**Item 1.01 Entry into a Material Definitive Agreement**

**5.875% Senior Subordinated Notes due 2026, 6.375% Senior Subordinated Notes due 2024 and Indenture**

On November 8, 2016, AMC Entertainment Holdings, Inc. (the "Company"), issued \$595,000,000 aggregate principal amount of its 5.875% Senior Subordinated Notes due 2026 (the "Dollar Notes") and £250,000,000 of its 6.375% Senior Subordinated Notes due 2024 (the "Sterling Notes") and together with the Dollar Notes, the "Notes") each pursuant to an indenture, dated as of November 8, 2016 among the Company, the guarantors named therein and U.S. Bank National Association, as trustee (the "Indenture"). The Indenture provides that the Notes are general unsecured senior subordinated obligations of the Company and are fully and unconditionally guaranteed on a joint and several senior subordinated unsecured basis by all of the Company's existing and future subsidiaries that guarantee the Company's other indebtedness.

The Dollar Notes mature on November 15, 2026 and the Sterling Notes mature on November 15, 2024. The Company will pay interest on the Dollar Notes at 5.875% per annum, semi-annually in arrears on May 15 and November 15, commencing on May 15, 2017. The Company will pay interest on the Sterling Notes at 6.375% per annum, semi-annually in arrears on May 15 and November 15, commencing on May 15, 2017.

The Company may redeem some or all of the Dollar Notes at any time on or after November 15, 2021, at the redemption prices set forth in the Indenture. In addition, the Company may redeem up to 35% of the aggregate principal amount of the Dollar Notes using net proceeds from certain equity offerings completed on or prior to November 15, 2019 at a redemption price as set forth in the Indenture. The Company may redeem some or all of the Dollar Notes at any time prior to November 15, 2021 at a redemption price equal to 100% of their aggregate principal amount and accrued and unpaid interest to, but not including, the date of redemption, plus an applicable make-whole premium.

The Company may redeem some or all of the Sterling Notes at any time on or after November 15, 2019, at the redemption prices set forth in the Indenture. In addition, the Company may redeem up to 35% of the aggregate principal amount of the Sterling Notes using net proceeds from certain equity offerings completed on or prior to November 15, 2019 at a redemption price as set forth in the Indenture. The Company may redeem some or all of the Sterling Notes at any time prior to November 15, 2019 at a redemption price equal to 100% of their aggregate principal amount and accrued and unpaid interest to, but not including, the date of redemption, plus an applicable make-whole premium.

The Dollar Notes and the Sterling Notes are being issued in connection with the pending acquisitions by the Company of Odeon & UCI Cinemas Holdings Limited (the "Odeon Acquisition") and Carmike Cinemas, Inc. (the "Carmike Acquisition"). In the event that the Odeon Acquisition is not completed on or prior to February 28, 2017, or if prior to such date, the Odeon Acquisition is terminated, subject to certain conditions, the Company will be required to redeem the Sterling Notes at a redemption price equal to the initial offering price of the Sterling Notes plus accrued and unpaid interest to, but not including, the redemption date. In the event neither the Odeon Acquisition nor the Carmike Acquisition is completed on or prior to June 30, 2017, or if prior to such date, the Carmike Acquisition is terminated, subject to certain conditions, we will be required to redeem the Dollar Notes at a redemption price equal to the initial offering price of the Dollar Notes plus accrued and unpaid interest to, but not including, the redemption date.

The Indenture contains covenants that limit the Company's (and its restricted subsidiaries') ability to, among other things: (i) incur additional indebtedness, including additional senior indebtedness; (ii) pay dividends on or make other distributions in respect of its capital stock; (iii) purchase or redeem capital stock; (iv) create liens ranking pari passu in right of payment with or subordinated in right of payment to Notes, (v) enter into certain transactions with its affiliates; and (vi) merge or consolidate with other companies or transfer all or substantially all of its assets. These covenants are subject to a number of important limitations and exceptions. The Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately.

The foregoing description of the Indenture is not intended to be complete and is qualified in its entirety by reference to the Indenture, a copy of which is attached hereto as Exhibit 4.1, and incorporated herein by reference.

#### **Registration Rights Agreement**

On November 8, 2016, in connection with the issuance of the Notes, the Company entered into a registration rights agreement (the "Registration Rights Agreement") with Citigroup Global Markets Inc., as representative of the initial purchasers of the Notes.

Subject to the terms of the Registration Rights Agreement, among other things, within 270 days after the issue date of the Notes, the Company will file one or more registration statements pursuant to the Securities Act of 1933, as amended, relating to notes (the "Exchange Notes") having substantially identical terms as the Notes as part of offers to exchange freely tradable Exchange Notes for Notes and will use its commercially reasonable efforts to cause the registration statement(s) to become effective within 365 days after the issue date of the Notes.

If the Company fails to meet these requirements, among others, (such event, a "Registration Default") a special interest rate will accrue on the principal amount of Notes from and including the date on which such Registration Default shall occur to the date such Registration Default has been cured. Special interest will accrue at a rate of \$0.192 per week per \$1,000 principal amount of Notes.

The foregoing description of the Registration Rights Agreement is not intended to be complete and is qualified in its entirety by reference to the Registration Rights Agreement, a copy of which is attached hereto as Exhibit 4.2, and incorporated herein by reference.

#### **Amendment to Credit Agreement**

On November 8, 2016, the Company entered into that certain Second Amendment to Credit Agreement (the "Second Amendment") amending that certain Credit Agreement dated as of April 30, 2013 (the "Senior Secured Credit Agreement", as amended by that certain First Amendment to Credit Agreement, dated as of December 11, 2015 (the "Existing Credit Agreement", and as further amended by the Second Amendment, the "Amended Credit Agreement")), by and among the Company, the Additional Lender party thereto and Citicorp North America, Inc., as administrative agent.

The Second Amendment provides for the incurrence of up to \$500 million of 2016 Incremental Term Loans (the "Incremental Term Loans") under the Amended Credit Agreement. In addition the Second Amendment, among other things, (a) decreases the applicable margin for the existing term loans under the Existing Credit Agreement (the "Existing Term Loans") from 2.25% with respect to base rate borrowings to 2.00% and 3.25% with respect to LIBOR borrowings to 2.75%, (b) reduces the applicable floor with respect to base rate borrowings to 1.00% and with respect to LIBOR borrowings to 0% and (c) makes certain amendments in respect of the financial covenant applicable to the Revolving Credit Facility and negative covenants applicable to the Senior Secured Credit Facility. The Amended Credit Agreement requires that any prepayment in connection with a repricing of (a) the Existing Term Loans made within six months of the closing date of the Second Amendment or (b) the Incremental Term Loans within six months from the date on which available commitments of the relevant lenders in respect of the Incremental Term Loans are reduced to zero, shall be subject to a 1.00% premium on the amount of Term Loans prepaid. The proceeds of the Incremental Term Loans shall be used by the Company to finance, in part, the Odeon Acquisition and the Carmike Acquisition, as applicable, and to pay costs, fees and expenses related thereto and for working capital and general corporate purposes.

All obligations under the Amended Credit Agreement continue to be guaranteed by substantially all of the Company's wholly-owned domestic subsidiaries. All obligations under the Amended Credit Agreement, and the guarantees of those obligations (as well as certain cash management obligations and interest rate hedging or other swap agreements), are secured by substantially all of the Company's personal property and by mortgages on the Company's material owned real property as well as those assets of each subsidiary guarantor.

Subject to Section 2.03, the Trustee shall authenticate the Dollar Notes for original issue on the Issue Date in the aggregate principal amount of \$595,000,000 and the Sterling Notes for original issue on the Issue Date in the aggregate principal amount of £250,000,000. With respect to any Securities issued after the Issue Date (except for Securities authenticated and delivered upon registration of transfer of or in exchange for, or in lieu of, Initial Securities pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A), there shall be established in or pursuant to a resolution of the Board of Directors, and subject to Section 2.03, set forth, or determined in the manner provided in an Officers’ Certificate, or established in one or more indentures supplemental hereto, prior to the issuance of such Securities:

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or transfer agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar, Paying Agent or transfer agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or transfer agent.

**Section 2.05. Paying Agent To Hold Money in Trust.** Prior to each due date of the principal and interest on any Security, the Company shall deposit with the Paying Agent for such Security a sum sufficient to pay such principal and interest so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal or interest on the Securities and shall notify the Trustee of any default by the Company or any Guarantor in making any such payment. If the Company or a domestic Wholly Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section, the Paying Agent (if other than the Company or a domestic Wholly Owned Subsidiary) shall have no further liability for the money delivered to the Trustee.

---

**Section 2.06. Holder Lists.** The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Company on its own behalf and on the behalf of each of the Guarantors shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company and the Guarantors shall otherwise comply with TIA Section 312(a).

**Section 2.07. Replacement Securities.** If a mutilated security is surrendered to a Registrar or if the Holder of a Security claims that such Security has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent for such Security, the Registrar for such Security and any co-registrar from any loss which any of them may suffer if a Security is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Security.

Every replacement Security is an additional obligation of Company.

**Section 2.08. Outstanding Securities.** Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Security is held by a protected purchaser.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, and such Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

**Section 2.09. Temporary Securities.** Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Securities and deliver them in exchange for temporary Securities. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Securities representing an equal principal amount of Securities. Until so exchanged, the Holder of temporary Securities shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Securities.

**Section 2.10. Cancellation.** The Company at any time may deliver Securities to the Trustee for cancellation. Any Registrar and any Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else

25

shall cancel (subject to the record retention requirements of the Exchange Act) all Securities surrendered for registration of transfer, exchange, payment or cancellation and deliver cancelled Securities to the Company upon a written direction of the Company. Except as expressly permitted herein, the Company may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation.

If the Company or any Guarantor acquires any of the Securities, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Securities unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Securities to replace Securities it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Securities.

At such time as all beneficial interests in a Global Security have either been exchanged for definitive Securities, transferred, redeemed, repurchased or canceled, such Global Security shall be returned by the Securities Custodian with respect to such Global Security to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for definitive Securities, transferred in exchange for an interest in another Global Security, redeemed, repurchased or canceled, the principal amount of Securities represented by such Global Security shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Security) with respect to such Global Security, by the Trustee or the Securities Custodian, to reflect such reduction.

**Section 2.11. Defaulted Interest.** If the Company defaults in a payment of interest on the Securities, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate borne by the Securities to the extent lawful) in any lawful manner. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date (not less than 30 days after such notice) of the proposed payment (the “*Special Interest Payment Date*”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “*Special Record Date*”) for the payment of such defaulted interest, which date shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.02, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Securities (or their respective predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable.

The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

26

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

**Section 2.12. CUSIP Numbers, Common Codes or ISINs.** The Company in issuing the Securities may use “CUSIP” numbers, “Common Codes” or “ISINs” (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “Common Codes” or “ISINs” in notices of redemption as a convenience to Holders; *provided, however,* that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “Common Code” or “ISIN” that appears on any Security, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, Common Code or ISIN.

**Section 2.13. Computation of Interest.** Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

## ARTICLE III

### Redemption

**Section 3.01. Notices to Trustee.** If the Company elects to redeem Securities pursuant to paragraph 6 of the Securities, it shall notify the Trustee in writing of the redemption date, the principal amount of Securities to be redeemed, the redemption price and that such redemption is being made pursuant to paragraph 6 of the Securities. If the Company is required to redeem Securities pursuant to paragraph 5 of the Securities, it shall notify the Trustee as required therein.

The Company shall give notice to the Trustee provided for in this Section 3.01 at least 45 days but not more than 60 days before the redemption date unless the Trustee consents to a shorter period (other than with respect to a mandatory redemption which notice period shall be as set forth in paragraph 5 of the Securities). Such notice shall be accompanied by an Officers’ Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

**Section 3.02. Selection of Securities To Be Redeemed.** If less than all the Securities are to be redeemed at any time, not more than 60 days prior to the redemption date, the Trustee or the Registrar, as applicable, shall select the Securities to be redeemed pro rata, by lot or by any other method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate and in accordance with methods generally used at the time of selection by fiduciaries in similar circumstances. The Trustee or the Registrar, as applicable, shall make the selection from outstanding Securities not previously called for redemption. The Trustee or the Registrar, as applicable, may select for redemption portions of the principal of Securities that have denominations larger than \$2,000 and £100,000, as applicable. Securities and portions of them the Trustee or the Registrar, as applicable, selects shall be in amounts of \$2,000 or £100,000, as applicable, or an integral multiple of \$1,000 or £1,000, as applicable, (but in any event not less than \$2,000 or £100,000, as applicable). Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee or the Registrar, as applicable, shall notify the Company promptly of the Securities or portions of Securities to be redeemed.

27

**Section 3.03. Notice of Redemption.** At least 30 days but not more than 60 days before a date for optional redemption of Securities pursuant to paragraph 6 of the Securities, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Securities to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, Euroclear or Clearstream. Notice of any optional redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

The notice shall identify the Securities (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) the name and address of the Paying Agent;
- (d) that Securities called for redemption must be surrendered to the applicable Paying Agent to collect the redemption price;
- (e) if fewer than all the outstanding Securities are to be redeemed, or if a Security is to be redeemed in part only, the identification and principal amounts of the particular Securities (or portion thereof) to be redeemed;
- (f) that, unless the Company defaults in making such redemption payment or the applicable Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date; and
- (g) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Securities.

At the Company's written request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section at least 45 days before the redemption date, unless the Trustee consents to a shorter period.

**Section 3.04. Effect of Notice of Redemption.** Once notice of redemption is mailed, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to the applicable Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the date of redemption). Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

28

---

**Section 3.05. Deposit of Redemption Price.** Prior to 10:00 a.m., New York City time or London time, as applicable, on the redemption date, the Company shall deposit with the applicable Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the date of redemption) on all Securities to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Company to the Trustee for cancellation.

**Section 3.06. Securities Redeemed in Part.** Upon surrender and cancellation of a Security that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

## ARTICLE IV

### Covenants

**Section 4.01. Payment of Securities.** The Company shall promptly pay the principal of, premium, if any, and interest on the Securities, in immediately available funds, on the dates and in the manner provided in the Securities and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if on such date the Trustee or the applicable Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the applicable Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Company shall pay interest on overdue principal at the rate specified therefore in the Securities, and it shall pay interest on overdue installments of interest at the rate borne by the Securities to the extent lawful.

The Company and the Guarantors will pay any present or future stamp, court or documentary taxes or any other excise or property taxes, charges or similar levies that arise in any jurisdiction from the execution, delivery, enforcement or registration of the Securities, the Subsidiary Guarantees, this Indenture or any other document or instrument in relation thereof, or the receipt of any payments with respect to the Securities or the Subsidiary Guarantees, excluding such taxes, charges or similar levies imposed by any jurisdiction outside of the United States, the jurisdiction of incorporation of any successor of the Company or any Guarantor or any jurisdiction in which a Paying Agent is located, other than those resulting from, or required to be paid in connection with, the enforcement of the Securities, the Subsidiary Guarantees or any other such document or instrument following the occurrence of any Event of Default with respect to the Securities. The Company or the Guarantors will indemnify the Holders for any such taxes paid by such Holders.

**Section 4.02. Corporate Existence.** Subject to Article Five, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect the corporate existence and corporate power and authority of the Company and each Subsidiary; *provided, however*, that the Company shall not be required to preserve any such corporate existence and corporate power and authority if the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries taken as a whole.

**Section 4.03. Payment of Taxes and Other Claims.** The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent,

29

---

(a) all material taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or upon the income, profits or property of the Company or any Subsidiary; and

(b) all material lawful claims for labor, materials and supplies, which, if unpaid, might by law become a Lien upon the property of the Company or any Subsidiary that could produce a material adverse effect on the consolidated financial condition of the Company; *provided, however*, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

**Section 4.04. Maintenance of Properties.** The Company will cause all properties owned by the Company or any Subsidiary or used or held for use in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times, except, in every case, as and to the extent that the Company may be prevented by fire, strikes, lockouts, acts of God, inability to obtain labor or materials, governmental restrictions, enemy action, civil commotion or unavoidable casualty or similar causes beyond the control of the Company; *provided, however*, that nothing in this Section 4.04 shall prevent the Company from discontinuing the maintenance of any such properties if such discontinuance is, in the judgment of the Company, desirable in the conduct of its business or the business of any Subsidiary and not disadvantageous in any material respect to the Holders.

**Section 4.05. Limitation on Consolidated Indebtedness.**

(a) The Company shall not, and shall not permit any of its Subsidiaries to, Incur any Indebtedness unless after giving effect to such event on a pro forma basis, the Company's Consolidated EBITDA Ratio for the four full fiscal quarters immediately preceding such event for which internal financial statements are available, taken as one period, is greater than or equal to 2.00 to 1.00 (such condition not being applicable to the Incurrence of Permitted Indebtedness).

(b) For purposes of determining compliance with this Section 4.05, in the event that an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of Permitted Indebtedness or is entitled to be Incurred pursuant to the ratio set forth in Section 4.05(a) hereof, the Company is entitled to Incur such Indebtedness in part under any combination thereof, and the Company shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 4.05; *provided* that all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed to have been incurred on the Issue Date pursuant to clause (2) of the definition of "Permitted Indebtedness" and the Company shall not be permitted to later reclassify all or any portion of such Indebtedness outstanding on the Issue Date under the Credit Agreement.

(c) Accrual of interest, the accretion of accreted value, amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Company, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, the accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (iii) of the definition of "Indebtedness" will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant. Guarantees of, or obligations in respect of

letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided, however*, that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.05.

**Section 4.06. Limitation on Restricted Payments.**

(a) The Company shall not, and shall not permit its Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend on, or make any distribution in respect of, any shares of the Company's or any Subsidiary's Capital Stock (excluding dividends or distributions payable in shares of the Company's Capital Stock or in options, warrants or other rights to purchase such Capital Stock, but including dividends or distributions payable in Redeemable Capital Stock or in options, warrants or other rights to purchase Redeemable Capital Stock (other than dividends on such Redeemable Capital Stock payable in shares of such Redeemable Capital Stock)) held by any Person other than the Company or any of its Wholly Owned Subsidiaries; or

(ii) purchase, redeem or acquire or retire for value any Capital Stock of the Company or any Affiliate thereof (other than any Wholly Owned Subsidiary of the Company and except for investments in Capital Stock of entities which are or become Affiliates as a result of the Company's ownership of equity interests in such entities) or any options, warrants or other rights to acquire such Capital Stock;

(such payments or any other actions described in (i) and (ii) above are collectively referred to as "*Restricted Payments*") unless at the time of and after giving effect to the proposed Restricted Payment (the amount of any such Restricted Payment, if other than cash, as determined by the Board of Directors, whose determination shall be conclusive and evidenced by a Board Resolution): (A) no Default or Event of Default shall have occurred and be continuing; (B) the Company could incur \$1.00 of additional Indebtedness (other than Permitted Indebtedness) under the provisions of Section 4.05; and (C) the aggregate amount of all Restricted Payments (other than Restricted Payments permitted by Section 4.06(b)(iv), (v), (vii) and (viii)) declared or made after January 1, 2014 (including the proposed Restricted Payment) does not exceed the sum of:

(2) the aggregate net proceeds, including the Fair Market Value of property other than cash (as determined by the Board of Directors, whose determination shall be conclusive, except that for any property whose Fair Market Value exceeds \$25.0 million such Fair Market Value shall be confirmed by an independent appraisal obtained by the Company), received after January 1, 2014, by the Company from a contribution of its common equity capital or the issuance or sale (other than to any of its Subsidiaries) of shares of Capital Stock of the Company (other than Redeemable Capital Stock) or warrants, options or rights to purchase such shares of Capital Stock; *plus*

(3) the aggregate net proceeds, including the Fair Market Value of property other than cash (as determined by the Board of Directors, whose determination shall be conclusive, except that for any property whose Fair Market Value exceeds \$25.0 million such Fair Market Value shall be confirmed by an independent appraisal obtained by the Company), received after January 1, 2014, by the Company from debt securities that have been converted into or exchanged for Capital Stock of the

(4) \$350.0 million.

(b) Notwithstanding Section 4.06(a), the Company or any of its Subsidiaries may:

  - (D) general corporate operating and overhead costs and expenses of any parent entity to the extent such costs and expenses are directly or indirectly attributable to the ownership or operation of the Company and its Subsidiaries, including the Company's proportionate share of the expenses relating to any parent entity being a public company; and
  - (E) customary salary, bonus and other benefits payable to officers, directors and employees of any parent entity to the extent such salaries, bonuses and other benefits are directly or indirectly attributable to the ownership or operation of the Company and its Subsidiaries, including the Company's proportionate share of such amounts relating to any parent entity being a public company, including directors' fees;
- (vi) the payment of dividends on the Company's common stock (or a Restricted Payment to any direct or indirect parent of the Company to fund the payment by such direct or indirect parent of the Company of dividends on such entity's common stock) of up to 6% per annum of the net proceeds received by the Company from any public offering of common stock of the Company or any direct or indirect parent of the Company, including without

limitation the initial public offering of the Company's Class A common stock completed on December 23, 2013, other than public offerings with respect to the Company's (or such direct or indirect parent's) common stock registered on Form S-4 or Form S-8;

- (vii) the purchase, redemption or other acquisition or retirement for value of any Capital Stock of the Company or any parent entity held by any current or former employee, director or consultant of the Company, any parent entity or any of the Company's Subsidiaries (or any permitted transferee of any of the foregoing) pursuant to any management equity subscription agreement, stock option agreement, stock plan or similar agreement; *provided* that the aggregate price paid for all such purchased, redeemed, acquired or retired Capital Stock may not exceed \$7.5 million in any 12-month period (with unused amounts in any 12-month period after the Issue Date, being carried over to succeeding 12-month periods subject to a maximum carry-over amount of \$15.0 million (without giving effect to the following proviso)); *provided further* that such amount in any calendar year may be increased by an amount not to exceed:
  - (A) the cash proceeds from the sale of Capital Stock (other than Redeemable Capital Stock) of the Company and, to the extent contributed to the Company, Capital Stock of any parent entity, in each case to current or former employees, directors or consultants of the Company, any parent entity or any of the Company's Subsidiaries that occurs after the Issue Date, to the extent the cash proceeds from the sale of such Capital Stock have not otherwise been applied to the payment of Restricted Payments by virtue of clause (c)(ii) of the preceding paragraph; plus
  - (B) the cash proceeds of key man life insurance policies received by the Company, its Subsidiaries and to the extent contributed to the Company, any parent entity or the Company after the Issue Date; less
  - (C) the amount of any Restricted Payments made in any prior calendar year pursuant to clauses (a) and (b) of this clause (vii); and
- (viii) make other Restricted Payments in an aggregate amount not to exceed \$450.0 million.

**Section 4.07. Limitation on Liens.** The Company will not and will not permit any Guarantor to create, incur, assume or otherwise cause or suffer to exist or become effective any Lien (other than Permitted Liens) of any kind securing Indebtedness ranking *pari passu* in right of payment with or subordinated in right of payment to the Securities or such Guarantor's Guarantee, as the case may be, upon any of their property or assets (including Capital Stock of Subsidiaries of the Company), now owned or hereafter acquired, unless contemporaneously with the incurrence of such Lien effective provision is made to secure the Obligations due under the Indenture and the Securities or, in respect any Lien on any Guarantor's property or assets, any Guarantee of such Guarantor, (i) in the case of Liens securing Indebtedness that is *pari passu* in right of payment with the Securities or any Subsidiary Guarantee, on an equal and ratable basis with (or, if the Company so elects, on a senior basis to) the obligations so secured until

such time as such obligations are no longer secured by a Lien and (ii) in the case of Liens securing Indebtedness that is expressly subordinated in right of payment to the Securities or any Guarantee, on a senior basis to the obligations so secured with the same relative priority as the Securities or such Guarantee, as the case may be, will have to that subordinated Indebtedness until such time as such obligations are no longer secured by a Lien. The foregoing restriction shall not apply to Liens securing Senior Indebtedness of the Company or any Guarantor.

Any Lien created for the benefit of Holders of the Securities pursuant to this Section 4.07 shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (i) and (ii) in the preceding paragraph.

**Section 4.08. Limitation on Transactions with Affiliates**

(a) The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, enter into or suffer to exist any transaction or series of related transactions (including, without limitation, the sale, purchase, exchange or lease of assets, property or services) with any Affiliate of the Company (other than a Wholly Owned Subsidiary of the Company) involving aggregate consideration in excess of \$25.0 million, unless: (i) such transaction or series of transactions is on terms that are no less favorable to the Company or such Subsidiary, as the case may be, than would be available at the time of such transaction or series of transactions in a comparable transaction in an arm's-length dealing with an unaffiliated third party; (ii) such transaction or series of transactions is in the best interests of the Company; and (iii) with respect to a transaction or series of transactions involving aggregate payments equal to or greater than \$75.0 million, a majority of disinterested members of the Board of Directors determines that such transaction or series of transactions complies with clauses (i) and (ii) above, as evidenced by a Board Resolution.

(b) Notwithstanding the foregoing limitation, the Company and its Subsidiaries may enter into or suffer to exist the following:

(i) any transaction pursuant to any contract in existence on the Issue Date;

(ii) any Restricted Payment permitted to be made pursuant to the provisions of Section 4.06;

(iii) any transaction or series of transactions between the Company and one or more of its Subsidiaries or between two or more of its Subsidiaries (*provided* that no more than 5% of the equity interest in any such Subsidiary is owned, directly or indirectly (other than by direct or indirect ownership of an equity interest in the Company), by any Affiliate of the Company other than a Subsidiary);

(iv) the payment of compensation (including amounts paid pursuant to employee benefit plans) for the personal services of officers, directors and employees of the Company or any of its Subsidiaries; and

(v) the existence of, or the performance by the Company or any of its Subsidiaries of its obligations under the terms of, any agreements that are described in the Company's Annual Report on Form 10-K for the year ended December 31, 2015 and any amendments thereto; *provided, however*, that the existence of, or the performance by the Company or any of its Subsidiaries of its obligations under, any future amendment to such agreements shall only be permitted by this clause (v) to the extent that the terms of any such amendment, taken as a whole, are not more disadvantageous to the Holders of the Securities in any material respect than the terms of such agreements in effect on the Issue Date.

**Section 4.09. Limitation on Senior Subordinated Indebtedness**. The Company will not Incur any Indebtedness that is subordinate or junior in right of payment to any Senior Indebtedness and senior in right of payment to the Securities. No Guarantor will Incur any Indebtedness that is subordinate or junior in right of payment to any Senior Indebtedness of such Guarantor and senior in right of payment to such Guarantor's Subsidiary Guarantee.

**Section 4.10. Future Guarantors**. After the Issue Date, the Company will cause each Subsidiary which guarantees obligations under the Credit Agreement, the Existing Notes or any other Indebtedness of the Company or any Guarantor to execute and deliver to the Trustee a supplemental indenture, within 30 days of the date of such Subsidiary's guarantee of such other Indebtedness, pursuant to which such Guarantor will unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of, premium, if any, interest and Special Interest, if any, on the

Securities on a senior subordinated basis. Each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Subsidiary without rendering the Subsidiary Guarantee as it relates to such Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. Notwithstanding the foregoing, if a Guarantor is released and discharged in full from its obligations under its Guarantees of (a) the Credit Agreement and related documentation and (b) all other Indebtedness of the Company and its Subsidiaries, then the Subsidiary Guarantee of such Guarantor shall be automatically and unconditionally released and discharged.

**Section 4.11. Change of Control**. Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice (that may only be conditional upon the occurrence of such Change of Control) with respect to all the outstanding Securities pursuant to Section 3.03 herein, the Company will be required to make an offer (a "*Change of Control Offer*") to purchase all outstanding Securities at a purchase price (the "*Change of Control Purchase Price*") equal to 101% of their principal amount plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Within 30 days following the date upon which the Change of Control occurred, the Company must send, electronically or by first class mail to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository, Euroclear or Clearstream, a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice will state, among other things, the purchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law (the "*Change of Control Payment Date*"). The Change of Control Offer is required to remain open for at least 20 Business Days and until the close of business on the Change of Control Payment Date.

The Company will not be required to make a Change of Control Offer following a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer, (ii) a notice of redemption to the Holders of the Securities has been given pursuant to the Indenture pursuant to Section 3.03 herein or (iii) in the event that upon the consummation of such Change of Control, the Company defeases or discharges the Securities as provided for under Article Eight herein. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

In the event that the Company makes a Change of Control Offer to purchase the Securities pursuant to this Section 4.11, the Company will comply with any applicable securities laws and regulations, including any applicable requirements of Section 14(e) of, and Rule 14e-1 under, the Exchange Act.

**Section 4.12. Provision of Financial Information.**

(a) The Company shall file with the SEC and provide the Trustee and the Holders with such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such Sections; *provided, however*, that the Company shall not be so obligated to file such information, documents and reports with the SEC if the SEC does

35

---

not permit such filings but shall still be obligated to provide such information, documents and reports to the Trustee and the Holders of the Securities. The Company shall also provide copies of all annual reports and information, documents and other reports, if and for so long as the notes are listed on the Official List of the Exchange, at the offices of the Company.

(b) In addition, unless it is then subject to the reporting requirements of Section 13(d) or 15 of the Exchange Act, the Company will, upon request, furnish to any prospective purchaser of Securities or beneficial owner of Securities in connection with any sale thereof the information required by Rule 144A(d)(4) under the Securities Act, until such time as the Company has either exchanged the Securities for the Exchange Securities or until such time as the Holders thereof have disposed of such Securities pursuant to a Shelf Registration Statement.

