Item 1.01 Entry into a Material Definitive Agreement

5.875% Senior Subordinated Notes due 2022 and Indenture

On February 7, 2014, AMC Entertainment Inc. (the "Company"), a wholly-owned subsidiary of the registrant, AMC Entertainment Holdings, Inc. ("Holdings"), issued \$375,000,000 aggregate principal amount of its 5.875% Senior Subordinated Notes due 2022 (the "Senior Subordinated Notes"), which mature on February 15, 2022, pursuant to an indenture, dated as of February 7, 2014, among the Company, the guarantors named therein and U.S. Bank National Association, as trustee (the "Indenture"). A copy of the Indenture has been filed as Exhibit 4.1 hereto and is incorporated by reference herein. The Indenture provides that the Senior Subordinated Notes are general unsecured senior subordinated obligations of the Company and are fully and unconditionally guaranteed on a joint and several senior subordinated unsecured basis by all of the Company's existing and future subsidiaries that guarantee the Company's other indebtedness.

The Company will pay interest on the Senior Subordinated Notes at 5.875% per annum, semi-annually in arrears on February 15 and August 15, commencing on August 15, 2014.

The Company may redeem some or all of the Senior Subordinated Notes at any time on or after February 15, 2017, at the redemption prices set forth in the Indenture. In addition, the Company may redeem up to 35% of the aggregate principal amount of the Senior Subordinated Notes using net proceeds from certain equity offerings completed on or prior to February 15, 2017. The Company may redeem some or all of the notes at any time prior to February 15, 2017 at a redemption price equal to 100% of their aggregate principal amount and accrued and unpaid interest to, but not including, the date of redemption, plus an applicable make-whole premium.

The Indenture contains covenants that limit the Company's (and its restricted subsidiaries') ability to, among other things: (i) incur additional indebtedness, including additional senior indebtedness; (ii) pay dividends on or make other distributions in respect of its capital stock; (iii) purchase or redeem capital stock; (iv) create liens ranking pari passu in right of payment with or subordinated in right of payment to the Senior Subordinated Notes, (v) enter into certain transactions with its affiliates; and (vi) merge or consolidate with other companies or transfer all or substantially all of its assets. These covenants are subject to a number of important limitations and exceptions. The Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Senior Subordinated Notes to be due and payable immediately.

Holdings is not a party to the Indenture and is not a guarantor of the Senior Subordinated Notes.

Registration Rights Agreement

On February 7, 2014, in connection with the issuance of the Senior Subordinated Notes, the Company entered into a registration rights agreement (the "Registration Rights Agreement") with Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the initial purchasers of the Senior Subordinated Notes. A copy of the Registration Rights Agreement is filed as Exhibit 4.2 hereto and is incorporated by reference herein.

Subject to the terms of the Registration Rights Agreement, among other things, within 120 days after the issue date of the Senior Subordinated Notes, the Company will file one or more registration statements pursuant to the Securities Act of 1933, as amended, relating to notes (the "Exchange Notes") having substantially identical terms as the Senior Subordinated Notes as part of offers to exchange freely tradable Exchange Notes for Senior Subordinated Notes and will use its commercially reasonable efforts to cause the registration statement(s) to become effective within 210 days after the issue date of the Senior Subordinated Notes.

If the Company fails to meet these requirements, among others, (such event, a "Registration Default") a special interest rate will accrue on the principal amount of Senior Subordinated Notes from and including the date on which such Registration Default shall occur to the date such Registration Default has been cured. Special interest will accrue at a rate of \$0.192 per week per \$1,000 principal amount of Senior Subordinated Notes.

Tender Offer and Consent Solicitation

On February 7, 2014, the Company accepted for purchase its 8.75% Senior Notes due 2019 (the "2019 Notes") (the "Initial Payment Date") that were validly tendered (or defective tender waived by the Company) and not revoked on or prior to 5:00 p.m., New York City time, on January 29, 2014 (the "Consent Date") pursuant to its previously announced tender offer ("Tender Offer") and consent solicitation ("Consent Solicitation") with respect to the 2019 Notes. Approximately \$464.0 million, or 77.3% of the outstanding principal amount of the

2

2019 Notes, were validly tendered (or defective tender waived by the Company) and not withdrawn in the Tender Offer on or prior to the Consent Date. The Company also received the requisite consents for the execution of the Sixth Supplemental Indenture (as defined below) on or prior to the Consent Date. The remaining conditions upon which the consummation of the Tender Offer and Consent Solicitation are subject have also been satisfied. As a result, on February 7, 2014, payment of the total consideration of \$1,068.75 per \$1,000.00 in principal amount of the 2019 Notes to holders who validly tendered (or defective tender waived by the Company) and did not revoke their 2019 Notes prior to the Consent Date, plus accrued and unpaid interest up to, but not including, the date of payment, was made in the aggregate amount of approximately \$503.3 million and the Sixth Supplemental Indenture became operative.

Supplemental Indenture to the 2019 Notes Indenture

In connection with the Initial Payment Date of the Tender Offer and the Consent Solicitation, on February 7, 2014, the Company amended the Indenture, dated as of June 9, 2009 (as amended, supplemented, waived or otherwise modified, the "2019 Notes Indenture") among the Company, the guarantors named therein and U.S. Bank National Association, as trustee, pursuant to a Sixth Supplemental Indenture dated as of February 7, 2014, among the Company, the guarantors named therein and U.S. Bank National Association, as trustee (the "Sixth Supplemental Indenture"). The Sixth Supplemental Indenture amended the 2019 Notes Indenture by eliminating substantially all of the restrictive covenants and certain events of default and other related provisions contained in the 2019 Notes Indenture. In connection with the Initial Payment Date, the Sixth Supplemental Indenture became operative on February 7, 2014. A copy of the Sixth Supplemental Indenture is filed as Exhibit 4.3 hereto and incorporated by reference herein.

ARTICLE II

The Securities

Section 2.01. Amount of Securities; Issuable in Series.

As provided for in Exhibit A hereto, the aggregate principal amount of the Securities which may be authenticated and delivered under this Indenture is unlimited. All Securities shall be substantially identical in all respects other than issue prices, issuance dates and denominations. The Securities may be issued in one or more series; *provided, however*, that any Securities issued with original issue discount (“OID”) for Federal income tax purposes shall not be issued as part of the same series as any Securities that are issued with a different amount of OID or are not issued with OID.

Subject to Section 2.03, the Trustee shall authenticate Initial Securities for original issue on the Issue Date in the aggregate principal amount of \$375,000,000. With respect to any Securities issued after the Issue Date (except for Securities authenticated and delivered upon registration of transfer of or in exchange for, or in lieu of, Initial Securities pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A), there shall be established in or pursuant to a resolution of the Board of Directors, and subject to Section 2.03, set forth, or determined in the manner provided in an Officers’ Certificate, or established in one or more indentures supplemental hereto, prior to the issuance of such Securities:

- (a) whether such Securities shall be issued as part of a new or existing series of Securities and the title of such Securities (which shall distinguish the Securities of the series from Securities of any other series);

20

- (b) the aggregate principal amount of such Securities that may be authenticated and delivered under this Indenture (which shall be calculated without reference to any Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the same series pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A or any Securities which, pursuant to Section 2.03, are deemed never to have been authenticated and delivered hereunder);

- (c) the issue price and issuance date of such Securities, including the date from which interest on such Securities shall accrue;

- (d) if applicable, that such Securities shall be issuable in whole or in part in the form of one or more Global Securities and, in such case, the respective depositories for such Global Securities, the form of any legend or legends that shall be borne by any such Global Security in addition to or in lieu of that set forth in Appendix I to Exhibit A and any circumstances in addition to or in lieu of those set forth in Section 2.3 of Exhibit A in which any such Global Security may be exchanged in whole or in part for Securities registered, and any transfer of such Global Security in whole or in part may be registered, in the name or names of Persons other than the depository for such Global Security or a nominee thereof; and

- (e) if applicable, that such Securities shall not be issued in the form of Initial Securities or Additional Securities, but shall be issued in the form of Private Exchange Securities or Exchange Securities.

If any of the terms of any series are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers’ Certificate or the trust indenture supplemental hereto setting forth the terms of the series.

Section 2.02. Form and Dating.

Provisions relating to the Securities are set forth in Exhibit A, which is hereby incorporated in and expressly made part of this Indenture. The Securities of each series and the Trustee’s certificate of authentication shall be substantially in the form of Appendix I to Exhibit A which is hereby incorporated in and expressly made a part of this Indenture. Without limiting the generality of the foregoing, Securities offered and sold to QIBs in reliance on Rule 144A shall include the form of assignment set forth in Appendix I to Exhibit A and Securities offered and sold in offshore transactions in reliance on Regulation S (other than Initial Securities offered on the Issue Date) shall include the form of certificate set forth in Exhibit B. The Securities of each series may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage; *provided* that any such notation, legend or endorsement is in a form reasonably acceptable to the Company. Each Security shall be dated the date of its authentication. The terms of the Securities of each series set forth in Appendix I to Exhibit A are part of the terms of this Indenture.

Section 2.03. Execution and Authentication.

Two Officers (or one Officer and the Vice President and Secretary of the Company) shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for

authentication, together with a written order of the Company in the form of an Officers' Certificate for the authentication and delivery of such Securities, and the Trustee in accordance with such written order of the Company shall authenticate and deliver such Securities.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Securities. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee shall not be required to authenticate such Securities if the issue thereof will adversely affect the Trustee's own rights, duties, indemnities or immunities under the Securities and this Indenture.

Section 2.04. Registrar and Paying Agent.

The Company shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange (the "*Registrar*") and an office or agency where Securities may be presented for payment (the "*Paying Agent*"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may have one or more co-registrars and one or more additional paying agents. The term "*Paying Agent*" includes any additional paying agent and "*Registrar*" includes any co-registrar.

The Company shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the TIA. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or transfer agent.

The Company initially appoints the Trustee as Registrar and Paying Agent in connection with the Securities.

Section 2.05. Paying Agent To Hold Money in Trust. Prior to each due date of the principal and interest on any Security, the Company shall deposit with the Paying Agent a sum sufficient to pay such principal and interest so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal or interest on the Securities and shall notify the Trustee of any default by the Company or any Guarantor in making any such payment. If the Company or a domestic Wholly Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent (if other than the Company or a domestic Wholly Owned Subsidiary) shall have no further liability for the money delivered to the Trustee.

Section 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Company on its

own behalf and on the behalf of each of the Guarantors shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company and the Guarantors shall otherwise comply with TIA Section 312(a).

Section 2.07. Replacement Securities. If a mutilated security is surrendered to the Registrar or if the Holder of a Security claims that such Security has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent, the Registrar and any co-registrar from any loss which any of them may suffer if a Security is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Security.

Every replacement Security is an additional obligation of Company.

Section 2.08. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Security is held by a protected purchaser.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest, on them ceases to accrue.

Section 2.09. Temporary Securities. Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Securities and deliver them in exchange for temporary Securities. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Securities representing an equal principal amount of Securities. Until so exchanged, the Holder of temporary Securities shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Securities.

Section 2.10. Cancellation. The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel (subject to the record retention

herein, the Company may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation.

If the Company or any Guarantor acquires any of the Securities, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Securities unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Securities to replace Securities it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Securities.

At such time as all beneficial interests in a Global Security have either been exchanged for definitive Securities, transferred, redeemed, repurchased or canceled, such Global Security shall be returned by DTC to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for definitive Securities, transferred in exchange for an interest in another Global Security, redeemed, repurchased or canceled, the principal amount of Securities represented by such Global Security shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Security) with respect to such Global Security, by the Trustee or the Securities Custodian, to reflect such reduction.

Section 2.11. Defaulted Interest. If the Company defaults in a payment of interest on the Securities, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate borne by the Securities to the extent lawful) in any lawful manner. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date (not less than 30 days after such notice) of the proposed payment (the “*Special Interest Payment Date*”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “*Special Record Date*”) for the payment of such defaulted interest, which date shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.02, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Securities (or their respective predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable.

The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Section 2.12. CUSIP Numbers, Common Codes or ISINs. The Company in issuing the Securities may use “CUSIP” numbers, “Common Codes” or “ISINs” (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “Common Codes” or “ISINs” in notices of redemption as a convenience to Holders; *provided, however,* that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “Common Code” or “ISIN” that appears on any Security, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, Common Code or ISIN.

Section 2.13. Computation of Interest. Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

ARTICLE III

Section 3.01. Notices to Trustee. If the Company elects to redeem Securities pursuant to paragraph 5 of the Securities, it shall notify the Trustee in writing of the redemption date, the principal amount of Securities to be redeemed, the redemption price and that such redemption is being made pursuant to paragraph 5 of the Securities.

The Company shall give notice to the Trustee provided for in this Section 3.01 at least 45 days but not more than 60 days before the redemption date unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officers’ Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

Section 3.02. Selection of Securities To Be Redeemed. If less than all the Securities are to be redeemed at any time, not more than 60 days prior to the redemption date, the Trustee shall select the Securities to be redeemed pro rata, by lot or by any other method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee in its sole discretion deems fair and appropriate and in accordance with methods generally used at the time of selection by fiduciaries in similar circumstances. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in amounts of \$2,000 or an integral multiple of \$1,000 (but in any event not less than \$2,000). Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Company promptly of the Securities or portions of Securities to be redeemed.

Section 3.03. Notice of Redemption. At least 30 days but not more than 60 days before a date for redemption of Securities, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Securities to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering.

The notice shall identify the Securities (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

- (a) the redemption date;

- (b) the redemption price;
- (c) the name and address of the Paying Agent;
- (d) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (e) if fewer than all the outstanding Securities are to be redeemed, or if a Security is to be redeemed in part only, the identification and principal amounts of the particular Securities (or portion thereof) to be redeemed;
- (f) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date; and
- (g) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities.

At the Company's written request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section at least 45 days before the redemption date, unless the Trustee consents to a shorter period.

Section 3.04. Effect of Notice of Redemption. Once notice of redemption is mailed, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the date of redemption). Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05. Deposit of Redemption Price. Prior to 10:00 a.m., New York City time, on the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the date of redemption) on all Securities to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Company to the Trustee for cancellation.

Upon surrender and cancellation of a Security that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE IV

Covenants

Section 4.01. Payment of Securities. The Company shall promptly pay the principal of, premium, if any, and interest on the Securities, in immediately available funds, on the dates and in the manner provided in the Securities and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance

with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Company shall pay interest on overdue principal at the rate specified therefore in the Securities, and it shall pay interest on overdue installments of interest at the rate borne by the Securities to the extent lawful.

The Company and the Guarantors will pay any present or future stamp, court or documentary taxes or any other excise or property taxes, charges or similar levies that arise in any jurisdiction from the execution, delivery, enforcement or registration of the Securities, the Subsidiary Guarantees, this Indenture or any other document or instrument in relation thereof, or the receipt of any payments with respect to the Securities or the Subsidiary Guarantees, excluding such taxes, charges or similar levies imposed by any jurisdiction outside of the United States, the jurisdiction of incorporation of any successor of the Company or any Guarantor or any jurisdiction in which a Paying Agent is located, other than those resulting from, or required to be paid in connection with, the enforcement of the Securities, the Subsidiary Guarantees or any other such document or instrument following the occurrence of any Event of Default with respect to the Securities. The Company or the Guarantors will indemnify the Holders for any such taxes paid by such Holders.

Section 4.02. Corporate Existence. Subject to Article Five, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect the corporate existence and corporate power and authority of the Company and each Subsidiary; *provided, however*, that the Company shall not be required to preserve any such corporate existence and corporate power and authority if the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries taken as a whole.

