amount of Notes; Issuable in Series

As provided for in Exhibit A hereto, the aggregate principal amount of the Notes which may be authenticated and delivered under this Indenture is unlimited. All Notes shall be substantially identical in all respects other than issue prices, issuance dates, first interest payment amount, first interest payment date and denominations. Additional Notes may be issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and any PIK Notes; provided, such Additional Notes and PIK Notes will not be issued with the same CUSIP number as the Initial Notes unless such Additional Notes or PIK Notes, as applicable, are fungible with the Initial Notes for U.S. federal income tax purposes; provided, further, that the Company’s ability to issue Additional Notes shall be subject to the Company’s compliance with Section 4.05 and Section 4.07. All Notes issued under this Indenture shall be treated as a single class for all purposes of this Indenture, including waivers, amendments, redemptions and offers to purchase.

Subject to Section 2.03, the Trustee shall authenticate the Initial Notes for original issue on the Issue Date in the aggregate principal amount of $1,462,285,000. With respect to any Notes issued after the Issue Date (except for PIK Notes and Notes authenticated and delivered upon registration of transfer of or in exchange for, or in lieu of, Initial Notes pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A), there shall be established in or pursuant to a resolution of the Board of Directors, and subject to Section 2.03, set forth, or determined in the manner provided in an Officers’ Certificate, or established in one or more indentures supplemental hereto, prior to the issuance of such Notes:

(a) whether such Notes shall be issued as part of a new or existing series of Notes and the title of such Notes (which shall distinguish the Notes of the series from Notes of any other series);

(b) the aggregate principal amount of such Notes that may be authenticated and delivered under this Indenture (which shall be calculated without reference to any Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of the same series pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A or any Notes which, pursuant to Section 2.03, are deemed never to have been authenticated and delivered hereunder);

(c) the issue price and issuance date of such Notes, including the date from which interest on such Notes shall accrue; and

(d) if applicable, that such Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositaries for such Global Notes, the form of any legend or legends that shall be borne by any such Global Notes in addition to or in lieu of that set forth in Appendix I to Exhibit A and any circumstances in addition to or in lieu of those set forth in Section 2.3 of Exhibit A in which any such Global Notes may be exchanged in whole or in part for Notes registered, and any transfer of such Global Notes in whole or in part may be registered, in the name or names of Persons other than the depository for such Global Note or a nominee thereof.

If any of the terms of any series are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers’ Certificate or the trust indenture supplemental hereto setting forth the terms of the series.
Section 2.02. **Form and Dating.**

Provisions relating to the Notes are set forth in Exhibit A, which is hereby incorporated in and expressly made part of this Indenture. The Notes of each series and the Trustee’s certificate of authentication and any PIK Notes shall be substantially in the form of Appendix I to Exhibit A which is hereby incorporated in and expressly made a part of this Indenture. Without limiting the generality of the foregoing, Notes offered and sold to QIBs in reliance on Rule 144A and institutional “accredited investors” as that term is defined in subparagraphs (a)(1), (2), (3), or (7) of Rule 501 under the Securities Act shall include the form of assignment set forth in Appendix I to Exhibit A. The Notes of each series may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage; provided that any such notation, legend or endorsement is in a form reasonably acceptable to the Company. The Notes shall be dated the date of its authentication. The terms of the Notes of each series set forth in Appendix I to Exhibit A are part of the terms of this Indenture.

Section 2.03. **Execution and Authentication.**

Two Officers shall sign the Notes for the Company by manual, electronic or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver (i) Additional Notes and (ii) PIK Notes executed by the Company to the Trustee for authentication, together with a written order of the Company in the form of an Officers’ Certificate for the authentication and delivery of such Additional Notes or PIK Notes, as applicable, and the Trustee in accordance with such written order of the Company shall authenticate and deliver such Notes.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee shall not be required to authenticate such Notes if the issue thereof will adversely affect the Trustee’s own rights, duties, indemnities or immunities under the Notes and this Indenture.

Section 2.04. **Registrar and Paying Agent.**

The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more registrars for so long as the Notes are held in registered form, and one or more co-registrars. The initial Paying Agent will be GLAS Trust Company LLC.

The initial Registrar and transfer agent for the Notes will be GLAS Trust Company LLC. The Registrars and the transfer agents will maintain a register reflecting ownership of Notes in the form of Definitive Notes (as defined in Exhibit A) outstanding from time to time, if any, and will make payments on and facilitate transfers of Definitive Notes on behalf of the Company. Each transfer agent shall perform the functions of a transfer agent.
The Company may change any Paying Agent, Registrar or transfer agent for the Notes without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar in respect of the Notes.

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or transfer agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar, Paying Agent or transfer agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or transfer agent.

Section 2.05. Paying Agent To Hold Money and PIK Notes in Trust. By no later than 11:00 a.m., New York City time, on the date on which any principal of or interest on any Note is due, the Company shall deposit with the Paying Agent for such Note a sum sufficient to pay such principal and interest so becoming due and/or, if the Company is entitled to pay PIK Interest with respect to an interest payment period as provided for in Section 2.14, increase the principal amount of the Notes to pay any PIK Interest pursuant to a written direction delivered to the Trustee specifying the increase in the Global Note, or in the limited circumstances where the Notes are no longer held in global form, issue PIK Notes to pay any PIK Interest pursuant to an Authentication Order with respect to the PIK Interest to be issued on the applicable interest payment date, when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of or interest on the Notes and shall notify the Trustee of any default by the Company or any Guarantor in making any such payment. If the Company or a domestic Wholly Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, the Paying Agent (if other than the Company or a domestic Wholly Owned Subsidiary) shall have no further liability for the money delivered to the Trustee.

Section 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Company on its own behalf and on the behalf of each of the Guarantors shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company and the Guarantors shall otherwise comply with TIA Section 312(a).

Section 2.07. Replacement Notes. If a mutilated security is surrendered to a Registrar or if the Holder of a Note claims that such Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent for such Note, the Registrar for such Note and any co-registrar from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is an additional obligation of Company.

Section 2.08. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. A Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser.
If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and such Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09. Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes and deliver them in exchange for temporary Notes. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

Section 2.10. Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. Any Registrar and any Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer, exchange, payment or cancellation and deliver cancelled Notes to the Company upon a written direction of the Company. Except as expressly permitted herein, the Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

If the Company or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Notes.

At such time as all beneficial interests in a Global Note have either been exchanged for definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Securities Custodian with respect to such Global Note to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

Section 2.11. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate borne by the Notes to the extent lawful) in any lawful manner. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “Special Record Date”) for the payment of such defaulted interest, which date shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 14.02, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable.
The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.11, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.12. CUSIP Numbers or ISINs. The Company in issuing the Notes may use “CUSIP” numbers, “ISINs” or other similar numbers (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “ISINs” or other similar numbers in notices of redemption as a convenience to Holders; provided, however, that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “ISIN” or other similar number that appears on any Note, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, ISIN or other similar numbers.

Section 2.13. Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

(a) Subject to the limitation in the next succeeding sentence, interest for the first three interest payment periods following the Issue Date may, at the Company’s option (a “PIK Election”), be paid by increasing the principal amount of the outstanding Notes or if, and in the limited circumstances where, the Notes are no longer held in global form, by issuing Notes (“PIK Notes”) (rounded up to the nearest $1.00) under this Indenture, having the same terms and conditions as the Notes (“PIK Interest”) (in each case, a “PIK Payment”) at a rate of 12% per annum; provided, however that for the third interest payment period, if immediately after giving effect to such interest payment on a pro forma basis, the Company’s Liquidity as of the record date for the third interest payment period is (i) equal to or greater than $400 million, then the Company shall pay interest in cash (“Cash Interest”) for such interest period at a rate of 10% per annum, (ii) between $200 million and $400 million, then the Company shall have the option of (A) paying Cash Interest for such interest period at a rate of 10% per annum or (B) paying a combination of Cash Interest at a rate of 5% per annum and PIK Interest at a rate of 6% per annum for such interest period or (iii) equal to or less than $200 million, then the Company shall have the option of (A) paying Cash Interest for such interest period at a rate of 10% per annum or (B) paying PIK Interest for such interest period at rate of 12% per annum. For all interest periods after the first three interest periods, interest will be payable solely in cash.

(b) PIK Interest on the Notes, if elected to be paid, will be payable (x) with respect to Notes represented by one or more global notes registered in the name of, or held by, the Depository or its nominee on the relevant record date, by increasing the principal amount of the outstanding global Note by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest whole dollar) and (y) with respect to Notes represented by certificated notes, by issuing PIK Notes in certificated form in an aggregate principal amount equal to the amount of PIK Interest for the applicable period (rounded up to the nearest whole dollar), and the Trustee will, at the request of the Company, authenticate and deliver such PIK Notes for original issuance to the Holders on the relevant record date, as shown by the records of the register of Holders. Following an increase in the principal amount of the outstanding global notes as a result of a PIK Payment, the global Notes will bear interest on such increased principal amount from and after the date of such PIK Payment. Any PIK Notes issued in certificated form will be dated as of the applicable interest payment date and will bear interest from and after such date. All Notes issued pursuant to a PIK Payment will mature on the Maturity Date and will be governed by, and subject to the terms, provisions and conditions of this Indenture and shall have the same rights and benefits as the Notes issued on the Issue Date. Any certificated PIK Notes will be issued with the description “PIK” on the face of such PIK Note, and references to the “principal” or “principal amount” of the PIK Notes shall include any increase in the principal amount of the outstanding Notes as a result of any PIK Payment.
(c) PIK Interest will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Issue Date. The calculation of PIK Interest will be made by the Company or on behalf of the Company by such Person as the Company shall designate, and such calculation and the correctness thereof shall not be a duty or obligation of the Trustee. Notwithstanding anything in this Indenture to the contrary, the payment of accrued interest (including interest that would be PIK Interest when paid) in connection with any redemption of Notes as described in paragraph 6 of the Notes, Section 3.07 or Section 3.08 and Section 4.11 shall be made solely in cash. PIK Interest on the Notes will be paid in denominations of $1.00 and integral multiples of $1.00 in excess thereof.

(d) If the Company makes a PIK Election for either of the first two interest payment periods, then the Company shall deliver a written notice to the Trustee and the Holders prior to the fifteenth calendar day immediately prior to the applicable interest payment date for the respective interest payment period, which notice shall state the form of interest payment with respect to such interest period and the total amount of interest to be paid on the applicable interest payment date. For the third interest payment period, if the Company makes a PIK Election, then the Company shall deliver a written notice to the Trustee and the Holders within five Business Days after the record date for such interest payment period, which notice shall state the total amount of interest to be paid on the applicable interest payment date and the amount of such interest to be paid as PIK Interest and shall set forth a calculation of the Company’s Liquidity, which calculation shall be certified in an Officers’ Certificate delivered to the Trustee and the Holders.

ARTICLE III

Redemption

Section 3.01. Notices to Trustee. If the Company elects to redeem Notes pursuant to paragraph 6 of the reverse side of the Notes or is required to redeem the Notes pursuant to Section 3.07 or 3.08 hereof, it shall notify the Trustee in writing of the redemption date, the principal amount of Notes to be redeemed, the redemption price and that such redemption is being made pursuant to paragraph 6 of the reverse side of the Notes or Section 3.07 or 3.08 hereof, as applicable.

The Company shall give notice to the Trustee provided for in this Section 3.01 at least 2 Business Days before the date on which the Company provides notice of redemption to the Holders unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officers’ Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

Section 3.02. Selection of Notes To Be Redeemed. If less than all the Notes are to be redeemed at any time, not more than 60 days prior to the redemption date, the Trustee or the Registrar, as applicable, in accordance with the customary procedures of the Depository, shall select the Notes to be redeemed pro rata, and if the Depository prescribes no method of selection, then, by lot or by any other method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate. The Trustee or the Registrar, as applicable, shall make the selection from outstanding Notes not previously called for redemption. The Trustee or the Registrar, as applicable, may select for redemption portions of the principal of Notes that have denominations larger than $2,000. Notes and portions of them the Trustee or the Registrar, as applicable, selects shall be in amounts of $2,000, or an integral multiple of $1,000, (but in any event not less than $2,000). Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee or the Registrar, as applicable, shall notify the Company promptly of the Notes or portions of Notes to be redeemed. The Trustee shall not be liable for selection made by it under this Section 3.02.

Section 3.03. Notice of Redemption. At least 10 days but not more than 60 days before a date for optional redemption of Notes pursuant to paragraph 6 of the reverse side of the Notes, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository. Notice of any optional redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Any redemption and notice of redemption may, at the Company’s discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company’s obligations with respect to such redemption may be performed by another Person.
The notice shall identify the Notes (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

(a) the redemption date;

(b) the redemption price;

(c) the name and address of the Paying Agent;

(d) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(e) if fewer than all the outstanding Notes are to be redeemed, or if a Note is to be redeemed in part only, the identification and principal amounts of the particular Notes (or portion thereof) to be redeemed;

(f) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(g) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and

(h) any conditions to such redemption.

At the Company’s written request, the Trustee shall give the notice of redemption in the Company’s name and at the Company’s expense. In such event, the Company shall provide the Trustee with the information required by this Section 3.03 at least 2 Business Days before the redemption date, unless the Trustee consents to a shorter period.

Section 3.04. Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 3.03, Notes called for redemption become due and payable on the redemption date, and at the redemption price or purchase price, as applicable, stated in the notice, unless such redemption is conditioned on the happening of a future event. The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, plus accrued and unpaid interest to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date). Subject to Section 3.05, on and after the redemption date, unless the Company defaults in payment of the redemption, interest shall cease to accrue on Notes or portions of Notes called for redemption, unless such redemption remains conditioned on the occurrence of a future event that has not occurred. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05. Deposit of Redemption Price. Prior to noon, New York City time, on the redemption date or purchase date, the Company shall deposit with the Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price or purchase price of and accrued and unpaid interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date or purchase date) on all Notes to be redeemed or purchased on that date other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation.
Section 3.06. Notes Redeemed in Part. Upon surrender and cancellation of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company’s expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered. It is understood that, notwithstanding anything in this Indenture to the contrary, only a written request or order signed on behalf of the Company by an Officer and delivered to the Trustee and not an Opinion of Counsel or Officer’s Certificate is required for the Trustee to authenticate such new Notes.

Section 3.07. AHYDO Redemption. On the first interest payment date following the fifth anniversary of the “issue date” (as defined in Treasury Regulation Section 1.1273-2) of the Notes, the Company shall redeem a portion of the principal amount of each then outstanding Note in an amount equal to the AHYDO Catch-Up Payment for such interest payment date with respect to such Note. The “AHYDO Catch-Up Payment” means the minimum principal prepayment sufficient to ensure that as of the close of such interest payment date, the aggregate amount which would be includible in gross income with respect to such Note before the close of such interest payment date (as described in Section 163(i)(2)(A) of the Code) does not exceed the sum (as described in Section 163(i)(2)(B) of the Code) of (i) the aggregate amount of interest to be paid on such Note (including for this purpose any AHYDO Catch-Up Payment) before the close of such interest payment date plus (ii) the product of the “issue price” of such Note and its yield to maturity, with the result that the Notes are not treated as having “significant original issue discount” within the meaning of Section 163(i)(1) of the Code. It is intended that no Note will be an “applicable high yield discount obligation” (an “AHYDO”) within the meaning of Section 163(i)(1) of the Code. The computations and determinations required in connection with any AHYDO Catch-Up Payment will be made by us in our good faith reasonable discretion and will be binding upon the holders absent manifest error. Unless otherwise provided herein, any redemption pursuant to this Section 3.07 shall comply with Section 3.01 through Section 3.06 hereof.

Section 3.08. Asset Sale Redemption.

(a) Upon an Asset Sale Mandatory Redemption Event, the Company shall apply the applicable portion of the Excess Proceeds (as determined in accordance with clauses (1) or (2), as applicable, of Section 4.16(b)), if any, to redeem the Notes (an “Asset Sale Mandatory Redemption”) on or before the 20th Business Day following the Asset Sale Mandatory Redemption Event (the “Asset Sale Mandatory Redemption Date”) or as otherwise required by the applicable procedures of the Depository, at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the Asset Sale Mandatory Redemption Date.

(b) Upon a European Asset Sale Mandatory Redemption Event, the Company shall apply the applicable portion of the European Asset Sale Debt Repayment Amount (as determined in accordance with Section 4.16(c)) to redeem the Notes (a “European Asset Sale Mandatory Redemption”) on or before the 15th day (or if such day is not a Business Day on the immediately succeeding Business Day) following the European Asset Sale Mandatory Redemption Event (the “European Asset Sale Mandatory Redemption Date”) or as otherwise required by the applicable procedures of the Depository, at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the European Asset Sale Mandatory Redemption Date.

(c) In either of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, if less than all of the Notes are to be redeemed at any time, selection of Notes for redemption will be made by the Trustee or the Registrar in accordance with the customary procedures of the Depository, as applicable, not more than 5 days prior to the redemption date pro rata, and if the Depository prescribes no method of selection, then by lot or by any other method the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate; provided, however, that Notes will not be redeemed in an amount less than the minimum authorized denomination of $2,000. Notice of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, as applicable, shall be sent to the Holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 5 days prior to the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable, to each Holder of Notes to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable, interest will cease to accrue on Notes or portions thereof called for redemption. The Trustee shall not be liable for selection made by it under this paragraph (c).
Unless otherwise provided herein, any redemption pursuant to this Section 3.08 shall comply with Section 3.01 through Section 3.07 hereof.

ARTICLE IV

Section 4.05. Limitation on Indebtedness and Certain Equity Securities

(a) The Company will not, and will not permit any Restricted Subsidiary to, create, incur, assume or permit to exist any Indebtedness; provided, however, that the Company or any such Restricted Subsidiary may incur Indebtedness if after giving effect to the incurrence of such Indebtedness on a Pro Forma Basis the Senior Leverage Ratio is equal to or less than 5.50 to 1.0.

(xxxi) all premiums (if any), interest (including post-petition interest), fees, expenses, charges and additional or contingent interest on obligations described in clauses (i) through (xxx) above.

(c) [reserved].

(d) The Company will not, and will not permit any Restricted Subsidiary to, issue any preferred Equity Interests or any Disqualified Equity Interests, except (A) in the case of the Company, preferred Equity Interests that are Qualified Equity Interests and (B) in the case of any Restricted Subsidiary, (i) preferred Equity Interests or Disqualified Equity Interests issued to and held by the Company or any Restricted Subsidiary and (ii) preferred Equity Interests (other than Disqualified Equity Interests) issued to and held by joint venture partners after the Issue Date (“JV Preferred Equity Interests”); provided that in the case of this clause (ii), any such issuance of JV Preferred Equity Interests shall be deemed to be an incurrence of Indebtedness and subject to the provisions set forth in this Section 4.05.

(e) For purposes of determining compliance with this Section 4.05, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Indebtedness described in this Section 4.05, the Company shall, in its sole discretion, classify and reclassify or later divide, classify or reconstitute such item of Indebtedness (or any portion thereof) and will only be required to include the amount and type of such Indebtedness in one or more of the above clauses; provided that all Indebtedness outstanding on the Issue Date under the First Lien Credit Facilities shall be deemed to have been incurred pursuant to clause (i) above; provided further that if any such portion of such Indebtedness could, based on the financial statements for such Test Period, have been incurred in reliance on Section 4.05(a) or Section 4.05(b)(xxix), such portion of such Indebtedness shall automatically be reclassified as having been incurred under the applicable provisions of Section 4.05(a) or Section 4.05(b)(xxix) (in each case, subject to satisfying any other applicable provision of Section 4.05(a) or Section 4.05(b)(xxix) and, in the case of any such portion of such Indebtedness incurred by any Subsidiary that is not a Guarantor, availability under the cap applicable therein to the incurrence of such Indebtedness by a non-Guarantor); provided further, however, notwithstanding anything in this Indenture to the contrary, all Indebtedness outstanding on the Issue Date under the Existing Subordinated Notes shall be deemed to be incurred pursuant to Section 4.05(b)(iii) and shall not be permitted to be reclassified.
(f) If Indebtedness originally incurred in reliance upon a percentage of Consolidated EBITDA or the First Lien Leverage Ratio under Section 4.05(b)(i) is being refinanced under such clause or the Secured Leverage Ratio under Section 4.05(b)(xxix) is being refinanced under such clause and such refinancing would cause the maximum amount of Indebtedness thereunder to be exceeded at such time, then such refinancing will nevertheless be permitted thereunder and such additional Indebtedness will be deemed to have been incurred, and permitted to be incurred, under such Section 4.05(b)(i) or Section 4.05(b)(xxix), as applicable, so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of Indebtedness being refinanced plus amounts permitted by the next sentence. Any Refinancing Indebtedness and any Indebtedness incurred to Refinance Indebtedness incurred pursuant to Section 4.05(b)(i) and Section 4.05(b)(xxix) shall be permitted to include additional Indebtedness incurred to pay premiums (including tender premiums), defeasance costs, underwriting discounts, accrued and unpaid interest, dividends and fees, costs and expenses (including upfront fees, original issue discount ("OID") or similar fees) in connection with such Refinancing.

(g) Notwithstanding anything in this Indenture to the contrary, after the Issue Date and prior to January 1, 2022, the Company will not, and will not permit any Restricted Subsidiary to, create, incur or assume any Indebtedness (i) that constitutes Additional First Lien Obligations pursuant to Section 4.05(b)(i)(z) or (ii) that is senior in right of payment to the Notes in reliance on Section 4.05(a), Section 4.05(b)(i)(z) or Section 4.05(b)(xxix).

(h) Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness or Disqualified Equity Interests will not be deemed to be an incurrence of Indebtedness or Disqualified Equity Interests for purposes of this Section 4.05.

Section 4.06. Limitation on Restricted Payments and Prepayments of Junior Financing

(a) The Company will not, and will not permit any Restricted Subsidiary to, pay or make, directly or indirectly:

(i) any dividend or other distribution (whether in cash, securities or other property) with respect to any Equity Interests in the Company or any Restricted Subsidiary,

(viii) in addition to the foregoing Restricted Payments, the Company may make additional Restricted Payments, (A) in an aggregate amount, when taken together with the aggregate amount of loans and advances to a Parent Entity made pursuant to clause (m) of the definition of “Permitted Investments” in lieu of Restricted Payments permitted by this clause (A), not to exceed an amount at the time of making any such Restricted Payment and together with any other Restricted Payment made utilizing this clause (A) after the Issue Date not to exceed the greater of $50,000,000 and 7.5% of Consolidated EBITDA for the most recently ended Test Period after giving Pro Forma Effect to the making of such Restricted Payment and (B) in an amount not to exceed the Excluded Contribution Amount that is Not Otherwise Applied; provided that any Investments or payments made in reliance upon the Available RP Capacity Amount utilizing the unused amounts available pursuant to this Section 4.06(b)(viii) shall reduce the amounts available pursuant to this Section 4.06(b)(viii);

(xi) the Company may (a) pay cash in lieu of fractional Equity Interests in connection with any dividend, split or combination thereof or any acquisition (or other similar Investment) not prohibited by any other provision of this Indenture and (b) honor any conversion request by a holder of convertible Indebtedness and make cash payments in lieu of fractional shares in connection with any such conversion and may make payments on convertible Indebtedness in accordance with its terms;

(xvi) [reserved]; and

(xvii) the declaration and payment of dividends in respect of JV Preferred Equity Interests issued in accordance with Section 4.05 to the extent such dividends are included in the calculation of Consolidated Interest Expense.

(xviii) For purposes of determining compliance with this Section 4.06, in the event that a proposed Restricted Payment (or a portion thereof) meets the criteria of Sections 4.06(a)(A) and (B) or any of clauses (i) through (xvii) of Section 4.06(b) above (or any sub-clause therein), the Company will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such Restricted Payment (or portion thereof) between Section 4.06(a) and clauses (i) through (xvii) of Section 4.06(b) (or any sub-clause therein), in a manner that otherwise complies with this Section 4.06.

Notwithstanding anything in this Indenture to the contrary, prior to January 1, 2022, the Company will not, and will not permit any Restricted Subsidiary to, make any Restricted Payments described in Section 4.06(a)(i) or 4.06(a)(ii) in reliance on Section 4.06(a) or clauses (viii) and (xii) of Section 4.06(b).

Notwithstanding anything in this Indenture to the contrary, after the Issue Date the Company will not, and will not permit any Restricted Subsidiary to, (a) make an Investment in an Unrestricted Subsidiary pursuant to Section 4.06(a), clauses (i) through (xvii) of Section 4.06(b) or clauses (a) through (cc) of the definition of Permitted Investments other than an Investment in existence on July 10, 2020 or pursuant to any agreement or arrangement in effect as of July 10, 2020 under clause (f) of the definition of Permitted Investments or (b) make any non-cash or non-Cash Equivalent Investment pursuant to Section 4.06(a), clauses (i) through (xvii) of Section 4.06(b) or clauses (a) through (cc) of the definition of Permitted Investments in any European Subsidiary, when taken together with all other Investments in European Subsidiaries made after the Issue Date, are in excess of $10,000,000. The restriction in clause (b) of the preceding sentence shall not apply to Investments that are “deemed” Investments pursuant to the definition of Investments.

(c) The Company will not, and will not permit any Restricted Subsidiary to, make or pay, directly or indirectly, any payment or other distribution (whether in cash, securities or other property) of or in respect of principal of or interest on any Junior Financing, or any payment or other distribution (whether in cash, securities or other property), including any sinking fund or similar deposit, on account of the purchase, redemption, retirement, acquisition, cancellation or termination of any Junior Financing, except:

(iv) prepayments, redemptions, purchases, defeasances and other payments in respect of Junior Financings prior to their scheduled maturity: (A) in an aggregate amount, when taken together with the aggregate amount of loans and advances to a Parent Entity made pursuant to clause (m) of “Permitted Investments” in lieu of Restricted Payments permitted by this clause (A) not to exceed the greater of $75,000,000 and 7.5% of Consolidated EBITDA for the most recently ended Test Period after giving Pro Forma Effect to the making of such prepayment, redemption, purchase, defeasance or other payment, (B) so long as no Event of Default shall have occurred and be continuing or would result therefrom (or, in the case of the use of subclause (1) of Section 4.06(a)(B), no Event of Default under Section 6.01(a), (b), (h) or (i)), in an amount not to exceed the amount under Section 4.06(a)(B) that is Not Otherwise Applied, (C) in an amount not to exceed the Excluded Contribution Amount that is Not Otherwise Applied and (D) in an amount not to exceed Available RP Capacity Amount; and

(v) prepayments, redemptions, purchases, defeasances and other payments in respect of Junior Financings prior to their scheduled maturity; provided that after giving effect to such Restricted Payment (A) on a Pro Forma Basis, the Total Leverage Ratio is less than or equal to 5.00 to 1.00 and (B) there is no continuing Event of Default.

For purposes of determining compliance with this Section 4.06, in the event that any payment or other distribution (whether in cash, securities or other property) of or in respect of principal of or interest on any Junior Financing, or any payment or other distribution (whether in cash, securities or other property), including any sinking fund or similar deposit, on account of the purchase, redemption, retirement, acquisition, cancellation or termination of any Junior Financing (or a portion thereof) meets the criteria of Sections 4.06(a)(A) and (B) or clauses (i) through (v) of Section 4.06(c) (or any sub-clause therein), the Company will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such payment (or portion thereof) between Section 4.06(a) and clauses (i) through (v) of Section 4.06(c) (or any sub-clause therein), in a manner that otherwise complies with this Section 4.06; provided that for the most recently ended Test Period following the making of any Junior Financing under this Section 4.06 (other than Section 4.06(c)(v)), if all or any portion of such Junior Financing could, based on the financial statements for such Test Period, have been made in reliance on Section 4.06(c)(v), such Junior Financing (or the relevant portion thereof) shall automatically be reclassified as having been made in reliance on Section 4.06(c)(v).

(d) The Company will not, and will not permit any Restricted Subsidiary to, amend or modify any documentation governing any Junior Financing, in each case if the effect of such amendment or modification (when taken as a whole) is materially adverse to Holders.

(e) Notwithstanding anything herein to the contrary, the foregoing provisions of this Section 4.06 will not prohibit the payment of any Restricted Payment or the consummation of any irrevocable redemption, purchase, defeasance or other payment within 60 days after the date of declaration thereof or the giving of such irrevocable notice, as applicable, if at the date of declaration or the giving of such notice such payment would have complied with the provisions of this Indenture.

Section 4.07. Limitation on Liens.

(a) The Company will not and will not permit any Restricted Subsidiary to create, incur or assume any Lien (other than Permitted Liens) (each, an “Initial Lien”) that secures obligations under any Indebtedness on any asset or property of the Company or any Restricted Subsidiary unless, in the case of Initial Liens on any asset or property that is not Collateral, the Notes are equally and ratably secured with (or, in the event the Lien relates to Junior Financing, are secured on a senior basis to) the obligations so secured.

(b) Any Lien created for the benefit of Holders of the Notes pursuant to this Section 4.07 shall provide by its terms that such Lien be deemed automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien. In addition, in the event that an Initial Lien is or becomes a Permitted Lien, the Company may, at its option and without consent from any Holder, elect to release and discharge any Lien created for the benefit of the Holders pursuant to the preceding paragraph in respect of such Initial Lien.
Section 4.08. Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions respect thereto with, any of its Affiliates, except:

(vi) payments by the Company and the Restricted Subsidiaries pursuant to tax sharing agreements among the Company and the Restricted Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Company and the Restricted Subsidiaries, to the extent payments are permitted by Section 4.06;

(vii) the payment of customary fees and reasonable out-of-pocket costs to, and indemnities provided on behalf of, directors, officers and employees of a Parent Entity (or any direct or indirect parent company thereof), the Company and the Restricted Subsidiaries in the ordinary course of business to the extent attributable to the ownership or operation of the Company and the Restricted Subsidiaries;

(viii) transactions pursuant to any agreement or arrangement in effect as of the Issue Date, or any amendment, modification, supplement or replacement thereto (so long as any such amendment, modification, supplement or replacement is not disadvantageous in any material respect to Holders when taken as a whole as compared to the applicable agreement or arrangement as in effect on the Issue Date as determined by the Company in good faith);

(ix) Restricted Payments permitted under Section 4.06 (or Investments made pursuant to clause (m) of the definition of “Permitted Investments”);

(x) customary payments by the Company and any of the Restricted Subsidiaries made for any financial advisory, consulting, financing, underwriting or placement services or in respect of other investment banking activities (including in connection with acquisitions, divestitures or financings) and any subsequent transaction or exit fee, which payments are approved by the majority of the members of the Board of Directors or a majority of the disinterested members of the Board of Directors of such Person in good faith;

(xi) the issuance or transfer of Equity Interests (other than Disqualified Equity Interests) of the Company to any Permitted Holder or to any former, current or future director, manager, officer, employee or consultant (or any Affiliate of any of the foregoing) of the Company, any of the Subsidiaries or any direct or indirect parent thereof;

(xvii) the existence and performance of agreements and transactions with any Unrestricted Subsidiary that were entered into prior to the designation of a Restricted Subsidiary as such Unrestricted Subsidiary to the extent that the transaction was permitted at the time that it was entered into with such Restricted Subsidiary and transactions entered into by an Unrestricted Subsidiary with an Affiliate prior to the redesignation of any such Unrestricted Subsidiary as a Restricted Subsidiary; provided that such transaction was not entered into in contemplation of such designation or redesignation, as applicable.

Section 4.09. Negative Pledge.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to enter into any agreement, instrument, deed or lease that prohibits or limits the ability of the Company or any Guarantor to create, incur, assume or suffer to exist any Lien upon any of their respective properties or revenues, whether now owned or hereafter acquired, for the benefit of the Holders with respect to the Secured Notes Obligations.

The provisions of the first paragraph of this Section 4.09 shall not apply to restrictions and conditions imposed by:

(g) restrictions or conditions in any Indebtedness permitted pursuant to Section 4.05 that is incurred or assumed by Restricted Subsidiaries that are not Guarantors to the extent such restrictions or conditions are no more restrictive in any material respect than the restrictions and conditions in this Indenture or are market terms at the time of issuance and are imposed solely on such Restricted Subsidiary and its Subsidiaries;

(h) restrictions on cash (or Cash Equivalents) or other deposits imposed by agreements entered into in the ordinary course of business (or other restrictions on cash or deposits constituting Permitted Encumbrances);

(i) [reserved];

(k) customary net worth provisions contained in real property leases entered into by Subsidiaries, so long as the Company has determined in good faith that such net worth provisions could not reasonably be expected to impair the ability of the Company and its Subsidiaries to meet their ongoing obligations.

Section 4.10. Future Guarantors. If after the Issue Date, (i) the Company or any Restricted Subsidiary forms, acquires or designates any Restricted Subsidiary (excluding any Excluded Subsidiary) or (ii) any Restricted Subsidiary of the Company ceases to be an Excluded Subsidiary, then the Company will cause such Restricted Subsidiary to execute and deliver a supplemental indenture to this Indenture, providing for a Subsidiary Guarantee by such Restricted Subsidiary and joinders to the First Lien/Second Lien Intercreditor Agreement and applicable Security Documents or new intercreditor agreements and security documents, together with any filings and agreements to the extent required by the Security Documents to create or perfect the security interests for the benefit of the Holders in the Collateral of such Subsidiary, within 90 days of the date of the relevant formation, acquisition, designation or cessation, pursuant to which such Guarantor will unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of, premium, if any, and interest, if any, on the Notes on a senior subordinated secured basis. Each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Subsidiary without rendering the Subsidiary Guarantee as it relates to such Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 4.11. Change of Control. Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described under Section 3.03, the Company will be required to make an offer (a “Change of Control Offer”) to purchase all outstanding Notes (as described in this Indenture) at a purchase price equal to 101% of their principal amount (or such higher amount as the Company may determine (any Change of Control Offer at a higher amount, an “Alternate Offer”)) (such price, the “Change of Control Payment”) plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).
Within 60 days following the date upon which the Change of Control occurred, the Company must send, electronically or by first class mail to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository, a notice to each Holder of Notes, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice will state:

1. that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;

2. the purchase price and the purchase date, which will be no earlier than 20 Business Days nor later than 60 days from the date such notice is sent (the “Change of Control Payment Date”); provided, that the Change of Control Payment Date shall be delayed until such time (including more than 60 days after the date such notice is sent) as any or all such conditions referred to in clause (8) below shall be satisfied or waived;

3. that any Notes not properly tendered will remain outstanding and continue to accrue interest;

4. that unless the Company defaults in the payment of the Change of Control Payment plus accrued and unpaid interest on all properly tendered Notes, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

5. that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the procedures of the Depository, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

6. until the close of business on the tenth Business Day after the date such notice is sent (or such later time and date as the Company may decide in its sole discretion) (such time and date, the “withdrawal deadline”), that Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; provided that the paying agent receives, not later than the withdrawal deadline, as electronic transmission (in PDF), a facsimile transmission or letter or other communication in accordance with the procedures of the Depository setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

7. that if less than all of such Holder’s Notes are tendered for purchase, such Holder will be issued new Notes (or, in the case of Global Notes, such Notes shall be reduced by such amount of Notes that the Holder has tendered) and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered (the unpurchased portion of the Notes must be equal to $2,000 or an integral multiple of $1,000 in excess thereof);

8. if such notice is sent prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control or such other conditions specified therein and describing each such condition, and, if applicable, stating that, in the Company’s discretion, the Change of Control Payment Date may be delayed until such time (including more than 60 days after the notice is mailed or delivered) as any or all such conditions shall be satisfied or waived, or that such purchase may not occur and such notice may be rescinded in the event that the Company reasonably believes that any or all such conditions (including the occurrence of such Change of Control) will not be satisfied or waived by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and

9. such other instructions, as determined by the Company, consistent with this Section 4.11, that a Holder must follow.
If a notice relating to a Change of Control Offer that is subject to one or more conditions precedent (other than the occurrence of a Change of Control) is later rescinded as described in clause (8) above as a result of the failure of such condition(s) to be satisfied or waived (or as a result of the Company reasonably believing that such will be the case), the offer described in such notice will not be deemed a valid “Change of Control Offer” for purposes of this Section 4.11.

The Company will not be required to make a Change of Control Offer following a Change of Control if (i) a third party approved in writing by the Company makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (ii) a notice of redemption to the Holders of the Notes has been given pursuant to this Indenture pursuant to Section 3.03 herein or (iii) in the event that upon the consummation of such Change of Control, the Company defeases or discharges the Notes as provided for under Article Eight herein. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party approved in writing by the Company making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 10 nor more than 60 days’ prior notice (except that such notice may be delivered or mailed more than 60 days prior to the redemption date or purchase date if the notice is subject to one or more conditions precedent as described therein and such date is delayed until such time as any and all such conditions are satisfied or waived), given not more than 60 days following such purchase pursuant to the Change of Control Offer described above, to redeem (with respect to the Company) or purchase (with respect to a third party) all of the Notes that remain outstanding following such purchase on a date (the “Second Change of Control Payment Date”) at a price in cash equal to the Change of Control Payment in respect of the Second Change of Control Payment Date, including, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Second Change of Control Payment Date.

If an offer is made to repurchase the Notes pursuant to a Change of Control Offer pursuant to this covenant, the Company will comply with all tender offer rules under state and federal securities laws, including, but not limited to, Section 14(e) under the Exchange Act and Rule 14e-1 thereunder, to the extent applicable to such offer. To the extent that the provisions of any securities laws or regulations, including Section 14(e) of, and Rule 14e-1 under, the Exchange Act, conflict with the change of control provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the change of control provisions of this Indenture by virtue of such compliance.

A Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes and/or the Subsidiary Guarantees so long as the tender of Notes by a Holder is not conditioned upon the delivery of consents by such Holder. In addition, the Company or any third party approved in writing by the Company that is making the Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may, subject to applicable law, increase or decrease the Change of Control Payment (or decline to pay any early tender or similar premium) being offered to Holders at any time in its sole discretion, so long as the Change of Control Payment is at least equal to 101% of the aggregate principal amount of the Notes being repurchased, plus accrued and unpaid interest thereon.
Section 4.12. Provision of Financial Information

(a) The Company shall file with the SEC and provide the Trustee and Holders of Notes with such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such Sections; provided, however, that the Company shall not be so obligated to file such information, documents and reports with the SEC if the SEC does not permit such filings but shall still be obligated to provide such information, documents and reports to the Trustee and the Holders of the Notes. Delivery of any such information, documents and reports to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer’s Certificates). The Trustee shall have no liability or responsibility for the filing, timeliness, or content of such reports. The Trustee shall further not be obligated to monitor or confirm, on a continuing basis or otherwise, the Company’s compliance with its covenants or with respect to any reports or other documents filed with the SEC or posted to any website or participate in any conference calls.

(b) In addition, to the extent not satisfied by the foregoing, the Company shall furnish to prospective investors, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act for so long as the Notes are not freely transferable under the Securities Act.

(c) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly information required above shall include a reasonably detailed presentation, either on the face of the financial statements, in the footnotes thereto or in an “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(d) Notwithstanding the foregoing, (a) the obligations in this Section 4.12 may be satisfied by a parent of the Company; provided that to the extent such information relates to a parent of the Company, such information is accompanied by consolidating information, which may be unaudited, that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Subsidiaries on a stand-alone basis, on the other hand, and to the extent such information is in lieu of information required to be provided under this Section 4.12, such materials are accompanied by a report and opinion of an independent registered public accounting firm of nationally recognized standing, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any “going concern” or like qualification or exception or any qualification or exception as to the scope of such audit (other than any exception or explanatory paragraph, but not a qualification, that is expressly solely with respect to, or expressly resulting solely from, (i) an upcoming maturity date of any Indebtedness occurring within one year from the time such opinion is delivered or (ii) any potential inability to satisfy a financial maintenance covenant on a future date or in a future period) and (b) (i) in no event shall any financial statements or reports be required to comply with (w) Rule 3-10 of Regulation S-X promulgated by the SEC (or such other rule or regulation that amends, supplements or replaces such Rule 3-10, including for the avoidance of doubt, Rules 13-01 or 13-02 of Regulation S-X promulgated by the SEC), (x) Rule 3-09 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-09) or (y) Rule 3-16 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-16) and (ii) in no event shall such financial statements or reports be required to comply with Regulation G under the Exchange Act or Item 10(c) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein.

Section 4.13. Statement as to Compliance. The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the date hereof, a brief certificate of its principal executive officer, principal financial officer or principal accounting officer stating whether, to such officer’s knowledge, the Company is in compliance with all covenants and conditions to be complied with by it under this Indenture. For purposes of this Section 4.13, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.
When a Default has occurred and is continuing or if the Trustee, any Holder or the trustee for or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Company shall deliver to the Trustee an Officers’ Certificate specifying such Default, notice or other action within 10 Business Days of its occurrence.

Section 4.14. Waiver of Certain Covenants. The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 4.02 to 4.11, Section 4.12(a) and Section 4.16, if the Holders of a majority in aggregate principal amount of the Notes at the time outstanding shall, by written direction of such Holders, waive such compliance in such instance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

Section 4.15. [Reserved].

Section 4.16. Asset Sales.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate, directly or indirectly, an Asset Sale (including (x) the sale or issuance of Equity Interests in a Restricted Subsidiary and (y) any Sale Leaseback) unless:

1. such Asset Sale is made for Fair Market Value; and

2. except in the case of a Permitted Asset Swap, a Sale Leaseback or the Disposition of a Multiplex theatre, in any such Asset Sale with a purchase price in excess of the greater of (x) $50,000,000 and (y) 5% of Consolidated EBITDA for the most recently ended Test Period, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales completed or contractually agreed upon since the Issue Date, received by the Company or such Restricted Subsidiary in the form of cash or Cash Equivalents.

(b) Within 450 days after receipt of any Net Proceeds from any Asset Sale (the “Asset Sale Proceeds Application Period”), the Company or such Restricted Subsidiary, at its option, may apply an amount equal to the Net Proceeds from such Asset Sale (the “Applicable Proceeds”),

1. to the extent the assets or property disposed of in the Asset Sale constituted Collateral, to repay (i) first, (1) Obligations under the First Lien Credit Facilities, (2) Obligations under the First Lien Notes, (3) Obligations under the Additional Silver Lake First Lien Notes, (4) the New First Lien Notes, (5) Obligations under the Convertible Notes or (6) any Additional First Lien Obligations in accordance with the terms of the New First Lien Notes Indenture and other documents governing the Senior Obligations and (ii) second, to the extent any Applicable Proceeds remain after all Senior Obligations requiring repayment have been repaid in full, the Second Lien Obligations; provided that the Company or such Restricted Subsidiary will reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such Second Lien Obligations repaid pursuant to this Section 4.16(b)(1) by redeeming Notes as provided in Section 3.08, and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto;

2. to the extent the assets or property disposed of in the Asset Sale did not constitute Collateral:

i. first to repay Senior Obligations in accordance with the terms of the New First Lien Notes Indenture and other documents governing the Senior Obligations; and

ii. second, to the extent any Applicable Proceeds remain after all Senior Obligations requiring repayment have been repaid in full, to repay Obligations under any Senior Indebtedness (other than any Senior Indebtedness referred to in Section 4.16(b)(2)(ii)) and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such Senior Indebtedness repaid pursuant to this Section 4.16(b)(2)(ii) by redeeming Notes as provided under Section 3.08; or

68
to invest in the business of the Company and its Subsidiaries (including any acquisition or other Investment permitted under this Indenture); or

any combination of the foregoing;

provided that, in the case of clause (3) above, a binding commitment or letter of intent shall be treated as a permitted application of the Applicable Proceeds from the date of such commitment or letter of intent so long as the Company or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds will be applied to satisfy such commitment or letter of intent within 180 days of the expiration of the Asset Sale Proceeds Application Period (an “Acceptable Commitment”) and such Applicable Proceeds are actually applied in such manner within 180 days of the expiration of the Asset Sale Proceeds Application Period (the period from the consummation of the Asset Sale to such date, the “Commitment Application Period”), and, in the event any Acceptable Commitment is later cancelled or terminated for any reason after the expiration of the Asset Sale Proceeds Application Period and before the Applicable Proceeds are applied in connection therewith, then such Applicable Proceeds shall constitute Excess Proceeds unless the Company or such Restricted Subsidiary reasonably expects to enter into another Acceptable Commitment prior to the expiration of the Asset Sale Proceeds Application Period and such Applicable Proceeds are actually applied in such manner prior to the expiration of the Commitment Application Period. To the extent Applicable Proceeds from an Asset Sale exceed amounts that are invested or applied as provided and within the time period set forth in Section 4.16 (b), such excess amount will be deemed to constitute “Excess Proceeds”; provided that any amount of Applicable Proceeds offered to Holders of any Notes pursuant to clauses (1) or (2) above shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any Holders.

Notwithstanding the foregoing, in the event the Asset Sale consists of any interest in a European Subsidiary (or the assets thereof), (a) up to $150 million of the Applicable Proceeds (less (x) any Applicable Proceeds that have been applied under this clause (a) in any prior Asset Sale to which this paragraph applies and (y) any Obligations of such European Subsidiary incurred pursuant to Section 4.05(b)(xv)) (the “Threshold”) may be used for the purposes described in Section 4.16(b)(3), (b) 80% of the Applicable Proceeds in excess of the Threshold (the “European Asset Sale Debt Repayment Amount”) must be used for the purposes described in Section 4.16(b)(1) or (b)(2), if any, as applicable; provided, however, that the European Asset Sale Debt Repayment Amount that is to be used to repay the Notes must be applied in accordance with Section 3.08 and (c) 20% of the Applicable Proceeds in excess of the Threshold may be used in any combination of the foregoing. The Company or any Restricted Subsidiary must apply the European Asset Sale Debt Repayment Amount for the purposes described in Section 4.16(b) (1) or (b)(2) within 15 days of the receipt of Applicable Proceeds that result in the European Asset Sale Debt Repayment Amount (less any amounts that have previously been applied under clause (b) of the preceding sentence) to exceed $50.0 million (a “European Asset Sale Mandatory Redemption Event”).

Except with respect to an Asset Sale that consists of any interest in a European Subsidiary (or the assets thereof) described in the immediately preceding paragraph, if at any time the aggregate amount of Excess Proceeds exceeds $100.0 million (an “Asset Sale Mandatory Redemption Event”), then the Company shall (a) redeem the maximum aggregate principal amount of Notes (as determined in accordance with clauses (1) and (2) above) in accordance with the procedures in Section 3.08, and (b) if required or permitted by the terms of any other Second Lien Obligations and/or, to the extent that the assets or property disposed of in the Asset Sale are not Collateral, Indebtedness that is pari passu in right of payment with the Notes (“Pari Passu Indebtedness”), within 20 Business Days of such Asset Sale Mandatory Redemption Event, offer to purchase the maximum aggregate principal amount (or accreted value, as applicable) (as determined in accordance with clauses (1) and (2) above) of such Second Lien Obligations and/or Pari Passu Indebtedness, as applicable, out of the amount of the Excess Proceeds (in the case of any Second Lien Obligations and/or Pari Passu Indebtedness, if applicable, in accordance with the documents governing such Second Lien Obligations and/or Pari Passu Indebtedness) to the Holders of such Second Lien Obligations and/or Pari Passu Indebtedness, as applicable (an “Asset Sale Offer”). The Company may satisfy the foregoing obligation with respect to such Applicable Proceeds from an Asset Sale by making an Asset Sale Offer in advance of being required to do so by this Indenture (an “Advance Offer”) with respect to all or part of the available Applicable Proceeds (the “Advance Portion”).

If the aggregate principal amount (or accreted value, as applicable) of Notes redeemed, together with, if applicable, Second Lien Obligations and/or Pari Passu Indebtedness, tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero (regardless of whether there are any remaining Excess Proceeds upon such completion), and in the case of an Advance Offer, the Advance Portion shall be excluded in subsequent calculations of Excess Proceeds. Notwithstanding the foregoing, to the extent the First Lien/Second Lien Intercreditor Agreement or any Senior Debt Document, prohibits the Company from making an Asset Sale Offer or redemption contemplated by Sections 4.16(c) or (d) with the Net Proceeds from a disposition of Collateral, the Company shall apply the Excess Proceeds to purchase Senior Obligations in accordance with Section 4.16(b)(1) prior to the expiration of the relevant 450 days (or such longer period provided above) or, in the case of a European Asset Sale Mandatory Redemption, of the relevant 15 days.
Pending the final application of an amount equal to the Applicable Proceeds pursuant to this Section 4.16, the Holder of such Applicable Proceeds may apply any Applicable Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility (including under the First Lien Credit Facilities) or otherwise invest such Applicable Proceeds in any manner not prohibited by this Indenture. For the avoidance of doubt, the Company may apply any Retained Declined Proceeds in any manner not prohibited by this Indenture and such Retained Declined Proceeds shall in no event and under no circumstances constitute Excess Proceeds.

Notwithstanding anything in this Indenture to the contrary, (i) to the extent that any of or all the Applicable Proceeds received by a Foreign Subsidiary are prohibited or delayed under any Requirements of Law from being repatriated to the Company, the portion of such Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Company (the Company hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Applicable Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16, and (ii) to the extent that and for so long as the Company has determined in good faith that repatriation of any of or all the Applicable Proceeds would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), the Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary; provided that when the Company determines in good faith that repatriation of any of or all the Applicable Proceeds received by a Foreign Subsidiary would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), such Applicable Proceeds shall be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16.

For purposes of clause (a)(2) of this Section 4.16 (and no other provision), the following shall be deemed to be cash or Cash Equivalents:

1. the greater of the principal amount and carrying value of any liabilities (as reflected on the most recent balance sheet of the Company (or a Parent Entity) provided hereunder or in the footnotes thereto), or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the balance sheet of the Company (or Parent Entity) or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Obligations under the Notes, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) pursuant to a written agreement which releases the Company or such Restricted Subsidiary from such liabilities;

2. any securities received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of the applicable Asset Sale; and
any Designated Non-Cash Consideration received by the Company or such Restricted Subsidiary in respect of such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (3) that is at that time outstanding, not in excess (at the time of receipt of such Designated Non-Cash Consideration) of 5% of Consolidated Total Assets for the most recently ended Test Period as of the time of receipt of such Designated Non-Cash Consideration, with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(i) The provisions of this Indenture relating to the Company’s obligation to redeem the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

Section 4.17. After-Acquired Collateral. From and after the Issue Date, and subject to the applicable limitations and exceptions set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if the Company or any Guarantor creates any additional security interest upon any property or asset that would constitute Collateral to secure any Second Lien Obligations, the Company and each of the Guarantors shall concurrently grant a second-priority perfected security interest (subject to Permitted Liens) upon any such Collateral, as security for the Secured Notes Obligations.

ARTICLE V

Successors

Section 5.01. Merger, Consolidation, Amalgamation and Sale of All or Substantially All Assets. The Company shall not, consolidate or amalgamate with or merge with or into any other Person or sell, assign, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person unless at the time and after giving effect thereto:

(a) either: (i) the Company shall be the continuing corporation; or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance, transfer, lease or disposition the properties and assets of the Company substantially as an entirety (the “Surviving Entity”) shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and treated as a corporation for U.S. federal income tax purposes, and shall, in either case, expressly assume all the Obligations of the Company under the Notes, this Indenture, the Security Documents and the First Lien/Second Lien Intercreditor Agreement, as applicable;

(b) immediately after giving effect to such transaction on a pro forma basis, no Default or Event of Default shall have occurred and be continuing;

(c) immediately after giving effect to such transaction and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, except in the case of the consolidation or merger of any Subsidiary with or into the Company, the Company (or the Surviving Entity if the Company is not the continuing corporation) will (i) be permitted to incur at least $1.00 of additional Indebtedness pursuant to (x) the Senior Leverage Ratio set forth in Section 4.05(a) or the Secured Leverage Ratio set forth in Section 4.05(b)(xxix) or (ii) have (x) a Senior Leverage Ratio or (y) a Secured Leverage Ratio, in each case, equal to or less than the Senior Leverage Ratio or Secured Leverage Ratio, as applicable, immediately prior to such transaction;

(d) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Surviving Entity are assets of the type that would constitute Collateral under the Security Documents, the Surviving Entity will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents;
(e) each Guarantor (unless it is the other party to the transactions above, in which case clause (a)(ii) shall apply) shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person’s obligations in respect of the Notes outstanding and this Indenture pursuant to supplemental indentures.

(f) In connection with any consolidation, merger, transfer or lease contemplated in Section 5.01(a), the Company shall deliver, or cause to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger, transfer or lease and the supplemental indenture in respect thereto comply with the provisions described herein and that all conditions precedent herein provided for or relating to such transaction have been complied with.

(g) In addition, the Company shall not permit any Guarantor to consolidate with or merge with or into any person (other than another Guarantor) and shall not permit the conveyance, transfer or lease of substantially all of the assets of any Guarantor unless:

(i) the resulting, surviving or transferee Person shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and such Person (if not such Guarantor) shall expressly assume all the obligations of such Guarantor under its Subsidiary Guarantee by supplemental indenture, executed and delivered to the Trustee, and joiners to the applicable Security Documents and the First Lien/Second Lien Intercreditor Agreement;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(iv) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Guarantor are assets of the type that would constitute Collateral under the Security Documents, the Guarantor will promptly as reasonably practicable using commercially reasonable efforts take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; and

(v) the transaction is made in compliance with Section 4.16.

Section 5.02. Successor Substituted. Upon any consolidation or merger or any transfer of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor entity formed by such a consolidation or into which the Company is merged or to which such transfer is made shall succeed to, shall be substituted for and may exercise every right and power of the Company under the Notes and this Indenture, with the same effect as if such successor entity had been named as the Company herein. In the event of any transaction (other than a lease) described and listed in Section 5.01 in which the Company is not the continuing entity, the successor Person formed or remaining shall succeed to, be substituted for and may exercise every right and power of the Company, and the Company shall be discharged from all obligations and covenants under the Notes and this Indenture.

ARTICLE VI

Defaults and Remedies

Section 6.01. Events of Default. The following will be “Event of Default,” under this Indenture:

(a) default in the payment of any interest on any Note when it becomes due and payable and continuance of such default for a period of 30 days;

(b) default in the payment of the principal of or premium, if any, on any Note at its Maturity (upon acceleration, optional redemption, required purchase or otherwise);

(c) default in the performance, or breach, of any covenant or agreement of the Company contained in this Indenture or the Security Documents (other than a default in the performance, or breach, of a covenant or agreement which is specifically dealt with in Section 6.01(a) or (b)) and continuance of such default or breach for a period of 60 days after written notice shall have been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 30% in aggregate principal amount of the Notes then outstanding;

(d) (i) one or more defaults in the payment of principal of or premium, if any, on Indebtedness of the Company or any Significant Subsidiary, aggregating the greater of $250,000,000 or 25% of Consolidated EBITDA or more, when the same becomes due and payable at the stated maturity thereof, and such default or defaults shall have continued after any applicable grace period and shall not have been cured or waived or (ii) Indebtedness of the Company or any Significant Subsidiary, aggregating the greater of $250,000,000 or 25% of Consolidated EBITDA or more shall have been accelerated or otherwise declared due and payable, or required to be prepaid, or repurchased (other than by regularly scheduled prepayment) prior to the stated maturity thereof;

(e) (i) any Lien purported to be created under any Security Document (x) shall cease to be, or (y) shall be asserted by the Company or any Guarantor not to be, a valid and perfected Lien on any material portion of the Collateral, except (A) in accordance with the terms of the relevant
Security Document and this Indenture, (B) as a result of the failure of the Designated Senior Representative or Notes Collateral Agent to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (C) as to Collateral consisting of real property, to the extent that such losses are covered by a lender’s title insurance policy and such insurer has not denied coverage; and (ii) such default continues for 30 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in aggregate principal amount of the then outstanding Notes;

(f) any material provision of any Security Document or any Guarantee shall for any reason be asserted by the Company or any Guarantor not to be a legal, valid and binding obligation of the Company or such Guarantor other than as expressly permitted hereunder or thereunder;

(g) one or more enforceable judgments for the payment of money in an aggregate amount in excess of the greater of (a) $250,000,000 and (b) 25% of Consolidated EBITDA for the most recently ended Test Period (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has not denied its obligation) shall be rendered against the Company, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of the Company or any Guarantor that are material to the businesses and operations of the Company and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of the Company or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for the Company or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;
Section 6.02. Acceleration; Rescission and Annulment

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(h) or (i)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than 30% in aggregate principal amount of the Notes outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes to be due and payable; provided, however, so long as the First Lien Credit Facilities shall be in full force and effect, if an Event of Default shall occur and be continuing (other than an Event of Default specified in Section 6.01(h) or (i)), any such acceleration shall not become effective until the earlier of: (i) five (5) Business Days following delivery of notice to the Company and the agent under the First Lien Credit Facilities; and (ii) the acceleration of any such Indebtedness under the First Lien Credit Facilities. If an Event of Default specified in Section 6.01(h) or (i) occurs and is continuing, then the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Company will deliver to the Trustee, within 10 days after the occurrence thereof, notice of any default or acceleration referred to in Sections 6.01(c) and 6.01(d).

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article, the Holders of a majority in aggregate principal amount of the Notes outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:

(A) all sums paid or advanced by the Trustee and the Notes Collateral Agent hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee and the Notes Collateral Agent, and their agents and counsel;

(B) all overdue interest on all Notes;

(C) the principal of (and premium, if any, on) any Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes; and

(D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes; and

(ii) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.
(c) Notwithstanding clause (b) above, in the event of a declaration of acceleration in respect of the Notes because an Event of Default specified in Section 6.01(d) shall have occurred and be continuing, such declaration of acceleration shall be automatically annulled if the Indebtedness that is the subject of such Event of Default (i) is Indebtedness in the form of an operating lease entered into by the Company or its Subsidiaries after May 21, 1998 and required to be reflected on a consolidated balance sheet pursuant to EITF 97-10 or any subsequent pronouncement having similar effect, (ii) has been discharged or the holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness, and (iii) written notice of such discharge or rescission, as the case may be, shall have been given to the Trustee by the Company and countersigned by the holders of such Indebtedness or a trustee, fiduciary or agent for such holders, within 30 days after such declaration of acceleration in respect of the Notes, and no other Event of Default has occurred during such 30-day period which has not been cured or waived during such period.

(d) If the Notes are accelerated or otherwise become due prior to their stated maturity, in each case as a result of an Event of Default whether automatically or by declaration, the amount of principal of, accrued and unpaid interest and premium on the Notes that shall then be due and payable shall be equal to (x) if prior to June 15, 2023, 100% of the principal amount of the Notes then outstanding plus the Applicable Premium in effect on the date of such acceleration or (y) if on or after to June 15, 2023, the applicable redemption price in effect on the date of such acceleration, as applicable, as if such acceleration were an optional redemption of the Notes so accelerated.

(e) Without limiting the generality of the foregoing, if the Notes are accelerated or otherwise become due prior to their stated maturity, in each case, in respect of any Event of Default (including an event of default relating to certain events of bankruptcy, insolvency or reorganization (including the acceleration of claim by operation of law)), the Applicable Premium or the redemption price applicable with respect to an optional redemption of the Notes shall also be due and payable as though the Notes had been optionally redeemed and shall constitute part of the Secured Notes Obligations in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each holder’s lost profits as a result thereof. If the Applicable Premium or applicable redemption price, as applicable, becomes due and payable, it shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the Applicable Premium or applicable redemption price, as applicable,) from and after the applicable triggering event, including in connection with certain events of bankruptcy, insolvency or reorganization of the Company. Any premium payable above shall be presumed to be liquidated damages sustained by each holder as the result of the acceleration of the Notes and the Company agrees that it is reasonable under the circumstances currently existing. The premium shall also be payable in the event the Notes or this Indenture are satisfied, released or discharged through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure or by any other means. THE COMPANY EXPRESSLY WAIVES (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Company expressly agrees (to the fullest extent it may lawfully do so) that: (A) the premium is reasonable and is the product of an arm’s length transaction between sophisticated business entities ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between holders and the Company giving specific consideration in this transaction for such agreement to pay the premium; and (D) the Company shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Company expressly acknowledges that its agreement to pay the premium to holders as herein described is a material inducement to holders to purchase the Notes.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 6.04. Waiver of Past Defaults. Subject to Section 6.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class by notice to the Trustee may waive an existing Default and its consequences under this Indenture and the Security Documents, except (a) a Default in the payment of the principal of or interest on a Note held by a non-consenting Holder, (b) a Default arising from a failure to make or consummate a Change of Control Offer in accordance with the provisions of Section 4.11, or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.
Section 6.05. Control by Majority. Subject to the First Lien/Second Lien Intercreditor Agreement, Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or Notes Collateral Agent with respect to the Notes. However, the Trustee or the Notes Collateral Agent, as applicable may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee or Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent, as applicable in personal liability. Prior to taking any action hereunder, the Trustee shall be entitled to reasonable indemnification, in its sole discretion, against all losses and expenses caused by taking or not taking such action.