**Section 4.13. Statement as to Compliance.** The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the date hereof, a brief certificate of its principal executive officer, principal financial officer or principal accounting officer stating whether, to such officer's knowledge, the Company is in compliance with all covenants and conditions to be complied with by it under this Indenture in accordance with TIA Section 314(a)(4). For purposes of this Section 4.13, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

When a Default has occurred and is continuing or if the Trustee, any Holder or the trustee for or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Company shall deliver to the Trustee an Officers' Certificate specifying such Default, notice or other action within 10 Business Days of its occurrence.

**Section 4.14. Waiver of Certain Covenants.** The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 4.03 to 4.11 and Section 4.12(a), if before the time for such compliance, the Holders of a majority in aggregate principal amount of the Securities at the time outstanding shall, by written direction of such Holders, waive such compliance in such instance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

**Section 4.15. Further Instruments and Acts.** Upon request of the Trustee, the Company shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

**Section 4.16. Payment for Consent.** The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, any payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Securities or any Guarantees in connection with an exchange offer, the Company and any of its Subsidiaries may exclude (i) Holders or beneficial owners of the Securities that are not "qualified institutional buyers" as defined in Rule 144A under the Securities Act, "non-U.S. Persons" as defined in Regulation S under the Securities Act, or institutional "accredited investors" as defined in subparagraphs (a)(1), (2), (3) or (7) of Rule 501 under the Securities Act and (ii) Holders or beneficial owners of the Securities in any jurisdiction (other than the United States) where the inclusion of such Holders or beneficial owners would require the Company

36

---

or any such Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

**ARTICLE V**

**Successor Company**

**Section 5.01. Consolidation.** The Company shall not, in a single transaction or through a series of related transactions, consolidate with or merge with or into any other Person (other than any Wholly Owned Subsidiary) or sell, assign, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person (other than any Wholly Owned Subsidiary) or group of affiliated Persons unless at the time and after giving effect thereto:

(a) either: (i) the Company shall be the continuing corporation; or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance, transfer, lease or disposition the properties and assets of the Company substantially as an entirety (the "*Surviving Entity*") shall be a corporation duly organized and validly existing under the laws of the United States of America, any state thereof or the District of Columbia and shall, in either case, expressly assume all the Obligations of the Company under the Securities and the Indenture;

(b) immediately after giving effect to such transaction on a pro forma basis, no Default or Event of Default shall have occurred and be continuing;

(c) immediately after giving effect to such transaction and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, except in the case of the consolidation or merger of any Subsidiary with or into the Company, the Company (or the Surviving Entity if the Company is not the continuing corporation) will (i) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated EBITDA Ratio set forth in Section 4.05(a) or (ii) have a Consolidated EBITDA Ratio equal to or greater than the Consolidated EBITDA Ratio immediately prior to such transaction;

(d) each Guarantor (unless it is the other party to the transactions above, in which case clause (a)(ii) shall apply) shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations in respect of the Securities outstanding and the Indenture and its obligations under any Registration Rights Agreement shall continue to be in effect.

In connection with any consolidation, merger, transfer or lease contemplated hereby, the Company shall deliver, or cause to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, transfer or lease and the supplemental indenture in respect thereto comply with the provisions described herein and that all conditions precedent herein provided for or relating to such transaction have been complied with.

**Section 5.02. Successor Substituted.** Upon any consolidation or merger or any transfer of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor corporation formed by such a consolidation or into which the Company is merged or to which such transfer is made shall succeed to, shall be substituted for and may exercise every right and power of the Company under the Securities and this Indenture, with the same effect as if such successor corporation had been named as the Company herein. In the event of any transaction (other than a lease) described and listed in Section 5.01 in which the Company is not the continuing corporation, the

37

---

successor Person formed or remaining shall succeed to, be substituted for and may exercise every right and power of the Company, and the Company shall be discharged from all obligations and covenants under the Securities and this Indenture.

38

---

- (h) the Company or any Significant Subsidiary pursuant to or under or within the meaning of any Bankruptcy Law:
  - (i) commences a voluntary case or proceeding;

(j) a Custodian shall be appointed out of court with respect to the Company or any Significant Subsidiary, or with respect to all or any substantial part of the property of the Company or any Significant Subsidiary; and

(k) except as permitted by this Indenture, the Guarantee of any Significant Subsidiary shall be held in any judicial proceeding to be unenforceable or invalid or cease for any reason to be in full force and effect or any Guarantor, or any Person acting on behalf of any Guarantor, shall deny or disaffirm its obligations under its Subsidiary Guarantee.

“Custodian” means any receiver, interim receiver, receiver and manager, trustee, assignee, liquidator, sequester or similar official under any Bankruptcy Law or any other person with like powers. “Bankruptcy Order” means any court order made in a proceeding pursuant to or within the meaning of any Bankruptcy Law, containing an adjudication of bankruptcy or insolvency, or providing for liquidation, winding up, dissolution or reorganization, or appointing a Custodian of a debtor or of all or any substantial part of a debtor’s property, or providing for the staying, arrangement, adjustment or composition of indebtedness or other relief of a debtor.

**Section 6.02. Acceleration; Rescission and Annulment.**

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(h), (i) or (j)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than 25% in aggregate principal amount of any series of the Securities outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Securities of such series to be due and payable; *provided, however*, that so long as any Indebtedness permitted to be incurred pursuant to the Credit Agreement shall be outstanding (including letters of credit and bankers’ acceptances), any such acceleration shall not become effective until the earlier of: (i) five (5) Business Days following delivery of written notice to the Company and the agent under the Credit Agreement; and (ii) the acceleration of any such Indebtedness under the Credit Agreement. If an Event of Default specified in Section 6.01(h), (i) or (j) occurs and is continuing, then the principal of, premium, if any, and accrued

39

---

and unpaid interest, if any, on, all the Securities shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Company will deliver to the Trustee, within 10 days after the occurrence thereof, notice of any default or acceleration referred to in Sections 6.01(d) and 6.01(e).

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article, the Holders of a majority in aggregate principal amount of the applicable series of Securities outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:

- (A) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;
- (B) all overdue interest (including Special Interest) on all Securities of such series;
- (C) the principal of (and premium, if any, on) any Securities of such series that have become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Securities of such series; and
- (D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Securities of such series; and

(ii) all Events of Default, other than the non-payment of principal of the Securities of such series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding clause (b) above, in the event of a declaration of acceleration in respect of the Securities of such series because an Event of Default specified in Section 6.01(e) shall have occurred and be continuing, such declaration of acceleration shall be automatically annulled if the Indebtedness that is the subject of such Event of Default (i) is Indebtedness in the form of an operating lease entered into by the Company or its Subsidiaries after May 21, 1998 and required to be reflected on a consolidated balance sheet pursuant to EITF 97-10 or any subsequent pronouncement having similar effect, (ii) has been discharged or the holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness, and (iii) written notice of such discharge or rescission, as the case may be, shall have been given to the Trustee by the Company and countersigned by the holders of such Indebtedness or a trustee, fiduciary or agent for such holders, within 30 days after such declaration of acceleration in respect of the Securities, and no other Event of Default has occurred during such 30-day period which has not been cured or waived during such period.

**Section 6.03. Other Remedies.** If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in

40

---

exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

**Section 6.04. Waiver of Past Defaults.** Subject to Section 6.02, the Holders of a majority in aggregate principal amount of the Securities then outstanding voting together as a single class by notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security, (b) a Default arising from a failure to make or consummate a Change of Control Offer in accordance with the provisions of Section 4.11, or (c) a Default in respect of

a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

**Section 6.05. Control by Majority.** The Holders of a majority in aggregate principal amount of the Securities then outstanding voting together as a single class may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee with respect to the Securities. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; *provided, however,* that subject to Section 315 of the TIA, the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to reasonable indemnification, in its sole discretion, against all losses and expenses caused by taking or not taking such action.

**Section 6.06. Limitation on Suits.** A Holder may not pursue any remedy with respect to this Indenture or the Securities unless:

- (a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of the Securities then outstanding voting together as a single class shall have made a written request, and such Holder or Holders shall have offered, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and
- (c) the Trustee has failed to institute such proceeding and has not received from the Holders of at least a majority in aggregate principal amount of the Securities outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Securities for the enforcement of payment of the principal of or interest on such Security on or after the applicable due date specified in such Security. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

**Section 6.07. Rights of Holders to Receive Payment.** Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the securities held by such Holder, on or after the respective due dates expressed in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

**Section 6.08. Collection Suit by Trustee.** If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an

41

---

express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

**Section 6.09. Trustee May File Proofs of Claim.** The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

**Section 6.10. Priorities.** If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to holders of Senior Indebtedness to the extent required by Article Ten;

THIRD: to Holders for amounts due and unpaid on the securities for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest respectively; and

FOURTH: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

**Section 6.11. Undertaking for Costs.** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Securities.

**Section 6.12. Waiver of Stay or Extension Laws.** The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

## ARTICLE VII

Trustee

**Section 7.01. Duties of Trustee.**

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.
- (b) Except during the continuance of an Event of Default:
- (i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
- (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).
- (c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:
- (i) this subsection (c) does not limit the effect of subsection (b) of this Section;
- (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and
- (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.
- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b) and (c) of this Section.
- (e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.
- (f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.
- (h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the TIA, and the provisions of this Article Seven shall apply to the Trustee in its role as Registrar, Paying Agent and Security Custodian.
- (i) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

**Section 7.02. Rights of Trustee.** Subject to 315(a) through 315(d) of the TIA:

- (a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.
- (b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.
- (c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.
- (d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; *provided, however,* that the Trustee's conduct does not constitute willful misconduct or negligence.
- (e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) that might be incurred by it in compliance with such request or direction.
- (f) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.
- (g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.
- (h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.
- (i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(j) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(k) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

**Section 7.03. Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or

44

---

co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

**Section 7.04. Trustee's Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Securities, it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication.

**Section 7.05. Notice of Defaults.** If a Default or Event of Default occurs and is continuing and if it is known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after it is known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in payment of principal of or interest on any Security, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

**Section 7.06. Reports by Trustee to Holders.** As promptly as practicable after each December 31 beginning with December 31, 2016, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Section 313(b) and (c).

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Securities are listed. The Company agrees to notify promptly the Trustee whenever the Securities become listed on any stock exchange and of any delisting thereof.

**Section 7.07. Compensation and Indemnity.** The Company shall pay to the Trustee and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all documented out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company shall indemnify the Trustee against any and all loss, liability or expense (including documented attorneys' fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, negligence or bad faith. The Company need not pay for any settlement made by the Trustee without the Company's consent, such consent not to be unreasonably withheld. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents, successors and assigns.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities.

The Company's payment obligations pursuant to this Section shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(h), (i) or (j) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

45

---

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

**Section 7.08. Replacement of Trustee.** The Trustee may resign at any time by so notifying the Company. The Holders of a majority in aggregate principal amount of the Securities then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders a majority in aggregate principal amount of the Securities then outstanding and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Securities then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

**Section 7.09. Successor Trustee by Merger.** If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated; any such successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

46

**Section 7.10. Eligibility; Disqualification.** The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$50,000,000 as set forth in its (or its related bank holding company's) most recent published annual report of condition. The Trustee shall comply with TIA Section 310(b), subject to the penultimate paragraph thereof; *provided, however*, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

For purposes of this Section 7.10 and clause (i) of the first proviso contained in TIA Section 310(b); the indenture, dated as of June 5, 2015, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 5.75% Senior Subordinated Notes due 2025; and the indenture, dated as of February 7, 2014, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 5.875% Senior Subordinated Notes due 2022 are hereby deemed to be specifically described.

**Section 7.11. Preferential Collection of Claims Against Company.** The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(6): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

## ARTICLE VIII

### Discharge of Indenture; Defeasance

**Section 8.01. Discharge of Liability on Securities; Defeasance.**

(a) When (i) either (A) all outstanding Securities of a series that have been authenticated (other than Securities of such series replaced pursuant to Section 2.07 and Securities of such series for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered by the Company to the Trustee for cancellation or (B) all outstanding Securities of a series that have not been delivered by the Company to the Trustee for cancellation have become due and payable, whether at Maturity or upon redemption or will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article Three and the Company irrevocably deposits or causes to be deposited with the Trustee funds in trust solely for the benefit of the Holders of Securities of such series, cash in U.S. Dollars, non-callable Government Securities, or a combination thereof, with respect to the Dollar Notes, or cash in Pounds Sterling, certain UK Government Obligations, or a combination thereof, with respect to the Sterling Notes, in such amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on such Securities of such series not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest (including Special Interest, if any) to the date of Maturity or redemption; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Securities of such series; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of such Securities of such series at Maturity or the redemption date, as the case may be, then upon demand of the Company (accompanied by an Officers' Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge

47

of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Securities of such series and the Trustee shall acknowledge satisfaction and discharge of this Indenture with respect to such series of Securities.

(b) Subject to Sections 8.01(c) and 8.02, the Company may, at its option, and at any time elect to terminate (i) all of its and the Guarantors' obligations under the Securities of any series, the Subsidiary Guarantees related to such series and this Indenture with respect to the Securities of such series ("*legal defeasance option*") or (ii) its and the Guarantors' obligations under Section 5.01(c) and Sections 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, and 4.12 and the operation of Section 6.01(c) (with respect to an Event of Default due to a failure to meet obligations under Section 5.01(c)) and Sections 6.01(d), (e), (f) and (g) ("*covenant defeasance option*"). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Securities of the applicable series may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Securities of the applicable series may not be accelerated because of an Event of Default specified in Sections 6.01(d) (with respect to Sections 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12(a) and 5.01(e)), (e), (f) or (g).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding subsections (a) and (b) above, the Company's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.01, 4.02, 4.03, 4.13, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06 shall survive until the Securities have been paid in full. Thereafter, the Company's obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

**Section 8.02. Conditions to Defeasance.** The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article Eight applicable to it) as trust funds in trust for the benefit of the Holders of the Securities of the applicable series, cash in U.S. Dollars, non-callable Government Securities, or a combination thereof, with respect to the Dollar Notes, or cash in Pounds Sterling, certain UK Government Obligations, or a combination thereof, with respect to the Sterling Notes, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee) to pay the principal of (and premium, if any) and interest (including any Special Interest) on the outstanding Securities of the applicable series on the Stated Maturity (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Securities of such series. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Securities of such series at a future date in accordance with Article Three, which notice shall be irrevocable;

(b) No Default or Event of Default shall have occurred and be continuing on the date of such deposit or, insofar as Section 6.01(h), (i) or (j) is concerned, at any time during the period ending on the 91st day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period);

(c) the deposit does not constitute a default hereunder or under any other material agreement binding on the Company and is not prohibited by Article Ten;

48

---

(d) the Company delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940;

(e) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the Securities of the applicable series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(f) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the Securities of the applicable series will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred; and

(g) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the applicable series of Securities as contemplated by this Article Eight have been complied with.

**Section 8.03. Application of Trust Money.**

The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article Eight. It shall apply the deposited money and the money from Government Securities or UK Government Obligations, as applicable, through the applicable Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities. Money and Securities so held in trust are not subject to Article Ten.

**Section 8.04. Repayment to Company.** The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the applicable Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

**Section 8.05. Indemnity for Government Obligations.** The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities or UK Government Obligations, as applicable, or the principal and interest received on such Government Securities or UK Government Obligations, as applicable.

**Section 8.06. Reinstatement.** If the Trustee or applicable Paying Agent is unable to apply any money, Government Securities or UK Government Obligations in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or applicable Paying Agent is permitted to apply all such money, Government Securities or UK Government Obligations in accordance with this Article Eight; *provided, however*, that, if the Company has made any payment of interest on or principal of any Securities because of the

49

---

reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money, Government Securities or UK Government Obligations held by the Trustee or Paying Agent.

**ARTICLE IX**

**Amendments**

**Section 9.01. Without Consent of Holders.** The Company and the Trustee may amend this Indenture or the Securities without notice to or consent of any Holder:

(a) to cure any ambiguity, omission, defect or inconsistency;

(b) to comply with Article Five;

(c) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided, however*, that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of Title 26 of the United States Code or in a manner such that the uncertificated Securities are described in Section 163(f)(2) (B) of Title 26 of the United States Code;

(d) to make any change to Article Ten that would limit or terminate the benefits available to any holder of Senior Indebtedness (or Representatives thereof) under Article Ten;

(e) to add Guarantees with respect to the Securities or to secure the Securities;

(f) to add to the covenants of the Company for the benefit of the Holders or to surrender any right or power herein conferred upon the Company;

(g) to comply with any requirements of the SEC in connection with qualifying, or maintaining the qualification of, this Indenture under the TIA; or

(h) to make any change that does not adversely affect the rights of any Holder.

An amendment under this Section may not make any change that adversely affects the rights under Article Ten of any Holder of Senior Indebtedness then outstanding unless the holders of such Senior Indebtedness (or their Representative) consent to such change.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

**Section 9.02. With Consent of Holders.** The Company and the Trustee may modify or amend this Indenture or the Securities without notice to any Holder but with the written consent of the Holders of not less than a majority in aggregate principal amount of the Securities then outstanding, voting together as a single class (including consents obtained in connection with a tender offer or exchange offer for the Securities); *provided, however*, that if any amendment, waiver or other modification will only affect the Dollar Notes or the Sterling Notes, only the consent of the Holders of at least a majority in aggregate principal amount of the Dollar Notes or Sterling Notes then outstanding (and not the consent of at least a majority in aggregate principal amount of the Securities then outstanding), as the case may be, shall be required. However, without the consent of each Holder affected thereby, a modification or amendment may not:

(a) change the Stated Maturity of the principal of, or any installment of interest (including Special Interest) on, any Security, or reduce the principal amount thereof or the rate of interest

50

---

(including Special Interest, if any) thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Security or any premium or the interest (including Special Interest) thereon is payable, or impair the right to institute suit for the enforcement of any such payment after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date);

(b) reduce the amount of, or change the coin or currency of, or impair the right to institute suit for the enforcement of, the Change of Control Purchase Price;

(c) reduce the percentage in principal amount of the outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture;

(d) modify any of the provisions of this Section or Sections 6.04, 6.07 and 4.13, except to increase the percentage of outstanding Securities the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Security affected thereby; or

(e) modify any of the provisions of this Indenture relating to the subordination of the Securities in a manner adverse to any Holder.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

An amendment under this Section may not make any change that adversely affects the rights under Article Ten of any Holder of Senior Indebtedness then outstanding unless the holders of such Senior Indebtedness (or their Representative) consent to such change.

Notwithstanding anything to the contrary herein, prior to an Odeon Termination Event or a Termination Event, as applicable, any modifications, waivers, amendments, consents or eliminations of any provision under paragraph 5 of the Securities will require the consent of each Holder affected thereby (except for modifications or amendments that (i) cure any ambiguity, omission, mistake, defect, error or inconsistency, (ii) provide additional rights or benefits to the Holders or do not materially adversely affect the legal rights under the Indenture or (iii) conform the text of the Indenture of any such Holder to any provision of the "Description of Notes," in the Offering Memorandum which may be made by the Issuer and the Trustee, as applicable).

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

**Section 9.03. Compliance with Trust Indenture Act.** Every amendment to this Indenture or the Securities shall comply with the TIA as then in effect.

**Section 9.04. Revocation and Effect of Consents and Waivers.** A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every

51

---

Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph or Section 316(c) of the TIA, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date.

For all purposes of this Indenture, all Initial Securities, Additional Securities of the same series, Exchange Securities for the same series of Securities and Private Exchange Securities for the same series of Securities shall vote together as one series of Securities under this Indenture.

**Section 9.05. Notation on or Exchange of Securities.** If an amendment changes the terms of a Security, the Trustee may require the Holder of the Security to deliver such Security to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return such Security to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

**Section 9.06. Trustee To Sign Amendments.** The Trustee shall sign any amendment authorized pursuant to this Article Nine if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it, in its sole discretion, and to receive, in addition to the documents required by Section 13.04 and (subject to Section 7.01) shall be fully protected in relying upon and shall be entitled to receive, an Officers' Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture.

## ARTICLE X

### Subordination

**Section 10.01. Agreement To Subordinate.** The Company covenants and agrees, and each Holder of a Security, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Obligations in respect of the Securities (the "*Securities Obligations*") are hereby expressly made subordinate and postponed to and subject in right of payment as provided in this Article to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness. The Securities shall in all respects rank *pari passu* with the Existing Notes and any future senior subordinated Indebtedness and senior to all existing and future junior subordinated Indebtedness of the Company, and only Senior Indebtedness shall rank senior to the Securities in accordance with the provisions set forth herein. All provisions of this Article Ten shall be subject to Section 10.11.

This Article Ten shall constitute a continuing offer to all Persons who, in reliance upon such Article, become holders of, or continue to hold, Senior Indebtedness, and such provisions are made for

52

---

the benefit of the holders of Senior Indebtedness, and such holders are made obligee hereunder and they or each of them may enforce such provisions.

**Section 10.02. Liquidation, Dissolution, Bankruptcy.** In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to the Company or to its assets, whether voluntary or involuntary from any source, (b) any liquidation, dissolution or other winding-up of the Company, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of the Company, then and in any such event:

(i) the holders of Senior Indebtedness shall receive payment in full in cash or Cash Equivalents of all amounts due on or in respect of all Senior Indebtedness, or provision shall be made for such payment in full in cash or Cash Equivalents to the satisfaction of the holders of Senior Indebtedness, before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character from any source (other than Permitted Junior Securities) on account of the Securities Obligations or on account of the purchase or redemption or other acquisition of Securities; and

(ii) any payment or distribution of assets of the Company of any kind or character from any source, whether in cash, property or securities (other than a payment or distribution in the form of Permitted Junior Securities), including by way of set-off or enforcement of any guarantee or otherwise, which the Trustee or the Holders would be entitled to receive but for the provisions of this Article shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness or their authorized representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the Senior Indebtedness held or represented by each, to the extent necessary to make payment in full in cash or Cash Equivalents of all Senior Indebtedness of the Company remaining unpaid, after giving effect to any concurrent payment or distribution, or provision therefor to the satisfaction of the holders of the Senior Indebtedness, to or for the holders of such Senior Indebtedness; and

(iii) any taxes that have been withheld or deducted from any payment or distribution in respect of the Securities, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to be an amount that a Holder or the Trustee is entitled to receive for the purposes of Section 10.02(ii).

The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Five shall not be deemed a dissolution, winding-up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of the Company for the purposes of this Section if the Person formed by such consolidation or into which the Company is merged or the Person which acquires such assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance, transfer, lease or disposal, comply with the conditions set forth in Article Five.

**Section 10.03. Default on Senior Indebtedness.**

(a) Unless Section 10.02 shall be applicable, upon (i) the occurrence of a Payment Default and (ii) receipt by the Trustee from the Company or a holder of Senior Indebtedness of written notice

53

of such occurrence, no payment (other than any payments made pursuant to the provisions contained in Section 8.03 from monies or Government Securities previously deposited with the Trustee) or distribution of any assets of the Company of any kind or character from any source, whether in cash, property or securities (other than Permitted Junior Securities), shall be made by the Company including by way of set-off or enforcement of any guarantee or otherwise, on account of the Securities Obligations or on account of the purchase, redemption, deposit for defeasance or other acquisition of Securities unless and until such Payment Default shall have been cured or waived in writing or shall have ceased to exist or such Senior Indebtedness shall have been discharged or paid in full in cash or Cash Equivalents, after which the Company shall resume making any and all required payments in respect of the Securities, including any missed payments.

(b) Unless Section 10.02 shall be applicable, upon (i) the occurrence of a Non-Payment Default and (ii) receipt by the Trustee from an authorized representative of the holders of Designated Senior Indebtedness of written notice of such occurrence, then no payment (other than any payments made pursuant to the provisions contained in Section 8.03 from monies or Government Securities previously deposited with the Trustee) or distribution of any assets of the Company of any kind or character from any source, whether in cash, property or securities (other than Permitted Junior Securities), shall be made by the Company including by way of set-off or enforcement of any guarantee or otherwise, on account of the Securities Obligations or on account of the purchase, redemption, deposit for defeasance or other acquisition of Securities for a period (the "*Payment Blockage Period*") commencing on the date of receipt by the Trustee of such notice from an authorized representative of the holders of Designated Senior Indebtedness or the Company at the direction of such representative unless and until (subject to any blockage of payments that may then be in effect under subsection (a) of this Section) (w) more than 179 days shall have elapsed since receipt of such written notice by the Trustee, (x) the date on which such Non-Payment Default shall have been cured or waived in writing or shall have ceased to exist, (y) the date on which such Designated Senior Indebtedness has been discharged or paid in full in cash or Cash Equivalents or (z) the date on which such Payment Blockage Period shall have been terminated by written notice to the Trustee from an authorized representative of the holders of Designated Senior Indebtedness initiating such Payment Blockage Period or from the holders of at least a majority in principal amount of such Designated Senior Indebtedness), after which, in the case of clause (w), (x), (y) or (z), the Company shall resume making any and all required payments in respect of the Securities, including any missed payments. Notwithstanding any other provision of this Indenture, in no event shall a Payment Blockage Period extend beyond 179 days from the date of the receipt by the Trustee of the notice referred to in clause (ii) above (the "*Initial Blockage Period*"). No more than one Payment Blockage Period may be commenced during any period of 365 consecutive days. Notwithstanding any other provision of this Indenture, no event of default with respect to Designated Senior Indebtedness which existed or was continuing on the date of the commencement of any Payment Blockage Period initiated by an authorized representative of the holders of Designated Senior Indebtedness for such Designated Senior Indebtedness shall be, or be made, the basis for the commencement of a second Payment Blockage Period for such Designated Senior Indebtedness, whether or not within the Initial Blockage Period, unless such event of default shall have been cured or waived for a period of not less than 90 consecutive days.

(c) In the event that, notwithstanding the foregoing provisions of this Section, the Company shall make any payment to the Trustee (which is not paid over to Holders of Securities) prohibited by the foregoing provisions of this Section, then and in such event such payment shall be paid over to the authorized representatives of such Designated Senior Indebtedness initiating the Payment Blockage Period, to be held in trust for distribution to the holders of Senior Indebtedness or, to the extent amounts are not then due in respect of Senior Indebtedness, promptly returned to the Company, or otherwise as a court of competent jurisdiction shall direct. The Trustee shall not be liable for any interest on any money received by it.

**Section 10.04. Payment Permitted.** Nothing contained in this Article or elsewhere in this Indenture or in any of the Securities shall prevent the Company, at any time except during the pendency of any event referred to in clause (a), (b) or (c) of Section 10.02 or under the conditions described in Section 10.03, from making payments at any time of principal of (and premium, if any) or interest on the Securities.

**Section 10.05. Subrogation.** After all Senior Indebtedness is paid in full and until the Securities are paid in full, Holders shall be subrogated (equally and ratably with the holders of all indebtedness of the Company which by its express terms is subordinated and postponed to Senior Indebtedness to the same extent as the Securities are subordinated and postponed and which is entitled to like rights of subrogation) to the rights of holders of Senior Indebtedness to receive distributions applicable to Senior Indebtedness. A distribution made under this Article Ten to holders of Senior Indebtedness that otherwise would have been made to Holders is not, as between the Company and Holders, a payment by the Company on such Senior Indebtedness.

**Section 10.06. Relative Rights.** This Article Ten defines the relative rights of Holders and holders of Senior Indebtedness. Nothing in this Indenture shall:

- (a) impair, as between the Company and Holders, the obligation of the Company, which is absolute and unconditional, to pay principal of and interest on the Securities in accordance with their terms; or
- (b) affect the relative rights against the Company of Holders and creditors of the Company other than the holders of Senior Indebtedness; or
- (c) except as set forth in Section 6.02, prevent the Trustee or any Holder from exercising its available remedies upon a Default or an Event of Default, subject to the rights of holders of Senior Indebtedness to receive distributions otherwise payable to Holders.

**Section 10.07. Subordination May Not Be Impaired by Company.**

- (a) No right of any holder of Senior Indebtedness to enforce the subordination of the Indebtedness evidenced by the Securities shall be impaired by any act or failure to act by the Company or by its failure to comply with this Indenture.
- (b) Without in any way limiting the generality of subsection (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to the Holders of the Securities and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Securities to the holders of Senior Indebtedness, do any one or more of the following:
  - (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, the terms of Senior Indebtedness or the terms of any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding (including any increase in the aggregate principal amount of any indebtedness thereunder, it being understood that any such additional indebtedness shall not constitute Senior Indebtedness to the extent Incurred in violation of Section 4.05 of this Indenture);
  - (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness;
  - (iii) release any Person liable in any manner for the collection of Senior Indebtedness; and

55

---

(iv) exercise or refrain from exercising any rights against the Company and/or any other Person.

(c) If the Trustee on behalf of the Holders or any Holders should fail to file a proof of claim in any bankruptcy, insolvency, receivership or similar proceeding relating to the Company at least 30 days before the expiration of the time to file such claim or claims, each holder of Senior Indebtedness (or its representative) is hereby authorized to file an appropriate claim for and on behalf of all or any of the Holders.

**Section 10.08. Rights of Trustee and Paying Agent.** Notwithstanding Section 10.03, the Trustee or applicable Paying Agent may continue to make payments on the Securities and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than one Business Day prior to the date of such payment, a Trust Officer receives notice satisfactory to it that payments may not be made under this Article Ten. The Company, the applicable Registrar or co-registrar, the applicable Paying Agent, a Representative or a holder of Senior Indebtedness may give the notice; *provided, however*, that, if an issue of Senior Indebtedness has a Representative, only the Representative may give the notice.