Section 4.03. Payment of Taxes and Other Claims. The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent,

(a) all material taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or upon the income, profits or property of the Company or any Subsidiary; and

(b) all material lawful claims for labor, materials and supplies, which, if unpaid, might by law become a Lien upon the property of the Company or any Subsidiary that could produce a material adverse effect on the consolidated financial condition of the Company; *provided, however*, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

Section 4.04. Maintenance of Properties. The Company will cause all properties owned by the Company or any Subsidiary or used or held for use in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times, except, in every case, as and to the extent that the Company may be prevented by fire, strikes, lockouts, acts of God, inability to obtain labor or materials, governmental restrictions, enemy action, civil commotion or unavoidable casualty or similar causes beyond the control of the Company; *provided, however*, that nothing in this Section 4.04 shall prevent the Company from discontinuing the maintenance of any such properties if such discontinuance is, in the judgment of the Company, desirable in the conduct of its business or the business of any Subsidiary and not disadvantageous in any material respect to the Holders.

27

Section 4.05. Limitation on Consolidated Indebtedness.

(a) The Company shall not, and shall not permit any of its Subsidiaries to, Incur any Indebtedness unless after giving effect to such event on a pro forma basis, the Company's Consolidated EBITDA Ratio for the four full fiscal quarters immediately preceding such event for which internal financial statements are available, taken as one period, is greater than or equal to 2.00 to 1.00 (such condition not being applicable to the Incurrence of Permitted Indebtedness).

(b) For purposes of determining compliance with this Section 4.05, in the event that an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of Permitted Indebtedness or is entitled to be Incurred pursuant to the ratio set forth in Section 4.05(a) hereof, the Company is entitled to Incur such Indebtedness in part under any combination thereof, and the Company shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 4.05; *provided* that all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed to have been incurred on the Issue Date pursuant to clause (2) of the definition of "Permitted Indebtedness" and the Company shall not be permitted to later reclassify all or any portion of such Indebtedness outstanding on the Issue Date under the Credit Agreement.

(c) Accrual of interest, the accretion of accreted value, amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Company, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, the accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (iii) of the definition of "Indebtedness" will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided, however*, that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.05.

Section 4.06. Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit its Subsidiaries to, directly or indirectly:

- (i) declare or pay any dividend on, or make any distribution in respect of, any shares of the Company's or any Subsidiary's Capital Stock (excluding dividends or distributions payable in shares of the Company's Capital Stock or in options, warrants or other rights to purchase such Capital Stock, but including dividends or distributions payable in Redeemable Capital Stock or in options, warrants or other rights to purchase Redeemable Capital Stock (other than dividends on such Redeemable Capital Stock payable in shares of such Redeemable Capital Stock)) held by any Person other than the Company or any of its Wholly Owned Subsidiaries; or
- (ii) purchase, redeem or acquire or retire for value any Capital Stock of the Company or any Affiliate thereof (other than any Wholly Owned Subsidiary of the Company and except for investments in Capital Stock of entities which are or become Affiliates as a result of the Company's ownership of equity interests in such entities) or any options, warrants or other rights to acquire such Capital Stock;

(such payments or any other actions described in (i) and (ii) above are collectively referred to as "*Restricted Payments*") unless at the time of and after giving effect to the proposed Restricted

28

Payment (the amount of any such Restricted Payment, if other than cash, as determined by the Board of Directors, whose determination shall be conclusive and evidenced by a Board Resolution): (A) no Default or Event of Default shall have occurred and be continuing; (B) the Company could incur \$1.00 of additional Indebtedness (other than Permitted Indebtedness) under the provisions of Section 4.05; and (C) the aggregate amount of all Restricted Payments (other than Restricted Payments permitted by Section 4.06(b)(iv), (v), (vii) and (viii)) declared or made after January 1, 2014 (including the proposed Restricted Payment) does not exceed the sum of:

- (4) \$327.0 million.

(b) Notwithstanding Section 4.06(a), the Company or any of its Subsidiaries may:

- (C) foreign, federal, state and local income and other taxes, to the extent such taxes are attributable to the income, revenue, receipts, capital or margin of the Company and its Subsidiaries; *provided* that the amount of such payments in any fiscal year does not exceed the amount that the Company and its Subsidiaries would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Company and its Subsidiaries to pay such taxes separately from any parent entity;
- (D) general corporate operating and overhead costs and expenses of any parent entity to the extent such costs and expenses are directly or indirectly attributable to the ownership or operation of the Company and its Subsidiaries, including the Company's proportionate share of the expenses relating to any parent entity being a public company; and

- (vi) the payment of dividends on the Company's common stock (or a Restricted Payment to any direct or indirect parent of the Company to fund the payment by such direct or indirect parent of the Company of dividends on such entity's common stock) of up to 6% per annum of the net proceeds received by the Company from any public offering of common stock of the Company or any direct or indirect parent of the Company, including without limitation the initial public offering of the Parent's Class A common stock completed on December 23, 2013, other than public offerings with respect to the Company's (or such direct or indirect parent's) common stock registered on Form S-4 or Form S-8;
- (vii) the purchase, redemption or other acquisition or retirement for value of any Capital Stock of the Company or any parent entity held by any current or former employee, director or consultant of the Company, any parent entity or any of the Company's Subsidiaries (or any permitted transferee of any of the foregoing) pursuant to any management equity subscription agreement, stock option agreement, stock plan or similar agreement; *provided* that the aggregate price paid for all such purchased, redeemed, acquired or retired Capital Stock may not exceed \$7.5 million in any 12-month period (with unused amounts in any 12-month period after the Issue Date, being carried over to succeeding 12-month periods subject to a maximum carry-over amount of \$15.0 million (without giving effect to the following proviso)); *provided further* that such amount in any calendar year may be increased by an amount not to exceed:
 - (A) the cash proceeds from the sale of Capital Stock (other than Redeemable Capital Stock) of the Company and, to the extent contributed to the Company, Capital Stock of any parent entity, in each case to current or former employees, directors or consultants of the Company, any parent entity or any of the Company's Subsidiaries that occurs after the Issue Date, to the extent the cash proceeds from the sale of such Capital Stock have not otherwise been applied to the payment of Restricted Payments by virtue of clause (c)(ii) of the preceding paragraph; plus

30

- (B) the cash proceeds of key man life insurance policies received by the Company, its Subsidiaries and to the extent contributed to the Company, any parent entity or the Company after the Issue Date; less
- (C) the amount of any Restricted Payments made in any prior calendar year pursuant to clauses (a) and (b) of this clause (vii); and
- (viii) make other Restricted Payments in an aggregate amount not to exceed \$400.0 million.

Section 4.07. Limitation on Liens. The Company will not and will not permit any Guarantor to create, incur, assume or otherwise cause or suffer to exist or become effective any Lien (other than Permitted Liens) of any kind securing Indebtedness ranking *pari passu* in right of payment with or subordinated in right of payment to the Securities or such Guarantor's Guarantee, as the case may be, upon any of their property or assets (including Capital Stock of Subsidiaries of the Company), now owned or hereafter acquired, unless contemporaneously with the incurrence of such Lien effective provision is made to secure the Obligations due under the Indenture and the Securities or, in respect any Lien on any Guarantor's property or assets, any Guarantee of such Guarantor, (i) in the case of Liens securing Indebtedness that is *pari passu* in right of payment with the Securities or any Subsidiary Guarantee, on an equal and ratable basis with (or, if the Company so elects, on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien and (ii) in the case of Liens securing Indebtedness that is expressly subordinated in right of payment to the Securities or any Guarantee, on a senior basis to the obligations so secured with the same relative priority as the Securities or such Guarantee, as the case may be, will have to that subordinated Indebtedness until such time as such obligations are no longer secured by a Lien. The foregoing restriction shall not apply to Liens securing Senior Indebtedness of the Company or any Guarantor.

Any Lien created for the benefit of Holders of the Securities pursuant to this Section 4.07 shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (i) and (ii) in the preceding paragraph.

Section 4.08. Limitation on Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, enter into or suffer to exist any transaction or series of related transactions (including, without limitation, the sale, purchase, exchange or lease of assets, property or services) with any Affiliate of the Company (other than a Wholly Owned Subsidiary of the Company) involving aggregate consideration in excess of \$10.0 million, unless: (i) such transaction or series of transactions is on terms that are no less favorable to the Company or such Subsidiary, as the case may be, than would be available at the time of such transaction or series of transactions in a comparable transaction in an arm's-length dealing with an unaffiliated third party; (ii) such transaction or series of transactions is in the best interests of the Company; and (iii) with respect to a transaction or series of transactions involving aggregate payments equal to or greater than \$50.0 million, a majority of disinterested members of the Board of Directors determines that such transaction or series of transactions complies with clauses (i) and (ii) above, as evidenced by a Board Resolution.

(b) Notwithstanding the foregoing limitation, the Company and its Subsidiaries may enter into or suffer to exist the following:

- (i) any transaction pursuant to any contract in existence on the Issue Date;
- (ii) any Restricted Payment permitted to be made pursuant to the provisions of Section 4.06;

31

(iii) any transaction or series of transactions between the Company and one or more of its Subsidiaries or between two or more of its Subsidiaries (provided that no more than 5% of the equity interest in any such Subsidiary is owned, directly or indirectly (other than by direct or indirect ownership of an equity interest in the Company), by any Affiliate of the Company other than a Subsidiary);

(iv) the payment of compensation (including amounts paid pursuant to employee benefit plans) for the personal services of officers, directors and employees of the Company or any of its Subsidiaries; and

(v) the existence of, or the performance by the Company or any of its Subsidiaries of its obligations under the terms of, any agreements that are described in the Company's Annual Report on Form 10-K for the transition year ended December 31, 2012 or the Parent's Registration Statement on Form S-1 (file number 333-190904) and any amendments thereto; *provided, however*, that the existence of, or the performance by the Company or any of its Subsidiaries of its obligations under, any future amendment to such agreements shall only be permitted by this clause (v) to the extent that the terms of any such amendment, taken as a whole, are not more disadvantageous to the Holders of the Securities in any material respect than the terms of such agreements in effect on the Issue Date.

Section 4.09. Limitation on Senior Subordinated Indebtedness. The Company will not Incur any Indebtedness that is subordinate or junior in right of payment to any Senior Indebtedness and senior in right of payment to the Securities. No Guarantor will Incur any Indebtedness that is subordinate or junior in right of payment to any Senior Indebtedness of such Guarantor and senior in right of payment to such Guarantor's Subsidiary Guarantee.

Section 4.10. Future Guarantors. After the Issue Date, the Company will cause each Subsidiary which guarantees obligations under the Credit Agreement, the Existing Notes or any other Indebtedness of the Company or any Guarantor to execute and deliver to the Trustee a supplemental indenture, within 30 days of the date of such Subsidiary's guarantee of such other Indebtedness, pursuant to which such Guarantor will unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of, premium, if any, interest and Special Interest, if any, on the Securities on a senior subordinated basis. Each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Subsidiary without rendering the Subsidiary Guarantee as it relates to such Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. Notwithstanding the foregoing, if a Guarantor is released and discharged in full from its obligations under its Guarantees of (a) the Credit Agreement and related documentation and (b) all other Indebtedness of the Company and its Subsidiaries, then the Subsidiary Guarantee of such Guarantor shall be automatically and unconditionally released and discharged.

Section 4.11. Change of Control. Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice (that may only be conditional upon the occurrence of such Change of Control) with respect to all the outstanding Securities pursuant to Section 3.03 herein, the Company will be required to make an offer (a "*Change of Control Offer*") to purchase all outstanding Securities at a purchase price (the "*Change of Control Purchase Price*") equal to 101% of their principal amount plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Within 30 days following the date upon which the Change of Control occurred, the Company must send, electronically or by first class mail to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository, a notice to each Holder,

32

with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice will state, among other things, the purchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law (the "*Change of Control Payment Date*"). The Change of Control Offer is required to remain open for at least 20 Business Days and until the close of business on the Change of Control Payment Date.

The Company will not be required to make a Change of Control Offer following a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer, (ii) a notice of redemption to the Holders of the Securities has been given pursuant to the Indenture pursuant to Section 3.03 herein or (iii) in the event that upon the consummation of such Change of Control, the Company defeases or discharges the Securities as provided for under Article Seven herein. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

In the event that the Company makes a Change of Control Offer to purchase the Securities pursuant to this Section 4.11, the Company will comply with any applicable securities laws and regulations, including any applicable requirements of Section 14(e) of, and Rule 14e-1 under, the Exchange Act.

Section 4.12. Provision of Financial Information.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15 (d) of the Exchange Act, the Company shall file with the SEC and provide the Trustee and the Holders with such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such Sections; *provided, however*, (i) that the Company shall not be so obligated to file such information, documents

and reports with the SEC if the SEC does not permit such filings but shall still be obligated to provide such information, documents and reports to the Trustee and the Holders of the Securities and (ii) that the Company's obligations under this Section 4.12 shall be satisfied with respect to financial information relating to the Company by furnishing annual and quarterly reports prepared by the Parent and filed with the Commission; *provided* that the same is accompanied by consolidating financial information that explains in reasonable detail the differences between the information relating to the Parent, on the one hand, and the information relating to the Company and the Subsidiaries on a standalone basis, on the other hand. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from any information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(b) In addition, unless it is then subject to the reporting requirements of Section 13(d) or 15 of the Exchange Act, the Company will, upon request, furnish to any prospective purchaser of Securities or beneficial owner of Securities in connection with any sale thereof the information required by Rule 144A(d)(4) under the Securities Act, until such time as the Company has either exchanged the Securities for the Exchange Securities or until such time as the Holders thereof have disposed of such Securities pursuant to a Shelf Registration Statement.

33

Section 4.13. Statement as to Compliance. The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the date hereof (the fiscal year as of the date hereof is the 52/53 week period ending on the Thursday nearest March 31), a brief certificate of its principal executive officer, principal financial officer or principal accounting officer stating whether, to such officer's knowledge, the Company is in compliance with all covenants and conditions to be complied with by it under this Indenture in accordance with TIA Section 314(a)(4). For purposes of this Section 4.13, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

When a Default has occurred and is continuing or if the Trustee, any Holder or the trustee for or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Company shall deliver to the Trustee an Officers' Certificate specifying such Default, notice or other action within 10 Business Days of its occurrence.

Section 4.14. Waiver of Certain Covenants. The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 4.03 to 4.11 and Section 4.12(a), if before the time for such compliance, the Holders of a majority in aggregate principal amount of the Securities at the time outstanding shall, by written direction of such Holders, waive such compliance in such instance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

Section 4.15. Further Instruments and Acts. Upon request of the Trustee, the Company shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 4.16. Payment for Consent. The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, any payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Securities or any Guarantees in connection with an exchange offer, the Company and any of its Subsidiaries may exclude (i) Holders or beneficial owners of the Securities that are not "qualified institutional buyers" as defined in Rule 144A under the Securities Act, "non-U.S. Persons" as defined in Regulation S under the Securities Act, or institutional "accredited investors" as defined in subparagraphs (a)(1), (2), (3) or (7) of Rule 501 under the Securities Act and (ii) Holders or beneficial owners of the Securities in any jurisdiction (other than the United States) where the inclusion of such Holders or beneficial owners would require the Company or any such Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

In the event of any transaction (other than a lease) described and listed in Section 5.01 in which the Company is not the continuing corporation, the successor Person formed or remaining shall succeed to, be substituted for and may exercise every right and power of the Company, and the Company shall be discharged from all obligations and covenants under the Securities and this Indenture.

- (i) a court of competent jurisdiction in any involuntary case or proceeding enters a Bankruptcy Order against the Company or any Significant Subsidiary, and such Bankruptcy Order remains unstayed and in effect for 60 consecutive days;
- (j) a Custodian shall be appointed out of court with respect to the Company or any Significant Subsidiary, or with respect to all or any substantial part of the property of the Company or any Significant Subsidiary; and

(k) except as permitted by this Indenture, the Guarantee of any Significant Subsidiary shall be held in any judicial proceeding to be unenforceable or invalid or cease for any reason to be in full force and effect or any Guarantor, or any Person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Subsidiary Guarantee.