Section 6.06. Limitation on Suits. Subject to the First Lien/Second Lien Intercreditor Agreement, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting together as a single class shall have made a written request, and such Holder or Holders shall have offered, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys’ fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and

(c) the Trustee has failed to institute such proceeding and has not received from the Holders of at least a majority in aggregate principal amount of the Notes outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Notes for the enforcement of payment of the principal of or interest on such Notes on or after the applicable due date specified in such Note. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcement of the payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.
**Section 6.10. Priorities.** Subject to the provisions of the First Lien/Second Lien Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

**FIRST:** to the Trustee and the Notes Collateral Agent, in each case for amounts due under Section 7.07;

**SECOND:** to Holders of Senior Obligations to the extent required by Article Ten;

**THIRD:** to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

**FOURTH:** to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

**Section 6.11. Undertaking for Costs.** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys’ fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Notes.

**Section 6.12. Waiver of Stay or Extension Laws.** The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE VII**

**Trustee**

**Section 7.01. Duties of Trustee**

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person’s own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).
The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this subsection (c) does not limit the effect of subsection (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to this Indenture.

Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b) and (c) of this Section 7.01.

The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

Section 7.02. Rights of Trustee. Subject to the provisions of Section 7.01:

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.

(b) Before the Trustee acts or refrains from acting, it may require an Officers’ Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers’ Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; provided, however, that the Trustee’s conduct does not constitute willful misconduct or negligence.

(e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys’ fees) that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.

(i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(j) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(k) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

Section 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04. Trustee’s Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Notes, it shall not be accountable for the Company’s use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee’s certificate of authentication.

Section 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06. Reports by Trustee to Holders. As promptly as practicable after each December 31 beginning with December 31, 2020, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Section 313(b) and (c).

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee whenever the Notes become listed on any stock exchange and of any delisting thereof.

Section 7.07. Compensation and Indemnity. The Company shall pay to the Trustee and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee’s compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all documented out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee’s agents, counsel, accountants and experts. The Company shall indemnify the Trustee against any and all loss, liability or expense (including documented attorneys’ fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee’s own willful misconduct or negligence. The Company need not pay for any settlement made by the Trustee without the Company’s consent, such consent not to be unreasonably withheld. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents, successors and assigns.

78
To secure the Company’s payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company’s payment obligations pursuant to this Section 7.07 shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(h) or (i) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 7.08. Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

(a) the Trustee fails to comply with Section 7.10;
(b) the Trustee is adjudged bankrupt or insolvent;
(c) a receiver or other public officer takes charge of the Trustee or its property; or
(d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders a majority in aggregate principal amount of the Notes then outstanding and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.
Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Company’s obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09. **Successor Trustee by Merger.** If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated; any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10. **Eligibility; Disqualification.** The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least the minimum amount required by the TIA. The Trustee shall comply with TIA Section 310(b), subject to the penultimate paragraph thereof; provided, however, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

For purposes of this Section 7.10 and clause (i) of the first proviso contained in TIA Section 310(b), the indenture, dated as of June 5, 2015, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 5.75% Senior Subordinated Notes due 2025, the indenture, dated as of November 8, 2016, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 5.875% Senior Subordinated Notes due 2024, the indenture, dated as of March 17, 2017, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 6.125% Senior Subordinated Notes due 2027 and the indenture, dated as of September 14, 2018, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 2.95% Convertible Senior Notes due 2024 are hereby deemed to be specifically described.

Section 7.11. **Preferential Collection of Claims Against Company.** The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

ARTICLE VIII

Discharge of Indenture; Defeasance

Section 8.01. **Discharge of Liability on Notes; Defeasance.**

(a) When (i) either (A) all outstanding Notes that have been authenticated (other than Notes replaced pursuant to Section 2.07 and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation or (B) all Notes under this Indenture that have not been delivered to the Trustee for cancellation have become due and payable, whether at the Maturity Date or upon redemption or will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article Three and the Company irrevocably deposits or causes to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof of cash in U.S. Dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium and accrued interest to the Maturity Date or redemption date; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Notes; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes issued thereunder at the Maturity Date or the redemption date, as the case may be, then upon demand of the Company (accompanied by an Officers’ Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Notes and the Liens on the Collateral securing the Notes will be released and the Trustee shall acknowledge satisfaction and discharge of this Indenture.
Subject to Sections 8.01(c) and 8.02, the Company may, at its option, and at any time elect to (i) have the obligations of the Company discharged with respect to all outstanding Notes and the applicable Security Documents and all obligations of the Guarantors discharged with respect to their Subsidiary Guarantee, and have Liens on the Collateral securing the Notes released ("legal defeasance option") or (ii) have the obligations of the Company and its and the Guarantors’ released under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.16, 4.17, 5.01(b), 5.01(c), 5.01(d), 5.01(e), 5.01(f) and 5.01(g) ("covenant defeasance option"). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(c), (d), (e), (f), (g), (h) (solely with respect to any Restricted Subsidiary), (i) (solely with respect to any Restricted Subsidiary) and (j).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

Notwithstanding subsections (a) and (b) above, the Company's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.01, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06 shall survive until the Notes have been paid in full. Thereafter, the Company’s obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

Section 8.02. Conditions to Defeasance. The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article Eight applicable to it) as trust funds in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee) to pay the principal of (and premium, if any) and interest on the outstanding Notes on the Maturity Date (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; provided that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Notes. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Notes at a future date in accordance with Article Three;

(b) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(c) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;
(d) No Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit; and

(e) the Company delivers to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article Eight have been complied with.

Section 8.03. Application of Trust Money.

The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article Eight. It shall apply the deposited money and the money from Government Securities, through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04. Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

Section 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities, or the principal and interest received on such Government Securities, other than such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Section 8.06. Reinstatement. If the Trustee or Paying Agent is unable to apply any money, Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company’s obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article Eight; provided, however, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

Section 9.01. Without Consent of Holders. The Company, any Guarantor (with respect to its Subsidiary Guarantee, this Indenture, the First Lien/Second Lien Intercreditor Agreement or the Security Documents to which it is a party and excluding any amendment or supplement the sole purpose of which is to add an additional Guarantor), the Trustee and the Notes Collateral Agent, without the consent of any Holders, may amend the Notes, the Subsidiary Guarantee, this Indenture, the First Lien/Second Lien Intercreditor Agreement or the Security Documents, for any of the following purposes:

(a) to cure any ambiguity, omission, defect or inconsistency;

(g) to make any change that does not adversely affect the rights of any Holder;

(h) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;

(i) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee, a successor Notes Collateral Agent or a successor paying agent hereunder pursuant to the requirements hereof;

(j) to add a Guarantor, a guarantee of a Parent Entity or a co-obligor of the Notes under this Indenture, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents;

(k) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(l) to add Collateral with respect to any or all of the Notes and/or the Subsidiary Guarantees;

(m) to release any Guarantor from its Subsidiary Guarantee pursuant to this Indenture when permitted or required by this Indenture;

(n) to release any Collateral from the Lien securing the Notes when permitted or required by the Security Documents, this Indenture (including pursuant to Section 4.07(b) and including any release of any Lien that is not then otherwise required by this Indenture to be pledged as security for the Notes) or the First Lien/Second Lien Intercreditor Agreement;

(o) to comply with the rules of any applicable securities depositary;

(p) to make any change to Article X of this Indenture that would limit or terminate the benefits available to any holder of Senior Obligations under such provisions;

(q) to add any Additional Second Lien Secured Parties to any Security Documents or to add Additional First Lien Secured Parties and Additional Second Lien Secured Parties to the First Lien/Second Lien Intercreditor Agreement;

(r) in the case of any Security Document, to include therein any legend required to be set forth therein pursuant to the First Lien/Second Lien Intercreditor Agreement, or to modify any such legend as required by the First Lien/Second Lien Intercreditor Agreement;

(s) with respect to the Security Documents and the First Lien/Second Lien Intercreditor Agreement, as provided in the relevant Security Document or First Lien/Second Lien Intercreditor Agreement, as applicable; or
(t) to provide for the succession of any parties to the Security Documents or First Lien/Second Lien Intercreditor Agreement (and any amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the First Lien Credit Facilities or any other agreement that is not prohibited by this Indenture.

Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture or security documents or intercreditor agreements authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and/or the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or security documents or intercreditor agreements that affect its own rights, duties or immunities under this Indenture or otherwise.

After an amendment under this Section 9.01 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

Section 9.02. With Consent of Holders. The Company, the Guarantors and the Trustee and the Notes Collateral Agent may modify or amend this Indenture, the Notes, any Subsidiary Guarantee, the First Lien/Second Lien Intercreditor Agreement and the other Security Documents and may waive any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, any Subsidiary Guarantee, the First Lien/Second Lien Intercreditor Agreement or any Security Document, in each case, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including any consents or waivers obtained in connection with a purchase of, or tender offer (including a Change of Control Offer) or exchange offer for, the Notes). However, without the consent of each Holder affected thereby, a modification or amendment may not:

(a) change the Stated Maturity of the principal of, or any installment of interest on, any Note, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which any Note or any premium or the interest thereon is payable, or impair the contractual right expressly set forth in this Indenture or any Note to institute suit for the enforcement of any such payment after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date);

(b) reduce the amount of, or change the coin or currency of, or impair the right to institute suit for the enforcement of, the Change of Control Payment;

(c) reduce the percentage in principal amount of outstanding Notes, the consent of whose holders is necessary to amend or waive compliance with certain provisions of this Indenture or to waive certain defaults;

(d) modify any of the provisions of this Section 9.02 or Sections 2.14, 6.04, 6.05, 6.07 or 4.14, except to increase the percentage of outstanding Notes the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby; or

(e) modify any of the provisions of this Indenture relating to the subordination of the Notes, if any, in a manner adverse to any Holder of Notes.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Secured Notes Obligations or (B) change or alter the priority of the Liens securing the Secured Notes Obligations in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture or the Security Documents.
Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company in the execution of such amended or supplemental indenture or security documents or intercreditor agreements unless such amended or supplemental indenture or security documents or intercreditor agreements directly affect the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

In addition, Holders will be deemed to have consented for purposes of the Security Documents and the First Lien/Second Lien Intercreditor Agreement, and the Notes Collateral Agent and the Trustee will be authorized, to amend or supplement the Security Documents to add additional secured parties to the extent Liens securing Indebtedness and other Obligations held by such parties are permitted under this Indenture. In executing any such amendment, supplement, consent or waiver to the First Lien/Second Lien Intercreditor Agreement or Security Document or in entering into a new intercreditor agreement or Security Document, the Trustee and Notes Collateral Agent shall be entitled to receive and (subject to their duties set forth in this Indenture) shall be fully protected in relying upon an Officers’ Certificate stating that the execution of such amendment, supplement, consent or waiver or new agreement is authorized or permitted by the First Lien/Second Lien Intercreditor Agreement, as applicable, and/or Security Document, as the case may be, and complies with the provisions thereof and of this Indenture. Notwithstanding anything in this Indenture to the contrary, no opinion of counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

After an amendment under this Section 9.02 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

Section 9.03. [Reserved]

Section 9.04. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder’s Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder’s Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date.

For all purposes of this Indenture, all Initial Notes and Additional Notes shall vote together as one series of Notes under this Indenture.

Section 9.05. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver such Note to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return such Note to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.
Section 9.06. Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent shall sign any amendment authorized pursuant to this Article Nine if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it, in its sole discretion, and to receive, in addition to the documents required by Section 14.04 and (subject to Section 7.01) shall be fully protected in relying upon and shall be entitled to receive, an Officers’ Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture. Notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

ARTICLE X

Subordination

Section 10.01. Agreement To Subordinate. The Company covenants and agrees, and each Holder of a Note, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Secured Notes Obligations are hereby expressly made subordinate and postponed to and subject in right of payment as provided in this Article to the prior payment in full in cash or Cash Equivalents of all Senior Obligations. The Notes shall in all respects rank pari passu with the Existing Subordinated Notes and any future senior subordinated Indebtedness and senior to all existing and future junior subordinated Indebtedness of the Company, and only Senior Obligations shall rank senior to the Notes in accordance with the provisions set forth herein. All provisions of this Article Ten shall be subject to Section 10.11.

This Article Ten shall constitute a continuing offer to all Persons who, in reliance upon such Article, become holders of, or continue to hold, Senior Obligations, and such provisions are made for the benefit of the holders of Senior Obligations, and such holders are made obligee hereunder and they or each of them may enforce such provisions.

Section 10.02. Liquidation, Dissolution, Bankruptcy. In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to the Company or to its assets, whether voluntary or involuntary from any source, (b) any liquidation, dissolution or other winding-up of the Company, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of the Company, then and in any such event:

(i) the holders of Senior Obligations shall receive payment in full in cash or Cash Equivalents of all amounts due on or in respect of all Senior Obligations, or provision shall be made for such payment in full in cash or Cash Equivalents to the satisfaction of the holders of Senior Obligations, before the Holders of the Notes are entitled to receive any payment or distribution of any kind or character from any source (other than a payment or distribution in the form of Permitted Junior Securities or that is awarded as adequate protection by a court of competent jurisdiction in accordance with the First Lien/Second Lien Intercreditor Agreement) on account of the Secured Notes Obligations or on account of the purchase or redemption or other acquisition of Notes; and

(ii) any payment or distribution of assets of the Company of any kind or character from any source, whether in cash, property or securities (other than a payment or distribution in the form of Permitted Junior Securities or that is awarded as adequate protection by a court of competent jurisdiction in accordance with the First Lien/Second Lien Intercreditor Agreement), including by way of set-off or enforcement of any guarantee or otherwise, which the Trustee or the Holders would be entitled to receive but for the provisions of this Article shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Obligations or their authorized representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Obligations may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the Senior Obligations held or represented by each, to the extent necessary to make payment in full in cash or Cash Equivalents of all Senior Obligations of the Company remaining unpaid, after giving effect to any concurrent payment or distribution, or provision therefor to the satisfaction of the holders of the Senior Obligations, to or for the holders of such Senior Obligations; and
Payment Blockage Period

Default on Senior Obligations

The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Five shall not be deemed a dissolution, winding-up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of the Company for the purposes of this Section if the person formed by such consolidation or into which the Company is merged or the Person which acquires such assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance, transfer, lease or disposal, comply with the conditions set forth in Article Five.

Section 10.03. Default on Senior Obligations

(a) Unless Section 10.02 shall be applicable, upon (i) the occurrence of a Payment Default and (ii) receipt by the Trustee from the Company or a holder of Senior Obligations of written notice of such occurrence, no payment (other than any payments made pursuant to the provisions contained in Section 8.03 from monies or Government Securities previously deposited with the Trustee) or distribution of any assets of the Company of any kind or character from any source, whether in cash, property or securities (other than Permitted Junior Securities or that is awarded as adequate protection by a court of competent jurisdiction in accordance with the First Lien/Second Lien Intercreditor Agreement), shall be made by the Company including by way of set-off or enforcement of any guarantee or otherwise, on account of the Secured Notes Obligations or on account of the purchase, redemption, deposit for defeasance or other acquisition of Notes unless and until such Payment Default shall have been cured or waived in writing or shall have ceased to exist or such Senior Obligations shall have been discharged or paid in full in cash or Cash Equivalents, after which the Company shall resume making any and all required payments in respect of the Notes, including any missed payments.

(b) Unless Section 10.02 shall be applicable, upon (i) the occurrence of a Non-Payment Default and (ii) receipt by the Trustee from an authorized representative of the holders of Senior Obligations of written notice of such occurrence, then no payment (other than any payments made pursuant to the provisions contained in Section 8.03 from monies or Government Securities previously deposited with the Trustee) or distribution of any assets of the Company of any kind or character from any source, whether in cash, property or securities (other than Permitted Junior Securities or that is awarded as adequate protection by a court of competent jurisdiction in accordance with the First Lien/Second Lien Intercreditor Agreement), shall be made by the Company including by way of set-off or enforcement of any guarantee or otherwise, on account of the Secured Notes Obligations or on account of the purchase, redemption, deposit for defeasance or other acquisition of Notes for a period (the “Payment Blockage Period”) commencing on the date of receipt by the Trustee of such notice from an authorized representative of the holders of Senior Obligations or the Company at the direction of such representative unless and until (subject to any blockage of payments that may then be in effect under subsection (a) of this Section) (w) more than 179 days shall have elapsed since receipt of such written notice by the Trustee, (x) such Non-Payment Default shall have been cured or waived in writing or shall have ceased to exist, (y) such Senior Obligations have been discharged or paid in full in cash or Cash Equivalents or (z) such Payment Blockage Period shall have been terminated by written notice to the Trustee from an authorized representative of the holders of Senior Obligations initiating such Payment Blockage Period or from the holders of at least a majority in principal amount of such Senior Obligations), after which, in the case of clause (w), (x), (y) or (z), the Company shall resume making any and all required payments in respect of the Notes, including any missed payments. Notwithstanding any other provision of this Indenture, in no event shall a Payment Blockage Period extend beyond 179 days from the date of the receipt by the Trustee of the notice referred to in clause (ii) above (the “Initial Blockage Period”). No more than one Payment Blockage Period may be commenced during any period of 365 consecutive days. Notwithstanding any other provision of this Indenture, no event of default with respect to Senior Obligations which existed or was continuing on the date of the commencement of any Payment Blockage Period initiated by an authorized representative of the holders of Senior Obligations for such Senior Obligations shall be, or be made, the basis for the commencement of a second Payment Blockage Period for such Senior Obligations, whether or not within the Initial Blockage Period, unless such event of default shall have been cured or waived for a period of not less than 90 consecutive days.

(iii) any taxes that have been withheld or deducted from any payment or distribution in respect of the Notes, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to be an amount that a Holder or the Trustee is entitled to receive for the purposes of Section 10.02(ii).

The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Five shall not be deemed a dissolution, winding-up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of the Company for the purposes of this Section if the person formed by such consolidation or into which the Company is merged or the Person which acquires such assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance, transfer, lease or disposal, comply with the conditions set forth in Article Five.
In the event that, notwithstanding the foregoing provisions of this Section, the Company shall make any payment to the Trustee or any Holders of the Notes prohibited by the foregoing provisions of this Section, then and in such event such payment shall be paid over to the authorized representatives of such Senior Obligations initiating the Payment Blockage Period, to be held in trust for distribution to the holders of Senior Obligations or, to the extent amounts are not then due in respect of Senior Obligations, promptly returned to the Company, or otherwise as a court of competent jurisdiction shall direct. The Trustee shall not be liable for any interest on any money received by it.

Section 10.04. **Payment Permitted.** Nothing contained in this Article or elsewhere in this Indenture or in any of the Notes shall prevent the Company, at any time except during the pendency of any event referred to in clause (a), (b) or (c) of Section 10.02 or under the conditions described in Section 10.03, from making payments at any time of principal of (and premium, if any) or interest on the Notes.

Section 10.05. **Subrogation.** After all Senior Obligations are paid in full and until the Notes are paid in full, Holders shall be subrogated (equally and ratably with the holders of all indebtedness of the Company which by its express terms is subordinated and postponed to Senior Obligations to the same extent as the Notes are subordinated and postponed and which is entitled to like rights of subrogation) to the rights of holders of Senior Obligations to receive distributions applicable to Senior Obligations. A distribution made under this Article Ten to holders of Senior Obligations that otherwise would have been made to Holders is not, as between the Company and Holders, a payment by the Company on such Senior Obligations.

Section 10.06. **Relative Rights.** This Article Ten defines the relative rights of Holders and holders of Senior Obligations. Nothing in this Indenture shall:

(a) impair, as between the Company and Holders, the obligation of the Company, which is absolute and unconditional, to pay principal of and interest on the Notes in accordance with their terms;

(b) affect the relative rights against the Company of Holders and creditors of the Company other than the holders of Senior Obligations; or

(c) except as set forth in Section 6.02, prevent the Trustee or any Holder from exercising its available remedies upon a Default or an Event of Default, subject to the rights of holders of Senior Obligations to receive distributions otherwise payable to Holders.

Section 10.07. **Subordination May Not Be Impaired by Company.**

(a) No right of any holder of Senior Obligations to enforce the subordination of the Indebtedness evidenced by the Notes shall be impaired by any act or failure to act by the Company or by its failure to comply with this Indenture.

(b) Without in any way limiting the generality of subsection (a) of this Section, the holders of Senior Obligations may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Notes, without incurring responsibility to the Holders of the Notes and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Notes to the holders of Senior Obligations, do any one or more of the following:

(i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, the terms of Senior Obligations or the terms of any instrument evidencing the same or any agreement under which Senior Obligations are outstanding (including any increase in the aggregate principal amount of any indebtedness thereunder, it being understood that any such additional indebtedness shall not constitute Senior Obligations to the extent Incurred in violation of Section 4.05 of this Indenture);
(ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Obligations;

(iii) release any Person liable in any manner for the collection of Senior Obligations; and

(iv) exercise or refrain from exercising any rights against the Company and/or any other Person.

(c) If the Trustee on behalf of the Holders or any Holders should fail to file a proof of claim in any bankruptcy, insolvency, receivership or similar proceeding relating to the Company at least 30 days before the expiration of the time to file such claim or claims, each holder of Senior Obligations (or its representative) is hereby authorized to file an appropriate claim for and on behalf of all or any of the Holders.

Section 10.08. Rights of Trustee and Paying Agent. Notwithstanding Section 10.03, the Trustee or Paying Agent may continue to make payments on the Notes and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than one Business Day prior to the date of such payment, a Trust Officer receives notice satisfactory to it that payments may not be made under this Article Ten. The Company, the Registrar or co-registrar, the Paying Agent, a Representative or a holder of Senior Obligations may give the notice; provided, however, that, if an issue of Senior Obligations has a Representative, only the Representative may give the notice.

Subject to the provisions of the TIA, the Trustee in its individual or any other capacity may hold Senior Obligations with the same rights it would have if it were not Trustee. The Registrar and co-registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Ten with respect to any Senior Obligations that may at any time be held by it, to the same extent as any other holder of such Senior Obligations; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Ten shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

Section 10.09. Distribution or Notice to Representative. Whenever a distribution is to be made or a notice given to holders of Senior Obligations, the distribution may be made and the notice given to their Representative (if any).

Section 10.10. Article Ten Not To Prevent Events of Default or Limit Right To Accelerate. The failure to make a payment pursuant to the Notes by reason of any provision in this Article Ten shall not be construed as preventing the occurrence of a Default. Nothing in this Article Ten shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Notes; provided, however, that, so long as any Indebtedness permitted by this Indenture to be incurred pursuant to the First Lien Credit Facilities shall be outstanding (including letters of credit and bankers' acceptances), upon the occurrence and during the continuance of an Event of Default under this Indenture, neither the Trustee nor any Holder shall be entitled to accelerate all or any of the Secured Notes Obligations until the earlier to occur of the fifth Business Day following receipt by the Company and by an authorized representative of the holders of Senior Obligations of a written declaration of acceleration as provided in Section 6.02 and the date of acceleration of any such Indebtedness under the First Lien Credit Facilities.

Section 10.11. Trust Moneys Not Subordinated. Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article Eight by the Trustee and which were deposited in accordance with the terms of Article Eight and not in violation of Section 10.03 for the payment of principal of and interest on the Notes shall not be subordinated to the prior payment of any Senior Obligations or subject to the restrictions set forth in this Article Ten, and none of the Holders shall be obligated to pay over any such amount to the Company or any holder of Senior Obligations or any other creditor of the Company.
Section 10.12. **Trustee Entitled To Rely.** Upon any payment or distribution pursuant to this Article Ten, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 10.02 are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives for the holders of Senior Obligations for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Obligations and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Ten. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Obligations to participate in any payment or distribution pursuant to this Article Ten, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Obligations held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Ten, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Ten.

Section 10.13. **Trustee To Effectuate Subordination.** Each Holder by accepting a Note authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Obligations as provided in this Article Ten and appoints the Trustee as attorney-in-fact for any and all such purposes.

Section 10.14. **Trustee Not Fiduciary for Holders of Senior Obligations.** The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Obligations and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Company or any other Person, money or assets to which any holders of Senior Obligations shall be entitled by virtue of this Article Ten or otherwise.

Section 10.15. **Reliance by Holders of Senior Obligations Upon Subordination Provisions.** Each Holder by accepting a Note acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Obligations, whether such Senior Obligations were created or acquired before or after the issuance of the Notes, to acquire and continue to hold, or to continue to hold, such Senior Obligations and such holder of such Senior Obligations shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Obligations.

**ARTICLE XI**

**Guarantee**

Section 11.01. **Subsidiary Guarantee.** Subject to the provisions of this Article Eleven, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Company under this Indenture and the Notes (including, without limitation, any interest, fees or expenses accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding, whether or not such interest, fees or expenses is an allowed claim under applicable state, federal or foreign law and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the “Guarantor Obligations”). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article Eleven notwithstanding any extension or renewal of any Guarantor Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Notes or the Guarantor Obligations.
Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment, termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Subject to the provisions of Section 4.10, each Guarantor agrees that its Subsidiary Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Subsidiary Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section 11.01.

Section 11.02. Execution and Delivery. To further evidence its Subsidiary Guarantee, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to (x) execute this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, execute a supplement to this Indenture, substantially in the form of Exhibit D hereto and deliver it to the Trustee. Concurrently with the execution and delivery of (x) this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, any supplemental indenture to this Indenture, each Guarantor who executes such supplemental indenture agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

Each of the Guarantors hereby agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Subsidiary Guarantee.
If an Officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor’s Subsidiary Guarantee of such Note shall nevertheless be valid.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Subsidiary Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.03. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any Guarantees under the First Lien Credit Facilities) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Each Guarantor shall be automatically and unconditionally released and discharged from its obligations under this Indenture and its Subsidiary Guarantee and such Subsidiary Guarantee shall be automatically and unconditionally terminate, and no further action by such Guarantor, the Company or the Trustee is required for the release of such Guarantor or the termination of such Subsidiary Guarantee:

(i) upon any sale, exchange, issuance, transfer or other disposition (by merger, consolidation, amalgamation, dividend, distribution or otherwise) of (x) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or (y) all or substantially all of the assets of such Guarantor to a Person that is not the Company or a Guarantor, in each case, if such sale, exchange, issuance, transfer or other disposition is made in compliance with the applicable provisions of this Indenture (including any amendments thereof);

(ii) upon such Guarantor becoming an Excluded Subsidiary;

(iii) upon the designation of such Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture;

(iv) upon the Company exercising its legal defeasance option or covenant defeasance option in accordance with Article Eight or the Company’s obligations under this Indenture being discharged in accordance with the terms of this Indenture;

(v) upon the merger, amalgamation, consolidation or winding up of such Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding up, or upon the liquidation of such Guarantor; or

(vi) as described under Article Nine hereof.

Section 11.04. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 11.05. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek to be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.
ARTICLE XII

Subordination of Guarantees

Section 12.01. Agreement To Subordinate. Each Guarantor covenants and agrees, and each Holder of a Security, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Guarantor Obligations are hereby expressly made subordinate and postponed to and subject in right of payment as provided in this Article to the prior payment in full in cash or Cash Equivalents of all Senior Obligations of such Guarantors. The Guarantor Obligations shall in all respects rank pari passu with the Guarantors’ guarantees of the Existing Subordinated Notes and any future senior subordinated Indebtedness of the Guarantors and senior to all existing and future junior subordinated Indebtedness of the Guarantors, and only Senior Obligations of such Guarantors shall rank senior to the Guarantor Obligations in accordance with the provisions set forth herein. All provisions of this Article Twelve shall be subject to Section 12.11.

This Article Twelve shall constitute a continuing offer to all Persons who, in reliance upon such Article, become holders of, or continue to hold, Senior Obligations of the Guarantors, and such provisions are made for the benefit of the holders of Senior Obligations of the Guarantors, and such holders are made obligee hereunder and they or each of them may enforce such provisions.

Section 12.02. Liquidation, Dissolution, Bankruptcy. In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to any Guarantor or to its assets, whether voluntary or involuntary from any source, (b) any liquidation, dissolution or other winding-up of any Guarantor, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of any Guarantor, then and in any such event:

(i) the holders of Senior Obligations of such Guarantor shall receive payment in full in cash or Cash Equivalents of all amounts due on or in respect of all Senior Obligations of such Guarantor, or provision shall be made for such payment in full in cash or Cash Equivalents to the satisfaction of the holders of Senior Obligations of such Guarantor, before the Holders of the Notes are entitled to receive any payment or distribution of any kind or character from any source (other than a payment or distribution in the form of Permitted Junior Securities or that is awarded as adequate protection by a court of competent jurisdiction in accordance with the First Lien/Second Lien Intercreditor Agreement) on account of the Guarantor Obligations or on account of the purchase or redemption or other acquisition of Notes; and

(ii) any payment or distribution of assets of any Guarantor of any kind or character from any source, whether in cash, property or securities (other than a payment or distribution in the form of Permitted Junior Securities or that is awarded as adequate protection by a court of competent jurisdiction in accordance with the First Lien/Second Lien Intercreditor Agreement), including by way of set-off or enforcement of any guarantee or otherwise, which the Trustee or the Holders would be entitled to receive but for the provisions of this Article shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Obligations of such Guarantor or their authorized representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Obligations may have been issued, ratably according to the aggregate amounts remaining unpaid on account of such Senior Obligations held or represented by each, to the extent necessary to make payment in full in cash or Cash Equivalents of all Senior Obligations of such Guarantor remaining unpaid, after giving effect to any concurrent payment or distribution, or provision therefor to the satisfaction of the holders of such Senior Obligations, to or for the holders of such Senior Obligations; and
any taxes that have been withheld or deducted from any payment or distribution in respect of any Guarantor Obligations, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to be an amount that a Holder or the Trustee is entitled to receive for the purposes of Section 12.02(ii).

The consolidation of any Guarantor with, or the merger of any Guarantor into, another Person or the liquidation or dissolution of any Guarantor following the conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Five shall not be deemed a dissolution, winding-up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of such Guarantor for the purposes of this Section if the Person formed by such consolidation or into which such Guarantor is merged or the Person which acquires such assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance, transfer, lease or disposal, comply with the conditions set forth in Article Five.

Section 12.03. Default on Senior Obligations of a Guarantor

(a) No Guarantor may make any payment pursuant to any of its Guarantor Obligations (collectively, “pay its Subsidiary Guarantee”) if (i) any principal, premium, if any, interest or other amount payable in respect of any Senior Obligations of such Guarantor is not paid within any applicable grace period (including at Maturity) or (ii) any other default on Senior Obligations of such Guarantor occurs and the maturity of such Senior Obligations are accelerated in accordance with its terms unless, in either case, (A) the default has been cured or waived and any such acceleration has been rescinded or (B) such Senior Obligations has been paid in full in cash or Cash Equivalents; provided, however, that any Guarantor may pay its Subsidiary Guarantee without regard to the foregoing if such Guarantor and the Trustee receive written notice approving such payment from the Representative of the holders of such issue of Senior Obligations of such Guarantor. No Guarantor may pay its Subsidiary Guarantee during the continuance of any Payment Blockage Period after receipt by the Company and the Trustee of a Payment Blockage Notice under Section 10.03. Unless the Representatives of the holders of such issue of Senior Obligations giving such Payment Blockage Notice shall have accelerated the maturity of such Senior Obligations and not rescinded such acceleration, any Guarantor shall resume (unless otherwise prohibited as described in the first two sentences of this clause (a)) payments pursuant to its Subsidiary Guarantee after the end of such Payment Blockage Period.

(b) In the event that, notwithstanding the foregoing provisions of this Section, any Guarantor shall make any payment to the Trustee or any Holder of the Notes prohibited by the foregoing provisions of this Section, then and in such event such payment shall be paid over to the authorized representatives of such Senior Obligations initiating the Payment Blockage Period, to be held in trust for distribution to the holders of Senior Obligations or, to the extent amounts are not then due in respect of Senior Obligations, promptly returned to such Guarantor, or otherwise as a court of competent jurisdiction shall direct. The Trustee shall not be liable for any interest on any money received by it.

Section 12.04. Subrogation. After all Senior Obligations of a Guarantor are paid in full and until the Notes are paid in full, Holders shall be subrogated (equally and ratably with the holders of all indebtedness of such Guarantor which by its express terms is subordinated and postponed to Senior Obligations of such Guarantor to the same extent as the Notes are subordinated and postponed and which is entitled to like rights of subrogation) to the rights of holders of Senior Obligations of such Guarantor to receive distributions applicable to such Senior Obligations. A distribution made under this Article Twelve to holders of Senior Obligations of such Guarantor that otherwise would have been made to Holders is not, as between such Guarantor and Holders, a payment by such Guarantor on such Senior Obligations.

Section 12.05. Relative Rights. This Article Twelve defines the relative rights of Holders and holders of Senior Obligations of a Guarantor. Nothing in this Indenture shall:

(a) impair, as between a Guarantor and Holders, the obligation of such Guarantor, which is absolute and unconditional, to pay the Guarantor Obligations as set forth in Article Eleven; or
(b) affect the relative rights against a Guarantor of Holders and creditors of a Guarantor other than the holders of Senior Obligations of a Guarantor; or

(c) except as set forth in Section 6.02, prevent the Trustee or any Holder from exercising its available remedies upon a default by such Guarantor of the Guarantor Obligations, subject to the rights of holders of Senior Obligations of such Guarantor to receive distributions otherwise payable to Holders.

Section 12.06. **Subordination May Not Be Impaired by Guarantor**

(a) No right of any holder of Senior Obligations of any Guarantor to enforce the subordination of the Guarantor Obligations shall be impaired by any act or failure to act by such Guarantor or by its failure to comply with this Indenture.

(b) Without in any way limiting the generality of subsection (a) of this Section, the holders of Senior Obligations of a Guarantor may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders to the holders of Senior Obligations of a Guarantor, do any one or more of the following:

(i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, the terms of Senior Obligations of a Guarantor or the terms of any instrument evidencing the same or any agreement under which such Senior Obligations are outstanding (including any increase in the aggregate principal amount of any indebtedness thereunder, it being understood that any such additional indebtedness shall not constitute Senior Obligations to the extent Incurred in violation of Section 4.05 of this Indenture);

(ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Obligations;

(iii) release any Person liable in any manner for the collection of such Senior Obligations; and

(iv) exercise or refrain from exercising any rights against a Guarantor and/or any other Person.

(c) If the Trustee on behalf of the Holders or any Holders should fail to file a proof of claim in any bankruptcy, insolvency, receivership or similar proceeding relating to a Guarantor at least 30 days before the expiration of the time to file such claim or claims, each holder of Senior Obligations of a Guarantor (or its representative) is hereby authorized to file an appropriate claim for and on behalf of all or any of the Holders.

Section 12.07. **Rights of Trustee and Paying Agent** Notwithstanding Section 12.03, the Trustee or Paying Agent may continue to make payments on any Subsidiary Guarantee and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than one Business Day prior to the date of such payment, a Trust Officer receives notice satisfactory to it that payments may not be made under this Article Twelve. The Company, the Registrar or co-registrar, the Paying Agent, a Representative or a holder of Senior Obligations may give the notice; provided, however, that, if an issue of Senior Obligations of any Guarantor has a Representative, only the Representative may give the notice.

The Trustee in its individual or any other capacity may hold Senior Obligations of a Guarantor with the same rights it would have if it were not Trustee. The Registrar and co-registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Twelve with respect to any Senior Obligations of a Guarantor that may at any time be held by it, to the same extent as any other holder of such Senior Obligations; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Twelve shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.
Section 12.08.  **Distribution or Notice to Representative.** Whenever a distribution is to be made or a notice given to holders of Senior Obligations of a Guarantor, the distribution may be made and the notice given to their Representative (if any).

Section 12.09.  **Article Twelve Not To Prevent Events of Default or Limit Right To Accelerate.** The failure to make a payment pursuant to a Subsidiary Guarantee by reason of any provision in this Article Twelve shall not be construed as preventing the occurrence of a Default. Nothing in this Article Twelve shall have any effect on the right of the Holders or the Trustee to make a demand for payment on any Subsidiary Guarantee pursuant to Article Eleven.

Section 12.10.  **Trustee Entitled To Rely.** Upon any payment or distribution pursuant to this Article Twelve, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 12.02 are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives for the holders of Senior Obligations of any Guarantor for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Obligations of any Guarantor and other Indebtedness of such Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Twelve. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Obligations of any Guarantor to participate in any payment or distribution pursuant to this Article Twelve, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Obligations of such Guarantor held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Twelve, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Twelve.

Section 12.11.  **Trustee To Effectuate Subordination.** Each Holder by accepting a Security authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Obligations of any Guarantor as provided in this Article Twelve and appoints the Trustee as attorney-in-fact for any and all such purposes.

Section 12.12.  **Trustee Not Fiduciary for Holders of Senior Obligations of Guarantors.** The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Obligations of any Guarantor and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Company or any other Person, money or assets to which any holders of such Senior Obligations shall be entitled by virtue of this Article Twelve or otherwise.

Section 12.13.  **Reliance by Holders of Senior Obligations of a Guarantor Upon Subordination Provisions.** Each Holder by accepting a Security acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Obligations of any Guarantor, whether such Senior Obligations was created or acquired before or after the issuance of the Notes, to acquire and continue to hold, or to continue to hold, such Senior Obligations and such holder of such Senior Obligations shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Obligations.
ARTICLE XIII
Collateral

Section 13.01. Security Documents

(a) The due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Obligations of the Company and the Guarantors to the Holders or the Trustee under this Indenture, the Notes, the Subsidiary Guarantees and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Secured Notes Obligations, subject to the terms of the Intercreditor Agreements. The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Notes Collateral Agent to enter into the Security Documents and the First Lien/Second Lien Intercreditor Agreement on the Issue Date and to perform its obligations and exercise its rights thereunder in accordance therewith. In the event of conflict between the First Lien/Second Lien Intercreditor Agreement and any of the other Security Documents, the First Lien/Second Lien Intercreditor Agreement shall control. Each Holder, by its acceptance of a Note, (a) agrees that it will be subject to and bound by and will take no actions contrary to the provisions of the First Lien/Second Lien Intercreditor Agreement and (b) authorizes and instructs the Notes Collateral Agent to enter into the First Lien/Second Lien Intercreditor Agreement on the Issue Date as the Notes Collateral Agent, and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 13.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company and the Guarantors shall, at their sole expense, take all actions and make all filings (including filing Uniform Commercial Code (including amendments and continuation statements) and other financing statements, mortgages and deeds of trust) that may be required under applicable law, or that the Trustee or the Notes Collateral Agent may reasonably request, in order to ensure the creation, perfection and priority (or continuance thereof), as security for the Obligations of Company and the Guarantors to the secured parties under this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreements and the Security Documents, of a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreements and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Holders and the Trustee subject to no Liens other than Permitted Liens.

(b) It is understood and agreed that prior to the Discharge of Senior Obligations, to the extent that the First Lien Credit Agreement Collateral Agent or such other Senior Representative, as applicable, is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to the Collateral or makes any determination in respect of any matters relating to the Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any Subsidiary (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the First Lien Credit Facilities), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents and the judgment of the First Lien Credit Agreement Collateral Agent in respect of any such matters under the First Lien Credit Facilities shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.
Section 13.02. Senior Intercreditor Agreement, Pari Passu Intercreditor Agreement and Junior Intercreditor Agreement. In the event that the Company or any Guarantor incurs Additional First Lien Obligations or other Indebtedness permitted by this Indenture to be secured on a senior basis, the Notes Collateral Agent (and if applicable, the Trustee) will, if requested by the Company, enter into a joinder to the First Lien/Second Lien Intercreditor Agreement or another senior priority intercreditor agreement, as applicable, to set forth the relative rights and obligations of the Notes Collateral Agent and the holders of such Indebtedness. The form of such senior priority intercreditor agreement may be in substantially the form of the First Lien/Second Lien Intercreditor Agreement or such other form no less favorable than the First Lien/Second Lien Intercreditor Agreement, and shall provide for the subordination of Liens securing the Notes to such senior lien debt and other intercreditor provisions with respect to such senior lien debt that are reasonably customary in the good faith determination of the Company (for intercreditor agreements providing senior priority liens) as certified by the Company to the Notes Collateral Agent in an Officer’s Certificate. In the event that the Company or any Guarantor incurs Additional Second Lien Obligations or other Indebtedness permitted by this Indenture to be secured on an equal and ratable basis, the Notes Collateral Agent (and if applicable, the Trustee) will, if requested by the Company, enter into a pari passu intercreditor agreement to set forth the relative rights and obligations of the Notes Collateral Agent and the holders of such Indebtedness. The form of such pari passu intercreditor agreement may be in substantially the form of the First Lien Pari Passu Intercreditor Agreement or such other customary form, which shall provide for the sharing of Liens and other intercreditor provisions with respect to such pari passu lien debt that are reasonably customary in the good faith determination of the Company (for intercreditor agreements providing pari passu liens) as certified by the Company to the Notes Collateral Agent in an Officer’s Certificate. In the event that the Company or any Guarantor incurs Indebtedness permitted by this Indenture to be secured on a junior lien basis, the Notes Collateral Agent (and if applicable, the Trustee) will, if requested by the Company, enter into a junior priority intercreditor agreement to set forth the relative rights and obligations of the Notes Collateral Agent and the holders of such Indebtedness. The form of such junior priority intercreditor agreement may be in substantially the form of the First Lien/Second Lien Intercreditor Agreement or such other customary form, which shall provide for the subordination of Liens securing such junior lien debt to the Liens securing the Notes and other intercreditor provisions with respect to such junior lien debt that are reasonably customary in the good faith determination of the Company (for intercreditor agreements providing junior priority liens) as certified by the Company to the Notes Collateral Agent in an Officer’s Certificate.

Section 13.03. Release of Collateral.

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements and this Indenture. Notwithstanding anything to the contrary in the Security Documents, the Intercreditor Agreements and this Indenture, the Company and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the Subsidiary Guarantees under any one or more of the following circumstances:

(i) upon consummation of the sale, transfer or other disposition of such Collateral by the Company or a Guarantor to any Person other than the Company or a Guarantor, to the extent such sale, transfer or other disposition is not prohibited under this Indenture;

(ii) in the case of a Guarantor that is released from its Subsidiary Guarantee pursuant to the terms of this Indenture, with respect to the property and other assets of such Guarantor, upon the release of such Guarantor from its Subsidiary Guarantee;

(iii) with respect to Collateral that is Capital Stock, upon (i) the dissolution or liquidation of the issuer of that Capital Stock that is not prohibited by this Indenture or (ii) upon the designation by the Company of such issuer of Capital Stock as an Unrestricted Subsidiary under this Indenture;

(iv) with respect to any Collateral that becomes an “Excluded Asset,” upon it becoming an Excluded Asset;

(v) in accordance with Section 4.07(b);

(vi) to the extent the Liens on the Collateral securing the First Lien Credit Agreement Obligations and all other Senior Obligations are released by the applicable Senior Representative for such Senior Obligations (other than any release by, or as a result of, payment of the Senior Obligations), upon the release of such Liens;

(vii) in accordance with the terms of the First Lien/Second Lien Intercreditor Agreement; or

(viii) as described under Article 9.
(b) The Liens on the Collateral securing the Notes and the Subsidiary Guarantees also shall automatically and without the need for any further action by any Person be terminated and released:

(i) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations in respect of the Notes under this Indenture, the Subsidiary Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid;

(ii) upon a legal defeasance or covenant defeasance with respect to the Notes under this Indenture as described below under Sections 8.01(b) and 8.02, or a satisfaction and discharge of this Indenture as described under Section 8.01(a); or

(iii) pursuant to the First Lien/Second Lien Intercreditor Agreement and the Security Documents with respect to the Notes.

(c) In addition, any Lien on any Collateral may be (i) released or subordinated to the holder of any Lien on such Collateral that is created, incurred or assumed pursuant to clauses (iv), (viii)(A) or (xxii) of the definition of “Permitted Liens” to the extent required by the terms of the obligations secured by such Liens and (ii) subordinated to any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement is permitted by Section 4.07.

(d) With respect to any release of Collateral, upon receipt of an Officers’ Certificate stating that all conditions precedent under this Indenture and the Security Documents to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company’s expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents and shall do or cause to be done (at the Company’s expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers’ Certificate, and notwithstanding any term hereof or in any Security Document to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officers’ Certificate.

Section 13.04. Suits to Protect the Collateral.

Subject to the provisions of Article Seven and the Security Documents, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the Security Documents; and

(b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 13.04 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.
Section 13.05. Authorization of Receipt of Funds by the Trustee Under the Security Documents.

Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 13.06. Purchaser Protected.

(a) In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article Thirteen to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

Section 13.07. Power Exercisable by Receiver or Trustee.

(a) In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article Thirteen upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article Thirteen; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 13.08. Certain Limits on Collateral.

Notwithstanding anything in this Indenture or any other Security Document, it is understood and agreed that:

(a) Liens required to be granted from time to time pursuant to this Indenture shall be subject to exceptions and limitations set forth in the Security Documents as in effect on the Issue Date;

(b) control agreements or other control or similar arrangements shall not be required with respect to deposit accounts, securities accounts, commodities accounts or other assets specifically requiring perfection by control agreements (other than certain certificated securities);

(c) no perfection actions shall be required with respect to Vehicles and other assets subject to certificates of title;

(d) no perfection actions shall be required with respect to commercial tort claims with a value less than $15,000,000 and no perfection shall be required with respect to promissory notes evidencing debt for borrowed money in a principal amount of less than $15,000,000;

(e) no actions in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction shall be required to be taken to create any security interests in assets located or titled outside of the United States (including any Equity Interests of any Foreign Subsidiaries and foreign intellectual property) or to perfect or make enforceable any security interests in any such assets (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction);

(f) no actions shall be required to perfect a security interest in letter of credit rights (other than the filing of UCC financing statements); and

(g) neither the Company nor any Guarantor shall be required to deliver or obtain any landlord lien waivers, estoppel certificates or collateral access agreements or letters.
Section 13.09. Notes Collateral Agent

(a) The Company and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and Intercreditor Agreements, and the Company and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 13.09. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person’s Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a “Related Person”), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor’s Affiliates.
(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Company or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its reasonable satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take only such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article Six or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 13.09).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Company (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Company pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 13.09 shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) The Trustee shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, including joinders and supplements thereto, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.
(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article Six, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) The Notes Collateral Agent is each Holder’s agent for the purpose of perfecting the Holders’ security interest in assets which, in accordance with Article Nine of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent’s instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent’s Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor’s property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Security Documents.

(l) If the Company or any Guarantor (i) incurs any obligations in respect of junior priority obligations at any time when no junior priority intercreditor agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officers’ Certificate so stating and requesting the Notes Collateral Agent to enter into a junior priority intercreditor agreement in favor of a designated agent or representative for the holders of the junior priority obligations so incurred, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Company, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; provided that neither an Officer’s Certificate nor an Opinion of Counsel shall be required pursuant to this Section 13.09(l) in connection with a junior priority intercreditor agreement (including pursuant to a joinder thereto) to be entered into.

(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or to take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity reasonably satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause (m) if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.
(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Company or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee’s sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an “owner or operator” under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee’s actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.
Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a “Security Document Order”), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document or amendment or supplement thereto, to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 13.09(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document or amendment or supplement thereto. Any such execution of a Security Document or amendment or supplement thereto shall be at the direction and expense of the Company, upon delivery to the Notes Collateral Agent of an Officer’s Certificate stating that all conditions precedent to the execution and delivery of the Security Document or amendment or supplement thereto have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents or amendment or supplement thereto.

Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable.

After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.
(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

II. THE NOTES

2.1 Form and Dating. (a) The Initial Notes issued on the date hereof will be privately placed by the Company pursuant to the terms and provisions of the Offering Memorandum and any Additional Notes will be offered and sold by the Company, from time to time, pursuant to one or more purchase agreements. Unless registered or exempt from registration under the Securities Act, the Initial Notes and any Additional Notes will be resold, initially only to QIBs in reliance on Rule 144A, institutions which are an “accredited investor” within the meaning of subparagraphs (a)(1), (2), (3) or (7) of Rule 501 under the Securities Act and to non-U.S. persons in reliance on Regulation S. Initial Notes and Additional Notes so issued may thereafter be transferred to, among others, QIBs, institutional “accredited investors” and purchasers in reliance on Regulation S, subject to the restrictions on transfers set forth herein.

(b) Global Notes. Each series of Rule 144A Notes shall be issued initially in the form of one or more permanent global notes in fully registered form (the “Rule 144A Global Note”), Regulation S Notes shall be issued initially in the form of one or more global Regulation S Global Notes (the “Regulation S Global Note”) and IAI Notes shall be issued initially in the form of one or more global IAI Global Notes (the “IAI Global Note”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Securities Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. The Rule 144A Global Note, IAI Global Note and the Regulation S Global Note are each referred to herein as a “Global Note” and are collectively referred to herein as “Global Notes.” The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominees and on the schedules thereto as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depository.
The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and pursuant to an order of the Company, authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of the Depository and (b) shall be delivered by the Trustee to the Depository pursuant to instructions of the Depository, or held by the Securities Custodian.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Securities Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of the Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) **Definitive Notes.** Except as provided in Section 2.3, owners of beneficial interests in Global Notes will not be entitled to receive physical delivery of certificated Notes.

2.2 **Authentication.** The Trustee shall authenticate and deliver: (a) Initial Notes for original issue in an aggregate principal amount of $1,462,285,000, (b) any Additional Notes or PIK Notes, if and when issued pursuant to this Indenture; in each case upon a written order of the Company signed by two Officers. Such order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes, Additional Notes or PIK Notes.

2.3 **Transfer and Exchange.** (a) **Transfer and Exchange of Definitive Notes.** When Definitive Notes are presented to the Registrar or a co-registrar with a request:

(i) to register the transfer of such Definitive Notes; or

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co-registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) are being transferred, or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect; or

(C) if such Definitive Notes are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904, (i) a certification to that effect and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).
(b) **Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.** A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) certification (in the form set forth on the reverse side of the Initial Note) that such Definitive Note is being transferred (1) to a QIB in accordance with Rule 144A, (2) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act or (3) to an institution that is an IAI, which certification shall be accompanied by a signed letter substantially in the form of Exhibit B; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Note represented by the Global Note, such instructions to contain information regarding the Depository to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers’ Certificate, a new Global Note in the appropriate principal amount.

(c) **Transfer and Exchange of Global Notes.**

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the procedures of the Depository containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note or IAI Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor depository or a nominee of such successor depository.
(iv) In the event that a Global Note is exchanged for Notes in definitive registered form pursuant to Section 2.4, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Initial Notes or Additional Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(v) In addition, in the case of a transfer of a beneficial interest in a Regulation S Global Note, or a Rule 144A Global Note for an interest in an IAI Global Note, the transferee must furnish a signed letter substantially in the form of Exhibit C to the Trustee.

(d) Restrictions on Transfer of Regulation S Global Note. (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Notes to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

(e) Legend.

(i) Except as permitted by the following clauses (ii) and (iii), each certificate evidencing the Global Notes and the Definitive Notes and the Regulation S Global Note (prior to the expiration of the Distribution Compliance Period) (and all Notes issued in exchange therefor or in substitution thereof), shall bear a legend in substantially the following form:

By: 
Authorized Officer

Additional provisions of this Note are set forth on the other side of this Note.

A-12
1. **Interest.** AMC Entertainment Holdings, Inc., a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Note at the rate per annum indicated below. The Company will pay interest semi-annually, in arrears, on June 15 and December 15 of each year, commencing December 15, 2020. The Notes will bear cash interest (“Cash Interest”) at a rate of 10% per annum payable semi-annually in arrears. Subject to the limitation in the next succeeding sentence, interest for the first three interest Payment Dates may, at the Company’s option (a “PIK Election”), be paid by increasing the principal amount of the outstanding Notes or if, and in the limited circumstances where, the Notes are no longer held in global form, by issuing Notes (“PIK Notes”) (rounded up to the nearest $1.00) (“PIK Interest”) under the Indenture, having the same terms and conditions as the Notes (in each case, a “PIK Payment”) at a rate of 12% per annum; provided, however that for the third interest payment period, if immediately after giving effect to such interest payment on a pro forma basis, the Company’s Liquidity as of the record date for the third interest payment period is (i) equal to or greater than $400 million, then the Company shall pay Cash Interest for such interest period at a rate of 10% per annum, (ii) between $200 million and $400 million, then the Company shall have the option of (A) paying Cash Interest for such interest period at a rate of 10% per annum or (B) paying a combination of Cash Interest at a rate of 5% per annum and PIK Interest at a rate of 6% per annum for such interest period or (iii) equal to or less than $200 million, then the Company shall have the option of (A) paying Cash Interest for such interest period at a rate of 10% per annum or (B) paying PIK Interest for such interest period at rate of 12% per annum. For all interest periods after the first three interest periods, interest will be payable solely in cash at a rate of 10% per annum. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. **Method of Payment**

The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the June 1 or December 1 next preceding the interest payment date even if the Notes are canceled after the record date and on or before the interest payment date. Holders of Definitive Notes must surrender the Definitive Notes to a Paying Agent to collect principal payments. The Company will pay principal and Cash Interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Cash payments in respect of the Notes represented by a Global Note (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company (the “Depository”). The Company will make all cash payments in respect of a certificated Note (including principal, premium and interest) by mailing a check to the registered address of each Holder thereof; provided, however, that cash payments on the Notes may also be made, in the case of a Holder of at least $2,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects cash payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

At all times, PIK Interest on the Notes shall be payable: (i) with respect to Notes represented by one or more Global Notes registered in the name of, or held by, the Depository (or any successor depositary) or its nominee on the relevant record date, by increasing the principal amount of the outstanding Global Notes, effective as of the applicable interest payment date, by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest whole dollar) at the request of the Company to increase the principal amount of the outstanding Global Note and (ii) with respect to Definitive Notes, if any, by issuing PIK Notes in certificated form, dated as of the applicable interest payment date, in an aggregate principal amount equal to the amount of the PIK Interest for the applicable interest period (rounded up to the nearest whole dollar), and the Trustee will, upon receipt of an Authentication Order, authenticate and deliver such PIK Notes in certificated form for original issuance to the Holders on the relevant record date, as shown by the records of the register of holders.

Following an increase in the principal amount of the outstanding Global Notes as a result of a PIK Payment, the Global Notes will bear interest on such increased principal amount from and after the interest payment date in respect of which such PIK Payment was made. Any PIK Notes issued in certificated form will be dated as of the applicable interest payment date and will bear interest from and after such date. All Notes issued pursuant to a PIK Payment will mature on the same maturity date as the Notes issued on the Issue Date and will be governed by, and subject to the terms, provisions and conditions of, the Indenture and shall have the same rights and benefits as the Notes issued on the Issue Date. Any certificated PIK Notes will be issued with the description “PIK” on the face of such PIK Note.
3. **Paying Agent and Registrar**

Initially, GLAS Trust Company LLC (the “Trustee”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

4. **Indenture**

The Company issued the Notes under an Indenture dated as of July 31, 2020 (the “Indenture”), among the Company, the Guarantors party thereto from time to time, the Trustee and the Notes Collateral Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. 77aaa-77bbbb) as in effect on the date of the Indenture (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of those terms.

The Notes are senior subordinated secured obligations of the Company and can be issued in an initial amount of up to $1,462,285,000 and additional amounts as part of the same series under the Indenture which are unlimited (subject to Sections 2.01 and 2.10 of the Indenture). The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to, among other things, incur additional indebtedness, pay dividends or make distributions in respect of their capital stock, purchase or redeem capital stock, enter into transactions with stockholders or certain affiliates, create liens or consolidate, merge or sell all or substantially all of the Company’s assets. These limitations are subject to significant exceptions.

5. **Mandatory Redemption.**

The Company shall only be required to make a mandatory redemption with respect to the Notes as provided in Sections 3.07, 3.08 and 4.16 of the Indenture.

6. **Optional Redemption.**

Except as set forth herein, the Notes may not be redeemed prior to June 15, 2023. On and after that date, the Company may redeem the Notes in whole at any time or in part from time to time at the following redemption prices (expressed in percentages of principal amount), plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption), if redeemed during the 12-month period beginning on June 15 of the years set forth below:

In addition, at any time and from time to time prior to June 15, 2023, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of such redemption must be sent to Holders of the Notes called for redemption not less than 10 or more than 60 days prior to the redemption date. The notice need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.
The Company may redeem the Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different redemption dates and, with respect to redemptions that occur on the same date, may specify the order in which such redemptions are deemed to occur. In addition, notice of any redemption of, or any offer to purchase, the Notes may, at the Company’s discretion, be given in connection with an Equity Offering, other transaction (or series of related transactions) or an event that constitutes a Change of Control and prior to the completion or the occurrence thereof, and any such redemption or purchase may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related Equity Offering, transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company’s discretion, the redemption date or purchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date or purchase date or by the redemption date or purchase date as so delayed, or such notice or offer may be rescinded at any time in the Company’s discretion if the Company reasonably believes that any or all of such conditions will not be satisfied or waived. In addition, the Company may provide in such notice or offer that payment of the redemption or purchase price and performance of the Company’s obligations with respect to such redemption or offer to purchase may be performed by another Person.

If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Notes are registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

7. **Sinking Fund**

The Notes are not subject to any sinking fund.

8. **Notice of Redemption**

Notice of redemption shall be sent to the holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each holder of Notes to the address of such holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 10 nor more than 60 days prior to the redemption date; provided that, in the case of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, such notice must be sent not less than 5 days prior to the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Notes in denominations larger than $2,000 may be redeemed in part but only in integral multiples of $1,000. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

9. **Subordination**

The Notes are subordinated to Senior Obligations of the Company. To the extent provided in the Indenture, holders of Senior Obligations of the Company must be paid before the Notes may be paid. The Company agrees, and each Holder by accepting a Note agrees, to the subordination provisions contained in the Indenture and authorizes the Trustee to give it effect and appoints the Trustee as attorney-in-fact for such purpose.
10. **Repurchase at the Option of Holders upon Change of Control**

Upon a Change of Control, the Company will be required to make an offer, subject to certain conditions specified in the Indenture, to repurchase all the Notes of each Holder at a purchase price equal to 101% of the principal amount of Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

11. **Denominations; Transfer; Exchange**

The Notes are in registered form in minimum denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Note for a period of 10 days prior to a selection of Notes to be redeemed or 10 days before an interest payment date.

12. **Persons Deemed Owners**

The registered Holder of this Note may be treated as the owner of it for all purposes.

13. **Unclaimed Money**

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

14. **Discharge and Defeasance**

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

15. **Amendment, Supplement and Waiver**

The Indenture, the Notes or the Subsidiary Guarantees may be amended or supplemented as provided in the Indenture.

16. **Defaults and Remedies**

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding, subject to certain limitations, may declare all the Notes to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Notes being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. The Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.
17. **Security.**

The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Notes Collateral Agent to enter into the Security Documents on the Issue Date, and at any time after Issue Date, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

18. **Trustee Dealings with the Company**

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

19. **No Recourse Against Others**

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

20. **Authentication**

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

21. **Abbreviations**

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

22. **Governing Law**

THE INDENTURE, THIS NOTE AND THE SUBSIDIARY GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

23. **ISINs and CUSIP Numbers**

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISINs and/or CUSIP numbers to be printed on the Notes and has directed the Trustee to use ISINs and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
A Holder of Notes may upon written request and without charge to the Holder receive a copy of the Indenture which has in it the text of this Note. Requests may be made to: Kevin M. Connor, General Counsel, One AMC Way, 11500 Ash Street, Leawood, Kansas 66211.

Section 1.03. Incorporation by Reference of Trust Indenture Act

Whenever this Indenture refers to a provision of the Trust Indenture Act of 1939, as amended (“TIA”), the provision is incorporated by reference in and made a part of this Indenture.

The following Trust Indenture Act term used in this Indenture has the following meaning:

“obligor” on the Notes and the Subsidiary Guarantees means the Company and the Guarantors, respectively, and any successor obligor upon the Notes and the Subsidiary Guarantees, respectively.

All other terms used in this Indenture that are defined by the Trust Indenture Act, defined by Trust Indenture Act reference to another statute or defined by SEC rule under the Trust Indenture Act have the meanings so assigned to them. Notwithstanding any other provision in this Indenture, no obligation or requirement under the Trust Indenture Act shall be applicable to the Company or any Guarantor.
Section 1.04. Rules of Construction

Unless the context otherwise requires:

(a) a term has the meaning assigned to it;
(b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;
(c) “or” is not exclusive;
(d) “including” means including without limitation;
(e) words in the singular include the plural and words in the plural include the singular;
(f) unsecured Indebtedness shall not be deemed to be subordinate or junior to secured Indebtedness merely by virtue of its nature as unsecured Indebtedness; and

(g) the principal amount of any non-interest bearing or other discount security at any date shall be the principal amount thereof that would be shown on a balance sheet of the Company dated such date prepared in accordance with GAAP.

Section 1.05. Limited Condition Transactions

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio;
(ii) determining whether a Default or Event of Default shall have occurred and be continuing (or any subset of Defaults or Events of Default); or
(iii) testing availability under baskets set forth in this Indenture (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets or by reference to Section 4.06(a)(B) or the Excluded Contribution Amount);

in each case, at the option of the Company (the Company’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), with such option to be exercised on or prior to the date of execution of the definitive agreements related to such Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the “LCT Test Date”), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Company could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Company or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of the incurrence ratios subject to the LCT Election on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.
Section 1.06. Certain Compliance Determinations.