Subject to the provisions of the TIA, the Trustee in its individual or any other capacity may hold Senior Indebtedness with the same rights it would have if it were not Trustee. The applicable Registrar and co-registrar and the applicable Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Ten with respect to any Senior Indebtedness that may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Ten shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

**Section 10.09. Distribution or Notice to Representative.**

Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness, the distribution may be made and the notice given to their Representative (if any).

**Section 10.10. Article Ten Not To Prevent Events of Default or Limit Right To Accelerate.** The failure to make a payment pursuant to the Securities by reason of any provision in this Article Ten shall not be construed as preventing the occurrence of a Default. Nothing in this Article Ten shall have any effect on the right of the Holders or the Trustee to accelerate the maturity of the Securities; *provided, however*, that, so long as any Indebtedness permitted by this Indenture to be incurred pursuant to the Credit Agreement shall be outstanding (including letters of credit and bankers' acceptances), upon the occurrence and during the continuance of an Event of Default under this Indenture, neither the Trustee nor any Holder shall be entitled to accelerate all or any of the Securities Obligations until the earlier to occur of the fifth Business Day following receipt by the Company and by an authorized representative of the holders of Designated Senior Indebtedness of a written declaration of acceleration as provided in Section 6.02 and the date of acceleration of any such Indebtedness under the Credit Agreement.

**Section 10.11. Trust Moneys Not Subordinated.** Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Securities held in trust under Article Eight by the Trustee and which were deposited in accordance with the terms of Article Eight and not in violation of Section 10.03 for the payment of principal of and interest on the Securities shall not be subordinated to the prior payment of any Senior Indebtedness or subject to the restrictions set forth in this Article Ten, and none of the Holders shall be obligated to pay over any such amount to the Company or any holder of Senior Indebtedness or any other creditor of the Company.

56

---

**Section 10.12. Trustee Entitled To Rely.** Upon any payment or distribution pursuant to this Article Ten, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 10.02 are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives for the holders of Senior Indebtedness for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Ten. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Article Ten, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Ten, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Ten.

**Section 10.13. Trustee To Effectuate Subordination.** Each Holder by accepting a Security authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness as provided in this Article Ten and appoints the Trustee as attorney-in-fact for any and all such purposes.

**Section 10.14. Trustee Not Fiduciary for Holders of Senior Indebtedness.** The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Company or any other Person, money or assets to which any holders of Senior Indebtedness shall be entitled by virtue of this Article Ten or otherwise.

**Section 10.15. Reliance by Holders of Senior Indebtedness Upon Subordination Provisions.** Each Holder by accepting a Security acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

**ARTICLE XI  
Guarantee**

**Section 11.01. Subsidiary Guarantee.** Subject to the provisions of this Article Eleven, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Securities and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest, including Special Interest, if any, on the Securities and all other obligations and liabilities of the Company under this Indenture (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Company or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding

57

and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the “*Guarantor Obligations*”). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article Eleven notwithstanding any extension or renewal of any Guarantor Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Securities or the Guarantor Obligations.

Each Guarantor further agrees that its Subsidiary Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Securities or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Subject to the provisions of Section 4.10, each Guarantor agrees that its Subsidiary Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Subsidiary Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal or of interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be

---

accelerated as provided in this Indenture for the purposes of its Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section.

**Section 11.02. Execution and Delivery of Subsidiary Guarantee for Future Guarantors.** To further evidence its Subsidiary Guarantee, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to execute a supplement to this Indenture, substantially in the form of Exhibit C hereto, or a Subsidiary Guarantee, substantially in the form of Exhibit D hereto, and deliver it to the Trustee. Concurrently with the execution and delivery of such Subsidiary Guaranty or supplement, the Company shall deliver to the Trustee an Opinion of Counsel and an Officer’s Certificate as provided under Section 9.06. Such Subsidiary Guarantee or supplement to this Indenture shall be executed on behalf of each Guarantor by either manual or facsimile signature of one Officer or other person duly authorized by all necessary corporate action of each Guarantor who shall have been duly authorized to so execute by all requisite corporate action. The validity and enforceability of any Subsidiary Guarantee shall not be affected by the fact that it is not affixed to any particular Security.

Each of the Guarantors hereby agrees that its Subsidiary Guarantee shall remain in full force and effect notwithstanding any failure to endorse on each Security a notation of such Subsidiary Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture or a Subsidiary Guarantee no longer holds that office at the time the Trustee authenticates the Security on which such Subsidiary Guarantee is endorsed or at any time thereafter, such Guarantor’s Subsidiary Guarantee of such Security shall nevertheless be valid,

The delivery of any Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Subsidiary Guarantee set forth in this Indenture on behalf of each Guarantor.

**Section 11.03. Limitation on Liability; Termination, Release and Discharge.**

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any Guarantees under the Credit Agreement) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) In addition, the Company shall not permit any Guarantor to consolidate with or merge with or into any person (other than another Guarantor) and shall not permit the conveyance, transfer or lease of substantially all of the assets of any Guarantor unless:

(i) the resulting, surviving or transferee Person shall be a corporation, partnership, trust or limited liability company organized and existing under the laws of the United States of

America, any State of the United States or the District of Columbia and such Person (if not such Guarantor) shall expressly assume, by supplemental indenture, executed and delivered to the Trustee, all the obligations of such Guarantor under its Subsidiary Guarantee;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been Incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; or

(iv) the transaction is made in compliance with Section 5.01 (other than clause (c) of Section 5.01).

Upon the sale or disposition of a Guarantor (by merger, consolidation, the sale of its Capital Stock or the sale of all or substantially all of its assets (other than by lease)) and whether or not the Guarantor is the surviving corporation in such transaction to a Person which is not the Company or a Subsidiary, such Guarantor will be automatically released from all its obligations under this Indenture and its Subsidiary Guarantee and the Registration Rights Agreement and such Subsidiary Guarantee will terminate; *provided, however*, that (1) the sale or other disposition is in compliance with this Indenture, including Section 5.01 (other than clause (c) thereof); and (2) all the obligations of such Guarantor under the Credit Agreement and related documentation and any other obligations of such Guarantor relating to any other Indebtedness of the Company or its Subsidiaries terminate upon consummation of such transaction.

(c) Each Guarantor shall be deemed released from all its obligations under this Indenture and the Registration Rights Agreement and such Subsidiary Guarantee shall terminate upon the legal defeasance of the Securities pursuant to the provisions of Article Eight hereof.

(d) Each Guarantor shall be released from its obligations under this Indenture, its Subsidiary Guarantee and the Registration Rights Agreement if the Company designates such Guarantor as an Unrestricted Subsidiary and such designation complies with the other applicable provisions of this Indenture.

**Section 11.04. Right of Contribution.** Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

**Section 11.05. No Subrogation.** Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held

by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

## ARTICLE XII Subordination of Guarantees

**Section 12.01. Agreement To Subordinate.** Each Guarantor covenants and agrees, and each Holder of a Security, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Guarantor Obligations are hereby expressly made subordinate and postponed to and subject in right of payment as provided in this Article to the prior payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantors. The Guarantor Obligations shall in all respects rank *pari passu* with the Guarantors' guarantees of the Existing Notes and any future senior subordinated Indebtedness of the Guarantors and senior to all existing and future junior subordinated Indebtedness of the Guarantors, and only Senior Indebtedness of such Guarantors shall rank senior to the Guarantor Obligations in accordance with the provisions set forth herein. All provisions of this Article Twelve shall be subject to Section 12.11.

This Article Twelve shall constitute a continuing offer to all Persons who, in reliance upon such Article, become holders of, or continue to hold, Senior Indebtedness of the Guarantors, and such provisions are made for the benefit of the holders of Senior Indebtedness of the Guarantors, and such holders are made obligee hereunder and they or each of them may enforce such provisions.

**Section 12.02. Liquidation, Dissolution, Bankruptcy.** In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to any Guarantor or to its assets, whether voluntary or involuntary from any source, (b) any liquidation, dissolution or other winding-up of any Guarantor, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of any Guarantor, then and in any such event:

(i) the holders of Senior Indebtedness of such Guarantor shall receive payment in full in cash or Cash Equivalents of all amounts due on or in respect of all Senior Indebtedness of such Guarantor, or provision shall be made for such payment in full in cash or Cash Equivalents to the satisfaction of the holders of Senior Indebtedness of such Guarantor, before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character from any source (other than Permitted Junior Securities) on account of the Guarantor Obligations or on account of the purchase or redemption or other acquisition of Securities; and

(ii) any payment or distribution of assets of any Guarantor of any kind or character from any source, whether in cash, property or securities (other than a payment or distribution in the form of Permitted Junior Securities), including by way of set-off or enforcement of any guarantee or otherwise, which the Trustee or the Holders would be entitled to receive but for the provisions of this Article shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness of such Guarantor or their authorized representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness

may have been issued, ratably according to the aggregate amounts remaining unpaid on account of such Senior Indebtedness held or represented by each, to the extent necessary to make payment in full in cash or Cash Equivalents of all Senior Indebtedness of such Guarantor remaining unpaid, after

giving effect to any concurrent payment or distribution, or provision therefor to the satisfaction of the holders of such Senior Indebtedness, to or for the holders of such Senior Indebtedness; and

(iii) any taxes that have been withheld or deducted from any payment or distribution in respect of any Guarantor Obligations, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to be an amount that a Holder or the Trustee is entitled to receive for the purposes of Section 12.02(ii).

The consolidation of any Guarantor with, or the merger of any Guarantor into, another Person or the liquidation or dissolution of any Guarantor following the conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Five shall not be deemed a dissolution, winding-up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of such Guarantor for the purposes of this Section if the Person formed by such consolidation or into which such Guarantor is merged or the Person which acquires such assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance, transfer, lease or disposal, comply with the conditions set forth in Article Five.

**Section 12.03. Default on Senior Indebtedness of a Guarantor.**

(a) No Guarantor may make any payment pursuant to any of its Guarantor Obligations (collectively, “*pay its Subsidiary Guarantee*”) if (i) any principal, premium, if any, interest or other amount payable in respect of any Senior Indebtedness of such Guarantor is not paid within any applicable grace period (including at Maturity) or (ii) any other default on Senior Indebtedness of such Guarantor occurs and the maturity of such Senior Indebtedness is accelerated in accordance with its terms unless, in either case, (A) the default has been cured or waived and any such acceleration has been rescinded or (B) such Senior Indebtedness has been paid in full in cash or Cash Equivalents; *provided, however*, that any Guarantor may pay its Subsidiary Guarantee without regard to the foregoing if such Guarantor and the Trustee receive written notice approving such payment from the Representative of the holders of such issue of Senior Indebtedness of such Guarantor. No Guarantor may pay its Subsidiary Guarantee during the continuance of any Payment Blockage Period after receipt by the Company and the Trustee of a Payment Blockage Notice under Section 10.03. Unless the Representatives of the holders of such issue of Designated Senior Indebtedness giving such Payment Blockage Notice shall have accelerated the maturity of such Designated Senior Indebtedness and not rescinded such acceleration, any Guarantor shall resume (unless otherwise prohibited as described in the first two sentences of this clause (a)) payments pursuant to its Subsidiary Guarantee after the end of such Payment Blockage Period.

(b) In the event that, notwithstanding the foregoing provisions of this Section, any Guarantor shall make any payment to the Trustee (which is not paid over to Holders of Securities) prohibited by the foregoing provisions of this Section, then and in such event such payment shall be paid over to the authorized representatives of such Designated Senior Indebtedness initiating the Payment Blockage Period, to be held in trust for distribution to the holders of Senior Indebtedness or, to the extent amounts are not then due in respect of Senior Indebtedness, promptly returned to such Guarantor, or otherwise as a court of competent jurisdiction shall direct. The Trustee shall not be liable for any interest on any money received by it.

**Section 12.04. Subrogation.** After all Senior Indebtedness of a Guarantor is paid in full and until the Securities are paid in full, Holders shall be subrogated (equally and ratably with the holders of all indebtedness of such Guarantor which by its express terms is subordinated and postponed to Senior Indebtedness of such Guarantor to the same extent as the Securities are subordinated and

postponed and which is entitled to like rights of subrogation) to the rights of holders of Senior Indebtedness of such Guarantor to receive distributions applicable to such Senior Indebtedness. A distribution made under this Article Twelve to holders of Senior Indebtedness of such Guarantor that otherwise would have been made to Holders is not, as between such Guarantor and Holders, a payment by such Guarantor on such Senior Indebtedness.

**Section 12.05. Relative Rights.** This Article Twelve defines the relative rights of Holders and holders of Senior Indebtedness of a Guarantor. Nothing in this Indenture shall:

(a) impair, as between a Guarantor and Holders, the obligation of such Guarantor, which is absolute and unconditional, to pay the Guarantor Obligations as set forth in Article Eleven; or

(b) affect the relative rights against a Guarantor of Holders and creditors of a Guarantor other than the holders of Senior Indebtedness of a Guarantor; or

(c) except as set forth in Section 6.02, prevent the Trustee or any Holder from exercising its available remedies upon a default by such Guarantor of the Guarantor Obligations, subject to the rights of holders of Senior Indebtedness of such Guarantor to receive distributions otherwise payable to Holders.

**Section 12.06. Subordination May Not Be Impaired by Guarantor.**

(a) No right of any holder of Senior Indebtedness of any Guarantor to enforce the subordination of the Guarantor Obligations shall be impaired by any act or failure to act by such Guarantor or by its failure to comply with this Indenture.

(b) Without in any way limiting the generality of subsection (a) of this Section, the holders of Senior Indebtedness of a Guarantor may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders, without incurring responsibility to the Holders and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders to the holders of Senior Indebtedness of a Guarantor, do any one or more of the following:

(i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, the terms of Senior Indebtedness of a Guarantor or the terms of any instrument evidencing the same or any agreement under which such Senior Indebtedness is outstanding (including any increase in the aggregate principal amount of any indebtedness thereunder, it being understood that any such additional indebtedness shall not constitute Senior Indebtedness to the extent Incurred in violation of Section 4.05 of this Indenture);

(ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Indebtedness;

(iii) release any Person liable in any manner for the collection of such Senior Indebtedness; and

(iv) exercise or refrain from exercising any rights against a Guarantor and/or any other Person.

(c) If the Trustee on behalf of the Holders or any Holders should fail to file a proof of claim in any bankruptcy, insolvency, receivership or similar proceeding relating to a Guarantor at least 30 days before the expiration of the time to file such claim or claims, each holder of Senior Indebtedness of a Guarantor (or its representative) is hereby authorized to file an appropriate claim for and on behalf of all or any of the Holders.

**Section 12.07. Rights of Trustee and Paying Agent.** Notwithstanding Section 12.03, the Trustee or applicable Paying Agent may continue to make payments on any Subsidiary Guarantee and shall not be charged with knowledge of the existence of facts that would prohibit the making of any such payments unless, not less than one Business Day prior to the date of such payment, a Trust Officer receives notice satisfactory to it that payments may not be made under this Article Twelve. The Company, the applicable Registrar or co-registrar, the applicable Paying Agent, a Representative or a holder of Senior Indebtedness may give the notice; *provided, however*, that, if an issue of Senior Indebtedness of any Guarantor has a Representative, only the Representative may give the notice.

Subject to the provisions of the TIA, the Trustee in its individual or any other capacity may hold Senior Indebtedness of a Guarantor with the same rights it would have if it were not Trustee. The applicable Registrar and co-registrar and the applicable Paying Agent may do the same with like rights. The Trustee shall be entitled to all the rights set forth in this Article Twelve with respect to any Senior Indebtedness of a Guarantor that may at any time be held by it, to the same extent as any other holder of such Senior Indebtedness; and nothing in Article Seven shall deprive the Trustee of any of its rights as such holder. Nothing in this Article Twelve shall apply to claims of, or payments to, the Trustee under or pursuant to Section 7.07.

**Section 12.08. Distribution or Notice to Representative.** Whenever a distribution is to be made or a notice given to holders of Senior Indebtedness of a Guarantor, the distribution may be made and the notice given to their Representative (if any).

**Section 12.09. Article Twelve Not To Prevent Events of Default or Limit Right To Accelerate.** The failure to make a payment pursuant to a Subsidiary Guarantee by reason of any provision in this Article Twelve shall not be construed as preventing the occurrence of a Default. Nothing in this Article Twelve shall have any effect on the right of the Holders or the Trustee to make a demand for payment on any Subsidiary Guarantee pursuant to Article Eleven.

**Section 12.10. Trustee Entitled To Rely.** Upon any payment or distribution pursuant to this Article Twelve, the Trustee and the Holders shall be entitled to rely (a) upon any order or decree of a court of competent jurisdiction in which any proceedings of the nature referred to in Section 12.02 are pending, (b) upon a certificate of the liquidating trustee or agent or other Person making such payment or distribution to the Trustee or to the Holders or (c) upon the Representatives for the holders of Senior Indebtedness of any Guarantor for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness of any Guarantor and other Indebtedness of such Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article Twelve. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of any Guarantor to participate in any payment or distribution pursuant to this Article Twelve, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness of such Guarantor held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article Twelve, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article Twelve.

**Section 12.11. Trustee To Effectuate Subordination.** Each Holder by accepting a Security authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination between the Holders and the holders of Senior Indebtedness of any Guarantor as provided in this Article Twelve and appoints the Trustee as attorney-in-fact for any and all such purposes.

64

---

**Section 12.12. Trustee Not Fiduciary for Holders of Senior Indebtedness of Guarantors.** The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of any Guarantor and shall not be liable to any such holders if it shall mistakenly pay over or distribute to Holders or the Company or any other Person, money or assets to which any holders of such Senior Indebtedness shall be entitled by virtue of this Article Twelve or otherwise.

**Section 12.13. Reliance by Holders of Senior Indebtedness of a Guarantor Upon Subordination Provisions.** Each Holder by accepting a Security acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Indebtedness of any Guarantor, whether such Senior Indebtedness was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Indebtedness and such holder of such Senior Indebtedness shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Indebtedness.

- (d) a statement as to whether or not, in the opinion of such individual, such covenant or condition has been complied with.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by, the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

(C) if such Definitive Securities are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904, (i) a certification to that effect and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).

(b) Restrictions on Transfer of a Definitive Security for a Beneficial Interest in a Global Security. A Definitive Security may not be exchanged for a beneficial interest in a Global Security except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Security, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with:

(i) certification (in the form set forth on the reverse side of the Initial Security) that such Definitive Security is being transferred (1) to a QIB in accordance with Rule 144A or (2) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act, which certification shall be accompanied by a signed letter substantially in the form of Exhibit B; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Security to reflect an increase in the aggregate principal amount of the Securities represented by the Global Security, such instructions to contain information regarding the Depository, Euroclear or Clearstream account to be credited with such increase,

then the Trustee shall cancel such Definitive Security and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository, Euroclear or Clearstream and the Securities Custodian, the aggregate principal amount of Securities represented by the Global Security to be increased by the aggregate principal amount of the Definitive Security to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Security equal to the principal amount of the Definitive Security so canceled. If no Global Securities are then outstanding and the Global Security has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Security in the appropriate principal amount.

(c) Transfer and Exchange of Global Securities.

(i) The transfer and exchange of Global Securities or beneficial interests therein shall be effected through the Depository, Euroclear or Clearstream, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository, Euroclear or Clearstream therefor. A transferor of a beneficial interest in a Global Security shall deliver a written order given in accordance with the procedures of the Depository, Euroclear or Clearstream containing information regarding the participant account of the Depository, Euroclear or Clearstream to be credited with a beneficial interest in the Global Security and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Security and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Security being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Security to a transferee who takes delivery of such interest through the Regulation S Global Security, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Securities from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Security to a beneficial interest in another Global Security, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Security from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Security may not be transferred as a whole except by the Depository, Euroclear or Clearstream to a nominee of the Depository, Euroclear or Clearstream or by a nominee of the Depository, Euroclear or Clearstream to the Depository, Euroclear or Clearstream or another nominee of the Depository, Euroclear or Clearstream or by the Depository, Euroclear or Clearstream or any such nominee to a successor depository or a nominee of such successor depository.

(iv) In the event that a Global Security is exchanged for Securities in definitive registered form pursuant to Section 2.4 prior to the consummation of a Registered Exchange Offer or the effectiveness of a Shelf Registration Statement with respect to such Securities, such Securities may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Initial Securities or Additional Securities intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(d) Restrictions on Transfer of Regulation S Global Security. (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Security may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Security may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably

believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Security to a transferee who takes delivery of such interest through the Rule 144A Global Security shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Security to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Security shall be transferable in accordance with applicable law and the other terms of this Indenture.

**9. Subordination**

The Securities are subordinated to Senior Indebtedness of the Company. To the extent provided in the Indenture, Senior Indebtedness of the Company must be paid before the Securities may be paid. The Company agrees, and each Holder by accepting a Security agrees, to the subordination provisions contained in the Indenture and authorizes the Trustee to give it effect and appoints the Trustee as attorney-in-fact for such purpose.

**10. Repurchase of Securities at the Option of Holders upon Change of Control**

Upon a Change of Control, the Company will be required to make an offer, subject to certain conditions specified in the Indenture, to repurchase all the Securities of each Holder at a purchase price equal to 101% of the principal amount of Securities to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

A Holder may transfer or exchange Securities in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to a selection of Securities to be redeemed or 15 days before an interest payment date.

**12. Persons Deemed Owners**

The registered Holder of this Security may be treated as the owner of it for all purposes.

**13. Unclaimed Money**

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

**14. Discharge and Defeasance**

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

**15. Amendment, Waiver**

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities and (ii) any default or noncompliance with any provision may be waived with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder of Securities, the Company and the Trustee may amend the Indenture or the Securities: (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to comply with Article Five of the Indenture; (iii) to provide for uncertificated Securities in addition to or in place of certificated Securities; (iv) to add Guarantees with respect to the Securities; (v) to secure the Securities; (vi) to add additional covenants of the Company or to surrender rights and powers conferred on the Company; (vii) to make any change that does not adversely affect the rights of any Holder; (viii) to make certain changes in the subordination provisions that would limit or terminate the benefits available to any holder of Senior Indebtedness under such provisions; or (ix) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA.

**16. Defaults and Remedies**

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% of any series in aggregate principal amount of the Securities then outstanding, subject to certain limitations, may declare all the Securities of such series to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Securities being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Securities may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. The Holders of a majority in aggregate principal amount of the applicable series of Securities then outstanding, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.

**17. Trustee Dealings with the Company**

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

**18. No Recourse Against Others**

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company and the Guarantors shall use their respective commercially reasonable efforts to cause the Exchange Offer Registration Statement to become effective under the Act within 365 days of the Issue Date (or if such 365th day is not a Business Day, the next succeeding Business Day).

(b) Upon the effectiveness of the Exchange Offer Registration Statement, the Company and the Guarantors shall promptly commence the Registered Exchange Offer, it being the objective of such Registered Exchange Offer to enable each Holder electing to exchange Securities for New Securities (assuming that such Holder is not an Affiliate of the Company, acquires the New Securities in the ordinary course of such Holder’s business, has no arrangements with any Person to participate in the distribution of the New Securities and is not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer) to trade such New Securities from and after their receipt without any limitations

4

or restrictions under the Act and without material restrictions under the securities laws of a substantial proportion of the several states of the United States.

- (c) In connection with the Registered Exchange Offer, the Company and the Guarantors shall:
- (i) mail to each Holder a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
  - (ii) keep the Registered Exchange Offer open for not less than 30 days and not more than 45 days after the date notice thereof is mailed to the Holders (or, in each case, longer if required by applicable law);
  - (iii) use their respective commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective under the Act, supplemented and amended as required, to ensure that it is available for sales of New Securities by Exchanging Dealers during the Exchange Offer Registration Period;
  - (iv) utilize the services of a depository for the Registered Exchange Offer with an address in the Borough of Manhattan in New York City, which may be the Trustee or an Affiliate of the Trustee;
  - (v) permit Holders to withdraw tendered Securities at any time prior to the close of business, New York time, on the last Business Day on which the Registered Exchange Offer is open;
  - (vi) prior to effectiveness of the Exchange Offer Registration Statement, provide a supplemental letter to the Commission (A) stating that the Company is conducting the Registered Exchange Offer in reliance on the position of the Commission in Exxon Capital Holdings Corporation (pub. avail. May 13, 1988) and Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991); and (B) including a representation that the Company has not entered into any arrangement or understanding with any Person to distribute the New Securities to be received in the Registered Exchange Offer and that, to the best of the Company's information and belief, each Holder participating in the Registered Exchange Offer is acquiring the New Securities in the ordinary course of business and has no arrangement or understanding with any Person to participate in the distribution of the New Securities; and
  - (vii) comply in all respects with all applicable laws.
- (d) As soon as practicable after the close of the Registered Exchange Offer, the Company and the Guarantors shall:
- (i) accept for exchange all Securities tendered and not validly withdrawn pursuant to the Registered Exchange Offer;

5

---

- (ii) deliver to the Trustee for cancellation in accordance with Section 5(s) all Securities so accepted for exchange; and
- (iii) cause the Trustee promptly to authenticate and deliver to each Holder of Securities a principal amount of New Securities equal to the principal amount of the Securities of such Holder so accepted for exchange.

(e) Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Registered Exchange Offer to participate in a distribution of the New Securities (x) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission in Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991) and Exxon Capital Holdings Corporation (pub. avail. May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993 and similar no-action letters; and (y) must comply with the registration and prospectus delivery requirements of the Act in connection with any secondary resale transaction and such transaction must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K under the Act if the resales are of New Securities obtained by such Holder in exchange for Securities acquired by such Holder directly from the Company or one of its Affiliates. Accordingly, each Holder participating in the Registered Exchange Offer shall be required to represent to the Company that, at the time of the consummation of the Registered Exchange Offer:

- (i) any New Securities received by such Holder will be acquired in the ordinary course of business;
- (ii) such Holder will have no arrangement or understanding with any Person to participate in the distribution of the Securities or the New Securities within the meaning of the Act; and
- (iii) such Holder is not an Affiliate of the Company (or if it is, that it will comply with the registration and prospectus delivery requirements of the Act to the extent applicable).

(f) If any Initial Purchaser determines that it is not eligible to participate in the Registered Exchange Offer with respect to the exchange of Securities constituting any portion of an unsold allotment, at the request of such Initial Purchaser, the Company shall issue and deliver to such Initial Purchaser or the Person purchasing New Securities registered under a Shelf Registration Statement as contemplated by Section 3 hereof from such Initial Purchaser, in exchange for such Securities, a like principal amount of New Securities. The Company shall use its best efforts to cause the CUSIP Service Bureau to issue the same CUSIP number for such New Securities as for New Securities issued pursuant to the Registered Exchange Offer.

3. Shelf Registration. (a) If (i) due to any change in law or applicable interpretations thereof by the Commission's staff, the Company determines upon advice of its outside counsel that it is not permitted to effect the Registered Exchange Offer as contemplated by Section 2 hereof; (ii) for any other reason the Exchange Offer Registration Statement is not effective within 365 days after the Issue Date; (iii) any Initial Purchaser so requests with respect

6

---

to Securities that are not eligible to be exchanged for New Securities in the Registered Exchange Offer and that are held by it following consummation of the Registered Exchange Offer; or (iv) any Holder (other than an Initial Purchaser) is not eligible to participate in the Registered Exchange Offer or does not receive freely tradeable New Securities in exchange for Securities constituting any portion of an unsold allotment (it being understood that the requirement that an Exchanging Dealer deliver a Prospectus in connection with sales of New Securities acquired in the Registered Exchange Offer in exchange for Securities acquired as a result of market-making activities or other trading activities shall not result in such New Securities being not "freely tradeable"), the Company and the Guarantors shall effect a Shelf Registration Statement in accordance with subsection (b) below.

(b) (i) The Company and the Guarantors shall as promptly as practicable (but in no event more than 90 days after so required or requested pursuant to this Section 3), file with the Commission and thereafter shall use their commercially reasonable best efforts to cause to be declared effective under the Act a Shelf Registration Statement relating to the offer and sale of the Securities or the New Securities, as applicable, by the Holders thereof from time to time in accordance with the methods of distribution elected by such Holders and set forth in such Shelf Registration Statement; *provided, however*, that no Holder (other than an Initial Purchaser) shall be entitled to have the Securities held by it covered by such Shelf Registration Statement unless such Holder agrees in writing to be bound by all of the provisions of this Agreement applicable to such Holder; and *provided, further*, that with respect to New Securities received by an Initial Purchaser in exchange for Securities constituting any portion of an unsold allotment, the Company and the Guarantors may, if permitted by current interpretations by the Commission's staff, file a post-effective amendment to the Exchange Offer Registration Statement containing the information required by Item 507 or 508 of Regulation S-K, as applicable, in satisfaction of their respective obligations under this subsection with respect thereto, and any such Exchange Offer Registration Statement, as so amended, shall be referred to herein as, and governed by the provisions herein applicable to, a Shelf Registration Statement.

(ii) The Company and the Guarantors shall use their respective commercially reasonable efforts to keep the Shelf Registration Statement continuously effective, supplemented and amended as required by the Act, in order to permit the Prospectus forming part thereof to be usable by Holders for a period of two years after the Issue Date or such shorter period that will terminate when all the Securities or New Securities, as applicable, covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement (in any such case, such period being called the "**Shelf Registration Period**"). The Company and the Guarantors shall be deemed not to have used their respective commercially reasonable efforts to keep the Shelf Registration Statement effective during the requisite period if they voluntarily take any action that would result in Holders of Securities covered thereby not being able to offer and sell such Securities during that period, unless (A) such action is required by applicable law; or (B) such action is taken by the Company and the Guarantors in good faith and for valid business reasons (not including avoidance of the Company's and the Guarantors' obligations hereunder), including the acquisition or divestiture of assets (to the extent

7

---

permitted by the terms of the Indenture), so long as the Company and the Guarantors promptly thereafter comply with the requirements of Section 5(k) hereof, if applicable.