“Custodian” means any receiver, interim receiver, receiver and manager, trustee, assignee, liquidator, sequester or similar official under any Bankruptcy Law or any other person with like powers. “Bankruptcy Order” means any court order made in a proceeding pursuant to or within the meaning of any Bankruptcy Law, containing an adjudication of bankruptcy or insolvency, or providing for liquidation, winding up, dissolution or reorganization, or appointing a Custodian of a debtor or of all or any substantial part of a debtor’s property, or providing for the staying, arrangement, adjustment or composition of indebtedness or other relief of a debtor.

Section 6.02. Acceleration; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(h), (i) or (j)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than 25% in aggregate principal amount of the Securities outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Securities to be due and payable; *provided, however*, that so long as any Indebtedness permitted to be incurred pursuant to the Credit Agreement shall be outstanding (including letters of credit and bankers’ acceptances), any such acceleration shall not become effective until the earlier of: (i) five (5) Business Days following delivery of written notice to the Company and the agent under the Credit Agreement; and (ii) the acceleration of any such Indebtedness under the Credit Agreement. If an Event of Default specified in Section 6.01(h), (i) or (j) occurs and is continuing, then the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Securities shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Company will deliver to the Trustee, within 10 days after the occurrence thereof, notice of any default or acceleration referred to in Sections 6.01(d) and 6.01(e).

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article, the Holders of a majority in aggregate principal amount of the Securities outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

37

- (i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:
 - (A) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;
 - (B) all overdue interest (including Special Interest) on all Securities;
 - (C) the principal of (and premium, if any, on) any Securities that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Securities; and
 - (D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Securities; and

(ii) all Events of Default, other than the non-payment of principal of the Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding clause (b) above, in the event of a declaration of acceleration in respect of the Securities because an Event of Default specified in Section 6.01(e) shall have occurred and be continuing, such declaration of acceleration shall be automatically annulled if the Indebtedness that is the subject of such Event of Default (i) is Indebtedness in the form of an operating lease entered into by the Company or its Subsidiaries after May 21, 1998 and required to be reflected on a consolidated balance sheet pursuant to EITF 97-10 or any subsequent pronouncement having similar effect, (ii) has been discharged or the holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness, and (iii) written notice of such discharge or rescission, as the case may be, shall have been given to the Trustee by the Company and countersigned by the holders of such Indebtedness or a trustee, fiduciary or agent for such holders, within 30 days after such declaration of acceleration in respect of the Securities, and no other Event of Default has occurred during such 30-day period which has not been cured or waived during such period.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 6.04. Waiver of Past Defaults. Subject to Section 6.02, the Holders of a majority in aggregate principal amount of the Securities then outstanding by notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security, (b) a Default arising from a failure to make or consummate a Change of Control Offer in accordance with the provisions of Section 4.11, or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

38

Section 6.05. Control by Majority. The Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee with respect to the Securities. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; *provided, however*, that subject to Section 315 of the TIA, the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to reasonable indemnification against all losses and expenses caused by taking or not taking such action.

Section 6.06. Limitation on Suits. A Holder may not pursue any remedy with respect to this Indenture or the Securities unless:

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of at least 25% in aggregate principal amount of the Securities then outstanding shall have made a written request, and such Holder of or Holders shall have offered reasonably satisfactory indemnity against any costs, liabilities or expenses (including attorneys' fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and

(c) the Trustee has failed to institute such proceeding and has not received from the Holders of at least a majority in aggregate principal amount of the Securities outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Securities for the enforcement of payment of the principal of or interest on such Security on or after the applicable due date specified in such Security. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the securities held by such Holder, on or after the respective due dates expressed in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

39

Section 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to holders of Senior Indebtedness to the extent required by Article Ten;

THIRD: to Holders for amounts due and unpaid on the securities for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest respectively; and

FOURTH: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Securities.

Section 6.12. Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

Trustee

Section 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall

40

examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

- (c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:
 - (i) this subsection (c) does not limit the effect of subsection (b) of this Section;
 - (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and
 - (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.
- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b) and (c) of this Section.
- (e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.
- (f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.
- (h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the TIA, and the provisions of this Article Seven shall apply to the Trustee in its role as Registrar, Paying Agent and Security Custodian.
- (i) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

Section 7.02. Rights of Trustee. Subject to 315(a) through 315(d) of the TIA:

- (a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.
- (b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.
- (c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

41

- (d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; *provided, however,* that the Trustee's conduct does not constitute willful misconduct or negligence.
- (e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities (including attorneys' fees) that might be incurred by it in compliance with such request or direction.
- (f) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.
- (g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.
- (h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.
- (i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.
- (j) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

Section 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Securities, it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication.

Section 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after it is known to a Trust Officer or written notice of it is received by the Trustee. Except in the

case of a Default or Event of Default in payment of principal of or interest on any Security, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06. Reports by Trustee to Holders. As promptly as practicable after each December 31 beginning with December 31, 2014, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Section 313(b) and (c).

42

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Securities are listed. The Company agrees to notify promptly the Trustee whenever the Securities become listed on any stock exchange and of any delisting thereof.

Section 7.07. Compensation and Indemnity. The Company shall pay to the Trustee and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all documented out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company shall indemnify the Trustee against any and all loss, liability or expense (including documented attorneys' fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, negligence or bad faith. The Company need not pay for any settlement made by the Trustee without the Company's consent, such consent not to be unreasonably withheld. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents, successors and assigns.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities.

The Company's payment obligations pursuant to this Section shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(h), (i) or (j) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 7.08. Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Holders of a majority in aggregate principal amount of the Securities then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders a majority in aggregate principal amount of the Securities then outstanding and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

43

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Securities then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated; any such successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$50,000,000 as set forth in its (or its related bank holding company's) most recent published annual report of condition. The Trustee shall comply with TIA Section 310(b), subject to the penultimate

paragraph thereof; *provided, however*, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

For purposes of this Section 7.10 and clause (i) of the first proviso contained in TIA Section 310(b); the indenture, dated as of June 9, 2009, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 8.75% Senior Notes due 2019; and the indenture, dated as of December 15, 2010, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 9.75% Senior Subordinated Notes due 2020 are hereby deemed to be specifically described.

Section 7.11. Preferential Collection of Claims Against Company. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(6): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

44

ARTICLE VIII

Discharge of Indenture; Defeasance

Section 8.01. Discharge of Liability on Securities; Defeasance.

(a) When (i) either (A) all outstanding Securities that have been authenticated (other than Securities replaced pursuant to Section 2.07 and Securities for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered by the Company to the Trustee for cancellation or (B) all outstanding Securities that have not been delivered by the Company to the Trustee for cancellation have become due and payable, whether at Maturity or upon redemption or will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article Three and the Company irrevocably deposits or causes to be deposited with the Trustee funds in trust solely for the benefit of the Holders cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on such Securities not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest (including Special Interest, if any) to the date of Maturity or redemption; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Securities; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of such Securities at Maturity or the redemption date, as the case may be, then upon demand of the Company (accompanied by an Officers' Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Securities and the Trustee shall acknowledge satisfaction and discharge of this Indenture.

(b) Subject to Sections 8.01(c) and 8.02, the Company may, at its option, and at any time elect to terminate (i) all of its and the Guarantors' obligations under the Securities, the Subsidiary Guarantees and this Indenture ("*legal defeasance option*") or (ii) its and the Guarantors' obligations under Section 5.01(c) and Sections 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, and 4.12 and the operation of Section 6.01(c) (with respect to an Event of Default due to a failure to meet obligations under Section 5.01(c)) and Sections 6.01(d), (e), (f) and (g) ("*covenant defeasance option*"). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Securities may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Securities may not be accelerated because of an Event of Default specified in Sections 6.01(d) (with respect to Sections 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12(a) and 5.01(c)), (e), (f) or (g).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding subsections (a) and (b) above, the Company's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.01, 4.02, 4.03, 4.13, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06

45

shall survive until the Securities have been paid in full. Thereafter, the Company's obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

Section 8.02. Conditions to Defeasance. The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article Eight applicable to it) as trust funds in trust for the benefit of the Holders of the Securities, cash in U.S. Dollars, non-callable Government Securities or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee) to pay the principal of (and premium, if any) and interest (including any Special Interest) on the outstanding Securities on the Stated Maturity (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Securities. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Securities at a future date in accordance with Article Three, which notice shall be irrevocable;

(b) No Default or Event of Default shall have occurred and be continuing on the date of such deposit or, insofar as Section 6.01(h), (i) or (j) is concerned, at any time during the period ending on the 91st day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period);

(c) the deposit does not constitute a default hereunder or under any other material agreement binding on the Company and is not prohibited by Article Ten;

(d) the Company delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940;

(e) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(f) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred; and

(g) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities as contemplated by this Article Eight have been complied with.

Section 8.03. Application of Trust Money.

The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article Eight. It shall apply the deposited money and the money from Government Securities through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities. Money and Securities so held in trust are not subject to Article Ten.

Section 8.04. Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

Section 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities or the principal and interest received on such Government Securities.

Section 8.06. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article Eight; *provided, however*, that, if the Company has made any payment of interest on or principal of any Securities because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE IX

Amendments

Section 9.01. Without Consent of Holders. The Company and the Trustee may amend this Indenture or the Securities without notice to or consent of any Holder:

(a) to cure any ambiguity, omission, defect or inconsistency;

(b) to comply with Article Five;

(c) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided, however*, that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of Title 26 of the United States Code or in a manner such that the uncertificated Securities are described in Section 163(f)(2) (B) of Title 26 of the United States Code;

(d) to make any change to Article Ten that would limit or terminate the benefits available to any holder of Senior Indebtedness (or Representatives therefor) under Article Ten;

(e) to add Guarantees with respect to the Securities or to secure the Securities;

(f) to add to the covenants of the Company for the benefit of the Holders or to surrender any right or power herein conferred upon the Company;

(g) to comply with any requirements of the SEC in connection with qualifying, or maintaining the qualification of, this Indenture under the TIA; or

47

(h) to make any change that does not adversely affect the rights of any Holder.

An amendment under this Section may not make any change that adversely affects the rights under Article Ten of any Holder of Senior Indebtedness then outstanding unless the holders of such Senior Indebtedness (or their Representative) consent to such change.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.02. With Consent of Holders. The Company and the Trustee may modify or amend this Indenture or the Securities without notice to any Holder but with the written consent of the Holders of not less than a majority in aggregate principal amount of the Securities then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Securities). However, without the consent of each Holder affected thereby, a modification or amendment may not:

(a) change the Stated Maturity of the principal of, or any installment of interest (including Special Interest) on, any Security, or reduce the principal amount thereof or the rate of interest (including Special Interest, if any) thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Security or any premium or the interest (including Special Interest) thereon is payable, or impair the right to institute suit for the enforcement of any such payment after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date);

(b) reduce the amount of, or change the coin or currency of, or impair the right to institute suit for the enforcement of, the Change of Control Purchase Price;

(c) reduce the percentage in principal amount of the outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture;

(d) modify any of the provisions of this Section or Sections 6.04, 6.07 and 4.13, except to increase the percentage of outstanding Securities the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Security affected thereby; or

(e) modify any of the provisions of this Indenture relating to the subordination of the Securities in a manner adverse to any Holder.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

An amendment under this Section may not make any change that adversely affects the rights under Article Ten of any Holder of Senior Indebtedness then outstanding unless the holders of such Senior Indebtedness (or their Representative) consent to such change.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.03. Compliance with Trust Indenture Act. Every amendment to this Indenture or the Securities shall comply with the TIA as then in effect.

48

Section 9.04. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph or Section 316(c) of the TIA, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date.

For all purposes of this Indenture, all Initial Securities, Additional Securities of the same series, Exchange Securities for the same series of Securities and Private Exchange Securities for the same series of Securities shall vote together as one series of Securities under this Indenture.

Section 9.05. Notation on or Exchange of Securities. If an amendment changes the terms of a Security, the Trustee may require the Holder of the Security to deliver such Security to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return such Security to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

Section 9.06. Trustee To Sign Amendments. The Trustee shall sign any amendment authorized pursuant to this Article Nine if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and to receive, in addition to the documents required by Section 13.04 and (subject to Section 7.01) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture.

ARTICLE X

Subordination

Section 10.01. Agreement To Subordinate. The Company covenants and agrees, and each Holder of a Security, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Obligations in respect of the Securities (the "*Securities Obligations*") are hereby expressly made subordinate and postponed to and subject in right of payment as provided in this Article to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness. The Securities shall in all respects rank *pari passu* with the Existing Senior Subordinated Notes and any future senior subordinated Indebtedness and senior to all existing and future junior subordinated Indebtedness of the Company, and only Senior Indebtedness shall rank

49

senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Ten shall be subject to Section 10.11.

This Article Ten shall constitute a continuing offer to all Persons who, in reliance upon such Article, become holders of, or continue to hold, Senior Indebtedness, and such provisions are made for the benefit of the holders of Senior Indebtedness, and such holders are made obligee hereunder and they or each of them may enforce such provisions.

Section 10.02. Liquidation, Dissolution, Bankruptcy. In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to the Company or to its assets, whether voluntary or involuntary from any source, (b) any liquidation, dissolution or other winding-up of the Company, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of the Company, then and in any such event:

(i) the holders of Senior Indebtedness shall receive payment in full in cash or Cash Equivalents of all amounts due on or in respect of all Senior Indebtedness, or provision shall be made for such payment in full in cash or Cash Equivalents to the satisfaction of the holders of Senior Indebtedness, before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character from any source (other than Permitted Junior Securities) on account of the Securities Obligations or on account of the purchase or redemption or other acquisition of Securities; and

(ii) any payment or distribution of assets of the Company of any kind or character from any source, whether in cash, property or securities (other than a payment or distribution in the form of Permitted Junior Securities), including by way of set-off or enforcement of any guarantee or otherwise, which the Trustee or the Holders would be entitled to receive but for the provisions of this Article shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness or their authorized representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the Senior Indebtedness held or represented by each, to the extent necessary to make payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Company remaining unpaid, after giving effect to any concurrent payment or distribution, or provision therefor to the satisfaction of the holders of the Senior Indebtedness, to or for the holders of such Senior Indebtedness; and

(iii) any taxes that have been withheld or deducted from any payment or distribution in respect of the Securities, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to be an amount that a Holder or the Trustee is entitled to receive for the purposes of Section 10.02(ii).

The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Five shall not be deemed a dissolution, winding-up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of the Company for the purposes of this Section if the Person formed by such consolidation or into which the Company is merged or the Person which acquires such assets substantially as an entirety, as the case

50

may be, shall, as a part of such consolidation, merger, conveyance, transfer, lease or disposal, comply with the conditions set forth in Article Five.

Section 10.03. Default on Senior Indebtedness.

(a) Unless Section 10.02 shall be applicable, upon (i) the occurrence of a Payment Default and (ii) receipt by the Trustee from the Company or a holder of Senior Indebtedness of written notice of such occurrence, no payment (other than any payments made pursuant to the provisions contained in Section 8.03 from monies or Government Securities previously deposited with the Trustee) or distribution of any assets of the Company of any kind or character from any source, whether in cash, property or securities (other than Permitted Junior Securities), shall be made by the Company including by way of set-off or enforcement of any guarantee or otherwise, on account of the Securities Obligations or on account of the purchase, redemption, deposit for defeasance or other acquisition of Securities unless and until such Payment Default shall have been cured or waived in writing or shall have ceased to exist or such Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents, after which the Company shall resume making any and all required payments in respect of the Securities, including any missed payments.