(a) Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test or utilization of any basket contained in this Indenture, Consolidated EBITDA, Consolidated Total Assets, the Total Leverage Ratio, the First Lien Leverage Ratio, the Senior Leverage Ratio and the Secured Leverage Ratio shall be calculated on a Pro Forma Basis to give effect to all Specified Transactions that have been made during the applicable period of measurement or subsequent to such period and prior to or simultaneously with the event for which the calculation is made and to the extent the proceeds of any new Indebtedness are to be used to repay other Indebtedness (including by repurchase, redemption, retirement, extinguishment, defeasance, discharge or pursuant to escrow or similar arrangements) no later than 60 days following the incurrence of such new Indebtedness, the Company shall be permitted to give Pro Forma Effect to such repayment of Indebtedness.

(b) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test, the amount of Consolidated EBITDA and/or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to Section 1.05), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision in any covenant (including any constituent definition thereof) of this Indenture that does not require compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts.

(d) Notwithstanding anything herein to the contrary, for purposes of any determination under this Indenture expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the Spot Rate (or, if such determination is calculated under the Senior Credit Facilities at the Exchange Rate, such Exchange Rate) (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for purposes of determining compliance with respect to the amount of any Indebtedness, Investment, disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, this Section 1.06 shall otherwise apply to such provisions, including with respect to determining whether any Indebtedness or Investment may be incurred or disposition or Restricted Payment made at any time under such provisions. For purposes of any determination of Consolidated Total Debt, amounts in currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 4.12 (or, prior to the first such delivery, the most recent internally available financial statements).
ARTICLE II
The Notes

Section 2.01. Amount of Notes; Issuable in Series

As provided for in Exhibit A hereto, the aggregate principal amount of the Notes which may be authenticated and delivered under this Indenture is unlimited. All Notes shall be substantially identical in all respects other than issue prices, issuance dates, first interest payment amount, first interest payment date and denominations. Additional Notes may be issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes; provided, such Additional Notes will not be issued with the same CUSIP number as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes; provided, further, that the Company’s ability to issue Additional Notes shall be subject to the Company’s compliance with Section 4.05 and Section 4.07. All Notes issued under this Indenture shall be treated as a single class for all purposes of this Indenture, including waivers, amendments, redemptions and offers to purchase.

Subject to Section 2.03, the Trustee shall authenticate the Initial Notes for original issue on the Issue Date in the aggregate principal amount of $200,000,000. With respect to any Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of or in exchange for, or in lieu of, Initial Notes pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A), there shall be established in or pursuant to a resolution of the Board of Directors, and subject to Section 2.03, set forth, or determined in the manner provided in an Officers’ Certificate, or established in one or more indentures supplemental hereto, prior to the issuance of such Notes:

(a) whether such Notes shall be issued as part of a new or existing series of Notes and the title of such Notes (which shall distinguish the Notes of the series from Notes of any other series);

(b) the aggregate principal amount of such Notes that may be authenticated and delivered under this Indenture (which shall be calculated without reference to any Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of the same series pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A or any Notes which, pursuant to Section 2.03, are deemed never to have been authenticated and delivered hereunder);

(c) the issue price and issuance date of such Notes, including the date from which interest on such Notes shall accrue; and

(d) if applicable, that such Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositories for such Global Notes, the form of any legend or legends that shall be borne by any such Global Notes in addition to or in lieu of that set forth in Appendix I to Exhibit A which is hereby incorporated in and expressly made a part of this Indenture.

Provisions relating to the Notes are set forth in Exhibit A, which is hereby incorporated in and expressly made part of this Indenture. The Notes of each series and the Trustee’s certificate of authentication shall be substantially in the form of Appendix I to Exhibit A which is hereby incorporated in and expressly made a part of this Indenture. Without limiting the generality of the foregoing, Notes offered and sold to QIBs in reliance on Rule 144A and institutional “accredited investors” as that term is defined in subparagraphs (a)(1), (2), (3), or (7) of Rule 501 under the Securities Act shall include the form of assignment set forth in Appendix I to Exhibit A and Notes offered and sold in offshore transactions in reliance on Regulation S (other than Initial Notes offered on the Issue Date) shall include the form of certificate set forth in Exhibit B. The Notes of each series may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage; provided that any such notation, legend or endorsement is in a form reasonably acceptable to the Company. Each Note shall be dated the date of its authentication. The terms of the Notes of each series set forth in Appendix I to Exhibit A are part of the terms of this Indenture.
Section 2.03. Execution and Authentication.

Two Officers shall sign the Notes for the Company by manual, electronic or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Additional Notes executed by the Company to the Trustee for authentication, together with a written order of the Company in the form of an Officers’ Certificate for the authentication and delivery of such Notes, and the Trustee in accordance with such written order of the Company shall authenticate and deliver such Notes.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee shall not be required to authenticate such Notes if the issue thereof will adversely affect the Trustee’s own rights, duties, indemnities or immunities under the Notes and this Indenture.

Section 2.04. Registrar and Paying Agent.

The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more registrars for so long as the Notes are held in registered form, and one or more co-registrars. The initial Paying Agent will be GLAS Trust Company LLC.

The initial Registrar and transfer agent for the Notes will be GLAS Trust Company LLC. The Registrars and the transfer agents will maintain a register reflecting ownership of Notes in the form of Definitive Notes (as defined in Exhibit A) outstanding from time to time, if any, and will make payments on and facilitate transfers of Definitive Notes on behalf of the Company. Each transfer agent shall perform the functions of a transfer agent.

The Company may change any Paying Agent, Registrar or transfer agent for the Notes without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar in respect of the Notes.

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or transfer agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar, Paying Agent or transfer agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or transfer agent.

Section 2.05. Paying Agent To Hold Money in Trust. By no later than 11:00a.m., New York City time, on the date on which any principal of or interest on any Notes is due, the Company shall deposit with the Paying Agent for such Note a sum sufficient to pay such principal and interest so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of or interest on the Notes and shall notify the Trustee of any default by the Company or any Guarantor in making any such payment. If the Company or a domestic Wholly Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, the Paying Agent (if other than the Company or a domestic Wholly Owned Subsidiary) shall have no further liability for the money delivered to the Trustee.
Section 2.06. **Holder Lists.** The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Company on its own behalf and on the behalf of each of the Guarantors shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company and the Guarantors shall otherwise comply with TIA Section 312(a).

Section 2.07. **Replacement Notes.** If a mutilated security is surrendered to a Registrar or if the Holder of a Note claims that such Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent for such Note, the Registrar for such Note and any co-registrar from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is an additional obligation of Company.

Section 2.08. **Outstanding Notes.**

Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. A Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and such Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09. **Temporary Notes.** Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes and deliver them in exchange for temporary Notes. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

Section 2.10. **Cancellation.** The Company at any time may deliver Notes to the Trustee for cancellation. Any Registrar and any Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer, exchange, payment or cancellation and deliver cancelled Notes to the Company upon a written direction of the Company. Except as expressly permitted herein, the Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.
If the Company or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Notes.

At such time as all beneficial interests in a Global Note have either been exchanged for definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Securities Custodian with respect to such Global Note to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

Section 2.11. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate borne by the Notes to the extent lawful) in any lawful manner. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “Special Record Date”) for the payment of such defaulted interest, which date shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.02, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable.

The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.11, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.12. CUSIP Numbers or ISINs. The Company in issuing the Notes may use “CUSIP” numbers, “ISINs” or other similar numbers (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “ISINs” or other similar numbers in notices of redemption as a convenience to Holders; provided, however, that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “ISIN” or other similar number that appears on any Note, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, ISIN or other similar numbers.
Section 2.13. **Computation of Interest.** Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

**ARTICLE III**

**Redemption**

Section 3.01. **Notices to Trustee.** If the Company elects to redeem Notes pursuant to paragraph 6 of the reverse side of the Notes or is required to redeem the Notes pursuant to Section 3.07 or 3.08 hereof, it shall notify the Trustee in writing of the redemption date, the principal amount of Notes to be redeemed, the redemption price and that such redemption is being made pursuant to paragraph 6 of the reverse side of the Notes or Section 3.07 or 3.08 hereof, as applicable.

The Company shall give notice to the Trustee provided for in this Section 3.01 at least 2 Business Days before the date on which the Company provides notice of redemption to the Holders unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officers’ Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

Section 3.02. **Selection of Notes To Be Redeemed.** If less than all the Notes are to be redeemed at any time, not more than 60 days prior to the redemption date, the Trustee or the Registrar, as applicable, in accordance with the customary procedures of the Depository, shall select the Notes to be redeemed pro rata, and if the Depository prescribes no method of selection, then, by lot or by any other method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate. The Trustee or the Registrar, as applicable, shall make the selection from outstanding Notes not previously called for redemption. The Trustee or the Registrar, as applicable, may select for redemption portions of the principal of Notes that have denominations larger than $2,000. Notes and portions of them the Trustee or the Registrar, as applicable, selects shall be in amounts of $2,000, or an integral multiple of $1,000, (but in any event not less than $2,000). Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee or the Registrar, as applicable, shall notify the Company promptly of the Notes or portions of Notes to be redeemed. The Trustee shall not be liable for selection made by it under this Section 3.02.

Section 3.03. **Notice of Redemption.** At least 10 days but not more than 60 days before a date for optional redemption of Notes pursuant to paragraph 6 of the reverse side of the Notes, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository. Notice of any optional redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Any redemption and notice of redemption may, at the Company’s discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company’s obligations with respect to such redemption may be performed by another Person.

The notice shall identify the Notes (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

(a) the redemption date;

(b) the redemption price;

(c) the name and address of the Paying Agent;
(d) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(e) if fewer than all the outstanding Notes are to be redeemed, or if a Note is to be redeemed in part only, the identification and principal amounts of the particular Notes (or portion thereof) to be redeemed;

(f) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(g) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and

(h) any conditions to such redemption.

At the Company’s written request, the Trustee shall give the notice of redemption in the Company’s name and at the Company’s expense. In such event, the Company shall provide the Trustee with the information required by this Section 3.03 at least 2 Business Days before the redemption date, unless the Trustee consents to a shorter period.

**Section 3.04. Effect of Notice of Redemption.** Once notice of redemption is sent in accordance with Section 3.03, Notes called for redemption become due and payable on the redemption date, and at the redemption price stated in the notice, unless such redemption is conditioned on the happening of a future event. The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, plus accrued and unpaid interest to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date). Subject to Section 3.05, on and after the redemption date, unless the Company defaults in payment of the redemption, interest shall cease to accrue on Notes or portions of Notes called for redemption, unless such redemption remains conditioned on the occurrence of a future event that has not occurred. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

**Section 3.05. Deposit of Redemption Price.** Prior to noon, New York City time, on the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued and unpaid interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date) on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation.

**Section 3.06. Notes Redeemed in Part.** Upon surrender and cancellation of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company’s expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered. It is understood that, notwithstanding anything in this Indenture to the contrary, only a written request or order signed on behalf of the Company by an Officer and delivered to the Trustee and not an Opinion of Counsel or Officer’s Certificate is required for the Trustee to authenticate such new Notes.

**Section 3.07. AHYDO Redemption.** On the first interest payment date following the fifth anniversary of the “issue date” (as defined in Treasury Regulation Section 1.1273-2) of the Notes, the Company shall redeem a portion of the principal amount of each then outstanding Note in an amount equal to the AHYDO Catch-Up Payment for such interest payment date with respect to such Note. The “AHYDO Catch-Up Payment” means the minimum principal prepayment sufficient to ensure that as of the close of such interest payment date, the aggregate amount which would be includible in gross income with respect to such Note before the close of such interest payment date (as described in Section 163(i)(2)(A) of the Code) does not exceed the sum (as described in Section 163(i)(2)(B) of the Code) of (i) the aggregate amount of interest to be paid on such Note (including for this purpose any AHYDO Catch-Up Payment) before the close of such interest payment date plus (ii) the product of the “issue price” of such Note and its yield to maturity, with the result that the Notes are not treated as having “significant original issue discount” within the meaning of Section 163(i)(1)(C) of the Code. It is intended that no Note will be an “applicable high yield discount obligation” (an “AHYDO”) within the meaning of Section 163(i)(1)(1) of the Code. The computations and determinations required in connection with any AHYDO Catch-Up Payment will be made by us in our good faith reasonable discretion and will be binding upon the holders absent manifest error. Unless otherwise provided herein, any redemption pursuant to this Section 3.07 shall comply with Section 3.01 through Section 3.06 hereof.
Section 3.08. Asset Sale Redemption

(a) Upon an Asset Sale Mandatory Redemption Event, the Company shall apply the applicable portion of the Excess Proceeds (as determined in accordance with clauses (1) or (2), as applicable, of Section 4.16(b)), if any, to redeem the Notes (an “Asset Sale Mandatory Redemption”) on or before the 20th Business Day following the Asset Sale Mandatory Redemption Event (the “Asset Sale Mandatory Redemption Date”) or as otherwise required by the applicable procedures of the Depository, at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the Asset Sale Mandatory Redemption Date.

(b) Upon a European Asset Sale Mandatory Redemption Event, the Company shall apply the applicable portion of the European Asset Sale Debt Repayment Amount (as determined in accordance with Section 4.16(c)) to redeem the Notes (a “European Asset Sale Mandatory Redemption”) on or before the 15th day (or if such day is not a Business Day on the immediately succeeding Business Day) following the European Asset Sale Mandatory Redemption Event (the “European Asset Sale Mandatory Redemption Date”) or as otherwise required by the applicable procedures of the Depository, at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the European Asset Sale Mandatory Redemption Date.

(c) In either of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, if less than all of the Notes are to be redeemed at any time, selection of Notes for redemption will be made by the Trustee or the Registrar in accordance with the customary procedures of the Depository, as applicable, not more than 5 days prior to the redemption date pro rata, and if the Depository prescribes no method of selection, then by lot or by any other method the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate; provided, however, that Notes will not be redeemed in an amount less than the minimum authorized denomination of $2,000. Notice of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, as applicable, shall be sent to the Holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 5 days prior to the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable, to each Holder of Notes to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable, interest will cease to accrue on Notes or portions thereof called for redemption. The Trustee shall not be liable for selection made by it under this clause (c).

(d) Unless otherwise provided herein, any redemption pursuant to this Section 3.08 shall comply with Section 3.01 through Section 3.06 hereof.
ARTICLE IV
Covenants

Section 4.01. Payment of Notes. The Company shall promptly pay the principal of, premium, if any, and interest on the Notes, in immediately available funds, on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Company shall pay interest on overdue principal at the rate specified therefore in the Notes, and it shall pay interest on overdue installments of interest at the rate borne by the Notes to the extent lawful.

Section 4.02. Additional Limitations on Refinancing Existing Subordinated Notes. The restrictions in the prior sentence shall not apply to (i) cash purchases of the Existing Subordinated Notes at a purchase price less than or equal to $0.41 for each $1.00 of Existing Subordinated Notes or (ii) optional redemptions or repurchases at a discount of the Existing Subordinated Notes within one year of the final maturity date of the Existing Subordinated Notes to be redeemed.

Section 4.03. Payment of Taxes and Other Claims. Section 4.05. Limitation on Indebtedness and Certain Equity Securities.

(a) The Company will not, and will not permit any Restricted Subsidiary to, create, incur, assume or permit to exist any Indebtedness; provided, however, that the Company or any such Restricted Subsidiary may incur Indebtedness if after giving effect to the incurrence of such Indebtedness on a Pro Forma Basis the Senior Leverage Ratio is equal to or less than 3.50 to 1.0.

(b) The provisions of Section 4.05(a) shall not apply to:

For the avoidance of doubt, it is understood that a Permitted Refinancing may constitute a portion of an issuance of Indebtedness in excess of the amount of such Permitted Refinancing; provided that such excess amount is otherwise permitted to be incurred under this Section 4.05. For the avoidance of doubt, it is understood and agreed that a Permitted Refinancing includes successive Permitted Refinancings of the same Indebtedness.

(d) The Company will not, and will not permit any Restricted Subsidiary to, issue any preferred Equity Interests or any Disqualified Equity Interests, except (A) in the case of the Company, preferred Equity Interests that are Qualified Equity Interests and (B) in the case of any Restricted Subsidiary, (i) preferred Equity Interests or Disqualified Equity Interests issued to and held by the Company or any Restricted Subsidiary and (ii) preferred Equity Interests (other than Disqualified Equity Interests) issued to and held by joint venture partners after the Issue Date (“JV Preferred Equity Interests”); provided that in the case of this clause (ii), any such issuance of JV Preferred Equity Interests shall be deemed to be an incurrence of Indebtedness and subject to the provisions set forth in this Section 4.05.

(e) For purposes of determining compliance with this Section 4.05, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Indebtedness described in this Section 4.05, the Company shall, in its sole discretion, classify and reclassify or later divide, classify or reclassify such item of Indebtedness (or any portion thereof) and will only be required to include the amount and type of such Indebtedness in one or more of the above clauses; provided that all Indebtedness outstanding on the Issue Date under the Senior Credit Facilities shall be deemed to have been incurred pursuant to clause (i) above; provided further that if any such portion of such Indebtedness could, based on the financial statements for such Test Period, have been incurred in reliance on Section 4.05(a) or Section 4.05(b)(xxix), such portion of such Indebtedness shall automatically be reclassified as having been incurred under the applicable provisions of Section 4.05(a) or Section 4.05(b)(xxix) (in each case, subject to satisfying any other applicable provision of Section 4.05(a) or Section 4.05(b)(xxix) and, in the case of any such portion of such Indebtedness incurred by any Subsidiary that is not a Guarantor, to availability under the cap applicable therein to the incurrence of such Indebtedness by a non-Guarantor); provided further, however, notwithstanding anything in this Indenture to the contrary, all Indebtedness outstanding on the Issue Date under the Existing Subordinated Notes shall be deemed to be incurred pursuant to Section 4.05(b)(iii) and shall not be permitted to be reclassified.

(f) If Indebtedness originally incurred in reliance upon a percentage of Consolidated EBITDA or the First Lien Leverage Ratio under Section 4.05(b)(i) is being refinanced under such clause or the Secured Leverage Ratio under Section 4.05(b)(xxix) is being refinanced under such clause and such refinancing would cause the maximum amount of Indebtedness thereunder to be exceeded at such time, then such refinancing will nevertheless be permitted thereunder and such additional Indebtedness will be deemed to have been incurred, and permitted to be incurred, under such Section 4.05(b)(i) or Section 4.05(b)(xxix), as applicable, so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of Indebtedness being refinanced plus amounts permitted by the next sentence. Any Refinancing Indebtedness and any Indebtedness incurred to Refinance Indebtedness incurred pursuant to Section 4.05(b)(i) and Section 4.05(b)(xxix) shall be permitted to include additional Indebtedness incurred to pay premiums (including tender premiums), defeasance costs, underwriting discounts, accrued and unpaid interest, dividends and fees, costs and expenses (including upfront fees, original issue discount (“OID”) or similar fees) in connection with such Refinancing.

(g) Notwithstanding anything in this Indenture to the contrary, after the Issue Date and prior to January 1, 2022, the Company will not, and will not permit any Restricted Subsidiary to, create, incur or assume any Indebtedness that constitutes First Lien Obligations pursuant to Section 4.05(b)(i)(z) above.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness or Disqualified Equity Interests will not be deemed to be an incurrence of Indebtedness or Disqualified Equity Interests for purposes of this Section 4.05.

Section 4.11. Change of Control. Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described under Section 3.03, the Company will be required to make an offer (a “Change of Control Offer”) to purchase all outstanding Notes (as described in this Indenture) at a purchase price equal to 101% of their principal amount (or such higher amount as the Company may determine (any Change of Control Offer at a higher amount, an “Alternate Offer”)) (such price, the “Change of Control Payment”) plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Within 60 days following the date upon which the Change of Control occurred, the Company must send, electronically or by first class mail to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository, a notice to each Holder of Notes, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice will state:

1. that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;

2. the purchase price and the purchase date, which will be no earlier than 20 Business Days nor later than 60 days from the date such notice is sent (the “Change of Control Payment Date”); provided, that the Change of Control Payment Date shall be delayed until such time (including more than 60 days after the date such notice is sent) as any or all such conditions referred to in clause (8) below shall be satisfied or waived;

3. that any Notes not properly tendered will remain outstanding and continue to accrue interest;

4. that unless the Company defaults in the payment of the Change of Control Payment plus accrued and unpaid interest on all properly tendered Notes, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

5. that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the procedures of the Depository, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

6. until the close of business on the tenth Business Day after the date such notice is sent (or such later time and date as the Company may decide in its sole discretion) (such time and date, the “withdrawal deadline”), that Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; provided that the paying agent receives, not later than the withdrawal deadline, as electronic transmission (in PDF), a facsimile transmission or letter or other communication in accordance with the procedures of the Depository setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

7. that if less than all of such Holder’s Notes are tendered for purchase, such Holder will be issued new Notes (or, in the case of Global Notes, such Notes shall be reduced by such amount of Notes that the Holder has tendered) and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered (the unpurchased portion of the Notes must be equal to $2,000 or an integral multiple of $1,000 in excess thereof);

8. if such notice is sent prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control or such other conditions specified therein and describing each such condition, and, if applicable, stating that, in the Company’s discretion, the Change of Control Payment Date may be delayed until such time (including more than 60 days after the notice is mailed or delivered) as any or all such conditions shall be satisfied or waived, or that such purchase may not occur and such notice may be rescinded in the event that the Company reasonably believes that any or all such conditions (including the occurrence of such Change of Control) will not be satisfied or waived by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and
such other instructions, as determined by the Company, consistent with this Section 4.11, that a Holder must follow.

If a notice relating to a Change of Control Offer that is subject to one or more conditions precedent (other than the occurrence of a Change of Control) is later rescinded as described in clause (8) above as a result of the failure of such condition(s) to be satisfied or waived (or as a result of the Company reasonably believing that such will be the case), the offer described in such notice will not be deemed a valid “Change of Control Offer” for purposes of this Section 4.11.

The Company will not be required to make a Change of Control Offer following a Change of Control if (i) a third party approved in writing by the Company makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (ii) a notice of redemption to the Holders of the Notes has been given pursuant to this Indenture pursuant to Section 3.03 herein or (iii) in the event that upon the consummation of such Change of Control, the Company defeases or discharges the Notes as provided for under Article Eight herein. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party approved in writing by the Company making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 10 nor more than 60 days’ prior notice (except that such notice may be delivered or mailed more than 60 days prior to the redemption date or purchase date if the notice is subject to one or more conditions precedent as described therein and such date is delayed until such time as any and all such conditions are satisfied or waived), given not more than 60 days following such purchase pursuant to the Change of Control Offer described above, to redeem (with respect to the Company) or purchase (with respect to a third party) all of the Notes that remain outstanding following such purchase on a date (the “Second Change of Control Payment Date”) at a price in cash equal to the Change of Control Payment in respect of the Second Change of Control Payment Date, including, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Second Change of Control Payment Date, subject to the right of Holders of record of Notes on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the Second Change of Control Payment Date.

If an offer is made to repurchase the Notes pursuant to a Change of Control Offer pursuant to this covenant, the Company will comply with all tender offer rules under state and federal securities laws, including, but not limited to, Section 14(e) under the Exchange Act and Rule 14e-1 thereunder, to the extent applicable to such offer. To the extent that the provisions of any securities laws or regulations, including Section 14(e) of, and Rule 14e-1 under, the Exchange Act, conflict with the change of control provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the change of control provisions of this Indenture by virtue of such compliance.

A Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes and/or the Subsidiary Guarantees so long as the tender of Notes by a Holder is not conditioned upon the delivery of consents by such Holder. In addition, the Company or any third party approved in writing by the Company that is making the Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may, subject to applicable law, increase or decrease the Change of Control Payment (or decline to pay any early tender or similar premium) being offered to Holders at any time in its sole discretion, so long as the Change of Control Payment is at least equal to 101% of the aggregate principal amount of the Notes being repurchased, plus accrued and unpaid interest thereon.
Section 4.12. Provision of Financial Information

(a) The Company shall file with the SEC and provide the Trustee and Holders of Notes with such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such Sections; provided, however, that the Company shall not be so obligated to file such information, documents and reports with the SEC if the SEC does not permit such filings but shall still be obligated to provide such information, documents and reports to the Trustee and the Holders of the Notes. Delivery of any such information, documents and reports to the Trustee is for informational purposes only and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer’s Certificates). The Trustee shall have no liability or responsibility for the filing, timeliness, or content of such reports. The Trustee shall further not be obligated to monitor or confirm, on a continuing basis or otherwise, the Company’s compliance with its covenants or with respect to any reports or other documents filed with the SEC or posted to any website or participate in any conference calls.

(b) In addition, to the extent not satisfied by the foregoing, the Company shall furnish to prospective investors, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act for so long as the Notes are not freely transferable under the Securities Act.

(c) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly information required above shall include a reasonably detailed presentation, either on the face of the financial statements, in the footnotes thereto or in an “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(d) Notwithstanding the foregoing, (a) the obligations in this Section 4.12 may be satisfied by a parent of the Company; provided that to the extent such information relates to a parent of the Company, such information is accompanied by consolidating information, which may be unaudited, that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Subsidiaries on a stand-alone basis, on the other hand, and to the extent such information is in lieu of information required to be provided under this Section 4.12, such materials are accompanied by a report and opinion of an independent registered public accounting firm of nationally recognized standing, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any “going concern” or like qualification or exception or any qualification or exception as to the scope of such audit (other than any exception or explanatory paragraph, but not a qualification, that is expressly solely with respect to, or expressly resulting solely from, (i) an upcoming maturity date of any Indebtedness occurring within one year from the time such opinion is delivered or (ii) any potential inability to satisfy a financial maintenance covenant on a future date or in a future period) and (b) in no event shall any financial statements or reports be required to comply with (w) Rule 3-10 of Regulation S-X promulgated by the SEC (or such other rule or regulation that amends, supplements or replaces such Rule 3-10, including for the avoidance of doubt, Rules 13-01 or 13-02 of Regulation S-X promulgated by the SEC), (x) Rule 3-09 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-09) or (y) Rule 3-16 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-16) and (ii) in no event shall such financial statements or reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein.
Section 4.13. Statement as to Compliance. The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the date hereof, a brief certificate of its principal executive officer, principal financial officer or principal accounting officer stating whether, to such officer’s knowledge, the Company is in compliance with all covenants and conditions to be complied with by it under this Indenture. For purposes of this Section 4.13, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

When a Default has occurred and is continuing or if the Trustee, any Holder or the trustee for or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Company shall deliver to the Trustee an Officers’ Certificate specifying such Default, notice or other action within 10 Business Days of its occurrence.

Section 4.14. Waiver of Certain Covenants. The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 4.02 to 4.11, Section 4.12(a) and Section 4.16, if the Holders of a majority in aggregate principal amount of the Notes at the time outstanding shall, by written direction of such Holders, waive such compliance in such instance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

Section 4.15. [Reserved].

Section 4.16. Asset Sales.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate, directly or indirectly, an Asset Sale (including (x) the sale or issuance of Equity Interests in a Restricted Subsidiary and (y) any Sale Leaseback) unless:

(1) such Asset Sale is made for Fair Market Value; and

(2) except in the case of a Permitted Asset Swap, a Sale Leaseback or the Disposition of a Multiplex theatre, in any such Asset Sale with a purchase price in excess of the greater of (x) $50,000,000 and (y) 5% of Consolidated EBITDA for the most recently ended Test Period, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales completed or contractually agreed upon since the Issue Date, received by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) Within 450 days after receipt of any Net Proceeds from any Asset Sale (the “Asset Sale Proceeds Application Period”), the Company or such Restricted Subsidiary, at its option, may apply an amount equal to the Net Proceeds from such Asset Sale (the “Applicable Proceeds”),

(1) to the extent the assets or property disposed of in the Asset Sale constituted Collateral, to repay (i) Obligations under the Senior Credit Facilities, (ii) Obligations under the Existing First Lien Notes, (iii) Obligations under the Additional Silver Lake First Lien Notes, (iv) Obligations under the Convertible Notes or (v) any Additional First Lien Obligations and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto provided that the Company or such Restricted Subsidiary will reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such First Lien Obligations repaid pursuant to this Section 4.16(b)(1) by redeeming Notes as provided under Section 3.08.

(2) to the extent the assets or property disposed of in the Asset Sale did not constitute Collateral:

(i) to repay (w) Obligations under the Senior Credit Facilities, (x) Obligations under the Existing First Lien Notes, (y) Obligations under the Additional Silver Lake First Lien Notes, or (z) any Additional First Lien Obligations and, in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto provided that the Company or such Restricted Subsidiary will reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such First Lien Obligations repaid pursuant to this Section 4.16(b)(2) (i) by redeeming Notes as provided under Section 3.08; or
to invest in the business of the Company and its Subsidiaries (including any acquisition or other Investment permitted under this Indenture); or

(4) any combination of the foregoing;

provided that, in the case of clause (3) above, a binding commitment or letter of intent shall be treated as a permitted application of the Applicable Proceeds from the date of such commitment or letter of intent so long as the Company or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds will be applied to satisfy such commitment or letter of intent within 180 days of the expiration of the Asset Sale Proceeds Application Period (an “Acceptable Commitment”) and such Applicable Proceeds are actually applied in such manner within 180 days of the expiration of the Asset Sale Proceeds Application Period (the period from the consummation of the Asset Sale to such date, the “Commitment Application Period”), and, in the event any Acceptable Commitment is later cancelled or terminated for any reason after the expiration of the Asset Sale Proceeds Application Period and before the Applicable Proceeds are applied in connection therewith, then such Applicable Proceeds shall constitute Excess Proceeds unless the Company or such Restricted Subsidiary reasonably expects to enter into another Acceptable Commitment prior to the expiration of the Asset Sale Proceeds Application Period and such Applicable Proceeds are actually applied in such manner prior to the expiration of the Commitment Application Period. To the extent Applicable Proceeds from an Asset Sale exceed amounts that are invested or applied as provided and within the time period set forth in Section 4.16(b), such excess amount will be deemed to constitute “Excess Proceeds”; provided that any amount of Applicable Proceeds offered to Holders of any Notes pursuant to clauses (1) or (2) above shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any Holders.

(c) Notwithstanding the foregoing, in the event the Asset Sale consists of any interest in a European Subsidiary (or the assets thereof), (a) up to $150 million of the Applicable Proceeds (less (x) any Applicable Proceeds that have been applied under this clause (a) in any prior Asset Sale to which this paragraph (c) applies and (y) any Obligations of such European Subsidiary incurred pursuant to Section 4.05(b)(xx)) (the “Threshold”) may be used for the purposes described in Section 4.16(b)(3), (b) 80% of the Applicable Proceeds in excess of the Threshold (the “European Asset Sale Debt Repayment Amount”) must be used for the purposes described in Section 4.16(b)(1) or (b)(2), as applicable; provided, however, that the European Asset Sale Debt Repayment Amount that is to be used to repay the Notes must be applied in accordance with Section 3.08 and (c) 20% of the Applicable Proceeds in excess of the Threshold may be used in any combination of the foregoing. The Company or any Restricted Subsidiary must apply the European Asset Sale Debt Repayment Amount for the purposes described in Section 4.16(b)(1) or (b)(2) within 15 days of the receipt of Applicable Proceeds that result in the European Asset Sale Debt Repayment Amount (less any amounts that have previously been applied under clause (b) of the preceding sentence) to exceed $50.0 million (a “European Asset Sale Mandatory Redemption Event”).

(d) Except with respect to an Asset Sale that consists of any interest in a European Subsidiary (or the assets thereof) described in the immediately preceding paragraph, if at any time the aggregate amount of Excess Proceeds exceeds $100.0 million (an “Asset Sale Mandatory Redemption Event”), then the Company shall (a) redeem the maximum aggregate principal amount of Notes (as determined in accordance with clauses (1) and (2) above) in accordance with the procedures described under Section 3.08 and, (b) if required or permitted by the terms of any other First Lien Obligations (including the Existing First Lien Notes) and/or, to the extent that the assets or property disposed of in the Asset Sale were not Collateral, Indebtedness that is pari passu in right of payment with the Notes (“Pari Passu Indebtedness”), within 20 Business Days of such Asset Sale Mandatory Redemption Event, offer to purchase the maximum aggregate principal amount (or accreted value, as applicable) (as determined in accordance with clauses (1) and (2) above) of such First Lien Obligations and/or Pari Passu Indebtedness, as applicable, out of the amount of the Excess Proceeds (in the case of any First Lien Obligations and/or Pari Passu Indebtedness, if applicable, in accordance with the documents governing such First Lien Obligations and/or Pari Passu Indebtedness) to the Holders of such First Lien Obligations and/or Pari Passu Indebtedness, as applicable (an “Asset Sale Offer”). The Company may satisfy the foregoing obligation with respect to such Applicable Proceeds from an Asset Sale by making an Asset Sale Offer in advance of being required to do so by this Indenture (an “Advance Offer”) with respect to all or part of the available Applicable Proceeds (the “Advance Portion”).
(e) If the aggregate principal amount (or accreted value, as applicable) of Notes redeemed pursuant to Section 4.16(d) and any Additional Silver Lake First Lien Notes redeemed pursuant to a similar provision in the Additional Silver Lake First Lien Notes Indenture, together with, if applicable, First Lien Obligations and/or Pari Passu Indebtedness, tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero (regardless of whether there are any remaining Excess Proceeds upon such completion), and in the case of an Advance Offer, the Advance Portion shall be excluded in subsequent calculations of Excess Proceeds.

(f) Pending the final application of an amount equal to the Applicable Proceeds pursuant to this Section 4.16, the Holder of such Applicable Proceeds may apply any Applicable Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility (including under the Senior Credit Facilities) or otherwise invest such Applicable Proceeds in any manner not prohibited by this Indenture. For the avoidance of doubt, the Company may apply any Retained Declined Proceeds in any manner not prohibited by this Indenture and such Retained Declined Proceeds shall in no event and under no circumstances constitute Excess Proceeds.

(g) Notwithstanding anything in this Indenture to the contrary, (i) to the extent that any of or all the Applicable Proceeds received by a Foreign Subsidiary are prohibited or delayed under any Requirements of Law from being repatriated to the Company, the portion of such Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Company (the Company hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Applicable Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16, and (ii) to the extent that and for so long as the Company has determined in good faith that repatriation of any of or all the Applicable Proceeds so affected would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), the Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary; provided that when the Company determines in good faith that repatriation of any of or all the Applicable Proceeds received by a Foreign Subsidiary would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), such Applicable Proceeds shall be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16.

(h) For purposes of clause (a)(2) of this Section 4.16 (and no other provision), the following shall be deemed to be cash or Cash Equivalents:

(1) the greater of the principal amount and carrying value of any liabilities (as reflected on the most recent balance sheet of the Company (or a Parent Entity) provided hereunder or in the footnotes thereto), or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the balance sheet of the Company (or Parent Entity) or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Secured Notes Obligations, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) pursuant to a written agreement which releases the Company or such Restricted Subsidiary from such liabilities;
(2) any securities received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of the applicable Asset Sale; and

(3) any Designated Non-Cash Consideration received by the Company or such Restricted Subsidiary in respect of such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (3) that is at that time outstanding, not in excess (at the time of receipt of such Designated Non-Cash Consideration) of 5% of Consolidated Total Assets for the most recently ended Test Period as of the time of receipt of such Designated Non-Cash Consideration, with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(i) The provisions of this Indenture relating to the Company’s obligation to redeem the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

Section 4.17. After-Acquired Collateral. From and after the Issue Date, and subject to the applicable limitations and exceptions set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if the Company or any Guarantor creates any additional security interest upon any property or asset that would constitute Collateral to secure any First Lien Obligations, the Company and each of the Guarantors shall concurrently grant a first-priority perfected security interest (subject to Permitted Liens) upon any such Collateral, as security for the Secured Notes Obligations.

ARTICLE V

Successors

Section 5.01. Merger, Consolidation, Amalgamation and Sale of All or Substantially All Assets. The Company shall not, consolidate or amalgamate with or merge with or into any other Person or sell, assign, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person unless at the time and after giving effect thereto:

(a) either: (i) the Company shall be the continuing corporation; or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance, transfer, lease or disposition the properties and assets of the Company substantially as an entirety (the “Surviving Entity”) shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and treated as a corporation for U.S. federal income tax purposes, and shall, in either case, expressly assume all the Obligations of the Company under the Notes, this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement, as applicable;

(b) immediately after giving effect to such transaction on a pro forma basis, no Default or Event of Default shall have occurred and be continuing;

(c) immediately after giving effect to such transaction and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, except in the case of the consolidation or merger of any Subsidiary with or into the Company, the Company (or the Surviving Entity if the Company is not the continuing corporation) will (i) be permitted to incur at least $1.00 of additional Indebtedness pursuant to (x) the Senior Leverage Ratio set forth in Section 4.05(a), (y) the First Lien Leverage Ratio set forth in Section 4.05(b)(i) or (z) the Secured Leverage Ratio set forth in Section 4.05(b)(xxix) or (ii) have (x) a Senior Leverage Ratio, (y) a First Lien Leverage Ratio or (z) a Secured Leverage Ratio, in each case, equal to or less than the Senior Leverage Ratio, First Lien Leverage Ratio or Secured Leverage Ratio, as applicable, immediately prior to such transaction;

69
(d) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Surviving Entity are assets of the type that would constitute Collateral under the Security Documents, the Surviving Entity will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents;

(e) each Guarantor (unless it is the other party to the transactions above, in which case clause (a)(ii) shall apply) shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person’s obligations in respect of the Notes outstanding and this Indenture pursuant to supplemental indentures.

(f) In connection with any consolidation, merger, transfer or lease contemplated in Section 5.01(a), the Company shall deliver, or cause to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger, transfer or lease and the supplemental indenture in respect thereto comply with the provisions described herein and that all conditions precedent herein provided for or relating to such transaction have been complied with.

(g) In addition, the Company shall not permit any Guarantor to consolidate with or merge with or into any person (other than another Guarantor) and shall not permit the conveyance, transfer or lease of substantially all of the assets of any Guarantor unless:

(i) the resulting, surviving or transferee Person shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and such Person (if not such Guarantor) shall expressly assume all the obligations of such Guarantor under its Subsidiary Guarantee by supplemental indenture, executed and delivered to the Trustee, and joinders to the applicable Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(iv) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Guarantor are assets of the type that would constitute Collateral under the Security Documents, the Guarantor will promptly as reasonably practicable using commercially reasonable efforts take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; and

(v) the transaction is made in compliance with Section 4.16.

Section 5.02. Successor Substituted. Upon any consolidation or merger or any transfer of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor entity formed by such a consolidation or into which the Company is merged or to which such transfer is made shall succeed to, shall be substituted for and may exercise every right and power of the Company under the Notes and this Indenture, with the same effect as if such successor entity had been named as the Company herein. In the event of any transaction (other than a lease) described and listed in Section 5.01 in which the Company is not the continuing entity, the successor Person formed or remaining shall succeed to, be substituted for and may exercise every right and power of the Company, and the Company shall be discharged from all obligations and covenants under the Notes and this Indenture.
ARTICLE VI

Defaults and Remedies

Section 6.01. Events of Default. “Event of Default,” wherever used herein, means any one of the following events:

(a) default in the payment of the principal of or premium, if any, on any Note when and as the same shall become due and payable and in the currency required hereunder, whether at the due date thereof or upon acceleration, redemption or otherwise;

(b) default in the payment of any interest on any Note when it becomes due and payable, and continuance of such default for a period of 30 days;

(c) default in the performance, or breach, of any covenant or agreement of the Company or any Restricted Subsidiary contained in this Indenture or the Security Documents (other than a default in the performance, or breach, of a covenant or agreement which is specifically dealt with in Section 6.01(a) or (b)) and continuance of such default or breach for a period of 30 days after written notice shall have been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 30% in aggregate principal amount of the Notes then outstanding;

(d) (i) one or more defaults in the payment of principal on Indebtedness of the Company or any Restricted Subsidiary, in an aggregate amount of the greater of $250,000,000 or 25% of Consolidated EBITDA, when the same becomes due and payable at the stated maturity thereof, and such default or defaults shall have continued after any applicable grace period and shall not have been cured or waived or (ii) Indebtedness of the Company or any Restricted Subsidiary, in an aggregate amount of the greater of $250,000,000 or 25% of Consolidated EBITDA, shall have been accelerated or otherwise declared due and payable, or required to be prepaid or repurchased (other than by regularly scheduled prepayment) prior to the stated maturity thereof;

(e) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of the Company or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for the Company or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(f) the Company or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in paragraph (e) of this Section 6.01, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for the Company or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(g) one or more enforceable judgments for the payment of money in an aggregate amount in excess of the greater of (a) $250,000,000 and (b) 25% of Consolidated EBITDA for the most recently ended Test Period (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has not denied its obligation) shall be rendered against the Company, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of the Company or any Guarantor that are material to the businesses and operations of the Company and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

any material provision of any Security Document or any Guarantee shall for any reason be asserted by the Company or any Guarantor not to be a legal, valid and binding obligation of the Company or such Guarantor other than as expressly permitted hereunder or thereunder; or

except as permitted by this Indenture, the Guarantee of any Guarantor shall cease to be in full force and effect.

Section 6.02. Acceleration; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(e) or (f)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than 30% in aggregate principal amount of the Notes outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes to be due and payable. If an Event of Default specified in Section 6.01(e) or (f) occurs and is continuing, then the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Trustee shall have no obligation to accelerate the Notes if in the reasonable judgment of the Trustee, acceleration is not in the interest of the Holders.

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:

(A) all sums paid or advanced by the Trustee and the Notes Collateral Agent hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee and the Notes Collateral Agent, and their agents and counsel;

(B) all overdue interest on all Notes;

(C) the principal of (and premium, if any, on) any Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes; and

(D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes;
(ii) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) In the event of a declaration of acceleration in respect of the Notes because an Event of Default specified in Section 6.01(d) shall have occurred and be continuing, such declaration of acceleration shall be automatically annulled if the Indebtedness that is the subject of such Event of Default (i) is Indebtedness in the form of an operating lease entered into by the Company or its Subsidiaries after May 21, 1998 and required to be reflected on a consolidated balance sheet pursuant to EITF 97-10 or any subsequent pronouncement having similar effect, (ii) has been discharged or the holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness, and (iii) written notice of such discharge or rescission, as the case may be, shall have been given to the Trustee by the Company and countersigned by the holders of such Indebtedness or a trustee, fiduciary or agent for such holders, within 30 days after such declaration of acceleration in respect of the Notes, and no other Event of Default has occurred during such 30-day period which has not been cured or waived during such period.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 6.04. Waiver of Past Defaults. Subject to Section 6.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class may waive an existing Default and its consequences under this Indenture and the Security Documents, except (a) a Default in the payment of the principal of or interest on a Note held by a non-consenting Holder, (b) a Default arising from a failure to make or consummate a Change of Control Offer in accordance with the provisions of Section 4.11, or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

Section 6.05. Control by Majority. Subject to the First Lien Intercreditor Agreement, Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or Notes Collateral Agent with respect to the Notes. However, the Trustee or the Notes Collateral Agent, as applicable may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee or Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent, as applicable in personal liability. Prior to taking any action hereunder, the Trustee shall be entitled to reasonable indemnification, in its sole discretion, against all losses and expenses caused by taking or not taking such action.

Section 6.06. Limitation on Suits. Subject to the First Lien Intercreditor Agreement, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting together as a single class shall have made a written request, and such Holder or Holders shall have offered, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys’ fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and
(c) the Trustee has failed to institute such proceeding and has not received from the Holders of at least a majority in aggregate principal amount of the Notes outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Notes for the enforcement of payment of the principal of or interest on such Notes on or after the applicable due date specified in such Note. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcements of the payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

Section 6.10. Priorities. Subject to the provisions of the First Lien Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Notes Collateral Agent, in each case for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys’ fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Notes.
Section 6.12. Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

Trustee

Section 7.01. Duties of Trustee

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person’s own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this subsection (c) does not limit the effect of subsection (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to this Indenture.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.
(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

Section 7.02. Rights of Trustee. Subject to the provisions of Section 7.01:

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.

(b) Before the Trustee acts or refrains from acting, it may require an Officers’ Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers’ Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; provided, however, that the Trustee’s conduct does not constitute willful misconduct or negligence.

(e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys’ fees) that might be incurred by it in compliance with such request or direction.

(f) In no event shall the Trustee be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.

(i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(j) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(k) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

Section 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.
Section 7.04. **Trustee’s Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Notes, it shall not be accountable for the Company’s use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee’s certificate of authentication.

Section 7.05. **Notice of Defaults.** If a Default or Event of Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06. **Reports by Trustee to Holders.** As promptly as practicable after each December 31 beginning with December 31, 2020, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Section 313(b) and (c).

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee whenever the Notes become listed on any stock exchange and of any delisting thereof.

Section 7.07. **Compensation and Indemnity.** The Company shall pay to the Trustee and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee’s compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all documented out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee’s agents, counsel, accountants and experts. The Company shall indemnify the Trustee against any and all loss, liability or expense (including documented attorneys’ fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee’s own willful misconduct or negligence. The Company need not pay for any settlement made by the Trustee without the Company’s consent, such consent not to be unreasonably withheld. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents, successors and assigns.

To secure the Company’s payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company’s payment obligations pursuant to this Section 7.07 shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(e) or (f) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.
Section 7.08. Replacement of Trustee

The Trustee may resign at any time by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

(a) the Trustee fails to comply with Section 7.10;
(b) the Trustee is adjudged bankrupt or insolvent;
(c) a receiver or other public officer takes charge of the Trustee or its property; or
(d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders a majority in aggregate principal amount of the Notes then outstanding and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Company’s obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated; any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least the minimum amount required by the TIA. The Trustee shall comply with TIA Section 310(b), subject to the penultimate paragraph thereof; provided, however, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.
For purposes of this Section 7.10 and clause (i) of the first proviso contained in TIA Section 310(b), the indenture, dated as of June 5, 2015, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 5.75% Senior Subordinated Notes due 2025, the indenture, dated as of November 8, 2016, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 5.875% Senior Subordinated Notes due 2026 and the 6.375% Senior Subordinated Notes due 2024, the indenture, dated as of March 17, 2017, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 6.125% Senior Subordinated Notes due 2027 and the indenture, dated as of September 14, 2018, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 2.95% Convertible Senior Notes due 2024 are hereby deemed to be specifically described.

Section 7.11. Preferential Collection of Claims Against Company

The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

ARTICLE VIII

Discharge of Indenture; Defeasance

Section 8.01. Discharge of Liability on Notes; Defeasance

(a) When (i) either (A) all outstanding Notes that have been authenticated (other than Notes replaced pursuant to Section 2.07 and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation or (B) all Notes under this Indenture that have not been delivered to the Trustee for cancellation have become due and payable, whether at the Maturity Date or upon redemption or will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article Three and the Company irrevocably deposits or causes to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium and accrued interest to the Maturity Date or redemption date; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Notes; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes issued thereunder at the Maturity Date or the redemption date, as the case may be, then upon demand of the Company (accompanied by an Officers’ Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Notes and the Liens on the Collateral securing the Notes will be released and the Trustee shall acknowledge satisfaction and discharge of this Indenture.

(b) Subject to Sections 8.01(c) and 8.02, the Company may, at its option, and at any time elect to (i) have the obligations of the Company discharged with respect to all outstanding Notes and the applicable Security Documents and all obligations of the Guarantors discharged with respect to their Subsidiary Guarantee, and have Liens on the Collateral securing the Notes released (“legal defeasance option”) or (ii) have the obligations of the Company and the Guarantors released under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.16, 4.17, 5.01(b), 5.01(c), 5.01(d), 5.01(e), 5.01(f) and 5.01(g) (“covenant defeasance option”). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(c), (d), (e) (solely with respect to Restricted Subsidiaries), (f) (solely with respect to Restricted Subsidiaries), (g), (h), (i) and (j).
Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding subsections (a) and (b) above, the Company’s obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.01, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06 shall survive until the Notes have been paid in full. Thereafter, the Company’s obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

Section 8.02. Conditions to Defeasance. The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article Eight applicable to it) as trust funds in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee) to pay the principal of (and premium, if any) and interest on the outstanding Notes on the Maturity Date (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; provided that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Notes. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Notes at a future date in accordance with Article Three;

(b) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(c) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(d) No Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit; and

(e) the Company delivers to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article Eight have been complied with.

Section 8.03. Application of Trust Money.

The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article Eight. It shall apply the deposited money and the money from Government Securities, through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04. Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.
**Section 8.05. Indemnity for Government Obligations.** The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities, or the principal and interest received on such Government Securities, other than such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

**Section 8.06. Reinstatement.** If the Trustee or Paying Agent is unable to apply any money, Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company’s obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article Eight; *provided, however, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.*

**ARTICLE IX**

(l) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(m) to add Collateral with respect to any or all of the Notes and/or the Subsidiary Guarantees;

(n) to release any Guarantor from its Subsidiary Guarantee pursuant to this Indenture when permitted or required by this Indenture;

(s) with respect to the Security Documents, the First Lien Intercreditor Agreement and First Lien/Second Lien Intercreditor Agreement, as provided in the relevant Security Document, First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable; or

(t) to provide for the succession of any parties to the Security Documents, the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement (and any amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the Senior Credit Facilities or any other agreement that is not prohibited by this Indenture.

Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture or security documents or intercreditor agreements authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and/or the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or security documents or intercreditor agreements that affect its own rights, duties or immunities under this Indenture or otherwise.

After an amendment under this Section 9.01 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.
Section 9.02. With Consent of Holders. The Company, the Guarantors and the Trustee and the Notes Collateral Agent may modify or amend this Indenture, the Notes, any Subsidiary Guarantee, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and the other Security Documents and may waive any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, any Subsidiary Guarantee, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or any Security Document, in each case, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including any consents or waivers obtained in connection with a purchase of, or tender offer (including a Change of Control Offer) or exchange offer for, the Notes). However, without the consent of each Holder affected thereby, a modification or amendment may not:

(a) change the Maturity Date of the principal of, or the time for payment of any installment of interest on, any Notes, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Notes or any premium or the interest thereon is payable;

(b) reduce the amount of, or change the coin or currency of, or impair the right to institute suit for the enforcement of, the Change of Control Payment;

(c) amend the contractual right expressly set forth in this Indenture or any Note of any Holder to institute suit for the enforcement of any payment of principal of, premium, if any, or interest on such Note on or after the stated maturity or redemption date of any such Notes;

(d) reduce the percentage in principal amount of the outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture; or

(e) modify any of the provisions of this Section 9.02 or Sections 6.04, 6.05, 6.07 or 4.14, except to increase the percentage of outstanding Notes the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Secured Notes Obligations or (B) change or alter the priority of the Liens securing the Secured Notes Obligations in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture or the Security Documents.

Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company in the execution of such amended or supplemental indenture or security documents or intercreditor agreements unless such amended or supplemental indenture or security documents or intercreditor agreements directly affect the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

In addition, Holders will be deemed to have consented for purposes of the Security Documents and the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, and the Notes Collateral Agent and the Trustee will be authorized, to amend or supplement the Security Documents to add additional secured parties to the extent Liens securing Indebtedness and other Obligations held by such parties are permitted under this Indenture. In executing any such amendment, supplement, consent or waiver to the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement or Security Document or in entering into a new intercreditor agreement or Security Document, the Trustee and Notes Collateral Agent shall be entitled to receive and (subject to their duties set forth in this Indenture) shall be fully protected in relying upon an Officers’ Certificate stating that the execution of such amendment, supplement, consent or waiver or new agreement is authorized or permitted by the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable, and/or Security Document, as the case may be, and complies with the provisions thereof and of this Indenture. Notwithstanding anything in this Indenture to the contrary, no opinion of counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.
After an amendment under this Section 9.02 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

Section 9.03. [Reserved]

Section 9.04. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder’s Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder’s Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date.

For all purposes of this Indenture, all Initial Notes and Additional Notes shall vote together as one series of Notes under this Indenture.

Section 9.05. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver such Note to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return such Note to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

Section 9.06. Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent shall sign any amendment authorized pursuant to this Article Nine if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it, in its sole discretion, and to receive, in addition to the documents required by Section 13.04 and (subject to Section 7.01) shall be fully protected in relying upon and shall be entitled to receive, an Officers’ Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture. Notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

Guarantee

Section 11.01. Subsidiary Guarantee. Subject to the provisions of this Article Eleven, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Company under this Indenture and the Notes (including, without limitation, any interest, fees or expenses accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding, whether or not such interest, fees or expenses is an allowed claim under applicable state, federal or foreign law and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the “Guarantor Obligations”). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article Eleven notwithstanding any extension or renewal of any Guarantor Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Notes or the Guarantor Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Subject to the provisions of Section 4.10, each Guarantor agrees that its Subsidiary Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Subsidiary Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.
In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations due and owing (plus interest) and (ii) accrued and unpaid interest on such Guarantor Obligations due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section 11.01.

Section 11.02. Execution and Delivery. To further evidence its Subsidiary Guarantee, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to (x) execute this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, execute a supplement to this Indenture, substantially in the form of Exhibit D hereto and deliver it to the Trustee. Concurrently with the execution and delivery of (x) this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, any supplemental indenture to this Indenture, each Guarantor who executes such supplemental indenture agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

Each of the Guarantors hereby agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Subsidiary Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor’s Subsidiary Guarantee of such Note shall nevertheless be valid.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Subsidiary Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.03. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any Guarantees under the Senior Credit Facilities) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Each Guarantor shall be automatically and unconditionally released and discharged from its obligations under this Indenture and its Subsidiary Guarantee and such Subsidiary Guarantee shall be automatically and unconditionally terminate, and no further action by such Guarantor, the Company or the Trustee is required for the release of such Guarantor or the termination of such Subsidiary Guarantee:

(i) upon any sale, exchange, issuance, transfer or other disposition (by merger, consolidation, amalgamation, dividend, distribution or otherwise) of (x) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or (y) all or substantially all of the assets of such Guarantor to a Person that is not the Company or a Guarantor, in each case, if such sale, exchange, issuance, transfer or other disposition is made in compliance with the applicable provisions of this Indenture (including any amendments thereof);
(ii) upon such Guarantor becoming an Excluded Subsidiary;

(iii) upon the designation of such Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture;

(iv) upon the Company exercising its legal defeasance option or covenant defeasance option in accordance with Article Eight or the Company’s obligations under this Indenture being discharged in accordance with the terms of this Indenture;

(v) upon the merger, amalgamation, consolidation or winding up of such Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding up, or upon the liquidation of such Guarantor; or

(vi) as described under Article Nine hereof.

Section 11.04. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 11.05. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.
ARTICLE XII

Collateral

Section 12.01. Security Documents

(a) The due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Obligations of the Company and the Guarantors to the Holders or the Trustee under this Indenture, the Notes, the Subsidiary Guarantees and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Secured Notes Obligations, subject to the terms of the Intercreditor Agreements. The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Notes Collateral Agent to enter into the Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement on the Issue Date and to perform its obligations and exercise its rights thereunder in accordance therewith. In the event of conflict between an Intercreditor Agreement and any of the other Security Documents, the applicable Intercreditor Agreement shall control. Each Holder, by its acceptance of a Note, (a) agrees that it will be subject to and bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement and (b) authorizes and instructs the Notes Collateral Agent to enter into the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement on the Issue Date as the Notes Collateral Agent, and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 12.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company and the Guarantors shall, at their sole expense, take all actions and make all filings (including filing Uniform Commercial Code (including amendments and continuation statements) and other financing statements, mortgages and deeds of trust) that may be required under applicable law, or that the Trustee or the Notes Collateral Agent may reasonably request, in order to ensure the creation, perfection and priority (or continuance thereof), as security for the Obligations of Company and the Guarantors to the secured parties under this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreements and the Security Documents, of a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreements and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Holders and the Trustee subject to no Liens other than Permitted Liens.

(b) It is understood and agreed that prior to the Discharge of First Lien Obligations that are Credit Agreement Obligations, to the extent that the First Lien Collateral Agent is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to the Collateral or makes any determination in respect of any matters relating to the Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any Subsidiary (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the Senior Credit Facilities), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents and the judgment of the First Lien Collateral Agent in respect of any such matters under the Senior Credit Facilities shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.

Section 12.02. Release of Collateral

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements and this Indenture. Notwithstanding anything to the contrary in the Security Documents, the Intercreditor Agreements and this Indenture, the Company and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the Subsidiary Guarantees under any one or more of the following circumstances:

(i) upon consummation of the sale, transfer or other disposition of such Collateral by the Company or a Guarantor to any Person other than the Company or a Guarantor, to the extent such sale, transfer or other disposition is not prohibited under this Indenture;

(ii) in the case of a Guarantor that is released from its Subsidiary Guarantee pursuant to the terms of this Indenture, with respect to the property and other assets of such Guarantor, upon the release of such Guarantor from its Subsidiary Guarantee;
(iii) with respect to Collateral that is Capital Stock, upon (i) the dissolution or liquidation of the issuer of that Capital Stock that is not prohibited by this Indenture or (ii) upon the designation by the Company of such issuer of Capital Stock as an Unrestricted Subsidiary under this Indenture;

(iv) with respect to any Collateral that becomes an “Excluded Asset,” upon it becoming an Excluded Asset;

(v) in accordance with Section 4.07(b);

(vi) to the extent the Liens on the Collateral securing the Credit Agreement Obligations are released by the First Lien Collateral Agent (other than any release by, or as a result of, payment of the Credit Agreement Obligations), upon the release of such Liens;

(vii) in connection with any enforcement action taken by the Controlling Collateral Agent in accordance with the terms of the First Lien Intercreditor Agreement; or

(viii) as described under Article Nine.

(b) The Liens on the Collateral securing the Notes and the Subsidiary Guarantees also shall automatically and without the need for any further action by any Person be terminated and released:

(i) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations in respect of the Notes under this Indenture, the Subsidiary Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid;

(ii) upon a legal defeasance or covenant defeasance with respect to the Notes under this Indenture as described below under Sections 8.01(b) and 8.02, or a satisfaction and discharge of this Indenture as described under Section 8.01(a); or

(iii) pursuant to the First Lien Intercreditor Agreement and the Security Documents with respect to the Notes.

(c) In addition, any Lien on any Collateral may be (i) released or subordinated to the holder of any Lien on such Collateral that is created, incurred or assumed pursuant to clauses (iv), (viii)(A) or (xxii) of the definition of “Permitted Liens” to the extent required by the terms of the obligations secured by such Liens and (ii) subordinated to any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement is permitted by Section 4.07.

(d) With respect to any release of Collateral, upon receipt of an Officers’ Certificate stating that all conditions precedent under this Indenture and the Security Documents to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company’s expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents and shall do or cause to be done (at the Company’s expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers’ Certificate, and notwithstanding any term hereof or in any Security Document to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officers’ Certificate.
Section 12.03. Suits to Protect the Collateral

Subject to the provisions of Article Seven and the Security Documents, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the Security Documents; and

(b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

Section 12.04. Authorization of Receipt of Funds by the Trustee Under the Security Documents

Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.05. Purchaser Protected

In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article Twelve to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

Section 12.06. Power Exercisable by Receiver or Trustee

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article Twelve upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article Twelve; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 12.07. Certain Limits on Collateral

Notwithstanding anything in this Indenture or any other Security Document, it is understood and agreed that:

(a) Liens required to be granted from time to time pursuant to this Indenture shall be subject to exceptions and limitations set forth in the Security Documents as in effect on the Issue Date;

(b) control agreements or other control or similar arrangements shall not be required with respect to deposit accounts, securities accounts, commodities accounts or other assets specifically requiring perfection by control agreements (other than certain certificated securities);

(c) no perfection actions shall be required with respect to Vehicles and other assets subject to certificates of title;
(c) no perfection actions shall be required with respect to commercial tort claims with a value less than $15,000,000 and no perfection shall be required with respect to promissory notes evidencing debt for borrowed money in a principal amount of less than $15,000,000;

(d) no actions in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction shall be required to be taken to create any security interests in assets located or titled outside of the United States (including any Equity Interests of any Foreign Subsidiaries and foreign intellectual property) or to perfect or make enforceable any security interests in any such assets (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction);

(e) no actions shall be required to perfect a security interest in letter of credit rights (other than the filing of UCC financing statements); and

(f) neither the Company nor any Guarantor shall be required to deliver or obtain any landlord lien waivers, estoppel certificates or collateral access agreements or letters.

Section 12.08. Notes Collateral Agent

(a) The Company and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Company and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.08. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person’s Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a “Related Person”), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.
(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor’s Affiliates.

(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Company or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its reasonable satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take only such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article Six or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 12.08).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Company (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Company pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 12.08 shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.
(g) The Trustee shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, including joinders and supplements thereto, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.

(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article Six, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) The Notes Collateral Agent is each Holder’s agent for the purpose of perfecting the Holders’ security interest in assets which, in accordance with Article Nine of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent’s instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent’s Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor’s property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Security Documents.