(iii) Notwithstanding the foregoing provisions of this Section 3, the Company and the Guarantors may for valid business reasons (other than avoidance of their obligations hereunder), including without limitation, a potential material acquisition, divestiture of assets or other material corporate transaction, notify Holders in writing that the Shelf Registration Statement is no longer effective or the Prospectus included therein is no longer usable for offers and sales of Securities or New Securities; *provided* that the use of the Shelf Registration Statement or the Prospectus contained therein shall not be suspended for more than 45 days (whether or not consecutive) in the aggregate in any 12-month period. Each Holder agrees that upon receipt of any notice from the Company pursuant to this Section 3(b)(iii), it will discontinue use of the Prospectus contained in the Shelf Registration Statement until receipt of copies of the supplemented or amended Prospectus relating thereto or until advised in writing by the Company that the use of the Prospectus contained in the Shelf Registration Statement may be resumed.

(iv) The Company and the Guarantors shall cause the Shelf Registration Statement and the related Prospectus and any amendment or supplement thereto, as of the effective date of the Shelf Registration Statement or such amendment or supplement, (A) to comply in all material respects with the applicable requirements of the Act and the rules and regulations of the Commission; and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

4. **Special Interest.** If (a) on or prior to the 270th day following the Issue Date, neither the Exchange Offer Registration Statement nor the Shelf Registration Statement has been filed with the Commission, (b) on or prior to the 365th day following the Issue Date, the Exchange Offer Registration Statement has not been declared effective, or on or prior to the 90th day following the Company's obligation to file the Shelf Registration Statement, the Shelf Registration Statement has not been filed, (c) on or prior to the 45th day following the date the Exchange Offer Registration Statement has been declared effective, the Registered Exchange Offer has not been consummated, or (d) after either the Exchange Offer Registration Statement or the Shelf Registration Statement has been declared effective, such Registration Statement thereafter ceases to be effective or usable in connection with resales of Securities or New Securities in accordance with and during the periods specified in this Agreement (each such event referred to in clauses (a) through (d), a "**Registration Default**"), interest ("**Special Interest**") will accrue on the principal amount of the Securities and the New Securities (in addition to the stated interest on the Securities and New Securities) from and including the date on which any such Registration Default shall occur to but excluding the date on which all Registration Defaults have been cured. Special Interest will accrue at a rate of \$0.192 per week per \$1,000 principal amount of notes. Notwithstanding the foregoing, no Special Interest shall accrue during or with respect to any suspension period referred to in Section 3(b)(iii) above; *provided, however*, that if such suspension period exceeds 45 days in the aggregate in any 12-month period, then Special Interest shall accrue from and including the 46th day of such suspension period.

8

---

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Security at the time such Security is exchanged for a New Security shall survive until such time as all such obligations with respect to such Security have been satisfied in full.

5. **Additional Registration Procedures.** In connection with any Shelf Registration Statement and, to the extent applicable, any Exchange Offer Registration Statement or Market Making Registration Statement, the following provisions shall apply.

(a) The Company and the Guarantors shall:

(i) furnish to you, not less than five Business Days prior to the filing thereof with the Commission, a copy of any Exchange Offer Registration Statement and any Shelf Registration Statement, and each amendment thereof and each amendment or supplement, if any, to the Prospectus included therein (including all documents incorporated by reference therein after the initial filing) and shall use their best efforts to reflect in each such document, when so filed with the Commission, such comments as you reasonably propose;

(ii) include the information set forth in Annex A hereto on the facing page of the Exchange Offer Registration Statement, in Annex B hereto in the forepart of the Exchange Offer Registration Statement in a section setting forth details of the Exchange Offer, in Annex C hereto in the underwriting or plan of distribution section of the Prospectus contained in the Exchange Offer Registration Statement, and in Annex D hereto in the letter of transmittal delivered pursuant to the Registered Exchange Offer;

(iii) if requested by an Initial Purchaser, include the information required by Item 507 or 508 of Regulation S-K, as applicable, in the Prospectus contained in the Exchange Offer Registration Statement; and

(iv) in the case of a Shelf Registration Statement, include the names of the Holders that propose to sell Securities pursuant to the Shelf Registration Statement as selling security holders.

(b) The Company and the Guarantors shall ensure that:

(i) any Registration Statement and any amendment thereto and any Prospectus forming part thereof and any amendment or supplement thereto complies in all material respects with the Act and the rules and regulations thereunder; and

(ii) any Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) The Company and the Guarantors shall advise you, the Holders of Securities covered by any Shelf Registration Statement and any Exchanging Dealer under any Exchange Offer Registration Statement that has provided in writing to the Company a telephone or

9

---

facsimile number and address for notices, and, if requested by you or any such Holder or Exchanging Dealer, shall confirm such advice in writing (which notice pursuant to clauses (ii) through (v) hereof shall be accompanied by an instruction to suspend the use of the Prospectus until the Company shall have remedied the basis for such suspension):

(i) when a Registration Statement and any amendment thereto has been filed with the Commission and when the Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for any amendment or supplement to the Registration Statement or the Prospectus or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose, of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, and of the happening of any event that causes the Company to become an "ineligible issuer," as defined in Commission Rule 405;

(iv) of the receipt by the Company or any Guarantor of any notification with respect to the suspension of the qualification of the securities included therein for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(v) of the happening of any event that requires any change in the Registration Statement or the Prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading.

(d) The Company and the Guarantors shall use their respective best efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement or the qualification of the securities therein for sale in any jurisdiction at the earliest possible time.

(e) The Company and the Guarantors shall furnish to each Holder of Securities covered by any Shelf Registration Statement, without charge, at least one copy of such Shelf Registration Statement and any post-effective amendment thereto, including all material incorporated therein by reference, and, if the Holder so requests in writing, all exhibits thereto (including exhibits incorporated by reference therein).

(f) The Company and the Guarantors shall, during the Shelf Registration Period, deliver to each Holder of Securities covered by any Shelf Registration Statement, without charge, as many copies of the Prospectus (including each preliminary Prospectus) included in such Shelf Registration Statement and any amendment or supplement thereto as such Holder may reasonably request. The Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by each of the selling Holders of securities in connection with the offering and sale of the securities covered by the Prospectus, or any amendment or supplement thereto, included in the Shelf Registration Statement.

10

---

(g) The Company and the Guarantors shall furnish to each Exchanging Dealer which so requests, without charge, at least one copy of the Exchange Offer Registration Statement and any post-effective amendment thereto, including all material incorporated by reference therein, and, if the Exchanging Dealer so requests in writing, all exhibits thereto (including exhibits incorporated by reference therein).

(h) The Company and the Guarantors shall promptly deliver to the Initial Purchasers, each Exchanging Dealer and each other Person required to deliver a Prospectus during the Exchange Offer Registration Period, without charge, as many copies of the Prospectus included in such Exchange Offer Registration Statement and any amendment or supplement thereto as any such Person may reasonably request. The Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by the Initial Purchasers, any Exchanging Dealer and any such other Person that may be required to deliver a Prospectus following the Registered Exchange Offer in connection with the offering and sale of the New Securities covered by the Prospectus, or any amendment or supplement thereto, included in the Exchange Offer Registration Statement.

(i) Prior to the Registered Exchange Offer or any other offering of Securities or New Securities pursuant to any Registration Statement, the Company and the Guarantors shall arrange, if necessary, for the qualification of the Securities or the New Securities for sale under the laws of such jurisdictions as any Holder shall reasonably request and will maintain such qualification in effect so long as required; *provided* that in no event shall the Company or the Guarantors be obligated to qualify to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the Initial Placement, the Registered Exchange Offer or any offering pursuant to a Shelf Registration Statement, in any such jurisdiction where it is not then so subject.

(j) The Company and the Guarantors shall cooperate with the Holders of Securities to facilitate the timely preparation and delivery of certificates representing New Securities or Securities to be issued or sold pursuant to any Registration Statement free of any restrictive legends and in such denominations and registered in such names as Holders may request.

(k) Upon the occurrence of any event contemplated by subsections (c)(ii) through (v) above, the Company and the Guarantors shall promptly prepare a post-effective amendment to the applicable Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that, as thereafter

delivered to initial purchasers of the securities included therein, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. In such circumstances, the period of effectiveness of the Exchange Offer Registration Statement provided for in Section 2 and the Shelf Registration Statement provided for in Section 3(b) shall each be extended by the number of days from and including the date of the giving of a notice of suspension pursuant to Section 5(c) to and including the date when the Initial Purchasers, the Holders of the Securities and any known Exchanging Dealer shall have received such amended or supplemented Prospectus pursuant to this Section.

(iv) obtain opinions of counsel to the Company and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the Managing Underwriters, if any) addressed to each selling Holder and the underwriters, if any, covering such matters as are customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such Holders and underwriters;

(v) obtain "cold comfort" letters and updates thereof from the current and, as applicable, past independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included in the Registration Statement), addressed to each selling Holder of Securities or New Securities registered thereunder and the underwriters, if any, in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with primary underwritten offerings; and

(vi) deliver such documents and certificates as may be reasonably requested by the Majority Holders and the Managing Underwriters, if any, including those to evidence compliance with Section 5(k) and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

(r) In the case of any Exchange Offer Registration Statement, the Company and the Guarantors shall:

(i) make reasonably available for inspection by such Initial Purchaser, and any attorney, accountant or other agent retained by such Initial Purchaser, all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries;

---

(ii) use their reasonable best efforts to cause the Company's and the Guarantors' officers, directors and employees to supply all relevant information reasonably requested by such Initial Purchaser or any such attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; *provided, however*, that any information that is designated in writing by the Company or the Guarantors, in good faith, as confidential at the time of delivery of such information shall be kept confidential by such Initial Purchaser or any such attorney, accountant or agent, unless such disclosure is made in connection with a court proceeding or required by law, or such information becomes available to the public generally or through a third party without an accompanying obligation of confidentiality;

(iii) make such representations and warranties to such Initial Purchaser, in form, substance and scope as are customarily made by issuers to underwriters in primary underwritten offerings and covering matters including, but not limited to, those set forth in the Purchase Agreement;

(iv) obtain opinions of counsel to the Company and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to such Initial Purchaser) and its counsel, addressed to such Initial Purchaser, covering such matters as are customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such Initial Purchaser or its counsel;

(vi) deliver such documents and certificates as may be reasonably requested by such Initial Purchaser or its counsel, including those to evidence compliance with Section 5(k) and with conditions customarily contained in underwriting agreements.

The foregoing actions set forth in clauses (iii), (iv), (v), and (vi) of this Section 5(r) shall be performed at the close of the Registered Exchange Offer and the effective date of any post-effective amendment to the Exchange Offer Registration Statement.

(s) If a Registered Exchange Offer is to be consummated, upon delivery of the Securities by Holders to the Company (or to such other Person as directed by the Company) in exchange for the New Securities, the Company shall mark, or cause to be marked, on the Securities so exchanged that such Securities are being canceled in exchange for the New Securities. In no event shall the Securities be marked as paid or otherwise satisfied.

(t) The Company and the Guarantors will use their respective commercially reasonable best efforts (i) if the Securities have been rated prior to the initial sale of such Securities, to confirm such ratings will apply to the Securities or the New Securities, as the case may be, covered by a Registration Statement; or (ii) if the Securities were not previously rated, to cause the Securities covered by a Registration Statement to be rated with at least one nationally recognized statistical rating agency, if so requested by Majority Holders with respect to the related Registration Statement or by any Managing Underwriters.

(u) In the event that any Broker-Dealer shall underwrite any Securities or participate as a member of an underwriting syndicate or selling group or "assist in the distribution" (within the meaning of the Rules of Fair Practice and the By-Laws of the Financial Industry Regulatory Authority) thereof, whether as a Holder of such Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, assist such Broker-Dealer in complying with the requirements of such Rules and By-Laws, including, without limitation, by:

(i) if such Rules or By-Laws shall so require, engaging a "qualified independent underwriter" (as defined in such Rules) to participate in the preparation of the Registration Statement, to exercise usual standards of due diligence with respect thereto and, if any portion of the offering contemplated by such Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Securities;

(ii) indemnifying any such qualified independent underwriter to the extent of the indemnification of underwriters provided in Section 8 hereof; and

(iii) providing such information to such Broker-Dealer as may be required in order for such Broker-Dealer to comply with the requirements of such Rules.

(iv) The Company and the Guarantors shall use their respective reasonable best efforts to take all other steps necessary to effect the registration of the Securities or the New Securities, as the case may be, covered by a Registration Statement.

6. **Market Making.** (a) At such time and for so long as any of the Securities, New Securities or Existing Notes are outstanding and any of the Initial Purchasers (each in such capacity, the "Market Maker") or any of their Affiliates is an Affiliate of the Company, the Guarantors or any of their Affiliates and proposes to make a market in the Securities, New Securities or Existing Notes, as applicable, as part of its business in the ordinary course, the following provisions shall apply for the sole benefit of the Market Maker:

(i) The Company and the Guarantors shall (A) on the date that the Exchange Offer Registration Statement or, if required hereby, the Shelf Registration Statement is filed with the Commission, file one or more registration statements (the "Market Making Registration Statements") (which may be the Exchange Offer Registration Statement or the Shelf Registration Statement if permitted by the rules and regulations of the Commission) and use their commercially reasonable best efforts to cause such Market Making Registration Statements to be declared effective by the Commission on or prior to the consummation of the Registered Exchange Offer or the effective date of the Shelf

amendment thereto or any amendment or supplement to the related Prospectus to which the Market Maker and its counsel shall reasonably object unless the Company is advised by counsel that such Market Making Registration Statement, amendment or supplement is required to be filed under applicable securities laws and the Company will provide the Market Maker and its counsel with copies of such Market Making Registration Statement and each amendment and supplement filed. The Company, in its sole discretion, may determine to include Prospectuses relating to each of the Securities, the New Securities or one or more series of the Existing Notes in the same or different Market Making Registration Statements so long as each such registration statement complies with this Section 6. The term "Prospectus" in this Section 6 includes any Prospectus contained in a Market Making Registration Statement relating to any or all of the Securities, the New Securities or the Existing Notes, as applicable.

(ii) The Company shall notify the Market Maker and, if requested by the Market Maker, confirm such advice in writing, (A) when any Market Making Registration Statement, any post-effective amendment to any Market Making Registration Statement or any amendment or supplement to the related Prospectus has been filed, and, with respect to any Market Making Registration Statement or any post-effective amendment, when the same has become effective; (B) of any request by the Commission for any post-effective amendment to any Market Making Registration Statement, any supplement or amendment to the related Prospectus or for additional information; (C) the issuance by the Commission of any stop order suspending the effectiveness of any Market Making Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the Commission to the use of the Market Making Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act; (D) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities, New Securities or Existing Notes, as applicable, for sale in any jurisdiction or the initiation or threatening of any proceedings for that purpose; and (E) of the happening of any event that makes any statement made in any Market Making Registration Statement, the related Prospectus or any amendment or supplement thereto untrue or that requires that making of any changes in any Market Making Registration Statement, such Prospectus or any amendment or supplement thereto, in order to make the statements therein not misleading.

16

---

(iii) If any event contemplated by Section 6(a)(ii)(B) through (E) occurs during the period for which the Company and the Guarantors are required to maintain an effective Market Making Registration Statement, the Company and the Guarantors shall promptly prepare and file with the Commission a post-effective amendment to each Market Making Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that the Prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(iv) In the event of the issuance of any stop order suspending the effectiveness of any Market Making Registration Statement, any notice of objection pursuant to Rule 401(g)(2) under the Act or of any order suspending the qualification of the Securities, New Securities or Existing Notes for sale in any jurisdiction, the Company and the Guarantors shall promptly use their reasonable best efforts to obtain the withdrawal of such order or the resolution of such objection, including by filing an amendment to the Market Making Registration Statement on the proper form as necessary.

(v) The Company shall furnish to the Market Maker, without charge, (A) at least one conformed copy of any Market Making Registration Statement and any post-effective amendment thereto and (B) as many copies of the related Prospectus and any amendment or supplement thereto as the Market Maker may reasonably request.

(vi) The Company and the Guarantors shall consent to the use of any Prospectus contained in any Market Making Registration Statement or any amendment or supplement thereto by the Market Maker in connection with its market-making activities.

(vii) Notwithstanding the foregoing provisions of this Section 6, the Company and the Guarantors may for valid business reasons, including without limitation, a potential material acquisition, divestiture of assets or other material corporate transaction, notify the Market Maker in writing that a Market Making Registration Statement is no longer effective or the Prospectus included therein is no longer usable for offers and sales of Securities, New Securities or Existing Notes; *provided* that the use of a Market Making Registration Statement or the Prospectus contained therein shall not be suspended for more than 75 days (whether or not consecutive) in the aggregate in any 12-month period. The Market Maker agrees that upon receipt of any notice from the Company pursuant to this Section 6(a)(vii), it will discontinue use of the Prospectus contained in such Market Making Registration Statement until receipt of copies of the supplemented or amended Prospectus relating thereto or until advised in writing by the Company that the use of the Prospectus contained in such Market Making Registration Statement may be resumed.

(b) In connection with any Market Making Registration Statement, the Company and the Guarantors shall (i) make reasonably available for inspection by a representative of, and counsel acting for, the Market Maker all relevant financial and other records, pertinent corporate documents and properties of the Company, the Guarantors and their respective subsidiaries and (ii) use their respective reasonable best efforts to have their respective officers, directors,

employees, accountants and counsel supply all relevant information reasonably requested by such representative or counsel or the Market Maker; *provided, however*, that any information that is designated in writing by the Company or the Guarantors, in good faith, as confidential at the time of delivery of such information shall be kept confidential by the Market Maker or any representative or counsel, unless such disclosure is made in connection with a court proceeding or required by law, or such information becomes available to the public generally or through a third party without an accompanying obligation of confidentiality;

(c) Prior to the initial effective date of any Market Making Registration Statement, the Company and the Guarantors shall arrange, if necessary, for the qualification of the Securities, New Securities or Existing Notes, as applicable, for sale under the laws of such jurisdictions as the Market Maker reasonably requests in writing, will maintain such qualification in effect so long as required and shall cooperate with the Market Maker in connection with any filings required to be made with the Financial Industry Regulatory Authority to enable the offer and sale in such jurisdictions of the Securities, New Securities or Existing Notes, as applicable, covered by such Market Making Registration Statement; *provided* that in no event shall the Company and the Guarantors be obligated to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to subject itself to service of process in any such jurisdictions or (iii) subject itself to taxation in any such jurisdiction if it not so subject.

(d) The Company and the Guarantors represent and agree that any Market Making Registration Statement, any post-effective amendments thereto, any amendments or supplements to the related Prospectus and any documents filed by them under the Exchange Act will, when they become effective or are filed with the Commission, as the case may be, conform in all respects to the requirements of the Act and the Exchange Act and the rules and regulations of the Commission thereunder and will not, as of the effective date of such Market Making Registration Statement or post-effective amendments and as of the filing date of amendments or supplements to such Prospectus or filings under the Exchange Act, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that no representation or warranty is made as to information contained in or omitted from any Market Making Registration Statement or the related Prospectus in reliance upon and in conformity with written information furnished to the

Company by the Market Maker specifically for inclusion therein, which information the parties hereto agree will be limited to the statements concerning the market-making activities of the Market Maker to be set forth on the cover page and in the “Plan of Distribution” section of the related Prospectus (the “*Market Maker’s Information*”).

(e) At the time of effectiveness of any Market Making Registration Statement and concurrently with each time such Market Making Registration Statement shall be amended by post-effective amendment by including the filing of any annual report incorporated by reference into the Market Making Registration Statement or the related Prospectus shall be amended or such Prospectus shall be supplemented, the Company shall (if requested by the Market Maker) furnish the Market Maker and its counsel with a certificate of its Chairman of the Board of Directors or Chief Executive Officer and its Chief Financial Officer to the effect that:

(ii) in the case of an amendment to such Market Making Registration Statement, such amendment has become effective under the Act as of the date and time specified in such certificate, if applicable; and in the case of an amendment or supplement to the Prospectus, such amendment or supplement to the Prospectus was filed with the Commission pursuant to the subparagraph of Rule 424(b) under the Act specified in such certificate on the date specified therein;

(iii) to the knowledge of such officers, no stop order suspending the effectiveness of such Market Making Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission, including any notice of objection of the Commission to the use of the Market Making Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act, and no proceeding for that purpose is pending or threatened by the Commission; and

(iv) such officers have carefully examined such Market Making Registration Statement and the Prospectus (and, in the case of an amendment or supplement, such amendment or supplement) and as of the date of such Market Making Registration Statement, amendment or supplement, as applicable, the Market Making Registration Statement and the Prospectus, as amended or supplemented, if applicable, did not include any untrue statement of a material fact and did not omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(f) At the time of effectiveness of any Market Making Registration Statement and concurrently with each time any Market Making Registration Statement or the related Prospectus shall be amended or such Prospectus shall be supplemented, the Company shall (if requested by the Market Maker) furnish the Market Maker and its counsel with the written opinion of counsel for the Company satisfactory to the Market Maker to the effect that:

(i) such Market Making Registration Statement has been declared effective;

(ii) in the case of an amendment to such Market Making Registration Statement, such amendment has become effective under the Act as of the date and time specified in such opinion, if applicable; and in the case of an amendment or supplement to the Prospectus, such amendment or supplement to the Prospectus was filed with the Commission pursuant to the subparagraph of Rule 424(b) under the Act specified in such opinion on the date specified therein;

(iii) to the knowledge of such counsel, no stop order suspending the effectiveness of such Market Making Registration Statement has been issued and no proceeding for that purpose is pending or threatened by the Commission, including notice of any objection of the Commission or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act, and no proceeding for that purpose is pending or threatened by the Commission; and

(iv) such counsel has reviewed such Market Making Registration Statement and the Prospectus (and, in the case of an amendment or supplement, such amendment or

supplement) and participated with officers of the Company and independent public accountants for the Company in the preparation of such Market Making Registration Statement and Prospectus (and, in the case of an amendment or supplement, such amendment or supplement) and has no reason to believe that (except for the financial statements and other financial and statistical data contained therein as to which such counsel need express no belief) as of the date of such Market Making Registration Statement, amendment or supplement, as applicable, the Market Making Registration Statement and the Prospectus, as amended or supplemented, if applicable, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(g) At the time of effectiveness of any Market Making Registration Statement and concurrently with each time such Market Making Registration Statement or the related Prospectus shall be amended or such Prospectus shall be supplemented to include audited annual financial information, the Company shall (if requested by the Market Maker) furnish the Market Maker and its counsel with letters of (i) KPMG LLP (or other independent public accountants for the Company or the Guarantors of nationally recognized standing) (ii) CohnReznick LLP and (iii) Deloitte & Touche LLP, in form satisfactory to the Market Maker, addressed to the Market Maker and dated the date of delivery of such letter, (i) confirming that they are independent public accountants within the meaning of the Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission and (ii) in all other respects, substantially in the form of the letters delivered to the Initial Purchasers pursuant to the Purchase Agreement, with, in the case of an amendment or supplement that includes audited financial information, such changes as may be necessary to reflect the amended or supplemented financial information.

(h) The Company and the Guarantors, on the one hand, and the Market Maker, on the other hand, hereby agree to indemnify each other, and, if applicable, contribute to the other, in accordance with Section 8 of this Agreement.

(i) The Company and the Guarantors will comply with the provisions of this Section 6 at their own expense and will reimburse the Market Maker for its expenses associated with this Section 6 (including reasonable fees of counsel for the Market Maker).

(j) The agreements contained in this Section 6 and the representations, warranties and agreements contained in this Agreement shall survive all offers and sales of the Securities and New Securities and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party.

(k) For purposes of this Section 6, (i) any reference to the terms “amend,” “amendment” or “supplement” with respect to any Market Making Registration Statement or the Prospectus contained therein shall be deemed to refer to and include the filing under the Exchange Act of any document deemed to be incorporated therein by reference and (ii) any reference to the terms “Securities,” “New Securities” or “Existing Notes” shall be deemed to refer to and include any securities issued in exchange for or with respect to such Securities, New Securities or Existing Notes.

7. Registration Expenses. The Company and the Guarantors shall bear all expenses incurred in connection with the performance of their respective obligations under Sections 2, 3, 5 and 6 hereof and, in the event of any Shelf Registration Statement, will reimburse the Holders for the reasonable fees and disbursements of one firm or counsel designated by the Majority Holders to act as counsel for the Holders in connection therewith, and, in the case of any Exchange Offer Registration Statement, will reimburse the Initial Purchasers for the reasonable fees and disbursements of counsel acting in connection therewith.

8. Indemnification and Contribution. (a) Each of the Company and the Guarantors agrees, jointly and severally, to indemnify and hold harmless each Holder of Securities or New Securities, as the case may be, covered by any Registration Statement (including each Initial Purchaser, the Market Maker and, with respect to any Prospectus delivery as contemplated in Section 5(h) hereof, each Exchanging Dealer), the directors, officers, employees and agents of each such Holder and each Person who controls any such Holder within the meaning of either the Act or the Exchange Act against any and all Losses, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any Market Making Registration Statement as originally filed or in any amendment thereof, or in any preliminary Prospectus or the Prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however*, that the Company and the Guarantors will not be liable in any case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information or the Market Maker Information furnished to the Company and the Guarantors by or on behalf of any such Holder or the Market Maker specifically for inclusion therein. In addition, the Company and the Guarantors agree to indemnify and hold harmless the Market Maker from and against any and all Losses that arise out of, or are based upon, any breach by the Company and the Guarantors of their respective representations, warranties and agreements contained in Section 6 hereof. This indemnity agreement will be in addition to any liability which the Company and the Guarantors may otherwise have.

(b) Each of the Company and the Guarantors also agrees, jointly and severally, to indemnify or contribute as provided in Section 8(e) to Losses of each underwriter of any Securities or New Securities, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees or agents and each Person who controls such underwriter on substantially the same basis as that of the indemnification of the Initial Purchasers and the selling Holders provided in this Section 8(a) and shall, if requested by any Holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 5(p) hereof.

(c) With respect to any untrue statement or omission of material fact made in any preliminary Prospectus, the indemnity agreement contained in this Section 8(a) shall not inure to

the benefit of any indemnified person from whom the person asserting any such loss, claim, damage or liability purchased the securities concerned, to the extent that any such loss, claim, damage or liability of such indemnified person occurs under the circumstance where it shall have been determined by a court of competent jurisdiction by final and non-appealable judgment that (w) the Company had previously furnished copies of the preliminary Prospectus to such indemnified person, (x) delivery of the final Prospectus was required by the Act to be made to such person, (y) the untrue statement or omission of a material fact contained in the preliminary Prospectus was corrected in the final Prospectus and (z) there was not sent or given to such person, at or prior to the written confirmation of the sale of such securities to such person, a copy of the final Prospectus.

(d) Each Holder of securities covered by a Registration Statement (including each Initial Purchaser and, with respect to any Prospectus delivery as contemplated in Section 5(h) hereof, each Exchanging Dealer) severally agrees to indemnify and hold harmless the Company, each Guarantor, each of their respective directors, each of their respective officers who signs such Registration Statement and each Person who controls the Company and the Guarantors within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and the Guarantors to each such Holder, but only with reference to written information relating to such Holder furnished to the Company and the Guarantors by or on behalf of such Holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any such Holder may otherwise have.

(e) The Market Maker agrees to indemnify and hold harmless the Company, each Guarantor, each of their respective directors, each of their respective officers who signs any Market Making Registration Statement and each Person who controls the Company and the Guarantors within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and the Guarantors to the Market Maker, but only with respect to any Losses which arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any Market Maker's Information furnished to the Company and the Guarantors in writing by the Market Maker specifically for inclusion in such Market Making Registration Statement and any Prospectus. This indemnity agreement will be in addition to any liability which any Market Maker may otherwise have.

(f) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a), (b) or (c) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a), (b) or (c) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by

the indemnified party or parties except as set forth below); *provided, however*, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. Any such separate counsel (w) for any Initial Purchaser, its affiliates,

directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by the Representative, (x) for any Market Maker, its affiliates, directors and officers and any control Persons of such Market Maker shall be designated in writing by the respective Market Maker, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(g) In the event that the indemnity provided in paragraph (a), (b) or (c) of this Section is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party shall have a joint and several obligation to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "*Losses*") to which such indemnified party may be subject in such proportion as is appropriate to reflect the relative benefits received by such indemnifying party, on the one hand, and such indemnified party, on the other hand, from the Initial Placement and the Registration Statement which resulted in such Losses; *provided, however*, that in no case shall any Initial Purchaser or any subsequent Holder of any Security or New Security be responsible, in the aggregate, for any amount in excess of the total fees received by such Initial Purchaser or subsequent Holder in connection with the purchase of such Security, or in the case of a New Security, applicable to the Security that was exchangeable into such New Security, nor shall any underwriter be responsible for any amount in excess of the underwriting discount or commission applicable to the securities purchased by such underwriter under the Registration Statement which resulted in such Losses; *provided, further*, that in no case shall the Market Maker be required to contribute any amount in excess of the amount by which the total price at which the Securities sold by the Market Maker exceeds the amount of any damages that the Market Maker has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. If the allocation

23

---

provided by the immediately preceding sentence is unavailable for any reason, the indemnifying party and the indemnified party shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of such indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the sum of (x) the total net proceeds from the Initial Placement (before deducting expenses) and (y) the total amount of additional interest which the Company was not required to pay as a result of registering the securities covered by the Registration Statement which resulted in such Losses. Benefits received by the Initial Purchasers (including the Market Maker) shall be deemed to be equal to the total fees received by the Initial Purchasers pursuant to Section 2 of the Purchase Agreement, and benefits received by any other Holders shall be deemed to be equal to the value of receiving Securities or New Securities, as applicable, registered under the Act. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth on the cover page of the Prospectus forming a part of the Registration Statement which resulted in such Losses. Relative fault shall be determined by reference to, among other things, whether any alleged untrue statement or omission relates to information provided by the indemnifying party, on the one hand, or by the indemnified party, on the other hand, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The parties agree that it would not be just and equitable if contribution were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (e), no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each Person who controls a Holder within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of such Holder shall have the same rights to contribution as such Holder, and each Person who controls the Company or any of the Guarantors within the meaning of either the Act or the Exchange Act, each officer of the Company or any of the Guarantors who shall have signed the Registration Statement and each director of the Company or any of the Guarantors shall have the same rights to contribution as the Company and the Guarantors, subject in each case to the applicable terms and conditions of this paragraph (e).