(b) Unless Section 10.02 shall be applicable, upon (i) the occurrence of a Non-Payment Default and (ii) receipt by the Trustee from an authorized representative of the holders of Designated Senior Indebtedness of written notice of such occurrence, then no payment (other than any payments made pursuant to the provisions contained in Section 8.03 from monies or Government Securities previously deposited with the Trustee) or distribution of any assets of the Company of any kind or character from any source, whether in cash, property or securities (other than Permitted Junior Securities), shall be made by the Company including by way of set-off or enforcement of any guarantee or otherwise, on account of the Securities Obligations or on account of the purchase, redemption, deposit for defeasance or other acquisition of Securities for a period (the "*Payment Blockage Period*") commencing on the date of receipt by the Trustee of such notice from an authorized representative of the holders of Designated Senior Indebtedness or the Company at the direction of such representative unless and until (subject to any blockage of payments that may then be in effect under subsection (a) of this Section) (w) more than 179 days shall have elapsed since receipt of such written notice by the Trustee, (x) such Non-Payment Default shall have been cured or waived in writing or shall have ceased to exist, (y) such Designated Senior Indebtedness has been discharged or paid in full in cash or Cash Equivalents or (z) such Payment Blockage Period shall have been terminated by written notice to the Trustee from an authorized representative of the holders of Designated Senior Indebtedness initiating such Payment Blockage Period or from the holders of at least a majority in principal amount of such Designated Senior Indebtedness, after which, in the case of clause (w), (x), (y) or (z), the Company shall resume making any and all required payments in respect of the Securities, including any missed payments. Notwithstanding any other provision of this Indenture, in no event shall a Payment Blockage Period extend beyond 179 days from the date of the receipt by the Trustee of the notice referred to in clause (ii) above (the "*Initial Blockage Period*"). No more than one Payment Blockage Period may be commenced during any period of 365 consecutive days. Notwithstanding any other provision of this Indenture, no event of default with respect to Designated Senior Indebtedness which existed or was continuing on the date of the commencement of any Payment Blockage Period initiated by an authorized representative of the holders of Designated Senior Indebtedness for such Designated Senior Indebtedness shall be, or be made, the basis for the commencement of a second Payment Blockage Period for such Designated Senior Indebtedness, whether or not within the Initial Blockage Period, unless such event of default shall have been cured or waived for a period of not less than 90 consecutive days.

(c) In the event that, notwithstanding the foregoing provisions of this Section, the Company shall make any payment to the Trustee (which is not paid over to Holders of Securities) prohibited by the foregoing provisions of this Section, then and in such event such payment shall be

51

paid over to the authorized representatives of such Designated Senior Indebtedness initiating the Payment Blockage Period, to be held in trust for distribution to the holders of Senior Indebtedness or, to the extent amounts are not then due in respect of Senior Indebtedness, promptly returned to the Company, or otherwise as a court of competent jurisdiction shall direct. The Trustee shall not be liable for any interest on any money received by it.

Section 10.04. Payment Permitted. Nothing contained in this Article or elsewhere in this Indenture or in any of the Securities shall prevent the Company, at any time except during the pendency of any event referred to in clause (a), (b) or (c) of Section 10.02 or under the conditions described in Section 10.03, from making payments at any time of principal of (and premium, if any) or interest on the Securities.

Section 10.05. Subrogation. After all Senior Indebtedness is paid in full and until the Securities are paid in full, Holders shall be subrogated (equally and ratably with the holders of all indebtedness of the Company which by its express terms is subordinated and postponed to Senior Indebtedness to the same extent as the Securities are subordinated and postponed and which is entitled to like rights of subrogation) to the rights of holders of Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Ten to holders of Senior Indebtedness that otherwise would have been made to Holders is not, as between the Company and Holders, a payment by the Company on such Senior Indebtedness.

Section 10.06. Relative Rights. This Article Ten defines the relative rights of Holders and holders of Senior Indebtedness. Nothing in this Indenture shall:

- (a) impair, as between the Company and Holders, the obligation of the Company, which is absolute and unconditional, to pay principal of and interest on the Securities in accordance with their terms; or
- (b) affect the relative rights against the Company of Holders and creditors of the Company other than the holders of Senior Indebtedness; or
- (c) except as set forth in Section 6.02, prevent the Trustee or any Holder from exercising its available remedies upon a Default or an Event of Default, subject to the rights of holders of Senior Indebtedness to receive distributions otherwise payable to Holders.

Section 10.07. Subordination May Not Be Impaired by Company.

- (a) No right of any holder of Senior Indebtedness to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Company or by its failure to comply with this Indenture.
- (b) Without in any way limiting the generality of subsection (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to the Holders of the Securities and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Securities to the holders of Senior Indebtedness, do any one or more of the following:
 - (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, the terms of Senior Indebtedness or the terms of any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding (including any increase in the aggregate principal amount of any indebtedness thereunder, it being understood that any such additional indebtedness shall not constitute Senior Indebtedness to the extent Incurred in violation of Section 4.05 of this Indenture);

52

- (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness;
 - (iii) release any Person liable in any manner for the collection of Senior Indebtedness; and
 - (iv) exercise or refrain from exercising any rights against the Company and/or any other Person.
- (c) If the Trustee on behalf of the Holders or any Holders should fail to file a proof of claim in any bankruptcy, insolvency, receivership or similar proceeding relating to the Company at least 30 days before the expiration of the time to file such claim or claims, each holder of Senior Indebtedness (or its representative) is hereby authorized to file an appropriate claim for and on behalf of all or any of the Holders.

Section 10.08. Rights of Trustee and Paying Agent. Notwithstanding Section 10.03, the Trustee or Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than one Business Day prior to the date of such payment, a Trust Officer receives notice satisfactory to it that payments may not be made under this Article Ten. The Company, the Registrar or co-registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness may give the notice; *provided, however*, that, if an issue of Senior Indebtedness has a Representative, only the Representative may give the notice.

Subject to the provisions of the TIA, the Trustee in its individual or any other capacity may hold Senior Indebtedness with the same rights it would have if it were not Trustee. The Registrar and co-registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Ten with respect to any Senior Indebtedness that may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Ten shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

Section 10.09. Distribution or Notice to Representative.

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness, the distribution may be made and the notice given to their Representative (if any).

Section 10.10. Article Ten Not To Prevent Events of Default or Limit Right To Accelerate. The failure to make a payment pursuant to the Securities by reason of any provision in this Article Ten shall not be construed as preventing the occurrence of a Default. Nothing in this Article Ten shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities; *provided, however*, that, so long as any Indebtedness permitted by this Indenture to be incurred pursuant to the Credit Agreement shall be outstanding (including letters of credit and bankers' acceptances), upon the occurrence and during the continuance of an Event of Default under this Indenture, neither the Trustee nor any Holder shall be entitled to accelerate all or any of the Securities Obligations until the earlier to occur of the fifth Business Day following receipt by the Company and by an authorized representative of the holders of Designated Senior Indebtedness of a written declaration of acceleration as provided in Section 6.02 and the date of acceleration of any such Indebtedness under the Credit Agreement.

Section 10.11. Trust Moneys Not Subordinated. Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article Eight by the Trustee and which were deposited in accordance with the terms of Article Eight and not in violation of Section 10.03 for the payment of principal of and interest on the Securities shall

53

not be subordinated to the prior payment of any Senior Indebtedness or subject to the restrictions set forth in this Article Ten, and none of the Holders shall be obligated to pay over any such amount to the Company or any holder of Senior Indebtedness or any other creditor of the Company.

Section 10.12. Trustee Entitled To Rely. Upon any payment or distribution pursuant to this Article Ten, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 10.02 are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives for the holders of Senior Indebtedness for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Ten. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Article Ten, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Ten, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Ten.

Section 10.13. Trustee To Effectuate Subordination. Each Holder by accepting a Security authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness as provided in this Article Ten and appoints the Trustee as attorney-in-fact for any and all such purposes.

Section 10.14. Trustee Not Fiduciary for Holders of Senior Indebtedness. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Company or any other Person, money or assets to which any holders of Senior Indebtedness shall be entitled by virtue of this Article Ten or otherwise.

Section 10.15. Reliance by Holders of Senior Indebtedness Upon Subordination Provisions. Each Holder by accepting a Security acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

ARTICLE XI

Guarantee

Section 11.01. Subsidiary Guarantee. Subject to the provisions of this Article Eleven, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Securities and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest, including Special Interest, if any, on the

54

Securities and all other obligations and liabilities of the Company under this Indenture (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Company or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the “*Guarantor Obligations*”). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article Eleven notwithstanding any extension or renewal of any Guarantor Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Securities or the Guarantor Obligations.

Each Guarantor further agrees that its Subsidiary Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Securities or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Subject to the provisions of Section 4.10, each Guarantor agrees that its Subsidiary Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Subsidiary in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii)

55

accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section.

Section 11.02. Execution and Delivery of Subsidiary Guarantee for Future Guarantors. To further evidence its Subsidiary Guarantee, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to execute a supplement to this Indenture, substantially in the form of Exhibit C hereto, or a Subsidiary Guarantee, substantially in the form of Exhibit D hereto, and deliver it to the Trustee. Such Subsidiary Guarantee or supplement to this Indenture shall be executed on behalf of each Guarantor by either manual or facsimile signature of one Officer or other person duly authorized by all necessary corporate action of each Guarantor who shall have been duly authorized to so execute by all requisite corporate action. The validity and enforceability of any Subsidiary Guarantee shall not be affected by the fact that it is not affixed to any particular Security.

Each of the Guarantors hereby agrees that its Subsidiary Guarantee shall remain in full force and effect notwithstanding any failure to endorse on each Security a notation of such Subsidiary Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture or a Subsidiary Guarantee no longer holds that office at the time the Trustee authenticates the Security on which such Subsidiary Guarantee is endorsed or at any time thereafter, such Guarantor's Subsidiary Guarantee of such Security shall nevertheless be valid,

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Subsidiary Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.03. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any Guarantees under the Credit Agreement) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) In addition, the Company shall not permit any Guarantor to consolidate with or merge with or into any person (other than another Guarantor) and shall not permit the conveyance, transfer or lease of substantially all of the assets of any Guarantor unless:

56

(i) the resulting, surviving or transferee Person shall be a corporation, partnership, trust or limited liability company organized and existing under the laws of the United States of America, any State of the United States or the District of Columbia and such Person (if not such Guarantor) shall expressly assume, by supplemental indenture, executed and delivered to the Trustee, all the obligations of such Guarantor under its Subsidiary Guarantee;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been Incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; or

(iv) the transaction is made in compliance with Section 5.01 (other than clause (c) of Section 5.01).

Upon the sale or disposition of a Guarantor (by merger, consolidation, the sale of its Capital Stock or the sale of all or substantially all of its assets (other than by lease)) and whether or not the Guarantor is the surviving corporation in such transaction to a Person which is not the Company or a Subsidiary, such Guarantor will be automatically released from all its obligations under this Indenture and its Subsidiary Guarantee and the Registration Rights Agreement and such Subsidiary Guarantee will terminate; *provided, however*, that (1) the sale or other disposition is in compliance with this Indenture, including Section 5.01 (other than clause (c) thereof); and (2) all the obligations of such Guarantor under the Credit Agreement and related documentation and any other obligations of such Guarantor relating to any other Indebtedness of the Company or its Subsidiaries terminate upon consummation of such transaction.

(c) Each Guarantor shall be deemed released from all its obligations under this Indenture and the Registration Rights Agreement and such Subsidiary Guarantee shall terminate upon the legal defeasance of the Securities pursuant to the provisions of Article Eight hereof.

(d) Each Guarantor shall be released from its obligations under this Indenture, its Subsidiary Guarantee and the Registration Rights Agreement if the Company designates such Guarantor as an Unrestricted Subsidiary and such designation complies with the other applicable provisions of this Indenture.

Section 11.04. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 11.05. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are

57

paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

ARTICLE XII

Subordination of Guarantees

Section 12.01. Agreement To Subordinate. Each Guarantor covenants and agrees, and each Holder of a Security, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Guarantor Obligations are hereby expressly made subordinate and postponed to and subject in right of payment as provided in this Article to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantors. The Guarantor Obligations shall in all respects rank *pari passu* with the Guarantors' guarantees of the Existing Senior Subordinated Notes and any future senior subordinated Indebtedness of the Guarantors and senior to all existing and future junior subordinated Indebtedness of the Guarantors, and only Senior Indebtedness of such Guarantors shall rank senior to the Guarantor Obligations in accordance with the provisions set forth herein. All provisions of this Article Twelve shall be subject to Section 12.11.

This Article Twelve shall constitute a continuing offer to all Persons who, in reliance upon such Article, become holders of, or continue to hold, Senior Indebtedness of the Guarantors, and such provisions are made for the benefit of the holders of Senior Indebtedness of the Guarantors, and such holders are made obligee hereunder and they or each of them may enforce such provisions.

Section 12.02. Liquidation, Dissolution, Bankruptcy. In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to any Guarantor or to its assets, whether voluntary or involuntary from any source, (b) any liquidation, dissolution or other winding-up of any Guarantor, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of any Guarantor, then and in any such event:

(i) the holders of Senior Indebtedness of such Guarantor shall receive payment in full in cash or Cash Equivalents of all amounts due on or in respect of all Senior Indebtedness of such Guarantor, or provision shall be made for such payment in full in cash or Cash Equivalents to the satisfaction of the holders of Senior Indebtedness of such Guarantor, before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character from any source (other than Permitted Junior Securities) on account of the Guarantor Obligations or on account of the purchase or redemption or other acquisition of Securities; and

(ii) any payment or distribution of assets of any Guarantor of any kind or character from any source, whether in cash, property or securities (other than a payment or distribution in the form of Permitted Junior Securities), including by way of set-off or enforcement of any guarantee or otherwise, which the Trustee or the Holders would be entitled to receive but for the provisions of this Article shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness of such Guarantor or their authorized representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been

58

issued, ratably according to the aggregate amounts remaining unpaid on account of such Senior Indebtedness held or represented by each, to the extent necessary to make payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantor remaining unpaid, after giving effect to any concurrent payment or distribution, or provision therefor to the satisfaction of the holders of such Senior Indebtedness, to or for the holders of such Senior Indebtedness; and

(iii) any taxes that have been withheld or deducted from any payment or distribution in respect of any Guarantor Obligations, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to be an amount that a Holder or the Trustee is entitled to receive for the purposes of Section 12.02(ii).

The consolidation of any Guarantor with, or the merger of any Guarantor into, another Person or the liquidation or dissolution of any Guarantor following the conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Five shall not be deemed a dissolution, winding-up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of such Guarantor for the purposes of this Section if the Person formed by such consolidation or into which such Guarantor is merged or the Person which acquires such assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance, transfer, lease or disposal, comply with the conditions set forth in Article Five.

Section 12.03. Default on Senior Indebtedness of a Guarantor.

(a) No Guarantor may make any payment pursuant to any of its Guarantor Obligations (collectively, "*pay its Subsidiary Guarantee*") if (i) any principal, premium, if any, interest or other amount payable in respect of any Senior Indebtedness of such Guarantor is not paid within any applicable grace period (including at Maturity) or (ii) any other default on Senior Indebtedness of such Guarantor occurs and the maturity of such Senior Indebtedness is accelerated in accordance with its terms unless, in either case, (A) the default has been cured or waived and any such acceleration has been rescinded or (B) such Senior Indebtedness has been paid in full in cash or Cash Equivalents; *provided, however*, that any Guarantor may pay its Subsidiary Guarantee without regard to the foregoing if such Guarantor and the Trustee receive written notice approving such payment from the Representative of the holders of such issue of Senior Indebtedness of such Guarantor. No Guarantor may pay its Subsidiary Guarantee during the continuance of any Payment Blockage Period after receipt by the Company and the Trustee of a Payment Blockage Notice under Section 10.03. Unless the Representatives of the holders of such issue of Designated Senior Indebtedness giving such Payment Blockage Notice shall have accelerated the maturity of such Designated Senior Indebtedness and not rescinded such acceleration, any Guarantor shall resume (unless otherwise prohibited as described in the first two sentences of this clause (a)) payments pursuant to its Subsidiary Guarantee after the end of such Payment Blockage Period.