(l) If the Company or any Guarantor (i) incurs any obligations in respect of junior priority obligations at any time when no First Lien/Second Lien Intercreditor Agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officers’ Certificate so stating and requesting the Notes Collateral Agent to enter into the First Lien/Second Lien Intercreditor Agreement in favor of a designated agent or representative for the holders of the junior priority obligations so incurred, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Company, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; provided that neither an Officer’s Certificate nor an Opinion of Counsel shall be required pursuant to this Section 12.08(l) in connection with the applicable Intercreditor Agreements (including pursuant to a joinder thereto) to be entered into.
(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or to take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity reasonably satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause (m) if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Company or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.
(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee’s sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an “owner or operator” under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee’s actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a “Security Document Order”), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document or amendment or supplement thereto, to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 12.08(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document or amendment or supplement thereto. Any such execution of a Security Document or amendment or supplement thereto shall be at the direction and expense of the Company, upon delivery to the Notes Collateral Agent of an Officer’s Certificate stating that all conditions precedent to the execution and delivery of the Security Document or amendment or supplement thereto have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents or amendment or supplement thereto.

(s) Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable.
(t) After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Company or the Guarantors, it may require an Officer’s Certificate, which shall conform to the provisions of this Section 12.08 and Sections 13.04 and 13.05; provided that no Officer’s Certificate shall be required in connection with the Security Documents, the First Lien Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement to be entered by the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Security Documents, and shall solely act pursuant to the instructions of the Holders and the Trustee with respect to the Security Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents were named as this Indenture herein.

Any notice or communication mailed to a Holder shall be mailed to the Holder at the Holder’s address as it appears on the registration books of the Registrar and shall be sufficiently given if so mailed within the time prescribed.
Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is mailed in the manner provided above, it is duly given, whether or not the addressee receives it.

All notices, approvals, consents, requests and any communications under this Indenture must be in writing (provided that any communication sent to the Trustee must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign (or such other digital signature provider as specified in writing to the Trustee by the Company)), in English. Any such certificate or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

If a regular record date is a Legal Holiday, the record date shall not be affected.

Section 13.10. No Recourse Against Others. A director, officer, employee or stockholder, as such, of the Company and the Guarantors shall not have any liability for any obligations of the Company or the Guarantors under the Notes or this Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issue of the Notes.

Section 13.11. Successors. All agreements of the Company any each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

Section 13.14. **Multiple Originals.** The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Indenture or any document to be signed in connection with this Indenture shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

Section 13.15. **Table of Contents; Headings.** The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

II. THE NOTES

2.1 Form and Dating. (a) The Initial Notes issued on the date hereof will be privately placed by the Company pursuant to the terms and provisions of the Offering Memorandum and any Additional Notes will be offered and sold by the Company, from time to time, pursuant to one or more purchase agreements. Unless registered or exempt from registration under the Securities Act, the Initial Notes and any Additional Notes will be resold, initially only to QIBs in reliance on Rule 144A, institutions which are an “accredited investor” within the meaning of subparagraphs (a)(1), (2), (3) or (7) of Rule 501 under the Securities Act and to non-U.S. persons in reliance on Regulation S. Initial Notes and Additional Notes so issued may thereafter be transferred to, among others, QIBs, institutional “accredited investors” and purchasers in reliance on Regulation S, subject to the restrictions on transfers set forth herein.

    (b) Global Notes. Each series of Rule 144A Notes shall be issued initially in the form of one or more permanent global notes in fully registered form (the “Rule 144A Global Note”), Regulation S Notes shall be issued initially in the form of one or more global Regulation S Global Notes (the “Regulation S Global Note”) and IAI Notes shall be issued initially in the form of one or more global IAI Global Notes (the “IAI Global Note”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Securities Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. The Rule 144A Global Note, IAI Global Note and the Regulation S Global Note are each referred to herein as a “Global Note” and are collectively referred to herein as “Global Notes.” The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominees and on the schedules thereto as hereinafter provided.

    (c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

A-2
The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and pursuant to an order of the Company, authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of the Depository and (b) shall be delivered by the Trustee to the Depository pursuant to instructions of the Depository, or held by the Securities Custodian.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Securities Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of the Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) **Definitive Notes.** Except as provided in Section 2.3, owners of beneficial interests in Global Notes will not be entitled to receive physical delivery of certificated Notes.

2.2 **Authentication.** The Trustee shall authenticate and deliver: (a) Initial Notes for original issue in an aggregate principal amount of $200,000,000, (b) any Additional Notes, if and when issued pursuant to this Indenture; in each case upon a written order of the Company signed by two Officers. Such order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes or Additional Notes.

2.3 **Transfer and Exchange.** (a) **Transfer and Exchange of Definitive Notes.** When Definitive Notes are presented to the Registrar or a co-registrar with a request:

   (i) to register the transfer of such Definitive Notes; or

   (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Notes surrendered for transfer or exchange:

   (1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co-registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

   (2) are being transferred, or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

   (A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

   (B) if such Definitive Notes are being transferred to the Company, a certification to that effect; or

   (C) if such Definitive Notes are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904, (i) a certification to that effect and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).
Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) certification (in the form set forth on the reverse side of the Initial Note) that such Definitive Note is being transferred (1) to a QIB in accordance with Rule 144A, (2) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act or (3) to an institution that is an IAI, which certification shall be accompanied by a signed letter substantially in the form of Exhibit B; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Note represented by the Global Note, such instructions to contain information regarding the Depository to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Note represented by the Global Note, such instructions to contain information regarding the Depository to be credited with such increase,

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the procedures of the Depository containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note or IAI Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor depository or a nominee of such successor depository.
(iv) In the event that a Global Note is exchanged for Notes in definitive registered form pursuant to Section 2.4, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Initial Notes or Additional Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(v) In addition, in the case of a transfer of a beneficial interest in a Regulation S Global Note, or a Rule 144A Global Note for an interest in an IAI Global Note, the transferee must furnish a signed letter substantially in the form of Exhibit C to the Trustee.

(d) **Restrictions on Transfer of Regulation S Global Note.** (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Notes to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

(e) **Legend.**

(i) Except as permitted by the following clauses (ii) and (iii), each certificate evidencing the Global Notes and the Definitive Notes and the Regulation S Global Note (prior to the expiration of the Distribution Compliance Period) (and all Notes issued in exchange therefor or in substitution thereof), shall bear a legend in substantially the following form:
THE SECURITY (OR ITS PREDECESSOR) EVIDENCED HEREBY WAS ORIGINALLY ISSUED IN A TRANSACTION EXEMPT FROM REGISTRATION UNDER SECTION 5 OF THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND THE SECURITY EVIDENCED HEREBY MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN APPLICABLE EXEMPTION THEREFROM. EACH PURCHASER OF THE SECURITY EVIDENCED HEREBY IS HEREBY NOTIFIED THAT THE SELLER MAY BE RELYING ON THE EXEMPTION FROM THE PROVISIONS OF SECTION 5 OF THE SECURITIES ACT PROVIDED BY RULE 144A THEREUNDER. THE HOLDER OF THE SECURITY EVIDENCED HEREBY AGREES FOR THE BENEFIT OF THE COMPANY THAT (A) SUCH SECURITY MAY BE RESOLD, PLEDGED OR OTHERWISE TRANSFERRED, ONLY (1)(A) INSIDE THE UNITED STATES TO A PERSON WHO THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A UNDER THE SECURITIES ACT, (B) OUTSIDE THE UNITED STATES TO A FOREIGN PERSON IN TRANSACTION MEETING THE REQUIREMENTS OF RULE 903 OR RULE 904 OF REGULATION S UNDER THE SECURITIES ACT, (C) TO AN INSTITUTION WHICH IS AN "ACCREDITED INVESTOR" WITHIN THE MEANING OF SUBPARAGRAPHS (A)(1), (2), (3) OR (7) OF RULE 501 UNDER THE SECURITIES ACT THAT IS ACQUIRING THE SECURITY FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF SUCH AN ACCREDITED INVESTOR, (D) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER (IF APPLICABLE) OR (E) IN ACCORDANCE WITH ANOTHER EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT (AND BASED UPON AN OPINION OF COUNSEL ACCEPTABLE TO THE COMPANY IF THE COMPANY SO REQUESTS), (2) TO THE COMPANY OR (3) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT AND, IN EACH CASE, IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR ANY OTHER APPLICABLE JURISDICTION AND (B) THE HOLDER WILL, AND EACH SUBSEQUENT HOLDER IS REQUIRED TO, NOTIFY ANY PURCHASER OF THE SECURITY EVIDENCED HEREBY OF THE RESALE RESTRICTIONS SET FORTH IN CLAUSE (A) ABOVE. NO REPRESENTATION CAN BE MADE AS TO THE AVAILABILITY OF THE EXEMPTION PROVIDED BY RULE 144 FOR RESALE OF THE SECURITY EVIDENCED HEREBY.

Each Note issued with original issue discount (within the meaning of Section 1273 of the Code) will also bear the following additional legend:

Prior to the Distribution Compliance Period, each Regulation S Global Note will also bear the following additional legend:

THIS SECURITY (OR ITS PREDECESSOR) WAS ORIGINALLY ISSUED IN A TRANSACTION ORIGINALLY EXEMPT FROM REGISTRATION UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND MAY NOT BE TRANSFERRED IN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, ANY U.S. PERSON EXCEPT PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND ALL APPLICABLE STATE SECURITIES LAWS. TERMS USED ABOVE HAVE THE MEANINGS GIVEN TO THEM IN REGULATION S UNDER THE SECURITIES ACT.

Each Definitive Note will also bear the following additional legend:

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

(ii) Upon any sale or transfer of a Transfer Restricted Note (including any Transfer Restricted Note represented by a Global Note) pursuant to Rule 144 under the Securities Act or pursuant to and in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904:
in the case of any Transfer Restricted Note that is a Definitive Note, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Note for a Definitive Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note; and

in the case of any Transfer Restricted Note that is represented by a Global Note, the Registrar shall permit the beneficial owner thereof to exchange such Transfer Restricted Note for a beneficial interest in a Global Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note, in either case, if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144 or in reliance on an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 (such certification to be in the form set forth on the reverse of the Initial Note).

(iii) Upon a sale or transfer after the expiration of the Distribution Compliance Period of any Initial Note acquired pursuant to Regulation S, all requirements that such Initial Note bear any Restricted Notes Legend shall cease to apply and the requirements requiring any such Initial Note be issued in global form shall continue to apply.

(f) **Cancellation or Adjustment of Global Note.** At such time as all beneficial interests in a Global Note have either been exchanged for certificated or Definitive Notes, redeemed, repurchased or canceled, such Global Note shall be returned by the Depository to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for certificated or Definitive Notes, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

(g) **Obligations with Respect to Transfers and Exchanges of Notes.**

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate certificated Notes, Definitive Notes and Global Notes at the Registrar’s or co-registrar’s request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchange or registration of transfer pursuant to Sections 3.06, 4.11 and 9.05 of this Indenture).

(iii) The Registrar or co-registrar shall not be required to register the transfer of or exchange of any Note for a period beginning 10 days before the mailing of a notice of redemption or an offer to repurchase Notes or 10 days before an interest payment date.

(iv) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent, the Registrar or any co-registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent, the Registrar or any co-registrar shall be affected by notice to the contrary.

(v) All Notes issued upon any registration of transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.
(h) **No Obligation of the Trustee.**

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or any other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

2.4 **Certificated Notes.**

(a) Any Global Note deposited with the Depository or with the Trustee as Securities Custodian pursuant to Section 2.1(b) shall be transferred to the beneficial owners thereof in the form of certificated Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if (i) the Depository notifies the Company that it is unwilling or unable to continue as a depositary for such Global Note or if at any time the Depository ceases to be a "clearing agency" registered under the Exchange Act, and a successor depositary is not appointed by the Company within 90 days of such notice, or (ii) a Default or an Event of Default has occurred and is continuing under this Indenture or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of certificated Notes under this Indenture.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee located in the Borough of Manhattan, The City of New York, to be so transferred, in whole or from time to time in part, without charge (although the Company may require payment of a sum sufficient to cover any tax or governmental charge imposed in connection therewith), and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of certificated Notes of authorized denominations. Certificated Notes issued in exchange for any portion of a Global Note transferred pursuant to this Section 2.4 shall be executed, authenticated and delivered only in denominations of $2,000, and integral multiples of $1,000, in excess thereof and registered in such names as the Depository shall direct. Any certificated Note delivered in exchange for an interest in the Global Note shall, except as otherwise provided by Section 2.3(c), bear the restricted securities legend set forth in Appendix I to this Exhibit A.

(c) The registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in Section 2.4(a)(i), (ii) or (iii), the Company will promptly make available to the Trustee a reasonable supply of certificated Notes in definitive, fully registered form without interest coupons.

TRUSTEE’S CERTIFICATE OF AUTHENTICATION

GLAS Trust Company LLC, as Trustee, certifies that this is one of the Notes referred to in the Indenture.

By: ________________________________
   Authorized Officer

Additional provisions of this Note are set forth on the other side of this Note.

A-12
1. **Interest.** AMC Entertainment Holdings, Inc., a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Company will pay interest semiannually, in arrears, on June 15 and December 15 of each year, commencing December 15, 2020, in immediately available funds. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. **Method of Payment**

   The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the June 1 or December 1 next preceding the interest payment date even if the Notes are canceled after the record date and on or before the interest payment date. Holders must surrender the Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company (the “Depository”). The Company will make all payments in respect of a certificated Note (including principal, premium and interest) by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Notes may also be made, in the case of a Holder of at least $2,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. **Paying Agent and Registrar**

   Initially, GLAS Trust Company LLC, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

4. **Indenture**

   The Company issued the Notes under an Indenture dated as of July 31, 2020 (the “Indenture”), among the Company, the Guarantors party thereto from time to time, the Trustee and the Notes Collateral Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. 77aaa-77bbbb) as in effect on the date of the Indenture (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of those terms.

   The Notes are senior secured obligations of the Company and can be issued in an initial amount of up to $200,000,000 and additional amounts as part of the same series under the Indenture which are unlimited (subject to Sections 2.01 and 2.10 of the Indenture). The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to, among other things, incur additional indebtedness, pay dividends or make distributions in respect of their capital stock, purchase or redeem capital stock, enter into transactions with stockholders or certain affiliates, create liens or consolidate, merge or sell all or substantially all of the Company’s assets. These limitations are subject to significant exceptions.
5. **Mandatory Redemption.**

The Company shall only be required to make a mandatory redemption with respect to the Notes as provided in Sections 3.07, 3.08 and 4.16 of the Indenture.

6. **Optional Redemption.**

Except as set forth herein, the Notes may not be redeemed prior to June 15, 2022. On and after that date, the Company may redeem the Notes in whole at any time or in part from time to time at the following redemption prices (expressed in percentages of principal amount), plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption), if redeemed during the 12-month period beginning on June 15 of the years set forth below:

Prior to June 15, 2022 the Company may on any one or more occasions redeem up to 35% of the original aggregate principal amount of the Notes at a redemption price of 110.500% of the principal amount thereof with the net cash proceeds of one or more Equity Offerings, plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided that:

1. at least 65% of the original aggregate principal amount of the Initial Notes remains outstanding after each such redemption; and
2. the redemption occurs within 120 days after the closing of such Equity Offering.

In addition, at any time and from time to time prior to June 15, 2022, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, to the redemption date. Notice of such redemption must be sent to Holders of the Notes called for redemption not less than 10 or more than 60 days prior to the redemption date. The notice need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.

The Company may redeem the Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different redemption dates and, with respect to redemptions that occur on the same date, may specify the order in which such redemptions are deemed to occur. In addition, notice of any redemption of, or any offer to purchase, the Notes may, at the Company’s discretion, be given in connection with an Equity Offering, other transaction (or series of related transactions) or an event that constitutes a Change of Control and prior to the completion or the occurrence thereof, and any such redemption or purchase may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related Equity Offering, transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company’s discretion, the redemption date or purchase date may be delayed until such time (including more than 60 days after the date notice of redemption or offer to purchase was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date or purchase date or the redemption date or purchase date as so delayed, or such notice or offer may be rescinded at any time in the Company’s discretion if the Company reasonably believes that any or all of such conditions will not be satisfied or waived. In addition, the Company may provide in such notice or offer that payment of the redemption or purchase price and performance of the Company’s obligations with respect to such redemption or offer to purchase may be performed by another Person.
If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Notes are registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

7. **Sinking Fund**

The Notes are not subject to any sinking fund.

8. **Notice of Redemption**

Notice of redemption shall be sent to the holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each holder of Notes to the address of such holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 10 nor more than 60 days prior to the redemption date; provided that, in the case of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, such notice must be sent not less than 5 days prior to the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Notes in denominations larger than $2,000 may be redeemed in part but only in integral multiples of $1,000. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

9. **Repurchase at the Option of Holders upon Change of Control**

Upon a Change of Control, the Company will be required to make an offer, subject to certain conditions specified in the Indenture, to repurchase all the Notes of each Holder at a purchase price equal to 101% of the principal amount of Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

10. **Denominations; Transfer; Exchange**

The Notes are in registered form in minimum denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Note for a period of 10 days prior to a selection of Notes to be redeemed or 10 days before an interest payment date.

11. **Persons Deemed Owners**

The registered Holder of this Note may be treated as the owner of it for all purposes.
12. **Unclaimed Money**

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

13. **Discharge and Defeasance**

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

14. **Amendment, Supplement and Waiver**

The Indenture, the Notes or the Subsidiary Guarantees may be amended or supplemented as provided in the Indenture.

15. **Defaults and Remedies**

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding, subject to certain limitations, may declare all the Notes to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Notes being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. The Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.

16. **Security**

The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Notes Collateral Agent to enter into the Security Documents on the Issue Date, and at any time after Issue Date, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

17. **Trustee Dealings with the Company**

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. **No Recourse Against Others**

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.
19. **Authentication**

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. **Abbreviations**

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. **Governing Law**

THE INDENTURE, THIS NOTE AND THE SUBSIDIARY GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. **ISINs and CUSIP Numbers**

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISINs and/or CUSIP numbers to be printed on the Notes and has directed the Trustee to use ISINs and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

A Holder of Notes may upon written request and without charge to the Holder receive a copy of the Indenture which has in it the text of this Note. Requests may be made to: Kevin M. Connor, General Counsel, One AMC Way, 11500 Ash Street, Leawood, Kansas 66211.

Section 1.03. Incorporation by Reference of Trust Indenture Act

Whenever this Indenture refers to a provision of the Trust Indenture Act of 1939, as amended ("TIA") , the provision is incorporated by reference in and made a part of this Indenture.

The following Trust Indenture Act term used in this Indenture has the following meaning:

“obligor” on the Notes and the Subsidiary Guarantees means the Company and the Guarantors, respectively, and any successor obligor upon the Notes and the Subsidiary Guarantees, respectively.

All other terms used in this Indenture that are defined by the Trust Indenture Act, defined by Trust Indenture Act reference to another statute or defined by SEC rule under the Trust Indenture Act have the meanings so assigned to them. Notwithstanding any other provision in this Indenture, no obligation or requirement under the Trust Indenture Act shall be applicable to the Company or any Guarantor.

Section 1.04. Rules of Construction
Unless the context otherwise requires:

(a) a term has the meaning assigned to it;

(b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;
Section 1.05. Limited Condition Transactions.

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio;

(ii) determining whether a Default or Event of Default shall have occurred and be continuing (or any subset of Defaults or Events of Default); or

(iii) testing availability under baskets set forth in this Indenture (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets or by reference to Section 4.06(a)(B) or the Excluded Contribution Amount);

in each case, at the option of the Company (the Company’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), with such option to be exercised on or prior to the date of execution of the definitive agreements related to such Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the “LCT Test Date”), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Company could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Company or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of the incurrence ratios subject to the LCT Election on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.
Section 1.06. Certain Compliance Determinations.

(a) Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test or utilization of any basket contained in this Indenture, Consolidated EBITDA, Consolidated Total Assets, the Total Leverage Ratio, the First Lien Leverage Ratio, the Senior Leverage Ratio and the Secured Leverage Ratio shall be calculated on a Pro Forma Basis to give effect to all Specified Transactions that have been made during the applicable period of measurement or subsequent to such period and prior to or simultaneously with the event for which the calculation is made and to the extent the proceeds of any new Indebtedness are to be used to repay other Indebtedness (including by repurchase, redemption, retirement, extinguishment, defeasance, discharge or pursuant to escrow or similar arrangements) no later than 60 days following the incurrence of such new Indebtedness, the Company shall be permitted to give Pro Forma Effect to such repayment of Indebtedness.

(b) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test, the amount of Consolidated EBITDA and/or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to Section 1.05), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision in any covenant (including any constituent definition thereof) of this Indenture that does not require compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts.

(d) Notwithstanding anything herein to the contrary, for purposes of any determination under this Indenture expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the Spot Rate (or, if such determination is calculated under the Senior Credit Facilities at the Exchange Rate, such Exchange Rate) (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for purposes of determining compliance with respect to the amount of any Indebtedness, Investment, disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, this Section 1.06 shall otherwise apply to such provisions, including with respect to determining whether any Indebtedness or Investment may be incurred or disposition or Restricted Payment made at any time under such provisions. For purposes of any determination of Consolidated Total Debt, amounts in currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 4.12 (or, prior to the first such delivery, the most recent internally available financial statements).
ARTICLE II

The Notes

Section 2.01. Amount of Notes; Issuable in Series

As provided for in Exhibit A hereto, the aggregate principal amount of the Notes which may be authenticated and delivered under this Indenture is unlimited. All Notes shall be substantially identical in all respects other than issue prices, issuance dates, first interest payment amount, first interest payment date and denominations. Additional Notes may be issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes; provided, such Additional Notes will not be issued with the sameCUSIP number as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes; provided, further, that the Company’s ability to issue Additional Notes shall be subject to the Company’s compliance with Section 4.05 and Section 4.07. All Notes issued under this Indenture shall be treated as a single class for all purposes of this Indenture, including waivers, amendments, redemptions and offers to purchase.

Subject to Section 2.03, the Trustee shall authenticate the Initial Notes for original issue on the Issue Date in the aggregate principal amount of $100,000,000. With respect to any Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of or in exchange for, or in lieu of, Initial Notes pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A), there shall be established in or pursuant to a resolution of the Board of Directors, and subject to Section 2.03, set forth, or determined in the manner provided in an Officers’ Certificate, or established in one or more indentures supplemental hereto, prior to the issuance of such Notes:

(a) whether such Notes shall be issued as part of a new or existing series of Notes and the title of such Notes (which shall distinguish the Notes of the series from Notes of any other series);

(b) the aggregate principal amount of such Notes that may be authenticated and delivered under this Indenture (which shall be calculated without reference to any Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of the same series pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A or any Notes which, pursuant to Section 2.03, are deemed never to have been authenticated and delivered hereunder);

(c) the issue price and issuance date of such Notes, including the date from which interest on such Notes shall accrue; and

(d) if applicable, that such Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositories for such Global Notes, the form of any legend or legends that shall be borne by any such Global Notes in addition to or in lieu of that set forth in Appendix I to Exhibit A and any circumstances in addition to or in lieu of those set forth in Section 2.3 of Exhibit A in which any such Global Notes may be exchanged in whole or in part for Notes registered, and any transfer of such Global Notes in whole or in part may be registered, in the name or names of Persons other than the depository for such Global Note or a nominee thereof.

If any of the terms of any series are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers’ Certificate or the trust indenture supplemental hereto setting forth the terms of the series.

Section 2.02. Form and Dating

Provisions relating to the Notes are set forth in Exhibit A, which is hereby incorporated in and expressly made part of this Indenture. The Notes of each series and the Trustee’s certificate of authentication shall be substantially in the form of Appendix I to Exhibit A which is hereby incorporated in and expressly made a part of this Indenture. Without limiting the generality of the foregoing, Notes offered and sold to QIBs in reliance on Rule 144A and institutional “accredited investors” as that term is defined in subparagraphs (a)(1), (2), (3), or (7) of Rule 501 under the Securities Act shall include the form of assignment set forth in Appendix I to Exhibit A and Notes offered and sold in offshore transactions in reliance on Regulation S (other than Initial Notes offered on the Issue Date) shall include the form of certificate set forth in Exhibit B. The Notes of each series may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage; provided that any such notation, legend or endorsement is in a form reasonably acceptable to the Company. Each Note shall be dated the date of its authentication. The terms of the Notes of each series set forth in Appendix I to Exhibit A are part of the terms of this Indenture.
Section 2.03. Execution and Authentication.

Two Officers shall sign the Notes for the Company by manual, electronic or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Additional Notes executed by the Company to the Trustee for authentication, together with a written order of the Company in the form of an Officers’ Certificate for the authentication and delivery of such Notes, and the Trustee in accordance with such written order of the Company shall authenticate and deliver such Notes.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee shall not be required to authenticate such Notes if the issue thereof will adversely affect the Trustee’s own rights, duties, indemnities or immunities under the Notes and this Indenture.

Section 2.04. Registrar and Paying Agent.

The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more registrars for so long as the Notes are held in registered form, and one or more co-registrars. The initial Paying Agent will be U.S. Bank National Association.

The initial Registrar and transfer agent for the Notes will be U.S. Bank National Association. The Registrars and the transfer agents will maintain a register reflecting ownership of Notes in the form of Definitive Notes (as defined in Exhibit A) outstanding from time to time, if any, and will make payments on and facilitate transfers of Definitive Notes on behalf of the Company. Each transfer agent shall perform the functions of a transfer agent.

The Company may change any Paying Agent, Registrar or transfer agent for the Notes without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar in respect of the Notes.

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or transfer agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar, Paying Agent or transfer agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or transfer agent.

Section 2.05. Paying Agent To Hold Money in Trust. By no later than 11:00a.m., New York City time, on the date on which any principal or interest on any Notes is due, the Company shall deposit with the Paying Agent for such Note a sum sufficient to pay such principal and interest so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal or interest on the Notes and shall notify the Trustee of any default by the Company or any Guarantor in making any such payment. If the Company or a domestic Wholly Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, the Paying Agent (if other than the Company or a domestic Wholly Owned Subsidiary) shall have no further liability for the money delivered to the Trustee.
Section 2.06. **Holder Lists.** The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Company on its own behalf and on the behalf of each of the Guarantors shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company and the Guarantors shall otherwise comply with TIA Section 312(a).

Section 2.07. **Replacement Notes.** If a mutilated security is surrendered to a Registrar or if the Holder of a Note claims that such Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent for such Note, the Registrar for such Note and any co-registrar from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is an additional obligation of Company.

Section 2.08. **Outstanding Notes.** Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. A Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and such Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09. **Temporary Notes.** Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes and deliver them in exchange for temporary Notes. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

Section 2.10. **Cancellation.** The Company at any time may deliver Notes to the Trustee for cancellation. Any Registrar and any Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer, exchange, payment or cancellation and deliver cancelled Notes to the Company upon a written direction of the Company. Except as expressly permitted herein, the Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.
If the Company or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Notes.

At such time as all beneficial interests in a Global Note have either been exchanged for definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Securities Custodian with respect to such Global Note to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

Section 2.11. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate borne by the Notes to the extent lawful) in any lawful manner. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “Special Record Date”) for the payment of such defaulted interest, which date shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.02, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable.

The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.11, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.12. CUSIP Numbers or ISINs. The Company in issuing the Notes may use “CUSIP” numbers, “ISINs” or other similar numbers (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “ISINs” or other similar numbers in notices of redemption as a convenience to Holders; provided, however, that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “ISIN” or other similar number that appears on any Note, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, ISIN or other similar numbers.
Section 2.13. **Computation of Interest.** Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

**ARTICLE III**

**Redemption**

Section 3.01. **Notices to Trustee.** If the Company elects to redeem Notes pursuant to paragraph 6 of the reverse side of the Notes or is required to redeem the Notes pursuant to Section 3.07 or 3.08 hereof, it shall notify the Trustee in writing of the redemption date, the principal amount of Notes to be redeemed, the redemption price and that such redemption is being made pursuant to paragraph 6 of the reverse side of the Notes or Section 3.07 or 3.08 hereof, as applicable.

The Company shall give notice to the Trustee provided for in this Section 3.01 at least 2 Business Days before the date on which the Company provides notice of redemption to the Holders unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officers’ Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

Section 3.02. **Selection of Notes To Be Redeemed.** If less than all the Notes are to be redeemed at any time, not more than 60 days prior to the redemption date, the Trustee or the Registrar, as applicable, in accordance with the customary procedures of the Depository, shall select the Notes to be redeemed pro rata, and if the Depository prescribes no method of selection, then, by lot or by any other method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate. The Trustee or the Registrar, as applicable, shall make the selection from outstanding Notes not previously called for redemption. The Trustee or the Registrar, as applicable, may select for redemption portions of the principal of Notes that have denominations larger than $2,000. Notes and portions of them the Trustee or the Registrar, as applicable, selects shall be in amounts of $2,000, or an integral multiple of $1,000, (but in any event not less than $2,000). Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee or the Registrar, as applicable, shall notify the Company promptly of the Notes or portions of Notes to be redeemed. The Trustee shall not be liable for selection made by it under this Section 3.02.

Section 3.03. **Notice of Redemption.** At least 10 days but not more than 60 days before a date for optional redemption of Notes pursuant to paragraph 6 of the reverse side of the Notes, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository. Notice of any optional redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Any redemption and notice of redemption may, at the Company’s discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company’s obligations with respect to such redemption may be performed by another Person.

The notice shall identify the Notes (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

(a) the redemption date;

(b) the redemption price;

(c) the name and address of the Paying Agent;
At the Company’s written request, the Trustee shall give the notice of redemption in the Company’s name and at the Company’s expense. In such event, the Company shall provide the Trustee with the information required by this Section 3.03 at least 2 Business Days before the redemption date, unless the Trustee consents to a shorter period.

Section 3.04. Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 3.03, Notes called for redemption become due and payable on the redemption date, and at the redemption price stated in the notice, unless such redemption is conditioned on the happening of a future event. The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, plus accrued and unpaid interest to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date). Subject to Section 3.05, on and after the redemption date, unless the Company defaults in payment of the redemption, interest shall cease to accrue on Notes or portions of Notes called for redemption, unless such redemption remains conditioned on the occurrence of a future event that has not occurred. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05. Deposit of Redemption Price. Prior to noon, New York City time, on the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued and unpaid interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date) on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation.

Section 3.06. Notes Redeemed in Part. Upon surrender and cancellation of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company’s expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered. It is understood that, notwithstanding anything in this Indenture to the contrary, only a written request or order signed on behalf of the Company by an Officer and delivered to the Trustee and not an Opinion of Counsel or Officer’s Certificate is required for the Trustee to authenticate such new Notes.
Section 3.07. **AHYDO Redemption.** On the first interest payment date following the fifth anniversary of the “issue date” (as defined in Treasury Regulation Section 1.1273-2) of the Notes, the Company shall redeem a portion of the principal amount of each then outstanding Note in an amount equal to the AHYDO Catch-Up Payment for such interest payment date with respect to such Note. The “AHYDO Catch-Up Payment” means the minimum principal prepayment sufficient to ensure that as of the close of such interest payment date, the aggregate amount which would be includable in gross income with respect to such Note before the close of such interest payment date (as described in Section 163(i)(2)(A) of the Code) does not exceed the sum (as described in Section 163(i)(2)(B) of the Code) of (i) the aggregate amount of interest to be paid on such Note (including for this purpose any AHYDO Catch-Up Payment) before the close of such interest payment date plus (ii) the product of the “issue price” of such Note and its yield to maturity, with the result that the Notes are not treated as having “significant original issue discount” within the meaning of Section 163(i)(1)(C) of the Code. It is intended that no Note will be an “applicable high yield discount obligation” (an “AHYDO”) within the meaning of Section 163(i)(1) of the Code. The computations and determinations required in connection with any AHYDO Catch-Up Payment will be made by us in our good faith reasonable discretion and will be binding upon the holders absent manifest error. Unless otherwise provided herein, any redemption pursuant to this Section 3.07 shall comply with Section 3.01 through Section 3.06 hereof.

Section 3.08. **Asset Sale Redemption**

(a) Upon an Asset Sale Mandatory Redemption Event, the Company shall apply the applicable portion of the Excess Proceeds (as determined in accordance with clauses (1) or (2), as applicable, of Section 4.16(b)), if any, to redeem the Notes (an “Asset Sale Mandatory Redemption”) on or before the 20th Business Day following the Asset Sale Mandatory Redemption Event (the “Asset Sale Mandatory Redemption Date”) or as otherwise required by the applicable procedures of the Depository, at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the Asset Sale Mandatory Redemption Date.

(b) Upon a European Asset Sale Mandatory Redemption Event, the Company shall apply the applicable portion of the European Asset Sale Debt Repayment Amount (as determined in accordance with Section 4.16(c)) to redeem the Notes (a “European Asset Sale Mandatory Redemption”) on or before the 15th day (or if such day is not a Business Day on the immediately succeeding Business Day) following the European Asset Sale Mandatory Redemption Event (the “European Asset Sale Mandatory Redemption Date”) or as otherwise required by the applicable procedures of the Depository, at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest from the Issue Date or the most recent date to which interest has been paid or duly provided for on the Notes, as the case may be, to, but excluding, the European Asset Sale Mandatory Redemption Date.

(c) In either of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, if less than all of the Notes are to be redeemed at any time, selection of Notes for redemption will be made by the Trustee or the Registrar in accordance with the customary procedures of the Depository, as applicable, not more than 5 days prior to the redemption date pro rata, and if the Depository prescribes no method of selection, then by lot or by any other method the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate; provided, however, that Notes will not be redeemed in an amount less than the minimum authorized denomination of $2,000. Notice of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, as applicable, shall be sent to the Holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 5 days prior to the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable, to each Holder of Notes to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable, interest will cease to accrue on Notes or portions thereof called for redemption. The Trustee shall not be liable for selection made by it under this clause (c).

(d) Unless otherwise provided herein, any redemption pursuant to this Section 3.08 shall comply with Section 3.01 through Section 3.06 hereof.

c  [reserved].

d  The Company will not, and will not permit any Restricted Subsidiary to, issue any preferred Equity Interests or any Disqualified Equity Interests, except (A) in the case of the Company, preferred Equity Interests that are Qualified Equity Interests and (B) in the case of any Restricted Subsidiary, (i) preferred Equity Interests or Disqualified Equity Interests issued to and held by the Company or any Restricted Subsidiary and (ii) preferred Equity Interests (other than Disqualified Equity Interests) issued to and held by joint venture partners after the Issue Date (“JV Preferred Equity Interests”); provided that in the case of this clause (ii), any such issuance of JV Preferred Equity Interests shall be deemed to be an incurrence of Indebtedness and subject to the provisions set forth in this Section 4.05.

e  For purposes of determining compliance with this Section 4.05, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Indebtedness described in this Section 4.05, the Company shall, in its sole discretion, classify and reclassify or later divide, classify or reclassify such item of Indebtedness (or any portion thereof) and will only be required to include the amount and type of such Indebtedness in one or more of the above clauses; provided that all Indebtedness outstanding on the Issue Date under the Senior Credit Facilities shall be deemed to have been incurred pursuant to clause (i) above; provided further that if any such portion of such Indebtedness could, based on the financial statements for such Test Period, have been incurred in reliance on Section 4.05(a) or Section 4.05(b)(xxix), such portion of such Indebtedness shall automatically be reclassified as having been incurred under the applicable provisions of Section 4.05(a) or Section 4.05(b)(xxix) (in each case, subject to satisfying any other applicable provision of Section 4.05(a) or Section 4.05(b)(xxix) and, in the case of any such portion of such Indebtedness incurred by any Subsidiary that is not a Guarantor, to availability under the cap applicable therein to the incurrence of such Indebtedness by a non-Guarantor); provided further, however, notwithstanding anything in this Indenture to the contrary, all Indebtedness outstanding on the Issue Date under the Existing Subordinated Notes shall be deemed to be incurred pursuant to Section 4.05(b)(iii) and shall not be permitted to be reclassified.

f  If Indebtedness originally incurred in reliance upon a percentage of Consolidated EBITDA or the First Lien Leverage Ratio under Section 4.05(b)(i) is being refinanced under such clause or the Secured Leverage Ratio under Section 4.05(b)(xxix) is being refinanced under such clause and such refinancing would cause the maximum amount of Indebtedness thereunder to be exceeded at such time, then such refinancing will nevertheless be permitted thereunder and such additional Indebtedness will be deemed to have been incurred, and permitted to be incurred, under such clause (or Section 4.05(b)(xxix), as applicable, so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of Indebtedness being refinanced plus amounts permitted by the next sentence. Any Refinancing Indebtedness and any Indebtedness incurred to Refinance Indebtedness incurred pursuant to Section 4.05(b)(i) and Section 4.05(b)(xxix) shall be permitted to include additional Indebtedness incurred to pay premiums (including tender premiums), defeasance costs, underwriting discounts, accrued and unpaid interest, dividends and fees, costs and expenses (including upfront fees, original issue discount (“OID”) or similar fees) in connection with such Refinancing.

g  Notwithstanding anything in this Indenture to the contrary, after the Issue Date and prior to January 1, 2022, the Company will not, and will not permit any Restricted Subsidiary to, create, incur or assume any Indebtedness that constitutes First Lien Obligations pursuant to Section 4.05(b)(i)(z) above.

54
Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness or Disqualified Equity Interests will not be deemed to be an incurrence of Indebtedness or Disqualified Equity Interests for purposes of this Section 4.05.

(5) Investments of the Company or any of the Restricted Subsidiaries in any Unrestricted Subsidiary made after the Issue Date that has been re-designated as a Restricted Subsidiary or that has been merged or consolidated with or into the Company or any of the Restricted Subsidiaries up to the Fair Market Value of the Investments of the Company or a Restricted Subsidiary in such Unrestricted Subsidiary at the time of such re-designation or merger or consolidation; plus

(vii) [reserved];

(viii) in addition to the foregoing Restricted Payments, the Company may make additional Restricted Payments, (A) in an aggregate amount, when taken together with the aggregate amount of loans and advances to a Parent Entity made pursuant to clause (m) of the definition of “Permitted Investments” in lieu of Restricted Payments permitted by this clause (A), not to exceed an amount at the time of making any such Restricted Payment and together with any other Restricted Payment made utilizing this clause (A) after the Issue Date not to exceed the greater of $50,000,000 and 7.5% of Consolidated EBITDA for the most recently ended Test Period after giving Pro Forma Effect to the making of such Restricted Payment and (B) in an amount not to exceed the Excluded Contribution Amount that is Not Otherwise Applied; provided that any Investments or payments made in reliance upon the Available RP Capacity Amount utilizing the unused amounts available pursuant to this Section 4.06(b)(viii) shall reduce the amounts available pursuant to this Section 4.06(b)(viii);

For purposes of determining compliance with this Section 4.06, in the event that a proposed Restricted Payment (or a portion thereof) meets the criteria of Sections 4.06(a)(A) and (B) or any of clauses (i) through (xvii) of Section 4.06(b) above (or any sub-clause therein), the Company will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such Restricted Payment (or portion thereof) between Section 4.06(a) and clauses (i) through (xvii) of Section 4.06(b) (or any sub-clause therein), in a manner that otherwise complies with this Section 4.06.

Notwithstanding anything in this Indenture to the contrary, prior to January 1, 2022, the Company will not, and will not permit any Restricted Subsidiary to, make any Restricted Payments described in Section 4.06(a)(i) or 4.06(a)(ii) in reliance on Section 4.06(a) or clauses (viii) and (xii) of Section 4.06(b).

Notwithstanding anything in this Indenture to the contrary, after the Issue Date the Company will not, and will not permit any Restricted Subsidiary to, (a) make an Investment in an Unrestricted Subsidiary pursuant to Section 4.06(a), clauses (i) through (xvii) of Section 4.06(b) or clauses (a) through (cc) of the definition of Permitted Investments other than an Investment in existence on July 10, 2020 or pursuant to any agreement or arrangement in effect as of July 10, 2020 under clause (f) of the definition of Permitted Investment or (b) make any non-cash or non-Cash Equivalent Investment pursuant to Section 4.06(a), clauses (i) through (xvii) of Section 4.06(b) or clauses (a) through (cc) of the definition of Permitted Investments in any European Subsidiary, when taken together with all other Investments in European Subsidiaries made after the Issue Date, are in excess of $10,000,000. For purposes of determining compliance with this Section 4.06, in the event that any payment or other distribution (whether in cash, securities or other property) of or in respect of principal or of interest on any Junior Financing, or any payment or other distribution (whether in cash, securities or other property), including any sinking fund or similar deposit, on account of the purchase, redemption, retirement, acquisition, cancellation or termination of any Junior Financing (or a portion thereof) meets the criteria of Sections 4.06(a)(A) and (B) or clauses (i) through (v) of Section 4.06(c) (or any sub-clause therein), the Company will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such payment (or portion thereof) between Section 4.06(a) and clauses (i) through (v) of Section 4.06(c) (or any sub-clause therein), in a manner that otherwise complies with this Section 4.06; provided that for the most recently ended Test Period following the making of any Junior Financing under this Section 4.06 (other than Section 4.06(c)(v)), if all or any portion of such Junior Financing could, based on the financial statements for such Test Period, have been made in reliance on Section 4.06(c)(v), such Junior Financing (or the relevant portion thereof) shall automatically be reclassified as having been made in reliance on Section 4.06(c)(v).

(d) The Company will not, and will not permit any Restricted Subsidiary to, amend or modify any documentation governing any Junior Financing, in each case if the effect of such amendment or modification (when taken as a whole) is materially adverse to Holders.

(e) Notwithstanding anything herein to the contrary, the foregoing provisions of this Section 4.06 will not prohibit the payment of any Restricted Payment or the consummation of any irrevocable redemption, purchase, defeasance or other payment within 60 days after the date of declaration thereof or the giving of such irrevocable notice, as applicable, if at the date of declaration or the giving of such notice such payment would have complied with the provisions of this Indenture.

Section 4.07. Limitation on Liens.

(a) The Company will not and will not permit any Restricted Subsidiary to create, incur or assume any Lien (other than Permitted Liens) (each, an “Initial Lien”) that secures obligations under any Indebtedness on any asset or property of the Company or any Restricted Subsidiary unless, in the case of Initial Liens on any asset or property that is not Collateral, the Notes are equally and ratably secured with (or, in the event the Lien relates to Junior Financing, are secured on a senior basis to) the obligations so secured.

(b) Any Lien created for the benefit of Holders of the Notes pursuant to this Section 4.07 shall provide by its terms that such Lien be deemed automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien. In addition, in the event that an Initial Lien is or becomes a Permitted Lien, the Company may, at its option and without consent from any Holder, elect to release and discharge any Lien created for the benefit of the Holders pursuant to the preceding paragraph in respect of such Initial Lien.

Section 4.08. Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions respect thereto with, any of its Affiliates, except:

3. that any Notes not properly tendered will remain outstanding and continue to accrue interest;

4. that unless the Company defaults in the payment of the Change of Control Payment plus accrued and unpaid interest on all properly tendered Notes, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

5. that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the procedures of the Depository, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

6. until the close of business on the tenth Business Day after the date such notice is sent (or such later time and date as the Company may decide in its sole discretion) (such time and date, the “withdrawal deadline”), that Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; provided that the paying agent receives, not later than the withdrawal deadline, as electronic transmission (in PDF), a facsimile transmission or letter or other communication in accordance with the procedures of the Depository setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

7. that if less than all of such Holder’s Notes are tendered for purchase, such Holder will be issued new Notes (or, in the case of Global Notes, such Notes shall be reduced by such amount of Notes that the Holder has tendered) and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered (the unpurchased portion of the Notes must be equal to $2,000 or an integral multiple of $1,000 in excess thereof);

8. if such notice is sent prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control or such other conditions specified therein and describing each such condition, and, if applicable, stating that, in the Company’s discretion, the Change of Control Payment Date may be delayed until such time (including more than 60 days after the notice is mailed or delivered) as any or all such conditions shall be satisfied or waived, or that such purchase may not occur and such notice may be rescinded in the event that the Company reasonably believes that any or all such conditions (including the occurrence of such Change of Control) will not be satisfied or waived by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and

9. such other instructions, as determined by the Company, consistent with this Section 4.11, that a Holder must follow.
If a notice relating to a Change of Control Offer that is subject to one or more conditions precedent (other than the occurrence of a Change of Control) is later rescinded as described in clause (8) above as a result of the failure of such condition(s) to be satisfied or waived (or as a result of the Company reasonably believing that such will be the case), the offer described in such notice will not be deemed a valid “Change of Control Offer” for purposes of this Section 4.11.

The Company will not be required to make a Change of Control Offer following a Change of Control if (i) a third party approved in writing by the Company makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (ii) a notice of redemption to the Holders of the Notes has been given pursuant to this Indenture pursuant to Section 3.03 herein or (iii) in the event that upon the consummation of such Change of Control, the Company defeases or discharges the Notes as provided for under Article Eight herein. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party approved in writing by the Company making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 10 nor more than 60 days’ prior notice (except that such notice may be delivered or mailed more than 60 days prior to the redemption date or purchase date if the notice is subject to one or more conditions precedent as described therein and such date is delayed until such time as any and all such conditions are satisfied or waived), given not more than 60 days following such purchase pursuant to the Change of Control Offer described above, to redeem (with respect to the Company) or purchase (with respect to a third party) all of the Notes that remain outstanding following such purchase on a date (the “Second Change of Control Payment Date”) at a price in cash equal to the Change of Control Payment in respect of the Second Change of Control Payment Date, including, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Second Change of Control Payment Date, subject to the right of Holders of record of Notes on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the Second Change of Control Payment Date.

If an offer is made to repurchase the Notes pursuant to a Change of Control Offer pursuant to this covenant, the Company will comply with all tender offer rules under state and federal securities laws, including, but not limited to, Section 14(e) under the Exchange Act and Rule 14e-1 thereunder, to the extent applicable to such offer. To the extent that the provisions of any securities laws or regulations, including Section 14(e) of, and Rule 14e-1 under, the Exchange Act, conflict with the change of control provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the change of control provisions of this Indenture by virtue of such compliance.

A Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes and/or the Subsidiary Guarantees so long as the tender of Notes by a Holder is not conditioned upon the delivery of consents by such Holder. In addition, the Company or any third party approved in writing by the Company that is making the Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may, subject to applicable law, increase or decrease the Change of Control Payment (or decline to pay any early tender or similar premium) being offered to Holders at any time in its sole discretion, so long as the Change of Control Payment is at least equal to 101% of the aggregate principal amount of the Notes being repurchased, plus accrued and unpaid interest thereon.

(a) The Company shall file with the SEC and provide the Trustee and Holders of Notes with such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such Sections; provided, however, that the Company shall not be so obligated to file such information, documents and reports with the SEC if the SEC does not permit such filings but shall still be obligated to provide such information, documents and reports to the Trustee and the Holders of the Notes. Delivery of any such information, documents and reports to the Trustee is for informational purposes only and the ‘Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer’s Certificates). The Trustee shall have no liability or responsibility for the filing, timeliness, or content of such reports. The Trustee shall further not be obligated to monitor or confirm, on a continuing basis or otherwise, the Company’s compliance with its covenants or with respect to any reports or other documents filed with the SEC or posted to any website or participate in any conference calls.

(b) In addition, to the extent not satisfied by the foregoing, the Company shall furnish to prospective investors, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act for so long as the Notes are not freely transferable under the Securities Act.

(c) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly information required above shall include a reasonably detailed presentation, either on the face of the financial statements, in the footnotes thereto or in an “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(d) Notwithstanding the foregoing, (a) the obligations in this Section 4.12 may be satisfied by a parent of the Company; provided that to the extent such information relates to a parent of the Company, such information is accompanied by consolidating information, which may be unaudited, that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Subsidiaries on a stand-alone basis, on the other hand, and to the extent such information is in lieu of information required to be provided under this Section 4.12, such materials are accompanied by a report and opinion of an independent registered public accounting firm of nationally recognized standing, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any “going concern” or like qualification or exception or any qualification or exception as to the scope of such audit (other than any exception or explanatory paragraph, but not a qualification, that is expressly solely with respect to, or expressly resulting solely from, (i) an upcoming maturity date of any Indebtedness occurring within one year from the time such opinion is delivered or (ii) any potential inability to satisfy a financial maintenance covenant on a future date or in a future period) and (b) (i) in no event shall any financial statements or reports be required to comply with (w) Rule 3-10 of Regulation S-X promulgated by the SEC (or such other rule or regulation that amends, supplements or replaces such Rule 3-10, including for the avoidance of doubt, Rules 13-01 or 13-02 of Regulation S-X promulgated by the SEC), (x) Rule 3-09 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-09) or (y) Rule 3-16 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-16) and (ii) in no event shall such financial statements or reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein.

Section 4.13. Statement as to Compliance. The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the date hereof, a brief certificate of its principal executive officer, principal financial officer or principal accounting officer stating whether, to such officer’s knowledge, the Company is in compliance with all covenants and conditions to be complied with by it under this Indenture. For purposes of this Section 4.13, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

When a Default has occurred and is continuing or if the Trustee, any Holder or the trustee for or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Company shall deliver to the Trustee an Officers’ Certificate specifying such Default, notice or other action within 10 Business Days of its occurrence.
Section 4.14. **Waiver of Certain Covenants.** The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 4.02 to 4.11, Section 4.12(a) and Section 4.16, if the Holders of a majority in aggregate principal amount of the Notes at the time outstanding shall, by written direction of such Holders, waive such compliance in such instance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

Section 4.15.  **[Reserved].**  

Section 4.16. **Asset Sales.** 

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate, directly or indirectly, an Asset Sale (including (x) the sale or issuance of Equity Interests in a Restricted Subsidiary and (y) any Sale Leaseback) unless:

1. such Asset Sale is made for Fair Market Value; and
2. except in the case of a Permitted Asset Swap, a Sale Leaseback or the Disposition of a Multiplex theatre, in any such Asset Sale with a purchase price in excess of the greater of (x) $50,000,000 and (y) 5% of Consolidated EBITDA for the most recently ended Test Period, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales completed or contractually agreed upon since the Issue Date, received by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) Within 450 days after receipt of any Net Proceeds from any Asset Sale (the “Asset Sale Proceeds Application Period”), the Company or such Restricted Subsidiary, at its option, may apply an amount equal to the Net Proceeds from such Asset Sale (the “Applicable Proceeds”),

1. to the extent the assets or property disposed of in the Asset Sale constituted Collateral, to repay (i) Obligations under the Senior Credit Facilities, (ii) Obligations under the Existing First Lien Notes, (iii) Obligations under the First Lien Notes, (iv) Obligations under the Convertible Notes or (v) any Additional First Lien Obligations and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such First Lien Obligations repaid pursuant to this Section 4.16(b)(1) by redeeming Notes as provided under Section 3.08.

2. to the extent the assets or property disposed of in the Asset Sale did not constitute Collateral:

   i. to repay (w) Obligations under the Senior Credit Facilities, (x) Obligations under the Existing First Lien Notes, (y) Obligations under the First Lien Notes, or (z) any Additional First Lien Obligations and, in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such First Lien Obligations repaid pursuant to this Section 4.16(b)(2)(i) by redeeming Notes as provided under Section 3.08; or

   ii. to repay Obligations under any Senior Indebtedness (other than any Senior Indebtedness referred to in clause (2)(i) above) and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such Senior Indebtedness repaid pursuant to this Section 4.16(b)(2)(ii) by redeeming Notes as provided under Section 3.08; or

3. to invest in the business of the Company and its Subsidiaries (including any acquisition or other Investment permitted under this Indenture); or

4. any combination of the foregoing;
provided that, in the case of clause (3) above, a binding commitment or letter of intent shall be treated as a permitted application of the Applicable Proceeds from the date of such commitment or letter of intent so long as the Company or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds will be applied to satisfy such commitment or letter of intent within 180 days of the expiration of the Asset Sale Proceeds Application Period (an “Acceptable Commitment”) and such Applicable Proceeds are actually applied in such manner within 180 days of the expiration of the Asset Sale Proceeds Application Period (the period from the consummation of the Asset Sale to such date, the “Commitment Application Period”), and, in the event any Acceptable Commitment is later cancelled or terminated for any reason after the expiration of the Asset Sale Proceeds Application Period and before the Applicable Proceeds are applied in connection therewith, then such Applicable Proceeds shall constitute Excess Proceeds unless the Company or such Restricted Subsidiary reasonably expects to enter into another Acceptable Commitment prior to the expiration of the Asset Sale Proceeds Application Period and such Applicable Proceeds are actually applied in such manner prior to the expiration of the Commitment Application Period. To the extent Applicable Proceeds from an Asset Sale exceed amounts that are invested or applied as provided and within the time period set forth in Section 4.16(b), such excess amount will be deemed to constitute “Excess Proceeds”; provided that any amount of Applicable Proceeds offered to Holders of any Notes pursuant to clauses (1) or (2) above shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any Holders.

(c) Notwithstanding the foregoing, in the event the Asset Sale consists of any interest in a European Subsidiary (or the assets thereof), (a) up to $150 million of the Applicable Proceeds (less (x) any Applicable Proceeds that have been applied under this clause (a) in any prior Asset Sale to which this paragraph (c) applies and (y) any Obligations of such European Subsidiary incurred pursuant to Section 4.05(b)(xv)) (the “Threshold”) may be used for the purposes described in Section 4.16(b)(3), (b) 80% of the Applicable Proceeds in excess of the Threshold (the “European Asset Sale Debt Repayment Amount”) must be used for the purposes described in Section 4.16(b)(1) or (b)(2), as applicable; provided, however, that the European Asset Sale Debt Repayment Amount that is to be used to repay the Notes must be applied in accordance with Section 3.08 and (c) 20% of the Applicable Proceeds in excess of the Threshold may be used in any combination of the foregoing. The Company or any Restricted Subsidiary must apply the European Asset Sale Debt Repayment Amount for the purposes described in Section 4.16(b)(1) or (b)(2) within 15 days of the receipt of Applicable Proceeds that result in the European Asset Sale Debt Repayment Amount (less any amounts that have previously been applied under clause (b) of the preceding sentence) to exceed $50.0 million (a “European Asset Sale Mandatory Redemption Event”).

(d) Except with respect to an Asset Sale that consists of any interest in a European Subsidiary (or the assets thereof) described in the immediately preceding paragraph, if at any time the aggregate amount of Excess Proceeds exceeds $100.0 million (an “Asset Sale Mandatory Redemption Event”), then the Company shall (a) redeem the maximum aggregate principal amount of Notes (as determined in accordance with clauses (1) and (2) above) in accordance with the procedures described under Section 3.08 and, (b) if required or permitted by the terms of any other First Lien Obligations (including the Existing First Lien Notes) and/or, to the extent that the assets or property disposed of in the Asset Sale were not Collateral, Indebtedness that is pari passu in right of payment with the Notes (“Pari Passu Indebtedness”), within 20 Business Days of such Asset Sale Mandatory Redemption Event, offer to purchase the maximum aggregate principal amount (or accreted value, as applicable) (as determined in accordance with clauses (1) and (2) above) of such First Lien Obligations and/or Pari Passu Indebtedness, as applicable, out of the amount of the Excess Proceeds (in the case of any First Lien Obligations and/or Pari Passu Indebtedness, if applicable, in accordance with the documents governing such First Lien Obligations and/or Pari Passu Indebtedness) to the Holders of such First Lien Obligations and/or Pari Passu Indebtedness, as applicable (an “Asset Sale Offer”). The Company may satisfy the foregoing obligation with respect to such Applicable Proceeds from an Asset Sale by making an Asset Sale Offer in advance of being required to do so by this Indenture (an “Advance Offer”) with respect to all or part of the available Applicable Proceeds (the “Advance Portion”).

(e) If the aggregate principal amount (or accreted value, as applicable) of Notes redeemed pursuant to Section 4.16(d) and any First Lien Notes redeemed pursuant to a similar provision in the First Lien Notes Indenture, together with, if applicable, First Lien Obligations and/or Pari Passu Indebtedness, tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero (regardless of whether there are any remaining Excess Proceeds upon such completion), and in the case of an Advance Offer, the Advance Portion shall be excluded in subsequent calculations of Excess Proceeds.
(f) Pending the final application of an amount equal to the Applicable Proceeds pursuant to this Section 4.16, the Holder of such Applicable Proceeds may apply any Applicable Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility (including under the Senior Credit Facilities) or otherwise invest such Applicable Proceeds in any manner not prohibited by this Indenture. For the avoidance of doubt, the Company may apply any Retained Declined Proceeds in any manner not prohibited by this Indenture and such Retained Declined Proceeds shall in no event and under no circumstances constitute Excess Proceeds.

(g) Notwithstanding anything in this Indenture to the contrary, (i) to the extent that any of or all the Applicable Proceeds received by a Foreign Subsidiary are prohibited or delayed under any Requirements of Law from being repatriated to the Company, the portion of such Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Company (the Company hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Applicable Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16, and (ii) to the extent that and for so long as the Company has determined in good faith that repatriation of any of or all the Applicable Proceeds would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), the Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary; provided that when the Company determines in good faith that repatriation of any of or all the Applicable Proceeds received by a Foreign Subsidiary would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), such Applicable Proceeds shall be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16.

(h) For purposes of clause (a)(2) of this Section 4.16 (and no other provision), the following shall be deemed to be cash or Cash Equivalents:

1. the greater of the principal amount and carrying value of any liabilities (as reflected on the most recent balance sheet of the Company (or a Parent Entity) provided hereunder or in the footnotes thereto), or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the balance sheet of the Company (or Parent Entity) or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Secured Notes Obligations, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) pursuant to a written agreement which releases the Company or such Restricted Subsidiary from such liabilities;

2. any securities received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of the applicable Asset Sale; and

3. any Designated Non-Cash Consideration received by the Company or such Restricted Subsidiary in respect of such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (3) that is at that time outstanding, not in excess (at the time of receipt of such Designated Non-Cash Consideration) of 5% of Consolidated Total Assets for the most recently ended Test Period as of the time of receipt of such Designated Non-Cash Consideration, with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value.
The provisions of this Indenture relating to the Company’s obligation to redeem the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

Section 4.17. After-Acquired Collateral. From and after the Issue Date, and subject to the applicable limitations and exceptions set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if the Company or any Guarantor creates any additional security interest upon any property or asset that would constitute Collateral to secure any First Lien Obligations, the Company and each of the Guarantors shall concurrently grant a first-priority perfected security interest (subject to Permitted Liens) upon any such Collateral, as security for the Secured Notes Obligations.

ARTICLE V

Successors

Section 5.01. Merger, Consolidation, Amalgamation and Sale of All or Substantially All Assets. The Company shall not, consolidate or amalgamate with or merge with or into any other Person or sell, assign, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person unless at the time and after giving effect thereto:

(a) either: (i) the Company shall be the continuing corporation; or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance, transfer, lease or disposition the properties and assets of the Company substantially as an entirety (the “Surviving Entity”) shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and treated as a corporation for U.S. federal income tax purposes, and shall, in either case, expressly assume all the Obligations of the Company under the Notes, this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement, as applicable;

(b) immediately after giving effect to such transaction on a pro forma basis, no Default or Event of Default shall have occurred and be continuing;

(c) immediately after giving effect to such transaction and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, except in the case of the consolidation or merger of any Subsidiary with or into the Company, the Company (or the Surviving Entity if the Company is not the continuing corporation) will (i) be permitted to incur at least $1.00 of additional Indebtedness pursuant to (x) the Senior Leverage Ratio set forth in Section 4.05(a), (y) the First Lien Leverage Ratio set forth in Section 4.05(b)(i) (z) or (z) the Secured Leverage Ratio set forth in Section 4.05(b)(xxix) or (ii) have (x) a Senior Leverage Ratio, (y) a First Lien Leverage Ratio or (z) a Secured Leverage Ratio, in each case, equal to or less than the Senior Leverage Ratio, First Lien Leverage Ratio or Secured Leverage Ratio, as applicable, immediately prior to such transaction;

(d) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Surviving Entity are assets of the type that would constitute Collateral under the Security Documents, the Surviving Entity will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents;

(e) each Guarantor (unless it is the other party to the transactions above, in which case clause (a)(ii) shall apply) shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person’s obligations in respect of the Notes outstanding and this Indenture pursuant to supplemental indentures.
(f) In connection with any consolidation, merger, transfer or lease contemplated in Section 5.01(a), the Company shall deliver, or cause to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger, transfer or lease and the supplemental indenture in respect thereto comply with the provisions described herein and that all conditions precedent herein provided for or relating to such transaction have been complied with.

(g) In addition, the Company shall not permit any Guarantor to consolidate with or merge with or into any person (other than another Guarantor) and shall not permit the conveyance, transfer or lease of substantially all of the assets of any Guarantor unless:

(i) the resulting, surviving or transferee Person shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and such Person (if not such Guarantor) shall expressly assume all the obligations of such Guarantor under its Subsidiary Guarantee by supplemental indenture, executed and delivered to the Trustee, and joinders to the applicable Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(iv) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Guarantor are assets of the type that would constitute Collateral under the Security Documents, the Guarantor will promptly as reasonably practicable using commercially reasonable efforts take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; and

(v) the transaction is made in compliance with Section 4.16.