(h) The provisions of this Section 8 will remain in full force and effect, regardless of (i) the termination of this Agreement, (ii) any investigation made by or on behalf of the Market Maker, any Holder, the Company or the Guarantors or any of the officers, directors or controlling Persons referred to in this Section hereof, (iii) acceptance of any of the New Securities, and (iv) any sale by a Holder or the Market Maker of securities covered by a Registration Statement (including a Market Making Registration Statement).

9. Underwritten Registrations. (a) If any of the Securities or New Securities, as the case may be, covered by any Shelf Registration Statement are to be sold in an underwritten offering, the Managing Underwriters shall be selected by the Majority Holders.

(b) No Person may participate in any underwritten offering pursuant to any Shelf Registration Statement, unless such Person (i) agrees to sell such Person's Securities or New

24

---

Securities, as the case may be, on the basis reasonably provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements; and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

10. No Inconsistent Agreements. Neither the Company nor the Guarantors have, as of the date hereof, entered into, nor shall they, on or after the date hereof, enter into, any agreement with respect to their securities that is inconsistent with the rights granted to the Market Maker or the Holders herein or otherwise conflicts with the provisions hereof.

11. Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, qualified, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company and the Guarantors have obtained the written consent of the Majority Holders and, with respect to the provisions of Section 6 and 7, the Market Maker; *provided* that with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Company and the Guarantors shall obtain the written consent of each such Initial Purchaser against which such amendment, qualification, supplement, waiver or consent is to be effective. Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose Securities or New Securities, as the case may be, are being sold pursuant to a Registration Statement and that does not directly or indirectly affect the rights of other Holders may be given by Holders representing a majority of the aggregate principal amount of Securities or New Securities, as the case may be, being sold rather than registered under such Registration Statement, voting together as a single class.

12. Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telex, telecopier or air courier guaranteeing overnight delivery:

(a) if to a Holder, at the most current address given by such Holder to the Company in accordance with the provisions of this Section, which address initially is, with respect to each Holder, the address of such Holder maintained by the Registrar under the Indenture, with a copy in like manner to Citigroup Global Markets Inc.;

(b) if to you, initially at the address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 12;

(c) if to a Market Maker, initially at Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013 (fax no.: (212) 816-7912), Attention: General Counsel, as applicable, and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 12; and

25

(d) if to the Company or any of the Guarantors, initially at the Company's address set forth in the Purchase Agreement, and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 12.

All such notices and communications shall be deemed to have been duly given when received.

The Initial Purchasers or the Company by notice to the other parties may designate additional or different addresses for subsequent notices or communications.

13. Successors. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties, including, without the need for an express assignment or any consent by the Company or any of the Guarantors thereto, subsequent Holders of Securities and the New Securities. The Company and the Guarantors hereby agree to extend the benefits of this Agreement to any Holder of Securities and the New Securities, and any such Holder may specifically enforce the provisions of this Agreement as if an original party hereto.

14. Counterparts. This Agreement may be in signed counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

15. Headings. The headings used herein are for convenience only and shall not affect the construction hereof.

16. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed in the State of New York.

17. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

18. Securities Held by the Company, etc. Whenever the consent or approval of Holders of a specified percentage of principal amount of Securities or New Securities is required hereunder, Securities or New Securities, as applicable, held by the Company, any of the Guarantors or its Affiliates (other than subsequent Holders of Securities or New Securities if such subsequent Holders are deemed to be Affiliates solely by reason of their holdings of such Securities or New Securities) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(e) Notwithstanding anything herein or in the Existing Credit Agreement to the contrary, the Lenders party hereto waive the payment of any compensation required to be paid pursuant to Section 2.14(d) of the Existing Credit Agreement in respect of the existing Initial Term Loans (to the extent any right to such compensation arises in connection with this Amendment and the transactions contemplated hereby).

4

---

(c) The Borrower shall have paid all fees and reasonable expenses (including, without limitation, reasonable fees and expenses of counsel) of the Second Amendment Arrangers, the Administrative Agent and the Lenders, as applicable, to the extent required pursuant to Section 11.3 of the Existing Credit Agreement or the Second Amendment Engagement Letter, as applicable, and invoiced to the Borrower at least two Business Days prior to the Effective Date.

(e) The Administrative Agent shall have received written opinions of Weil, Gotshal & Manges LLP and counsel to the Loan Parties in each of the jurisdictions listed on Schedule 3.1(a) to the Existing Credit Agreement, in each case, addressed to the Administrative Agent, the Issuers and the Lenders and in form and substance reasonably satisfactory to the Administrative Agent (and each Loan Party hereby instructs such counsel to deliver such opinions to the Administrative Agent).

(g) No Default or Event of Default shall have occurred and be continuing.

(h) The representations and warranties contained in Article IV of the Amended Credit Agreement and in the other Loan Documents shall be true and correct in all material respects (without duplication of any materiality qualifier contained therein) on and as of the Effective Date with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (without duplication of any materiality qualifier contained therein) as of such earlier date.

5

(i) To the extent requested in writing to the Borrower at least 5 Business Days prior to the Effective Date, the Replacement Lenders shall have received, at least three days prior to the Effective Date, all documentation and other information relating to the Loan Parties required by bank regulatory authorities under applicable "know-your-customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

SECTION 4. Conditions to Funding. The obligation of each Incremental Lender to make the 2016 Incremental Term Loans requested to be made by it (i) on the Nola Acquisition Funding Date shall be subject to the satisfaction or due waiver in accordance with Section 11.1 of the Amended Credit Agreement of each of the conditions precedent set forth on Part A of Schedule 1 hereto and (ii) on the Carl Acquisition Funding Date shall be subject to the satisfaction or due waiver in accordance with Section 11.1 of the Amended Credit Agreement of each of the conditions precedent set forth on Part B of Schedule 1 hereto.

SECTION 5. Ticking Fees. As consideration for the commitments and agreements under the Commitment Letters with respect to the 2016 Incremental Term Loans (the "2016 Incremental Term Loan Commitments"), the Borrower shall pay (or cause to be paid) a non-refundable fee per annum equal to the product of (1) (i) commencing on October 31, 2016 (the "Allocation Date") until the 30th day following the Allocation Date, 0% of the Applicable Margin for 2016 Incremental Term Loans that are Eurodollar Rate Loans, (ii) commencing on the date 30 days following the Allocation Date until the 60th day following the Allocation Date, 50% of the Applicable Margin for 2016 Incremental Term Loans that are Eurodollar Rate Loans and (iii) thereafter, 100% of the Applicable Margin for 2016 Incremental Term Loans that are Eurodollar Rate Loans plus the Eurodollar Base Rate and (2) the 2016 Incremental Term Loan Commitments, in each case accruing from the date specified above until the earlier of (x) the termination or expiration of the 2016 Incremental Term Loan Commitments (to the extent of such termination or expiration) under the applicable Commitment Letter or the Amended Credit Agreement, as applicable and (y) the later of (A) the Nola Acquisition Funding Date and (B) the Carl Acquisition Funding Date (the "Termination Date"), payable on the Termination Date to each Incremental Lender based on its ratable share of the 2016 Incremental Term Loan Commitments under the Amended Credit Agreement.

SECTION 6. 2016 Incremental Term Loans. The parties hereto hereby agree that the 2016 Incremental Term Loans contemplated by this Amendment constitute New Incremental Term Loans incurred pursuant to (and in accordance with) Section 2.19 of the Amended Credit Agreement. For the avoidance of doubt, the incurrence of the 2016 Incremental Term Loans on the Nola Acquisition Funding Date and/or the Carl Acquisition Funding Date shall constitute a usage of the "Facility Increase Allowance" under clause (y) of the definition thereof (as defined in the Amended Credit Agreement).

SECTION 7. Representations. Each Loan Party hereby represents and warrants to the Administrative Agent and Lenders that the execution, delivery, and performance of this Amendment (i) has been duly executed and delivered by each Loan Party and (ii) do not require the consent of, authorization by, approval of, notice to, or filing or registration with, any Governmental Authority or any other Person, other than those that have been or will be, prior to the Effective Date, obtained or made, copies of which have been or will be delivered to the Administrative Agent, and which on the Effective Date will be in full force and effect and, with

6

SECTION 8. Effect on Loan Documents. Except as specifically amended herein, all the Loan Documents shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. Except as specifically set forth herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of the Loan Documents or in any way limit, impair or otherwise affect the rights and remedies of the Lenders or the Administrative Agent under the Loan Documents. The Borrower and the other Loan Parties acknowledge and agree that, on and after the Effective Date, this Amendment and each of the other Loan Documents to be executed and delivered by a Loan Party in connection herewith shall constitute a Loan Document for all purposes of the Amended Credit Agreement. On and after the Effective Date, each reference in the Amended Credit Agreement to "this Agreement", "hereunder", "hereof", "herein" or words of like import referring to the Existing Credit Agreement, and each reference in the other Loan Documents to "Credit Agreement", "thereunder", "thereof" or words of like import referring to the Existing Credit Agreement shall mean and be a reference to the Amended Credit Agreement, and this Amendment and the Amended Credit Agreement shall be read together and construed as a single instrument. Nothing herein shall be deemed to entitle the Borrower to a further consent to, or a further waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document in similar or different circumstances. For the avoidance of doubt, this Amendment does not constitute a novation or termination by any Loan Party of the Indebtedness and Obligations under the Existing Credit Agreement.

SECTION 9. Indemnification. The provisions of Section 11.4 of the Amended Credit Agreement are incorporated herein by reference, *mutatis mutandis*.

SECTION 10. Amendments; Severability.

(a) This Amendment may not be amended nor may any provision hereof be waived except pursuant to a writing signed by each party hereto.

(b) In case any provision in or obligation hereunder shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 11. Reaffirmation. Each of the Loan Parties party hereto, including each Guarantor, hereby (a) acknowledges and agrees that the 2016 Incremental Term Loans and the Incremental Lenders shall constitute Loans and Lenders, respectively, under the Loan Documents, and that all of such Loan Party's obligations under the Collateral Documents and the other Loan Documents to which it is a party are reaffirmed and remain in full force and effect on a continuous basis, (b) reaffirms each Lien granted by it to the Administrative Agent for the benefit of the Secured Parties and the guaranties made by it pursuant to the Guaranty, (c) acknowledges and agrees that the grants of security interests by and the guaranties of the

7

Loan Parties contained in the Existing Credit Agreement and the Collateral Documents are, and shall remain, in full force and effect after giving effect to this Amendment and the transactions contemplated hereby, and (d) agrees that, on and from the Nola Acquisition Funding Date and/or the Carl Acquisition Funding Date (as applicable), the Obligations shall include the 2016 Incremental Term Loans.

SECTION 12. GOVERNING LAW; WAIVER OF JURY TRIAL; JURISDICTION; SERVICE OF PROCESS. THIS AMENDMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AMENDMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK. EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING WITH RESPECT TO THIS AMENDMENT. The provisions of Section 11.12 (Submission to Jurisdiction; Service of Process) of the Amended Credit Agreement are incorporated herein by reference, *mutatis mutandis*.

SECTION 13. Section Titles. The section titles contained in this Amendment are and shall be without substantive meaning or content of any kind whatsoever and are not a part of the agreement between the parties hereto, except when used to reference a section. Any reference to the number of a clause, sub-clause or subsection hereof immediately followed by a reference in parenthesis to the title of the Section containing such clause, sub-clause or subsection is a reference to such clause, sub-clause or subsection and not to the entire Section; provided, however, that, in case of direct conflict between the reference to the title and the reference to the number of such Section, the reference to the title shall govern absent manifest error. If any reference to the number of a Section (but not to any clause, sub-clause or subsection thereof) is followed immediately by a reference in parenthesis to the title of a Section, the title reference shall govern in case of direct conflict absent manifest error.

SECTION 14. Execution in Counterparts. This Amendment may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are attached to the same document. Delivery of an executed signature page of this Amendment by facsimile transmission, electronic mail or by posting on the Approved Electronic Platform shall be as effective as delivery of a manually executed counterpart hereof. A set of the copies of this Amendment signed by all parties shall be lodged with the Borrower and the Administrative Agent.

Loans shall be made as Base Rate Loans unless, subject to *Section 2.14 (Special Provisions Governing Eurodollar Rate Loans)*, the Notice of Borrowing specifies that all or a portion thereof shall be Eurodollar Rate Loans. Notwithstanding anything to the contrary contained in *Section 2.3(a) (Swing Loans)*, if any Notice of Borrowing requests a Revolving Credit Borrowing of Base Rate Loans, the Administrative Agent may make a Swing Loan available to the Borrower in an aggregate amount not to exceed such proposed Borrowing, and the aggregate amount of the corresponding proposed Borrowing shall be reduced accordingly by the principal amount of such Swing Loan. Each Revolving Credit Borrowing shall be in an aggregate amount of not less than \$1,000,000 or an integral multiple of \$1,000,000 in excess thereof.

(ii) The Administrative Agent shall give to each Revolving Credit Lender prompt notice of the Administrative Agent’s receipt of a Notice of Borrowing with respect to Revolving Credit Borrowings and, if Eurodollar Rate Loans are properly requested in such Notice of Borrowing, the applicable interest rate determined pursuant to *Section 2.14(a) (Determination of Interest Rate)*. Each Lender shall, before 11:00 am. (New York time) on the date of the proposed Borrowing, make available to the Administrative Agent at its address referred to in *Section 11.8 (Notices, Etc.)*, in immediately available funds, such Lender’s Ratable Portion of such proposed Borrowing. If and to the extent that such Lender shall not have so made such Ratable Portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Federal Funds Rate for the first Business Day and thereafter at the interest rate applicable at the time to the Loans comprising such Borrowing. If such Lender shall repay to the Administrative Agent such corresponding amount, such corresponding amount so repaid shall constitute such Lender’s Loan as part of such Borrowing for purposes of this Agreement. If the Borrower shall repay to the Administrative Agent such corresponding amount, such payment shall not relieve such Lender of any obligation it may have hereunder to the Borrower.

56

(c) The occurrence of any Revolving Credit Lender becoming a Defaulting Lender shall not relieve any other Revolving Credit Lender of its obligations to make such Revolving Loan or payment on such date but no such other Revolving Credit Lender shall be responsible for the failure of any Defaulting Lender to make a Loan or a payment required under this Agreement.

The Swing Lender shall not otherwise be required to determine that, or take notice whether, the conditions precedent set forth in *Section 3.2 (Conditions Precedent to Each Loan and Letter of Credit)* have been satisfied in connection with the making of any Swing Loan.

(c) The Swing Lender shall notify the Administrative Agent in writing (which writing may be a teletype or electronic mail) weekly, by no later than 10:00 a.m. (New York time) on the first Business Day of each week, of the aggregate principal amount of its Swing Loans then outstanding.

(d) The Swing Lender may demand at any time that each Revolving Credit Lender pay to the Administrative Agent, for the account of the Swing Lender, in the manner provided in *clause (e)* below, such Revolving Credit Lender’s Ratable Portion of all or a portion of the applicable Swing Loans then outstanding, which demand shall be made through the Administrative Agent, shall be in writing and shall specify the outstanding principal amount of such Swing Loans demanded to be paid. Upon the occurrence of a Default or an Event of Default under *Section 9.1(f) (Events of Default)*, each Revolving Credit Lender shall immediately acquire, without recourse or warranty, an undivided participation in each Swing Loan, by payment to the Administrative Agent, in immediately available funds, an amount equal to such Revolving Credit Lender’s Ratable Portion of such Swing Loan pursuant to *clause (e)* below.

57

(e) The Administrative Agent shall forward each notice referred to in *clause (c)* above and each demand referred to in *clause (d)* above to each applicable Lender on the day such notice or such demand is received by the Administrative Agent (except that any such notice or demand received by the Administrative Agent after 1:00 p.m. (New York time) on any Business Day or any such demand received on a day that is not a Business Day shall not be required to be forwarded to the applicable Lenders by the Administrative Agent until the next succeeding Business Day), together with a statement prepared by the Administrative Agent specifying the amount of each Revolving Credit Lender's Ratable Portion of the aggregate principal amount of the Swing Loans stated to be outstanding in such notice or demanded to be paid pursuant to such demand, and, notwithstanding whether or not the conditions precedent set forth in *Section 3.2 (Conditions Precedent to Each Loan and Letter of Credit)* and *2.1(a) (Revolving Credit Commitments)* shall have been satisfied (which conditions precedent the Revolving Credit Lenders hereby irrevocably waive), each applicable Lender shall, before 11:00 a.m. (New York time) on the Business Day next succeeding the date of such Lender's receipt of such notice or demand, make available to the Administrative Agent, in immediately available funds, for the account of the Swing Lender, the amount specified in such statement. Upon such payment by a Lender, such Lender shall, except as provided in *clause (f)* below, be deemed to have made a Revolving Loan to the Borrower. The Administrative Agent shall use such funds to repay the Swing Loans to the Swing Lender. To the extent that any Lender fails to make such payment available to the Administrative Agent for the account of the Swing Lender, the Borrower shall repay such Swing Loan on demand.

(f) Upon the occurrence of a Default or an Event of Default under *Section 9.1(f) (Events of Default)*, each Revolving Credit Lender shall acquire, without recourse or warranty, an undivided participation in each Swing Loan otherwise required to be repaid by such Revolving Credit Lender pursuant to *clause (e)* above, which participation shall be in a principal amount equal to such Revolving Credit Lender's Ratable Portion of such Swing Loan, by paying to the Swing Lender on the date on which such Lender would otherwise have been required to make a payment in respect of such Swing Loan pursuant to *clause (e)* above, in immediately available funds, an amount equal to such Revolving Credit Lender's Ratable Portion of such Swing Loan. If all or part of such amount is not in fact made available by any applicable Lender to the Swing Lender on such date, the Swing Lender shall be entitled to recover any such unpaid amount on demand from such Lender together with interest accrued from such date at the Federal Funds Rate for the first Business Day after such payment was due and thereafter at the rate of interest then applicable to Base Rate Loans.

(g) From and after the date on which any Revolving Credit Lender (i) is deemed to have made a Revolving Loan pursuant to *clause (e)* above with respect to any Swing Loan or (ii) purchases an undivided participation interest in a Swing Loan pursuant to *clause (f)* above, the Swing Lender shall promptly distribute to such Revolving Credit Lender such Revolving Credit Lender's Ratable Portion of all payments of principal of and interest received by the Swing Lender on account of such Swing Loan other than those received from a Lender pursuant to *clause (e)* or *(f)* above.

#### **Section 2.4 Letters of Credit**

(a) On the terms and subject to the conditions contained in this Agreement, each Issuer agrees to Issue at the request of the Borrower and for the account of the Borrower (or a Subsidiary of the Borrower) one or more Letters of Credit from time to time on any Business Day during the period commencing on the Closing Date and ending on the earlier of the Revolving Credit Termination Date and (x) 30 days prior to the Revolving Credit Termination Date, in the case of a Documentary Letter of Credit and (y) 5 days prior to the Revolving Credit Termination Date, in the case of a Standby Letter of Credit; *provided, however*, that no Issuer shall be under any obligation to Issue (and, upon the occurrence of any of the events described in *clauses (ii), (iii), (iv), (v), and (vi)(A)* below, shall not Issue) any Letter of Credit upon the occurrence of any of the following:

58

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall purport by its terms to enjoin or restrain such Issuer from Issuing such Letter of Credit or any Requirement of Law applicable to such Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuer shall prohibit, or request that such Issuer refrain from, the Issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuer with respect to such Letter of Credit any restriction or reserve or capital requirement (for which such Issuer is not otherwise compensated) not in effect on the Closing Date or result in any unreimbursed loss, cost or expense that was not applicable, in effect or known to such Issuer as of the Closing Date and that such Issuer in good faith deems material to such Issuer;

(ii) such Issuer shall have received any written notice of the type described in *clause (d)* below;

(iii) after giving effect to the Issuance of such Letter of Credit, the aggregate Revolving Credit Outstandings would exceed the aggregate Revolving Credit Commitments in effect at such time;

(iv) after giving effect to the Issuance of such Letter of Credit, the sum of (i) the Dollar Equivalents of the Letter of Credit Undrawn Amounts at such time and (ii) the Dollar Equivalents of the Reimbursement Obligations at such time exceeds the Letter of Credit Sublimit; *provided, however*, that no Issuer shall be required to Issue in its own name, Letters of Credit, denominated in Dollars or an Alternative Currency, for the account of the Borrower, in excess of its Issuer Sublimit;

(v) (A) such Letter of Credit is requested to be denominated in any Alternative Currency and the Issuer receives written notice from the Administrative Agent at or before 11:00 a.m. (New York time) on the date of the proposed Issuance of such Letter of Credit that, immediately after giving effect to the Issuance of such Letter of Credit, all Letter of Credit Obligations at such time in respect of each Letter of Credit denominated in currencies other than Dollars would exceed \$5,000,000 or (B) such Letter of Credit is requested to be denominated in any currency other than Dollars or an Alternative Currency;

(vi) (A) any fees due in connection with a requested Issuance have not been paid, (B) such Letter of Credit is requested to be Issued in a form that is not acceptable to such Issuer or (C) the Issuer for such Letter of Credit shall not have received, in form and substance reasonably acceptable to it and, if applicable, duly executed by the Borrower, applications, agreements and other documentation (collectively, a "*Letter of Credit Reimbursement Agreement*") such Issuer generally employs in the ordinary course of its business for the Issuance of letters of credit of the type of such Letter of Credit; or

(vii) the issuance of the Letter of Credit would violate one or more policies of the Issuer applicable to the issuance of letters of credit generally.

None of the Revolving Credit Lenders (other than the Issuers in their capacity as such) shall have any obligation to Issue any Letter of Credit.

(b) In no event shall the expiration date of any Letter of Credit (i) be more than one year after the date of issuance thereof or (ii) be less than five days prior to the Revolving Credit Termination Date; *provided, however*, that any Letter of Credit with a term less than or equal to one year may provide for the renewal thereof for additional periods less than or equal to one year, as long as, (x) on or before the

59

expiration of each such term and each such period, the Borrower and the Issuer of such Letter of Credit shall have the option to prevent such renewal and (y) neither the Issuer of such Letter of Credit nor the Borrower shall permit any such renewal to extend the expiration date of any Letter of Credit beyond the date set forth in *clause (ii)* above.

(c) In connection with the Issuance of each Letter of Credit, the Borrower shall give the relevant Issuer and the Administrative Agent at least two Business Days' prior written notice, in substantially the form of *Exhibit E (Form of Letter of Credit Request)* (or in such other written or electronic form as is acceptable to the Issuer), of the requested Issuance of such Letter of Credit (a "*Letter of Credit Request*"). Such notice shall be irrevocable and shall specify the Issuer of such Letter of Credit, the currency of issuance and face amount of the Letter of Credit requested (whose Dollar Equivalent shall not be less than \$500,000 (or such lesser amount as mutually agreed between the Borrower and the relevant Issuer)), the date of Issuance of such requested Letter of Credit, the date on which such Letter of Credit is to expire (which date shall be a Business Day) and, in the case of an issuance, the Person for whose benefit the requested Letter of Credit is to be issued. Such notice, to be effective, must be received by the relevant Issuer and the Administrative Agent not later than 1:00 p.m. (New York time) on the second Business Day prior to the requested Issuance of such Letter of Credit.

(d) Subject to the satisfaction of the conditions set forth in this *Section 2.4*, the relevant Issuer shall, on the requested date, Issue a Letter of Credit on behalf of the Borrower in accordance with such Issuer's usual and customary business practices. No Issuer shall Issue any Letter of Credit in the period commencing on the first Business Day after it receives written notice from any Revolving Credit Lender that one or more of the conditions precedent contained in *Section 3.2 (Conditions Precedent to Each Loan and Letter of Credit)* or *clause (a)* above (other than those conditions set forth in *clauses (a)(i), (a)(vi)(B) and (C)* above and, to the extent such clause relates to fees owing to the Issuer of such Letter of Credit and its Affiliates, *clause (a)(vi)(A)* above) are not on such date satisfied or duly waived and ending when such conditions are satisfied or duly waived. No Issuer shall otherwise be required to determine that, or take notice whether, the conditions precedent set forth in *Section 3.2 (Conditions Precedent to Each Loan and Letter of Credit)* have been satisfied in connection with the Issuance of any Letter of Credit.

(e) The Borrower agrees that, if requested by the Issuer of any Letter of Credit, it shall execute a Letter of Credit Reimbursement Agreement in respect to any Letter of Credit Issued hereunder. In the event of any conflict between the terms of any Letter of Credit Reimbursement Agreement and this Agreement, the terms of this Agreement shall govern.

(f) Each Issuer shall comply with the following:

(i) give the Administrative Agent written notice (or telephonic notice confirmed promptly thereafter in writing), which writing may be a telecopy or electronic mail, of the Issuance of any Letter of Credit Issued by it, of all drawings under any Letter of Credit Issued by it and of the payment (or the failure to pay when due) by the Borrower of any Reimbursement Obligation when due (which notice the Administrative Agent shall promptly transmit by telecopy, electronic mail or similar transmission to each Revolving Credit Lender);

(ii) upon the request of any Revolving Credit Lender, furnish to such Revolving Credit Lender copies of any Letter of Credit Reimbursement Agreement to which such Issuer is a party and such other documentation as may reasonably be requested by such Revolving Credit Lender; and

(iii) no later than 10 Business Days following the last day of each calendar month, provide to the Administrative Agent (and the Administrative Agent shall provide a copy to each

60

---

Revolving Credit Lender requesting the same) and the Borrower separate schedules for Documentary Letters of Credit and Standby Letters of Credit issued by it, in form and substance reasonably satisfactory to the Administrative Agent, setting forth the aggregate Letter of Credit Obligations, in each case outstanding at the end of each month and any information requested by the Borrower or the Administrative Agent relating thereto.

(g) Immediately upon the issuance by an Issuer of a Letter of Credit in accordance with the terms and conditions of this Agreement, such Issuer shall be deemed to have sold and transferred to each Revolving Credit Lender, and each Revolving Credit Lender shall be deemed irrevocably and unconditionally to have purchased and received from such Issuer, without recourse or warranty, an undivided interest and participation, to the extent of such Revolving Credit Lender's Ratable Portion of the Revolving Credit Commitments, in such Letter of Credit and the obligations of the Borrower with respect thereto (including all Letter of Credit Obligations with respect thereto) and any security therefor and guaranty pertaining thereto.

(h) The Borrower agrees to pay to the Issuer of any Letter of Credit the amount of all Reimbursement Obligations owing to such Issuer under any Letter of Credit issued for its account in (x) Dollars or (y) with respect to any Letter of Credit issued in an Alternative Currency, in such Alternative Currency (or if requested by the applicable Issuer, the Dollar Equivalent thereof in Dollars), in each case, no later than the date that is the next succeeding Business Day after the Borrower receives written notice from such Issuer that payment has been made under such Letter of Credit (the "*Reimbursement Date*"), irrespective of any claim, set-off, defense or other right that the Borrower may have at any time against such Issuer or any other Person. In the event that any Issuer makes any payment under any Letter of Credit and the Borrower shall not have repaid such amount to such Issuer pursuant to this *clause (h)* or any such payment by the Borrower is rescinded or set aside for any reason, such Reimbursement Obligation shall be payable on demand with interest thereon computed (i) from the date on which such Reimbursement Obligation arose to the Reimbursement Date, at the rate of interest applicable during such period to Revolving Loans that are Base Rate Loans and (ii) from the Reimbursement Date until the date of repayment in full, at the rate of interest applicable during such period to past due Revolving Loans that are Base Rate Loans, and such Issuer shall promptly notify the Administrative Agent, which shall promptly notify each Revolving Credit Lender of such failure, and each Revolving Credit Lender shall promptly and unconditionally pay to the Administrative Agent for the account of such Issuer the amount of such Revolving Credit Lender's Ratable Portion of such payment (or the Dollar Equivalent thereof if such payment was made in any currency other than Dollars) in immediately available Dollars. If the Administrative Agent so notifies such Revolving Credit Lender prior to 11:00 a.m. (New York time) on any Business Day, such Revolving Credit Lender shall make available to the Administrative Agent for the account of such Issuer its Ratable Portion of the amount of such payment on such Business Day in immediately available funds. Upon such payment by a Revolving Credit Lender, such Revolving Credit Lender shall, except during the continuance of a Default or Event of Default under *Section 9.1(f) (Events of Default)* and notwithstanding whether or not the conditions precedent set forth in *Section 3.2 (Conditions Precedent to Each Loan and Letter of Credit)* shall have been satisfied (which conditions precedent the Revolving Credit Lenders hereby irrevocably waive), be deemed to have made a Revolving Loan, to the Borrower in the principal amount of such payment. Whenever any Issuer receives from the Borrower a payment of a Reimbursement Obligation as to which the Administrative Agent has received for the account of such Issuer any payment from a Revolving Credit Lender pursuant to this *clause (h)*, such Issuer shall pay over to the Administrative Agent any amount received in excess of such Reimbursement Obligation and, upon receipt of such amount, the Administrative Agent shall promptly pay over to each Revolving Credit Lender, in immediately available funds, an amount equal to such Revolving Credit Lender's Ratable Portion of the amount of such payment adjusted, if necessary, to reflect the respective amounts the Revolving Credit Lenders have paid in respect of such Reimbursement Obligation.