(b) In the event that, notwithstanding the foregoing provisions of this Section, any Guarantor shall make any payment to the Trustee (which is not paid over to Holders of Securities) prohibited by the foregoing provisions of this Section, then and in such event such payment shall be paid over to the authorized representatives of such Designated Senior Indebtedness initiating the Payment Blockage Period, to be held in trust for distribution to the holders of Senior Indebtedness or, to the extent amounts are not then due in respect of Senior Indebtedness, promptly returned to such Guarantor, or otherwise as a court of competent jurisdiction shall direct. The Trustee shall not be liable for any interest on any money received by it.

59

Section 12.04. Subrogation. After all Senior Indebtedness of a Guarantor is paid in full and until the Securities are paid in full, Holders shall be subrogated (equally and ratably with the holders of all indebtedness of such Guarantor which by its express terms is subordinated and postponed to Senior Indebtedness of such Guarantor to the same extent as the Securities are subordinated and postponed and which is entitled to like rights of subrogation) to the rights of holders of Senior Indebtedness of such Guarantor to receive distributions applicable to such Senior Indebtedness. A distribution made under this Article Twelve to holders of Senior Indebtedness of such Guarantor that otherwise would have been made to Holders is not, as between such Guarantor and Holders, a payment by such Guarantor on such Senior Indebtedness.

Section 12.05. Relative Rights. This Article Twelve defines the relative rights of Holders and holders of Senior Indebtedness of a Guarantor. Nothing in this Indenture shall:

- (a) impair, as between a Guarantor and Holders, the obligation of such Guarantor, which is absolute and unconditional, to pay the Guarantor Obligations as set forth in Article Eleven; or
- (b) affect the relative rights against a Guarantor of Holders and creditors of a Guarantor other than the holders of Senior Indebtedness of a Guarantor; or
- (c) except as set forth in Section 6.02, prevent the Trustee or any Holder from exercising its available remedies upon a default by such Guarantor of the Guarantor Obligations, subject to the rights of holders of Senior Indebtedness of such Guarantor to receive distributions otherwise payable to Holders.

Section 12.06. Subordination May Not Be Impaired by Guarantor.

(a) No right of any holder of Senior Indebtedness of any Guarantor to enforce the subordination of the Guarantor Obligations shall be impaired by any act or failure to act by such Guarantor or by its failure to comply with this Indenture.

(b) Without in any way limiting the generality of subsection (a) of this Section, the holders of Senior Indebtedness of a Guarantor may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders to the holders of Senior Indebtedness of a Guarantor, do any one or more of the following:

- (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, the terms of Senior Indebtedness of a Guarantor or the terms of any instrument evidencing the same or any agreement under which such Senior Indebtedness is outstanding (including any increase in the aggregate principal amount of any indebtedness thereunder, it being understood that any such additional indebtedness shall not constitute Senior Indebtedness to the extent Incurred in violation of Section 4.05 of this Indenture);
- (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Indebtedness;
- (iii) release any Person liable in any manner for the collection of such Senior Indebtedness; and
- (iv) exercise or refrain from exercising any rights against a Guarantor and/or any other Person.

(c) If the Trustee on behalf of the Holders or any Holders should fail to file a proof of claim in any bankruptcy, insolvency, receivership or similar proceeding relating to a Guarantor at least

30 days before the expiration of the time to file such claim or claims, each holder of Senior Indebtedness of a Guarantor (or its representative) is hereby authorized to file an appropriate claim for and on behalf of all or any of the Holders.

Section 12.07. Rights of Trustee and Paying Agent. Notwithstanding Section 12.03, the Trustee or Paying Agent may continue to make payments on any Subsidiary Guarantee and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than one Business Day prior to the date of such payment, a Trust Officer receives notice satisfactory to it that payments may not be made under this Article Twelve. The Company, the Registrar or co-registrar, the Paying Agent, a Representative or a holder of Senior Indebtedness may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of any Guarantor has a Representative, only the Representative may give the notice.

Subject to the provisions of the TIA, the Trustee in its individual or any other capacity may hold Senior Indebtedness of a Guarantor with the same rights it would have if it were not Trustee. The Registrar and co-registrar and the Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Twelve with respect to any Senior Indebtedness of a Guarantor that may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Twelve shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

Section 12.08. Distribution or Notice to Representative. Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of a Guarantor, the distribution may be made and the notice given to their Representative (if any).

Section 12.09. Article Twelve Not To Prevent Events of Default or Limit Right To Accelerate. The failure to make a payment pursuant to a Subsidiary Guarantee by reason of any provision in this Article Twelve shall not be construed as preventing the occurrence of a Default. Nothing in this Article Twelve shall have any effect on the right of the Holders or the Trustee to make a demand for payment on any Subsidiary Guarantee pursuant to Article Eleven.

Section 12.10. Trustee Entitled To Rely. Upon any payment or distribution pursuant to this Article Twelve, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 12.02 are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives for the holders of Senior Indebtedness of any Guarantor for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness of any Guarantor and other Indebtedness of such Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Twelve. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of any Guarantor to participate in any payment or distribution pursuant to this Article Twelve, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness of such Guarantor held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Twelve, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Twelve.

Section 12.11. Trustee To Effectuate Subordination. Each Holder by accepting a Security authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate

to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of any Guarantor as provided in this Article Twelve and appoints the Trustee as attorney-in-fact for any and all such purposes.

Section 12.12. Trustee Not Fiduciary for Holders of Senior Indebtedness of Guarantors. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of any Guarantor and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Company or any other Person, money or assets to which any holders of such Senior Indebtedness shall be entitled by virtue of this Article Twelve or otherwise.

Section 12.13. Reliance by Holders of Senior Indebtedness of a Guarantor Upon Subordination Provisions. Each Holder by accepting a Security acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of any Guarantor, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

ARTICLE XIII

Miscellaneous

Section 13.01. Trust Indenture Act Controls. If any provision of this Indenture limits, qualifies or conflicts with another provision that is required to be included in this Indenture by the TIA, the required provision shall control.

Section 13.02. Notices. Any notice or communication shall be in writing and delivered in person or mailed by first-class mail or sent by facsimile (with a hard copy delivered in person or by mail promptly thereafter) and addressed as follows:

if to the Company:

The Company or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either

before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice or communication mailed to a Holder shall be mailed to the Holder at the Holder's address as it appears on the registration books of the Registrar and shall be sufficiently given if so mailed within the time prescribed.

Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is mailed in the manner provided above, it is duly given, whether or not the addressee receives it.

Section 13.03. Communication by Holders with Other Holders. Holders may communicate pursuant to TIA Section 312(b) with other Holders with respect to their rights under this Indenture or the Securities. The Company, the Trustee, the Registrar and anyone else shall have the protection of TIA Section 312(c).

(b) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

- (c) a statement that, in the opinion of such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (d) a statement as to whether or not, in the opinion of such individual, such covenant or condition has been complied with.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by, the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Company may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or

representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument

Section 13.06. When Securities Disregarded. In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by Holdings, the Company or the Guarantors or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with of them shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities that a Trust Officer knows are so owned shall be so disregarded. Also, subject to the foregoing, only Securities outstanding at the time shall be considered in any such determination.

Section 13.07. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by or a meeting of Holders. The Registrar and the Paying Agent or co-registrar may make reasonable rules for their functions.

Section 13.08. Legal Holidays. A “*Legal Holiday*” is a Saturday, a Sunday or a day on which banking institutions are not required to be open in the States of New York or Missouri. If a payment date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

Section 13.09. Governing Law. THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

By accepting a Security, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issue of the Securities.

Section 13.11. Successors. All agreements of the Company any each Guarantor in this Indenture and the Securities shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

Section 13.12. Separability Clause. In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 13.13. Reliance on Financial Data. In computing any amounts under this Indenture: (a) to the extent relevant, the Company shall use audited financial statements of the Company, its Subsidiaries, any Person that would become a Subsidiary in connection with the transaction that requires the computation and any Person from which the Company or a Subsidiary has acquired an operating business, or is acquiring an operating business in connection with the transaction that

requires the computation (each such Person whose financial statements are relevant in computing any particular amount, a “*Relevant Person*”) for the period or portions of the period to which the computation relates for which audited financial statements are available on the date of computation and unaudited financial statements and other current financial data based on the books and records of the Relevant Person or Relevant Persons, as the case may be, to the extent audited financial statements for the period or any portion of the period to which the computation relates are not available on the date of computation; and (b) the Company shall be permitted to rely in good faith on the financial statements and other financial data derived from the books and records of any Relevant Person that are available on the date of the computation.

Section 13.14. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture.

II. THE SECURITIES

2.1 **Form and Dating.** (a) The Initial Securities and any Additional Securities will be offered and sold by the Company, from time to time, pursuant to one or more Purchase Agreements. Unless registered or exempt from registration under the Securities Act, the Initial Securities and any Additional Securities will be resold, initially only to QIBs in reliance on Rule 144A and to non-U.S. persons in reliance on Regulation S. Initial Securities and Additional Securities so issued may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S, subject to the restrictions on transfers set forth herein.

(b) **Global Securities.** Rule 144A Securities shall be issued initially in the form of one or more permanent global Securities in definitive, fully registered form (collectively, the “*Rule 144A Global Security*”) and Regulation S Securities shall be issued initially in the form of one or more global Regulation S Global Securities (collectively, the “*Regulation S Global Security*”), in each case without interest coupons and bearing the Global Securities Legend and Restricted Securities Legend, which shall be deposited on behalf of the purchasers of the Securities represented thereby with the Securities Custodian, and registered in the name of the Depository or a nominee of the

Depository, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. The Rule 144A Global Security and the Regulation S Global Security are each referred to herein as a “*Global Security*” and are collectively referred to herein as “*Global Securities*”; *provided* that the term “Global Security” when used in Sections 2.1(b), 2.1(c), 2.3(g)(i), 2.3(h)(i) and 2.4 shall also include any Security in global form issued in connection with a Registered Exchange Offer. The aggregate principal amount of the Global Securities may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee and on the schedules thereto as hereinafter provided.

(c) *Book-Entry Provisions*. This Section 2.1(c) shall apply only to a Global Security deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and pursuant to an order of the Company, authenticate and deliver initially one or more Global Securities that (a) shall be registered in the name of the Depository for such Global Security or Global Securities or the nominee of such Depository and (b) shall be delivered by the Trustee to such Depository or pursuant to such Depository’s instructions or held by the Trustee as Securities Custodian.

Members of, or participants in, the Depository (“*Agent Members*”) shall have no rights under this indenture with respect to any Global Security held on their behalf by the Depository or by the Trustee as Securities Custodian or under such Global Security, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such

Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

(d) *Definitive Securities*. Except as provided in Section 2.3, owners of beneficial interests in Global Securities will not be entitled to receive physical delivery of certificated Securities.

2.2 *Authentication*. The Trustee shall authenticate and deliver: (a) Initial Securities for original issue in an aggregate principal amount of \$375,000,000, (b) any Additional Securities, if and when issued pursuant to the Indenture; and (c) the Exchange Securities for issue only in a Registered Exchange Offer or a Private Exchange, respectively, pursuant to a Registration Rights Agreement, for a like principal amount of Initial Securities or Additional Securities, in each case upon a written order of the Company signed by two Officers or by an Officer and either a Treasurer or an Assistant Treasurer or a Secretary or an Assistant Secretary of the Company. 2.3 *Transfer and Exchange*. (a) *Transfer and Exchange of Definitive Securities*. When Definitive Securities are presented to the Registrar or a co-registrar with a request:

(i) to register the transfer of such Definitive Securities; or

(ii) to exchange such Definitive Securities for an equal principal amount of Definitive Securities of other authorized denominations, the Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Securities surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co-registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) are being transferred, or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Securities are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Securities are being transferred to the Company, a certification to that effect; or

(C) if such Definitive Securities are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904, (i) a certification to that effect and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).

(b) *Restrictions on Transfer of a Definitive Security for a Beneficial Interest in a Global Security*. A Definitive Security may not be exchanged for a beneficial interest in a Global Security

except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Security, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) certification (in the form set forth on the reverse side of the Initial Security) that such Definitive Security is being transferred (1) to a QIB in accordance with Rule 144A or (2) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act, which certification shall be accompanied by a signed letter substantially in the form of Exhibit B; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Security to reflect an increase in the aggregate principal amount of the Securities represented by the Global Security, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Security and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Securities represented by the Global Security to be increased by the aggregate

principal amount of the Definitive Security to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Security equal to the principal amount of the Definitive Security so canceled. If no Global Securities are then outstanding and the Global Security has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Security in the appropriate principal amount.

(c) Transfer and Exchange of Global Securities.

(i) The transfer and exchange of Global Securities or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Security shall deliver a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Security and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Security and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Security being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Security to a transferee who takes delivery of such interest through the Regulation S Global Security, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Securities from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Security to a beneficial interest in another Global Security, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security to which such interest is being transferred in an amount equal to the principal amount of the

A-5

interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Security from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Security may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) In the event that a Global Security is exchanged for Securities in definitive registered form pursuant to Section 2.4 prior to the consummation of a Registered Exchange Offer or the effectiveness of a Shelf Registration Statement with respect to such Securities, such Securities may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Initial Securities or Additional Securities intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(d) Restrictions on Transfer of Regulation S Global Security. (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Security may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Security may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Security to a transferee who takes delivery of such interest through the Rule 144A Global Security shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Security to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Security shall be transferable in accordance with applicable law and the other terms of this Indenture.

(e) Legend.

Interest on the Securities will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

(b) **[Special Interest.** The holder of this Security is entitled to the benefits of a Registration Rights Agreement, dated as of February 7, 2014, among the Company, the Guarantors party thereto and the Initial Purchasers named therein (the “*Registration Rights Agreement*”). The Special Interest (as defined in the Registration Rights Agreement), if any, will be payable in cash semiannually in arrears each February 15 and August 15, in immediately available funds.](1)

2. **Method of Payment**

The Company will pay interest on the Securities (except defaulted interest) to the Persons who are registered holders of Securities at the close of business on the February 1 or August 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date. Holders must surrender Securities to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company (the “*Depository*”). The Company will make all payments in respect of a certificated Security (including principal, premium and interest) by mailing a check to the registered address of each Holder thereof; *provided, however*, that payments on the Securities may also be made, in the case of a Holder of at least \$2,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. **Paying Agent and Registrar**

Initially, U.S. Bank National Association, a national banking association (the “*Trustee*”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

4. **Indenture**

The Company issued the Securities under an Indenture dated as of February 7, 2014 (the “*Indenture*”), among the Company, the Guarantors party thereto from time to time and the Trustee. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. 77aaa-77bbbb) as in effect on the date of the Indenture (the “*TIA*”). Terms defined in the Indenture and not defined herein have the meanings

(1) Section 1(b) to be included only in Initial Securities.

ascribed thereto in the Indenture. The Securities are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of those terms.

The Securities are senior subordinated unsecured obligations of the Company and can be issued in an initial amount of up to \$375,000,000 and additional amounts as part of the same series or new series under the Indenture which are unlimited (subject to Sections 2.01 and 2.10 of the Indenture). The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to, among other things, incur additional indebtedness, pay dividends or make distributions in respect of their capital stock, purchase or redeem capital stock, enter into transactions with stockholders or certain affiliates, create liens or consolidate, merge or sell all or substantially all of the Company’s assets, other than in certain transactions between the Company and one or more of its Wholly Owned Subsidiaries. These limitations are subject to significant exceptions.