Section 5.02. Successor Substituted. Upon any consolidation or merger or any transfer of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor entity formed by such a consolidation or into which the Company is merged or to which such transfer is made shall succeed to, shall be substituted for and may exercise every right and power of the Company under the Notes and this Indenture, with the same effect as if such successor entity had been named as the Company herein. In the event of any transaction (other than a lease) described and listed in Section 5.01 in which the Company is not the continuing entity, the successor Person formed or remaining shall succeed to, be substituted for and may exercise every right and power of the Company, and the Company shall be discharged from all obligations and covenants under the Notes and this Indenture.
ARTICLE VI

(c) default in the performance, or breach, of any covenant or agreement of the Company or any Restricted Subsidiary contained in this Indenture or the Security Documents (other than a default in the performance, or breach, of a covenant or agreement which is specifically dealt with in Section 6.01(a) or (b)) and continuance of such default or breach for a period of 30 days after written notice shall have been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 30% in aggregate principal amount of the Notes then outstanding;

(d) (i) one or more defaults in the payment of principal on Indebtedness of the Company or any Restricted Subsidiary, in an aggregate amount of the greater of $250,000,000 or 25% of Consolidated EBITDA, when the same becomes due and payable at the stated maturity thereof, and such default or defaults shall have continued after any applicable grace period and shall not have been cured or waived or (ii) Indebtedness of the Company or any Restricted Subsidiary, in an aggregate amount of the greater of $250,000,000 or 25% of Consolidated EBITDA, shall have been accelerated or otherwise declared due and payable, or required to be prepaid or repurchased (other than by regularly scheduled payment) prior to the stated maturity thereof;

(e) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of the Company or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for the Company or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(f) the Company or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in paragraph (e) of this Section 6.01, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for the Company or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(g) one or more enforceable judgments for the payment of money in an aggregate amount in excess of the greater of (a) $250,000,000 and (b) 25% of Consolidated EBITDA for the most recently ended Test Period (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has not denied its obligation) shall be rendered against the Company, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of the Company or any Guarantor that are material to the businesses and operations of the Company and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

(h) (i) any Lien purported to be created under any Security Document (x) shall cease to be, or (y) shall be asserted by the Company or any Guarantor not to be, a valid and perfected Lien on any material portion of the Collateral, except (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) as a result of the failure of the Controlling Collateral Agent or Notes Collateral Agent to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (C) as to Collateral consisting of real property, to the extent that such losses are covered by a lender’s title insurance policy and such insurer has not denied coverage; and (ii) such default continues for 30 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in aggregate principal amount of the then outstanding Notes;
(i) any material provision of any Security Document or any Guarantee shall for any reason be asserted by the Company or any Guarantor not to be a legal, valid and binding obligation of the Company or such Guarantor other than as expressly permitted hereunder or thereunder; or

(j) except as permitted by this Indenture, the Guarantee of any Guarantor shall cease to be in full force and effect.

Section 6.02. Acceleration; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(e) or (f)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than 30% in aggregate principal amount of the Notes outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes to be due and payable. If an Event of Default specified in Section 6.01(e) or (f) occurs and is continuing, then the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Trustee shall have no obligation to accelerate the Notes if in the reasonable judgment of the Trustee, acceleration is not in the interest of the Holders.

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:

(A) all sums paid or advanced by the Trustee and the Notes Collateral Agent hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee and the Notes Collateral Agent, and their agents and counsel;

(B) all overdue interest on all Notes;

(C) the principal of (and premium, if any, on) any Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes; and

(D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes;

(ii) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) In the event of a declaration of acceleration in respect of the Notes because an Event of Default specified in Section 6.01(d) shall have occurred and be continuing, such declaration of acceleration shall be automatically annulled if the Indebtedness that is the subject of such Event of Default (i) is Indebtedness in the form of an operating lease entered into by the Company or its Subsidiaries after May 21, 1998 and required to be reflected on a consolidated balance sheet pursuant to EITF 97-10 or any subsequent pronouncement having similar effect, (ii) has been discharged or the holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness, and (iii) written notice of such discharge or rescission, as the case may be, shall have been given to the Trustee by the Company and countersigned by the holders of such Indebtedness or a trustee, fiduciary or agent for such holders, within 30 days after such declaration of acceleration in respect of the Notes, and no other Event of Default has occurred during such 30-day period which has not been cured or waived during such period.
Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 6.04. Waiver of Past Defaults. Subject to Section 6.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class by notice to the Trustee may waive an existing Default and its consequences under this Indenture and the Security Documents, except (a) a Default in the payment of the principal of or interest on a Note held by a non-consenting Holder, (b) a Default arising from a failure to make or consummate a Change of Control Offer in accordance with the provisions of Section 4.11, or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

Section 6.05. Control by Majority. Subject to the First Lien Intercreditor Agreement, Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or Notes Collateral Agent with respect to the Notes. However, the Trustee or the Notes Collateral Agent, as applicable may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee or Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent, as applicable in personal liability. Prior to taking any action hereunder, the Trustee shall be entitled to reasonable indemnification, in its sole discretion, against all losses and expenses caused by taking or not taking such action.

Section 6.06. Limitation on Suits. Subject to the First Lien Intercreditor Agreement, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting together as a single class shall have made a written request, and such Holder or Holders shall have offered, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys’ fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and

(c) the Trustee has failed to institute such proceeding and has not received from the Holders of at least a majority in aggregate principal amount of the Notes outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Notes for the enforcement of payment of the principal of or interest on such Notes on or after the applicable due date specified in such Note. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.
Section 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcement of the payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

Section 6.10. Priorities. Subject to the provisions of the First Lien Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Notes Collateral Agent, in each case for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys’ fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Notes.

Section 6.12. Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.
ARTICLE VII

Trustee

Section 7.01. Duties of Trustee

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person’s own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this subsection (c) does not limit the effect of subsection (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to this Indenture.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.
Section 7.02. Rights of Trustee. Subject to the provisions of Section 7.01:

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.

(b) Before the Trustee acts or refrains from acting, it may require an Officers’ Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers’ Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; provided, however, that the Trustee’s conduct does not constitute willful misconduct or negligence.

(e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys’ fees) that might be incurred by it in compliance with such request or direction.

(f) In no event shall the Trustee be responsible or liable for special, indirect, punitive, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.

(i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(j) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(k) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

Section 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04. Trustee’s Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Notes, it shall not be accountable for the Company’s use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee’s certificate of authentication.
Section 7.05.  Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06.  Reports by Trustee to Holders. As promptly as practicable after each December 31 beginning with December 31, 2020, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Section 313(b) and (c).

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee whenever the Notes become listed on any stock exchange and of any delisting thereof.

Section 7.07.  Compensation and Indemnity. The Company shall pay to the Trustee and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee’s compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all documented out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee’s agents, counsel, accountants and experts. The Company shall indemnify the Trustee against any and all loss, liability or expense (including documented attorneys’ fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee’s own willful misconduct or negligence. The Company need not pay for any settlement made by the Trustee without the Company’s consent, such consent not to be unreasonably withheld. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents, successors and assigns.

To secure the Company’s payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company’s payment obligations pursuant to this Section 7.07 shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(e) or (f) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 7.08.  Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

(a) the Trustee fails to comply with Section 7.10;

(b) the Trustee is adjudged bankrupt or insolvent;

(c) a receiver or other public officer takes charge of the Trustee or its property; or
(d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders a majority in aggregate principal amount of the Notes then outstanding and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Company’s obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated; any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least the minimum amount required by the TIA. The Trustee shall comply with TIA Section 310(b), subject to the penultimate paragraph thereof; provided, however, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

For purposes of this Section 7.10 and clause (i) of the first proviso contained in TIA Section 310(b), the indenture, dated as of June 5, 2015, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 5.75% Senior Subordinated Notes due 2025, the indenture, dated as of November 8, 2016, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 5.875% Senior Subordinated Notes due 2026 and the 6.375% Senior Subordinated Notes due 2024, the indenture, dated as of March 17, 2017, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 6.125% Senior Subordinated Notes due 2027 and the indenture, dated as of September 14, 2018, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 2.95% Convertible Senior Notes due 2024 are hereby deemed to be specifically described.
Section 7.11. **Preferential Collection of Claims Against Company.** The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

**ARTICLE VIII**

**Discharge of Indenture; Defeasance**

Section 8.01. **Discharge of Liability on Notes; Defeasance.**

(a) When (i) either (A) all outstanding Notes that have been authenticated (other than Notes replaced pursuant to Section 2.07 and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation or (B) all Notes under this Indenture that have not been delivered to the Trustee for cancellation have become due and payable, whether at the Maturity Date or upon redemption or will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article Three and the Company irrevocably deposits or causes to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium and accrued interest to the Maturity Date or redemption date; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Notes; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes issued thereunder at the Maturity Date or the redemption date, as the case may be, then upon demand of the Company (accompanied by an Officers’ Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Notes and the Liens on the Collateral securing the Notes will be released and the Trustee shall acknowledge satisfaction and discharge of this Indenture.

(b) Subject to Sections 8.01(c) and 8.02, the Company may, at its option, and at any time elect to (i) have the obligations of the Company discharged with respect to all outstanding Notes and the applicable Security Documents and all obligations of the Guarantors discharged with respect to their Subsidiary Guarantee, and have Liens on the Collateral securing the Notes released (“legal defeasance option”) or (ii) have the obligations of the Company and the Guarantors released under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.16, 4.17, 5.01(b), 5.01(c), 5.01(d), 5.01(e), 5.01(f) and 5.01(g) (“covenant defeasance option”). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(c), (d), (e) (solely with respect to Restricted Subsidiaries), (f) (solely with respect to Restricted Subsidiaries), (g), (h), (i) and (j).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding subsections (a) and (b) above, the Company’s obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.01, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06 shall survive until the Notes have been paid in full. Thereafter, the Company’s obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

Section 8.02. **Conditions to Defeasance.** The Company may exercise its legal defeasance option or its covenant defeasance option only if:

79
(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article Eight applicable to it) as trust funds in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee) to pay the principal of (and premium, if any) and interest on the outstanding Notes on the Maturity Date (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; provided that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Notes. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Notes at a future date in accordance with Article Three;

(b) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that
(i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or
(ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(c) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(d) No Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit; and

(e) the Company delivers to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article Eight have been complied with.

Section 8.03. Application of Trust Money.

The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article Eight. It shall apply the deposited money and the money from Government Securities, through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04. Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

Section 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities, or the principal and interest received on such Government Securities, other than such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.
**Section 8.06. Reinstatement.** If the Trustee or Paying Agent is unable to apply any money, Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company’s obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article Eight; provided, however, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

**ARTICLE IX**

**Section 9.01. Without Consent of Holders.** The Company, any Guarantor (with respect to its Subsidiary Guarantee, this Indenture, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or the Security Documents to which it is a party and excluding any amendment or supplement the sole purpose of which is to add an additional Guarantor), the Trustee and the Notes Collateral Agent, without the consent of any Holders, may amend the Notes, the Subsidiary Guarantee, this Indenture, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or the Security Documents, for any of the following purposes:

(i) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee, a successor Notes Collateral Agent or a successor paying agent hereunder pursuant to the requirements hereof;

(k) to add a Guarantor, a guarantee of a Parent Entity or a co-obligor of the Notes under this Indenture, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents;

(l) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(m) to add Collateral with respect to any or all of the Notes and/or the Subsidiary Guarantees;
(n) to release any Guarantor from its Subsidiary Guarantee pursuant to this Indenture when permitted or required by this Indenture;

(o) to release any Collateral from the Lien securing the Notes when permitted or required by the Security Documents, this Indenture (including pursuant to Section 4.07(b) and including any release of any Lien that is not then otherwise required by this Indenture to be pledged as security for the Notes) or the First Lien Intercreditor Agreement;

(p) to comply with the rules of any applicable securities depositary;

(q) to add any Additional First Lien Secured Parties to any Security Documents or the First Lien Intercreditor Agreement or add any junior lien secured parties to any First Lien/Second Lien Intercreditor Agreement;

(r) in the case of any Security Document, to include therein any legend required to be set forth therein pursuant to the First Lien Intercreditor Agreement or any First Lien/Second Lien Intercreditor Agreement, or to modify any such legend as required by the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement;

(s) with respect to the Security Documents, the First Lien Intercreditor Agreement and First Lien/Second Lien Intercreditor Agreement, as provided in the relevant Security Document, First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable; or

(t) to provide for the succession of any parties to the Security Documents, the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement (and any amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the Senior Credit Facilities or any other agreement that is not prohibited by this Indenture.

Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture or security documents or intercreditor agreements authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and/or the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or security documents or intercreditor agreements that affect its own rights, duties or immunities under this Indenture or otherwise.

After an amendment under this Section 9.01 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

Section 9.02. With Consent of Holders. The Company, the Guarantors and the Trustee and the Notes Collateral Agent may modify or amend this Indenture, the Notes, any Subsidiary Guarantee, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and the other Security Documents and may waive any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, any Subsidiary Guarantee, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or any Security Document, in each case, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including any consents or waivers obtained in connection with a purchase of, or tender offer (including a Change of Control Offer) or exchange offer for, the Notes). However, without the consent of each Holder affected thereby, a modification or amendment may not:

(a) change the Maturity Date of the principal of, or the time for payment of any installment of interest on, any Notes, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Notes or any premium or the interest thereon is payable;

82
reduce the amount of, or change the coin or currency of, or impair the right to institute suit for the enforcement of, the Change of Control Payment;

(c) amend the contractual right expressly set forth in this Indenture or any Note of any Holder to institute suit for the enforcement of any payment of principal of, premium, if any, or interest on such Note on or after the stated maturity or redemption date of any such Notes;

(d) reduce the percentage in principal amount of the outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture; or

(e) modify any of the provisions of this Section 9.02 or Sections 6.04, 6.05, 6.07 or 4.14, except to increase the percentage of outstanding Notes the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Secured Notes Obligations or (B) change or alter the priority of the Liens securing the Secured Notes Obligations in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture or the Security Documents.

Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company in the execution of such amended or supplemental indenture or security documents or intercreditor agreements unless such amended or supplemental indenture or security documents or intercreditor agreements directly affect the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

In addition, Holders will be deemed to have consented for purposes of the Security Documents and the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, and the Notes Collateral Agent and the Trustee will be authorized, to amend or supplement the Security Documents to add additional secured parties to the extent Liens securing Indebtedness and other Obligations held by such parties are permitted under this Indenture. In executing any such amendment, supplement, consent or waiver to the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement or Security Document or in entering into a new intercreditor agreement or Security Document, the Trustee and Notes Collateral Agent shall be entitled to receive and (subject to their duties set forth in this Indenture) shall be fully protected in relying upon an Officers’ Certificate stating that the execution of such amendment, supplement, consent or waiver or new agreement is authorized or permitted by the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable, and/or Security Document, as the case may be, and complies with the provisions thereof and of this Indenture. Notwithstanding anything in this Indenture to the contrary, no opinion of counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

After an amendment under this Section 9.02 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.
Section 9.03. [Reserved]

Section 9.04. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder’s Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder’s Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date.

For all purposes of this Indenture, all Initial Notes and Additional Notes shall vote together as one series of Notes under this Indenture.

Section 9.05. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver such Note to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return such Note to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

Section 9.06. Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent shall sign any amendment authorized pursuant to this Article Nine if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it, in its sole discretion, and to receive, in addition to the documents required by Section 13.04 and (subject to Section 7.01) shall be fully protected in relying upon and shall be entitled to receive, an Officers’ Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture. Notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

Guarantee

Section 11.01. Subsidiary Guarantee. Subject to the provisions of this Article Eleven, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Company under this Indenture and the Notes (including, without limitation, any interest, fees or expenses accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding, whether or not such interest, fees or expenses is an allowed claim under applicable state, federal or foreign law and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the “Guarantor Obligations”). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article Eleven notwithstanding any extension or renewal of any Guarantor Obligation.
Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Notes or the Guarantor Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Subject to the provisions of Section 4.10, each Guarantor agrees that its Subsidiary Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Subsidiary Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section 11.01.
Section 11.02. Execution and Delivery. To further evidence its Subsidiary Guarantee, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to (x) execute this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, execute a supplement to this Indenture, substantially in the form of Exhibit D hereto and deliver it to the Trustee. Concurrently with the execution and delivery of (x) this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, any supplemental indenture to this Indenture, each Guarantor who executes such supplemental indenture agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

Each of the Guarantors hereby agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Subsidiary Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor’s Subsidiary Guarantee of such Note shall nevertheless be valid.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Subsidiary Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.03. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any Guarantees under the Senior Credit Facilities) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Each Guarantor shall be automatically and unconditionally released and discharged from its obligations under this Indenture and its Subsidiary Guarantee and such Subsidiary Guarantee shall be automatically and unconditionally terminate, and no further action by such Guarantor, the Company or the Trustee is required for the release of such Guarantor or the termination of such Subsidiary Guarantee:

(i) upon any sale, exchange, issuance, transfer or other disposition (by merger, consolidation, amalgamation, dividend, distribution or otherwise) of (x) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or (y) all or substantially all of the assets of such Guarantor to a Person that is not the Company or a Guarantor, in each case, if such sale, exchange, issuance, transfer or other disposition is made in compliance with the applicable provisions of this Indenture (including any amendments thereof);

(ii) upon such Guarantor becoming an Excluded Subsidiary;

(iii) upon the designation of such Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture;

(iv) upon the Company exercising its legal defeasance option or covenant defeasance option in accordance with Article Eight or the Company’s obligations under this Indenture being discharged in accordance with the terms of this Indenture;

(v) upon the merger, amalgamation, consolidation or winding up of such Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding up, or upon the liquidation of such Guarantor; or

86
RIGHT OF CONTRIBUTION

Section 11.04. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 11.05. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

ARTICLE XII

Collateral

Section 12.01. Security Documents.

(a) The due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Obligations of the Company and the Guarantors to the Holders or the Trustee under this Indenture, the Notes, the Subsidiary Guarantees and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Secured Notes Obligations, subject to the terms of the Intercreditor Agreements. The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Notes Collateral Agent to enter into the Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement on the Issue Date and to perform its obligations and exercise its rights thereunder in accordance therewith. In the event of conflict between an Intercreditor Agreement and any of the other Security Documents, the applicable Intercreditor Agreement shall control. Each Holder, by its acceptance of a Note, (a) agrees that it will be subject to and bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement and (b) authorizes and instructs the Notes Collateral Agent to enter into the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement on the Issue Date as the Notes Collateral Agent, on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 12.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company and the Guarantors shall, at their sole expense, take all actions and make all filings (including filing Uniform Commercial Code (including amendments and continuation statements) and other financing statements, mortgages and deeds of trust) that may be required under applicable law, or that the Trustee or the Notes Collateral Agent may reasonably request, in order to ensure the creation, perfection and priority (or continuance thereof), as security for the Obligations of Company and the Guarantors to the secured parties under this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreements and the Security Documents, of a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreements and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Holders and the Trustee subject to no Liens other than Permitted Liens.
It is understood and agreed that prior to the Discharge of First Lien Obligations that are Credit Agreement Obligations, to the extent that the First Lien Collateral Agent is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to the Collateral or makes any determination in respect of any matters relating to the Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any Subsidiary (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the Senior Credit Facilities), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents and the judgment of the First Lien Collateral Agent in respect of any such matters under the Senior Credit Facilities shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.

Section 12.02. Release of Collateral.

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements and this Indenture. Notwithstanding anything to the contrary in the Security Documents, the Intercreditor Agreements and this Indenture, the Company and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the Subsidiary Guarantees under any one or more of the following circumstances:

(i) upon consummation of the sale, transfer or other disposition of such Collateral by the Company or a Guarantor to any Person other than the Company or a Guarantor, to the extent such sale, transfer or other disposition is not prohibited under this Indenture;

(ii) in the case of a Guarantor that is released from its Subsidiary Guarantee pursuant to the terms of this Indenture, with respect to the property and other assets of such Guarantor, upon the release of such Guarantor from its Subsidiary Guarantee;

(iii) with respect to Collateral that is Capital Stock, upon (i) the dissolution or liquidation of the issuer of that Capital Stock that is not prohibited by this Indenture or (ii) upon the designation by the Company of such issuer of Capital Stock as an Unrestricted Subsidiary under this Indenture;

(iv) with respect to any Collateral that becomes an “Excluded Asset,” upon it becoming an Excluded Asset;

(v) in accordance with Section 4.07(b);

(vi) to the extent the Liens on the Collateral securing the Credit Agreement Obligations are released by the First Lien Collateral Agent (other than any release by, or as a result of, payment of the Credit Agreement Obligations), upon the release of such Liens;

(vii) in connection with any enforcement action taken by the Controlling Collateral Agent in accordance with the terms of the First Lien Intercreditor Agreement; or
(viii) as described under Article Nine.

(b) The Liens on the Collateral securing the Notes and the Subsidiary Guarantees also shall automatically and without the need for any further action by any Person be terminated and released:

(i) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations in respect of the Notes under this Indenture, the Subsidiary Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid;

(ii) upon a legal defeasance or covenant defeasance with respect to the Notes under this Indenture as described below under Sections 8.01(b) and 8.02, or a satisfaction and discharge of this Indenture as described under Section 8.01(a); or

(iii) pursuant to the First Lien Intercreditor Agreement and the Security Documents with respect to the Notes.

(c) In addition, any Lien on any Collateral may be (i) released or subordinated to the holder of any Lien on such Collateral that is created, incurred or assumed pursuant to clauses (iv), (viii)(A) or (xxii) of the definition of “Permitted Liens” to the extent required by the terms of the obligations secured by such Liens and (ii) subordinated to any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement is permitted by Section 4.07.

(d) With respect to any release of Collateral, upon receipt of an Officers’ Certificate stating that all conditions precedent under this Indenture and the Security Documents to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company’s expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents and shall do or cause to be done (at the Company’s expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers’ Certificate, and notwithstanding any term hereof or in any Security Document to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officers’ Certificate.

Section 12.03. Suits to Protect the Collateral.

Subject to the provisions of Article Seven and the Security Documents, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the Security Documents; and

(b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.
Section 12.04. Authorization of Receipt of Funds by the Trustee Under the Security Documents.

Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.05. Purchaser Protected.

In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article Twelve to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

Section 12.06. Power Exercisable by Receiver or Trustee.

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 12 upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article Twelve; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 12.07. Certain Limits on Collateral.

Notwithstanding anything in this Indenture or any other Security Document, it is understood and agreed that:

(a) Liens required to be granted from time to time pursuant to this Indenture shall be subject to exceptions and limitations set forth in the Security Documents as in effect on the Issue Date;

(b) control agreements or other control or similar arrangements shall not be required with respect to deposit accounts, securities accounts, commodities accounts or other assets specifically requiring perfection by control agreements (other than certain certificated securities);

(e) no actions in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction shall be required to be taken to create any security interests in assets located or titled outside of the United States (including any Equity Interests of any Foreign Subsidiaries and foreign intellectual property) or to perfect or make enforceable any security interests in any such assets (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction);

(f) neither the Company nor any Guarantor shall be required to deliver or obtain any landlord lien waivers, estoppel certificates or collateral access agreements or letters.
Section 12.08. **Notes Collateral Agent**

(a) The Company and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Company and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.08. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person’s Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a “Related Person”), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor’s Affiliates.
(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Company or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its reasonable satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take only such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article Six or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 12.08).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Company (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Company pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 12.08 shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) The Trustee shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, including joinders and supplements thereto, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.
(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article Six, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) The Notes Collateral Agent is each Holder’s agent for the purpose of perfecting the Holders’ security interest in assets which, in accordance with Article Nine of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent’s instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent’s Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor’s property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Security Documents.

(l) If the Company or any Guarantor (i) incurs any obligations in respect of junior priority obligations at any time when no First Lien/Second Lien Intercreditor Agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officers’ Certificate so stating and requesting the Notes Collateral Agent to enter into the First Lien/Second Lien Intercreditor Agreement in favor of a designated agent or representative for the holders of the junior priority obligations so incurred, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Company, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; provided that neither an Officer’s Certificate nor an Opinion of Counsel shall be required pursuant to this Section 12.08(l) in connection with the applicable Intercreditor Agreements (including pursuant to a joinder thereto) to be entered into.

(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity reasonably satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause (m) if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.
(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Company or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party there to; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee’s sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an “owner or operator” under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee’s actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.
Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a “Security Document Order”), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document or amendment or supplement thereto, to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 12.08(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document or amendment or supplement thereto. Any such execution of a Security Document or amendment or supplement thereto shall be at the direction and expense of the Company, upon delivery to the Notes Collateral Agent of an Officer’s Certificate stating that all conditions precedent to the execution and delivery of the Security Document or amendment or supplement thereto have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents or amendment or supplement thereto.

Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable.

After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent may not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.
(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Company or the Guarantors, it may require an Officer’s Certificate, which shall conform to the provisions of this Section 12.08 and Sections 13.04 and 13.05; provided that no Officer’s Certificate shall be required in connection with the Security Documents, the First Lien Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement to be entered by the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Security Documents, and shall solely act pursuant to the instructions of the Holders and the Trustee with respect to the Security Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents were named as this Indenture herein.

If a regular record date is a Legal Holiday, the record date shall not be affected.

Section 13.10. **No Recourse Against Others.** A director, officer, employee or stockholder, as such, of the Company and the Guarantors shall not have any liability for any obligations of the Company or the Guarantors under the Notes or this Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. II. THE NOTES

2.1 Form and Dating. (a) The Initial Notes issued on the date hereof will be privately placed by the Company pursuant to the terms and provisions of the Offering Memorandum and any Additional Notes will be offered and sold by the Company, from time to time, pursuant to one or more purchase agreements. Unless registered or exempt from registration under the Securities Act, the Initial Notes and any Additional Notes will be resold, initially only to QIBs in reliance on Rule 144A, institutions which are an “accredited investor” within the meaning of subparagraphs (a)(1), (2), (3) or (7) of Rule 501 under the Securities Act and to non-U.S. persons in reliance on Regulation S. Initial Notes and Additional Notes so issued may thereafter be transferred to, among others, QIBs, institutional “accredited investors” and purchasers in reliance on Regulation S, subject to the restrictions on transfers set forth herein.

(b) Global Notes. Each series of Rule 144A Notes shall be issued initially in the form of one or more permanent global notes in fully registered form (the “Rule 144A Global Note”), Regulation S Notes shall be issued initially in the form of one or more global Regulation S Global Notes (the “Regulation S Global Note”) and IAI Notes shall be issued initially in the form of one or more global IAI Global Notes (the “IAI Global Note”), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Securities Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. The Rule 144A Global Note, IAI Global Note and the Regulation S Global Note are each referred to herein as a “Global Note” and are collectively referred to herein as “Global Notes.” The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominees and on the schedules thereto as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

A-2
The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and pursuant to an order of the Company, authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of the Depository and (b) shall be delivered by the Trustee to the Depository pursuant to instructions of the Depository, or held by the Securities Custodian.

Members of, or participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Securities Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of the Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) **Definitive Notes.** Except as provided in Section 2.3, owners of beneficial interests in Global Notes will not be entitled to receive physical delivery of certificated Notes.

2.2 **Authentication.** The Trustee shall authenticate and deliver: (a) Initial Notes for original issue in an aggregate principal amount of $100,000,000, (b) any Additional Notes, if and when issued pursuant to this Indenture; in each case upon a written order of the Company signed by two Officers. Such order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes or Additional Notes.

2.3 **Transfer and Exchange.** (a) **Transfer and Exchange of Definitive Notes.** When Definitive Notes are presented to the Registrar or a co-registrar with a request:

(i) to register the transfer of such Definitive Notes; or

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; **provided, however,** that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co-registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) are being transferred, or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect; or

(C) if such Definitive Notes are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904, (i) a certification to that effect and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).
(b) **Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.** A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) certification (in the form set forth on the reverse side of the Initial Note) that such Definitive Note is being transferred
(1) to a QIB in accordance with Rule 144A, (2) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act or (3) to an institution that is an IAI, which certification shall be accompanied by a signed letter substantially in the form of Exhibit B; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Note represented by the Global Note, such instructions to contain information regarding the Depository to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers’ Certificate, a new Global Note in the appropriate principal amount.

(c) **Transfer and Exchange of Global Notes.**

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the procedures of the Depository containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note or IAI Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor depository or a nominee of such successor depository.
In the event that a Global Note is exchanged for Notes in definitive registered form pursuant to Section 2.4, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Initial Notes or Additional Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

In addition, in the case of a transfer of a beneficial interest in a Regulation S Global Note, or a Rule 144A Global Note for an interest in an IAI Global Note, the transferee must furnish a signed letter substantially in the form of Exhibit C to the Trustee.

Restrictions on Transfer of Regulation S Global Note. (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Notes to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

Legend.

Except as permitted by the following clauses (ii) and (iii), each certificate evidencing the Global Notes and the Definitive Notes and the Regulation S Global Note (prior to the expiration of the Distribution Compliance Period) (and all Notes issued in exchange therefor or in substitution thereof), shall bear a legend in substantially the following form:

(B) in the case of any Transfer Restricted Note that is represented by a Global Note, the Registrar shall permit the beneficial owner thereof to exchange such Transfer Restricted Note for a beneficial interest in a Global Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note, in either case, if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144 or in reliance on an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 (such certification to be in the form set forth on the reverse of the Initial Note).

(iii) Upon a sale or transfer after the expiration of the Distribution Compliance Period of any Initial Note acquired pursuant to Regulation S, all requirements that such Initial Note bear any Restricted Notes Legend shall cease to apply and the requirements requiring any such Initial Note be issued in global form shall continue to apply.

(f) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for certificated or Definitive Notes, redeemed, repurchased or canceled, such Global Note shall be returned by the Depository to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for certificated or Definitive Notes, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

(g) Obligations with Respect to Transfers and Exchanges of Notes.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate certificated Notes, Definitive Notes and Global Notes at the Registrar’s or co-registrar’s request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchange or registration of transfer pursuant to Sections 3.06, 4.11 and 9.05 of this Indenture).

(iii) The Registrar or co-registrar shall not be required to register the transfer of or exchange of any Note for a period beginning 10 days before the mailing of a notice of redemption or an offer to repurchase Notes or 10 days before an interest payment date.

(iv) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent, the Registrar or any co-registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent, the Registrar or any co-registrar shall be affected by notice to the contrary.

(v) All Notes issued upon any registration of transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.
No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or any other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

2.4 Certificated Notes.

(a) Any Global Note deposited with the Depository or with the Trustee as Securities Custodian pursuant to Section 2.1(b) shall be transferred to the beneficial owners thereof in the form of certificated Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if (i) the Depository notifies the Company that it is unwilling or unable to continue as a depository for such Global Note or if at any time the Depository ceases to be a “clearing agency” registered under the Exchange Act, and a successor depositary is not appointed by the Company within 90 days of such notice, or (ii) a Default or an Event of Default has occurred and is continuing under this Indenture or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of certificated Notes under this Indenture.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee located in the Borough of Manhattan, The City of New York, to be so transferred, in whole or from time to time in part, without charge (although the Company may require payment of a sum sufficient to cover any tax or governmental charge imposed in connection therewith), and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of certificated Notes of authorized denominations. IN WITNESS WHEREOF, the parties have caused this instrument to be duly executed as of the day of .
1. **Interest.** AMC Entertainment Holdings, Inc., a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Company will pay interest semiannually, in arrears, on June 15 and December 15 of each year, commencing December 15, 2020, in immediately available funds. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. **Method of Payment**

The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the June 1 or December 1 next preceding the interest payment date even if the Notes are canceled after the record date and on or before the interest payment date. Holders must surrender the Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company (the “Depository”). The Company will make all payments in respect of a certificated Note (including principal, premium and interest) by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Notes may also be made, in the case of a Holder of at least $2,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. **Paying Agent and Registrar**

Initially, U.S. Bank National Association, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

4. **Indenture**

The Company issued the Notes under an Indenture dated as of July 31, 2020 (the “Indenture”), among the Company, the Guarantors party thereto from time to time, the Trustee and the Notes Collateral Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. 77aaa-77bbbb) as in effect on the date of the Indenture (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of those terms.

The Notes are senior secured obligations of the Company and can be issued in an initial amount of up to $100,000,000 and additional amounts as part of the same series under the Indenture which are unlimited (subject to Sections 2.01 and 2.10 of the Indenture). The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to, among other things, incur additional indebtedness, pay dividends or make distributions in respect of their capital stock, purchase or redeem capital stock, enter into transactions with stockholders or certain affiliates, create liens or consolidate, merge or sell all or substantially all of the Company’s assets. These limitations are subject to significant exceptions.
5. **Mandatory Redemption.**

The Company shall only be required to make a mandatory redemption with respect to the Notes as provided in Sections 3.07, 3.08 and 4.16 of the Indenture.

6. **Optional Redemption.**

Except as set forth herein, the Notes may not be redeemed prior to June 15, 2022. On and after that date, the Company may redeem the Notes in whole at any time or in part from time to time at the following redemption prices (expressed in percentages of principal amount), plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption), if redeemed during the 12-month period beginning on June 15 of the years set forth below:

Prior to June 15, 2022 the Company may on any one or more occasions redeem up to 35% of the original aggregate principal amount of the Notes at a redemption price of 110.500% of the principal amount thereof with the net cash proceeds of one or more Equity Offerings, plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); **provided** that:

1. at least 65% of the original aggregate principal amount of the Initial Notes remains outstanding after each such redemption; and
2. the redemption occurs within 120 days after the closing of such Equity Offering.

In addition, at any time and from time to time prior to June 15, 2022, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of such redemption must be sent to Holders of the Notes called for redemption not less than 10 or more than 60 days prior to the redemption date. The notice need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.

The Company may redeem the Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different redemption dates and, with respect to redemptions that occur on the same date, may specify the order in which such redemptions are deemed to occur. In addition, notice of any redemption of, or any offer to purchase, the Notes may, at the Company’s discretion, be given in connection with an Equity Offering, other transaction (or series of related transactions) or an event that constitutes a Change of Control and prior to the completion or the occurrence thereof, and any such redemption or purchase may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related Equity Offering, transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company’s discretion, the redemption date or purchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was mailed or delivered, including by electronic transmission) as any or all such conditions shall not have been satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date or purchase date or by the redemption date or purchase date as so delayed, or such notice or offer may be rescinded at any time in the Company’s discretion if the Company reasonably believes that any or all of such conditions will not be satisfied or waived. In addition, the Company may provide in such notice or offer that payment of the redemption or purchase price and performance of the Company’s obligations with respect to such redemption or offer to purchase may be performed by another Person.
If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Notes are registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

7. **Sinking Fund**

The Notes are not subject to any sinking fund.

8. **Notice of Redemption**

Notice of redemption shall be sent to the holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each holder of Notes to the address of such holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 10 nor more than 60 days prior to the redemption date; provided that, in the case of an Asset Sale Mandatory Redemption or a European Asset Sale Mandatory Redemption, such notice must be sent not less than 5 days prior to the Asset Sale Mandatory Redemption Date or European Asset Sale Mandatory Redemption Date, as applicable. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Notes in denominations larger than $2,000 may be redeemed in part but only in integral multiples of $1,000. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

9. **Repurchase at the Option of Holders upon Change of Control**

Upon a Change of Control, the Company will be required to make an offer, subject to certain conditions specified in the Indenture, to repurchase all the Notes of each Holder at a purchase price equal to 101% of the principal amount of Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

10. **Denominations; Transfer; Exchange**

The Notes are in registered form in minimum denominations of $2,000 and integral multiples of $1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Note for a period of 10 days prior to a selection of Notes to be redeemed or 10 days before an interest payment date.

11. **Persons Deemed Owners**

The registered Holder of this Note may be treated as the owner of it for all purposes.
12. **Unclaimed Money**

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

13. **Discharge and Defeasance**

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

14. **Amendment, Supplement and Waiver**

The Indenture, the Notes or the Subsidiary Guarantees may be amended or supplemented as provided in the Indenture.

15. ** Defaults and Remedies**

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding, subject to certain limitations, may declare all the Notes to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Notes being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. The Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.

16. ** Security**

The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Notes Collateral Agent to enter into the Security Documents on the Issue Date, and at any time after Issue Date, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

17. **Trustee Dealings with the Company**

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. **No Recourse Against Others**

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.
19. **Authentication**

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. **Abbreviations**

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. **Governing Law**

THE INDENTURE, THIS NOTE AND THE SUBSIDIARY GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. **ISINs and CUSIP Numbers**

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISINs and/or CUSIP numbers to be printed on the Notes and has directed the Trustee to use ISINs and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

A Holder of Notes may upon written request and without charge to the Holder receive a copy of the Indenture which has in it the text of this Note. Requests may be made to: Kevin M. Connor, General Counsel, One AMC Way, 11500 Ash Street, Leawood, Kansas 66211.

ARTICLE 2
THE SECURITIES

Section 2.01. Form and Dating. The Securities and the Trustee’s certificate of authentication shall be substantially in the form set forth in Exhibit A, which is incorporated in and forms a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule or usage; provided that such notations, legends or endorsements are in a form acceptable to the Company. Each Security shall be dated the date of its authentication.

$450,000,000 in aggregate principal amount of the SL Securities shall initially be issued in the form of Global Securities and $150,000,000 in aggregate principal amount of the SL Securities shall initially be issued in the form of Physical Securities in each case, if applicable, bearing any legends required by Section 2.17. Physical Securities may be issued in exchange for Global Securities pursuant to Section 2.15. Physical Securities may be issued in exchange for interests in a Global Security solely pursuant to Section 2.06.

So long as the Securities, or portion thereof, are eligible for book-entry settlement with the Depository, unless otherwise required by law, subject to Section 2.15, such Securities may be represented by one or more Securities in global form registered in the name of the Depository or the nominee of the Depository (“Global Securities”). The transfer and exchange of beneficial interests in any such Global Securities shall be effected through the Depository in accordance with this Indenture and the Applicable Procedures.

(a) Initial Securities. $450,000,000 in aggregate principal amount of the SL Securities shall initially be issued in the form of Global Securities and $150,000,000 in aggregate principal amount of the SL Securities shall initially be issued in the form of Physical Securities in each case, if applicable, bearing any legends required by Section 2.17. Physical Securities may be issued in exchange for Global Securities solely pursuant to Section 2.15. Physical Securities may be exchanged for interests in a Global Security pursuant to Section 2.06.

(b) Global Securities Generally. Any Global Securities shall represent such of the outstanding Securities as shall be specified therein and shall provide that it shall represent the aggregate amount of outstanding Securities from time to time endorsed thereon and that the aggregate amount of outstanding Securities represented thereby may from time to time be increased or reduced to reflect issuances, repurchases, conversions, transfers or exchanges permitted hereby. Any endorsement of a Global Security to reflect the amount of any increase or decrease in the amount of outstanding Securities represented thereby shall be made by the Trustee or the custodian for the Global Security, at the written direction of the Trustee, in such manner and upon instructions given by the Holder of such Securities in accordance with this Indenture. Payment of principal of, and interest on, any Global Securities (including the Fundamental Change Repurchase Price or Redemption Price, if applicable) shall be made to the Depository in immediately available funds. The Company initially appoints the Trustee to act as the Depository’s custodian with respect to the Global Securities. The Company has entered into a letter of representations with the Depository in the form provided by the Depository and the Trustee and each Securities Agent are hereby authorized to act in accordance with such letter and the Applicable Procedures.
Section 2.02. **Execution and Authentication.** One duly authorized Officer shall sign the Securities for the Company by manual or facsimile signature.

A Security’s validity shall not be affected by the failure of an Officer whose signature is on such Security to hold, at the time the Security is authenticated, the same office at the Company.

A Security shall not be valid until duly authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

Upon a Company Order, the Trustee shall authenticate Securities for original issue in the aggregate principal amount of $600,000,000. The aggregate principal amount of Securities outstanding at any time may not exceed $600,000,000, subject to the immediately succeeding paragraph and except for Securities authenticated and delivered in lieu of lost, destroyed or wrongfully taken Securities pursuant to Section 2.07.

The Company may not, without the consent of Holders of 100% in aggregate principal amount of the outstanding Securities, increase the aggregate principal amount of Securities by issuing additional Securities in the future (except for Securities authenticated and delivered upon registration of transfer or exchange for or in lieu of other Securities pursuant to Sections 2.06, 2.07, 2.10, 2.15, 2.16, 2.17, 3.01(h), 10.02(f) and 13.06).

Upon a Company Order, the Trustee shall authenticate Securities, including Securities not bearing the Security Private Placement Legend, to be issued to the transferees when sold pursuant to an effective registration statement under the Securities Act as set forth in Section 2.16(b) or when not otherwise required under this Indenture to bear the Security Private Placement Legend.

The Trustee shall act as the initial authenticating agent. Thereafter, the Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such authenticating agent. An authenticating agent so appointed has the same rights as a Securities Agent to deal with the Company and its Affiliates.

If a Company Order pursuant to this Section 2.02 has been, or simultaneously is, delivered, then any instructions by the Company to the Trustee with respect to endorsement, delivery or redelivery of a Security that is a Global Security shall be in writing. The Securities shall be issuable only in registered form without interest coupons and only in minimum denominations of $1,000 principal amount and any integral multiple thereof.
Section 2.03. **Registrar, Paying Agent and Conversion Agent.** The Company shall maintain, or shall cause to be maintained, (i) an office or agency where Securities may be presented for registration of transfer or for exchange ("Registrar"), (ii) an office or agency where Securities may be presented for payment ("Paying Agent") and (iii) an office or agency where Securities may be presented for conversion ("Conversion Agent"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may appoint or change one or more co-registrars, one or more additional paying agents and one or more additional conversion agents, subject to providing written notification to the Trustee of any such new registrar, paying agent or conversion agent, and may act in any such capacity on its own behalf. The term "Registrar" includes any co-registrar; the term "Paying Agent" includes any additional paying agent; and the term "Conversion Agent" includes any additional conversion agent.

The Company shall use reasonable best efforts to enter into an appropriate agency agreement with any Securities Agent not a party to this Indenture, if any. Such agency agreement, if any, shall implement the provisions of this Indenture that relate to such Securities Agent. The Company shall notify the Trustee in writing of the name and address of any Securities Agent not a party to this Indenture. If the Company fails to maintain an entity other than the Trustee as Registrar, Paying Agent or Conversion Agent, the Trustee shall act as such.

The Company initially appoints the Trustee as Paying Agent, Registrar and Conversion Agent.

Section 2.04. **Paying Agent to Hold Money in Trust.** Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all moneys held by the Paying Agent for the payment of the Securities, and shall notify the Trustee in writing of any Default by the Company in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds so paid by it. Upon payment over to the Trustee, the Paying Agent shall have no further liability for such money. If the Company acts as Paying Agent, it shall segregate and hold as a separate trust fund all money held by it as Paying Agent; provided that the Company may not act as Paying Agent upon the occurrence and continuance of an Event of Default. Upon an Event of Default pursuant to Section 6.01(i), Section 6.01(j) or Section 6.01(k), the Trustee shall automatically be the Paying Agent.

Section 2.05. **Holder Lists.** The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with Section 312(a) of the TIA. If the Trustee is not the Registrar, the Company shall furnish, or shall cause to be furnished, to the Trustee at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Holders appearing in the security register of the Registrar and the Company shall otherwise comply with Section 312(a) of the TIA.
Section 2.06. Transfer and Exchange.

(a) Generally. Subject to Section 2.15 and Section 2.16, where Securities are presented to the Registrar with a request to register their transfer or to exchange them for an equal principal amount of Securities of other authorized denominations, the Registrar shall register the transfer or make the exchange if its requirements under this Indenture for such transaction are met. To permit registrations of such transfers and exchanges, the Trustee shall authenticate Securities at the Registrar’s request or upon the Trustee’s receipt of a Company Order therefor. The Company, the Registrar or the Trustee, as the case may be, shall not be required to register the transfer or exchange of any Security for which a Repurchase Notice or notice of redemption pursuant to Article 13 has been delivered, and not withdrawn, in accordance with this Indenture, except if the Company has defaulted in the payment of the Fundamental Change Repurchase Price or the Redemption Price with respect to such Security or to the extent that a portion of such Security is not subject to such Repurchase Notice or notice of redemption.

No service charge shall be made for any transfer, exchange or conversion of Securities, but the Company and the Trustee may require payment of a sum sufficient to cover any documentary, stamp, issue or transfer tax or similar governmental charge that may be imposed in connection with any transfer, exchange or conversion of Securities, other than exchanges pursuant to Section 2.07, Section 2.10, Section 3.01, Section 9.04 or Section 10.02, in each case, not involving any transfer.

(b) Exchanges of Physical Securities for Beneficial Interests in Global Securities. A Holder may request a transfer or exchange of a Physical Security for a beneficial interest in a Global Security and the Company shall use commercially reasonable efforts to cause the Physical Securities to be eligible for book-entry settlement with the Depository, if upon such transfer or exchange such interest could be held in a Global Security. A holder may transfer or exchange a Physical Security for a beneficial interest in a Global Security by (i) surrendering such Physical Security for registration of transfer or exchange, together with any endorsements or instruments of transfer required by any of the Company, the Trustee or the Registrar, at any office or agency maintained by the Company for such purposes pursuant to Section 4.02; (ii) if such Physical Security is a Restricted Security, delivering any documentation required by Section 2.16; (iii) complying with Section 2.16(e), if applicable; (iv) satisfying all other requirements for such transfer set forth in this Section 2.06 and Section 2.15; and (v) providing written instructions to the Trustee to make, or to direct the Registrar to make, an adjustment in its books and records with respect to the applicable Global Security to reflect an increase in the aggregate principal amount of the Securities represented by such Global Security, which instructions will contain information regarding the Depository account to be credited with such increase. Upon the satisfaction of conditions (i), (ii), (iii), (iv) and (v), as applicable, the Trustee will cancel such Physical Security and cause, in accordance with the Applicable Procedures, the aggregate principal amount of Securities represented by such Global Security to be increased by the aggregate principal amount of such Physical Security, and will credit or cause to be credited the account of the Person specified in the instructions provided by the exchanging Holder in an amount equal to the aggregate principal amount of such Physical Security. If no Global Securities are then outstanding, the Company, in accordance with Section 2.02, will promptly execute and deliver to the Trustee, and the Trustee, upon receipt of a Company order and in accordance with Section 2.02, will authenticate, a new Global Security in the appropriate aggregate principal amount.

36
Section 2.07. Replacement Securities. If the Holder of a Security claims that the Security has been mutilated, lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate, at the Holder’s expense, a replacement Security upon surrender to the Trustee of the mutilated Security, or upon delivery to the Trustee of evidence of the loss, destruction or theft of the Security satisfactory to the Trustee and the Company. In the case of a lost, destroyed or wrongfully taken Security, if required by the Trustee or the Company, indemnity (including in the form of a bond) must be provided by the Holder that is reasonably satisfactory to the Trustee (with respect to the Trustee) and the Company to indemnify and hold harmless the Company, the Trustee or any Securities Agent from any loss that any of them may suffer if such Security is replaced.

In case any such mutilated, lost, destroyed or wrongfully taken Security has become due and payable, the Company in its discretion may, instead of issuing a new Security, pay the amounts due in respect of such Security as provided hereunder.

Every replacement Security is an additional obligation of the Company only as provided in Section 2.08.

Section 2.08. Outstanding Securities. Securities outstanding at any time are all the Securities authenticated by the Trustee except for those converted, those cancelled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Except to the extent provided in Section 2.09, a Security does not cease to be outstanding because the Company or one of its Subsidiaries or Affiliates holds the Security.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it, or a court holds, that the replaced Security is held by a protected purchaser.

If the Paying Agent (in the case of a Paying Agent other than the Company) holds as of 11:00 a.m. New York City time on a Fundamental Change Repurchase Date, Redemption Date or the Maturity Date, money sufficient to pay the aggregate Fundamental Change Repurchase Price, Redemption Price or principal amount (plus accrued and unpaid interest, if any), as the case may be, with respect to all Securities to be repurchased or paid on such Fundamental Change Repurchase Date, Redemption Date or the Maturity Date, as the case may be, in each case, payable as herein provided on such Fundamental Change Repurchase Date, Redemption Date or the Maturity Date, then (unless there shall be a Default in the payment of such aggregate Fundamental Change Repurchase Price, Redemption Price, principal amount, or of such accrued and unpaid interest), except as otherwise provided herein, on and after such date such Securities shall be deemed to be no longer outstanding, interest on such Securities shall cease to accrue, and such Securities shall be deemed to be paid whether or not such Securities are delivered to the Paying Agent. Thereafter, all rights of the Holders of such Securities shall terminate with respect to such Securities, other than the right to receive the Fundamental Change Repurchase Price, Redemption Price or principal amount, as the case may be, plus, if applicable, such accrued and unpaid interest in accordance with this Indenture. For the avoidance of doubt, any Securities that are not submitted by a Holder for a Repurchase Upon Fundamental Change, and subsequently repurchased, pursuant to Section 3.01 shall remain outstanding.
If a Security is converted in accordance with Article 10 then, from and after the time of such conversion on the Conversion Date, such Security shall cease to be outstanding, and interest, if any, shall cease to accrue on such Security unless there shall be a Default in the payment or delivery of the consideration payable and/or deliverable hereunder upon such conversion (except that any such Security will remain outstanding solely for the purpose of receiving any interest or other amounts due following such conversion as set forth in this Indenture).

Section 2.09. Securities Held by the Company or an Affiliate. In determining whether the Holders of the required aggregate principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Company or any of its Subsidiaries or Affiliates shall be considered as though not outstanding, except that, for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be considered to be outstanding for purposes of this Section 2.09 if the pledgee establishes, to the satisfaction of the Trustee, the pledgee’s right so to concur with respect to such Securities and that the pledgee is not, and is not acting at the direction or on behalf of, the Company, any other obligor on the Securities, an Affiliate of the Company or an Affiliate of any such other obligor. In case of a dispute as to whether the pledgee has established the foregoing, any decision by the Trustee taken upon the advice of counsel shall provide full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee an Officers’ Certificate listing and identifying all Securities, if any, known by the Company to be owned or held by or for the account of any of the above described Persons; and the Trustee shall be entitled to accept such Officers’ Certificate as conclusive evidence of the facts therein set forth and of the fact that all Securities not listed therein are outstanding for the purpose of any such determination. Notwithstanding Section 316(a)(1) of the TIA (which, for the avoidance of doubt, shall not apply to this Indenture until this Indenture is qualified under the TIA) or anything herein to the contrary, to the fullest extent permitted by law, no SL Securities shall be deemed to be owned by the Company or any of its Subsidiaries or Affiliates for purposes of this Indenture, the Securities and any direction, waiver or consent with respect thereto.

Section 2.10. Temporary Securities. Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall, upon receipt of a Company Order therefor, authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee, upon receipt of a Company Order therefor, shall authenticate definitive Securities in exchange for temporary Securities. Until so exchanged, each temporary Security shall in all respects be entitled to the same benefits under this Indenture as definitive Securities, and such temporary Security shall be exchangeable for definitive Securities in accordance with the terms of this Indenture.
Section 2.11. Cancellation. The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar, Paying Agent and Conversion Agent shall forward to the Trustee any Securities surrendered to them for transfer, exchange, payment or conversion. The Trustee shall promptly cancel all Securities surrendered for transfer, exchange, payment, conversion or cancellation in accordance with its customary procedures. The Company may not issue new Securities to replace Securities that it has paid or delivered to the Trustee for cancellation or that any Holder has converted pursuant to Article 10. All cancelled Securities held by the Trustee shall be disposed of in accordance with its customary procedure for the disposal of cancelled securities.

Section 2.12. Defaulted Interest. If, and to the extent, the Company defaults in a payment of interest on the Securities, the Company shall pay in cash the defaulted interest in any lawful manner plus, to the extent not prohibited by applicable statute or case law, interest on such defaulted interest at the rate provided in the Securities. The Company may pay the defaulted interest (plus interest on such defaulted interest) to the Persons who are Holders on a subsequent special record date. The Company shall fix such special record date and payment date. At least fifteen (15) calendar days before the special record date, the Company shall send to Holders and the Trustee a notice that states the special record date, payment date and amount of interest to be paid. Upon the due payment in full, interest shall no longer accrue on such defaulted interest pursuant to this Section 2.12.

Section 2.13. CUSIP Numbers. The Company in issuing the Securities may use one or more “CUSIP” numbers, and, if so, the Trustee shall use the CUSIP numbers in notices as a convenience to Holders; provided, however, that no representation is hereby deemed to be made by the Trustee as to the correctness or accuracy of the CUSIP numbers printed on the notice or on the Securities; and provided further that reliance may be placed only on the other identification numbers printed on the Securities, and the effectiveness of any such notice shall not be affected by any defect in, or omission of, such CUSIP numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP numbers.

On the Issue Date, the Securities shall initially bear the CUSIP and ISIN numbers set forth in the following sentence. The CUSIP and ISIN numbers for the SL Global Securities that are Unrestricted Global Securities shall be 00165CAW4 and US00165CAW47, respectively; and the CUSIP and ISIN numbers for Unrestricted Global Securities other than SL Global Securities shall be 00165CAV6 and US00165CAV63, respectively.

Section 2.14. Deposit of Moneys. Prior to 11:00 a.m., New York City time, on each Interest Payment Date, the Maturity Date, any Fundamental Change Repurchase Date, any Redemption Date, the Company shall deposit with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust in accordance with Section 2.04) money, in funds immediately available on such date, sufficient to make cash payments, if any, due on such Interest Payment Date, the Maturity Date or such Fundamental Change Repurchase Date or Redemption Date, as the case may be, in a timely manner which permits the Paying Agent to remit payment to the Holders on such Interest Payment Date, the Maturity Date or such Fundamental Change Repurchase Date or Redemption Date, as the case may be.

If any Interest Payment Date, the Maturity Date, any Fundamental Change Repurchase Date or Redemption Date falls on a date that is not a Business Day, the payment due on such Interest Payment Date, the Maturity Date or such Fundamental Change Repurchase Date or Redemption Date, as the case may be, shall be postponed until the next succeeding Business Day, and no interest or other amount shall accrue as a result of such postponement.

(a)  Global Securities initially shall (i) be registered in the name of the Depository, its successors or their respective nominees, (ii) be delivered to the Trustee as custodian for the Depository, its successors or their respective nominees, as the case may be, and (iii) bear the legends such Global Securities are required to bear under Section 2.17.

Members of, or participants in, the Depository ("Participants") shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and the Depository (or its nominee) may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever; provided, however, that each SL Security that is a Global Security shall be subject to the rights under Section 9.02, Section 10.02(c) and Section 13.01 of the beneficial owners of such SL Global Security. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee, any Securities Agent or any of their respective agents from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and Participants, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(b)  Except as otherwise set forth in this Section 2.15 or Section 2.16, transfers of Global Securities shall be limited to transfers in whole, but not in part, to the Depository, its successors or their respective nominees. In addition, one or more Physical Securities shall be transferred to each owner of a beneficial interest in a Global Security, as identified by the Depository, in exchange for its beneficial interest in the Global Securities if (i) the Depository notifies the Company that the Depository is unwilling or unable to continue as depository for any Global Security, or the Depository ceases to be a “clearing agency” registered under Section 17A of the Exchange Act, and, in either case, a successor Depository is not appointed by the Company within ninety (90) days of such notice or cessation or (ii) an Event of Default has occurred and is continuing and the Registrar has received a written request from the beneficial owner (via the Depository) of the relevant Securities to issue Physical Securities. For the avoidance of doubt, if any event described in clause (i) of the immediately preceding sentence occurs, any owner of a beneficial interest in any Global Security will be entitled to receive one or more Physical Securities in exchange for its beneficial interest or interests in the Global Securities, and if any event described in clause (ii) of the immediately preceding sentence occurs, only the beneficial owner that has made a written request to the Registrar (via the Depository) will be entitled to receive one or more Physical Securities in exchange for its beneficial interest or interests in the Global Securities. The Company may also exchange beneficial interests in a Global Security for one or more Physical Securities registered in the name of the owner of beneficial interests if the Company and the owner of such beneficial interests agree to so exchange.
(c) The transfer and exchange of beneficial interests in the Global Securities shall be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Transfers of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as, to the extent applicable, the other provisions of this Section 2.15 (c) that follow:

(i) **Transfer of Beneficial Interests in the Same Global Security.** Beneficial interests in any Restricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Security (or a Restricted Global Security with the same CUSIP number) in accordance with the transfer restrictions set forth in the Security Private Placement Legend. Beneficial interests in any Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this clause (i).

(ii) **All Other Transfers and Exchanges of Beneficial Interests in Global Securities.** In connection with all transfers and exchanges of a beneficial interest in a Global Security that are not addressed by Section 2.15(c)(i), there must be delivered (A) such instruction or order from a Participant or an Indirect Participant to the Depository, as may be required by the Applicable Procedures, directing the Depository to credit or cause to be credited a beneficial interest in another Global Security in an amount equal to the beneficial interest to be transferred or exchanged and (B) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in a Global Security contained in this Indenture, the Trustee shall adjust the principal amount of the Global Securities pursuant to Section 2.15(d).

(iii) **Transfer and Exchange of Beneficial Interests in a Restricted Global Security for Beneficial Interests in an Unrestricted Global Security.** A beneficial interest in any Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Security or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security if the exchange or transfer complies with the requirements of this Section 2.15(c) and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Security, a certificate from such Holder substantially in the form of Exhibit E; or

(B) if the holder of such beneficial interest in a Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form of Exhibit D;
and, in each such case set forth in this clause (iii), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that no registration under the Securities Act is required in connection with such exchange or transfer of beneficial interests to the relevant Person or in connection with any re-sales of the beneficial interests in the Unrestricted Global Security that are beneficially owned by such Person on the date of such opinion.

Beneficial interests in an Unrestricted Global Security cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(iv) **Transfer and Exchange of Beneficial Interests in one Restricted Global Security for Beneficial Interests in another Restricted Global Security.** A beneficial interest in any Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in a Restricted Global Security with a different CUSIP or different legends or transferred to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Security with a different CUSIP or different legends if the exchange or transfer complies with the requirements of this Section 2.15(c) and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in a Restricted Global Security with a different CUSIP or different legends, a certificate from such Holder substantially in the form of Exhibit E; or

(B) if the holder of such beneficial interest in a Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in a Restricted Global Security with a different CUSIP or different legends, a certificate from such holder in the form of Exhibit D.

Notwithstanding the foregoing or anything to the contrary provided herein, a holder of a beneficial interest in a Security that is not an SL Security may not exchange or transfer such beneficial interest for a beneficial interest in an SL Security.

(d) At such time as all beneficial interests in a particular Global Security have been exchanged for Physical Securities or a particular Global Security has been repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Physical Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.
(e) In connection with the transfer of a Global Security in its entirety to beneficial owners pursuant to Section 2.15(b), such Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall upon written instructions from the Company authenticate and deliver, to each beneficial owner identified by the Depository in exchange for its beneficial interest in such Global Security, an equal aggregate principal amount of Physical Securities of authorized denominations.

(f) Any Physical Security delivered in exchange for an interest in a Global Security pursuant to Section 2.15(b), shall bear the same legend(s), if any, from Exhibit B that are borne by the relevant Global Security, except to the extent the requirements of Section 2.15(c)(iii) or Section 2.15(c)(iv) are satisfied with respect to the removal or addition of any legend, mutatis mutandis for the fact that a Physical Security is being issued rather than a beneficial interest in a Global Security.

(g) The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Participants and Persons that may hold interests through Participants, to take any action which a Holder is entitled to take under this Indenture or the Securities.

(h) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on the transfer of any interest in any Securities imposed under this Indenture or under applicable law (including any transfers between or among Participants or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(i) Neither the Trustee nor any Securities Agent shall have any responsibility for any actions taken or not taken by the Depository.

(j) No service charge shall be made to or by a holder of a beneficial interest in a Global Security or to or by a Holder of a Physical Security for any registration of transfer or exchange.

(k) All Global Securities and Physical Securities issued upon any registration of transfer or exchange of Global Securities or Physical Securities shall evidence the same debt of the Company and entitled to the same benefits under this Indenture, as the Global Securities or Physical Securities surrendered upon such registration of transfer or exchange.

(l) Prior to due presentment for the registration of a transfer of any Security, the Trustee and the Company may deem and treat the Person in whose name any Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Securities and, subject to Section 2.09, for all other purposes, and neither of the Trustee or the Company shall be affected by notice to the contrary.
Upon surrender for registration of transfer of any Security at the office or agency of the Company designated pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more replacement Securities of any authorized denomination or denominations of a like aggregate principal amount.

At the option of the Holder, Securities may be exchanged for other Securities of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Securities to be exchanged at such office or agency. Whenever any Global Securities or Physical Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and send, the replacement Global Securities and Physical Securities which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02.