61

---

(i) If and to the extent such Revolving Credit Lender shall not have so made its Ratable Portion of the amount of the payment required by *clause (h)* above available to the Administrative Agent for the account of such Issuer, such Revolving Credit Lender agrees to pay to the Administrative Agent for the account of such Issuer forthwith on demand any such unpaid amount together with interest thereon, for the first Business Day after payment was first due at the Federal Funds Rate and, thereafter,

until such amount is repaid to the Administrative Agent for the account of such Issuer, at a rate per annum equal to the rate applicable to Revolving Loans that are Base Rate Loans.

(j) The Borrower's obligation to pay each Reimbursement Obligation and the obligations of the Revolving Credit Lenders to make payments to the Administrative Agent for the account of the Issuers with respect to Letters of Credit shall be absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement, under any and all circumstances whatsoever, including the occurrence of any Default or Event of Default, and irrespective of any of the following:

- (i) any lack of validity or enforceability of any Letter of Credit or any Loan Document, or any term or provision therein;
- (ii) any amendment or waiver of or any consent to departure from all or any of the provisions of any Letter of Credit or any Loan Document;
- (iii) the existence of any claim, set-off, defense or other right that the Borrower, any other party guaranteeing, or otherwise obligated with, the Borrower, any Subsidiary or other Affiliate thereof or any other Person may at any time have against the beneficiary under any Letter of Credit, any Issuer, the Administrative Agent or any Lender or any other Person, whether in connection with this Agreement, any other Loan Document or any other related or unrelated agreement or transaction;
- (iv) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;
- (v) payment by the Issuer under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit;
- (vi) any other act or omission to act or delay of any kind of the Issuer, the Lenders, the Administrative Agent or any other Person or any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this *Section 2.4*, constitute a legal or equitable discharge of the Borrower's obligations hereunder;
- (vii) any waiver by the Issuer of any requirement that exists for the Issuer's protection and not the protection of the Borrower or any waiver by the Issuer which does not in fact materially prejudice the Borrower;
- (viii) any honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft; and
- (ix) any payment made by the Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under, such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable.

62

---

Any action taken or omitted to be taken by the relevant Issuer under or in connection with any Letter of Credit, if taken or omitted in the absence of gross negligence or willful misconduct, shall not result in any liability of such Issuer to the Borrower or any Lender. In determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof, the Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary and, in making any payment under any Letter of Credit, the Issuer may rely exclusively on the documents presented to it under such Letter of Credit as to any and all matters set forth therein, including reliance on the amount of any draft presented under such Letter of Credit, whether or not the amount due to the beneficiary thereunder equals the amount of such draft and whether or not any document presented pursuant to such Letter of Credit proves to be insufficient in any respect, if such document on its face appears to be in order, and whether or not any other statement or any other document presented pursuant to such Letter of Credit proves to be forged or invalid or any statement therein proves to be inaccurate or untrue in any respect whatsoever, and any noncompliance in any immaterial respect of the documents presented under such Letter of Credit with the terms thereof shall, in each case, be deemed not to constitute willful misconduct or gross negligence of the Issuer.

(k) *Existing Letters of Credit.* The Existing Letters of Credit were issued to the Borrower under the Existing Credit Agreement prior to the Closing Date for the account of the Borrower or its Subsidiaries. On the Closing Date (i) such letters of credit, to the extent outstanding, shall be automatically and without further action by the parties thereto be deemed to be Letters of Credit issued pursuant to this *Section 2.4* for the account of the Borrower or its Subsidiaries, as applicable, and subject to the terms hereof, (ii) the Dollar Equivalent of the face amount of such letters of credit shall be included in the calculation of Letter of Credit Obligations, (iii) all liabilities of the Borrower with respect to such letters of credit shall constitute Obligations and (iv) all applicable fees specified in this Agreement shall be payable with respect to the Existing Letters of Credit (in substitution for any fees set forth in the Existing Credit Agreement or the applicable letter of credit reimbursement agreements or applications relating to such letters of credit) as if such letters of credit had been issued on the Closing Date; *provided*, that, no fees shall be payable on the Closing Date under the Agreement pursuant to *Section 2.12(b)(iii) (Letter of Credit Fees)* in respect of the Existing Letters of Credit.

(l) Any Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(m) Unless otherwise expressly agreed by the applicable Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each Standby Letter of Credit and (ii) the rules of the UCP shall apply to each Documentary Letter of Credit. Notwithstanding the foregoing, the applicable Issuer shall not be responsible to the Borrower for, and the applicable Issuer's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the applicable Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including any Requirement of Law or any order of a jurisdiction where the applicable Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(n) Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the applicable Issuer for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

63

---

(o) Any Letter of Credit that, by its terms or the terms of any documentation related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

### **Section 2.5 Reduction and Termination of the Commitments**

Upon at least three Business Days' prior notice to the Administrative Agent, the Borrower may terminate in whole or reduce in part ratably the unused portions of the respective Revolving Credit Commitments of the Revolving Credit Lenders; *provided, however*, that each partial reduction shall be in an aggregate amount of not less than \$1,000,000 or an integral multiple of \$1,000,000 in excess thereof. In addition, all outstanding Revolving Credit Commitments shall terminate on the applicable Revolving Credit Termination Date.

### **Section 2.6 Repayment of Loans**

(a) (i) The Borrower promises to repay the entire unpaid principal amount of the Initial Revolving Loans on the Initial Revolving Credit Termination Date or earlier, if otherwise required by the terms hereof.

(ii) The Borrower promises to repay the entire unpaid principal amount of any Extended Revolving Loans on the applicable Revolving Credit Termination Date.

(b) (i) The Borrower promises to repay the Initial Term Loans on the fifteenth day following the end of each Fiscal Quarter in an amount equal to 0.25% of the aggregate principal amount of the Initial Term Loans outstanding as of the First Amendment Effective Date; *provided, however*, that the Borrower shall repay the entire unpaid principal amount of the Initial Term Loans on the Initial Term Loan Maturity Date.

(ii) The Borrower promises to repay the 2016 Incremental Term Loans on the fifteenth day following the end of each Fiscal Quarter in an amount equal to 0.25% of the aggregate principal amount of the 2016 Incremental Term Loans outstanding as of the date on which the available commitments of the 2016 Incremental Lenders in respect of the 2016 Incremental Term Loans are reduced to zero (provided, that, for the avoidance of doubt, no such repayment shall be made on or prior to the date of the reduction of the available commitments of the 2016 Incremental Lenders in respect of the 2016 Incremental Term Loans to zero); *provided, however*, that the Borrower shall repay the entire unpaid principal amount of the Initial Term Loans on the 2016 Incremental Term Loan Maturity Date.

(iii) The Borrower promises to repay any New Incremental Loans, Extended Term Loans and Refinancing Loans on each date set forth in the applicable Incremental/Extended/Refinancing Amendment.

### **Section 2.7 Evidence of Debt**

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing Indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

64

---

(b) (i) The Administrative Agent, acting as agent of the Borrower solely for this purpose and for tax purposes, shall establish and maintain at its address referred to in *Section 11.8 (Notices, Etc.)* a record of ownership (the "Register") in which the Administrative Agent agrees to register by book entry the Administrative Agent's, each Lender's and each Issuer's interest in each Loan, each Letter of Credit and each Reimbursement Obligation, and in the right to receive any payments hereunder and any assignment of any such interest or rights. In addition, the Administrative Agent, acting as agent of the Borrower solely for this purpose and for tax purposes, shall establish and maintain accounts in the Register in accordance with its usual practice in which it shall record (i) the names and addresses of the Lenders and the Issuers, (ii) the Commitments of each Lender from time to time, (iii) the amount of each Loan made and, if a Eurodollar Rate Loan, the Interest Period applicable thereto, (iv) the amount of any drawn Letter of Credit, (v) the amount of any principal or interest due and payable, and paid, by the Borrower to, or for the account of, each Lender hereunder, (vi) the amount that is due and payable, and paid, by the Borrower to, or for the account of, each Issuer, including the amount of Letter of Credit Obligations (specifying the amount of any Reimbursement Obligations) due and payable to an Issuer, and (vii) the amount of any sum received by the Administrative Agent hereunder from the Borrower, whether such sum constitutes principal or interest (and the type of Loan to which it applies), fees, expenses or other amounts due under the Loan Documents and each Lender's and Issuer's, as the case may be, share thereof, if applicable.

(ii) Notwithstanding anything to the contrary contained in this Agreement, the Loans (including the Notes evidencing such Loans) and the Reimbursement Obligations are registered obligations and the right, title, and interest of the Lenders and the Issuers and their assignees in and to such Loans or Reimbursement Obligations, as the case may be, shall be transferable only upon notation of such transfer in the Register. A Note shall only evidence the Lender's or a registered assignee's right, title and interest in and to the related Loan, and in no event is any such Note to be considered a bearer instrument or obligation. This *Section 2.7(b)* and *Section 11.2 (Assignments and Participations)* shall be construed so that the Loans and Reimbursement Obligations are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related regulations (or any successor provisions of the Code or such regulations).

(c) The entries made in the Register and in the accounts therein maintained pursuant to *clauses (a) and (b)* above shall, to the extent permitted by applicable law, be *prima facie* evidence of the existence and amounts of the obligations recorded therein; *provided, however*, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans owing by it in accordance with their terms. In addition, the Loan Parties, the Administrative Agent, the Lenders and the Issuers shall treat each Person whose name is recorded in the Register as a Lender or as an Issuer, as applicable, for all purposes of this Agreement. Information contained in the Register with respect to any Lender or Issuer shall be available for inspection by the Borrower, the Administrative Agent, such Lender or such Issuer at any reasonable time and from time to time upon reasonable prior notice.

(d) Notwithstanding any other provision of the Agreement, in the event that any Lender requests that the Borrower execute and deliver a promissory note or notes payable to such Lender in order to evidence the Indebtedness owing to such Lender by the Borrower hereunder, the Borrower shall promptly execute and deliver a Note or Notes to such Lender evidencing any Term Loans and Revolving Loans, as the case may be, of such Lender, substantially in the forms of *Exhibit B-1 (Form of Revolving Note)* or *Exhibit B-2 (Form of Term Loan Note)*, respectively.

Each partial prepayment of (i) Base Rate Loans shall be in an aggregate amount not less than \$500,000 or integral multiples of \$100,000 in excess thereof and (ii) Eurodollar Rate Loans shall be in an aggregate amount not less than \$1,000,000 or integral multiples of \$500,000 in excess thereof.

Each partial prepayment of (i) Base Rate Loans shall be in an aggregate amount not less than \$500,000 or integral multiples of \$100,000 in excess thereof and (ii) Eurodollar Rate Loans shall be in an aggregate amount not less than \$1,000,000 or integral multiples of \$500,000 in excess thereof, and any such partial prepayment shall be applied to the remaining installments of the Term Loans as directed by the Borrower. Upon the giving of such notice of prepayment, the principal amount of the Term Loans specified to be prepaid shall become due and payable on the date specified for such prepayment.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under *Section 2.8(a) or (b)* if such prepayment would have resulted from a refinancing of all of the Facilities, which refinancing shall not be consummated or shall otherwise be delayed.

(d) If on or prior to the date six months after the Second Amendment Effective Date, (i) the Borrower makes any prepayment of Initial Term Loans in connection with any Repricing Transaction in respect of such Term Loans, or (ii) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable benefit of each Lender in respect of the Initial Term Loans, (A) in the case of clause (i), a prepayment premium of 1.00% of the amount of such Initial Term Loans being prepaid and (B) in the case of clause (ii), a payment equal to 1.00% of the aggregate amount of Initial Term Loans outstanding immediately prior to such amendment that are the subject of such Repricing Transaction.

(i) The Borrower shall have the right, at any time and from time to time (subject to the proviso to this *clause (f)(i)*), to make a voluntary prepayment of Term Loans at a discount to par pursuant to, at the Borrower's election, a Borrower Offer of Specified Discounted Prepayment, a Borrower Solicitation of Discount Range Prepayment Offers or a Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the "*Discounted Term Loan Prepayment*"); *provided,* that the Borrower shall not initiate any action under this *Section 2.8(f) (Optional Prepayments)* in order to make a Discounted Term Loan Prepayment unless (I) at least ten Business Days (or shorter period approved by the Administrative Agent, acting reasonably) shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date; or (II) at least three Business Days shall have passed since either (x) the date the Borrower was notified that no Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or (y) in the case of a Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower's election not to accept any Solicited Discounted Prepayment Offers.

(B) Each Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discounted Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "*Discounted Prepayment Accepting Lender*"), the amount and the Tranche of Term Loans of such Lender's Loans to be prepaid at the Specified Discount. Each acceptance of a Discounted Term Loan Prepayment by a Discounted Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discounted Prepayment Response is not received by the Auction Agent by the Specified Discounted Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discounted Prepayment.

The Auction Agent shall promptly, and in any case within five Business Days following the Specified Discounted Prepayment Response Date, notify (a) the Borrower of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Tranches of Term Loans to be prepaid, (b) each Lender of the Discounted Prepayment Effective Date and the aggregate principal amount and the Tranches of Term Loans to be prepaid at the Specified Discount on such date and (c) each Discounted Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and such Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with *clause (e)(vi)* below (subject to *clause (g)* below).

(iii) (A) Subject to the proviso to *clause (f)(i)* above, the Borrower may, at any time and from time to time, solicit Discount Range Prepayment Offers by providing the Auction Agent with five Business Days' notice in the form of a Discount Range Prepayment Notice; *provided*, that (1) any such solicitation shall be extended, at the sole discretion of the Borrower, to (x) each Lender and/or (y) each Lender with respect to any Tranche of Term Loans on an individual Tranche basis, (2) any such notice shall specify the maximum aggregate principal amount offered to be prepaid (the "*Discount Range Prepayment Amount*") with respect to each applicable Tranche of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "*Discount Range*") of the principal amount of such Term Loans to be prepaid (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to each Tranche of Term Loans and, in such event, each such offer will be treated as a

68

separate offer pursuant to the terms of this Section) and the Type(s) of Term Loans to be prepaid and, if Eurodollar Rate Loans are to be prepaid, the Interest Period(s) of such Term Loans, (3) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$500,000 in excess thereof and (4) each such solicitation shall remain outstanding through the Discount Range Prepayment Response Date (as defined below). The Auction Agent will promptly provide each applicable Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m. on the third Business Day (or such longer period as may be specified in the applicable Discount Range Prepayment Offer) after the date of delivery of such notice to such Lenders (the "*Discount Range Prepayment Response Date*"). Each Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "*Submitted Discount*") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Tranche or Tranches and the maximum aggregate principal amount of each Tranche of such Lender's Term Loans (the "*Submitted Amount*") that such Lender is willing to have prepaid at the Submitted Discount. Any Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range with respect to the applicable Borrower Solicitation of Discount Range Prepayment Offers.

(B) The Auction Agent shall review all Discount Range Prepayment Offers which were received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount (as defined below) and the Term Loans to be prepaid at such Applicable Discount in accordance with this *clause (f)(iii)*. The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the "*Applicable Discount*") which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (a) the Discount Range Prepayment Amount and (b) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following *clause (C)*) at the Applicable Discount (each such Lender, a "*Participating Lender*").

(C) If there is at least one Participating Lender, the Borrower will make a prepayment of outstanding Term Loans pursuant to this *clause (C)* to each Participating Lender in accordance with the respective outstanding principal amount and Tranche of Term Loans specified in such Lender's Discount Range Prepayment Offer given pursuant to *clause (A)* of this *clause (f)(iii)* at the Applicable Discount; *provided*, that if the Submitted Amount with respect to any Tranche of Term Loans by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount with respect to such Tranche, then such prepayment shall be made pro rata among the Participating Lenders in accordance with the respective Submitted Amount with respect to such Tranche of Term Loans of each such Participating

Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the "*Discount Range Proration*"). The Auction Agent shall promptly, and in any case within five Business Days following the Discount Range Prepayment Response Date, notify (a) the Borrower of the respective Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount of the Discounted Term Loan Prepayment and the Tranche of Term Loans to be prepaid, (b) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and the Tranche of Term Loans to be prepaid at the Applicable Discount on such date, (c) each Participating Lender of the aggregate principal amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Applicable Discount on such date and (d) if applicable, each Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with *clause (f)(vi)* below (subject to *clause (f)* below).

(iv) (A) Subject to the proviso to *clause (f)(i)* above, the Borrower may, at any time and from time to time, solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided*, that (1) any such

solicitation shall be extended, at the sole discretion of the Borrower, to (x) each Lender and/or (y) each Lender with respect to any Tranche of Term Loans on an individual Tranche basis, (2) any such notice shall specify the maximum aggregate principal amount offered to be prepaid (the “*Solicited Discounted Prepayment Amount*”) with respect to each applicable Tranche of Term Loans at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to each Tranche of Term Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this Section) and the Type(s) of Term Loans to be prepaid and, if Eurodollar Rate Loans are to be prepaid, the Interest Period(s) of such Term Loans, (3) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$500,000 in excess thereof and (4) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each applicable Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m. on the third Business Day (or such longer period as may be specified in the applicable Discount Range Prepayment Offer) after the date of delivery of such notice to such Lenders (the “*Solicited Discounted Prepayment Response Date*”). Each Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the “*Offered Discount*”) at which such Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Tranches of such Term Loans (the “*Offered Amount*”) such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount with respect to the applicable Borrower Solicitation of Discounted Prepayment Offers.

(B) The Auction Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the

relevant responding Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower (the “*Acceptable Discount*”), if any. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (B) (the “*Acceptance Date*”), the Borrower shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(C) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the “*Discounted Prepayment Determination Date*”), the Auction Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Term Loans (the “*Acceptable Prepayment Amount*”) to be prepaid by the Borrower at the Acceptable Discount in accordance with this clause (f)(iv). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “*Qualifying Lender*”). The Borrower will make a prepayment of the outstanding Term Loans pursuant to this clause (f)(iv) to each Qualifying Lender in accordance with the respective outstanding principal amount and Tranche of Term Loans specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided, that if the aggregate Offered Amount with respect to any Tranche of Term Loans by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount with respect to such Tranche of Term Loans, then such prepayment shall be made pro rata among the Qualifying Lenders in accordance with the respective Offered Amount with respect to such Tranche of Term Loans of each such Qualifying Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “*Solicited Discount Proration*”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (a) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Tranche of Term Loans to be prepaid, (b) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount and the Acceptable Prepayment Amount of all Term Loans and the Tranche of Term Loans to be prepaid at the Applicable Discount on such date, (c) each Qualifying Lender of the aggregate principal amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Acceptable Discount on such date and (d) if applicable, each Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Lenders shall be conclusive and binding for all

71

(v) In connection with any Discounted Term Loan Prepayment, the Borrower and the Lenders acknowledge and agree that the Auction Agent may require, as a condition to any Discounted Term Loan Prepayment, the payment by the Borrower of fees and expenses of the Auction Agent in connection therewith, as agreed to by the Auction Agent and the Borrower.

(vi) If any Term Loans are prepaid in accordance with clauses (f)(ii) through (iv) of this Section 2.8(f), the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Administrative Agent, for the account of the Discounted Prepayment Accepting Lenders, the Participating Lenders or the Qualifying Lenders, as applicable, at the Administrative Agent’s Office in immediately available funds not later than 11:00 a.m. on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant Tranche or Tranches of Term Loans on a pro rata basis across such installments. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.8(f) shall be paid to the Discounted Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Term Loans of such Lenders in the manner specified in the applicable subsection of this Section 2.8(f). The aggregate principal amount of, and the remaining installments of, each Tranche of Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of such Tranche of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(vii) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.8(f) or as may otherwise be established from time to time by the Auction Agent acting in its reasonable discretion and agreed to by the Borrower.

(viii) Notwithstanding anything in any Loan Document to the contrary, for purposes of this *Section 2.8(f)*, each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent's (or such delegate's) actual receipt during normal business hours of such notice or communication; *provided*, that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(ix) The Borrower and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this *Section 2.8(f)* by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this *Section 2.8(f)* as well as activities of the Auction Agent.

(g) The Borrower shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discounted Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment

(A) if a Base Rate Loan or such other Obligation, at a rate *per annum* equal to the sum of (A) the Base Rate as in effect from time to time and (B) the Applicable Margin; and

(B) if a Eurodollar Rate Loan, at a rate *per annum* equal to the sum of (A) the Eurodollar Rate determined for the applicable Interest Period and (B) the Applicable Margin in effect from time to time during such Interest Period.

(b) *Interest Payments.* (i) Interest accrued on each Base Rate Loan (other than Swing Loans) shall be payable in arrears (A) on the first Business Day of each calendar quarter, commencing on the first such day following the making of such Base Rate Loan, (B) in the case of Base Rate Loans that are Term Loans, upon the payment or prepayment thereof in full or in part on the principal amount paid or prepaid and (C) if not previously paid in full, at maturity (whether by acceleration or otherwise) of such Loan, (ii) interest accrued on Swing Loans shall be payable in arrears on the first Business Day of the immediately succeeding calendar quarter, (iii) interest accrued on each Eurodollar Rate Loan shall be payable in arrears (A) on the last day of each Interest Period applicable to such Loan and, if such Interest Period has a duration of more than three months, on each date during such Interest Period occurring every three months from the first day of such Interest Period, (B) upon the payment or prepayment thereof in full or in part on the principal amount paid or prepaid and (C) if not previously paid in full, at maturity (whether by acceleration or otherwise) of such Loan and (iv) interest accrued on the amount of all other Obligations shall be payable on demand from and after the time such Obligation becomes due and payable (whether by acceleration or otherwise).

(c) *Default Interest.* Notwithstanding the rates of interest specified in *clause (a)* above or elsewhere herein, effective immediately upon the occurrence of an Event of Default under *Section 9.1(a), (b) or (f) (Events of Default)* and for as long thereafter as such Event of Default shall be continuing, the principal balance of all Loans and the amount of all other Obligations then due and payable shall bear interest at a rate that is two percent per annum in excess of the rate of interest applicable to such Loans or other Obligations from time to time. Such interest shall be payable on the date that would otherwise be applicable to such interest pursuant to *clause (b)* above or otherwise on demand.

## Section 2.11 Conversion/Continuation Option

(a) The Borrower may elect (i) at any time on any Business Day to convert Base Rate Loans (other than Swing Loans) or any portion thereof to Eurodollar Rate Loans and (ii) at the end of any applicable Interest Period, (A) to convert Eurodollar Rate Loans or any portion thereof into Base Rate Loans or (B) to continue Eurodollar Rate Loans, or any portion thereof, for an additional Interest Period; *provided, however*, that (i) the aggregate amount of the Base Rate Loans for each Interest Period must be in the amount of at least \$500,000 or an integral multiple of \$100,000 in excess thereof and (ii) the aggregate amount of the Eurodollar Rate Loans for each Interest Period must be in the amount of at least \$1,000,000 or an integral multiple of \$500,000 in excess thereof. Each conversion or continuation shall be allocated among the Loans of each Lender in accordance with such Lender's Ratable Portion. Each such election shall be in substantially the form of *Exhibit F (Form of Notice of Conversion or Continuation)* (a "Notice of Conversion or Continuation") and shall be made by giving the Administrative Agent at least three Business Days' prior written notice specifying (A) the amount and type of Loan being converted or continued, (B) in the case of a conversion to or a continuation of Eurodollar Rate Loans, the applicable Interest Period and (C) in the case of a conversion, the date of such conversion.

75

---

(b) The Administrative Agent shall promptly notify each applicable Lender of its receipt of a Notice of Conversion or Continuation and of the options selected therein. Notwithstanding the foregoing, no conversion in whole or in part of Base Rate Loans to Eurodollar Rate Loans and no continuation in whole or in part of Eurodollar Rate Loans upon the expiration of any applicable Interest Period shall be permitted at any time at which (i) an Event of Default shall have occurred and be continuing or (ii) the continuation of, or conversion into, a Eurodollar Rate Loan would violate any provision of *Section 2.14 (Special Provisions Governing Eurodollar Rate Loans)*. If, within the time period required under the terms of this *Section 2.11*, the Administrative Agent does not receive a Notice of Conversion or Continuation from the Borrower containing a permitted election to continue any Eurodollar Rate Loans for an additional Interest Period or to convert any such Loans, then, upon the expiration of the applicable Interest Period, such Loans shall be automatically converted to Base Rate Loans. Each Notice of Conversion or Continuation shall be irrevocable.

## Section 2.12 Fees

(a) *Unused Commitment Fee.* The Borrower agrees to pay in immediately available Dollars to each Revolving Credit Lender a commitment fee on the actual daily amount by which the Revolving Credit Commitment of such Revolving Credit Lender exceeds the sum of (A) such Revolving Credit Lender's Ratable Portion of the aggregate outstanding principal amount of Revolving Loans and (B) such Revolving Credit Lender's Ratable Portion of the outstanding amount of the aggregate Letter of Credit Obligations (the "Unused Commitment Fee") from the Closing Date through the Revolving Credit Termination Date at the Applicable Unused Commitment Fee Rate, payable in arrears (x) on the first Business Day of each calendar quarter, commencing on the first such Business Day following the Closing Date and (y) on the Revolving Credit Termination Date.

(b) *Letter of Credit Fees.* The Borrower agrees to pay the following amounts with respect to Letters of Credit issued by any Issuer:

(i) to the applicable Issuer of a Letter of Credit, with respect to each Letter of Credit issued by such Issuer, an issuance fee not greater than 0.25% per annum of the Dollar Equivalent of the maximum undrawn face amount of such Letter of Credit, payable in arrears (A) (1) on the first Business Day of each calendar

quarter, commencing on the first such Business Day following the issuance of such Letter of Credit and (2) on the Revolving Credit Termination Date or (B) on such other dates as agreed to by the Borrower and the applicable Issuer;

(ii) to the Administrative Agent for the ratable benefit of the Revolving Credit Lenders, with respect to each Letter of Credit, a fee accruing in Dollars at a rate per annum equal to the Applicable Margin for Revolving Loans that are Eurodollar Rate Loans on the Revolving Credit Lenders' Ratable Portion of the Dollar Equivalent of the maximum undrawn face amount of such Letter of Credit, payable in arrears (1) on the first Business Day of each calendar quarter, commencing on the first such Business Day following the issuance of such Letter of Credit and (2) on the Revolving Credit Termination Date; and

(iii) to the Issuer of any Letter of Credit, with respect to the issuance, amendment or transfer of each Letter of Credit and each drawing made thereunder, customary documentary and processing charges in accordance with such Issuer's standard schedule for such charges in effect at the time of issuance, amendment, transfer or drawing, as the case may be.

(c) *Defaulting Lender Fees.* Notwithstanding anything herein to the contrary, during such period as a Lender is a Defaulting Lender, such Defaulting Lender will not be entitled to any fees accruing during such period pursuant to *clauses (a) and (b)* above (without prejudice to the rights of the Lenders

76

---

other than Defaulting Lenders in respect of such fees); *provided*, that (i) to the extent that a Ratable Portion of the Letter of Credit Obligations or Swing Loans of such Defaulting Lender is reallocated to the Non-Defaulting Lenders pursuant to *Section 2.18(a) (Defaulting Lender)*, such fees that would have accrued for the benefit of such Defaulting Lender will instead accrue for the benefit of and be payable to such Non-Defaulting Lenders, *pro rata* in accordance with their respective Commitments, and (ii) to the extent any portion of such Letter or Credit Obligations or Swing Loans cannot be so reallocated and the Borrower has not provided cash collateral, such fees will instead accrue for the benefit of and be payable to the Issuer and the Swing Lender as their interests appear (and the *pro rata* payment provisions of *Section 2.13 (Payments and Computations)* will automatically be deemed adjusted to reflect the provisions of this *Section 2.12(c) (Fees)*).

(d) *Additional Fees.* The Borrower has agreed to pay to the Agents and the Arrangers, as applicable, additional fees, the amount and dates of payment of which are embodied in the Fee Letter, the Engagement Letter, the First Amendment Engagement Letter and the Second Amendment Engagement Letter.

### **Section 2.13 Payments and Computations**

(a) The Borrower shall make each payment hereunder (including fees and expenses) not later than 2:00 p.m. (New York time) on the day when due, in the currency specified herein (or, if no such currency is specified, in Dollars) to the Administrative Agent at its address referred to in *Section 11.8 (Notices, Etc.)* in immediately available funds without set-off or counterclaim. The Administrative Agent shall promptly thereafter cause to be distributed immediately available funds relating to the payment of principal, interest or fees to the applicable Lenders, in accordance with the application of payments set forth in *clause (f) or (g)* below, as applicable, for the account of their respective Applicable Lending Offices; *provided, however*, that amounts payable pursuant to *Section 2.14(c) (Illegality)*, *Section 2.15 (Increased Costs and Capital Adequacy)* or *Section 2.16 (Taxes)* shall be paid only to the affected Lender or Lenders and amounts payable with respect to Swing Loans shall be paid only to the applicable Swing Lender. Payments received by the Administrative Agent after 2:00 p.m. (New York time) shall be deemed to be received on the next Business Day.