5. **Optional Redemption.**

Except as set forth below, the Securities may not be redeemed prior to February 15, 2017. On and after that date, the Company may redeem the Securities in whole at any time or in part from time to time at the following redemption prices (expressed in percentages of principal amount), plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption), if redeemed during the 12-month period beginning on or after February 15 of the years set forth below:

Period	Redemption Price
2017	104.406%
2018	102.938%
2019	101.469%
2020 and thereafter	100.000%

Prior to February 15, 2017, the Company may on any one or more occasions redeem up to 35% of the original aggregate principal amount of the Securities with the Net Cash Proceeds of one or more Equity Offerings at a redemption price of 105.875% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided that*

- (1) at least 65% of the original aggregate principal amount of the Securities remains outstanding after each such redemption; and

- (2) the redemption occurs within 90 days after the closing of such Equity Offering.

In addition, at any time and from time to time prior to February 15, 2017, the Company may, at its option, redeem all or a portion of the Securities at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Securities plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of such redemption must be sent to Holders of the Securities called for redemption not less than 30 nor more than 60 days prior to the redemption date. The notice need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Securities promptly after the calculation and that the Trustee will not be responsible for such calculation.

Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption

A-16

date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Securities are registered at the close of business on such record date, and no additional interest will be payable to Holders whose Securities will be subject to redemption by the Company.

On and after the redemption date, interest will cease to accrue on notes or portions thereof called for redemption.

6. Sinking Fund

The Securities are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption shall be sent to the Holders electronically or by first class mail, with a copy to the Trustee, to each Holder of Securities to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 30 nor more than 60 days prior to the redemption date. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Securities in denominations larger than \$2,000 may be redeemed in part but only in integral multiples of \$1,000. If money sufficient to pay the redemption price of and accrued interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

8. Subordination

The Securities are subordinated to Senior Indebtedness of the Company. To the extent provided in the Indenture, Senior Indebtedness of the Company must be paid before the Securities may be paid. The Company agrees, and each Holder by accepting a Security agrees, to the subordination provisions contained in the Indenture and authorizes the Trustee to give it effect and appoints the Trustee as attorney-in-fact for such purpose.

9. Repurchase of Securities at the Option of Holders upon Change of Control

Upon a Change of Control, the Company will be required to make an offer, subject to certain conditions specified in the Indenture, to repurchase all the Securities of each Holder at a purchase price equal to 101% of the principal amount of Securities to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

10. Denominations; Transfer; Exchange

The Securities are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. A Holder may transfer or exchange Securities in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other

A-17

things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to a selection of Securities to be redeemed or 15 days before an interest payment date.

11. Persons Deemed Owners

The registered Holder of this Security may be treated as the owner of it for all purposes.

12. Unclaimed Money

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

13. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

14. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities and (ii) any default or noncompliance with any provision may be waived with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder of Securities, the Company and the Trustee may amend the Indenture or the Securities: (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to comply with Article Five of the Indenture; (iii) to provide for uncertificated Securities in addition to or in place of certificated Securities; (iv) to add Guarantees with respect to the Securities; (v) to secure the Securities; (vi) to add additional covenants of the Company or to surrender rights and powers conferred on the Company; (vii) to make any change that does not adversely affect the rights of any Holder; (viii) to make certain changes in the subordination provisions that would limit or terminate the benefits available to any holder of Senior Indebtedness under such provisions; or (ix) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA.

15. Defaults and Remedies

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the Securities then outstanding, subject to certain limitations, may declare all the Securities to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Securities being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Securities may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust

A-18

or power under the Indenture. The Holders of a majority in aggregate principal amount of the Securities then outstanding, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.

16. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

17. No Recourse Against Others

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

18. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

19. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

20. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

21. ISINs and CUSIP Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISINs and/or CUSIP numbers to be printed on the Securities and has directed the Trustee to use ISINs and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

A Holder of Securities may upon written request and without charge to the Holder receive a copy of the Indenture which has in it the text of this Security. Requests may be made to: Kevin M. Connor, General Counsel, One AMC Way, 11500 Ash Street, Leawood, Kansas 66211.

(b) Upon the effectiveness of the Exchange Offer Registration Statement, the Company and the Guarantors shall promptly commence the Registered Exchange Offer, it being the objective of such Registered Exchange Offer to enable each Holder electing to exchange Securities for New Securities (assuming that such Holder is not an Affiliate of the Company, acquires the New Securities in the ordinary course of such Holder’s business, has no arrangements with any Person to participate in the distribution of the New Securities and is not prohibited by any law or policy of the Commission from participating in the Registered

4

Exchange Offer) to trade such New Securities from and after their receipt without any limitations or restrictions under the Act and without material restrictions under the securities laws of a substantial proportion of the several states of the United States.

- (c) In connection with the Registered Exchange Offer, the Company and the Guarantors shall:
- (i) mail to each Holder a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
 - (ii) keep the Registered Exchange Offer open for not less than 30 days and not more than 45 days after the date notice thereof is mailed to the Holders (or, in each case, longer if required by applicable law);

May 13, 1988) and Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991); and (B) including a representation that the Company has not entered into any arrangement or understanding with any Person to distribute the New Securities to be received in the Registered Exchange Offer and that, to the best of the Company's information and belief, each Holder participating in the Registered Exchange Offer is acquiring the New Securities in the ordinary course of business and has no arrangement or understanding with any Person to participate in the distribution of the New Securities; and
 - (vii) comply in all respects with all applicable laws.
- (d) As soon as practicable after the close of the Registered Exchange Offer, the Company and the Guarantors shall:

 - (iii) cause the Trustee promptly to authenticate and deliver to each Holder of Securities a principal amount of New Securities equal to the principal amount of the Securities of such Holder so accepted for exchange.
- (e) Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Registered Exchange Offer to participate in a distribution of the New Securities (x) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission in Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991) and Exxon Capital Holdings Corporation (pub. avail. May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993 and similar no-action letters; and (y) must comply with the registration and prospectus delivery requirements of the Act in connection with any secondary resale transaction and such transaction must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K under the Act if the resales are of New Securities obtained by such Holder in exchange for Securities acquired by such Holder directly from the Company or one of its Affiliates. Accordingly, each Holder participating in the Registered Exchange Offer shall be required to represent to the Company that, at the time of the consummation of the Registered Exchange Offer:
- (i) any New Securities received by such Holder will be acquired in the ordinary course of business;
 - (ii) such Holder will have no arrangement or understanding with any Person to participate in the distribution of the Securities or the New Securities within the meaning of the Act; and

3. Shelf Registration. (a) If (i) due to any change in law or applicable interpretations thereof by the Commission's staff, the Company determines upon advice of its outside counsel that it is not permitted to effect the Registered Exchange Offer as contemplated by Section 2 hereof; (ii) for any other reason the Exchange Offer Registration Statement is not effective within 210 days after the Issue Date; (iii) any Initial Purchaser so requests with respect

6

to Securities that are not eligible to be exchanged for New Securities in the Registered Exchange Offer and that are held by it following consummation of the Registered Exchange Offer; or (iv) any Holder (other than an Initial Purchaser) is not eligible to participate in the Registered Exchange Offer or does not receive freely tradeable New Securities in exchange for Securities constituting any portion of an unsold allotment (it being understood that the requirement that an Exchanging Dealer deliver a Prospectus in

connection with sales of New Securities acquired in the Registered Exchange Offer in exchange for Securities acquired as a result of market-making activities or other trading activities shall not result in such New Securities being not “freely tradeable”), the Company and the Guarantors shall effect a Shelf Registration Statement in accordance with subsection (b) below.

(b) (i) The Company and the Guarantors shall as promptly as practicable (but in no event more than 90 days after so required or requested pursuant to this Section 3), file with the Commission and thereafter shall use their commercially reasonable best efforts to cause to be declared effective under the Act a Shelf Registration Statement relating to the offer and sale of the Securities or the New Securities, as applicable, by the Holders thereof from time to time in accordance with the methods of distribution elected by such Holders and set forth in such Shelf Registration Statement; *provided, however*, that no Holder (other than an Initial Purchaser) shall be entitled to have the Securities held by it covered by such Shelf Registration Statement unless such Holder agrees in writing to be bound by all of the provisions of this Agreement applicable to such Holder; and *provided, further*, that with respect to New Securities received by an Initial Purchaser in exchange for Securities constituting any portion of an unsold allotment, the Company and the Guarantors may, if permitted by current interpretations by the Commission’s staff, file a post-effective amendment to the Exchange Offer Registration Statement containing the information required by Item 507 or 508 of Regulation S-K, as applicable, in satisfaction of their respective obligations under this subsection with respect thereto, and any such Exchange Offer Registration Statement, as so amended, shall be referred to herein as, and governed by the provisions herein applicable to, a Shelf Registration Statement.

(ii) The Company and the Guarantors shall use their respective commercially reasonable efforts to keep the Shelf Registration Statement continuously effective, supplemented and amended as required by the Act, in order to permit the Prospectus forming part thereof to be usable by Holders for a period of two years after the Issue Date or such shorter period that will terminate when all the Securities or New Securities, as applicable, covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement (in any such case, such period being called the “*Shelf Registration Period*”). The Company and the Guarantors shall be deemed not to have used their respective commercially reasonable efforts to keep the Shelf Registration Statement effective during the requisite period if they voluntarily take any action that would result in Holders of Securities covered thereby not being able to offer and sell such Securities during that period, unless (A) such action is required by applicable law; or (B) such action is taken by the Company and the Guarantors in good faith and for valid business reasons (not including avoidance of the Company’s and the Guarantors’ obligations hereunder), including the acquisition or divestiture of assets (to the extent

7

permitted by the terms of the Indenture), so long as the Company and the Guarantors promptly thereafter comply with the requirements of Section 5(k) hereof, if applicable.

(iii) Notwithstanding the foregoing provisions of this Section 3, the Company and the Guarantors may for valid business reasons (other than avoidance of their obligations hereunder), including without limitation, a potential material acquisition, divestiture of assets or other material corporate transaction, notify Holders in writing that the Shelf Registration Statement is no longer effective or the Prospectus included therein is no longer usable for offers and sales of Securities or New Securities; *provided* that the use of the Shelf Registration Statement or the Prospectus contained therein shall not be suspended for more than 45 days (whether or not consecutive) in the aggregate in any 12-month period. Each Holder agrees that upon receipt of any notice from the Company pursuant to this Section 3(b)(iii), it will discontinue use of the Prospectus contained in the Shelf Registration Statement until receipt of copies of the supplemented or amended Prospectus relating thereto or until advised in writing by the Company that the use of the Prospectus contained in the Shelf Registration Statement may be resumed.

(iv) The Company and the Guarantors shall cause the Shelf Registration Statement and the related Prospectus and any amendment or supplement thereto, as of the effective date of the Shelf Registration Statement or such amendment or supplement, (A) to comply in all material respects with the applicable requirements of the Act and the rules and regulations of the Commission; and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

4. Special Interest. If (a) on or prior to the 120th day following the Issue Date, neither the Exchange Offer Registration Statement nor the Shelf Registration Statement has been filed with the Commission, (b) on or prior to the 210th day following the Issue Date, the Exchange Offer Registration Statement has not been declared effective, or on or prior to the 90th day following the Company’s obligation to file the Shelf Registration Statement, the Shelf Registration Statement has not been filed, (c) on or prior to the 45th day following the date the Exchange Offer Registration Statement has been declared effective, the Registered Exchange Offer has not been consummated, or (d) after either the Exchange Offer Registration Statement or the Shelf Registration Statement has been declared effective, such Registration Statement thereafter ceases to be effective or usable in connection with resales of Securities or New Securities in accordance with and during the periods specified in this Agreement (each such event referred to in clauses (a) through (d), a “*Registration Default*”), interest (“*Special Interest*”) will accrue on the principal amount of the Securities and the New Securities (in addition to the stated interest on the Securities and New Securities) from and including the date on which any such Registration Default shall occur to but excluding the date on which all Registration Defaults have been cured. Special Interest will accrue at a rate of \$0.192 per week per \$1,000 principal amount of notes. Notwithstanding the foregoing, no Special Interest shall accrue during or with respect to any suspension period referred to in Section 3(b)(iii) above; *provided, however*, that if such suspension period exceeds 45 days in the aggregate in any 12-month period, then Special Interest shall accrue from and including the 46th day of such suspension period.

8

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Security at the time such Security is exchanged for a New Security shall survive until such time as all such obligations with respect to such Security have been satisfied in full.

5. Additional Registration Procedures. In connection with any Shelf Registration Statement and, to the extent applicable, any Exchange Offer Registration Statement or Market Making Registration Statement, the following provisions shall apply.

(a) The Company and the Guarantors shall:

(i) furnish to you, not less than five Business Days prior to the filing thereof with the Commission, a copy of any Exchange Offer Registration Statement and any Shelf Registration Statement, and each amendment thereof and each amendment or supplement, if any, to the Prospectus included therein (including all documents incorporated by reference therein after the initial filing) and shall use their best efforts to reflect in each such document, when so filed with the Commission, such comments as you reasonably propose;

(ii) include the information set forth in Annex A hereto on the facing page of the Exchange Offer Registration Statement, in Annex B hereto in the forepart of the Exchange Offer Registration Statement in a section setting forth details of the Exchange Offer, in Annex C hereto in the underwriting or plan of distribution section of the Prospectus contained in the Exchange Offer Registration Statement, and in Annex D hereto in the letter of transmittal delivered pursuant to the Registered Exchange Offer;

(iv) in the case of a Shelf Registration Statement, include the names of the Holders that propose to sell Securities pursuant to the Shelf Registration Statement as selling security holders.

(b) The Company and the Guarantors shall ensure that:

(i) any Registration Statement and any amendment thereto and any Prospectus forming part thereof and any amendment or supplement thereto complies in all material respects with the Act and the rules and regulations thereunder; and

(ii) any Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) The Company and the Guarantors shall advise you, the Holders of Securities covered by any Shelf Registration Statement and any Exchanging Dealer under any Exchange Offer Registration Statement that has provided in writing to the Company a telephone or

9

facsimile number and address for notices, and, if requested by you or any such Holder or Exchanging Dealer, shall confirm such advice in writing (which notice pursuant to clauses (ii) through (v) hereof shall be accompanied by an instruction to suspend the use of the Prospectus until the Company shall have remedied the basis for such suspension):

(i) when a Registration Statement and any amendment thereto has been filed with the Commission and when the Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for any amendment or supplement to the Registration Statement or the Prospectus or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose, of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, and of the happening of any event that causes the Company to become an "ineligible issuer," as defined in Commission Rule 405;

(iv) of the receipt by the Company or any Guarantor of any notification with respect to the suspension of the qualification of the securities included therein for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(v) of the happening of any event that requires any change in the Registration Statement or the Prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading.

(d) The Company and the Guarantors shall use their respective best efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement or the qualification of the securities therein for sale in any jurisdiction at the earliest possible time.

(e) The Company and the Guarantors shall furnish to each Holder of Securities covered by any Shelf Registration Statement, without charge, at least one copy of such Shelf Registration Statement and any post-effective amendment thereto, including all material incorporated therein by reference, and, if the Holder so requests in writing, all exhibits thereto (including exhibits incorporated by reference therein).

(f) The Company and the Guarantors shall, during the Shelf Registration Period, deliver to each Holder of Securities covered by any Shelf Registration Statement, without charge, as many copies of the Prospectus (including each preliminary Prospectus) included in such Shelf Registration Statement and any amendment or supplement thereto as such Holder may reasonably request. The Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by each of the selling Holders of securities in connection with the offering and sale of the securities covered by the Prospectus, or any amendment or supplement thereto, included in the Shelf Registration Statement.