Neither the Trustee nor any Securities Agent shall have any responsibility or obligation to any beneficial owner of an interest in the Global Securities, an agent member of, or a participant in, the Depository or other person with respect to the accuracy of the records of the Depository or its nominees or of any Participant or member thereof, with respect to any ownership interest in the Global Securities or with respect to the delivery to any Participant, agent member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount or delivery of any Securities (or other security or property) under or with respect to such Securities. The rights of beneficial owners in any Global Securities shall be exercised only through the Depository, subject to its applicable rules and procedures. The Trustee and each agent may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its agent members, Participants and any beneficial owners.

Section 2.16. Special Transfer Provisions.

(a) Notwithstanding any other provisions of this Indenture, but except as provided in Section 2.15(b), a Global Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(b) Upon the transfer, exchange or replacement of Securities not bearing the Security Private Placement Legend, unless the Company notifies the Trustee in writing otherwise, the Trustee shall deliver Securities that do not bear the Security Private Placement Legend. Upon the transfer, exchange or replacement of Securities bearing the Security Private Placement Legend, the Trustee shall deliver only Securities that bear the Security Private Placement Legend unless (i) the requested transfer, exchange or replacement is after the Resale Restriction Termination Date, (ii) there is delivered to the Trustee and the Company an Opinion of Counsel reasonably satisfactory to the Company and addressed to the Company to the effect that no registration under the Securities Act is required in connection with such transfer, exchange or replacement of such Securities in connection with any re-sales of such Securities on the date of such opinion or (iii) such Security has been sold pursuant to an effective registration statement under the Securities Act and the Holder selling such Securities has delivered to the Registrar a notice in the form of Exhibit C hereto.
By its acceptance of any Security or any Common Stock bearing the Security Private Placement Legend or the Common Stock Private Placement Legend, each holder thereof acknowledges the restrictions on transfer of such security set forth in this Indenture and in the Security Private Placement Legend or Common Stock Private Placement Legend, as applicable, and agrees that it will transfer such security only as provided in this Indenture and as permitted by applicable law.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.15 or this Section 2.16 in accordance with its customary document retention policies. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

The Company may, to the extent permitted by law, purchase the Securities in the open market or by tender offer at any price or by private agreement without giving prior notice to Holders. The Company may, at its option, surrender to the Trustee for cancellation any Securities the Company purchases in this manner. Securities surrendered to the Trustee for cancellation may not be reissued or resold and shall be promptly cancelled pursuant to Section 2.11.

Any Physical Securities that are purchased or owned by the Company, any Subsidiary of the Company or any other Affiliate of the Company or its Subsidiaries may not be resold by the Company, such Subsidiary or such Affiliate in a transaction in which the transferee takes its interest in the form of a beneficial interest in a Global Security unless registered under the Securities Act or resold pursuant to an exemption from the registration requirements of the Securities Act in a transaction that results in such Securities no longer being Restricted Securities.

Section 2.17. **Restrictive Legends.**

(a) [Reserved].

(b) [Reserved].

(c) Each Global Security shall bear the legend as set forth in Exhibit B.
Section 3.01. Repurchase at Option of Holder Upon a Fundamental Change.

(a) If a Fundamental Change occurs at any time prior to the Maturity Date, each Holder of Securities shall have the right (the “Fundamental Change Repurchase Right”), at such Holder’s option, to require the Company to repurchase (a “Repurchase Upon Fundamental Change”) all of such Holder’s Securities (or any portion thereof that is equal to $1,000 in principal amount or integral multiples of $1,000 in excess thereof), on a date selected by the Company (the “Fundamental Change Repurchase Date”), which shall be no later than thirty five (35) Business Days, and no earlier than twenty (20) Business Days (or as such period may be extended pursuant to Section 3.01(j)), after the date the Fundamental Change Notice is sent in accordance with Section 3.01(b), at a price, payable in cash, equal to one hundred percent (100%) of the principal amount of the Securities (or portion thereof) to be so repurchased, plus accrued and unpaid interest, if any, to, but excluding, the Fundamental Change Repurchase Date (the “Fundamental Change Repurchase Price”), subject to satisfaction of the following conditions:

(i) delivery to the Company (if it is acting as its own Paying Agent), or to a Paying Agent designated by the Company for such purpose in the Fundamental Change Notice, no later than the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date, of a Repurchase Notice, in the form set forth in the Securities or any other form of written notice substantially similar thereto, in each case, duly completed and signed, with appropriate signature guarantee, stating:

(A) the certificate number(s) of the Securities that the Holder will deliver to be repurchased, if such Securities are Physical Securities;

(B) the principal amount of Securities to be repurchased, which must be $1,000 or an integral multiple thereof; and

(C) that such principal amount of Securities are to be repurchased pursuant to the terms and conditions specified in this Section 3.01; and

(ii) delivery to the Company (if it is acting as its own Paying Agent), or to a Paying Agent designated by the Company for such purpose in the Fundamental Change Notice, at any time after the delivery of such Repurchase Notice, of such Securities (together with all necessary endorsements) with respect to which the Fundamental Change Repurchase Right is being exercised, if such Securities are Physical Securities, or book-entry transfer of the Securities, if the Securities are Global Securities, in compliance with the Applicable Procedures;

provided, however, that if such Fundamental Change Repurchase Date is after a Record Date for the payment of an installment of interest and on or before the related Interest Payment Date, then the full amount of accrued and unpaid interest, if any, to, but excluding, such Interest Payment Date shall be paid on such Interest Payment Date to the Holder of record of such Securities at the Close of Business on such Record Date (without any surrender of such Securities by such Holder), and the Fundamental Change Repurchase Price shall not include any accrued but unpaid interest.

If such Securities are held in book-entry form through the Depository, the delivery of any Securities, Repurchase Notice, Fundamental Change Notice or notice of withdrawal pursuant to the second immediately succeeding paragraph shall comply with the Applicable Procedures.
Notwithstanding anything herein to the contrary, any Holder that has delivered the Repurchase Notice contemplated by this Section 3.01 (a) to the Company (if it is acting as its own Paying Agent) or to a Paying Agent designated by the Company for such purpose in the Fundamental Change Notice shall have the right to withdraw such Repurchase Notice by delivery, at any time prior to the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date (or, if there shall be a Default in the payment of the Repurchase Upon Fundamental Change, at any time during which such Default is continuing), of a written notice of withdrawal to the Company (if acting as its own Paying Agent) or the Paying Agent, which notice shall be delivered in accordance with, and contain the information specified in, Section 3.01(b)(x).

The Paying Agent shall promptly notify the Company of the receipt by it of any Repurchase Notice or written notice of withdrawal thereof.

(b) On or before the 20th Business Day after the consummation of a Fundamental Change, the Company shall send, or cause to be sent, to all Holders of the Securities in accordance with Section 16.01 a notice (the “Fundamental Change Notice”) of the occurrence of such Fundamental Change and the Fundamental Change Repurchase Right arising as a result thereof. The Company shall deliver a copy of the Fundamental Change Notice to the Trustee at the time such notice is delivered to the Holders. Each Fundamental Change Notice shall state:

(i) the events causing the Fundamental Change;

(ii) the date of the Fundamental Change;

(iii) the Fundamental Change Repurchase Date;

(iv) the last date on which the Fundamental Change Repurchase Right may be exercised, which shall be the Business Day immediately preceding the Fundamental Change Repurchase Date;

(v) the Fundamental Change Repurchase Price;

(vi) the names and addresses of the Paying Agent and the Conversion Agent;

(vii) the procedures that a Holder must follow to exercise the Fundamental Change Repurchase Right;

(viii) that the Fundamental Change Repurchase Price for any Security as to which a Repurchase Notice has been given and not withdrawn will be paid no later than the later of such Fundamental Change Repurchase Date and the time of book-entry transfer or delivery of the Security (together with all necessary endorsements);

(ix) that, except as otherwise provided herein with respect to a Fundamental Change Repurchase Date that is after a Record Date for the payment of an installment of interest and on or before the related Interest Payment Date, on and after such Fundamental Change Repurchase Date (unless there shall be a Default in the payment of the Fundamental Change Repurchase Price), interest on Securities subject to Repurchase Upon Fundamental Change will cease to accrue, and all rights of the Holders of such Securities shall terminate, other than the right to receive, in accordance herewith, the Fundamental Change Repurchase Price;
(x) that a Holder will be entitled to withdraw its election in the Repurchase Notice prior to the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date, or such longer period as may be required by law, delivered in the same manner as the related Repurchase Notice was delivered and setting forth the name of such Holder, a statement that such Holder is withdrawing its election to have Securities purchased by the Company on such Fundamental Change Repurchase Date pursuant to a Repurchase Upon Fundamental Change, the certificate number(s) of such Securities to be so withdrawn (if such Securities are Physical Securities) the principal amount of the Securities of such Holder to be so withdrawn, which amount must be $1,000 or an integral multiple thereof and the principal amount, if any, of the Securities of such Holder that remain subject to the Repurchase Notice delivered by such Holder in accordance with this Section 3.01, which amount must be $1,000 or an integral multiple thereof; provided, however, that if there shall be a Default in the payment of the Fundamental Change Repurchase Price, a Holder shall be entitled to withdraw its election in the Repurchase Notice at any time during which such Default is continuing;

(xi) the Conversion Rate and, if applicable, any adjustments to the Conversion Rate that will result from such Fundamental Change;

(xii) that Securities with respect to which a Repurchase Notice is given by a Holder may be converted pursuant to Article 10 only if such Repurchase Notice has been withdrawn in accordance with this Section 3.01 or the Company defaults in the payment of the Fundamental Change Repurchase Price; and

(xiii) the CUSIP number or numbers, as the case may be, of the Securities.

At the Company’s request, upon prior notice reasonably acceptable to the Trustee, the Trustee shall send such Fundamental Change Notice in the Company’s name and at the Company’s expense; provided, however, that the form and content of such Fundamental Change Notice shall be prepared by the Company.

No failure of the Company to give a Fundamental Change Notice shall limit any Holder’s right pursuant hereto to exercise a Fundamental Change Repurchase Right.

(c) Subject to the provisions of this Section 3.01, the Company shall pay, or cause to be paid, the Fundamental Change Repurchase Price with respect to each Security as to which the Fundamental Change Repurchase Right shall have been exercised to the Holder thereof no later than the later of the Fundamental Change Repurchase Date and the time of book-entry transfer or when such Security is surrendered to the Paying Agent together with any necessary endorsements.
(d) The Company shall, in accordance with Section 2.14, deposit with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust in accordance with Section 2.04) money, in funds immediately available on the Fundamental Change Repurchase Date, sufficient to pay the Fundamental Change Repurchase Price upon Repurchase Upon Fundamental Change for all of the Securities that are to be repurchased by the Company on such Fundamental Change Repurchase Date pursuant to a Repurchase Upon Fundamental Change. The Paying Agent shall, promptly after delivering the Fundamental Change Repurchase Price to Holders entitled thereto and upon written demand by the Company, return to the Company as soon as practicable, any money in excess of the Fundamental Change Repurchase Price.

(e) Once the Fundamental Change Notice and the Repurchase Notice have been duly given in accordance with this Section 3.01, the Securities to be repurchased pursuant to a Repurchase Upon Fundamental Change shall, on the Fundamental Change Repurchase Date, become due and payable in accordance herewith, and, on and after such date (unless there shall be a Default in the payment of the Fundamental Change Repurchase Price), except as otherwise provided herein with respect to a Fundamental Change Repurchase Date that is after a Record Date for the payment of an installment of interest and on or before the related Interest Payment Date, such Securities shall cease to bear interest (whether or not book-entry transfer of the Securities has been made or the Securities have been delivered to the Paying Agent), and all rights of the relevant Holders of such Securities shall terminate, other than the right to receive, in accordance herewith, such consideration and any other applicable rights under those sections set forth in the proviso in Section 8.01.

(f) Securities with respect to which a Repurchase Notice has been duly delivered in accordance with this Section 3.01 may be converted pursuant to Article 10 only if such Repurchase Notice has been withdrawn in accordance with this Section 3.01 or the Company defaults in the payment of the Fundamental Change Repurchase Price.

(g) If any Security shall not be paid on the Fundamental Change Repurchase Date upon book-entry transfer or surrender thereof for Repurchase Upon Fundamental Change, the principal of, and accrued and unpaid interest on, such Security shall, until paid, bear interest, payable in cash, at the rate borne by such Security on the principal amount of such Security, and such Security shall be convertible pursuant to Article 10 if any Repurchase Notice with respect to such Security is withdrawn pursuant to this Section 3.01.

(h) Any Security that is to be submitted for Repurchase Upon Fundamental Change only in part shall be delivered pursuant to this Section 3.01 (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or its attorney duly authorized in writing, with a notarization or medallion guarantee), and the Company shall promptly execute, and the Trustee shall promptly authenticate and make available for delivery to the Holder of such Security without service charge, a new Security or Securities, of any authorized denomination as requested by such Holder, of the same tenor and in aggregate principal amount equal to the portion of such Security not duly submitted for Repurchase Upon Fundamental Change.
(i) Notwithstanding anything herein to the contrary, except in the case of an acceleration resulting from a Default relating to the payment of the Fundamental Change Repurchase Price, there shall be no purchase of any Securities pursuant to this Section 3.01 on any date if, on such date, the principal amount of the Securities shall have been accelerated in accordance with this Indenture and such acceleration shall not have been rescinded on or prior to such date in accordance with this Indenture. The Paying Agent will promptly return to the respective Holders thereof any Securities held by it during the continuance of such an acceleration.

(j) In connection with any Repurchase Upon Fundamental Change, the Company shall, to the extent required (i) comply with the provisions of Rule 13e-4, Rule 14e-1, Regulation 14E under the Exchange Act, and with all other applicable laws; (ii) file a Schedule TO or any other schedules required under the Exchange Act or any other applicable laws; and (iii) otherwise comply with all applicable United States federal and state securities laws in connection with any offer by the Company to repurchase the Securities; provided that any time period specified in this Article 3 shall be extended to the extent necessary for such compliance.

ARTICLE 4
COVENANTS

Section 4.01. Payment of Securities. The Company shall pay all amounts and make deliveries of securities due with respect to the Securities on the dates and in the manner provided in the Securities and this Indenture. All such amounts shall be considered paid on the date due if the Paying Agent holds (or, if the Company is acting as Paying Agent, the Company has segregated and holds in trust in accordance with Section 2.04) on that date money sufficient to pay the amount then due with respect to the Securities. The Company will pay, in money of the United States that at the time of payment is legal tender for payment of public and private debts, all amounts due in cash with respect to the Securities, which amounts shall be paid (a) in the case of a Global Security, by wire transfer of immediately available funds to the account designated by the Depository or its nominee; and (b) in the case of a Physical Security, by wire transfer of immediately available funds to the account within the United States as specified in writing to the Paying Agent by such Holder or, if such Holder does not specify an account, by mailing a check to the address of such Holder set forth in the register of the Registrar. Interest will be computed on the basis of a 360-day year of twelve 30-day months. With respect to principal payments, presentation and surrender of Securities is required prior to final payment.

The Company shall pay, in cash, interest on any overdue amount (including, to the extent permitted by applicable law, overdue interest) at the rate borne by the Securities.

Section 4.02. Maintenance of Office or Agency. The Company will maintain, or cause to be maintained, an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or exchange, payment or conversion. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain, or fail to cause to be maintained, any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the Corporate Trust Office of the Trustee.
The Company will maintain, or cause to be maintained, an office or agency where notices and demands to or upon the Company and the Guarantors in respect of the Securities, the Guarantees and this Indenture (other than the type contemplated by Section 16.09(c)) may be served, provided that such office or agency may instead be at the principal office of the Company located in the United States (and, notwithstanding the final sentence of this Section 4.02, shall initially be at such office until the Company notifies the Trustee otherwise).

The Company may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the Corporate Trust Office of the Trustee as an agency of the Company in accordance with Section 2.03.

Section 4.03. Reports.

(a) The Company shall provide to the Trustee a copy of each report the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act no later than the date 15 Business Days after such report is required to be filed with the SEC pursuant to the Exchange Act (after giving effect to any grace period provided by Rule 12b-25 under the Exchange Act); provided, however, that each such report will be deemed to be so provided to the Trustee if the Company files such report with the SEC through the SEC’s EDGAR database no later than the time such report is required to be filed with the SEC pursuant to the Exchange Act (taking into account any applicable grace periods provided thereunder). In addition, while the Securities remain outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Company will, during any period in which the Company is not subject to Section 13 or 15(d) of the Exchange Act, furnish to holders of the Securities and prospective investors, upon request, the information required to be delivered pursuant to Rule 144(c)(2) under the Securities Act.

(b) Delivery of such reports, information and documents to the Trustee pursuant to this Section 4.03 is for informational purposes only, and the Trustee’s receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers’ Certificates).

(c) The Trustee shall have no obligation or duty to determine or monitor whether the Company has delivered reports in accordance with this Section 4.03.
Section 4.04.  **Compliance Certificate.** The Company and each Guarantor shall deliver to the Trustee, within one hundred and twenty (120) calendar days after the end of each fiscal year of the Company, commencing with the fiscal year ending December 31, 2020, a certificate from the principal executive, financial or accounting officer of the Company stating that such officer has conducted or supervised a review of the activities of the Company and the Guarantors and the performance of their obligations under this Indenture and the Securities and that, based upon such review, no Default or Event of Default exists hereunder or thereunder or, if a Default or Event of Default then exists, specifying such event, status and the remedial action proposed to be taken by the Company and each Guarantor with respect to such Default or Event of Default.

Section 4.05.  **Stay, Extension and Usury Laws.** Each of the Company and each Guarantor covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture or the Securities; and each of the Company and each Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.06.  **Notice of Default.** Within 30 days of the Company’s becoming aware of the occurrence of any Default or Event of Default, the Company shall give written notice to the Trustee of such Default or Event of Default, and any remedial action proposed to be taken.

Section 4.07.  **Limitation on Additional Indebtedness.**

(a)  The Company shall not, and shall cause all of its Subsidiaries not to, Incur any Indebtedness unless after giving effect to such event on a pro forma basis (including the pro forma application of the net proceeds therefrom), the Company’s Consolidated Debt Ratio for the four full fiscal quarters immediately preceding such event for which internal financial statements are available, taken as one period is less than or equal to 6.00 to 1.00 (such condition not being applicable to the Incurrence of Permitted Indebtedness); provided that the Company shall not, and shall cause all of its Subsidiaries not to, Incur any Indebtedness under this paragraph to refinance or replace the Senior Credit Facilities.

(b)  Accrual of interest, the accretion of accreted value, amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of interest in the form of common stock of the Company, the payment of dividends on preferred stock in the form of additional shares of preferred stock of the same class, the accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness created or arising under any conditional sale or other title retention agreement will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided, however, that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.07.

“**Consolidated Debt**” of any Person means, as of a date of determination, the aggregate principal amount of all outstanding Indebtedness of the such Person and its Subsidiaries as of such date determined on a consolidated basis in accordance with GAAP, and assuming that any revolving credit facility was then fully drawn.
“Consolidated Debt Ratio” of any Person means, as of a date of determination and for any period, the ratio of (i) the Consolidated Debt of such Person as of such date of determination, to (ii) the Consolidated EBITDA of such Person for such period.

“Consolidated EBITDA” has the meaning set forth in the Indenture for the 2027 Notes; provided that for purposes of this definition, all transactions involving the acquisition of any Person or motion picture theatre by another Person shall be accounted for on a “pooling of interests” basis and not as a purchase; provided, further, that with respect to any references of Consolidated EBITDA in either Section 4.10 hereof or in the definition of “Asset Sale;” Consolidated EBITDA shall have the meaning set forth in the Silver Lake First Lien Notes Indenture; provided, further, that, solely with respect to calculations of the Consolidated Debt Ratio:

(i) Consolidated EBITDA shall include the effects of incremental contributions the Company reasonably believes in good faith could have been achieved during the relevant period as a result of a motion picture theatre or screen which was first opened for business by the Company or a Subsidiary during the applicable period (a “Theatre Completion”) had such Theatre Completion occurred as of the beginning of the relevant period; provided, however, that such incremental contributions were identified and quantified in good faith in an Officers’ Certificate delivered to the Trustee at the time of any calculation of the Consolidated Debt Ratio;

(ii) Consolidated EBITDA shall be calculated on a pro forma basis after giving effect to any motion picture theatre or screen that was permanently or indefinitely closed for business at any time on or subsequent to the first day of such period as if such theatre or screen was closed for the entire period; and

(iii) all preopening expense and theatre closure expense which reduced/(increased) Consolidated Net Income (Loss) (as defined in the Indenture for the 2027 Notes) during any applicable period shall be added to Consolidated EBITDA.

“Incur” means, with respect to any Indebtedness or other obligation of any Person, to create, issue, incur (by merger, conversion, exchange or otherwise), extend, assume, guarantee or become liable in respect of such Indebtedness or other obligation or the recording, as required pursuant to GAAP or otherwise, of any such Indebtedness or obligation on the balance sheet of such Person (and “Incurrence” and “Incurred” shall have meanings correlative to the foregoing); provided, however, that a change in GAAP that results in an obligation (including, without limitation, preferred stock, temporary equity, mezzanine equity or similar classification) of such Person that exists at such time, and is not theretofore classified as Indebtedness, becoming Indebtedness shall not be deemed an Incurrence of such Indebtedness; provided further, however, that any Indebtedness or other obligations of a Person existing at the time such Person becomes a Subsidiary (whether by merger, consolidation, acquisition or otherwise) shall be deemed to be Incurred by such Subsidiary at the time it becomes a Subsidiary; and provided further, however, that solely for purposes of determining compliance with this Section 4.07, amortization of debt discount shall not be deemed to be the Incurrence of Indebtedness, provided that in the case of Indebtedness sold at a discount, the amount of such Indebtedness Incurred shall at all times be the aggregate principal amount at stated maturity.
“Indebtedness” has the meaning set forth in the Indenture for the 2027 Notes. For the avoidance of doubt any obligations under any operating leases (as determined under GAAP as in effect on December 31, 2018) shall not be included as Indebtedness.

“Indenture for the 2027 Notes” means the indenture, dated as of March 17, 2017, among the Company, the guarantors thereto and U.S. Bank National Association, as trustee, pursuant to which the Company issued its 6.125% Senior Subordinated Notes due 2027, as amended and in effect on September 14, 2018.

Section 4.08. **Limitation on Liens.** The Company will not and will not permit any Guarantor to create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing any Existing Senior Subordinated Notes or any guarantees thereof, or any renewal, extension, refinancing or refunding of the foregoing, including successive renewals, extensions, refinancings and refundings, upon any of their property or assets (including Capital Stock of Subsidiaries of the Company or of any Parent Guarantor), now owned or hereafter acquired, unless contemporaneously with the incurrence of such Lien effective provision (which shall be on terms acceptable to the Holders of a majority in aggregate principal amount of the then outstanding SL Securities, such consent not to be unreasonably withheld, conditioned or delayed) is made to secure the Obligations due under this Indenture and the Securities or, in respect of any Lien on any Guarantor’s property or assets, the Indenture and any Guarantee of such Guarantor, and on a senior basis to the obligations so secured until such time as such obligations are no longer secured by a Lien.

Any Lien created for the benefit of Holders of the Securities pursuant to this Section 4.08 shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens securing the Existing Senior Subordinated Notes described in the preceding paragraph.

Section 4.09. **Additional Guarantees.** After the Issue Date, the Company will cause (i) each Subsidiary which guarantees obligations of the Company or any Guarantor under the Senior Credit Facilities, the Existing First Lien Notes, the New First Lien Notes, the Silver Lake First Lien Notes, the Second Lien Notes, the Existing Senior Subordinated Notes or any other Indebtedness, within 30 days of the date of such Subsidiary’s guarantee of such other Indebtedness, and (ii) the issuer of any Reference Property upon consummation of a Merger Event (a “Parent Guarantor”) to execute and deliver to the Trustee a supplemental indenture pursuant to which such Guarantor or issuer will unconditionally guarantee (subject to release as described below), on a joint and several basis, the full and prompt payment of the principal of, premium, if any, interest, if any, on the Securities on a senior secured basis. Such Guarantor or issuer will also execute and deliver joinders to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and applicable Security Documents or new intercreditor agreements and security documents, together with any filings and agreement to the extent required by the Security Documents to create or perfect the security interests for the benefit of the Holders in the Collateral within the time periods referenced in the immediately preceding sentence. Each Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Subsidiary or issuer of any Reference Property without rendering the Guarantee as it relates to such Subsidiary or issuer of any Reference Property, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. Notwithstanding the foregoing, if a Guarantor is released and discharged in full from its obligations under its Guarantees of (a) the Senior Credit Facilities and related documentation and (b) all other Indebtedness of the Company and its Subsidiaries, then the Guarantee of such Guarantor shall be automatically and unconditionally released and discharged.

Section 4.10. Asset Sales.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate, directly or indirectly, an Asset Sale (including (x) the sale or issuance of Equity Interests in a Restricted Subsidiary and (y) any Sale Leaseback) unless:

(1) such Asset Sale is made for Fair Market Value; and

(2) except in the case of a Permitted Asset Swap, a Sale Leaseback or the Disposition of a Multiplex theatre, in any such Asset Sale with a purchase price in excess of the greater of (x) $50,000,000 and (y) 5% of Consolidated EBITDA for the most recently ended Test Period, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales completed or contractually agreed upon since the Issue Date, received by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) Within 450 days after receipt of any Net Proceeds from any Asset Sale (the "Asset Sale Proceeds Application Period"), the Company or such Restricted Subsidiary, at its option, may apply an amount equal to the Net Proceeds from such Asset Sale (the "Applicable Proceeds")

(1) to the extent the assets or property disposed of in the Asset Sale constituted Collateral, to repay (i) Obligations under the Senior Credit Facilities, (ii) Obligations under the Existing First Lien Notes, (iii) Obligations under the New First Lien Notes, (iv) Obligations under the Silver Lake First Lien Notes, (v) Obligations under the Securities or (vi) any Additional First Lien Obligations and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will either (A) reduce the aggregate principal amount of Obligations under the Securities on a ratable basis with any such First Lien Obligations repaid pursuant to this clause (1) by purchasing Securities through open-market purchases or in privately negotiated transactions (which may be below par) and/or (B) make an offer (in accordance with the provisions set forth below for an Asset Sale Offer) to all Holders to purchase their Securities on a ratable basis with any First Lien Obligations repaid pursuant to this clause (1) for no less than 100% of the principal amount thereof, plus the amount of accrued and unpaid interest, if any, thereon (which offer shall be deemed to be an Asset Sale Offer for purposes hereof).
(2) to the extent the assets or property disposed of in the Asset Sale did not constitute Collateral:

(i) to repay (u) Obligations under the Senior Credit Facilities, (v) Obligations under the Existing First Lien Notes, (w) Obligations under the Silver Lake First Lien Notes, (x) Obligations under the New First Lien Notes, (y) Obligations under the Securities or (z) any Additional First Lien Obligations and, in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will either (A) reduce the aggregate principal amount of Obligations under the Securities on a ratable basis with any such First Lien Obligations repaid pursuant to this clause (2)(i) by purchasing Securities through open-market purchases or in privately negotiated transactions (which may be below par) and/or (B) make an offer (in accordance with the provisions set forth below for an Asset Sale Offer) to all Holders to purchase their Securities on a ratable basis with any First Lien Obligations repaid pursuant to this clause (2)(i) for no less than 100% of the principal amount thereof, plus the amount of accrued and unpaid interest, if any, thereon (which offer shall be deemed to be an Asset Sale Offer for purposes hereof); or

(ii) to repay Obligations under any Senior Indebtedness (other than any Senior Indebtedness referred to in clause (2)(i) above) and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will either (A) reduce the aggregate principal amount of Obligations under the Securities on a ratable basis with any such Senior Indebtedness repaid pursuant to this clause (2)(ii) by purchasing Securities through open-market purchases or in privately negotiated transactions (which may be below par) and/or (B) make an offer (in accordance with the provisions set forth below for an Asset Sale Offer) to all Holders to purchase their Securities on a ratable basis with any Senior repaid pursuant to this clause (2)(ii) for no less than 100% of the principal amount thereof, plus the amount of accrued and unpaid interest, if any, thereon (which offer shall be deemed to be an Asset Sale Offer for purposes hereof);

(3) to invest in the business of the Company and its Subsidiaries (including any acquisition or other Investment permitted under this Indenture); or
(4) any combination of the foregoing;

(c) provided that, in the case of clause (3) above, a binding commitment or letter of intent shall be treated as a permitted application of the Applicable Proceeds from the date of such commitment or letter of intent so long as the Company or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds will be applied to satisfy such commitment or letter of intent within 180 days of the expiration of the Asset Sale Proceeds Application Period (an “Acceptable Commitment”) and such Applicable Proceeds are actually applied in such manner within 180 days of the expiration of the Asset Sale Proceeds Application Period (the period from the consummation of the Asset Sale to such date, the “Commitment Application Period”), and, in the event any Acceptable Commitment is later cancelled or terminated for any reason after the expiration of the Asset Sale Proceeds Application Period and before the Applicable Proceeds are applied in connection therewith, then such Applicable Proceeds shall constitute Excess Proceeds unless the Company or such Restricted Subsidiary reasonably expects to enter into another Acceptable Commitment prior to the expiration of the Asset Sale Proceeds Application Period and such Applicable Proceeds are actually applied in such manner prior to the expiration of the Commitment Application Period. To the extent Applicable Proceeds from an Asset Sale exceed amounts that are invested or applied as provided and within the time period set forth in Section 4.10(b), such excess amount will be deemed to constitute “Excess Proceeds”; provided that any amount of Applicable Proceeds offered to Holders of any Securities pursuant to clauses (1) or (2) above shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any Holders. If at any time the aggregate amount of Excess Proceeds exceeds $100.0 million, then the Company shall within 20 Business Days make an offer to all Holders and, if required or permitted by the terms of any other First Lien Obligations and/or, to the extent that the assets or property disposed of in the Asset Sale were not Collateral, Indebtedness that is pari passu in right of payment with the Securities (“Pari Passu Indebtedness”), to the Holders of such First Lien Obligations and/or Pari Passu Indebtedness, as applicable (an “Asset Sale Offer”), to purchase the maximum aggregate principal amount (or accreted value, as applicable) of the Securities and such First Lien Obligations and/or Pari Passu Indebtedness, as applicable, out of the amount of the Excess Proceeds (in the case of any First Lien Obligations and/or Pari Passu Indebtedness, if applicable, in accordance with the documents governing such First Lien Obligations and/or Pari Passu Indebtedness). The Company shall commence an Asset Sale Offer by sending the notice required pursuant to the terms of Section 13.07. The Company may satisfy the foregoing obligation with respect to such Applicable Proceeds from an Asset Sale by making an Asset Sale Offer in advance of being required to do so by this Indenture (an “Advance Offer”) with respect to all or part of the available Applicable Proceeds (the “Advance Portion”).

(d) If the aggregate principal amount (or accreted value, as applicable) of Securities and, if applicable, First Lien Obligations and/or Pari Passu Indebtedness, tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero (regardless of whether there are any remaining Excess Proceeds upon such completion), and in the case of an Advance Offer, the Advance Portion shall be excluded in subsequent calculations of Excess Proceeds.
Pending the final application of an amount equal to the Applicable Proceeds pursuant to this Section 4.10, the holder of such Applicable Proceeds may apply any Applicable Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility (including under the Senior Credit Facilities) or otherwise invest such Applicable Proceeds in any manner not prohibited by this Indenture. For the avoidance of doubt, the Company may apply any Retained Declined Proceeds in any manner not prohibited by this Indenture and such Retained Declined Proceeds shall in no event and under no circumstances constitute Excess Proceeds.

Notwithstanding anything in this Indenture to the contrary, (i) to the extent that any of or all the Applicable Proceeds received by a Foreign Subsidiary are prohibited or delayed under any Requirements of Law from being repatriated to the Company, the portion of such Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.10 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Company (the Company hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Applicable Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.10, and (ii) to the extent that and for so long as the Company has determined in good faith that repatriation of any of or all the Applicable Proceeds would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), the Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.10 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary; provided that when the Company determines in good faith that repatriation of any of or all the Applicable Proceeds received by a Foreign Subsidiary would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), such Applicable Proceeds shall be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.10.

For purposes of clause (a)(2) of this Section 4.10 (and no other provision), the following shall be deemed to be cash or Cash Equivalents:

1. the greater of the principal amount and carrying value of any liabilities (as reflected on the most recent balance sheet of the Company (or a Parent Entity) provided hereunder or in the footnotes thereto), or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the balance sheet of the Company (or Parent Entity) or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Secured Notes Obligations, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) pursuant to a written agreement which releases the Company or such Restricted Subsidiary from such liabilities;
(2) any securities received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of the applicable Asset Sale; and

(3) any Designated Non-Cash Consideration received by the Company or such Restricted Subsidiary in respect of such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (3) that is at that time outstanding, not in excess (at the time of receipt of such Designated Non-Cash Consideration) of 5% of Consolidated Total Assets for the most recently ended Test Period as of the time of receipt of such Designated Non-Cash Consideration, with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(h) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Securities pursuant to an Asset Sale Offer or an Advance Offer. To the extent that the provisions of any securities laws or regulations conflict with the asset sale provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the asset sale provisions of this Indenture by virtue of such compliance.

(i) The provisions of this Indenture relating to the Company’s obligation to make an offer to repurchase the Securities as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in aggregate principal amount of the Securities then outstanding. An Asset Sale Offer or Advance Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Securities and/or the Guarantees so long as the tender of the Securities by a Holder is not conditioned upon the delivery of consents by such Holder.

Section 4.11. After-Acquired Collateral. From and after the Issue Date, and subject to the applicable limitations and exceptions set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if the Company or any Guarantor creates any additional security interest upon any property or asset that would constitute Collateral to secure any First Lien Obligations, the Company and each of the Guarantors shall concurrently grant a first-priority perfected security interest (subject to Permitted Liens) upon any such Collateral, as security for the Secured Notes Obligations.
ARTICLE 5
SUCCESSORS

Section 5.01. When Company May Merge, Etc. Subject to Section 5.02, the Company shall not consolidate with, or merge with or into, or sell, transfer, lease, convey, or otherwise dispose of all or substantially all of the consolidated property or assets of the Company and its Subsidiaries, taken as a whole, to another Person (other than one or more Subsidiaries of the Company (it being understood that this Article 5 shall not apply to a sale, transfer, lease, conveyance or other disposition of property or assets between or among the Company and its Subsidiaries)), whether in a single transaction or series of related transactions, unless each of the following is satisfied: (i)(x) the Company is the continuing Person or (y) such other Person is organized and existing under the laws of the United States of America, any state of the United States of America or the District of Columbia, such other Person assumes by supplemental indenture all of the obligations of the Company under the Securities and this Indenture and following such transaction or series of related transactions the Reference Property does not include interests in an entity that is a partnership for U.S. federal income tax purposes, (ii) immediately after giving effect to such transaction or series of transactions on a pro forma basis, no Default or Event of Default shall have occurred and be continuing under this Indenture, (iii) immediately after giving effect to such transaction and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, except in the case of the consolidation or merger of any Subsidiary with or into the Company, the Company (or the surviving entity if the Company is not the continuing corporation) will (A) be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Consolidated Debt Ratio set forth in Section 4.07(a) or (B) have a Consolidated Debt Ratio equal to or less than the Consolidated Debt Ratio immediately prior to such transaction and (iv) each Guarantor, unless it is the other party to the transactions described above, in which case Section 5.01(i)(y) and Section 14.03(b), as applicable, shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person’s obligations under this Indenture and the Securities.

For purposes of this Section 5.01, the sale, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of one or more Subsidiaries of the Company to another Person other than the Company or one or more other Subsidiaries of the Company, which properties or assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the consolidated properties or assets of the Company and its Subsidiaries, taken as a whole, shall be deemed to be the sale, transfer, lease, conveyance or other disposition of all or substantially all of the consolidated properties or assets of the Company and its Subsidiaries, taken as a whole, to another Person.

The Company shall deliver to the Trustee substantially concurrently with or prior to the consummation of the proposed transaction an Officers’ Certificate and an Opinion of Counsel (which may rely upon such Officers’ Certificate as to the absence of Defaults and Events of Default and other statements of fact) stating that the proposed transaction and, if required, such supplemental indenture (if any) will, upon consummation of the proposed transaction, comply with the applicable provisions of this Indenture.
Section 5.02.  **Successor Substituted.** In case of any such consolidation, merger or any sale, transfer, lease, conveyance or other disposition of all or substantially all of the consolidated property or assets of the Company and its Subsidiaries, taken as a whole, and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the due and punctual payment of the principal of and accrued and unpaid interest on all of the Securities, the due and punctual payment of the Fundamental Change Repurchase Price with respect to all Securities repurchased on each Fundamental Change Repurchase Date, the due and punctual payment of the Redemption Price due on a Redemption Date, the due and punctual delivery or payment, as the case may be, of any consideration due upon conversion of the Securities and the due and punctual performance of all of the covenants and conditions of this Indenture and the Securities to be performed by the Company, such successor Person shall succeed to and be substituted for the Company, with the same effect as if it had been named herein as the party of the first part. Such successor Person thereupon may cause to be signed, and may issue either in its own name or in the name of the Company any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor Person instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver, or cause to be authenticated and delivered, any Securities that previously shall have been signed and delivered by the Officers of the Company to the Trustee for authentication, and any Securities that such successor Person thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof. In the event of any such consolidation, merger or any sale, transfer, conveyance or other disposition (but not in the case of a lease), upon compliance with this Article 5, the Person named as the “Company” in the first paragraph of this Indenture or any successor that shall thereafter have become such in the manner prescribed in this Article 5, except in the case of a lease, shall be released from its liabilities as obligor and maker of the Securities and its obligations under this Indenture shall terminate. To the extent any assets of the Person who is merged, consolidated or amalgamated with or into the successor Person are assets of the type that would constitute Collateral under the Security Documents, the successor Person will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents;

In case of any such consolidation, merger or any sale, transfer, lease, conveyance or other disposition, such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.
ARTICLE 6  
DEFAULTS AND REMEDIES

Section 6.01.  Events of Default. An “Event of Default”, wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(g) any holder of any Indebtedness in excess of $50.0 million in the aggregate of the Company, any Significant Subsidiary or any Parent Guarantor shall notify the Trustee of the intended sale or disposition of any assets of the Company, any Significant Subsidiary or any Parent Guarantor that have been pledged to or for the benefit of such Person to secure such Indebtedness or shall commence proceedings, or take action (including by way of set-off) to retain in satisfaction of any such Indebtedness, or to collect on, seize, dispose of or apply, any such asset of the Company, any Significant Subsidiary or any Parent Guarantor pursuant to the terms of any agreement or instrument evidencing any such Indebtedness of the Company, any Significant Subsidiary or any Parent Guarantor or in accordance with applicable law;

(h) one or more final judgments or orders shall be rendered against the Company, any Significant Subsidiary or any Parent Guarantor for the payment of money, either individually or in an aggregate amount, in excess of $50.0 million and shall not be discharged and either (i) an enforcement proceeding shall have been commenced by any creditor upon such judgment or order or (ii) there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, was not in effect;

(vi) consents to the filing of such petition in bankruptcy or the appointment of or taking possession by a Custodian;

(j) a court of competent jurisdiction in any involuntary case or proceeding enters a Bankruptcy Order against the Company, any Significant Subsidiary or any Parent Guarantor, and such Bankruptcy Order remains unstayed and in effect for 60 consecutive days;

(k) a Custodian shall be appointed out of court with respect to the Company, any Significant Subsidiary or any Parent Guarantor, or with respect to all or any substantial part of the property of the Company, any Significant Subsidiary or any Parent Guarantor;

(l) except as permitted by this Indenture, the Guarantee of any Significant Subsidiary or any Parent Guarantor shall be held in any judicial proceeding to be unenforceable or invalid or cease for any reason to be in full force and effect or any Guarantor, or any Person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Guarantee.

(m) (i) any Lien purported to be created under any Security Document (x) shall cease to be, or (y) shall be asserted by the Company or any Guarantor not to be, a valid and perfected Lien on any material portion of the Collateral, except (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) as a result of the failure of the Controlling Collateral Agent or Notes Collateral Agent to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (C) as to Collateral consisting of real property, to the extent that such losses are covered by a lender’s title insurance policy and such insurer has not denied coverage; and (ii) such default continues for 30 days after receipt of written notice given by the Trustee or the Holders of not less than 25% in aggregate principal amount of the Securities then outstanding;

(n) any material provision of any Security Document or any Guarantee shall for any reason be asserted by the Company or any Guarantor not to be a legal, valid and binding obligation of the Company or such Guarantor other than as expressly permitted hereunder or thereunder; or
(o) except as permitted by this Indenture, the Guarantee of any Guarantor shall cease to be in full force and effect.

A Default under clause (e) above shall not be an Event of Default until (A) the Trustee notifies the Company in writing, or the Holders of at least twenty five percent (25%) in aggregate principal amount of the Securities then outstanding notify the Company and the Trustee in writing, of the Default and (B) the Default is not cured within sixty (60) days after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default." If the Holders of at least twenty five percent (25%) in aggregate principal amount of the outstanding Securities request the Trustee to give such notice on their behalf, the Trustee shall do so. When a Default is cured, it ceases to exist for all purposes under this Indenture.

Section 6.02. Acceleration.

(a) Subject to Section 6.02(b), if applicable, if an Event of Default (excluding an Event of Default specified in Section 6.01(i), Section 6.01(j) or Section 6.01(k)) has occurred and is continuing, either the Trustee, by written notice to the Company, or the Holders of at least twenty five percent (25%) in aggregate principal amount of the Securities then outstanding, by written notice to the Company and the Trustee, may declare 100% of the principal of, and accrued and unpaid interest on, all the Securities to be immediately due and payable in full. Upon such declaration, the principal of, and any accrued and unpaid interest on, all Securities shall be due and payable immediately. If an Event of Default specified in Section 6.01(i), Section 6.01(j) or Section 6.01(k) occurs, 100% of the principal of, and accrued and unpaid interest on, all the Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) The Holders of a majority in aggregate principal amount of the Securities then outstanding by written notice to the Trustee may rescind or annul an acceleration and its consequences if (i) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (ii) all existing Events of Default, except the nonpayment of principal or interest that has become due solely because of the acceleration, have been cured or waived (or are waived concurrently with such rescission or annulment) and (iii) all amounts due to the Trustee under Section 7.06 have been paid. Upon any such rescission or annulment, the Events of Default that were the subject of such acceleration shall cease to exist and deemed to have been cured for every purpose.

Section 6.03. Other Remedies. Notwithstanding any other provision of this Indenture, if an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of amounts due with respect to the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative.
In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Securities, and it shall not be necessary to make any Holders of the Securities parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver pursuant hereto or any rescission and annulment pursuant hereto or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Holders and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Holders and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.04. *Waiver of Past Defaults.* Subject to Section 6.07 and Section 9.02, the Holders of a majority in aggregate principal amount of the Securities then outstanding may on behalf of all Holders of Securities, by written notice to the Trustee, waive any past Default or Event of Default and its consequences, other than a Default or Event of Default (a) in the payment of the principal of, or interest on, any Security, or in the payment of the Fundamental Change Repurchase Price or the Redemption Price, as the case may be, (b) arising from a failure by the Company to convert any Securities in accordance with this Indenture or (c) in respect of any provision of this Indenture or the Securities which, under Section 9.02, cannot be modified or amended without the consent of the Holder of each outstanding Security affected, if:

(i) all existing Defaults or Events of Default, other than the nonpayment of the principal of and interest on the Securities that have become due solely by the declaration of acceleration, have been cured or waived; and

(ii) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

When a Default or an Event of Default is waived, it is cured and ceases to exist for all purposes under this Indenture, but no such waiver will extend to any subsequent or other Default or Event of Default or impair any rights of Holders or the Trustee related thereto.

Section 6.05. *Control by Majority.* Subject to the First Lien Intercreditor Agreement, the Holders of a majority in aggregate principal amount of the Securities then outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Notes Collateral Agent or exercising any trust or power conferred on it with respect to the Securities. However, the Trustee or the Notes Collateral Agent may refuse to follow any direction that conflicts with law or this Indenture, is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent, as applicable, in personal liability unless the Trustee or Notes Collateral Agent, as applicable, is offered indemnity satisfactory to it; *provided* that the Trustee or Notes Collateral Agent, as applicable, may take any other action deemed proper by the Trustee or Notes Collateral Agent, as applicable, that is not inconsistent with such direction.
Section 6.06. Limitation on Suits. Except with respect to any proceeding instituted in accordance with Section 6.07 and subject to the First Lien Intercreditor Agreement, a Holder shall not have any right to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver or a trustee, or for any other remedy under this Indenture unless:

(a) such Holder previously shall have given the Trustee written notice of a continuing Event of Default;

(b) the Holders of at least twenty five percent (25%) in aggregate principal amount of the Securities then outstanding shall have made a written request to the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;

(c) such Holder or Holders shall have offered and if requested, provided to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense to or of the Trustee in connection with pursuing such remedy; and

(d) the Trustee shall have failed to comply with the request for sixty (60) days after receipt of such notice, request and offer of indemnity, and during such sixty (60) day period, the Holders of a majority in aggregate principal amount of the Securities then outstanding have not given the Trustee a direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders). A Holder shall have the right to not enforce any right under this Indenture except in the manner herein.

Section 6.07. Rights of Holders to Receive Payment and to Convert Securities. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of all amounts (including any principal, interest or the Fundamental Change Repurchase Price or the Redemption Price) due with respect to the Securities, on or after the respective due dates as provided herein, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of the Holder.

In addition, notwithstanding any other provision of this Indenture, the right of any Holder to convert a Security, or receive consideration due upon conversion of a Security, in accordance with this Indenture, or to bring suit for the enforcement of such right, shall not be impaired or affected without the consent of the Holder.

Section 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or Section 6.01(b) has occurred and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount due with respect to the Securities, including any unpaid and accrued interest.
Section 6.09. **Trustee May File Proofs of Claim.** The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee, any predecessor Trustee and the Holders allowed in any judicial proceedings relative to the Company or its creditors or properties.

The Trustee may collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. **Priorities.** If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee and the Notes Collateral Agent for amounts due under Section 7.06;

Second: to Holders for all amounts due and unpaid on the Securities, without preference or priority of any kind, according to the amounts due and payable on the Securities; and

Third: the balance, if any, to the Company.

The Trustee, upon prior written notice to the Company, may fix a record date and payment date for any payment by it to Holders pursuant to this Section 6.10. At least fifteen (15) days before each such record date, the Trustee shall send to each Holder and the Company a written notice that states such record date and payment date and the amount of such payment.

Section 6.11. **Undertaking for Costs.** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit other than the Trustee of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys’ fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by a Holder or group of Holders of more than ten percent (10%) in aggregate principal amount of the outstanding Securities.
ARTICLE 7
TRUSTEE

Section 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee need perform only those duties that are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(ii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to the provisions of this Section 7.01.

(e) The Trustee shall not be liable for interest on or the investment of any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.
Section 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it in good faith to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document; if, however, the Trustee shall determine to make such further inquiry or investigation, it shall be entitled during normal business hours to examine the relevant books, records and premises of the Company, personally or by agent or attorney upon reasonable prior notice, at the sole cost of the Company, and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers’ Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers’ Certificate or Opinion of Counsel.

(c) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Order, and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution.

(d) The Trustee may consult with counsel of its own selection, and the advice of such counsel or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(e) The Trustee may act through agents or attorneys and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(f) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its discretion, rights or powers conferred upon it by this Indenture; provided that the Trustee’s action does not constitute willful misconduct or negligence.

(g) Except with respect to Section 4.01, where it acts as Paying Agent, the Trustee shall have no duty to inquire as to the performance of the Company with respect to the covenants contained in Article 4. In addition, the Trustee shall not be deemed to have knowledge of an Event of Default except (i) any Default or Event of Default occurring pursuant to Section 6.01(a) or (b) for which it acts as Paying Agent or (ii) any Default or Event of Default of which a Responsible Officer of the Trustee who shall have direct responsibility for the administration of this Indenture shall have received written notification or obtained actual knowledge. Delivery of reports, information and documents to the Trustee under Article 4 (other than Section 4.04 and 4.06) is for informational purposes only and the Trustee’s receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely on Officers’ Certificates).

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested by this Indenture at the request or demand of any of the Holders pursuant to this Indenture unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or demand.
(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including without limitation, its right to be indemnnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each Securities Agent, agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company and any Guarantor deliver a certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any Person authorized to sign an Officers’ Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) Anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee or any Securities Agent be liable under or in connection with this Indenture and the Securities for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee or such Securities Agent has been advised of the possibility thereof and regardless of the form of action in which such damages are sought.

(l) No bond or surety shall be required of the Trustee with respect to performance of the Trustee’s duties and powers hereunder;

(m) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by this Indenture or the Securities.

(n) Any discretion, permissive right, or privilege of the Trustee hereunder shall not be deemed to be or otherwise construed as a duty or obligation of the Trustee hereunder.

Section 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or any of its Affiliates with the same rights the Trustee would have if it were not Trustee. Any Securities Agent may do the same with like rights. The Trustee, however, must comply with Section 7.09.

Section 7.04. Trustee’s Disclaimer. The Trustee makes no representation as to the validity or adequacy of this Indenture or the Securities; the Trustee shall not be accountable for the Company’s use of the proceeds from the Securities; and the Trustee shall not be responsible for any statement in the Securities other than its certificate of authentication.

Section 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing as to which the Trustee is deemed to have knowledge in accordance with Section 7.02(g), then the Trustee shall send to each Holder a notice of the Default or Event of Default within thirty (30) days after receipt of such notice or after acquiring such knowledge, as applicable, unless such Default or Event of Default has been cured or waived; provided, however, that, except in the case of a Default or Event of Default in payment or delivery of any amounts due (including principal, interest, the Fundamental Change Repurchase Price, the Redemption Price or the consideration due upon conversion) with respect to any Security, the Trustee may withhold such notice if, and so long as it in good faith determines that, withholding such notice is in the best interests of Holders.
Section 7.06.  **Compensation and Indemnity.** The Company shall pay to the Trustee from time to time such compensation for its services hereunder as shall be mutually agreed upon in writing. The Trustee’s compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred by it pursuant to, and in accordance with, any provision hereof, except for any such expenses as shall have been caused by the Trustee’s own negligence or willful misconduct. Such expenses shall include the reasonable compensation and out-of-pocket expenses of the Trustee’s agents and counsel. The Trustee shall provide the Company with reasonable notice of any expense not in the ordinary course of business.

The Company and the Guarantors, jointly and severally, shall indemnify each of the Trustee, each predecessor Trustee and their respective agents for, and hold each of them harmless against, any and all loss, liability, damage, claim, cost or expense (including the reasonable fees and expenses of counsel and taxes other than those based upon the income of the Trustee) incurred by it in connection with the acceptance or administration of this trust, the performance of its duties and/or the exercise of its rights hereunder, or in connection with enforcing the provisions of this Section 7.06, including the reasonable costs and expenses of defending itself against any claim (whether asserted by the Company, any Guarantor or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers and duties hereunder. The Company and the Guarantors need not pay for any settlement made without their consent. The Trustee shall notify the Company promptly of any claim for which it may seek indemnification; provided that failure to give such notice shall not relieve the Company and the Guarantors of their obligations under this Section 7.06. The Company and the Guarantors need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee through the Trustee’s own negligence or willful misconduct.

To secure the Company’s and the Guarantors’ payment obligations in this Section 7.06, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee, except that held in trust to pay amounts due on particular Securities.

The indemnity obligations of the Company and the Guarantors with respect to the Trustee provided for in this Section 7.06 shall survive any resignation or removal of the Trustee and any termination of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(i), Section 6.01(j) or 6.01(k) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07.  **Replacement of Trustee.** A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee’s acceptance of appointment as provided in this Section 7.07. For the avoidance of doubt, the Trustee shall continue its role until the appointment of a successor Trustee is effective.
The Trustee may resign by so notifying the Company in writing thirty (30) days prior to such resignation. The Holders of a majority in aggregate principal amount of the Securities then outstanding may remove the Trustee by so notifying the Trustee and the Company in writing and may appoint a successor Trustee with the Company’s consent. The Company may remove the Trustee if:

(a) the Trustee fails to comply with Section 7.09;
(b) the Trustee is adjudged bankrupt or insolvent;
(c) a receiver or other public officer takes charge of the Trustee or its property; or
(d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed for any reason, the Company shall promptly appoint a successor Trustee so that no vacancy exists in the role of Trustee.

If a successor Trustee does not take office within thirty (30) days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company’s expense), the Company or the Holders of at least ten percent (10%) in aggregate principal amount of the outstanding Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.09, the Company or any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06.

Section 7.08. Successor Trustee by Merger, Etc. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee, if such successor corporation is otherwise eligible hereunder.

Section 7.09. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that (i) is an entity organized and doing business under the laws of the United States of America or of any state thereof or the District of Columbia, (ii) is subject to supervision or examination by federal or state authorities and (iii) has a combined capital and surplus of at least $50 million as set forth in its most recent published annual report of condition.
Section 7.10. **Preferential Collection of Claims Against Company.** To the extent the TIA then applies to the Indenture, the Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). To the extent the TIA then applies to the Indenture, a Trustee who has resigned or been removed shall be subject to §311(a) to the extent indicated.

Section 7.11. **Reports by Trustee to Holders.** Within 60 days after each May 15, beginning with May 15, 2019, the Trustee shall send to all Holders of the Securities, as their names and addresses appear on the register kept by the Registrar, a brief report in accordance with, and to the extent required under, TIA § 313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b)(2). The Trustee will also send all reports as required by TIA § 313(c). A copy of each report at the time of its delivery to the Holders of Securities shall be delivered to the Company and each stock exchange on which the Securities are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee in writing when the Securities are listed on any stock exchange or any delisting thereof.

ARTICLE 8
DISCHARGE OF INDENTURE

Section 8.01. **Termination of the Obligations of the Company.** This Indenture shall cease to be of further effect, the Liens on the Collateral securing the Securities will be released and the Trustee shall execute instruments acknowledging satisfaction and discharge of this Indenture, if (a) either (i) all outstanding Securities (other than Securities replaced pursuant to Section 2.07) have been delivered to the Trustee for cancellation or (ii) all outstanding Securities have become due and payable at their scheduled maturity, upon conversion or Repurchase Upon Fundamental Change, or redemption, and in either case the Company irrevocably deposits, prior to the applicable due date, with the Trustee or the Paying Agent (if the Paying Agent is not the Company or any of its Affiliates) cash (or, in the case of conversion, delivers to the Holders in accordance with Article 10 cash, Common Stock (and cash in lieu of any fractional shares) or a combination thereof, as applicable, solely to satisfy the Company’s Conversion Obligation) sufficient to satisfy all obligations due and owing on all outstanding Securities (other than Securities replaced pursuant to Section 2.07) on the Maturity Date, the relevant settlement date of any conversion, the Fundamental Change Repurchase Date or Redemption Date, as the case may be; (b) the Company pays to the Trustee all other sums payable hereunder by the Company or any Guarantor (including without limitation to every Guarantor with the resulting effect that no Guarantor remains subrogated to the rights of the Holders against the Company pursuant to Section 14.05); (c) no default or Event of Default under this Indenture shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; and (d) the Company or any Guarantor has delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel (which may rely on the Officers’ Certificate as to the absence of a default, breach or violation and as to any factual matters), each stating that all conditions precedent provided for herein relating to the satisfaction and discharge of this Indenture have been complied with; **provided, however, that Section 2.03, Section 2.04, Section 2.05, Section 2.08, Section 7.06, Section 7.07, Section 7.08, Section 7.09, Section 16.09 and Section 16.14, and this Article 8 shall survive any discharge of this Indenture until such time as all payments in respect of the Securities have been paid in full and there are no Securities outstanding; provided further, however, that Section 7.06 shall also survive after the Securities are paid in full and there are no Securities outstanding.**
Section 8.02.  **Application of Trust Money.** The Trustee shall hold in trust all money deposited with it pursuant to Section 8.01 and shall apply such deposited money through the Paying Agent and in accordance with this Indenture to the payment of amounts due on the Securities.

Section 8.03.  **Repayment to Company.** Subject to applicable escheatment laws, the Trustee and the Paying Agent shall promptly notify the Company, and pay to the Company upon the written request of the Company, any excess money or property held by them at any time. The Trustee or the Paying Agent, as the case may be, shall provide written notice to the Company of any money or property that has been held by it and has, for a period of two (2) years, remained unclaimed for the payment of the principal of, or any accrued and unpaid interest on, the Securities. Subject to the requirements of applicable law, the Trustee and the Paying Agent shall pay to the Company upon the written request of the Company any money held by them for the payment of the principal of, or any accrued and unpaid interest on, the Securities that remains unclaimed for two (2) years. After payment to the Company, Holders entitled to the money must look to the Company for payment as general creditors, subject to applicable law, and all liability of the Trustee and the Paying Agent with respect to such money and payment shall, subject to applicable law, cease.

Section 8.04.  **Reinstatement.** If any money, Common Stock or other consideration cannot be applied in accordance with Section 8.01 and Section 8.02 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Company and the Guarantors under this Indenture and the Securities shall be revived and reinstated as though no deposit or delivery had occurred pursuant to Section 8.01 and Section 8.02 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.01 and Section 8.02; provided, however, that if the Company or any Guarantor has made any payment of amounts due with respect to any Securities because of the reinstatement of its obligations, then the Company or such Guarantor shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money, Common Stock or other consideration held by the Trustee or Paying Agent.

**ARTICLE 9**

**AMENDMENTS**

Section 9.01.  **Without Consent of Holders.** The Company, any Guarantor (with respect to its Guarantee, this Indenture, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor or the Security Documents to which it is a party and excluding any amendment or supplement the sole purpose of which is to add an additional Guarantor), the Trustee and the Notes Collateral Agent may amend or supplement this Indenture, the Securities, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or the Security Documents without notice to or the consent of any Holder:

(g) to irrevocably elect or eliminate one or more Settlement Methods and/or irrevocably elect a minimum Specified Dollar Amount, in each case except with respect to a Security (i) as to which a Conversion Date has occurred, (ii) following the 27th Scheduled Trading Day prior to the Maturity Date or (iii) in the case of SL Securities only as provided in Section 10.02(a)(v);

(h) to make any change that does not adversely affect the rights of any Holder;

(i) to permit the conversion of the Securities into Reference Property in accordance with Section 10.11;

(j) to comply with the requirement of the SEC in order to effect or maintain the qualification of this Indenture and any supplemental indenture under the TIA;

(k) to add a Guarantor or Guarantee under this Indenture, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents, or to release any such Guarantor or Guarantee if at the time of such release such Guarantor is not otherwise required by this Indenture to be a Guarantor;

(l) to release any Collateral from the Lien securing the Securities when permitted or required by the Security Documents, this Indenture (including any release of any Lien that is not then otherwise required by this Indenture to be pledged as security for the Securities) or the First Lien Intercreditor Agreement;

In addition, the Company, the Trustee and the Notes Collateral Agent may enter into a supplemental indenture without the consent of Holders of the Securities to cure any ambiguity, defect, omission or inconsistency in this Indenture in a manner that does not materially adversely affect the rights of any Holder.

Any supplemental indenture authorized by the provisions of this Section 9.01 may be executed by the Company, any Guarantor, the Trustee and the Notes Collateral Agent without the consent of the Holders of any of the Securities at the time outstanding, notwithstanding any of the provisions of Section 9.02.

Section 9.02. With Consent of Holders. Subject to the immediately succeeding paragraph, the Company may amend or supplement this Indenture, the Guarantees, the Securities, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and the other Security Documents with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (including, without limitation, consents obtained from Holders in connection with a purchase of, or tender or exchange offer for, Securities) and in compliance with Section 4.19 of the Investment Agreement. Subject to Section 6.04 and 6.07, the immediately succeeding paragraph and Section 4.19 of the Investment Agreement, the Holders of a majority in aggregate principal amount of the outstanding Securities may, by written notice to the Trustee, waive by consent (including, without limitation, consents obtained from Holders in connection with a purchase of, or tender or exchange offer for, Securities) compliance by the Company with any provision of this Indenture, the Securities, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or any Security Document without notice to any other Holder. Notwithstanding the foregoing or anything herein to the contrary, without the consent of the Holder of each outstanding Security affected, an amendment, supplement or waiver, including a waiver pursuant to Section 6.04, may not:
(a) change the stated maturity of the principal of, or the payment date of any installment of interest on, any Security;

(b) reduce the principal amount of any Security, or any interest on, any Security or alter or waive the provisions with respect to the redemption of such Security;

(c) change the place or currency of payment of principal of, or any interest on, any Security;

(d) impair the right of any Holder to receive any payment on, or with respect to, or any delivery or payment due upon the conversion of, any Security or impair the right to institute suit for the enforcement of any delivery or payment on, or with respect to, or due upon the conversion of, any Security;

(e) reduce the Fundamental Change Repurchase Price or modify, in a manner adverse to Holders, the obligation of the Company pursuant to Section 3.01 to repurchase Securities upon the occurrence of a Fundamental Change;

(f) reduce the Conversion Rate other than as provided in this Indenture or adversely affect the right of Holders to convert Securities in accordance with Article 10;

(g) reduce the percentage in aggregate principal amount of outstanding Securities whose Holders must consent to a modification to or amendment of any provision of this Indenture or the Securities; or

(h) modify the provisions of this Article 9 that require each Holder’s consent or the waiver provisions of Section 6.04 with respect to modification and waiver (including waiver of a Default or an Event of Default), except to increase the percentage required for modification or waiver or to provide for the consent of each affected Holder.