(b) All computations of interest and of fees shall be made by the Administrative Agent on the basis of a year of 360 days (or 365/366 days in the case of Obligations bearing interest at the Base Rate and the Applicable Unused Commitment Fee Rate), in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest and fees are payable. Each determination by the Administrative Agent of a rate of interest hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Each payment by the Borrower of any Loan, Reimbursement Obligation (including interest or fees in respect thereof) and each reimbursement of various costs, expenses or other Obligation shall be made in the currency in which such Loan was made, such Letter of Credit issued or such cost, expense or other Obligation was incurred; *provided, however*, that (i) the Letter of Credit Reimbursement Agreement for a Letter of Credit may specify another currency for the Reimbursement Obligation in respect of such Letter of Credit and (ii) other than for payments in respect of a Loan or Reimbursement Obligation, Loan Documents duly executed by the Administrative Agent or any Hedging Contract may specify other currencies of payment for Obligations created by or directly related to such Loan Document or Hedging Contract.

(d) Whenever any payment hereunder shall be stated to be due on a day other than a Business Day, the due date for such payment shall be extended to the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or fees, as the

77

---

case may be; *provided, however*, that if such extension would cause payment of interest on or principal of any Eurodollar Rate Loan to be made in the next calendar month, such payment shall be made on the immediately preceding Business Day. All repayments of any Loans denominated in Dollars shall be applied to repay such Loans outstanding as Base Rate Loans or Eurodollar Rate Loans as notified by the Borrower to the Administrative Agent in writing (which writing may be by telecopy or electronic mail) not later than 1:00 p.m. (New York time) one Business Day prior to the scheduled date of such payment, with those Eurodollar Rate Loans having earlier expiring Eurodollar Interest Periods being repaid prior to those having later expiring Eurodollar Interest Periods; *provided, however*, that if the Borrower fails to so notify the Administrative Agent, such payment shall be applied *first*, to repay such Loans outstanding as Base Rate Loans and *then*, to repay such Loans outstanding as Eurodollar Rate Loans.

(e) Unless the Administrative Agent shall have received notice from the Borrower to the Lenders prior to the date on which any payment is due hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each applicable Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have made such payment in full to the Administrative Agent, each applicable Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon (in the case of the Administrative Agent, at the Federal Funds Rate for the first Business Day and thereafter, at the rate applicable to Base Rate Loans) for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent.

(f) Except for payments and other amounts received by the Administrative Agent and applied in accordance with the provisions of *clause (g)* below (or required to be applied in accordance with *Section 2.9(c) (Mandatory Prepayments)*), all payments and any other amounts received by the Administrative Agent from or for the benefit of the Borrower shall be applied as follows: *first*, to pay principal of, and interest on, any portion of the Loans the Administrative Agent may have advanced pursuant to the express provisions of this Agreement on behalf of any Lender, for which the Administrative Agent has not then been reimbursed by such Lender or the Borrower, *second*, to pay all other Obligations then due and payable and *third*, as the Borrower so designates. Payments in respect of Swing Loans received by the Administrative Agent shall be distributed to the applicable Swing Lender; payments in respect of Revolving Loans received by the Administrative Agent shall be distributed to each Revolving Credit Lender

in accordance with such Lender's Ratable Portion of the Revolving Credit Facility; payments in respect of Term Loans in any Tranche received by the Administrative Agent shall be distributed to each Term Lender holding Term Loans in such Tranche in accordance with such Lender's Ratable Portion of such Tranche; and all payments of fees and all other payments in respect of any other Obligation shall be allocated among such of the Lenders and Issuers as are entitled thereto and, for such payments allocated to the Lenders, in proportion to their respective Ratable Portions. Subject to *Section 2.22(c) (Incremental/Extended/Refinancing Amendments Generally)*, each repayment or prepayment of Loans shall be applied ratably among Tranches of Loans then outstanding, except as may otherwise be set forth in any Incremental/Extended/Refinancing Amendment (it being understood that the Net Cash Proceeds of any Loan Agreement Refinancing Debt shall be applied solely to each applicable Tranche of Refinanced Debt pro rata among the Lenders holding Term Loans in the applicable Tranches). All payments of fees and all other payments in respect of any other Obligation shall be allocated among such of the Lenders as are entitled thereto and, for such payments allocated to the Lenders, in proportion to their respective Ratable Portions.

(g) The Borrower hereby irrevocably waives the right to direct the application of any and all payments in respect of the Obligations and any proceeds of Collateral after the occurrence and during the continuance of an Event of Default and agrees that, notwithstanding the provisions of *Section 2.9(c)*

78

---

(Mandatory Prepayments) and clause (f) above, the Administrative Agent may, and, upon either (A) the written direction of the Requisite Lenders or (B) the acceleration of the Obligations pursuant to *Section 9.2 (Remedies)* shall, apply all payments in respect of any Obligations and all funds on deposit in any Cash Collateral Account and all other proceeds of Collateral in the following order:

- (i) *first*, to pay Obligations in respect of any expense reimbursements or indemnities then due to the Administrative Agent;
- (ii) *second*, to pay Obligations in respect of any expense reimbursements or indemnities then due to the Agents (other than the Administrative Agent), the Lenders and the Issuers;
- (iii) *third*, to pay Obligations in respect of any fees then due to the Agents, the Lenders and the Issuers;
- (iv) *fourth*, to pay interest then due and payable in respect of the Loans and Reimbursement Obligations;
- (v) *fifth*, to pay or prepay principal amounts on the Loans and Reimbursement Obligations, to provide cash collateral for outstanding Letter of Credit Undrawn Amounts in the manner described in *Section 9.3 (Actions in Respect of Letters of Credit)* and to pay Cash Management Obligations and amounts owing with respect to Hedging Contracts, ratably to the aggregate principal amount of such Loans, Reimbursement Obligations and Letter of Credit Undrawn Amounts, Cash Management Obligations and Obligations owing with respect to Hedging Contracts; and
- (vi) *sixth*, to the ratable payment of all other Obligations;

*provided, however*, that if sufficient funds are not available to fund all payments to be made in respect of any Obligation described in any of *clauses (i), (ii), (iii), (iv), (v) and (vi)* above, the available funds being applied with respect to any such Obligation (unless otherwise specified in such clause) shall be allocated to the payment of such Obligation ratably, based on the proportion of each Agent's and each Lender's or Issuer's interest in the aggregate outstanding Obligations described in such clauses; *provided, further*, that payments that would otherwise be allocated to the Revolving Credit Lenders shall be allocated *first* to pay interest on and principal of any portion of the Revolving Loans that the Administrative Agent may have advanced on behalf of any Lender for which the Administrative Agent has not then been reimbursed by such Lender or the Borrower, *second* to repay Swing Loans until such Loans are repaid in full and *then* to repay the Revolving Loans. The order of priority set forth in *clauses (i), (ii), (iii), (iv), (v) and (vi)* above may at any time and from time to time be changed by the agreement of the Requisite Lenders without necessity of notice to or consent of or approval by the Borrower, any Secured Party that is not a Lender or Issuer or by any other Person that is not a Lender or Issuer. The order of priority set forth in *clauses (i), (ii) and (iii)* above may be changed with respect to amounts owing to any Agent only with the prior written consent of such Agent.

(h) If any Lender is a Defaulting Lender, such Defaulting Lender shall be deemed to have assigned any and all payments in respect of the Obligations and any proceeds of Collateral due to it from or for the benefit of the Borrower to the Non-Defaulting Lenders for application to, and reduction of, their Ratable Portion of all Obligations until such Non-Defaulting Lenders have been repaid in full. Such Defaulting Lender hereby authorizes the Administrative Agent to distribute such payments to the Non-Defaulting Lenders in accordance with *Section 2.9(c) (Mandatory Prepayments)* and this *Section 2.13 (Payments and Computations)*. This *Section 2.13(h) (Payments and Computations)* shall apply and be

79

---

effective regardless of whether an Event of Default has occurred and is continuing and notwithstanding (i) any other provision of this Agreement to the contrary or (ii) any instruction of the Borrower as to its desired application of payments.

#### **Section 2.14 Special Provisions Governing Eurodollar Rate Loans**

##### **(a) Determination of Interest Rate**

The Eurodollar Rate for each Interest Period for Eurodollar Rate Loans shall be determined by the Administrative Agent pursuant to the procedures set forth in the definition of "Eurodollar Rate." The Administrative Agent's determination shall be presumed to be correct absent manifest error and shall be binding on the Borrower and the Lenders.

##### **(b) [Reserved]**

##### **(c) Illegality**

Notwithstanding any other provision of this Agreement, if any Lender determines that the introduction of, or any change in or in the interpretation of, any law, treaty or governmental rule, regulation or order after the Closing Date shall make it unlawful, or any central bank or other Governmental Authority shall assert that it is unlawful, for any Lender or its applicable Lending Office to make Eurodollar Rate Loans or to continue to fund or maintain Eurodollar Rate Loans, then, on notice thereof and demand therefor by such Lender to the Borrower through the Administrative Agent, (i) the obligation of such Lender to make or to continue Eurodollar Rate Loans and to convert Base Rate Loans into Eurodollar Rate Loans shall be suspended, and each such Lender shall make a Base Rate Loan as part of any requested Borrowing of Eurodollar Rate Loans and (ii) if the affected Eurodollar Rate Loans are then outstanding, the Borrower shall immediately convert each such Loan into a Base Rate Loan. If, at any time after a Lender gives notice under this *clause (c)*, such Lender determines that it may lawfully make Eurodollar Rate Loans, such Lender shall promptly give notice of that determination to the

Borrower and the Administrative Agent, and the Administrative Agent shall promptly transmit the notice to each other Lender. The Borrower's right to request, and such Lender's obligation, if any, to make Eurodollar Rate Loans shall thereupon be restored.

(d) *Breakage Costs*

In addition to all amounts required to be paid by the Borrower pursuant to *Section 2.10 (Interest)*, the Borrower shall compensate each Lender, upon written request, for all losses, expenses and liabilities (including any loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such Lender's Eurodollar Rate Loans to the Borrower but excluding any loss of the Applicable Margin on the relevant Loans) that such Lender may sustain (i) if for any reason (other than solely by reason of such Lender being a Defaulting Lender) a proposed Borrowing, conversion into or continuation of Eurodollar Rate Loans does not occur on a date specified therefor in a Notice of Borrowing or a Notice of Conversion or Continuation given by the Borrower or in a telephonic request by it for borrowing or conversion or continuation or a successive Interest Period does not commence after notice therefor is given pursuant to *Section 2.11 (Conversion/Continuation Option)*, (ii) if for any reason any Eurodollar Rate Loan is prepaid (including mandatorily pursuant to *Section 2.9 (Mandatory Prepayments)*) on a date that is not the last day of the applicable Interest Period, (iii) as a consequence of a required conversion of a Eurodollar Rate Loan to a Base Rate Loan as a result of any of the events indicated in *clause (d)* above or (iv) as a consequence of any failure by the Borrower to repay Eurodollar Rate Loans when required by the terms hereof. The Lender making demand for such compensation shall deliver to the Borrower concurrently with such demand a written statement as to such

80

---

losses, expenses and liabilities, and this statement shall be conclusive and binding for all purposes as to the amount of compensation due to such Lender, absent manifest error.

**Section 2.15** *Increased Costs and Capital Adequacy*

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurodollar Rate) or any Issuer;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in *clauses (b) through (d)* of the definition of "Excluded Taxes" and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or any Issuer or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such Issuer or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, Issuer or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, Issuer or other Recipient, the Borrower will pay to such Lender, Issuer or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, Issuer or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) *Capital Adequacy.* If at any time any Lender determines that a Change in Law shall have the effect of reducing the rate of return on such Lender's (or any corporation controlling such Lender's) capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such adoption, change, compliance or interpretation, then, upon demand from time to time by such Lender (with a copy of such demand to the Administrative Agent), the Borrower shall pay to the Administrative Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender for such reduction. A certificate as to such amounts submitted to the Borrower and the Administrative Agent by such Lender shall be conclusive and binding for all purposes absent manifest error; *provided*, that such Lender's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers which, as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions.

**Section 2.16** *Taxes*

(a) *Issuer.* For Purposes of this *Section 2.16*, the term "Lender" includes any Issuer.

(b) *Payments Free of Taxes.* Any and all payments by or on account of the Borrower under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by law. If any applicable law (as determined in the good faith discretion of an applicable Withholding

81

---

Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) *Payments of Other Taxes by the Borrower.* The Borrower shall timely pay to the relevant Governmental Authority, in accordance with applicable law, or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(d) *Indemnification by the Borrower.* The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) *Indemnification by the Lenders.* Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of *Section 11.2 (Assignments and Participations)*, (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this *clause (e)*.

(f) *Evidence of Payments.* As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this *Section 2.16*, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) *Status of Lenders.* (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative

82

---

Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in *Section 2.16(g)(ii)(A)*, *(ii)(B)* and *(ii)(D)* below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Borrower,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit L-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2 or Exhibit L-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided*, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S.

83

---

Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) *Treatment of Certain Refunds.* If a Recipient determines, in its sole discretion, that it has received a refund or credit of any Indemnified Taxes as to which additional amounts have been paid or as to which it has been indemnified pursuant to this *Section 2.16*, it shall pay over such refund or credit to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid), net of expenses of such Recipient; *provided, however*, that the Borrower, upon the request of the Recipient, shall repay to such Recipient the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) that is required to be repaid after receipt of written notice setting forth in reasonable detail a calculation of such amount and certifying that the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified Recipient be required to pay any amount to the Borrower pursuant to this paragraph (h) the payment of which would place such Recipient in a less favorable after-tax position than such party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any Recipient to make available its Tax Returns (or any other information relating to its Taxes which it deems confidential) to the Borrower or any other Person or to require any Recipient to apply for a refund of Taxes.

(i) *Survival.* Each party's obligations under this *Section 2.16* shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender,

84

the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

### ***Section 2.17 Mitigation Obligations; Substitution of Lenders***

(a) *Designation of a Different Lending Office.* If any Lender requests compensation under *Section 2.15 (Increased Costs and Capital Adequacy)*, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to *Section 2.16 (Taxes)*, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to *Section 2.15 (Increased Costs and Capital Adequacy)* or *Section 2.16 (Taxes)*, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) *Replacement of Lenders.* (i) In the event that (i)(A) any Lender makes a claim under *Section 2.15 (Increased Costs and Capital Adequacy)*, (B) it becomes illegal for any Lender to continue to fund or make any Eurodollar Rate Loan and such Lender notifies the Borrower pursuant to *Section 2.14(c) (Illegality)*, (C) any Loan Party is required to make any payment pursuant to *Section 2.16 (Taxes)* that is attributable to a particular Lender or (D) any Lender becomes a Defaulting Lender and (ii) in the case of clause (i)(A) above, as a consequence of increased costs in respect of which such claim is made, the effective rate of interest payable to such Lender under this Agreement with respect to its Loans materially exceeds the effective average annual rate of interest payable to the Requisite Lenders under this Agreement (any such Lender, an "Affected Lender"), the Borrower may substitute any Lender and, if reasonably acceptable to the Administrative Agent, any other Eligible Assignee (a "Substitute Institution") for such Affected Lender hereunder, after delivery of a written notice (a "Substitution Notice") by the Borrower to the Administrative Agent and the Affected Lender within a reasonable time (in any case not to exceed 90 days) following the occurrence of any of the events described in *clause (i)* above that the Borrower intends to make such substitution.

(ii) If the Substitution Notice was properly issued under this *Section 2.17*, the Affected Lender shall sell, and the Substitute Institution shall purchase, all rights and claims of such Affected Lender under the Loan Documents and the Substitute Institution shall assume, and the Affected Lender shall be relieved of, the Affected Lender's Revolving Credit Commitments and all other prior unperformed obligations of the Affected Lender under the Loan Documents (other than in respect of any damages (which pursuant to *Section 11.5 (Limitation of Liability)*, do not include exemplary or punitive damages, to the extent permitted by applicable law) in respect of any such unperformed obligations). Such purchase and sale (and the corresponding assignment of all rights and claims hereunder) shall be recorded in the Register maintained by the Administrative Agent and shall be effective on (and not earlier than) the later of (i) the receipt by the Affected Lender of its Ratable Portion of the Revolving Credit Outstandings, the Term Loans, together with any other Obligations owing to it, (ii) the receipt by the Administrative Agent of an agreement in form and substance satisfactory to it and the Borrower whereby the Substitute Institution shall agree to be bound by the terms hereof and (iii) the payment in full to the Affected Lender in cash of all fees, unreimbursed costs and expenses and indemnities accrued and unpaid through such effective date. Upon the effectiveness of such sale, purchase and assumption, the Substitute Institution shall become a "Lender" hereunder for all purposes of this Agreement having a Commitment in the amount of such Affected Lender's Commitment assumed by it and such Commitment of the

85

---

Affected Lender shall be terminated; *provided, however*, that all indemnities under the Loan Documents shall continue in favor of such Affected Lender.

(iii) Each Lender agrees that, if it becomes an Affected Lender and its rights and claims are assigned hereunder to a Substitute Institution pursuant to this *Section 2.17(b)*, it shall execute and deliver to the Administrative Agent an Assignment and Acceptance to evidence such assignment, together with any Note (if such Loans are evidenced by a Note) evidencing the Loans subject to such Assignment and Acceptance; *provided, however*, that the failure of any Affected Lender to execute an Assignment and Acceptance shall not render such assignment invalid.

### ***Section 2.18 Defaulting Lender***

(a) *Reallocation of Defaulting Lender Commitment.* If a Lender becomes, and during the period it remains, a Defaulting Lender, the following provisions shall apply with respect to any outstanding Letter of Credit Obligations and any outstanding Swing Loans:

(i) the Ratable Portion of such Defaulting Lender with respect to any Letter of Credit Obligations and any outstanding Swing Loans will, subject to the limitation in the first proviso below, automatically be reallocated (effective on the date such Lender becomes a Defaulting Lender) among the Revolving Credit Lenders that are Non-Defaulting Lenders *pro rata* in accordance with their respective Revolving Credit Commitments; *provided*, that (A) the sum of each Non-Defaulting Lender's Ratable Portion of the Revolving Credit Outstandings may not in any event exceed the Revolving Credit Commitment of such Non-Defaulting Lender as in effect at the time of such reallocation and (B) subject to *Section 1.7 (Acknowledgment and Consent to EEA Financial Institution Bail-In)*, neither such reallocation nor any payment by a Non-Defaulting Lender pursuant thereto will constitute a waiver or release of any claim the Borrower, the Administrative Agent, any Issuer, any Swing Lender or any other Lender may have against such Defaulting Lender or cause such Defaulting Lender to be a Non-Defaulting Lender; *provided*, that to the extent that amounts are reallocated among the Revolving Credit Lenders in accordance with this *clause (i)* and any cash collateral was provided

pursuant to *clause (ii)(A)* below with respect to any such Letter of Credit Obligations or Swing Loans, the cash collateral requirement pursuant to such *clause (ii)(A)* will terminate and the each applicable Issuer and Swing Lender will cause any cash collateral posted with respect to their respective Letter of Credit Obligations or Swing Loans, as the case may be, to be returned to the Borrower subject to any terms relating to such cash collateral;

(ii) to the extent that any portion (the “*unreallocated portion*”) of the Ratable Portion of such Defaulting Lender with respect to any Letter of Credit Obligations and any outstanding Swing Loans cannot be so reallocated, the Borrower will promptly, and in no event later than 10 Business Days after any demand by the Administrative Agent (at the direction of the Issuer and/or the Swing Lender, as the case may be), (A)(x) cash collateralize the obligations of the Borrower to the Issuers in respect of such Letter of Credit Obligations, in an amount at least equal to the aggregate amount of the unreallocated portion of such Letter of Credit Obligations on terms acceptable to the Administrative Agent and such Issuer and (y) in the case of such outstanding Swing Loans, prepay (subject to *clause (iii)* below) and/or cash collateralize (on terms reasonably acceptable to the Administrative Agent and such Swing Lender) in full the unreallocated portion thereof, or (B) make other arrangements reasonably satisfactory to the Administrative Agent, and to the Issuers and the Swing Lender, as the case may be, in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender, in each case without duplications with respect to any prior actions taken with respect to such Letter of Credit Obligations and Swing Loans pursuant to *clause (b)* below; and

86

(iii) any amount paid by the Borrower for the account of a Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity payments or other amounts) will not be paid or distributed to such Defaulting Lender, but will instead be retained by the Administrative Agent in a segregated, non-interest bearing account until the termination of the Revolving Credit Commitments and payment in full of all Obligations of the Borrower hereunder in respect of the Revolving Credit Facility and will be applied by the Administrative Agent, to the fullest extent permitted by law, to the making of payments from time to time in the following order of priority: *first* to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent under this Agreement, *second* to the payment of any amounts owing by such Defaulting Lender to any Issuer or the Swing Lender (*pro rata* as to the respective amounts owing to each of them) under this Agreement, *third* to the payment of post-default interest and then current interest due and payable to the Non-Defaulting Lenders hereunder other than Defaulting Lenders, ratably among them in accordance with the amounts of such interest then due and payable to them, *fourth* to the payment of fees then due and payable to the Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such fees then due and payable to them, *fifth* to pay principal and Reimbursement Obligations then due and payable to the Non-Defaulting Lenders hereunder ratably in accordance with the amounts thereof then due and payable to them, *sixth* to the ratable payment of other amounts then due and payable to the Non-Defaulting Lenders, and *seventh* after the termination of the Revolving Credit Commitments and payment in full of all Obligations of the Borrower hereunder, to pay amounts owing under this Agreement to such Defaulting Lender or as a court of competent jurisdiction may otherwise direct.

(b) *Termination of Defaulting Lender Commitments.* The Borrower may terminate the unused amount of the Revolving Credit Commitment of a Defaulting Lender upon not less than 10 Business Days’ prior notice to the Administrative Agent (which will promptly notify the Lenders thereof), and in such event the provisions of *Section 2.13 (Payments and Computations)* will apply to all amounts thereafter paid by the Borrower for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts); *provided*, that such termination will not be deemed to be a waiver or release of any claim the Borrower, the Administrative Agent, the Issuer, the Swing Lender or any Lender may have against such Defaulting Lender.

(c) *Cure.* If the Borrower, Administrative Agent, the Issuer and the Swing Lender agree in writing in their discretion that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, as the case may be, the Administrative Agent will so notify the parties hereto, whereupon as of the closing date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any amounts then held in the segregated account referred to in *Section 2.18(a) (Defaulting Lender)*), (i) such Lender will, to the extent applicable, purchase such portion of outstanding Loans of the other Lenders and/or make such other adjustments as the Administrative Agent may determine to be necessary to cause such Lender’s Ratable Portion to be on a *pro rata* basis in accordance with their respective Revolving Credit Commitment, whereupon such Lender will cease to be a Defaulting Lender and will be a Non-Defaulting Lender; *provided*, that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender and (ii) the cash collateral requirements set forth in this *Section 2.18* will terminate and the each applicable Issuer and Swing Lender will cause any cash collateral posted with respect to their respective Letter of Credit Obligations or Swing Loans, as the case may be, to be returned to the Borrower subject to any terms relating to such cash collateral; *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender having been a Defaulting Lender.

87

(d) *Notices.* The Administrative Agent will promptly send to each Lender and Issuer a copy of any notice to the Borrower provided for in this *Section 2.18*.

### **Section 2.19 Facility Increases.**

(a) Pursuant to the terms and subject to the conditions hereof, including *Section 2.22 (Incremental/Extended/Refinancing Amendments Generally)*, the Borrower may request, from any Lender or any New Lender, with at least 10 Business Days’ (or such shorter period as may be agreed by the Administrative Agent) prior written notice to the Administrative Agent, (i) new term loans under one or more new term loan credit facilities to be included in this Agreement (the “*New Incremental Term Loan*”) and/or (ii) increases in the amount of Revolving Credit Commitments (any such new commitments, collectively, the “*New Incremental Revolving Commitments*” and, any loans made thereunder, the “*New Incremental Revolving Loans*”, together with the New Incremental Term Loans, the “*New Incremental Loans*”), the proceeds of which, in each case, may be used for general corporate purposes (such increase of the outstanding principal amount of the Loans, a “*Facility Increase*”).

(b) *Terms.* The terms of such New Incremental Term Loans, the New Incremental Revolving Commitments or New Incremental Revolving Loans, as the case may be, shall be determined by the Borrower and the applicable Lenders or New Lenders providing such New Incremental Loans; *provided*, that:

(i) such New Incremental Term Loans shall (A) have a final maturity no earlier than the Latest Maturity Date and a Weighted Average Life to Maturity no shorter than the remaining Weighted Average Life to Maturity of any existing Tranche of Term Loans; (B) have Applicable Margins and amortization schedules determined by the Borrower and the Lenders or New Lenders with respect thereto (*provided*, that in the event the All-in Yield applicable to any New Incremental Term Loans shall be more than 0.50% higher than the All-in Yield then applicable to any existing Tranche of Term Loans, the Applicable Margin with respect to any such existing Tranche of Term Loans shall be increased so that the All-in Yield applicable to any such existing Tranche of Term Loans following the applicable effective date of the Facility Increase is equal to the All-in Yield applicable to the New Incremental Term Loans *minus* 0.50%), *provided*, that in determining the applicable All-in Yield for the Initial Term Loans and the New Incremental Term Loan, (1) OID or upfront fees payable generally to all lenders providing such New Incremental Term Loan in lieu of OID (which shall be deemed to constitute like amounts of OID) payable by the Borrower to the Lenders under the Initial Term Loans or any New Incremental Term Loan in the initial primary syndication thereof shall be included (with OID being equated to interest based on an assumed four-year life to maturity), (2) any arrangement, structuring or other fees payable in connection with the New Incremental Term Loan that are not shared with all Lenders providing such New Incremental Term Loan shall be excluded; (3) any amendments to the Applicable Margin on the Initial Term Loans that became effective subsequent to the Closing

Date but prior to the time of such New Incremental Term Loan shall also be included in such calculations and (4) if the New Incremental Term Loans include an interest rate floor greater than the interest rate floor applicable to the Initial Term Loans, such increased amount shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for the Initial Term Loans shall be required, to the extent an increase in the interest rate floor for the Initial Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to the Initial Term Loans, respectively, shall be increased by such amount; and (C) otherwise be on terms, to the extent not identical to the terms of the Initial Term Loans, reasonably satisfactory to the Administrative Agent and the Borrower; and

(ii) such New Incremental Revolving Commitments and New Incremental Revolving Loans shall be identical to the Revolving Credit Commitments and the Revolving Loans.

(c) *Procedures.* In connection with any Facility Increase after the Second Amendment Effective Date:

(i) such Facility Increase shall be in an aggregate principal amount not in excess of the Facility Increase Allowance; *provided*, that each request for New Incremental Loans shall be for a minimum amount of the lesser of (x) \$25,000,000 and (y) the entire amount that may be requested under this *Section 2.19(c)*; and

(ii) in the event there are Lenders and New Lenders that have committed to New Incremental Loans in excess of the maximum amount requested (or permitted), then the Administrative Agent shall have the right to allocate such commitments on a basis the Administrative Agent reasonably determines is appropriate in consultation with the Borrower. Upon the applicable Incremental/Extended/Refinancing Effective Date, the Administrative Agent shall promptly notify the Borrower and the Lenders of the final allocation of such New Incremental Loans.

(d) *New Incremental Notes.*

(i) The Borrower may from time to time, upon notice to the Administrative Agent, specifying in reasonable detail the proposed terms thereof, request to issue one or more series of senior secured notes which shall have the same Lien priority as the Obligations (such notes, collectively, "*New Incremental Notes*") in an aggregate amount not to exceed the Facility Increase Allowance (at the time of issuance); *provided*, that any such issuance of New Incremental Notes shall be in a minimum amount of the lesser of (x) \$25,000,000 and (y) the entire amount that may be requested under this *Section 2.19(d)*.

(ii) As a condition precedent to the effectiveness of any New Incremental Notes pursuant to this Section, (A) the Borrower shall deliver to the Administrative Agent a certificate dated as of the date of issuance of the New Incremental Notes signed by a Responsible Officer of the Borrower, certifying and attaching the resolutions adopted by the Borrower (to the extent the Borrower is an issuer of New Incremental Notes) approving or consenting to the effectiveness of such New Incremental Notes, and certifying that the conditions precedent set forth in the following clauses (B) through (F) have been satisfied, (B) such New Incremental Notes shall not be guaranteed by any Person that is not a Guarantor, (C) such New Incremental Notes will be secured only by the Collateral and subject to a Senior Intercreditor Agreement, (D) such New Incremental Notes shall have a final maturity no earlier than 91 days after the Latest Maturity Date, (E) the Weighted Average Life to Maturity of such New Incremental Notes shall not be shorter than that of any outstanding Tranche of Term Loans, and (F) such New Incremental Notes shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata to the Term Loans and other Indebtedness that is secured on a *pari passu* basis with the Obligations).

(iii) The effectiveness of any New Incremental Notes shall also be subject, to the extent reasonably requested by the Administrative Agent, to receipt by the Administrative Agent of board resolutions, officers' certificates and/or reaffirmation agreements, including any supplements or amendments to the Collateral Documents providing for such New Incremental Notes to be secured thereby. The Lenders hereby authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to

secure any New Incremental Notes with the Collateral and/or to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the issuance of such New Incremental Notes, in each case on terms consistent with this *Section 2.19(d)*.