10

(g) The Company and the Guarantors shall furnish to each Exchanging Dealer which so requests, without charge, at least one copy of the Exchange Offer Registration Statement and any post-effective amendment thereto, including all material incorporated by reference therein, and, if the Exchanging Dealer so requests in writing, all exhibits thereto (including exhibits incorporated by reference therein).

(h) The Company and the Guarantors shall promptly deliver to the Initial Purchasers, each Exchanging Dealer and each other Person required to deliver a Prospectus during the Exchange Offer Registration Period, without charge, as many copies of the Prospectus included in such Exchange Offer Registration Statement and any amendment or supplement thereto as any such Person may reasonably request. The Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by the Initial Purchasers, any Exchanging Dealer and any such other Person that may be required to deliver a Prospectus following the Registered Exchange Offer in connection with the offering and sale of the New Securities covered by the Prospectus, or any amendment or supplement thereto, included in the Exchange Offer Registration Statement.

(i) Prior to the Registered Exchange Offer or any other offering of Securities or New Securities pursuant to any Registration Statement, the Company and the Guarantors shall arrange, if necessary, for the qualification of the Securities or the New Securities for sale under the laws of such jurisdictions as any Holder shall reasonably request and will maintain such qualification in effect so long as required; *provided* that in no event shall the Company or the Guarantors be obligated to qualify to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the Initial Placement, the Registered Exchange Offer or any offering pursuant to a Shelf Registration Statement, in any such jurisdiction where it is not then so subject.

(j) The Company and the Guarantors shall cooperate with the Holders of Securities to facilitate the timely preparation and delivery of certificates representing New Securities or Securities to be issued or sold pursuant to any Registration Statement free of any restrictive legends and in such denominations and registered in such names as Holders may request.

(k) Upon the occurrence of any event contemplated by subsections (c)(ii) through (v) above, the Company and the Guarantors shall promptly prepare a post-effective amendment to the applicable Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that, as thereafter delivered to initial purchasers of the securities included therein, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. In such circumstances, the period of effectiveness of the Exchange Offer Registration Statement provided for in Section 2 and the Shelf Registration Statement provided for in Section 3(b) shall each be extended by the number of days from and including the date of the giving of a notice of suspension pursuant to Section 5(c) to and including the date when the Initial Purchasers, the Holders of the Securities and any known Exchanging Dealer shall have received such amended or supplemented Prospectus pursuant to this Section.

11

(l) Not later than the effective date of any Registration Statement, the Company and the Guarantors shall provide a CUSIP number for the Securities or the New Securities, as the case may be, registered under such Registration Statement and provide the Trustee with printed certificates for such Securities or New Securities, in a form eligible for deposit with The Depository Trust Company.

(m) The Company and the Guarantors shall comply with all applicable rules and regulations of the Commission and shall make generally available to their security holders as soon as practicable after the effective date of the applicable Registration Statement an earnings statement satisfying the provisions of Section 11(a) of the Act.

(n) The Company and the Guarantors shall cause the Indenture to be qualified under the Trust Indenture Act in a timely manner.

(o) The Company and the Guarantors may require each Holder of securities to be sold pursuant to any Shelf Registration Statement to furnish to the Company and the Guarantors such information regarding the Holder and the distribution of such securities as the Company and the Guarantors may from time to time reasonably require for inclusion in such Registration Statement. The Company and the Guarantors may exclude from such Shelf Registration Statement the Securities or New Securities of any Holder that unreasonably fails to furnish such information within a reasonable time after receiving such request.

(p) In the case of any Shelf Registration Statement, the Company and the Guarantors shall enter into such agreements and take all other appropriate actions (including if requested an underwriting agreement in customary form) in order to expedite or facilitate the registration or the disposition of the Securities or New Securities, and in connection therewith, if an underwriting agreement is entered into, cause the same to contain indemnification provisions and procedures no less favorable than those set forth in Section 8 (or such other provisions and procedures acceptable to the Majority Holders and the Managing Underwriters, if any, with respect to all parties to be indemnified pursuant to Section 8).

(q) In the case of any Shelf Registration Statement, the Company and the Guarantors shall:

(i) make reasonably available for inspection by the Holders of Securities or New Securities to be registered thereunder, any underwriter participating in any disposition pursuant to such Registration Statement, and any attorney, accountant or other agent retained by the Holders or any such underwriter all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries;

(ii) use their reasonable best efforts to cause the Company's and the Guarantors' officers, directors and employees to supply all relevant information reasonably requested by the Holders or any such underwriter, attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; *provided, however*, that any information that is designated in writing by the Company or the Guarantors, in good faith, as confidential at the time of

12

delivery of such information shall be kept confidential by the Holders or any such underwriter, attorney, accountant or agent, unless such disclosure is made in connection with a court proceeding or required by law, or such information becomes available to the public generally or through a third party without an accompanying obligation of confidentiality;

(iii) make such representations and warranties to the Holders of Securities or New Securities registered thereunder and the underwriters, if any, in form, substance and scope as are customarily made by issuers to underwriters in primary underwritten offerings and covering matters including, but not limited to, those set forth in the Purchase Agreement;

(iv) obtain opinions of counsel to the Company and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the Managing Underwriters, if any) addressed to each selling Holder and the underwriters, if any, covering such matters as are customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such Holders and underwriters;

(v) obtain "cold comfort" letters and updates thereof from the current and, as applicable, past independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included in the Registration Statement), addressed to each selling Holder of Securities or New Securities registered thereunder and the underwriters, if any, in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with primary underwritten offerings; and

(vi) deliver such documents and certificates as may be reasonably requested by the Majority Holders and the Managing Underwriters, if any, including those to evidence compliance with Section 5(k) and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

The actions set forth in clauses (iii), (iv), (v) and (vi) of this Section 5(q) shall be performed at (A) the effectiveness of such Registration Statement and each post-effective amendment thereto; and (B) each closing under any underwriting or similar agreement as and to the extent required thereunder.

(r) In the case of any Exchange Offer Registration Statement, the Company and the Guarantors shall:

(i) make reasonably available for inspection by such Initial Purchaser, and any attorney, accountant or other agent retained by such Initial Purchaser, all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries;

13

(ii) use their reasonable best efforts to cause the Company's and the Guarantors' officers, directors and employees to supply all relevant information reasonably requested by such Initial Purchaser or any such attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; *provided, however*, that any information that is designated in writing by the Company or the Guarantors, in good faith, as confidential at the time of delivery of such information shall be kept confidential by such Initial Purchaser or any such attorney, accountant or agent, unless such disclosure is made in connection with a court proceeding or required by law, or such information becomes available to the public generally or through a third party without an accompanying obligation of confidentiality;

(iii) make such representations and warranties to such Initial Purchaser, in form, substance and scope as are customarily made by issuers to underwriters in primary underwritten offerings and covering matters including, but not limited to, those set forth in the Purchase Agreement;

(iv) obtain opinions of counsel to the Company and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to such Initial Purchaser) and its counsel, addressed to such Initial Purchaser, covering such matters as are customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such Initial Purchaser or its counsel;

(v) obtain "cold comfort" letters and updates thereof from the current and, as applicable, past independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included in the Registration Statement), addressed to such Initial Purchaser, in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with primary underwritten offerings, or if requested by such Initial Purchaser or its counsel in lieu of a "cold comfort" letter, an agreed-upon procedures letter under Statement on Auditing Standards No. 35, covering matters requested by such Initial Purchaser or its counsel; and

(vi) deliver such documents and certificates as may be reasonably requested by such Initial Purchaser or its counsel, including those to evidence compliance with Section 5(k) and with conditions customarily contained in underwriting agreements.

The foregoing actions set forth in clauses (iii), (iv), (v), and (vi) of this Section 5(r) shall be performed at the close of the Registered Exchange Offer and the effective date of any post-effective amendment to the Exchange Offer Registration Statement.

(s) If a Registered Exchange Offer is to be consummated, upon delivery of the Securities by Holders to the Company (or to such other Person as directed by the Company) in exchange for the New Securities, the Company shall mark, or cause to be marked, on the Securities so exchanged that such Securities are being canceled in exchange for the New Securities. In no event shall the Securities be marked as paid or otherwise satisfied.

14

(t) The Company and the Guarantors will use their respective commercially reasonable best efforts (i) if the Securities have been rated prior to the initial sale of such Securities, to confirm such ratings will apply to the Securities or the New Securities, as the case may be, covered by a Registration Statement; or (ii) if the Securities were not previously rated, to cause the Securities covered by a Registration Statement to be rated with at least one nationally recognized statistical rating agency, if so requested by Majority Holders with respect to the related Registration Statement or by any Managing Underwriters.

(u) In the event that any Broker-Dealer shall underwrite any Securities or participate as a member of an underwriting syndicate or selling group or "assist in the distribution" (within the meaning of the Rules of Fair Practice and the By-Laws of the Financial Industry Regulatory Authority) thereof, whether as a Holder of such Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, assist such Broker-Dealer in complying with the requirements of such Rules and By-Laws, including, without limitation, by:

(i) if such Rules or By-Laws shall so require, engaging a "qualified independent underwriter" (as defined in such Rules) to participate in the preparation of the Registration Statement, to exercise usual standards of due diligence with respect thereto and, if any portion of the offering contemplated by such Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Securities;

(ii) indemnifying any such qualified independent underwriter to the extent of the indemnification of underwriters provided in Section 8 hereof; and

(iii) providing such information to such Broker-Dealer as may be required in order for such Broker-Dealer to comply with the requirements of such Rules.

(iv) The Company and the Guarantors shall use their respective reasonable best efforts to take all other steps necessary to effect the registration of the Securities or the New Securities, as the case may be, covered by a Registration Statement.

6. **Market Making.** (a) At such time and for so long as any of the Securities, New Securities or Existing Notes are outstanding and any of the Representatives (each in such capacity, the "**Market Maker**") or any of their Affiliates is an Affiliate of the Company, the Guarantors or any of their Affiliates and proposes to make a market in the Securities, New Securities or Existing Notes, as applicable, as part of its business in the ordinary course, the following provisions shall apply for the sole benefit of the Market Maker:

(i) The Company and the Guarantors shall (A) on the date that the Exchange Offer Registration Statement or, if required hereby, the Shelf Registration Statement is filed with the Commission, file one or more registration statements (the "**Market Making Registration Statements**") (which may be the Exchange Offer Registration Statement or the Shelf Registration Statement if permitted by the rules and regulations of the Commission) and use their commercially reasonable best efforts to cause such Market Making Registration Statements to be declared effective by the Commission on or prior to the consummation of the Registered Exchange Offer or the effective date of the Shelf

Registration Statement, as applicable; (B) periodically amend such Market Making Registration Statements so that the information contained therein complies with the requirements of Section 10(a) under the Act; (C) amend the Market Making Registration Statements or amend or supplement the related Prospectuses when necessary to reflect any material changes in the information provided therein; and (D) amend the Market Making Registration Statements when required to do so in order to comply with Section 10(a)(3) of the Act; *provided, however*, that (1) prior to filing the Market Making Registration Statements, any amendment thereto or any

supplement to the related Prospectuses, the Company shall furnish to the Market Maker copies of all such documents proposed to be filed, which documents will be subject to the review of the Market Maker and its counsel and (2) the Company and the Guarantors will not file any Market Making Registration Statement, any amendment thereto or any amendment or supplement to the related Prospectus to which the Market Maker and its counsel shall reasonably object unless the Company is advised by counsel that such Market Making Registration Statement, amendment or supplement is required to be filed under applicable securities laws and the Company will provide the Market Maker and its counsel with copies of such Market Making Registration Statement and each amendment and supplement filed. The Company, in its sole discretion, may determine to include Prospectuses relating to each of the Securities, the New Securities or one or more series of the Existing Notes in the same or different Market Making Registration Statements so long as each such registration statement complies with this Section 6. The term "Prospectus" in this Section 6 includes any Prospectus contained in a Market Making Registration Statement relating to any or all of the Securities, the New Securities or the Existing Notes, as applicable.

(ii) The Company shall notify the Market Maker and, if requested by the Market Maker, confirm such advice in writing, (A) when any Market Making Registration Statement, any post-effective amendment to any Market Making Registration Statement or any amendment or supplement to the related Prospectus has been filed, and, with respect to any Market Making Registration Statement or any post-effective amendment, when the same has become effective; (B) of any request by the Commission for any post-effective amendment to any Market Making Registration Statement, any supplement or amendment to the related Prospectus or for additional information; (C) the issuance by the Commission of any stop order suspending the effectiveness of any Market Making Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the Commission to the use of the Market Making Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act; (D) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities, New Securities or Existing Notes, as applicable, for sale in any jurisdiction or the initiation or threatening of any proceedings for that purpose; and (E) of the happening of any event that makes any statement made in any Market Making Registration Statement, the related Prospectus or any amendment or supplement thereto untrue or that requires that making of any changes in any Market Making Registration Statement, such Prospectus or any amendment or supplement thereto, in order to make the statements therein not misleading.

16

(iii) If any event contemplated by Section 6(a)(ii)(B) through (E) occurs during the period for which the Company and the Guarantors are required to maintain an effective Market Making Registration Statement, the Company and the Guarantors shall promptly prepare and file with the Commission a post-effective amendment to each Market Making Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that the Prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(iv) In the event of the issuance of any stop order suspending the effectiveness of any Market Making Registration Statement, any notice of objection pursuant to Rule 401(g)(2) under the Act or of any order suspending the qualification of the Securities, New Securities or Existing Notes for sale in any jurisdiction, the Company and the Guarantors shall promptly use their reasonable best efforts to obtain the withdrawal of such order or the resolution of such objection, including by filing an amendment to the Market Making Registration Statement on the proper form as necessary.

(v) The Company shall furnish to the Market Maker, without charge, (A) at least one conformed copy of any Market Making Registration Statement and any post-effective amendment thereto and (B) as many copies of the related Prospectus and any amendment or supplement thereto as the Market Maker may reasonably request.

(vi) The Company and the Guarantors shall consent to the use of any Prospectus contained in any Market Making Registration Statement or any amendment or supplement thereto by the Market Maker in connection with its market-making activities.

(vii) Notwithstanding the foregoing provisions of this Section 6, the Company and the Guarantors may for valid business reasons, including without limitation, a potential material acquisition, divestiture of assets or other material corporate transaction, notify the Market Maker in writing that a Market Making Registration Statement is no longer effective or the Prospectus included therein is no longer usable for offers and sales of Securities, New Securities or Existing Notes; *provided* that the use of a Market Making Registration Statement or the Prospectus contained therein shall not be suspended for more than 75 days (whether or not consecutive) in the aggregate in any 12-month period. The Market Maker agrees that upon receipt of any notice from the Company pursuant to this Section 6(a)(vii), it will discontinue use of the Prospectus contained in such Market Making Registration Statement until receipt of copies of the supplemented or amended Prospectus relating thereto or until advised in writing by the Company that the use of the Prospectus contained in such Market Making Registration Statement may be resumed.