Notwithstanding the foregoing or anything to the contrary, so long as any SL Securities are outstanding, without the consent of the Holders of 100% of the aggregate principal amount of the SL Securities, an amendment, supplement or waiver, including a waiver pursuant to Section 6.04, may not modify (x) any provision contained in this Indenture specifically and uniquely applicable to the SL Securities in a manner adverse to the Holders of, or the holders of a beneficial interest in, the SL Securities, (y) the proviso to the definition of Conversion Rate or (z) Section 13.01(b).

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Securities then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Secured Notes Obligations or (B) change or alter the priority of the Liens securing the Secured Notes Obligations in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture or the Security Documents.
Promptly after an amendment, supplement or waiver under Section 9.01 or this Section 9.02 becomes effective, the Company shall send, or cause to be sent, to Holders (with a copy to the Trustee) a notice briefly describing such amendment, supplement or waiver. Any failure of the Company to send such notice shall not in any way impair or affect the validity of such amendment, supplement or waiver.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

In addition, Holders will be deemed to have consented for purposes of the Security Documents and the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, and the Notes Collateral Agent and the Trustee will be authorized, to amend or supplement the Security Documents to add additional secured parties to the extent Liens securing Indebtedness and other Obligations held by such parties are permitted under this Indenture. In executing any such amendment, supplement, consent or waiver to the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement or Security Document or in entering into a new intercreditor agreement or Security Document, the Trustee and Notes Collateral Agent shall be entitled to receive and (subject to their duties set forth in this Indenture) shall be fully protected in relying upon an Officers’ Certificate stating that the execution of such amendment, supplement, consent or waiver or new agreement is authorized or permitted by the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable, and/or Security Document, as the case may be, and complies with the provisions thereof and of this Indenture. Notwithstanding anything in this Indenture to the contrary, no opinion of counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

Section 9.03.  Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective (or until such earlier date as specified by the Company in connection with the solicitation of such consent), a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder’s Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to its Security or portion of a Security if the Trustee receives the notice of revocation before the date the amendment, supplement or waiver becomes effective (or such earlier date specified by the Company in connection with the solicitation of such consent).

After an amendment, supplement or waiver becomes effective with respect to the Securities, it shall bind every Holder unless such amendment, supplement or waiver makes a change that requires, pursuant to Section 9.02, the consent of each Holder affected. In that case, the amendment, supplement or waiver shall bind each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder’s Security.
Nothing in this Section 9.03 shall impair the Company’s rights pursuant to Section 9.01 to amend this Indenture or the Securities without the consent of any Holder in the manner set forth in, and permitted by, such Section 9.01.

Section 9.04.  \textit{Notation on or Exchange of Securities.} If an amendment, supplement or waiver changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security as directed and prepared by the Company about the changed terms and return it to the Holder. Alternatively, if the Company so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms.

Section 9.05.  \textit{Trustee Protected.} The Trustee and the Notes Collateral Agent shall sign any amendment, supplemental indenture or waiver authorized pursuant to this Article 9; \textit{provided, however,} that the Trustee or the Notes Collateral Agent need not sign any amendment, supplement or waiver authorized pursuant to this Article 9 that adversely affects the Trustee’s or the Collateral Agent’s rights, duties, liabilities or immunities. The Trustee shall receive and conclusively rely upon an Opinion of Counsel as to legal matters and an Officers’ Certificate as to factual matters that any supplemental indenture, amendment or waiver is permitted or authorized pursuant to this Indenture and constitutes the legal, valid and binding obligation of the Company enforceable in accordance with its terms (subject to customary exceptions). Notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

Section 9.06.  \textit{Effect of Amendment.} Upon the due execution and delivery of any amendment in accordance with this Article 9, this Indenture, the Securities, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents, as applicable, shall be modified in accordance therewith and, except as set forth in Section 9.02 and Section 9.03, every Holder of Securities shall be bound thereby.

\section*{ARTICLE 10
CONVERSION

\textbf{Section 10.01.  Conversion Privilege.}}

(a) Subject to the limitations of this Section 10.01, Section 10.02, Section 10.11 and the settlement provisions of Section 10.14(c), and upon compliance with the provisions of this Article 10, each Holder of a Security shall have the right, at such Holder’s option, to convert all or any portion (if the portion to be converted is $1,000 principal amount or a multiple thereof) of such Security at any time prior to the Close of Business on the Scheduled Trading Day immediately preceding the Original Maturity Date, in each case, at the then applicable Conversion Rate per $1,000 principal amount of Securities (subject to the settlement provisions of Section 10.02, the “\textit{Conversion Obligation}”).

79
To convert its Security, a Holder of a Physical Security must (i) complete and manually sign the Conversion Notice, with appropriate notarization or signature guarantee, or facsimile of the Conversion Notice and deliver the completed Conversion Notice or a facsimile thereof to the Conversion Agent, (ii) surrender the Security to the Conversion Agent, (iii) furnish appropriate endorsements and transfer documents if required by the Registrar or Conversion Agent, (iv) pay all transfer or similar taxes if required pursuant to Section 10.04 and (v) pay funds equal to interest payable on the next Interest Payment Date if so required by Section 10.02(d). If a Holder holds a beneficial interest in a Global Security, to convert such Security, the Holder must comply with clauses (iv) and (v) above and the Depository’s procedures for converting a beneficial interest in a Global Security.

A Holder may convert a portion of the principal amount of a Security if such portion is $1,000 principal amount or an integral multiple of $1,000 principal amount in excess thereof. Provisions of this Indenture that apply to conversion of all of a Security also apply to conversion of a portion of such Security.

Section 10.02. Conversion Procedure and Payment Upon Conversion.

(a) Subject to this Section 10.02 and Section 10.11 and the settlement provisions of Section 10.14(c), upon conversion of any Security, the Company shall pay or deliver, as the case may be, to the converting Holder, in respect of each $1,000 principal amount of Securities being converted, cash (“Cash Settlement”), Common Stock, together with cash, if applicable, in lieu of delivering any fractional shares of Common Stock in accordance with Section 10.03 (“Physical Settlement”) or a combination of cash and Common Stock, together with cash, if applicable, in lieu of delivering any fractional shares of Common Stock in accordance with Section 10.03 (“Combination Settlement”), at its election, as set forth in this Section 10.02.

(i) All conversions for which the relevant Conversion Date occurs on or after the 27th Scheduled Trading Day immediately prior to the Original Maturity Date shall be settled using the same Settlement Method.

(ii) Except for any conversions described in the immediately preceding clause (i), the Company shall use the same Settlement Method for all conversions of Securities occurring on the same Conversion Date, but the Company shall not have any obligation to use the same Settlement Method with respect to conversions that occur on different Conversion Dates.

(iii) If, in respect of any Conversion Date (or for all conversions in any period), the Company elects to deliver a notice (the “Settlement Notice”) of the relevant Settlement Method in respect of such Conversion Date (or such period, as the case may be), the Company, through the Trustee, shall deliver such Settlement Notice to converting Holders no later than the Close of Business on the Trading Day immediately following the relevant Conversion Date to which such Settlement Notice applies (or, in the case of any conversions occurring on or after the 27th Scheduled Trading Day immediately prior to the Original Maturity Date immediately prior to the Original Maturity Date. If the Company does not elect a Settlement Method prior to the deadline set forth in the immediately preceding sentence for a Conversion Date, the Company shall no longer have the right to elect Cash Settlement or Physical Settlement with respect to conversions on such Conversion Date and the Company shall be deemed to have elected Combination Settlement in respect of its Conversion Obligation on such Conversion Date, and the Specified Dollar Amount per $1,000 principal amount of Securities shall be equal to $1,000. Such Settlement Notice shall specify the relevant Settlement Method and, in the case of an election of Combination Settlement, the relevant Settlement Notice shall indicate the Specified Dollar Amount per $1,000 principal amount of Securities. If the Company delivers a Settlement Notice electing Combination Settlement in respect of its Conversion Obligation but does not indicate a Specified Dollar Amount per $1,000 principal amount of Securities in such Settlement Notice, the Specified Dollar Amount per $1,000 principal amount of Securities shall be deemed to be $1,000. Notwithstanding the foregoing, any conversion of SL Securities shall be subject to Section 10.02(a)(v).
(iv) The cash, Common Stock or combination of cash and Common Stock in respect of any conversion of Securities (the “Settlement Amount”) shall be computed as follows:

(A) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Physical Settlement, the Company shall deliver to the converting Holder in respect of each $1,000 principal amount of Securities being converted a number of shares of Common Stock equal to the Conversion Rate in effect on the Conversion Date (provided that the Company shall deliver cash in lieu of any fractional shares as described in Section 10.03);

(B) if the Company elects to satisfy its Conversion Obligation in respect of such conversion by Cash Settlement, the Company shall pay to the converting Holder in respect of each $1,000 principal amount of Securities being converted cash in an amount equal to the sum of the Daily Conversion Values for each Trading Day during the related Observation Period; and

(C) if the Company elects (or is deemed to have elected pursuant to Section 10.02(a)(iii)) to satisfy its Conversion Obligation in respect of such conversion by Combination Settlement, the Company shall pay or deliver to the converting Holder, as the case may be, in respect of each $1,000 principal amount of Securities being converted, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each Trading Day during the related Observation Period.

(v) Notwithstanding anything herein to the contrary, the Company hereby initially elects to satisfy its Conversion Obligation with respect to any conversion of SL Securities by Physical Settlement. The Company may change its Settlement Method election (and, in the case of Combination Settlement, the Specified Dollar Amount) with respect to any conversion of SL Securities by delivering a notice that specifies the newly elected Settlement Method and, in the case of Combination Settlement, the applicable Specified Dollar Amount (the “SL Settlement Notice”) to the Holders of the SL Securities, and such newly elected Settlement Method (and, in the case of Combination Settlement, the Specified Dollar Amount) shall be effective no earlier than ten (10) Trading Days after the date on which such SL Settlement Notice was received by the Holder. In the event any Holder(s) of SL Securities exercises its right to convert all or any portion of such SL Securities, (A) the relevant Observation Period for purposes of determining the Daily Settlement Amount, in the case of Combination Settlement, and Daily Conversion Values, in the case of Cash Settlement, with respect to such SL Securities shall be the 25 consecutive Trading Day period beginning on, and including, the 25th Trading Day immediately preceding the applicable Conversion Date and ending on the Trading Day immediately preceding such Conversion Date and (B) the Company shall promptly (x) determine the Daily Settlement Amount or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional shares of Common Stock and (y) notify the Trustee, the Conversion Agent (if other than the Trustee) and such Holder of SL Securities being so converted of the Daily Settlement Amount or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional shares of Common Stock.
The Daily Settlement Amounts (if applicable) and the Daily Conversion Values (if applicable) shall be determined by the Company promptly following the last day of the Observation Period. Promptly after such determination of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional shares of Common Stock, and in any event within one (1) Business Day following the last day of the Observation Period, the Company shall notify the Trustee and the Conversion Agent (if other than the Trustee) of the Daily Settlement Amounts or the Daily Conversion Values, as the case may be, and the amount of cash payable in lieu of delivering fractional shares of Common Stock. The Trustee and the Conversion Agent (if other than the Trustee) shall have no responsibility for any such determination.

(b) Each conversion shall be deemed to have been effected as to any Securities surrendered for conversion at the Close of Business on the applicable Conversion Date; provided, however, that the Person in whose name any shares of the Common Stock shall be issuable upon such conversion shall become the holder of record of such shares as of the Close of Business on such Conversion Date (in the case of Physical Settlement or any conversion of SL Securities) or the last Trading Day of the relevant Observation Period (in the case of Combination Settlement of Securities other than SL Securities). Prior to such time, a Holder receiving Common Stock upon conversion shall not be entitled to any rights relating to such Common Stock, including, among other things, the right to vote and receive dividends and notices of shareholder meetings. The Company will determine the Conversion Date and the last Trading Day of the relevant Observation Period, as applicable, in accordance with the requirements set forth herein and notify the Trustee and the converting Holder(s) of the same.
In the case of any conversion of Securities other than the SL Securities, the Company shall pay or deliver, as the case may be, the consideration due in respect of the Conversion Obligation on the later of (i) the second Business Day immediately following the relevant Conversion Date and (ii) the second Business Day immediately following the last Trading Day of the relevant Observation Period, as applicable. In the case of any conversion of SL Securities, the Company shall pay or deliver, as the case may be, the consideration due in respect of the Conversion Obligation on the second Business Day immediately following the relevant Conversion Date unless otherwise specified in the written notice referred to in the proviso below; provided, however, that to the extent all or a portion of the Conversion Obligation is to be paid in shares of Common Stock, such shares shall be delivered on the day specified in a written notice from the owner(s) (or in the case of Global Securities, beneficial owner(s)) of the SL Securities being converted that is delivered to the Company on or prior to the first Business Day immediately following the relevant Conversion Date, which delivery date (in respect of such shares of Common Stock) shall be no earlier than the second Business Day immediately following the relevant Conversion Date and be no later than the seventh Business Day immediately following the relevant Conversion Date (it being understood that if no such notice is delivered to the Company, then the Company shall deliver such shares on the second Business Day immediately following the relevant Conversion Date). In the case of a conversion of an SL Security in the form of a Global Security, such written notice shall include a certification therein that the beneficial owners delivering such written notice are holders that hold beneficial interests in the SL Securities subject to conversion. If any shares of Common Stock are due to converting Holders, the Company shall issue or cause to be issued, and deliver or cause to be delivered to such Holder, or such Holder's nominee(s) or transferee(s), certificates or a book-entry transfer through the Depository for the full amount of Common Stock to which such Holder shall be entitled in satisfaction of the Company's Conversion Obligation.

If any Holder surrenders a Security for conversion after the Close of Business on the Record Date for the payment of an installment of interest but prior to the Open of Business on the next Interest Payment Date, then, notwithstanding such conversion, the full amount of interest payable with respect to such Security on such Interest Payment Date shall be paid on such Interest Payment Date to the Holder of record of such Security at the Close of Business on such Record Date; provided, however, that such Security, when surrendered for conversion, must be accompanied by payment in cash to the Conversion Agent on behalf of the Company of an amount equal to the full amount of interest payable on such Interest Payment Date on the Security so converted; provided further, however, that such payment to the Conversion Agent described in the immediately preceding proviso in respect of a Security surrendered for conversion shall not be required with respect to a Security that (i) is surrendered for conversion after the Close of Business on the Record Date immediately preceding the Original Maturity Date, (ii) is surrendered for conversion after the Close of Business on a Record Date for the payment of an installment of interest and on or prior to the Open of Business on the related Interest Payment Date, where, pursuant to Section 3.01, the Company has specified, with respect to a Fundamental Change, a Fundamental Change Repurchase Date that is after such Record Date but on or prior to such Interest Payment Date or (iii) is surrendered for conversion after the Close of Business on a Record Date for the payment of an installment of interest and on or prior to the Open of Business on the related Interest Payment Date, where, pursuant to Section 13.03, the Company has specified a Redemption Date that is after such Record Date but on or prior to such Interest Payment Date.
If a Holder converts more than one Security at the same time, the Conversion Obligation with respect to such Securities shall be based on the total principal amount of all Securities so converted.

Upon surrender of a Security that is converted in part, the Company shall issue and the Trustee shall authenticate for the Holder a new Security equal in principal amount to the unconverted portion of the Security surrendered.

Section 10.03. **Cash in Lieu of Fractional Shares.** The Company shall not issue fractional shares of Common Stock upon the conversion of a Security. Instead, the Company shall pay to converting Holders cash in lieu of fractional shares based on the Daily VWAP on the relevant Conversion Date (in the case of Physical Settlement) or based on the Daily VWAP on the last Trading Day of the relevant Observation Period (in the case of Combination Settlement). If more than one Security shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion thereof shall be computed on the basis of the aggregate Daily Settlement Amounts for the relevant Observation Period (in the case of Combination Settlement) or the aggregate principal amount of the Securities, or specified portions thereof to the extent permitted hereby (in the case of Physical Settlement) so surrendered, and any fractional shares remaining after such computation shall be paid in cash.

Section 10.04. **Taxes on Conversion.** If a Holder converts its Security, the Company shall pay any documentary, stamp or similar issue or transfer tax or duty due on the issue, if any, of Common Stock upon the conversion. However, the Holder shall pay such tax which is due because the Holder requests the shares of Common Stock to be issued in a name other than the Holder’s name. The Company may refuse to deliver the certificate(s) representing the Common Stock being issued or delivered to the Holder or in a name other than such Holder’s name until the Conversion Agent receives a sum sufficient to pay any tax or duty which will be due because shares of Common Stock are to be issued or delivered in a name other than such Holder’s name.

Section 10.05. **Company to Provide Common Stock.** The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued stock, for the purpose of effecting the conversion of the Securities, such number of its duly authorized shares of Common Stock as shall from time to time be sufficient for the conversion of all outstanding Securities into shares of Common Stock at any time (assuming, for such purposes, Physical Settlement and that at the time of computation of such number of shares, all such Securities would be converted by a single Holder). The Company shall, from time to time and in accordance with Delaware law, cause the authorized number of shares of Common Stock to be increased if the aggregate of the number of authorized shares of Common Stock remaining unissued shall not be sufficient for the conversion of all outstanding (and issuable as set forth above) Securities into shares of Common Stock at any time.

All Common Stock issued upon conversion of the Securities shall be validly issued, fully paid and non-assessable and shall be free of preemptive or similar rights and free of any lien or adverse claim that arises from the action or inaction of the Company.
The Company shall comply with all securities laws regulating the offer and delivery of any Common Stock upon conversion of Securities and shall list such shares on each national securities exchange or automated quotation system on which the Common Stock is listed on the applicable Conversion Date.

Section 10.06. Adjustment of Conversion Rate. The Conversion Rate shall be subject to adjustment from time to time, without duplication, upon the occurrence of any of the following events on or after the date of this Indenture:

(a) In case the Company shall pay or make a dividend or other distribution on its Common Stock consisting exclusively of Common Stock, the Conversion Rate shall be increased by multiplying such Conversion Rate by a fraction of which the denominator shall be the number of shares of Common Stock outstanding immediately prior to the Open of Business on the Ex Date for such dividend or distribution, and the numerator shall be the number of shares of Common Stock outstanding immediately after such dividend or distribution, in the following formula:

\[ CR' = CR \times \frac{OS'}{OS_0} \]

where,

- \( CR_0 \) = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date of such dividend or distribution;
- \( CR' \) = the Conversion Rate in effect immediately after the Open of Business on the Ex Date for such dividend or distribution;
- \( OS_0 \) = the number of shares of Common Stock outstanding immediately prior to the Open of Business on the Ex Date for such dividend or distribution; and
- \( OS' \) = the number of shares of Common Stock outstanding immediately after giving effect to such dividend or distribution.

In case the Company shall effect a share split or share combination, the Conversion Rate shall be proportionally increased, in the case of a share split, and proportionally reduced, in the case of a share combination, as expressed in the following formula:

\[ CR' = CR \times \frac{OS'}{OS_0} \]

where,

- \( CR_0 \) = the Conversion Rate in effect immediately prior to the Open of Business on the effective date of such share split or share combination;
Any adjustment made under this Section 10.06(a) shall become effective immediately after the Open of Business on the Ex Date for such dividend or distribution, or immediately after the Open of Business on the effective date for such share split or share combination, as the case may be. If any dividend or distribution of the type described in this Section 10.06(a) is declared but not so paid or made, or any share split or share combination of the type described in this Section 10.06(a) is announced but the shares of Common Stock are not split or combined, as the case may be, then the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, or not to split or combine the shares of Common Stock, as the case may be, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared or such share split or combination had not been announced.

(b) If the Company distributes to all or substantially all holders of the Common Stock any rights, options or warrants entitling them, for a period expiring not more than forty-five (45) days immediately following the date of such distribution, to purchase or subscribe for Common Stock, at a price per share less than the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on the Trading Day immediately preceding the date of announcement for such distribution, the Conversion Rate shall be increased based on the following formula:

\[ CR' = CR_0 \times \frac{OS_0 + X}{OS_0 + Y} \]

where,

- \( CR_0 \) = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for such distribution;
- \( CR' \) = the Conversion Rate in effect immediately after the Open of Business on such Ex Date;
- \( OS_0 \) = the number of shares of Common Stock outstanding immediately prior to the Open of Business on such Ex Date;
- \( X \) = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and
- \( Y \) = the number of shares of Common Stock outstanding immediately after giving effect to such share split or share combination.
Any increase made under this Section 10.06(b) shall be made successively whenever any such rights, options or warrants are distributed and shall become effective immediately after the Open of Business on the Ex Date for such distribution. To the extent that Common Stock is not delivered after expiration of such rights, options or warrants, the Conversion Rate shall be readjusted, effective as of the date of such expiration, to the Conversion Rate that would then be in effect had the increase with respect to the distribution of such rights, options or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so distributed, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to make such distribution, to the Conversion Rate that would then be in effect if such Ex Date for such distribution had not occurred.

In determining whether any rights, options or warrants entitle the holders to subscribe for or purchase Common Stock at less than such average of the Closing Sale Prices for the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement for such distribution, and in determining the aggregate offering price of such Common Stock, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors. Except in the case of a readjustment of the Conversion Rate pursuant to the immediately preceding paragraph, the Conversion Rate shall not be decreased pursuant to this Section 10.06(b).

(c) If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other of its assets, securities or property or rights, options or warrants to acquire its Capital Stock or other securities, to all or substantially all holders of Common Stock, but excluding (i) dividends or distributions as to which an adjustment was effected pursuant to Section 10.06(a) or Section 10.06(b), (ii) dividends or distributions paid exclusively in cash as to which an adjustment was effected pursuant to Section 10.06(d) or that is excluded from the scope of Section 10.06(d) by the parenthetical language preceding the formula therein, (iii) distributions of Reference Property in a transaction described in Section 10.11, (iv) rights issued pursuant to a rights plan of the Company (i.e., a poison pill), except to the extent provided by Section 10.13, and (v) Spin-Offs to which the provisions set forth in the latter portion of this Section 10.06(c) shall apply (any of such shares of Capital Stock, indebtedness or other assets, securities or property or rights, options or warrants to acquire its Capital Stock or other securities, the “Distributed Property”), then, in each such case the Conversion Rate shall be increased based on the following formula:

\[ CR' = CR_0 \times \frac{SP_e}{SP_0 - FMV} \]

\[ Y = \text{the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, divided by the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement for such distribution.} \]
where,

\[
\begin{align*}
\text{CR}_0 &= \text{the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for such distribution;} \\
\text{CR}' &= \text{the Conversion Rate in effect immediately after the Open of Business on the Ex Date for such distribution;} \\
\text{SP}_0 &= \text{the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex Date for such distribution;} \text{ and} \\
\text{FMV} &= \text{the fair market value (as determined by the Board of Directors) of the Distributed Property distributable with respect to each outstanding share of Common Stock as of the Open of Business on the Ex Date for such distribution.}
\end{align*}
\]

If the Board of Directors determines “FMV” for purposes of this Section 10.06(c) by reference to the actual or when issued trading market for any securities, it must in doing so consider the prices in such market over the same period used in computing the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex Date for such distribution.

Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than the “\text{SP}_0” (as defined above), in lieu of the foregoing increase, provision shall be made for each Holder of a Security to receive, for each $1,000 principal amount of Securities it holds, at the same time and upon the same terms as the holders of the Common Stock, the amount and kind of Distributed Property that such Holder would have received if such Holder had owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex Date for such distribution.

Any increase made under the portion of this Section 10.06(c) above shall become effective immediately after the Open of Business on the Ex Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to make such distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

With respect to an adjustment pursuant to this Section 10.06(c) where there has been a payment of a dividend or other distribution on the Common Stock of Capital Stock of any class or series, or similar equity interests, or relating to a Subsidiary or other business unit of the Company, where such Capital Stock or similar equity interest is listed or quoted (or will be listed or quoted upon consummation of the transaction) on a U.S. national securities exchange (a “Spin-Off”), the Conversion Rate shall be increased based on the following formula:

\[
\text{CR}' = \text{CR}_0 \times \frac{\text{FMV}}{\text{MP}} + \frac{\text{MP}}{\text{MP}}
\]
where,

\[ CR_0 = \text{the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for the Spin-Off;} \]

\[ CR' = \text{the Conversion Rate in effect immediately after the Open of Business on the Ex Date for the Spin-Off;} \]

\[ FMV_0 = \text{the average of the Closing Sale Prices of the Capital Stock or similar equity interest distributed to holders of the Common Stock applicable to one share of Common Stock over the ten (10) consecutive Trading Days immediately following, and including, the Ex Date for a Spin-Off (the “Valuation Period”); and} \]

\[ MP_0 = \text{the average of the Closing Sale Prices of the Common Stock over the Valuation Period.} \]

The increase to the Conversion Rate under the preceding paragraph shall be determined on the last Trading Day of the Valuation Period, but will be given effect immediately after the Open of Business on the Ex Date for such Spin-Off. For purposes of determining the Conversion Rate in respect of any conversion during the ten (10) Trading Days commencing on the Ex Date for such Spin-Off, references within the portion of this Section 10.06(c) related to “Spin-Offs” to ten (10) consecutive Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex Date for such Spin-Off to, but excluding, the relevant Conversion Date.

Subject in all respects to Section 10.13, rights, options or warrants distributed by the Company to all holders of its Common Stock entitling the holders thereof to subscribe for or purchase shares of the Company’s Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events (“Trigger Event”); (i) are deemed to be transferred with such Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this Section 10.06(c) (and no adjustment to the Conversion Rate under this Section 10.06(c), will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 10.06(c), as the case may be. If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Ex Date with respect to new rights, options or warrants with such rights (and a termination or expiration of the existing rights, options or warrants without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 10.06(c), as the case may be, was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or repurchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options or warrants had not been issued.
For purposes of Section 10.06(a), Section 10.06(b) and this Section 10.06(c), any dividend or distribution to which this Section 10.06(c) is applicable that also includes one or both of:

(A) a dividend or distribution of Common Stock to which Section 10.06(a) is applicable (the “Clause A Distribution”); or

(B) a dividend or distribution of rights, options or warrants to which Section 10.06(b) is applicable (the “Clause B Distribution”),

then (1) such dividend or distribution, other than the Clause A Distribution and Clause B Distribution, shall be deemed to be a dividend or distribution to which this Section 10.06(c) is applicable (the “Clause C Distribution”) and any Conversion Rate adjustment required by this Section 10.06(c) with respect to such Clause C Distribution shall then be made and (2) the Clause A Distribution and Clause B Distribution shall be deemed to immediately follow the Clause C Distribution and any Conversion Rate adjustment required by Section 10.06(a) and Section 10.06(b) with respect thereto shall then be made, except that, if determined by the Board of Directors, the Ex Date of the Clause A Distribution and the Clause B Distribution shall be deemed to be the Ex Date of the Clause C Distribution and any Common Stock included in the Clause A Distribution or Clause B Distribution shall be deemed not to be “outstanding immediately prior to the Open of Business on the Ex Date for such dividend or distribution” or “outstanding immediately after the Open of Business on the effective date of such share split or share combination,” as the case may be within the meaning of Section 10.06(a) or “outstanding immediately prior to the Open of Business on the Ex Date for such distribution” within the meaning of Section 10.06(b).

Except in the case of a readjustment of the Conversion Rate pursuant to the last sentence of either the fourth or seventh paragraph of this Section 10.06(c), the Conversion Rate shall not be decreased pursuant to this Section 10.06(c).
(d) If any cash dividend or distribution is made to all or substantially all holders of the Common Stock (other than a regular, quarterly cash dividend that does not exceed the “dividend threshold,” which is (for a regular, quarterly cash dividend made on or before September 14, 2020) $0.20 per share or (for a regular, quarterly dividend that is made after September 14, 2020) $0.10 per share, and which is subject to adjustment as described below), the Conversion Rate shall be increased based on the following formula:

\[ CR_1 = CR_0 \times \frac{SP_0 - T}{SP_0 - C} \]

where,

- \( CR_0 \) = the Conversion Rate in effect immediately prior to the Open of Business on the Ex Date for such dividend or distribution;
- \( CR_1 \) = the Conversion Rate in effect immediately after the Open of Business on the Ex Date for such dividend or distribution;
- \( SP_0 \) = the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period immediately preceding the Ex Date for such dividend or distribution (or, if the Company declares such dividend or distribution less than eleven (11) Trading Days prior to the Ex Date for such dividend or distribution the reference to ten (10) consecutive Trading Days shall be replaced with a smaller number of consecutive Trading Days that shall have occurred after, and not including, such declaration date and prior to, but not including, the Ex Date for such dividend or distribution);
- \( T \) = the dividend threshold; provided, that if the dividend or distribution is not a regular cash dividend made after September 14, 2019, then the dividend threshold will be deemed to be zero; and
- \( C \) = the amount in cash per share of Common Stock the Company distributes to holders of its Common Stock.

Any adjustment made under this Section 10.06(d) shall become effective immediately after the Open of Business on the Ex Date for such dividend or distribution.

The dividend threshold is subject to adjustment in a manner inversely proportional to, and at the same time as, adjustments to the Conversion Rate; provided that no adjustment will be made to the dividend threshold for any adjustment to the Conversion Rate pursuant to this clause (d) or Section 10.14.

Notwithstanding the foregoing, if “C” (as defined above) is equal to or greater than “SP_0” (as defined above), in lieu of the foregoing increase, provision shall be made for each Holder of a Security to receive, for each $1,000 principal amount of Securities it holds, at the same time and upon the same terms as holders of the Common Stock, the amount of cash such Holder would have received as if such Holder owned a number of shares of Common Stock equal to the Conversion Rate on the Ex Date for such cash dividend or distribution. If such dividend or distribution is not so paid, the Conversion Rate shall be decreased, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.
Except in the case of a readjustment of the Conversion Rate pursuant to the last sentence of the immediately preceding paragraph, the Conversion Rate shall not be decreased pursuant to this Section 10.06(d).

(e) If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for the Common Stock, if the cash and value of any other consideration included in the payment per share of Common Stock (as determined by the Board of Directors) exceeds the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$ CR' = CR_0 \times \frac{AC + (SP' \times OS')}{OS_0 \times SP'} $$

where,

- $CR_0$ = the Conversion Rate in effect immediately prior to the Close of Business on the last Trading Day of the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- $CR'$ = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- $AC$ = the aggregate value of all cash and any other consideration (as determined by the Board of Directors) paid or payable for shares of Common Stock purchased in such tender or exchange offer;
- $OS_0$ = the number of shares of Common Stock outstanding immediately prior to the time such tender or exchange offer expires (prior to giving effect to such tender offer or exchange offer);
- $OS'$ = the number of shares of Common Stock outstanding immediately after the time such tender or exchange offer expires (after giving effect to such tender offer or exchange offer); and
- $SP'$ = the average of the Closing Sale Prices of the Common Stock over the ten (10) consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.
The increase to the Conversion Rate under this Section 10.06(e) shall occur at the Close of Business on the tenth (10th) Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; provided that, for purposes of determining the Conversion Rate, in respect of any conversion during the ten (10) Trading Days immediately following, but excluding, the date that any such tender or exchange offer expires, references in this Section 10.06(e) to ten (10) consecutive Trading Days shall be deemed to be replaced with such lesser number of consecutive Trading Days as have elapsed between the date such tender or exchange offer expires and the relevant Conversion Date. If the Company or one of its Subsidiaries is obligated to purchase the Common Stock pursuant to any such tender or exchange offer but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchase or all such purchases are rescinded, the Conversion Rate shall be immediately decreased to the Conversion Rate that would be in effect if such tender or exchange offer had not been made.

Except in the case of a readjustment of the Conversion Rate pursuant to the last sentence of the immediately preceding paragraph, the Conversion Rate shall not be decreased pursuant to this Section 10.06(e).

(f) In addition to the foregoing adjustments in subsections (a), (b), (c), (d) and (e) above, and to the extent permitted by applicable law and the rules of the Relevant Stock Exchange, the Company may, from time to time and to the extent permitted by law, increase the Conversion Rate by any amount for a period of at least twenty-five (25) Trading Days or any longer period as may be permitted or required by law, if the Board of Directors has made a determination, which determination shall be conclusive, that such increase would be in the best interests of the Company. Such Conversion Rate increase shall be irrevocable during such period. The Company shall give notice to the Trustee and the Conversion Agent and cause notice of such increase, which notice will include the amount of the increase and the period during which the increase shall be in effect, to be sent to each Holder of Securities in accordance with Section 16.01, at least fifteen (15) days prior to the date on which such increase commences.

(g) All calculations under this Article 10 shall be made to the nearest cent or to the nearest 1/10,000th of a share, as the case may be. Adjustments to the Conversion Rate will be calculated to the nearest 1/10,000th.

(h) Notwithstanding this Section 10.06 or any other provision of this Indenture or the Securities, if a Conversion Rate adjustment becomes effective on any Ex Date, and a Holder that has converted its Securities on or after such Ex Date and on or prior to the related record date would be treated as the record holder of the Common Stock as of the related Conversion Date as described under Section 10.02(b) based on an adjusted Conversion Rate for such Ex Date, then, notwithstanding the Conversion Rate adjustment provisions in this Section 10.06, the Conversion Rate adjustment relating to such Ex Date shall not be made for such converting Holder. Instead, such Holder shall be treated as if such Holder were the record owner of the Common Stock on an unadjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.
Notwithstanding this Section 10.06 or any other provision of this Indenture or the Securities, if a Holder converts a Security, Combination Settlement is applicable to such Security and the Daily Settlement Amount for any Trading Day during the Observation Period applicable to such Security (x) is calculated based on a Conversion Rate adjusted on account of any event described in clauses (a), (b), (c), (d) and (e) of this Section 10.06 and (y) includes any shares of Common Stock that entitle their holder to participate in such event, then, notwithstanding the Conversion Rate adjustment provisions in this Section 10.06, the Conversion Rate adjustment relating to such event will not be made for such converting Holder for such Trading Day. Instead, such Holder will be treated as if such Holder were the record owner of the Common Stock on an unadjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.

For purposes of this Section 10.06, “effective date” means the first date on which the Common Stock trade on the Relevant Stock Exchange, regular way, reflecting the relevant share split or share combination, as applicable.

For purposes of this Section 10.06, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. The Company shall not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company. The Company shall not pay any dividend or distribution on shares of Capital Stock of the Company held in the treasury of the Company to the extent such dividend or distribution would be made in an amount based on the amount of a dividend or distribution paid on the Common Stock.

Section 10.07. No Adjustment. The Conversion Rate shall not be adjusted for any transaction or event other than for any transaction or event described in this Article 10. Without limiting the foregoing, the Conversion Rate shall not be adjusted:

(i) upon the issuance of any Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company’s securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of the Company’s Subsidiaries (or the issuance of any shares of Common Stock pursuant to any such options or other rights);

(iii) upon the issuance of any Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (ii) above and outstanding as of September 14, 2018;

(iv) for accrued and unpaid interest, if any;
(v) repurchases of Common Stock that are not tender offers or exchange offers pursuant to Section 10.06(e), including structured or derivative transactions such as accelerated share repurchase transactions or similar forward derivatives;

(vi) solely for a change in the par value of the Common Stock; or

(vii) for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock or the right to purchase Common Stock or such convertible or exchangeable securities, except as described in Section 10.06.

No adjustment in the Conversion Rate less than one percent (1%) of the Conversion Rate as last adjusted (or, if never adjusted, the initial Conversion Rate) shall be made pursuant to Section 10.06(a) through Section 10.06(e); provided, however, that (i) the Company shall carry forward any adjustments that are not made as a result of the foregoing and make such carried forward adjustments with respect to the Conversion Rate when the cumulative effect of all adjustments not yet made will result in a change in a percent (1%) or more of the Conversion Rate as last adjusted (or, if never adjusted, the initial Conversion Rate) and (ii) notwithstanding the foregoing, all such deferred adjustments that have not yet been made shall be made (including any adjustments that are less than one percent (1%) of the Conversion Rate as last adjusted (or, if never adjusted, the initial Conversion Rate)) (1) on the effective date of any Fundamental Change or Make-Whole Fundamental Change and (2) on (A) the Conversion Date (in the case of Physical Settlement) and (B) on each Trading Day of any Observation Period (in the case of Cash Settlement or Combination Settlement, and in each case, after such adjustment shall be made such adjustments shall no longer be carried forward and taken into account in any subsequent adjustment to the Conversion Rate).

No adjustment to the Conversion Rate need be made pursuant to Section 10.06 for a transaction (other than for share splits or share combinations pursuant to Section 10.06(a)) if the Company makes provision for each Holder to participate in the transaction, at the same time and upon the same terms as holders of Common Stock participate in such transaction, without conversion, as if such Holder held a number of shares of Common Stock equal to the Conversion Rate in effect on the Ex Date or effective date, as applicable, of the transaction, multiplied by the principal amount (expressed in thousands) of Securities held by such Holder.

For the avoidance of doubt, this Section 10.07 shall not limit the operation of the proviso to the definition of Conversion Rate.

Section 10.08. Other Adjustments. Whenever any provision of this Indenture requires the computation of an average of the Closing Sale Prices, the Daily VWAPs, the Daily Conversion Values or the Daily Settlement Amounts over a period of multiple Trading Days (including an Observation Period and the period for determining the Applicable Price for purposes of a Make-Whole Fundamental Change), the Board of Directors, in its good faith determination, shall appropriately adjust such average to account for any event requiring, pursuant hereto, an adjustment to the Conversion Rate where the effective date, Ex Date or expiration date of such event occurs at any time on or after the first Trading Day of such period and on or prior to the last Trading Day of such period.
Section 10.09.  **Adjustments for Tax Purposes.** Except as prohibited by law, the Company may (but is not obligated to) make such increases in the Conversion Rate, in addition to those required by Section 10.06 hereof, as it considers to be advisable to avoid or diminish any income tax to any holders of Common Stock (or rights to purchase Common Stock) resulting from any dividend or distribution of stock (or rights to acquire stock) or from any event treated as such for income tax purposes or for any other reason.

Section 10.10.  **Notice of Adjustment and Certain Events.**

(a) Whenever the Conversion Rate is adjusted, the Company shall promptly file with the Trustee and the Conversion Agent an Officers’ Certificate describing in reasonable detail the adjustment and the method of calculation used and the Company shall promptly send to the Holders in accordance with Section 16.01 a notice of the adjustment setting forth the adjusted Conversion Rate and the calculation thereof. The certificate and notice shall be conclusive evidence of the correctness of such adjustment. In the absence of an Officers’ Certificate being filed with the Trustee (and the Conversion Agent if not the Trustee), the Trustee and the Conversion Agent may assume without inquiry that the Conversion Rate has not been adjusted and that the last Conversion Rate of which it has knowledge remains in effect.

(b) In case of any Merger Event then the Company shall at least ten days prior to the anticipated effective date of such transaction or event cause written notice thereof to be sent to the Trustee, the Conversion Agent and the Holders in accordance with Section 14.01. Such notice shall also specify, as applicable, the date or expected date on which the holders of Common Stock shall be entitled to a distribution and the date or expected date on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale or transfer, as the case may be. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such action by the Company or one of its Subsidiaries with respect to such Merger Event.

Section 10.11.  **Effect of Reclassifications, Consolidations, Mergers, Binding Share Exchanges or Sales on Conversion Privilege.** If on or after the date of this Indenture and prior to the Original Maturity Date the Company:

(a) reclassifies the Common Stock (other than a change as a result of a subdivision or combination of Common Stock to which Section 10.06(a) applies or a change in par value);

(b) is party to a consolidation, merger or binding share exchange; or

(c) sells, transfers, leases, conveys or otherwise disposes of all or substantially all of the consolidated property or assets of the Company and its Subsidiaries, taken as a whole,
in each case, pursuant to which the Common Stock would be converted into or exchanged for, or would constitute solely the right to receive, cash, securities or other property (any such event, a “Merger Event”), each $1,000 principal amount of converted Securities will, from and after the effective time of such Merger Event, be convertible into the same kind, type and proportions of consideration that a holder of a number of shares of Common Stock equal to the Conversion Rate in effect immediately prior to such Merger Event would have received in such Merger Event (“Reference Property”) and, prior to or at the effective time of such Merger Event, the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture permitted under Section 9.01(a) providing for such change in the right to convert the Securities; provided, however, that at and after the effective time of the Merger Event (A) the Company shall continue to have the right to determine the form of consideration to be paid or delivered, as the case may be, upon conversion of Securities in accordance with Section 10.02 and (B) (I) any amount payable in cash upon conversion of the Securities in accordance with Section 10.02 shall continue to be payable in cash, (II) any Common Stock that the Company would have been required to deliver upon conversion of the Securities in accordance with Section 10.02 shall instead be deliverable in the amount and type of Reference Property that a holder of that number of shares of Common Stock would have received in such Merger Event and (III) the Daily VWAP shall be calculated based on a unit of Reference Property.

If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration determined based in whole or in part upon any form of stockholder election, then (i) the Reference Property into which the Securities will be convertible shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock that affirmatively make such an election and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock. The Company shall notify Holders, the Trustee and the Conversion Agent (if other than the Trustee) of such weighted average as soon as reasonably practicable after such determination is made. If the holders receive only cash in such Merger Event, then for all conversions that occur after the effective date of such Merger Event (A) the consideration due upon conversion of each $1,000 principal amount of Securities shall be solely cash in an amount equal to the Conversion Rate in effect on the Conversion Date (as may be increased pursuant to Section 10.14), multiplied by the price paid per share of Common Stock in such Merger Event and (B) the Company shall satisfy its Conversion Obligation by paying cash to converting Holders on the second Business Day immediately following the relevant Conversion Date.

The supplemental indenture referred to in the first sentence of this Section 10.11 shall provide for adjustments to the Conversion Rate that shall be as nearly equivalent as may be practicable to the adjustments of the Conversion Rate provided for in this Article 10 and the proviso in the definition of Conversion Rate and for the delivery of cash by the Company in lieu of fractional securities or property that would otherwise be deliverable to holders upon conversion as part of the Reference Property, with such amount of cash determined by the Board of Directors in a manner as nearly equivalent as may be practicable to that used by the Company to determine the Closing Sale Price of the Common Stock. The Company shall not become party to any Merger Event unless its terms are consistent with the foregoing. If, in the case of any Merger Event, the stock or other securities and assets receivable thereupon by a holder of Common Stock includes shares of stock or other securities or assets of a corporation other than the successor or purchasing corporation, as the case may be, in such Merger Event, then such supplemental indenture shall also be executed by such other corporation and shall contain such additional provisions to protect the interests of the Holders of the Securities as the Board of Directors shall reasonably consider necessary by reason of the foregoing, including to the extent practicable the provisions providing for the conversion rights set forth in this Article 10. The provisions of this Section 10.11 shall similarly apply to successive consolidations, mergers, binding share exchanges, sales, transfers, leases, conveyances or dispositions.
None of the foregoing provisions shall affect the right of a Holder to convert its Securities into Common Stock (and cash in lieu of any fractional share) as set forth in Section 10.01 and Section 10.02 prior to the effective date of such Merger Event.

In the event the Company shall execute a supplemental indenture in accordance with this Section 10.11, the Company shall promptly file with the Trustee an Officers’ Certificate briefly stating the reasons therefor, the kind or amount of Reference Property receivable by Holders of the Securities upon the conversion of their Securities after any such Merger Event and any adjustment to be made with respect thereto.

Section 10.12. Trustee’s Disclaimer. The Trustee and any other Conversion Agent shall have no duty to determine the Conversion Rate (or any adjustment thereto) or whether any facts exist that may require that any adjustment under this Article 10 should be made, how it should be made or what such adjustment should be, but may accept as conclusive evidence of the correctness of any such adjustment, and shall be protected in relying upon, the Officers’ Certificate with respect thereto which the Company is obligated to file with the Trustee pursuant to Section 10.10 hereof. Neither the Trustee nor any other Conversion Agent makes any representation as to the validity or value of any securities or assets issued upon conversion of Securities, and neither the Trustee nor any other Conversion Agent shall be responsible for the failure by the Company to comply with any provisions of this Article 10 or to monitor any Person’s compliance with this Article 10.

The Trustee shall not be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture executed pursuant to Section 10.11, but may accept as conclusive evidence of the correctness thereof, and shall be protected in relying upon, the Officers’ Certificate with respect thereto which the Company is obligated to file with the Trustee pursuant to Section 10.11 hereof.

Section 10.13. Rights Distributions Pursuant to Shareholders’ Rights Plans. To the extent that on or after the date of this Indenture the Company adopts a rights plan (i.e., a poison pill) and such plan is in effect upon conversion of any Security or a portion thereof, the Company shall make provision such that each Holder thereof shall receive, in addition to, and concurrently with the delivery of, the Common Stock due upon conversion, the rights described in such plan, unless the rights have separated from the Common Stock before the time of conversion, in which case the Conversion Rate shall be adjusted at the time of separation as if the Company distributed to all holders of Common Stock, Distributed Property as described in Section 10.06(c), subject to readjustment in the event of the expiration, termination or redemption of such rights.
Section 10.14. **Increased Conversion Rate Applicable to Certain Securities Surrendered in Connection with Make-Whole Fundamental Changes.**

(a) Notwithstanding anything herein to the contrary, the Conversion Rate applicable to each Security that is surrendered for conversion, in accordance with this Article 10, at any time during the period (the “Make-Whole Conversion Period”) from, and including, the effective date (the “Effective Date”) of a Make-Whole Fundamental Change (which Effective Date the Company shall disclose in the written notice referred to in Section 10.14(e)) (A) if such Make-Whole Fundamental Change does not also constitute a Fundamental Change, to, and including, the Close of Business on the date that is thirty (30) Business Days after the later of (i) such Effective Date and (ii) the date the Company sends to Holders (with a copy to the Trustee and the Conversion Agent) the relevant notice of the Effective Date or (B) if such Make-Whole Fundamental Change also constitutes a Fundamental Change, to, and including, the Close of Business on the Business Day immediately preceding the Fundamental Change Repurchase Date corresponding to such Fundamental Change, shall be increased to an amount equal to the Conversion Rate that would, but for this Section 10.14, otherwise apply to such Security pursuant to this Article 10, plus an amount equal to the Make-Whole Applicable Increase.

(b) As used herein, “Make-Whole Applicable Increase” shall mean, with respect to a Make-Whole Fundamental Change, the amount, set forth in the following table, which corresponds to the Effective Date and the Applicable Price of such Make-Whole Fundamental Change:

provided, however, that:

(i) if the actual Applicable Price of such Make-Whole Fundamental Change is between two (2) Applicable Prices listed in the table above under the row titled “Applicable Price,” or if the actual Effective Date of such Make-Whole Fundamental Change is between two Effective Dates listed in the table above in the column immediately below the title “Effective Date,” then the Make-Whole Applicable Increase for such Make-Whole Fundamental Change shall be determined by linear interpolation between the Make-Whole Applicable Increases set forth for such higher and lower Applicable Prices, or for such earlier and later Effective Dates based on a three hundred and sixty five (365) day or three hundred and sixty six (366) day year, as applicable;

(ii) if the actual Applicable Price of such Make-Whole Fundamental Change is greater than $40.00 per share (subject to adjustment in the same manner as the Applicable Prices pursuant to Section 10.14(b)(iii)), or if the actual Applicable Price of such Make-Whole Fundamental Change is less than $17.50 per share (subject to adjustment in the same manner as the Applicable Prices pursuant to Section 10.14(b)(iii)), then the Make-Whole Applicable Increase shall be equal to zero (0);
(iii) if an event occurs that requires, pursuant to this Article 10 (other than solely pursuant to this Section 10.14) or pursuant to the proviso in the definition of Conversion Rate, an adjustment to the Conversion Rate, then, on the date and at the time such adjustment is so required to be made, each Applicable Price set forth in the table above under the column titled “Applicable Price” shall be deemed to be adjusted so that such Applicable Price, at and after such time, shall be equal to the product of (A) such Applicable Price as in effect immediately before such adjustment to such Applicable Price and (B) a fraction the numerator of which is the Conversion Rate in effect immediately before such adjustment to the Conversion Rate and the denominator of which is the Conversion Rate to be in effect, in accordance with this Article 10 and the proviso in the definition of Conversion Rate, immediately after such adjustment to the Conversion Rate;

(iv) each Make-Whole Applicable Increase amount set forth in the table above shall be adjusted in the same manner, for the same events and at the same time as the Conversion Rate is required to be adjusted pursuant to Section 10.06 through Section 10.13 or the proviso in the definition of Conversion Rate; and

(c) Subject to Section 10.11, upon surrender of Securities for conversion in connection with a Make-Whole Fundamental Change, the Company shall, at its option, satisfy the related Conversion Obligation by Physical Settlement, Cash Settlement or Combination Settlement in accordance with Section 10.02; provided, however, that if at the effective time of a Make-Whole Fundamental Change described in clause (c) of the definition of Change in Control the consideration for the Common Stock is composed entirely of cash, for any conversion of Securities following the Effective Date of such Make-Whole Fundamental Change, the Conversion Obligation shall be calculated based solely on the Applicable Price for the transaction and shall be deemed to be an amount equal to, per $1,000 principal amount of converted Securities, the Conversion Rate (including any Make-Whole Applicable Increase), multiplied by such Applicable Price. In such event, the Conversion Obligation will be determined and shall be paid to Holders in cash on the second Business Day following the Conversion Date.

(d) As used herein, “Applicable Price” shall have the following meaning with respect to a Make-Whole Fundamental Change: (i) if such Make-Whole Fundamental Change is a transaction or series of transactions described in clause (c) of the definition of Change in Control and the consideration (excluding cash payments for fractional shares or pursuant to statutory appraisal rights) for Common Stock in such Make-Whole Fundamental Change consists solely of cash, then the “Applicable Price” with respect to such Make-Whole Fundamental Change shall be equal to the cash amount paid per share of Common Stock in such Make-Whole Fundamental Change and (ii) in all other circumstances, the “Applicable Price” with respect to such Make-Whole Fundamental Change shall be equal to the average of the Closing Sale Prices per share of Common Stock for the five (5) consecutive Trading Days immediately preceding, but excluding, the Effective Date of such Make-Whole Fundamental Change, which average shall be appropriately adjusted by the Board of Directors, in its good faith determination, to account for any adjustment, pursuant hereto, to the Conversion Rate that shall become effective, or any event requiring, pursuant hereto, an adjustment to the Conversion Rate where the Ex Date of such event occurs, at any time during such five (5) consecutive Trading Days.
The Company shall send to each Holder (with a copy to the Trustee and the Conversion Agent), in accordance with Section 16.01, written notice of the Effective Date of the Make-Whole Fundamental Change within ten (10) days after such Effective Date. Each such notice shall also state that, in connection with such Make-Whole Fundamental Change, the Company shall increase, in accordance herewith, the Conversion Rate applicable to Securities entitled as provided herein to such increase (along with a description of how such increase shall be calculated and the time periods during which Securities must be surrendered in order to be entitled to such increase, including, without limitation, the last day of the Make-Whole Conversion Period).

For avoidance of doubt, the provisions of this Section 10.14 shall not affect or diminish the Company’s obligations, if any, pursuant to Article 3 with respect to a Make-Whole Fundamental Change that also constitutes a Fundamental Change.

Nothing in this Section 10.14 shall prevent an adjustment to the Conversion Rate pursuant to Section 10.06 or the proviso in the definition of Conversion Rate in respect of a Make-Whole Fundamental Change.

Section 10.15. Applicable Stock Exchange Restrictions. Notwithstanding anything in this Article 10 to the contrary, in the event that Securities in the aggregate are convertible into shares of Common Stock in excess of the share issuance limitations of the listing rules of The New York Stock Exchange, the Company shall, at its option (but without delaying delivery of consideration upon any conversion), either obtain stockholder approval of such issuances or deliver cash consideration in lieu of any shares of Common Stock otherwise deliverable upon conversions in excess of such limitations (calculated based on the average of the Daily VWAP for the ten (10) Trading Days immediately preceding the applicable Conversion Date, with the Daily VWAP for each such Trading Day being weighted for purpose of calculating such average based on the trading volume used to calculate the Daily VWAP for each such Trading Day). If the Company pays cash in lieu of delivering shares of Common Stock pursuant to this Section 10.15, it will notify the Trustee, the Conversion Agent and the Holders of the maximum number of shares it will deliver per $1,000 principal amount of converted Security in respect of the relevant conversion.

ARTICLE 11
CONCERNING THE HOLDERS

Section 11.01. Action by Holders. Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Securities may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (i) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, (ii) by the record of the Holders voting in favor thereof at any meeting of Holders duly called and held in accordance with the provisions of Article 12 or (iii) by a combination of such instrument or instruments and any such record of such a meeting of Holders. Whenever the Company or the Trustee solicits the taking of any action by the Holders of the Securities, the Company or the Trustee may fix, but shall not be required to, in advance of such solicitation, a date as the record date for determining Holders entitled to take such action. The record date if one is selected shall be not more than fifteen (15) days prior to the date of commencement of solicitation of such action.
Section 11.02. Proof of Execution by Holders. Subject to the provisions of Section 12.05, proof of the execution of any instrument by a Holder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Securities shall be proved by the security register of the Registrar or by a certificate of the Registrar. The record of any Holders’ meeting shall be proved in the manner provided in Section 12.06.

Section 11.03. Persons Deemed Absolute Owners. The Company, the Trustee, the Notes Collateral Agent, any authenticating agent, any Paying Agent, any Conversion Agent and any Registrar may deem the Person in whose name a Security shall be registered upon the security register of the Registrar to be, and may treat it as, the absolute owner of such Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Company or any Registrar) for the purpose of receiving payment of or on account of the principal of and (subject to Section 2.12 and Section 4.01) accrued and unpaid interest on such Security, or the Fundamental Change Repurchase Price or Redemption Price, if applicable, for conversion of such Security and for all other purposes; and neither the Company nor the Trustee nor the Notes Collateral Agent nor any authenticating agent nor any Paying Agent nor any Conversion Agent nor any Registrar shall be affected by any notice to the contrary. All such payments so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for monies payable upon any such Security. Notwithstanding anything to the contrary in this Indenture or the Securities following an Event of Default, any holder of a beneficial interest in a Global Security may directly enforce against the Company, without the consent, solicitation, proxy, authorization or any other action of the Depository or any other Person, such holder’s right to exchange such beneficial interest for a Physical Security in accordance with the provisions of this Indenture.

ARTICLE 12

HOLDERS’ MEETINGS

Section 12.01. Purpose of Meetings. A meeting of Holders may be called at any time and from time to time pursuant to the provisions of this Article 12 for any of the following purposes:

(a) to give any notice to the Company or to the Trustee or to give any directions to the Trustee or Notes Collateral Agent permitted under this Indenture, or to consent to the waiving of any Default or Event of Default hereunder and its consequences, or to take any other action authorized to be taken by Holders pursuant to any of the provisions of Article 6;
(b) to remove the Trustee and nominate a successor trustee pursuant to the provisions of Article 7 or to remove the Notes Collateral Agent and nominate a successor Notes Collateral Agent;

(c) to consent to the execution of an indenture or indentures supplemental hereto or any other amendment pursuant to the provisions of Section 9.02; or

(d) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Securities under any other provision of this Indenture, the Security Documents, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or under applicable law.

Section 12.02. Call of Meetings by Trustee. The Trustee may at any time call a meeting of Holders to take any action specified in Section 12.01, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting and the establishment of any record date pursuant to Section 11.01, shall be sent to Holders of such Securities at their addresses as they shall appear on the security register of the Registrar or electronically in accordance with the Applicable Procedures of the Depository. Such notice shall also be sent to the Company. Such notices shall be sent not less than twenty (20) nor more than ninety (90) days prior to the date fixed for the meeting.

Any meeting of Holders shall be valid without notice if the Holders of all Securities then outstanding are present in person or by proxy or if notice is waived before or after the meeting by the Holders of all Securities outstanding, and if the Company and the Trustee are either present by duly authorized representatives or have, before or after the meeting, waived notice.

Section 12.03. Call of Meetings by Company or Holders. In case at any time the Company, pursuant to a Board Resolution, or the Holders of at least 10% in aggregate principal amount of the Securities then outstanding, shall have requested the Trustee to call a meeting of Holders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have sent the notice of such meeting within twenty (20) days after receipt of such request, then the Company or such Holders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 12.01, by sending notice thereof as provided in Section 12.02.

Section 12.04. Qualifications for Voting. To be entitled to vote at any meeting of Holders a Person shall (a) be a Holder of one or more Securities on the record date pertaining to such meeting or (b) be a Person appointed by an instrument in writing as proxy by a Holder of one or more Securities on the record date pertaining to such meeting. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.
Section 12.05. Regulations. Notwithstanding any other provision of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 12.03, in which case the Company or the Holders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in aggregate principal amount of the outstanding Securities represented at the meeting and entitled to vote at the meeting.

Subject to the provisions of Section 2.09, at any meeting of Holders each Holder or proxyholder shall be entitled to one vote for each $1,000 principal amount of Securities held or represented by such Holder or proxyholder, as the case may be; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Securities held by it or instruments in writing as aforesaid duly designating it as the proxy to vote on behalf of other Holders. Any meeting of Holders duly called pursuant to the provisions of Section 12.02 or Section 12.03 may be adjourned from time to time by the Holders of a majority of the aggregate principal amount of outstanding Securities represented at the meeting, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 12.06. Voting. The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the outstanding principal amount of the Securities held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken therein and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was sent as provided in Section 12.02. The record shall show the principal amount of the Securities voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.
Section 12.07.  *No Delay of Rights by Meeting.* Nothing contained in this Article 12 shall be deemed or construed to authorize or permit, by reason of any call of and a meeting of Holders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Holders under any of the provisions of this Indenture or of the Securities. Nothing contained in this Article 12 shall be deemed or construed to limit any Holder’s actions pursuant to the Applicable Procedures so long as the Securities are Global Securities.

**ARTICLE 13**

**REDEMPTION**

Section 13.01.  *Optional Redemption; Election to Redeem; Notice to Trustee.*

(a) Prior to September 14, 2023, the Company may not redeem the Securities pursuant to this Section 13.01(a). On and after September 14, 2023 and prior to the Original Maturity Date, the Company may, at its option, redeem for cash all or part of the Securities, upon notice pursuant to Section 13.03, at a price (the “Par Redemption Price”) equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the Redemption Date, provided that the Closing Sale Price of the Common Stock for 20 or more Trading Days in the period of 30 consecutive Trading Days (including the final three Trading Days) ending on the Trading Day immediately prior to the date the redemption notice is delivered to Holders is equal to or exceeds 150% of the applicable Conversion Price on each applicable Trading Day.

(b) On and after the Original Maturity Date, the Company may, at its option, redeem for cash all or part of the Securities at the Par Redemption Price, plus accrued and unpaid interest, if any, to the Redemption Date.

(c) If the Conversion Rate is adjusted pursuant to the proviso to the definition of Conversion Rate, the Company may, at its option, redeem, between September 14, 2020 and September 14, 2021, for cash all or part of the Securities, upon notice pursuant to Section 13.03, at a price (the “IRR Redemption Price”) that results in the Specified Return Requirement being satisfied with respect to the Securities to be redeemed, provided that the IRR Redemption Price with respect to any Security shall be no less than 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the Redemption Date.

“Specified Return Requirement” means, with respect to a redemption of Securities pursuant to Section 13.01(b), the amount necessary to provide the Holders of such Securities with an IRR of 15.0% on the aggregate principal amount of such Securities to be redeemed as if such Holder held such Securities (including the Original Securities) from September 14, 2018. Whether a redemption pursuant to Section 13.01(b) satisfies the Specified Return Requirement will be determined as of the Redemption Date with respect thereto.

“IRR” means, as of any date of determination, the discount rate at which the net present value of the aggregate principal amount of the Securities to be redeemed and the IRR Redemption Price through the time of redemption equals zero, calculated for the aggregate principal amount of Securities from September 14, 2018 and, for the IRR Redemption Price, from the redemption date.
“Redemption Price” means, in the case of a redemption pursuant to Section 13.01(a), the Par Redemption Price and, in the case of a redemption pursuant to Section 13.01(b), the IRR Redemption Price.

(d) Notwithstanding anything to the contrary herein, in the case of a redemption of any SL Securities in whole or in part, the Company may not send a redemption notice to Holders unless the Company shall then have on file with the SEC an effective shelf registration statement of the Company on Form S-3 (or any successor form) for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act (or any similar rule that may be adopted by the SEC) covering the Common Stock, unless such Common Stock may be resold under Rule 144 without volume or manner of sale restrictions. In addition, to the extent such SL Securities constitute “Registrable Securities” under the Investment Agreement, if there is a “Blackout Period” (as defined in the Investment Agreement) covering any time during the period from and including the tenth (10th) Trading Day prior to the Redemption Date to and including the Trading Day immediately prior to the Redemption Date (the “Open Period”) then the Company shall, as promptly as practicable, notify the Trustee and the Holders of the SL Securities (and, in accordance with the Investment Agreement, the beneficial owners parties thereto of the SL Securities) that there is such a Blackout Period, and notwithstanding anything herein to the contrary, the notice of redemption shall automatically be deemed withdrawn with respect to the SL Securities, and the Holders of SL Securities shall have the right, upon notice to the Trustee and the Company delivered within 3 Business Days after the Withdrawal Time to rescind any Conversion Notice that is pending as of the Withdrawal Time and/or to rescind any conversion of SL Securities pursuant to Article 10 with respect to which the Settlement Amount has, as of the Withdrawal Time, not yet been delivered to such Holder or its designee.

(e) Any redemption pursuant to this Section 13.01 shall be made pursuant to the provisions of this Article 13. The election of the Company to redeem any Securities pursuant to this Article 13 shall be evidenced by a Board Resolution (with any members of the Board of Directors affiliated with Wanda abstaining). In case of any redemption at the election of the Company of less than all the Securities, the Company shall, at least 45 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee in writing of such Redemption Date. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officers’ Certificate evidencing compliance with such restriction. As used herein, the “Redemption Date” means the date specified for redemption of the Securities in accordance with the terms of this Article 13.

No Securities may be redeemed by the Company pursuant to this Article 13 if the principal amount of the Securities has been accelerated, and such acceleration has not been rescinded by the Holders, on or prior to the Redemption Date.

Section 13.02. Selection by Trustee of Securities to Be Redeemed. If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected not more than 45 Scheduled Trading Days prior to the Redemption Date by the Trustee, from the outstanding Securities of such series not previously called for redemption, by lot in accordance with Applicable Procedures for the Global Securities or on a pro-rata basis in increments of $1,000 principal amount, provided that each of the redeemed portion and the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.
The selection of any Security or portion thereof for redemption, the sending of any notice of redemption, and the deposit of the Redemption Price with the Trustee or a Paying Agent, shall not in any way limit the conversion privilege of any Holder or the Company’s Conversion Obligation with respect to any Security for which the Conversion Date occurs before the Redemption Date; and, for the avoidance of doubt, any Holder may elect to convert the Securities, or portions of such Securities, held by such Holder that have been selected for redemption.

If any Security selected for partial redemption is converted in part before termination of the conversion right with respect to the portion of the Security so selected, the converted portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption. Securities which have been converted during a selection of Securities to be redeemed shall be treated by the Trustee as outstanding for the purpose of such selection.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption as aforesaid and, in case of any Securities selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

In the case of any redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities in this Article 13 shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed. Securities and portions of them the Trustee selects shall be in principal amounts of $1,000 or integral multiples of $1,000.

Section 13.03. Notice of Redemption. Notice of redemption shall be given by first-class mail, postage prepaid (or in accordance with the Applicable Procedures in the case of Global Securities), delivered not less than, as the case may be, 50 Scheduled Trading Days (with respect to any redemption of SL Securities) or less than 45 Scheduled Trading Days (with respect to any redemption of Securities other than SL Securities), and not more than 60 Scheduled Trading Days prior to the Redemption Date, to each Holder of Securities to be redeemed, at its address appearing in the security register; provided, however, that the Company shall not deliver any notice of redemption to any Holder at any time when there exists any Default or Event of Default.

All notices of redemption shall identify the Securities (including CUSIP number(s)) to be redeemed and shall state:

(i) the Redemption Date;
(ii) the Redemption Price;

(iii) that, if the Redemption Date is prior to the Original Maturity Date, Holders have a right to convert the Securities called for redemption upon satisfaction of the requirements set forth in Section 10.02;

(iv) the time at which the Holders’ right to convert the Securities called for redemption will expire, which will be the Close of Business on the Business Day immediately preceding the Redemption Date, if such Redemption Date is prior to the Original Maturity Date;

(v) the Conversion Rate, if applicable, any adjustments thereto, and the Settlement Method that shall apply during the redemption period;

(vi) the procedures a Holder must follow to convert its Securities, if applicable;

(vii) if less than all the outstanding Securities of any series consisting of more than a single Security are to be redeemed, the identification (and, in the case of partial redemption of any such Securities, the principal amounts) of the particular Securities to be redeemed and, if less than all the outstanding Securities of any series consisting of a single Security are to be redeemed, the principal amount of the particular Security to be redeemed;

(viii) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date; and

(ix) the place or places where each such Security is to be surrendered for payment of the Redemption Price.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company’s written request with 10 Business Days’ advance notice (unless a shorter period is agreed to by the Trustee), by the Trustee in the name and at the expense of the Company. Until and including the date that is 30 days prior to the Redemption Date, the Company may revoke, in whole, but not in part, any notice of redemption of SL Securities delivered under this Article 13.

Section 13.04. Deposit of Redemption Price. Prior to 11:00 a.m., New York City time, on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 2.04) an amount of money sufficient to pay the Redemption Price of all the Securities which are to be redeemed on that date.

If any Security called for redemption is converted, any money deposited with the Trustee or with a Paying Agent or so segregated and held in trust for the redemption of such Security shall be paid to the Company on at the Company’s request, or if then held by the Company, shall be discharged from such trust.
Section 13.05. **Securities Payable on Redemption Date.** Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price; provided, however, that installments of interest due on or prior to the Redemption Date will be payable to the Holders of such Securities, or one or more predecessor Securities, registered as such at the Close of Business on the relevant Record Dates according to their terms.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at a rate of 15% per annum.

Section 13.06. **Securities Redeemed in Part.** Any Security which is to be redeemed only in part shall be surrendered at a place of payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or its attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

Section 13.07. **Offers to Repurchase by Application of Excess Proceeds.**

(a) In the event that, pursuant to Section 4.10, the Company shall be required to commence an Asset Sale Offer or elects to commence an Advance Offer, it shall follow the procedures specified below; provided that notwithstanding any other provision of this Indenture, the Company shall repurchase or make an offer to repurchase the Securities as set forth in the provisos in Sections 4.10(b)(1) and (2), substantially concurrently with or prior to the repayment of any applicable First Lien Obligations or Senior Obligations.

(b) The Asset Sale Offer or Advance Offer, as the case may be, shall remain open for a period of no more than 20 Business Days following its commencement (the “Offer Period”). No later than five Business Days after the termination of the Offer Period (the “Purchase Date”), the Company shall apply all Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) (the “Offer Amount”), to the purchase of Securities and, if required or permitted by the terms of any other First Lien Obligations and/or, to the extent that the assets or property disposed of in the Asset Sale were not Collateral, Pari Passu Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Securities and, if applicable, First Lien Obligations and/or other Pari Passu Indebtedness tendered in response to the Asset Sale Offer or Advance Offer, as the case may be. Payment for any Securities so purchased shall be made in the same manner as interest payments are made.
(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, up to but excluding the Purchase Date, shall be paid on the Purchase Date to the Person in whose name a Security is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Securities pursuant to the Asset Sale Offer or Advance Offer, as the case may be.

(d) Upon the commencement of an Asset Sale Offer or an Advance Offer, as the case may be, the Company shall send, electronically or by first-class mail, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Securities pursuant to the Asset Sale Offer or Advance Offer, as the case may be. The Asset Sale Offer or Advance Offer, as the case may be, shall be made to all Holders and, if required or permitted by the terms thereof, holders of other First Lien Obligations and, to the extent that the assets and property disposed of in the Asset Sale were not Collateral, any other Pari Passu Indebtedness. The notice, which shall govern the terms of the Asset Sale Offer or Advance Offer, as the case may be, shall state:

(i) that the Asset Sale Offer or Advance Offer, as the case may be, is being made pursuant to this Section 13.07 and Section 4.10 and the length of time the Asset Sale Offer or Advance Offer, as the case may be, shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Security not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Company defaults in making such payment, any Security accepted for payment pursuant to the Asset Sale Offer or Advance Offer, as the case may be, shall cease to accrue interest after the Purchase Date;

(v) that Holders electing to have a Security purchased pursuant to an Asset Sale Offer or an Advance Offer, as the case may be, may elect to have Securities purchased in amounts of $1,000 or whole multiples of $1,000 in excess thereof only;

(vi) that Holders electing to have a Security purchased pursuant to any Asset Sale Offer or Advance Offer, as the case may be, shall be required to surrender the Security, with the form entitled “Form of Repurchase Notice” attached to the Security completed, or transfer by book-entry transfer, to the Company, DTC, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(vii) that, if the aggregate principal amount (or accreted value, as applicable) of Securities and, if applicable, other First Lien Obligations and, to the extent that the assets and property disposed of in the Asset Sale were not Collateral, other Pari Passu Indebtedness, in each case, surrendered by the holders thereof exceeds the Offer Amount, the Trustee shall select the Securities (subject to applicable DTC procedures as to Global Securities) and the Company or the representative of such other First Lien Obligations and such other Pari Passu Indebtedness shall select such other First Lien Obligations and Pari Passu Indebtedness to be purchased or repaid on a pro rata basis based on the accreted value or principal amount of the Securities or such other First Lien Obligations and such other Pari Passu Indebtedness tendered (with such adjustments as may be deemed appropriate by the Trustee so that only Securities in denominations of $2,000, or integral multiples of $1,000 in excess thereof, shall be purchased; provided that no Securities of $2,000 or less can be redeemed or purchased in part, except that if all of the Securities of a Holder are to be redeemed or purchased, the entire outstanding amount of Securities of such Holder, even if not a multiple of $1,000, shall be redeemed or purchased); and
(viii) that Holders whose Securities were purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased.

(e) On or before the Purchase Date, the Company shall, to the extent lawful, (1) accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Securities or portions thereof validly tendered pursuant to the Asset Sale Offer or Advance Offer, as the case may be, or if less than the Offer Amount has been tendered, all Securities tendered and (2) deliver or cause to be delivered to the Trustee the Securities properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Securities or portions thereof so tendered.

(f) The Company, DTC or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Securities properly tendered by such Holder and accepted by the Company for purchase, and the Company shall promptly issue a new Security, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Security to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officers’ Certificate is required for the Trustee to authenticate and mail or deliver such new Security) in a principal amount equal to any unpurchased portion of the Securities surrendered representing the same indebtedness to the extent not repurchased; provided, that each such new Security shall be in a principal amount of $2,000 or an integral multiple of $1,000 in excess thereof. Any Security not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company shall publicly announce the results of the Asset Sale Offer or Advance Offer, as the case may be, on or as soon as practicable after the Purchase Date.

ARTICLE 14
GUARANTEE

Section 14.01. Guarantee. Subject to the provisions of this Article 14, each Guarantor hereby fully, unconditionally and irrevocably guarantees on a senior secured unsubordinated basis, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Securities and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest, on the Securities and all other obligations and liabilities of the Company under this Indenture (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Company or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.06) (all the foregoing being hereinafter collectively called the “Guarantor Obligations”). Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article 14 notwithstanding any extension or renewal of any Guarantor Obligation.
Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Securities or the Guarantor Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 14.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Securities or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Subject to the provisions of Section 4.09, each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.
In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section.

Section 14.02. Execution and Delivery of Guarantee for Future Guarantors. To further evidence its Guarantee, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to execute a supplement to this Indenture, substantially in the form of Exhibit F hereto and deliver it to the Trustee. Concurrently with the execution and delivery of such supplement, the Company shall deliver to the Trustee an Opinion of Counsel and an Officers’ Certificate as provided under Section 9.05. Such supplement to this Indenture shall be executed on behalf of each Guarantor by either manual or facsimile signature of one Officer or other person duly authorized by all necessary corporate action of each Guarantor who shall have been duly authorized to so execute by all requisite corporate action. The validity and enforceability of any Guarantee shall not be affected by the fact that it is not affixed to any particular Security.

Each of the Guarantors hereby agrees that its Guarantee shall remain in full force and effect notwithstanding any failure to endorse on each Security a notation of such Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture or a Guarantee no longer holds that office at the time the Trustee authenticates the Security on which such Guarantee is endorsed or at any time thereafter, such Guarantor’s Guarantee of such Security shall nevertheless be valid.

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Indenture on behalf of each Guarantor.
Section 14.03.  Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any guarantees under the Senior Credit Facilities) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) In addition, the Company shall not permit any Guarantor to consolidate with or merge with or into any person (other than another Guarantor) and shall not permit the sale, conveyance, transfer, lease or other disposition of substantially all of the assets of such Guarantor, whether in a single transaction or a series of related transactions, unless:

(i) the resulting, surviving or transferee Person shall be a corporation, partnership, trust or limited liability company organized and existing under the laws of the United States of America, any State of the United States or the District of Columbia and such Person (if not such Guarantor) shall expressly assume, by supplemental indenture, executed and delivered to the Trustee, all the obligations of such Guarantor under its Guarantee;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been Incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; or

(iv) the transaction is made in compliance with Section 5.01 (other than clause (iii) of Section 5.01).

Upon the sale or disposition of a Guarantor (by merger, consolidation, the sale of its Capital Stock or the sale of all or substantially all of its assets (other than by lease)) and whether or not the Guarantor is the surviving corporation in such transaction to a Person which is not the Company or a Subsidiary, such Guarantor will be automatically released from all its obligations under this Indenture and its Guarantee and such Guarantee will terminate; provided, however, that (1) the sale or other disposition is in compliance with this Indenture, including Section 5.01 (other than clause (iii) thereof); and (2) all the obligations of such Guarantor under the Credit Agreement and related documentation and any other obligations of such Guarantor relating to any other Indebtedness of the Company or its Subsidiaries terminate upon consummation of such transaction.
Subject to Section 8.04, each Guarantor shall be deemed released from all its obligations under this Indenture and such Guarantee shall terminate upon the satisfaction and discharge of the Indenture pursuant to the provisions of Article 8 hereof.

Section 14.04. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 14.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 14.05. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

ARTICLE 15
COLLATERAL

Section 15.01. Security Documents.

(a) The due and punctual payment of the principal of, premium and interest on the Securities when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Securities, and performance of all other Obligations of the Company and the Guarantors to the Holders or the Trustee under this Indenture, the Securities, the Guarantees and the Security Documents, according to the terms hereunder and thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Secured Notes Obligations, subject to the terms of the Intercreditor Agreements. The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the Intercreditor Agreements. Each Holder, by accepting a Security, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Notes Collateral Agent to enter into the Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement on the Issue Date and to perform its obligations and exercise its rights thereunder in accordance therewith. In the event of conflict between an Intercreditor Agreement and any of the other Security Documents, the applicable Intercreditor Agreement shall control. Each Holder, by its acceptance of a Security, (a) agrees that it will be subject to and bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement and (b) authorizes and instructs the Notes Collateral Agent to enter into the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement on the Issue Date as the Notes Collateral Agent, and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 15.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Securities secured hereby, according to the intent and purposes herein expressed. The Company and the Guarantors shall, at their sole expense, take all actions and make all filings (including mailing Uniform Commercial Code (including amendments and continuation statements) and other financing statements, mortgages and deeds of trust) that may be required under applicable law, or that the Trustee or the Notes Collateral Agent may reasonably request, in order to ensure the creation, perfection and priority (or continuance thereof), as security for the Obligations of Company and the Guarantors to the secured parties under this Indenture, the Securities, the Guarantees, the Intercreditor Agreements and the Security Documents, of a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreements and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Holders.
(b) It is understood and agreed that prior to the Discharge of First Lien Obligations that are Credit Agreement Obligations, to the extent that the First Lien Collateral Agent is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to the Collateral or makes any determination in respect of any matters relating to the Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any Subsidiary (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the Senior Credit Facilities), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents and the judgment of the First Lien Collateral Agent in respect of any such matters under the Senior Credit Facilities shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.
Section 15.02. **Release of Collateral.**

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements and this Indenture. Notwithstanding anything to the contrary in the Security Documents, the Intercreditor Agreements and this Indenture, the Company and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Securities and the Guarantees under any one or more of the following circumstances:

(b) upon consummation of the sale, transfer or other disposition of such Collateral by the Company or a Guarantor to any Person other than the Company or a Guarantor, to the extent such sale, transfer or other disposition is not prohibited under this Indenture;

   (i) in the case of a Guarantor that is released from its Guarantee pursuant to the terms of this Indenture, with respect to the property and other assets of such Guarantor, upon the release of such Guarantor from its Guarantee;

   (ii) with respect to Collateral that is Capital Stock, upon (i) the dissolution or liquidation of the issuer of that Capital Stock that is not prohibited by this Indenture;

   (iii) with respect to any Collateral that becomes an “Excluded Asset,” upon it becoming an Excluded Asset;

(c) [reserved];

   (i) to the extent the Liens on the Collateral securing the Credit Agreement Obligations are released by the First Lien Collateral Agent (other than any release by, or as a result of, payment of the Credit Agreement Obligations), upon the release of such Liens;

   (ii) in connection with any enforcement action taken by the Controlling Collateral Agent in accordance with the terms of the First Lien Intercreditor Agreement; or

   (iii) as described under Article 9.

(d) The Liens on the Collateral securing the Securities and the Guarantees also shall automatically and without the need for any further action by any Person be terminated and released:

(e) upon payment in full of the principal of, together with accrued and unpaid interest on, the Securities and all other Obligations in respect of the Securities under this Indenture, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid;
(i) upon a satisfaction and discharge of this Indenture as described under Section 8.01; or

(ii) pursuant to the First Lien Intercreditor Agreement and the Security Documents with respect to the Securities.

(f) In addition, any Lien on any Collateral may be (i) released or subordinated to the holder of any Lien on such Collateral that is created, incurred or assumed pursuant to clauses (iv), (viii)(A) or (xxii) of the definition of “Permitted Liens” to the extent required by the terms of the obligations secured by such Liens and (ii) subordinated to any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property.

(g) With respect to any release of Collateral, upon receipt of an Officers’ Certificate stating that all conditions precedent under this Indenture and the Security Documents to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company’s expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents and shall do or cause to be done (at the Company’s expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers’ Certificate, and notwithstanding any term hereof or in any Security Document to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officers’ Certificate.

Section 15.03. Suits to Protect the Collateral. Subject to the provisions of Article 7 and the Security Documents, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the Security Documents; and

(b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 15.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.
Section 15.04. **Authorization of Receipt of Funds by the Trustee Under the Security Documents.** Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 15.05. **Purchaser Protected.** In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 15 to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

Section 15.06. **Power Exercisable by Receiver or Trustee.** In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 15 upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article 15; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 15.07. **Certain Limits on Collateral.** Notwithstanding anything in this Indenture or any other Security Document, it is understood and agreed that:

(a) Lien(s) required to be granted from time to time pursuant to this Indenture shall be subject to exceptions and limitations set forth in the Security Documents as in effect on the Issue Date;

(b) control agreements or other control or similar arrangements shall not be required with respect to deposit accounts, securities accounts, commodities accounts or other assets specifically requiring perfection by control agreements (other than certain certificated securities);

(c) no perfection actions shall be required with respect to Vehicles and other assets subject to certificates of title;

(d) no perfection actions shall be required with respect to commercial tort claims with a value less than $15,000,000 and no perfection shall be required with respect to promissory notes evidencing debt for borrowed money in a principal amount of less than $15,000,000;

(e) no actions in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction shall be required to be taken to create any security interests in assets located or titled outside of the United States (including any Equity Interests of any Foreign Subsidiaries and foreign intellectual property) or to perfect or make enforceable any security interests in any such assets (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction);
(f) no actions shall be required to perfect a security interest in letter of credit rights (other than the filing of UCC financing statements); and

(g) neither the Company nor any Guarantor shall be required to deliver or obtain any landlord lien waivers, estoppel certificates or collateral access agreements or letters.

Section 15.08. Notes Collateral Agent.

(a) The Company and each of the Holders by acceptance of the Securities hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Company and each of the Holders by acceptance of the Securities hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 15.08. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provisions of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person’s Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a “Related Person”), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.
(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor’s Affiliates.

(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Company or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Securities as it determines and, if it so requests, it shall first be indemnified to its reasonable satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Securities and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.
(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article 6 or the Holders of a majority in aggregate principal amount of the Securities (subject to this Section 15.08).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Securities then outstanding, may appoint a successor collateral agent, subject to the consent of the Company (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Company pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.
The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, including joinders and supplements thereto, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.

If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article 6, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

The Notes Collateral Agent is each Holder’s agent for the purpose of perfecting the Holders’ security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent’s instructions.

The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent’s Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor’s property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Securities or as otherwise provided in the Security Documents.

If the Company or any Guarantor (i) incurs any obligations in respect of junior priority obligations at any time when no First Lien/Second Lien Intercreditor Agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officers’ Certificate so stating and requesting the Notes Collateral Agent to enter into the First Lien/Second Lien Intercreditor Agreement in favor of a designated agent or representative for the holders of the junior priority obligations so incurred, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Company, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; provided that neither an Officer’s Certificate nor an Opinion of Counsel shall be required pursuant to this Section 12.08(l) in connection with the applicable Intercreditor Agreements (including pursuant to a joinder thereto) to be entered into.
(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity reasonably satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.
(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Company or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee’s sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an “owner or operator” under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act (“CERCLA”), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee’s actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.
(r) Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a "Security Document Order"), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document or amendment or supplement thereto, to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 15.08(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document or amendment or supplement thereto. Any such execution of a Security Document or amendment or supplement thereto shall be at the direction and expense of the Company, upon delivery to the Notes Collateral Agent of an Officer’s Certificate stating that all conditions precedent to the execution and delivery of the Security Document or amendment or supplement thereto have been satisfied. The Holders, by their acceptance of the Securities, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents or amendment or supplement thereto.

(s) Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Securities, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Securities or the Trustee, as applicable.

(t) After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Securities then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Securities. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Securities. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Securities with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Securities, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Company or the Guarantors, it may require an Officer’s Certificate, which shall conform to the provisions of this Section 15.08 and Sections 16.03 and 16.04; provided that no Officer’s Certificate shall be required in connection with the Security Documents, the First Lien Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement to be entered by the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate.
(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee solely with respect to the Security Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents were named as this Indenture herein.

(aa) The Company and the Guarantors shall furnish to the Trustee and the Notes Collateral Agent, within 120 days after the end of each fiscal year (beginning with the first fiscal year ending after the Issue Date and after giving effect to any fiscal year end change effected on or after the Issue Date), an Officer’s Certificate (which may be the same certificate required to be delivered by the Company pursuant to Section 4.04) either (i) (x) stating that such action has been taken with respect to the recording, filing, re-recording, and refiling of this Indenture or the Security Documents, as applicable, as are necessary to maintain the perfected Liens of the applicable Security Documents securing the Obligations under applicable law to the extent required by the Security Documents other than any action as described therein to be taken, and (y) stating that on the date of such Officer’s Certificate, all financing statements, financing statement amendments and continuation statements have been or will be executed and filed that are necessary, as of such date or promptly thereafter and during the succeeding 12 months, fully to maintain the perfection (to the extent required by the Security Documents) of the security interests of the Notes Collateral Agent securing the Obligations thereunder and under the Security Documents with respect to the Collateral; provided that if there is a required filing of a continuation statement or other instrument within such 12-month period and such continuation statement or amendment is not effective if filed at the time of the Officer’s Certificate, such Officer’s Certificate may so state and in that case the Company and the Guarantors shall cause a continuation statement or amendment to be timely filed and become effective so as to maintain such Liens and security interests securing Obligations or (ii) stating that no such action is necessary to maintain such Liens or security interests.

1. **Interest.** AMC Entertainment Holdings, Inc., a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Company will pay interest, payable semi-annually in arrears, on September 15 and March 15 of each year, with the first payment to be made on September 15, 2020. Interest on the Securities will accrue on the principal amount from, and including, the most recent date to which interest has been paid or provided for or, if no interest has been paid, from, and including, March 15, 2020, in each case to, but excluding, the next Interest Payment Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay, in cash, interest on any overdue amount (including, to the extent permitted by applicable law, overdue interest) at the rate borne by the Securities.

2. **Maturity.** The Securities will mature on the Maturity Date.

3. **Method of Payment.** Except as provided in the Indenture, the Company will pay interest on the Securities to the Persons who are Holders of record of Securities at the Close of Business on the Record Date set forth on the face of this Security immediately preceding the applicable Interest Payment Date. Holders must surrender Securities to a Paying Agent to collect the principal amount plus, if applicable, accrued and unpaid interest, if any, or the Fundamental Change Repurchase Price or Redemption Price, payable as herein provided on the Maturity Date, or on any Fundamental Change Repurchase Date or Redemption Date, as applicable.

4. **Paying Agent, Registrar, Conversion Agent.** Initially, U.S. Bank National Association (the “Trustee”) will act as Paying Agent, Registrar and Conversion Agent. The Company may change any Paying Agent, Registrar or Conversion Agent without prior notice.

5. **Indenture.** The Company issued the Securities under an Amended and Restated Indenture dated as of July 31, 2020 (the “Indenture”) among the Company, the Guarantors named therein, the Trustee and U.S. Bank National Association, as collateral agent. The Securities are subject to all terms set forth in the Indenture, and Holders are referred to the Indenture for a statement of such terms. The Securities are secured senior obligations of the Company limited to $600,000,000 aggregate principal amount, except as otherwise provided in the Indenture (and except for Securities issued in substitution for destroyed, lost or wrongfully taken Securities). Terms used herein without definition and which are defined in the Indenture have the meanings assigned to them in the Indenture. In the event of any inconsistency between the terms of this Security and the terms of the Indenture, the terms of the Indenture shall control.

6. **Redemption.** The Company may, at its option, redeem for cash all or part of the Securities, on the terms set forth in the Indenture. A sinking fund is not provided for the Securities.

7. **Repurchase at Option of Holder Upon a Fundamental Change.** Subject to the terms and conditions of the Indenture, in the event of a Fundamental Change, each Holder of the Securities shall have the right, at the Holder’s option, to require the Company to repurchase such Holder’s Securities including any portion thereof which is $1,000 in principal amount or any integral multiple thereof on the Fundamental Change Repurchase Date at a price payable in cash equal to the Fundamental Change Repurchase Price.
8. **Conversion.** The Securities shall be convertible into cash, Common Stock or a combination of cash and Common Stock, as applicable, as specified in the Indenture. To convert a Security, a Holder must satisfy the requirements of Section 10.02(a) of the Indenture. A Holder may convert a portion of a Security if the portion is $1,000 principal amount or an integral multiple thereof.

   Upon conversion of a Security, the Holder thereof shall be entitled to receive the cash and/or Common Stock payable upon conversion in accordance with Article 10 of the Indenture.

9. **Denominations, Transfer, Exchange.** The Securities are in registered form, without coupons, in denominations of $1,000 principal amount and integral multiples of $1,000 principal amount. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge that may be imposed in connection with certain transfers or exchanges as set forth in the Indenture. The Company or the Trustee, as the case may be, shall not be required to register the transfer of or exchange any Security for which a Repurchase Notice has been delivered, and not withdrawn, in accordance with the Indenture, except the unrepurchased portion of Securities being repurchased in part.

10. **Persons Deemed Owners.** The registered Holder of a Security will be treated as its owner for all purposes. Only registered Holders of Securities shall have the rights under the Indenture.

11. **Amendments, Supplements and Waivers.** The Indenture contains provisions permitting the Company and the Trustee in certain circumstances, without the consent of the Holders of the Securities, and in certain other circumstances, with the consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities and in other circumstances with consent of the Holders of 100% of the aggregate principal amount of the outstanding Securities, to amend or supplement the Indenture, the Guarantees or the Securities.

12. **Defaults and Remedies.** Subject to certain exceptions, if an Event of Default occurs and is continuing, the Trustee by notice to the Company or the Holders of at least twenty five percent (25%) in aggregate principal amount of the Securities then outstanding by notice to the Company and the Trustee may declare the principal of, and any accrued and unpaid interest on, all Securities to be due and payable immediately. If any of certain bankruptcy or insolvency-related Events of Default occurs and is continuing, the principal of, and accrued and unpaid interest on, all the Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. Subject to certain exceptions, the Holders of a majority in aggregate principal amount of the Securities then outstanding by written notice to the Trustee may rescind or annul an acceleration and its consequences if certain conditions specified in the Indenture are satisfied.
13. **Trustee Dealings with the Company.** The Trustee under the Indenture, or any banking institution serving as successor Trustee thereunder, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for, the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not Trustee.

14. **Authentication.** This Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent in accordance with the Indenture.

15. **Abbreviations.** Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (Uniform Gifts to Minors Act).

16. **Ranking and Security.** The Securities shall be senior secured obligations of the Company. The Securities will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Securities, in each case pursuant to the Security Documents. Each Holder, by accepting this Security, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Notes Collateral Agent to enter into the Security Documents on the Issue Date, and at any time after Issue Date, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

7. **Indemnification.**

(a) **Indemnification by the Company.** The Company shall, notwithstanding any termination of this Agreement, indemnify, defend and hold harmless each Holder, the officers, directors, agents, partners, members, investment manager, managers, stockholders, Affiliates and employees of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, stockholders, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable costs of preparation and investigation and reasonable attorneys’ fees) and expenses (collectively, “Losses”), to which any of them may become subject, that arise out of or are based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus or (ii) any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (A) such untrue statements, alleged untrue statements, omissions or alleged omissions are based upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder’s proposed method of distribution of Registrable Securities and was provided by such Holder in writing expressly for use in the Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto, or (B) in the case of an occurrence of an event of the type specified in Section 5(h), related to the use by a Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated and defined in Section 11(c) below, but only if and to the extent that following the receipt of the Advice the misstatement or omission giving rise to such Loss would have been corrected. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party (as defined in Section 7(c)), shall survive the transfer of the Registrable Securities by the Holders, and shall be in addition to any liability which the Company may otherwise have.
(c) **Conduct of Indemnification Proceedings.** If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an “**Indemnified Party**”), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the “**Indemnifying Party**”) in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all reasonable fees and expenses incurred in connection with defense thereof; *provided*, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that such failure shall have materially and adversely prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees and expenses; (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that in the reasonable judgment of such counsel a conflict of interest exists if the same counsel were to represent such Indemnified Party and the Indemnifying Party; *provided*, that the Indemnifying Party shall not be liable for the reasonable and documented fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Parties. The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.
Subject to the terms of this Agreement, all reasonable and documented fees and expenses of the Indemnified Party (including reasonable and documented fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section 7(c)) shall be paid to the Indemnified Party, as incurred, with reasonable promptness after receipt of written notice thereof to the Indemnifying Party; provided, that the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees and expenses applicable to such actions for which such Indemnified Party is finally judicially determined to not be entitled to indemnification hereunder. The failure to deliver written notice to the Indemnifying Party within a reasonable time of the commencement of any such action shall not relieve such Indemnifying Party of any liability to the Indemnified Party under this Section 7, except to the extent that the Indemnifying Party is materially and adversely prejudiced in its ability to defend such action.

(d) **Contribution.** If a claim for indemnification under Section 7(a) is unavailable to an Indemnified Party or insufficient to hold an Indemnified Party harmless for any Losses, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 7(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 7(d), no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

8. **Rule 144 and Rule 144A; Other Exemptions.** With a view to making available to the Holders of Registrable Securities the benefits of Rule 144 and Rule 144A promulgated under the Securities Act and other rules and regulations of the Commission that may at any time permit a Holder of Registrable Securities to sell securities of the Company without registration, until such time as when no Registrable Securities remain outstanding, the Company covenants that it will (i) if it is subject to the reporting requirement of 13 or 15(d) of the Exchange act, use reasonable best efforts to file in a timely manner all reports and other documents required, if any, to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted thereunder or (ii) if it is not subject to the reporting requirement of 13 or 15(d) of the Exchange Act, use reasonable best efforts to make available information necessary to comply with Rule 144 and Rule 144A, if available with respect to resales of the Registrable Securities under the Securities Act, at all times, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (x) Rule 144 and Rule 144A promulgated under the Securities Act (if available with respect to resales of the Registrable Securities), as such rules may be amended from time to time or (y) any other rules or regulations now existing or hereafter adopted by the Commission. Upon the reasonable request of any Holder of Registrable Securities, the Company will deliver to such Holder a written statement as to whether it has complied with such information requirements, and, if not, the specific reasons for non-compliance.
9. **Transfer of Registration Rights.** Any Holder may freely assign its rights hereunder on a pro rata basis in connection with any sale, transfer, assignment, or other conveyance (any of the foregoing, a “Transfer”) of Registrable Securities to any transferee or assignee; provided that all of the following additional conditions are satisfied: (a) such Transfer is effected in accordance with applicable securities laws; (b) such transferee or assignee agrees in writing to become subject to the terms of this Agreement; (c) such transferee shall have purchased at least 15,000 shares of Class A Common Stock and (d) the Company is given written notice by such Holder of such Transfer, stating the name and address of the transferee or assignee and identifying the Registrable Securities with respect to which such rights are being transferred or assigned; and further provided, that (i) any rights assigned hereunder shall apply only in respect of the Registrable Securities that are Transferred and not in respect of any other securities that the transferee or assignee may hold and (ii) any Registrable Securities that are Transferred may cease to constitute Registrable Securities following such Transfer in accordance with the terms of this Agreement.

10. **Further Assurances.** Each of the parties hereto shall execute all such further instruments and documents and take all such further action as any other party hereto may reasonably require in order to effectuate the terms and purposes of this Agreement.

11. **Miscellaneous.**

   (a) **Remedies.** Any Person having rights under any provision of this Agreement shall be entitled to enforce such rights specifically to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that any party may in its sole discretion apply to any court of law or equity of competent jurisdiction (without posting any bond or other security) for specific performance and for other injunctive relief in order to enforce or prevent violation of the provisions of this Agreement.

   (b) **Compliance.** Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it (unless an exemption therefrom is available) in connection with sales of Registrable Securities pursuant to any Registration Statement and shall sell the Registrable Securities only in accordance with a method of distribution described in each Registration Statement.

   (c) **Discontinued Disposition.** By its acquisition of Registrable Securities, each Holder agrees that, upon receipt of a notice from the Company of any event of the kind described in Section 5(h), such Holder will forthwith discontinue disposition of such Registrable Securities under a Registration Statement until it is advised in writing (the “Advice”) by the Company that the use of the applicable Prospectus (as it may have been supplemented or amended) may be resumed. The Company may provide appropriate stop orders to enforce the provisions of this paragraph.
(d) **Preservation of Rights.** The Company shall not grant any registration rights to third parties which are more favorable than or inconsistent with the rights granted hereunder unless any such more favorable rights are concurrently added to the rights granted hereunder.

(e) **No Inconsistent Agreements.** The Company shall not hereafter enter into any agreement with respect to its securities which is inconsistent with or violates the rights granted to the Holders in this Agreement.

(f) **Amendments and Waivers.** The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, or waived unless the same shall be in writing and signed by the Company and Holders holding at least a majority of the then outstanding Registrable Securities; *provided, however,* that any party may give a waiver as to itself; *provided further, however* that no amendment, modification, supplement, or waiver that disproportionately and adversely affects, alters, or changes the interests of any Holder shall be effective against such Holder without the prior written consent of such Holder; *provided further, however* that the definition of “Holders” in Section 1 and the provisions of Section 2(c) may not be amended, modified or supplemented, or waived unless in writing and signed by all the signatories to this Agreement; and *provided further* that the waiver of any provision with respect to any Registration Statement or offering may be given by Holders holding at least a majority of the then outstanding Registrable Securities entitled to participate in such offering or, if such offering shall have been commenced, having elected to participate in such offering. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of certain Holders and that does not directly or indirectly affect the rights of other Holders may be given by Holders of a majority of the Registrable Securities to which such waiver or consent relates; *provided, however,* that the provisions of this sentence may not be amended, modified, or supplemented except in accordance with the provisions of the immediately preceding sentence. No waiver of any terms or conditions of this Agreement shall operate as a waiver of any other breach of such terms and conditions or any other term or condition, nor shall any failure to enforce any provision hereof operate as a waiver of such provision or of any other provision hereof. No written waiver hereunder, unless it by its own terms explicitly provides to the contrary, shall be construed to effect a continuing waiver of the provisions being waived and no such waiver in any instance shall constitute a waiver in any other instance or for any other purpose or impair the right of the party against whom such waiver is claimed in all other instances or for all other purposes to require full compliance with such provision. The failure of any party to enforce any provision of this Agreement shall not be construed as a waiver of such provision and shall not affect the right of such party thereafter to enforce each provision of this Agreement in accordance with its terms.
(g) Notices. Any notice or other communication required or which may be given hereunder shall be in writing and shall be sent by certified or regular mail, by private national courier service (return receipt requested, postage prepaid), by personal delivery, by electronic mail or by facsimile transmission. Such notice or communication shall be deemed given (i) if mailed, two days after the date of mailing, (ii) if sent by national courier service, one Business Day after being sent, (iii) if delivered personally, when so delivered, (iv) if sent by electronic mail, on the Business Day such electronic mail is transmitted, or (v) if sent by facsimile transmission, on the Business Day such facsimile is transmitted, in each case as follows:

If any time period for giving notice or taking action hereunder expires on a day which is a Saturday, Sunday or legal holiday in the State of New York or the jurisdiction in which the Company’s principal office is located, the time period shall automatically be extended to the Business Day immediately following such Saturday, Sunday or legal holiday.

(h) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns (including any trustee in bankruptcy). In addition, and whether or not any express assignment shall have been made, the provisions of this Agreement which are for the benefit of the Holders of Registrable Securities (or any portion thereof) as such shall be for the benefit of and enforceable by any subsequent holder of any Registrable Securities (or of such portion thereof); provided, that such subsequent holder of Registrable Securities shall be required to execute a joinder to this Agreement in form and substance reasonably satisfactory to the Company agreeing to be bound by its terms. No assignment or delegation of this Agreement by the Company, or any of the Company’s rights, interests or obligations hereunder, shall be effective against any Holder without the prior written consent of such Holder.
Execution and Counterparts. This Agreement may be executed simultaneously in two or more counterparts, any one of which need not contain the signatures of more than one party, but all such counterparts taken together shall constitute one and the same Agreement.

Delivery by Facsimile. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a facsimile machine or other electronic means, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

Governing Law; Venue. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other jurisdiction) to the extent such rules or provisions would cause the application of the laws of any jurisdiction other than the State of New York. Each of the parties to this Agreement consents and agrees that any action to enforce this Agreement or any dispute, whether such dispute arises in law or equity, arising out of or relating to this Agreement shall be brought exclusively in the United States District Court for the Southern District of New York or any New York State Court sitting in New York City. The parties hereto consent and agree to submit to the exclusive jurisdiction of such courts. Each of the parties to this Agreement waives and agrees not to assert in any such dispute, whether such dispute arises in law or equity, any claim that (i) such party and such party’s property is immune from any legal process issued by such courts or (ii) any litigation or other proceeding commenced in such courts is brought in an inconvenient forum. The parties hereby agree that mailing of process or other papers in connection with any such action or proceeding to an address provided in writing by the recipient of such mailing, or in such other manner as may be permitted by law, shall be valid and sufficient service thereof and hereby waive any objections to service in the manner herein provided.

Waiver of Jury Trial. Each of the parties to this Agreement hereby agrees to waive its respective rights to a jury trial of any claim or cause of action based upon or arising out of this Agreement. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this Agreement, including contract claims, tort claims and all other common law and statutory claims. Each party hereto acknowledges that this waiver is a material inducement to enter into this Agreement, that each has already relied on this waiver in entering into this Agreement, and that each will continue to rely on this waiver in their related future dealings. Each party hereto further warrants and represents that it has reviewed this waiver with its legal counsel and that it knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 11(l) AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.
(m) **Severability.** Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

(n) **Descriptive Headings; Interpretation; No Strict Construction.** The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular forms of nouns, pronouns, and verbs shall include the plural and vice versa. Reference to any agreement, document, or instrument means such agreement, document, or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and, if applicable, hereof. The words “include”, “includes” or “including” in this Agreement shall be deemed to be followed by “without limitation”. The use of the words “or,” “either” or “any” shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. All references to laws, rules, regulations and forms in this Agreement shall be deemed to be references to such laws, rules, regulations and forms, as amended from time to time or, to the extent replaced, the comparable successor thereto in effect at the time. All references to agencies, self-regulatory organizations or governmental entities in this Agreement shall be deemed to be references to the comparable successors thereto from time to time.

(o) **Entire Agreement.** This Agreement and any certificates, documents, instruments and writings that are delivered pursuant hereto, constitutes the entire agreement and understanding of the parties in respect of the subject matter hereof and supersedes all prior understandings, agreements or representations by or among the parties, written or oral, to the extent they relate in any way to the subject matter hereof.

(p) **Termination.** The obligations of the Company and of any Holder, other than those obligations contained in Section 7 and this Section 11, shall terminate with respect to the Company and such Holder as soon as such Holder no longer beneficially owns any Registrable Securities.

(q) **Remedies.** The Company agrees that damages may be an inadequate remedy for any breach of the terms and provisions of this Agreement and that Holders shall, whether or not they are pursuing any remedies at law, be entitled to equitable relief in the form of a preliminary or permanent injunction, without having to post any bond or other security, upon any breach or threatened breach of any such terms or provisions.

Each of the Junior Representatives, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Senior Obligations held (or purport to be held) by or on behalf of any of the Senior Secured Parties or any Senior Representative or other agent or trustee therefor in any Senior Collateral, and the Designated Senior Representative and each other Senior Representative, for itself and on behalf of each Senior Secured Party under its Senior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Junior Obligations held (or purport to be held) by or on behalf of any of any Junior Representative or any of the Junior Secured Parties in the Junior Collateral. Notwithstanding the foregoing, no provision in this Agreement shall be construed to prevent or impair the rights of the Designated Senior Representative or any other Senior Representative to enforce this Agreement (including the priority of the Liens securing the Senior Obligations as provided in Section 2.01) or any of the Senior Debt Documents.
SECTION 2.04. **No New Liens.** The parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred (a) no Grantor shall grant or permit any additional Liens on any asset or property of such Grantor to secure any Junior Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations and (b) if any Junior Representative or any Junior Secured Party shall hold any Lien on any assets or property of any Grantor securing any Junior Obligations that are not also subject to the senior-priority Liens securing Senior Obligations under the Senior Collateral Documents, such Junior Representative or Junior Secured Party (i) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to the Senior Representatives as security for the Senior Obligations, shall assign such Lien to the Senior Representatives as security for the Senior Obligations (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to the Senior Representatives, shall be deemed to hold and have held such Lien for the benefit of the Senior Representatives as security for the Senior Obligations. If any Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds or payment from or as a result of any Liens granted in contravention of this Section 2.04, it shall pay such proceeds or payments over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 2.05. **Perfection of Liens.** Except for the agreements of the Designated Senior Representative pursuant to Section 5.05, none of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Junior Representatives or the Junior Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Junior Secured Parties and shall not impose on the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives, the Junior Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

SECTION 2.06. **Certain Cash Collateral.** Notwithstanding anything in this Agreement or any other Senior Debt Documents or Junior Debt Documents to the contrary, collateral consisting of cash and cash equivalents pledged to secure Senior Obligations consisting of reimbursement obligations in respect of Letters of Credit or otherwise held by the Senior Credit Agreement Agent pursuant to Section 2.05(j) of the Senior Credit Agreement (or any equivalent successor provision) shall be applied as specified in such Section of the Senior Credit Agreement and will not constitute Shared Collateral.

SECTION 2.07. **Refinancings.** The Senior Obligations and the Junior Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Senior Debt Document or any Junior Debt Document, as applicable) of any party hereto, all without affecting the priorities provided for herein or the other provisions hereof; provided that the collateral agent of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness and such collateral agent and Grantors shall have complied with Section 8.09 with respect to such Indebtedness.

In exercising rights and remedies with respect to the Senior Collateral, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.
(b) So long as the Discharge of Senior Obligations has not occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Junior Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the proviso in Section 3.01(a) and in Article VI, the sole right of the Junior Representatives and the Junior Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Junior Obligations pursuant to the Junior Debt Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to the proviso in Section 3.01(a), (i) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that neither such Junior Representative nor any such Junior Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party with respect to the Shared Collateral under the Senior Debt Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives any and all rights it or any such Junior Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party is adverse to the interests of the Junior Secured Parties.

(d) Each Junior Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Junior Debt Document shall be deemed to restrict in any way the rights and remedies of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Debt Documents.

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Obligations, the Designated Senior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Designated Junior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Junior Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Junior Representatives, or for the taking of any other action authorized by the Junior Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Junior Representative or other agent or trustee acting on behalf of the Junior Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Junior Secured Parties or the Junior Obligations.
SECTION 3.02. Cooperation. Subject to the proviso in Section 3.01(a), each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Designated Senior Representative upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Junior Debt Documents or otherwise in respect of the Junior Obligations.

SECTION 3.03. Actions upon Breach. Should any Junior Representative or any Junior Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the Designated Senior Representative or any other Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Borrower or any other Grantor) or the Borrower may obtain relief against such Junior Representative or such Junior Secured Party by injunction, specific performance or other appropriate equitable relief. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby (a) agrees that the Senior Secured Parties’ damages from the actions of the Junior Representatives or any Junior Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Borrower, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party.

Upon delivery to a Junior Representative of an Officer’s Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Junior Secured Parties and the Junior Representatives) and any necessary or proper instruments of termination or release prepared by the Borrower or any other Grantor, such Junior Representative will promptly execute, deliver or acknowledge, at the Borrower’s or the other Grantor’s sole cost and expense, such instruments to evidence such termination and release of the Liens. SECTION 5.03. **Amendments to Junior Collateral Documents.**

(a) Without the prior written consent of the Designated Senior Representative, no Junior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Junior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Borrower agrees to deliver to the Designated Senior Representative copies of (i) any amendments, supplements or other modifications to the Junior Collateral Documents and (ii) any new Junior Collateral Documents promptly after effectiveness thereof. Nothing in this Agreement shall prohibit the receipt by any Junior Representative or any Junior Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Junior Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Representative or any Junior Secured Party of rights or remedies as a creditor in respect of Shared Collateral. In the event any Junior Representative or any Junior Secured Party becomes a judgment lien creditor in respect of Shared Collateral, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing Senior Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Senior Representative (such Shared Collateral being referred to herein as the “Pledged or Controlled Collateral”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, such Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Junior Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior Collateral Documents and subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, each Senior Representative shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Junior Collateral Documents did not exist. The rights of the Junior Representatives and the Junior Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms and conditions of this Section 5.05.

(d) No Senior Representative shall have any obligation whatsoever to the Junior Representatives or any Junior Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of each Senior Representative under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Junior Representative for purposes of perfecting the Lien held by such Junior Representative.

(e) No Senior Representative shall have by reason of the Junior Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Junior Representative or any Junior Secured Party, and each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives and releases each Senior Representative from all claims and liabilities arising pursuant to such Senior Representative’s role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.
Upon the Discharge of Senior Obligations, each Senior Representative shall, at the Grantors’ sole cost and expense, (i) (A) deliver to the Designated Junior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Junior Representative is entitled to approve any awards granted in such proceeding. The Borrower and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by such Senior Representative as a result of its own willful misconduct, gross negligence or bad faith. No Senior Representative has any obligation to follow instructions from the Designated Junior Representative in contravention of this Agreement.

Neither the Designated Senior Representative nor any of the other Senior Representatives or Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Borrower or any other Grantor to the Designated Senior Representative, any other Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed to Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Borrower or any other Grantor incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Designated Senior Representative of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Designated Senior Representative), each Junior Representatives (including the Designated Junior Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrower), including amendments or supplements to this Agreement, as the Borrower or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to the Designated Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Junior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Designated Senior Representative is entitled to approve any awards granted in such proceeding.
SECTION 5.07. Purchase Right. Without prejudice to the enforcement of the Senior Secured Parties’ remedies in accordance with the Senior Debt Documents and this Agreement, the Senior Secured Parties agree that following (a) the acceleration of the Senior Obligations in accordance with the terms of the Senior Debt Documents or (b) the commencement of an Insolvency or Liquidation Proceeding by any Grantor (each, a “Purchase Event”), within thirty (30) days of the Purchase Event, one or more of the Junior Secured Parties may request, and the Senior Secured Parties hereby offer the Junior Secured Parties, the option to purchase all, but not less than all, of the aggregate amount of Senior Obligations outstanding at the time of purchase at par, plus any premium that would be applicable upon prepayment of the Senior Obligations and accrued and unpaid interest, fees, and expenses without warranty or representation or recourse (except for representations and warranties required to be made by assigning lenders pursuant to the Assignment and Assumption (as such term is defined in the Senior Credit Agreement)). If such purchase right is timely exercised, the parties shall endeavor to close promptly thereafter but in any event within ten (10) Business Days of the request. If one or more of the Junior Secured Parties timely exercises such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the Senior Representatives and the Junior Representatives. If none of the Junior Secured Parties timely exercises such purchase right, the Senior Secured Parties shall have no further obligations pursuant to this Section 5.07 for such Purchase Event and may take any further actions in their sole discretion in accordance with the Senior Debt Documents and this Agreement.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. Financing and Sale Issues. Until the Discharge of Senior Obligations has occurred, if the Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Designated Senior Representative, any other Senior Representative or any Senior Secured Party shall desire to consent (or not object) to, as applicable, the sale, use or lease of cash or other collateral or to consent (or not object) to the Borrower’s or any other Grantor’s obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to be secured by the Senior Collateral (“DIP Financing”), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it will (as applicable) raise no objection to and will not otherwise contest such use of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in Section 3.01(a)(iii) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the Senior Obligations under the Senior Credit Agreement or, if no Senior Credit Agreement then exists, under the other Senior Debt Documents are subordinated to or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Junior Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Secured Parties, and (z) to any “carve-out” for professional and United States Trustee fees agreed to by the Designated Senior Representative, and the Designated Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that notice received two Business Days prior to the entry of an order approving such usage of cash or other collateral or approving such DIP Financing shall be adequate notice. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, further agrees that it will (as applicable) raise no objection to and will not otherwise contest (a) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations with respect to the Senior Collateral made by Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, (b) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale in foreclosure of Senior Collateral (including, without limitation, pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral, (c) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) any order relating to a sale or other disposition of any or all of the Senior Collateral for which the Designated Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Junior Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Junior Obligations pursuant to this Agreement; provided that the Junior Secured Parties may assert any objection to the proposed bidding or related procedures to be utilized in connection with any sale or disposition that could be asserted by an unsecured creditor in any Insolvency or Liquidation Proceeding; without limiting the foregoing, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it may not raise any objections based on rights afforded by Section 363(e) or Section 363(f) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. In addition, the Junior Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations.
SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties for adequate protection in any form, (b) any objection by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to any motion, relief, action or proceeding based on the Designated Senior Representative’s or any other Senior Representative’s or Senior Secured Party’s claiming a lack of adequate protection or (c) the allowance and/or payment of interest, fees, expenses or other amounts of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party as adequate protection or otherwise under Section 506(b) or 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative expense claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, may seek or request adequate protection in the form of (as applicable) a Lien on such additional or replacement collateral and/or a superpriority administrative expense claim, which Lien and/or superpriority administrative expense claim (as applicable) is subordinated to the Liens securing and providing adequate protection for, and claims with respect to, the Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing and claims with respect to the Senior Obligations under this Agreement and (ii) in the event any Junior Representatives, for themselves and on behalf of the Junior Secured Parties under their Junior Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of (as applicable) a Lien on additional or replacement collateral and/or a superpriority administrative expense claim, then such Junior Representatives, for themselves and on behalf of each Junior Secured Party under their Junior Debt Facilities, agree that the Senior Representatives shall also be granted (as applicable) a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and/or a senior superpriority administrative expense claim, and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Junior Obligations and/or superpriority administrative expense claim shall be subordinated to the Liens securing and claims with respect to the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens and claims granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement. Without limiting the generality of the foregoing, to the extent that the Senior Secured Parties are granted adequate protection in the form of payments in the amount of current post-petition fees and expenses, and/or other cash payments, then the Junior Representatives, for themselves and on behalf of the Junior Secured Parties under their Junior Debt Facilities, shall not be prohibited from seeking adequate protection in the form of payments in the amount of current post-petition incurred fees and expenses, and/or other cash payments (as applicable), subject to the right of the Senior Secured Parties to object to the reasonableness of the amounts of fees and expenses or other cash payments so sought by the Junior Secured Parties.
SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason, any amount (a “Recovery”), whether received as proceeds of security, enforcement of any right of setoff, recoupment or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall still be entitled to a future Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute separate and distinct grants of Liens, (b) the Junior Secured Parties’ claims against the Grantors in respect of their Liens on the Shared Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the Senior Secured Parties against the Grantors in respect of the Shared Collateral, and (c) because of, among other things, their differing rights in the Shared Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Secured Parties and the Junior Secured Parties in respect of the Shared Collateral constitute only a single class of claims (rather than separate classes of senior and junior secured claims), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior Secured Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees, and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution is made from the Shared Collateral in respect of the Junior Obligations, with each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Secured Parties. This Section 6.05 is intended to govern the relationship between the classes of claims held by the Junior Secured Parties, on the one hand, and a collective class of claims comprised of the Senior Credit Agreement Secured Parties and any Additional Senior Secured Parties (as opposed to separate classes of each such series of claims), on the other hand, and, for the avoidance of doubt, nothing set forth herein shall in any way alter or modify the relationship of each series of such separate claims held by the Senior Secured Parties, including as set forth in the First Lien Intercreditor Agreement, or otherwise cause such different claims to be combined into one or more classes or otherwise classified in a manner that violates the First Lien Intercreditor Agreement.
SECTION 6.06. **No Waivers of Rights of Senior Secured Parties.** Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Secured Party, including the seeking by any Junior Secured Party of adequate protection or the asserting by any Junior Secured Party of any of its rights and remedies under the Junior Debt Documents or otherwise.

SECTION 6.07. **Application.** This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. **Other Matters.** To the extent that any Junior Representative or any Junior Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees not to assert any such rights without the prior written consent of the Designated Senior Representative; provided that, if requested by the Designated Senior Representative, such Junior Representative shall timely exercise such rights in the manner requested by the Designated Senior Representative, including any rights to payments in respect of such rights.

SECTION 6.09. **506(c) Claims.** Until the Discharge of Senior Obligations has occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. **Reorganization Securities.** If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a Plan of Reorganization on account of both the Senior Obligations and the Junior Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Junior Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

SECTION 6.11. **Post-Petition Interest.**

(a) None of the Junior Representatives or any other Junior Secured Party shall oppose or seek to challenge any claim by any Senior Representative or any Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of Senior Obligations consisting of claims for post-petition interest, fees, costs, expenses, and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise (for this purpose ignoring all claims and Liens held by the Junior Secured Parties on the Shared Collateral).
(b) None of the Senior Representatives or any Senior Secured Party shall oppose or seek to challenge any claim by any Junior Representative or any other Junior Secured Party for allowance in any Insolvency or Liquidation Proceeding of Junior Obligations consisting of claims for post-petition interest, fees, costs, expenses, and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise, to the extent of the value of the Lien of the Junior Representatives on behalf of the Junior Secured Parties on the Shared Collateral (after taking into account the Senior Obligations and the Senior Liens).

SECTION 6.12. Plan Voting. No Junior Representative or any other Junior Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) may propose, support, or vote in favor of any Plan of Reorganization (and each shall be deemed to have voted to reject any Plan of Reorganization) that is inconsistent with, or in violation of, the terms of this Agreement unless such plan (a) pays off, in cash in full, all Senior Obligations or (b) is accepted by the class of holders of Senior Obligations voting thereon in accordance with Section 1126(c) of the Bankruptcy Code.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Junior Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to the Borrower or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges that it and such Junior Secured Parties have, independently and without reliance on the Designated Senior Representative or any other Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that neither the Designated Senior Representative nor any other Senior Representative or other Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior Representatives and the Junior Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party shall have any duty to any Junior Representative or Junior Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Borrower or any Subsidiary (including the Junior Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Junior Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor’s title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.
SECTION 7.03. **Obligations Unconditional.** All rights, interests, agreements and obligations of the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Debt Document or any Junior Debt Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Debt Document or of the terms of any Junior Debt Document;

(c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Borrower or any other Grantor in respect of the Senior Obligations or (ii) any Junior Representative or Junior Secured Party in respect of this Agreement.

ARTICLE VIII

**Miscellaneous**

SECTION 8.01. **Conflicts.** In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any Senior Debt Document or any Junior Debt Document, the provisions of this Agreement shall govern.

Notwithstanding the foregoing, (a) the relative rights and obligations of the Senior Representatives and the Senior Secured Parties (as amongst themselves) with respect to any Senior Collateral shall be governed by the terms of the First Lien Intercreditor Agreement and in the event of any conflict between the First Lien Intercreditor Agreement and this Agreement, with respect to the Senior Representatives and the Senior Secured Parties (as amongst themselves), the provisions of the First Lien Intercreditor Agreement shall control and (b) the relative rights and obligations of the Junior Representatives and the Junior Secured Parties (as amongst themselves) with respect to any Junior Collateral shall be governed by the terms of the Second Lien Pari Passu Intercreditor Agreement and in the event of any conflict between the Second Lien Pari Passu Intercreditor Agreement and this Agreement, with respect to the Junior Representatives and the Junior Secured Parties (as amongst themselves), the provisions of the Second Lien Pari Passu Intercreditor Agreement shall control, in each case as applicable.

SECTION 8.02. **Continuing Nature of this Agreement; Severability.** Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Junior Representatives or any Junior Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrower or any other Grantor constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
SECTION 8.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Representative (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Borrower’s consent or which increases the obligations or reduces the rights of the Borrower or any other Grantor, with the consent of the Borrower).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Junior Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

(d) Notwithstanding the foregoing, without the consent of any other Representative or Secured Party, the Designated Senior Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional Junior Debt Obligations or Additional Senior Debt Obligations in compliance with the Senior Credit Agreement, the 2025 Senior Notes Indenture, the 2026 Senior Notes Indenture, the Senior Convertible Notes Indenture, the Junior Notes Indenture, any Additional Senior Debt Documents and any Additional Junior Debt Documents.

SECTION 8.04. Information Concerning Financial Condition of the Borrower and the other Grantors. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrower and the other Grantors and all endorsers or guarantors of the Senior Obligations or the Junior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Junior Obligations. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Designated Senior Representative, any other Senior Representative, any Senior Secured Party, any Designated Junior Representative, any other Junior Representative or any Junior Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.
SECTION 8.05. **Subrogation.** Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 8.06. **Application of Payments.** Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 8.07. **Additional Grantors.** The Borrower agrees that, if any Subsidiary of the Borrower shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Designated Senior Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.08. **Dealing with Grantors.** Upon any application or demand by the Borrower or any Grantor to the Designated Senior Representative or the Designated Junior Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), any such Borrower or Grantor, as appropriate, shall furnish to the Designated Junior Representative or the Designated Senior Representative a certificate of an appropriate officer (an “Officer’s Certificate”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 8.09. **Additional Debt Facilities.** To the extent, but only to the extent, permitted by the provisions of the then-extant Senior Debt Documents and the Junior Debt Documents, the Borrower may incur or issue and sell one or more series or classes of Additional Junior Debt and one or more series or classes of Additional Senior Debt. Any such additional class or series of Additional Junior Debt (the “Junior Class Debt”) may be secured by a junior priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the Junior Collateral Documents for such Junior Class Debt, if and subject to the condition that the Representative of any such Junior Class Debt (each, a “Junior Class Debt Representative”), acting on behalf of the holders of such Junior Class Debt (such Representative and holders in respect of any such Junior Class Debt being referred to as the “Junior Class Debt Parties”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (v), as applicable, of the immediately succeeding paragraph. Any such additional class or series of Additional Senior Debt (the “Senior Class Debt”; and the Senior Class Debt and Junior Class Debt, collectively, the “Class Debt”) may be secured by a senior Lien on Shared Collateral, in each case under and pursuant to the Senior Collateral Documents, if and subject to the condition that the Representative of any such Senior Class Debt (each, a “Senior Class Debt Representative”); and the Senior Class Debt Representatives and Junior Class Debt Representatives, collectively, the “Class Debt Representatives”), acting on behalf of the holders of such Senior Class Debt (such Representative and holders in respect of any such Senior Class Debt being referred to as the “Senior Class Debt Parties”; and the Senior Class Debt Parties and Junior Class Debt Parties, collectively, the “Class Debt Parties”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (v), as applicable, of the immediately succeeding paragraph. In order for a Class Debt Representative to become a party to this Agreement:
such Class Debt Representative shall have executed and delivered a Joinder Agreement to the Designated Senior Representative and the Designated Junior Representative substantially in the form of Annex III (if such Representative is a Junior Class Debt Representative) or Annex IV (if such Representative is a Senior Class Debt Representative) (with such changes as may be reasonably approved by the Designated Senior Representative and such Class Debt Representative) pursuant to which it becomes a Representative hereunder, and the Class Debt in respect of which such Class Debt Representative is the Representative and the related Class Debt Parties become subject hereto and bound hereby;

(ii) the Borrower shall have delivered to the Designated Senior Representative and the Designated Junior Representative true and complete copies of each of the Junior Debt Documents or Senior Debt Documents, as applicable, relating to such Class Debt, certified as being true and correct by a Responsible Officer of the Borrower;