(b) In connection with any Market Making Registration Statement, the Company and the Guarantors shall (i) make reasonably available for inspection by a representative of, and counsel acting for, the Market Maker all relevant financial and other records, pertinent corporate documents and properties of the Company, the Guarantors and their respective subsidiaries and (ii) use their respective reasonable best efforts to have their respective officers, directors,

17

employees, accountants and counsel supply all relevant information reasonably requested by such representative or counsel or the Market Maker; *provided, however*, that any information that is designated in writing by the Company or the Guarantors, in good faith, as confidential at the time of delivery of such information shall be kept confidential by the Market Maker or any representative or counsel, unless such disclosure is made in connection with a court proceeding or required by law, or such information becomes available to the public generally or through a third party without an accompanying obligation of confidentiality;

(c) Prior to the initial effective date of any Market Making Registration Statement, the Company and the Guarantors shall arrange, if necessary, for the qualification of the Securities, New Securities or Existing Notes, as applicable, for sale under the laws of such jurisdictions as the Market Maker reasonably requests in writing, will maintain such qualification in effect so long as required and shall cooperate with the Market Maker in connection with any filings required to be made with the Financial Industry Regulatory Authority to enable the offer and sale in such jurisdictions of the Securities, New Securities or Existing Notes, as applicable, covered by such Market Making Registration Statement; *provided* that in no event shall the Company and the Guarantors be obligated to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to subject itself to service of process in any such jurisdictions or (iii) subject itself to taxation in any such jurisdiction if it not so subject.

(d) The Company and the Guarantors represent and agree that any Market Making Registration Statement, any post-effective amendments thereto, any amendments or supplements to the related Prospectus and any documents filed by them under the Exchange Act will, when they become effective or are filed with the Commission, as the case may be, conform in all respects to the requirements of the Act and the Exchange Act and the rules and regulations of the Commission thereunder and will not, as of the effective date of such Market Making Registration Statement or post-effective amendments and as of the filing date of amendments or supplements to such Prospectus or filings under the Exchange Act, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that no representation or warranty is made as to information

contained in or omitted from any Market Making Registration Statement or the related Prospectus in reliance upon and in conformity with written information furnished to the Company by the Market Maker specifically for inclusion therein, which information the parties hereto agree will be limited to the statements concerning the market-making activities of the Market Maker to be set forth on the cover page and in the “Plan of Distribution” section of the related Prospectus (the “*Market Maker’s Information*”).

(e) At the time of effectiveness of any Market Making Registration Statement and concurrently with each time such Market Making Registration Statement shall be amended by post-effective amendment by including the filing of any annual report incorporated by reference into the Market Making Registration Statement or the related Prospectus shall be amended or such Prospectus shall be supplemented, the Company shall (if requested by the Market Maker) furnish the Market Maker and its counsel with a certificate of its Chairman of the Board of Directors or Chief Executive Officer and its Chief Financial Officer to the effect that:

18

(i) such Market Making Registration Statement has been declared effective;

(ii) in the case of an amendment to such Market Making Registration Statement, such amendment has become effective under the Act as of the date and time specified in such certificate, if applicable; and in the case of an amendment or supplement to the Prospectus, such amendment or supplement to the Prospectus was filed with the Commission pursuant to the subparagraph of Rule 424(b) under the Act specified in such certificate on the date specified therein;

(iii) to the knowledge of such officers, no stop order suspending the effectiveness of such Market Making Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission, including any notice of objection of the Commission to the use of the Market Making Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act, and no proceeding for that purpose is pending or threatened by the Commission; and

(iv) such officers have carefully examined such Market Making Registration Statement and the Prospectus (and, in the case of an amendment or supplement, such amendment or supplement) and as of the date of such Market Making Registration Statement, amendment or supplement, as applicable, the Market Making Registration Statement and the Prospectus, as amended or supplemented, if applicable, did not include any untrue statement of a material fact and did not omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(f) At the time of effectiveness of any Market Making Registration Statement and concurrently with each time any Market Making Registration Statement or the related Prospectus shall be amended or such Prospectus shall be supplemented, the Company shall (if requested by the Market Maker) furnish the Market Maker and its counsel with the written opinion of counsel for the Company satisfactory to the Market Maker to the effect that:

(i) such Market Making Registration Statement has been declared effective;

(ii) in the case of an amendment to such Market Making Registration Statement, such amendment has become effective under the Act as of the date and time specified in such opinion, if applicable; and in the case of an amendment or supplement to the Prospectus, such amendment or supplement to the Prospectus was filed with the Commission pursuant to the subparagraph of Rule 424(b) under the Act specified in such opinion on the date specified therein;

(iii) to the knowledge of such counsel, no stop order suspending the effectiveness of such Market Making Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission, including notice of any objection of the Commission or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act, and no proceeding for that purpose is pending or threatened by the Commission; and

(iv) such counsel has reviewed such Market Making Registration Statement and the Prospectus (and, in the case of an amendment or supplement, such amendment or

19

supplement) and participated with officers of the Company and independent public accountants for the Company in the preparation of such Market Making Registration Statement and Prospectus (and, in the case of an amendment or supplement, such amendment or supplement) and has no reason to believe that (except for the financial statements and other financial and statistical data contained therein as to which such counsel need express no belief) as of the date of such Market Making Registration Statement, amendment or supplement, as applicable, the Market Making Registration Statement and the Prospectus, as amended or supplemented, if applicable, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(g) At the time of effectiveness of any Market Making Registration Statement and concurrently with each time such Market Making Registration Statement or the related Prospectus shall be amended or such Prospectus shall be supplemented to include audited annual financial information, the Company shall (if requested by the Market Maker) furnish the Market Maker and its counsel with letters of (i) KPMG LLP (or other independent public accountants for the Company or the Guarantors of nationally recognized standing) (ii) CohnReznick LLP and (iii) Deloitte & Touche LLP, in form satisfactory to the Market Maker, addressed to the Market Maker and dated the date of delivery of such letter, (i) confirming that they are independent public accountants within the meaning of the Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission and (ii) in all other respects, substantially in the form of the letters delivered to the Initial Purchasers pursuant to the Purchase Agreement, with, in the case of an amendment or supplement that includes audited financial information, such changes as may be necessary to reflect the amended or supplemented financial information.

(h) The Company and the Guarantors, on the one hand, and the Market Maker, on the other hand, hereby agree to indemnify each other, and, if applicable, contribute to the other, in accordance with Section 8 of this Agreement.

(i) The Company and the Guarantors will comply with the provisions of this Section 6 at their own expense and will reimburse the Market Maker for its expenses associated with this Section 6 (including reasonable fees of counsel for the Market Maker).

(j) The agreements contained in this Section 6 and the representations, warranties and agreements contained in this Agreement shall survive all offers and sales of the Securities and New Securities and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party.

(k) For purposes of this Section 6, (i) any reference to the terms “amend,” “amendment” or “supplement” with respect to any Market Making Registration Statement or the Prospectus contained therein shall be deemed to refer to and include the filing under the Exchange Act of any document deemed to be incorporated therein by

7. Registration Expenses. The Company and the Guarantors shall bear all expenses incurred in connection with the performance of their respective obligations under Sections 2, 3, 5 and 6 hereof and, in the event of any Shelf Registration Statement, will reimburse the Holders for the reasonable fees and disbursements of one firm or counsel designated by the Majority Holders to act as counsel for the Holders in connection therewith, and, in the case of any Exchange Offer Registration Statement, will reimburse the Initial Purchasers for the reasonable fees and disbursements of counsel acting in connection therewith.

8. Indemnification and Contribution. (a) Each of the Company and the Guarantors agrees, jointly and severally, to indemnify and hold harmless each Holder of Securities or New Securities, as the case may be, covered by any Registration Statement (including each Initial Purchaser, the Market Maker and, with respect to any Prospectus delivery as contemplated in Section 5(h) hereof, each Exchanging Dealer), the directors, officers, employees and agents of each such Holder and each Person who controls any such Holder within the meaning of either the Act or the Exchange Act against any and all Losses, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any Market Making Registration Statement as originally filed or in any amendment thereof, or in any preliminary Prospectus or the Prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however*, that the Company and the Guarantors will not be liable in any case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information or the Market Maker Information furnished to the Company and the Guarantors by or on behalf of any such Holder or the Market Maker specifically for inclusion therein. In addition, the Company and the Guarantors agree to indemnify and hold harmless the Market Maker from and against any and all Losses that arise out of, or are based upon, any breach by the Company and the Guarantors of their respective representations, warranties and agreements contained in Section 6 hereof. This indemnity agreement will be in addition to any liability which the Company and the Guarantors may otherwise have.

(b) Each of the Company and the Guarantors also agrees, jointly and severally, to indemnify or contribute as provided in Section 8(e) to Losses of each underwriter of any Securities or New Securities, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees or agents and each Person who controls such underwriter on substantially the same basis as that of the indemnification of the Initial Purchasers and the selling Holders provided in this Section 8(a) and shall, if requested by any Holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 5(p) hereof.

(c) With respect to any untrue statement or omission of material fact made in any preliminary Prospectus, the indemnity agreement contained in this Section 8(a) shall not inure to

the benefit of any indemnified person from whom the person asserting any such loss, claim, damage or liability purchased the securities concerned, to the extent that any such loss, claim, damage or liability of such indemnified person occurs under the circumstance where it shall have been determined by a court of competent jurisdiction by final and non-appealable judgment that (w) the Company had previously furnished copies of the preliminary Prospectus to such indemnified person, (x) delivery of the final Prospectus was required by the Act to be made to such person, (y) the untrue statement or omission of a material fact contained in the preliminary Prospectus was corrected in the final Prospectus and (z) there was not sent or given to such person, at or prior to the written confirmation of the sale of such securities to such person, a copy of the final Prospectus.

(d) Each Holder of securities covered by a Registration Statement (including each Initial Purchaser and, with respect to any Prospectus delivery as contemplated in Section 5(h) hereof, each Exchanging Dealer) severally agrees to indemnify and hold harmless the Company, each Guarantor, each of their respective directors, each of their respective officers who signs such Registration Statement and each Person who controls the Company and the Guarantors within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and the Guarantors to each such Holder, but only with reference to written information relating to such Holder furnished to the Company and the Guarantors by or on behalf of such Holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any such Holder may otherwise have.

(e) The Market Maker agrees to indemnify and hold harmless the Company, each Guarantor, each of their respective directors, each of their respective officers who signs any Market Making Registration Statement and each Person who controls the Company and the Guarantors within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and the Guarantors to the Market Maker, but only with respect to any Losses which arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any Market Maker’s Information furnished to the Company and the Guarantors in writing by the Market Maker specifically for inclusion in such Market Making Registration Statement and any Prospectus. This indemnity agreement will be in addition to any liability which any Market Maker may otherwise have.

(f) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a), (b) or (c) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a), (b) or (c) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party’s choice at the indemnifying party’s expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by

the indemnified party or parties except as set forth below); *provided, however*, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party’s election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall

authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. Any such separate counsel (w) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by the Representatives, (x) for any Market Maker, its affiliates, directors and officers and any control Persons of such Market Maker shall be designated in writing by the respective Market Maker, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(g) In the event that the indemnity provided in paragraph (a), (b) or (c) of this Section is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party shall have a joint and several obligation to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively “*Losses*”) to which such indemnified party may be subject in such proportion as is appropriate to reflect the relative benefits received by such indemnifying party, on the one hand, and such indemnified party, on the other hand, from the Initial Placement and the Registration Statement which resulted in such Losses; *provided, however*, that in no case shall any Initial Purchaser or any subsequent Holder of any Security or New Security be responsible, in the aggregate, for any amount in excess of the total fees received by such Initial Purchaser or subsequent Holder in connection with the purchase of such Security, or in the case of a New Security, applicable to the Security that was exchangeable into such New Security, nor shall any underwriter be responsible for any amount in excess of the underwriting discount or commission applicable to the securities purchased by such underwriter under the Registration Statement which resulted in such Losses; *provided, further*, that in no case shall the Market Maker be required to contribute any amount in excess of the amount by which the total price at which the Securities sold by the Market Maker exceeds the amount of any damages that the Market Maker has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. If the allocation

23

provided by the immediately preceding sentence is unavailable for any reason, the indemnifying party and the indemnified party shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of such indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the sum of (x) the total net proceeds from the Initial Placement (before deducting expenses) and (y) the total amount of additional interest which the Company was not required to pay as a result of registering the securities covered by the Registration Statement which resulted in such Losses. Benefits received by the Initial Purchasers (including the Market Maker) shall be deemed to be equal to the total fees received by the Initial Purchasers pursuant to Section 2 of the Purchase Agreement, and benefits received by any other Holders shall be deemed to be equal to the value of receiving Securities or New Securities, as applicable, registered under the Act. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth on the cover page of the Prospectus forming a part of the Registration Statement which resulted in such Losses. Relative fault shall be determined by reference to, among other things, whether any alleged untrue statement or omission relates to information provided by the indemnifying party, on the one hand, or by the indemnified party, on the other hand, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The parties agree that it would not be just and equitable if contribution were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (e), no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each Person who controls a Holder within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of such Holder shall have the same rights to contribution as such Holder, and each Person who controls the Company or any of the Guarantors within the meaning of either the Act or the Exchange Act, each officer of the Company or any of the Guarantors who shall have signed the Registration Statement and each director of the Company or any of the Guarantors shall have the same rights to contribution as the Company and the Guarantors, subject in each case to the applicable terms and conditions of this paragraph (e).

(h) The provisions of this Section 8 will remain in full force and effect, regardless of (i) the termination of this Agreement, (ii) any investigation made by or on behalf of the Market Maker, any Holder, the Company or the Guarantors or any of the officers, directors or controlling Persons referred to in this Section hereof, (iii) acceptance of any of the New Securities, and (iv) any sale by a Holder or the Market Maker of securities covered by a Registration Statement (including a Market Making Registration Statement).

9. Underwritten Registrations. (a) If any of the Securities or New Securities, as the case may be, covered by any Shelf Registration Statement are to be sold in an underwritten offering, the Managing Underwriters shall be selected by the Majority Holders.

(b) No Person may participate in any underwritten offering pursuant to any Shelf Registration Statement, unless such Person (i) agrees to sell such Person’s Securities or New

24

Securities, as the case may be, on the basis reasonably provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements; and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

10. No Inconsistent Agreements. Neither the Company nor the Guarantors have, as of the date hereof, entered into, nor shall they, on or after the date hereof, enter into, any agreement with respect to their securities that is inconsistent with the rights granted to the Market Maker or the Holders herein or otherwise conflicts with the provisions hereof.

11. Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, qualified, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company and the Guarantors have obtained the written consent of the Majority Holders and, with respect to the provisions of Section 6 and 7, the Market Maker; *provided* that with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Company and the Guarantors shall obtain the written consent of each such Initial Purchaser against which such amendment, qualification, supplement, waiver or consent is to be effective. Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose Securities or New Securities, as the case may be, are being sold pursuant to a Registration Statement and that does not directly or indirectly affect the rights of other Holders may be given by Holders representing a majority of the aggregate principal amount of Securities or New Securities, as the case may be, being sold rather than registered under such Registration Statement, voting together as a single class.

12. Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telex, telecopier or air courier guaranteeing overnight delivery:

(a) if to a Holder, at the most current address given by such Holder to the Company in accordance with the provisions of this Section, which address initially is, with respect to each Holder, the address of such Holder maintained by the Registrar under the Indenture, with a copy in like manner to Citigroup Global Markets Inc.;

(b) if to you, initially at the address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 12;

(c) if to a Market Maker, initially at Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013 (fax no.: (212) 816-7912), Attention: General Counsel, as applicable, and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 12; and

25

(d) if to the Company or any of the Guarantors, initially at the Company's address set forth in the Purchase Agreement, and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 12.

All such notices and communications shall be deemed to have been duly given when received.

The Initial Purchasers or the Company by notice to the other parties may designate additional or different addresses for subsequent notices or communications.

13. Successors. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties, including, without the need for an express assignment or any consent by the Company or any of the Guarantors thereto, subsequent Holders of Securities and the New Securities. The Company and the Guarantors hereby agree to extend the benefits of this Agreement to any Holder of Securities and the New Securities, and any such Holder may specifically enforce the provisions of this Agreement as if an original party hereto.

14. Counterparts. This Agreement may be in signed counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

15. Headings. The headings used herein are for convenience only and shall not affect the construction hereof.

16. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed in the State of New York.

17. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

18.