#### **Section 2.20 Amend and Extend Transactions**

(a) Pursuant to the terms and subject to the conditions hereof, including *Section 2.22 (Incremental/Extended/Refinancing Amendments Generally)*, the Borrower and any Lender may agree, by at least 10 Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice to the Administrative Agent (each such notice, an "*Extension Notice*"), to extend (an "*Extension*") (i) the Revolving Credit Termination Date of such Lender's Revolving Credit Commitments of any Tranche (any such Revolving Credit Commitment that has been so extended, any "*Extended Revolving Commitment*" and any credit extensions issued pursuant thereto, an "*Extended Revolving Loan*") and/or (ii) the maturity date of such Lender's Term Loans of any Tranche (any such Term Loan that has been so extended, the "*Extended Term Loan*", and collectively, with the Extended Revolving Loans, the "*Extended Loans*") to the extended maturity date specified in such Extension Notice and Extension Amendment.

(b) *Terms.* The terms of such Extended Loans shall be determined by the Borrower and the applicable extending Lenders providing such Extended Loans; *provided*, that:

(i) the final maturity date of (A) any Extended Term Loan shall be no earlier than the Latest Maturity Date of any Term Loan and (B) any Extended Revolving Commitment shall be no earlier than the Latest Maturity Date of any Revolving Credit Commitment;

(ii) the Weighted Average Life to Maturity of the (A) Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Loans of any existing Tranche of Term Loans and (B) Extended Revolving Commitments shall be no shorter than the remaining Weighted Average Life to Maturity of the Revolving Credit Commitments of any existing Tranche of Revolving Credit Commitments;

(iii) the Extended Loans will rank *pari passu* in right of payment and with respect to security with the Loans of any existing Tranche;

(iv) none of the obligors or guarantors with respect to the Extended Loans shall be a Person that is not a Loan Party;

(v) no Extended Loans shall be secured by or receive the benefit of any collateral, credit support or security that does not secure or support the Loans of any existing Tranche, as applicable;

(vi) the interest rate margin, rate floors, fees, original issue discounts and premiums applicable to any Extended Loans shall be determined by the Borrower and the lenders providing such Extended Loans;

(vii) no Extended Term Loans may be optionally prepaid prior to the date on which the related non-extended Term Loans are repaid unless such optional prepayment is accompanied by a pro rata (or greater) optional prepayment of the related non-extended Loans; and

90

---

(viii) to the extent the terms of the Extended Loans are inconsistent with the terms set forth herein (except as set forth in *clauses (i) through (vii)* above), such terms shall be reasonably satisfactory to the Administrative Agent.

(c) *Procedures.* In connection with any Extension:

(i) the Borrower shall offer to all Lenders holding Loans in the applicable Tranche the opportunity to participate in any Extension on a pro rata basis and on the same terms and conditions to each of such Lenders (each such offer, an “*Extension Offer*”);

(ii) any Extension consummated by the Borrower pursuant to this *Section 2.20 (Amend and Extend Transactions)*, shall be in a minimum amount of \$50,000,000; *provided* that the Borrower may, at its election, specify as a condition to consummating any such Extension (which may be waived by the Borrower in the Borrower’s sole discretion) that a higher minimum amount (to be determined and specified in the relevant Extension Offer) be applied; and

(iii) if the aggregate principal amount of Loans of such Tranche (calculated on the face amount thereof) in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Loans of such Tranche offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans of such Lenders in such Tranche shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer.

#### **Section 2.21 Refinancing Transactions**

(a) Pursuant to the terms and subject to the conditions hereof, including *Section 2.22 (Incremental/Extended/Refinancing Amendments Generally)*, the Borrower may obtain, from any Lender or any New Lender, Refinancing Loans in respect of all or any portion of the Term Loans (or Tranche of Term Loans) then outstanding under this Agreement (which for purposes of this *Section 2.21 (Refinancing Transactions)* shall be deemed to include any then outstanding Incremental/Extended/Refinancing Loans).

(b) *Terms.* The terms of such Refinancing Loans shall be determined by the Borrower and the applicable Lenders or New Lenders providing such Refinancing Loans; *provided*, that:

(i) such Refinancing Loans shall have a final maturity no earlier than the Refinanced Debt; and

(ii) other terms of such Refinancing Loans, if not the same as the terms of the Refinanced Debt, shall be reasonably satisfactory to the Administrative Agent.

(c) *Procedures.* Each incurrence of Refinancing Loans pursuant to this *Section 2.21 (Refinancing Transactions)* shall be in an aggregate principal amount of not less than the lesser of (x) \$50,000,000 and (y) the entire remaining amount of any outstanding Tranche of Term Loans.

#### **Section 2.22 Incremental/Extended/Refinancing Amendments Generally**

(a) *Amendment Documents.* The terms of any Incremental/Extended/Refinancing Loans shall be established pursuant to an amendment to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each applicable Lender or New Lender providing such Incremental/Extended/Refinancing Loans and the Administrative Agent (each such amendment, an

91

---

“*Incremental/Extended/Refinancing Amendment*”). Each such Incremental/Extended/Refinancing Amendment and all other documentation in respect of such Incremental/Extended/Refinancing Loans shall be reasonably satisfactory to the Administrative Agent and the Borrower. The Administrative Agent and the Borrower shall determine the effective date (the “*Incremental/Extended/Refinancing Effective Date*”) of such Incremental/Extended/Refinancing Amendment, which shall be promptly notified to the Lenders. Upon the Incremental/Extended/Refinancing Effective Date, each applicable Lender or New Lender providing any Incremental/Extended/Refinancing Loan shall become a “*Lender*”, and such Incremental/Extended/Refinancing Loan shall be a “*Loan*” for all purposes of this Agreement and the other Loan Documents. The Borrower shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent to accomplish the purposes of *Section 2.19 (Facility Increase)*, *Section 2.20 (Amend and Extend Transactions)*, *Section 2.21 (Refinancing Transactions)* and this *Section 2.22 (Incremental/Extended/Refinancing Amendments Generally)*, as appropriate.

(b) *No Obligation to Participate.* No Lender shall be obligated to provide any New Incremental Loans or Refinancing Loans (or to agree to extend the maturity date of any Loan), unless it so agrees in its sole discretion. Any Affiliated Lender that has committed to providing New Incremental Term Loans or Refinancing Loans shall be subject to the same restrictions set forth in *Section 11.2(j) (Assignments and Participations)* as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Loans. Affiliated Lenders may not provide New Incremental Revolving Commitments or New Incremental Revolving Loans.

(c) *Pro Rata Treatment.* The repayment (other than in connection with a scheduled repayment or a repayment at maturity) and the prepayment of any Incremental/Extended/Refinancing Loans shall be made on a pro rata basis with all other outstanding Loans; *provided*, that if the applicable Lenders providing such Incremental/Extended/Refinancing Loans so agree, such Lenders may participate on a less than pro rata basis in any repayment or prepayment hereunder; *provided, further*, that the Net Cash Proceeds of any Refinancing Loans shall be applied solely to each applicable Tranche of Refinanced Debt.

(d) *Effectiveness of Incremental/Extended/Refinancing Amendment.* No Incremental/Extended/Refinancing Amendment shall become effective unless all of the following conditions are met:

(i) no Incremental/Extended/Refinancing Amendment shall become effective unless the conditions precedent set forth in *Section 3.2 (Conditions Precedent to Each Loan)* are satisfied as of the date of such Incremental/Extended/Refinancing Amendment (including the condition that as of the date of such Incremental/Extended/Refinancing Amendment, no event shall have occurred and be continuing or would result from the consummation of such Incremental/Extended/Refinancing Amendment that would constitute an Event of Default or a Default);

(ii) each Incremental/Extended/Refinancing Amendment shall contain a representation and warranty by the Borrower that the representations and warranties of (A) the Borrower contained in *Article IV (Representations and Warranties)* and (B) each Loan Party contained in each other Loan Document or in any document furnished at any time under or in connection herewith or therewith are true and correct in all material respects (without duplication of any materiality qualifier contained therein) on and as of the effective date of such Incremental/Extended/Refinancing Amendment, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date;

92

---

(iii) the Loan Parties shall reaffirm their respective obligations under the Collateral Documents pursuant to an agreement reasonably satisfactory to the Administrative Agent;

(iv) if requested by the Administrative Agent, Constituent Documents of the Loan Parties, resolutions (or equivalent authorization) of each Loan Party's board of directors (or equivalent body) or shareholders (or equivalent), as applicable, approving such Incremental/Extended/Refinancing Amendment shall be delivered to the Administrative Agent and an opinion or opinions of counsel reasonably satisfactory to the Administrative Agent as to the enforceability of the Incremental/Extended/Refinancing Amendment, this Agreement as amended thereby and such of the other Loan Documents (if any) as may be amended thereby;

(v) the terms of such Incremental/Extended/Refinancing Loans shall comply with the requirements in *Section 2.19 (Facility Increase)*, *Section 2.20 (Amend and Extend Transactions)*, *Section 2.21 (Refinancing Transactions)* and this *Section 2.22 (Incremental/Extended/Refinancing Amendments Generally)*, as applicable; and

(vi) the Borrower, the Administrative Agent and each applicable Lender shall execute and deliver to the Administrative Agent any documentation as the Administrative Agent shall reasonably specify to evidence the transaction contemplated by such Incremental/Extended/Refinancing Amendment.

(vii) Notwithstanding the foregoing or any provision of any Loan Document, if any New Incremental Term Loan is requested to finance a Proposed Acquisition or other Investment, in each case, permitted pursuant to *Section 8.3 (Investments)*, such New Incremental Term Loan shall be subject to customary "SunGard" or "certain funds" conditionality (it being understood that such New Incremental Term Loan shall be subject to the absence of an Event of Default under *Section 9.1(a), (b) or (f) (Events of Default)*).

## **Section 9.2 Remedies**

During the continuance of any Event of Default, the Administrative Agent (a) may, and, at the request of the Requisite Lenders, shall, by notice to the Borrower declare that all or any portion of the Commitments be terminated, whereupon the obligation of each Lender to make any Loan and each Issuer to Issue any Letter of Credit shall immediately terminate and (b) may and, at the request of the Requisite Lenders, shall, by notice to the Borrower, declare the Loans, all interest thereon and all other amounts and Obligations payable under this Agreement to be forthwith due and payable, whereupon the Loans, all such interest and all such amounts and Obligations shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrower; *provided, however*, that upon the occurrence of the Events of Default specified in *Section 9.1(f) (Events of Default)*, (x) the Commitments of each Lender to make Loans and the commitments of each

129

---

Lender and Issuer to Issue or participate in Letters of Credit shall each automatically be terminated and (y) the Loans, all such interest and all such amounts and Obligations shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrower. In addition to the remedies set forth above, the Administrative Agent may exercise any remedies provided for by the Collateral Documents in accordance with the terms thereof or any other remedies provided by applicable law.

## **Section 9.3 Actions in Respect of Letters of Credit**

At any time (i) upon the Revolving Credit Termination Date, (ii) after the Revolving Credit Termination Date when the aggregate funds on deposit in Cash Collateral Accounts shall be less than 105% of the Letter of Credit Obligations and (iii) as may be required by *Section 2.9(d) (Mandatory Prepayments)*, the Borrower shall pay to the Administrative Agent in immediately available funds at the Administrative Agent’s office referred to in *Section 11.8 (Notices, Etc.)*, for deposit in a Cash Collateral Account, (x) in the case of *clauses (i) and (ii)* above, the amount required to that, after such payment, the aggregate funds on deposit in the Cash Collateral Accounts equals or exceeds 105% of the sum of all outstanding Letter of Credit Obligations and (y) in the case of *clause (iii)* above, the amount required by *Section 2.9(d) (Mandatory Prepayments)*. The Administrative Agent may, from time to time after funds are deposited in any Cash Collateral Account, apply funds then held in such Cash Collateral Account to the payment of any amounts, in accordance with *Section 2.9(d) (Mandatory Prepayments)* and *Section 2.13(g) (Payments and Computations)*, as shall have become or shall become due and payable by the Borrower to the Issuers or Lenders in respect of the Letter of Credit Obligations. The Administrative Agent shall promptly give written notice of any such application; *provided, however*, that the failure to give such written notice shall not invalidate any such application.

## **Section 9.4 Rescission**

If at any time after termination of the Commitments or acceleration of the maturity of the Loans, the Borrower shall pay all arrears of interest and all payments on account of principal of the Loans and Reimbursement Obligations that shall have become due otherwise than by acceleration (with interest on principal and, to the extent permitted by law, on overdue interest, at the rates specified herein) and all Events of Default and Defaults (other than non-payment of principal of and accrued interest on the

Loans due and payable solely by virtue of acceleration) shall be remedied or waived pursuant to *Section 11.1 (Amendments, Waivers, Etc.)*, then upon the written consent of the Requisite Lenders and written notice to the Borrower, the termination of the Commitments or the acceleration and their consequences may be rescinded and annulled; *provided, however*, that such action shall not affect any subsequent Event of Default or Default or impair any right or remedy consequent thereon. The provisions of the preceding sentence are intended merely to bind the Lenders and the Issuers to a decision that may be made at the election of the Requisite Lenders, and such provisions are not intended to benefit the Borrower and do not give the Borrower the right to require the Lenders to rescind or annul any acceleration hereunder, even if the conditions set forth herein are met.

### **Section 9.5 Right to Cure**

(a) Notwithstanding anything to the contrary contained in *Section 9.1(d)(i) (Events of Default)*, in the event that the Borrower fails to comply with the requirements of the covenant set forth in *Article V (Financial Covenant)* for any period, at any time on or before the tenth day after the date of delivery of a Notice of Intent to Cure by the Borrower to the Administrative Agent pursuant to *Section 6.1(c) (Financial Statements)*, the Borrower and Holdings shall have the right to issue Permitted Cure Securities to the Permitted Holders for cash (the “Cure Right”), and upon the receipt by the Borrower (including through capital contributions by Holdings to the Borrower) of such cash (the “Cure Amount”),

130

---

the covenant set forth in *Article V (Financial Covenant)* shall be recalculated, giving effect to a pro forma increase to Consolidated EBITDA in accordance with the definition thereof for the Fiscal Quarter for which such Cure Right was exercised in an amount equal to such Cure Amount (and such increase shall be included in each period that includes such Fiscal Quarter); *provided, however*, that such pro forma adjustment to Consolidated EBITDA shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the covenant set forth in *Article V (Financial Covenant)* with respect to any period that includes the Fiscal Quarter for which such Cure Right was exercised and not for any other purpose under any Loan Document.

(b) If, after the exercise of the Cure Right and the recalculations pursuant to clause (a) above, the Borrower shall then be in compliance with the requirements of the covenant set forth in *Article V (Financial Covenant)* for such Fiscal Quarter, the Borrower shall be deemed to have satisfied the requirements of the covenant set forth in *Article V (Financial Covenant)* as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under *Section 9.1(d)(i) (Events of Default)* that had occurred shall be deemed cured; *provided, however*, that (i) the Borrower may not exercise the Cure Right more than (A) two times in any four Fiscal Quarter period and (B) five times during the term of this Agreement, (ii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in compliance with *Article V (Financial Covenant)* and (iii) to the extent that the Cure Amount proceeds are used to repay Indebtedness, such Indebtedness shall not be deemed to have been repaid for purposes of calculating the covenant in *Article V (Financial Covenant)* for the period with respect to which such Cure Amount applies.

The Administrative Agent agrees to give to each Lender and each Issuer, if applicable, prompt notice of each notice given to it by any Loan Party pursuant to the terms of this Agreement or the other Loan Documents.

Lender or any Issuer with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of any Loan Party or any Affiliate of any Loan Party that may come into the possession of the Administrative Agent or any Affiliate thereof or any employee or agent of any of the foregoing.

### **Section 10.6 Indemnification**

Each Lender agrees to indemnify each Agent and each of their respective Affiliates, and each of their respective directors, officers, employees, agents and advisors (to the extent not reimbursed by the Borrower and without limiting their obligation to do so), from and against such Lender’s aggregate Ratable Portion of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements (including reasonable fees, expenses and disbursements of financial and legal advisors) of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against, such Agent or any of its Affiliates, directors, officers, employees, agents and advisors in any way relating to or arising out of this Agreement or the other Loan Documents or any action taken or omitted by such Agent under this Agreement or the other Loan Documents; *provided, however*, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent’s or its Affiliate’s gross negligence or willful misconduct. Without limiting the foregoing, each Lender agrees to reimburse such Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including reasonable fees, expenses and disbursements of financial and legal advisors) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of its rights or responsibilities under, this Agreement or the other Loan Documents, to the extent that such Agent is not reimbursed for such expenses by the Borrower or another Loan Party.

### Section 10.7 Successor Administrative Agent

The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof to the Lenders and the Borrower. Upon any such resignation, the Requisite Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Requisite Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation (such 30-day period, the "*Lender Appointment Period*"), then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, selected from among the Lenders. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld and shall not be required upon the occurrence and during the continuance of an Event of Default). In addition and without any obligation on the part of the retiring Administrative Agent to appoint, on behalf of the Lenders and the Issuers, a successor Administrative Agent, the retiring Administrative Agent may at any time upon or after the end of the Lender Appointment Period notify the Borrower and the Lenders and the Issuers that no qualifying Person has accepted appointment as successor Administrative Agent and the effective date of such retiring Administrative Agent's resignation (which effective date shall be no earlier than three Business Days after the date of such notice). Upon the resignation effective date established in such notice and regardless of whether a successor Administrative Agent has been appointed and accepted such appointment and the Borrower has approved such successor Administrative Agent, the retiring Administrative Agent's resignation shall nonetheless become effective and (i) the retiring Administrative Agent shall be discharged from its duties and obligations as Administrative Agent hereunder and under the other Loan Documents and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuer directly, until such time as the Requisite Lenders appoint a successor Administrative Agent as provided for above in this paragraph. Upon the acceptance of any appointment as Administrative Agent by a successor

134

---

Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Administrative Agent's resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents. After such resignation, the retiring Administrative Agent shall continue to have the benefit of this *Article X* as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

Any resignation pursuant to this *Section 10.7 (Successor Administrative Agent)* by a Person acting as Administrative Agent shall, unless such Person shall notify the Borrower and the Lenders and the Issuers otherwise, also act to relieve such Person and its Affiliates of any obligation to advance or issue new, or extend existing, Swing Loans or Letters of Credit where such advance, issuance or extension is to occur on or after the effective date of such resignation. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuer and Swing Lender, (ii) the retiring Issuer and Swing Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, (iii) the successor Swing Lender shall enter into an Assignment and Acceptance and acquire from the retiring Swing Lender each outstanding Swing Loan of such retiring Swing Lender for a purchase price equal to par plus accrued interest and (iv) the successor Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangement satisfactory to the retiring Issuer to effectively assume the obligations of the retiring Issuer with respect to such Letters of Credit.

In addition to the foregoing, if a Revolving Credit Lender becomes, and during the period it remains, a Defaulting Lender, any Issuer and/or any Swing Lender may, upon prior written notice to the Borrower and the Administrative Agent, resign as Issuer or Swing Lender, respectively, effective at the close of business New York time on a date specified in such notice (which date may not be less than 30 days after the date of such notice); *provided*, that such resignation by any such Issuer will have no effect on the validity or enforceability of any Letter of Credit then outstanding or on the obligations of the Borrower or any Lender under this Agreement with respect to any such outstanding Letter of Credit or otherwise to such Issuer; and *provided further*, that such resignation by any such Swing Lender will have no effect on its rights in respect of any outstanding Swing Loans or on the obligations of the Borrower or any Lender under this Agreement with respect to any such outstanding Swing Loan.

### Section 10.8 Concerning the Collateral and the Collateral Documents

(a) Each Lender and each Issuer agrees that any action taken by the Administrative Agent or the Requisite Lenders (or, where required by the express terms of this Agreement, a greater proportion of the Lenders) in accordance with the provisions of this Agreement or of the other Loan Documents, and the exercise by the Administrative Agent or the Requisite Lenders (or, where so required, such greater proportion) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders, Issuers and other Secured Parties. Without limiting the generality of the foregoing, the Administrative Agent shall have the sole and exclusive right and authority to (i) act as the disbursing and collecting agent for the Lenders and the Issuers with respect to all payments and collections arising in connection herewith and with the Collateral Documents, (ii) execute and deliver each Collateral Document and accept delivery of each such agreement delivered by the Borrower or any of its Subsidiaries, (iii) act as collateral agent for the Lenders, the Issuers and the other Secured Parties for purposes of the perfection of all security interests and Liens created by such agreements and all other purposes stated therein, *provided, however*, that the Administrative Agent

135

---

hereby appoints, authorizes and directs each Lender and Issuer to act as collateral sub-agent for the Administrative Agent, the Lenders and the Issuers for purposes of the perfection of all security interests and Liens with respect to the Collateral, including any Deposit Accounts maintained by a Loan Party with, and cash and Cash Equivalents held by, such Lender or such Issuer, (iv) manage, supervise and otherwise deal with the Collateral, (v) take such action as is necessary or desirable to maintain the perfection and priority of the security interests and Liens created or purported to be created by the Collateral Documents and (vi) except as may be otherwise specifically restricted by the terms hereof or of any other Loan Document, exercise all remedies given to the Administrative Agent, the Lenders, the Issuers and the other Secured Parties with respect to the Collateral under the Loan Documents relating thereto, applicable law or otherwise.

(b) Each of the Lenders and the Issuers hereby consents to the release and hereby directs, in accordance with the terms hereof, the Administrative Agent to release (or, in the case of *clause (ii)* below, release or subordinate) any Lien held by the Administrative Agent for the benefit of the Secured Parties against any of the following:

- (i) all of the Collateral and all Loan Parties, upon termination of the Commitments and payment and satisfaction in full of all Loans, all Reimbursement Obligations and all other Obligations that the Administrative Agent has been notified in writing are then due and payable (and, in respect of contingent Letter of Credit Obligations, with respect to which cash collateral has been deposited or a back-up letter of credit has been issued, in either case in the appropriate currency and on terms satisfactory to the Administrative Agent and the applicable Issuers);
- (ii) any assets that are subject to a Lien permitted by *Section 8.2(i) (Liens, Etc.)*;
- (iii) any part of the Collateral sold or disposed of by a Loan Party if such sale or disposition is permitted by this Agreement (or permitted pursuant to a waiver of or consent to a transaction otherwise prohibited by this Agreement); and

- (iv) the security interests in any Digital Cinema Equipment granted prior to the Closing Date.

provided, that in case of clauses (ii), (iii) and (iv) above, no such release shall occur if such Lien continues to secure any Loan Agreement Refinancing Debt.

(c) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Loan Documents may be exercised solely by the Administrative Agent for the benefit of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Administrative Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure or similar enforcement action by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition (including, without limitation, pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), the Administrative Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Administrative Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities) shall be entitled, upon instructions from Requisite Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any

136

---

such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent at such sale or other disposition.

Each of the Secured Parties hereby directs the Administrative Agent to execute and deliver or file such termination and partial release statements and do such other things as are necessary to release Liens to be released pursuant to this Section 10.8 promptly upon the effectiveness of any such release.

#### **Section 10.9 Collateral Matters Relating to Related Obligations**

The benefit of the Loan Documents and of the provisions of this Agreement relating to the Collateral shall extend to and be available in respect of any Obligation arising under any Hedging Contract or Cash Management Obligation or that is otherwise owed to Persons other than the Agents, the Lenders and the Issuers (collectively, "Related Obligations") solely on the condition and understanding, as among the Administrative Agent and all Secured Parties, that (a) the Related Obligations shall be entitled to the benefit of the Loan Documents and the Collateral to the extent expressly set forth in this Agreement and the other Loan Documents and to such extent the Administrative Agent shall hold, and have the right and power to act with respect to, the Guaranty and the Collateral on behalf of and as agent for the holders of the Related Obligations, but the Administrative Agent is otherwise acting solely as agent for the Lenders and the Issuers and shall have no fiduciary duty, duty of loyalty, duty of care, duty of disclosure or other obligation whatsoever to any holder of Related Obligations, (b) all matters, acts and omissions relating in any manner to the Guaranty, the Collateral, or the omission, creation, perfection, priority, abandonment or release of any Lien, shall be governed solely by the provisions of this Agreement and the other Loan Documents and no separate Lien, right, power or remedy shall arise or exist in favor of any Secured Party under any separate instrument or agreement or in respect of any Related Obligation, (c) each Secured Party shall be bound by all actions taken or omitted, in accordance with the provisions of this Agreement and the other Loan Documents, by the Administrative Agent and the Requisite Lenders, each of whom shall be entitled to act at its sole discretion and exclusively in its own interest given its own Commitments and its own interest in the Loans, Letter of Credit Obligations and other Obligations to it arising under this Agreement or the other Loan Documents, without any duty or liability to any other Secured Party or as to any Related Obligation and without regard to whether any Related Obligation remains outstanding or is deprived of the benefit of the Collateral or becomes unsecured or is otherwise affected or put in jeopardy thereby, (d) no holder of Related Obligations and no other Secured Party (except the Administrative Agent, the Lenders and the Issuers, to the extent set forth in this Agreement) shall have any right to be notified of, or to direct, require or be heard with respect to, any action taken or omitted in respect of the Collateral or under this Agreement or the Loan Documents and (e) no holder of any Related Obligation shall exercise any right of setoff, banker's lien or similar right except to the extent provided in Section 11.6 (Right of Set-off) and then only to the extent such right is exercised in compliance with Section 11.7 (Sharing of Payments, Etc.).

#### **Section 10.10 Activities of Agents' Group**

(a) Each Lender and each Issuer understands that each Agent, acting in its individual capacity, and its Affiliates (collectively, the "Agents' Group") are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 10.10(a) as "Activities") and may engage in the Activities with or on behalf of one or more of the Group Members or their respective Affiliates. Furthermore, the Agents' Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Group Members and their Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Borrower, other Group Members or their respective Affiliates), including trading in or holding long, short or derivative positions in securities, loans

137

---

or other financial products of one or more of the Group Members or their Affiliates. Each Agent, each Lender and each Issuer understands and agrees that in engaging in the Activities, the Agents' Group may receive or otherwise obtain information concerning the Group Members or the Affiliates (including information concerning the ability of the Group Members to perform their respective Obligations hereunder and under the other Loan Documents) which information may not be available to any of the Agents, Lenders or the Issuers that are not members of the Agents' Group. Neither the Administrative Agent nor any member of the Agents' Group shall have any duty to disclose to any Agent, Lender or any Issuer or use on behalf of the Agents, Lenders or Issuers, and shall not be liable for the failure to so disclose or use any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Group Members or any Affiliate of any Group Members) or to account for any revenue or profits obtained in connection with the Activities, except that the Administrative Agent shall deliver or otherwise make available to each Agent, each Lender and each Issuer such documents as are expressly required by any Loan Document to be transmitted by the Administrative Agent to the Agents, Lenders or the Issuers.

(b) Each Agent, each Lender and each Issuer further understands that there may be situations where members of the Agents' Group or their respective customers (including the Group Members and their Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more of the Lenders or the Issuers (including the interests of the Agents, Lenders and the Issuers hereunder and under the other Loan Documents). Each Agent and each Lender and each Issuer agrees that no member of the Agents' Group is or shall be required to restrict its activities as a result of the Person serving as an Agent being a member of the Agents' Group, and that each member of the Agents' Group may undertake any Activities without further consultation with or notification to any Agent, any Lender or any Issuer. None of (i) this Agreement nor any other Loan Document, (ii) the receipt by the Agents' Group of information (including Information) concerning the Group Members or their Affiliates (including information concerning the ability of the Group Members to perform their respective Obligations hereunder and under the other Loan Documents) nor (iii) any other matter shall give rise to any fiduciary, equitable or contractual duties (including without limitation any duty of trust or confidence) owing by any Agent or

any member of the Agents' Group to any Agent, any Lender or any Issuer including any such duty that would prevent or restrict the Agents' Group from acting on behalf of customers (including the Group Members or their Affiliates) or for its own account.

**Section 10.11 Delivery of Certain Financial Information**

The Borrower agrees, and shall cause each other Group Member to agree, that the Administrative Agent may make available to the Lenders and the Issuers all Approved Electronic Communications provided to the Administrative Agent pursuant to clauses (a) through (e) of Section 6.1 (Financial Statements). Borrower further agrees, and shall cause each other Group Member to further agree, that the Administrative Agent may make available to the Lenders and the Issuers such other Approved Electronic Communications provided to the Administrative Agent, upon such Lenders' and Issuers' request. Any distribution of Approved Electronic Communications pursuant to this Section 10.11 shall be subject to the Administrative Agent's customary security measures with regards to Approved Electronic Communications.

**Section 10.12 Administrative Agent May File Proofs of Claim**

In case of the pendency of any proceeding under the Bankruptcy Code or any other law relating to bankruptcy, insolvency, reorganization or relief of debtors or any other judicial proceeding involving any Group Member as a debtor thereunder the Administrative Agent (irrespective of whether the principal of any Loan or Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the

138

---

Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest then due, owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuers and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuers and the Agents and their respective agents and counsel and all other amounts due the Lenders, the Issuers and the Agents under Sections 2.12 (Fees), 11.3 (Costs and Expenses) and 11.4 (Indemnities)) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due to the Agents under Sections 2.12 (Fees), 11.3 (Costs and Expenses) and 11.4 (Indemnities).

**ARTICLE XI**

**MISCELLANEOUS**

**Section 11.1 Amendments, Waivers, Etc.**

(a) No amendment or waiver of any provision of this Agreement or any other Loan Document (other than the Fee Letter, each Letter of Credit Reimbursement Agreement and notice of grant of a security interest with respect to Intellectual Property) nor consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be in writing and (x) in the case of any such waiver or consent, signed by the Requisite Lenders (or by the Administrative Agent with the consent of the Requisite Lenders) and (y) in the case of any other amendment, by the Requisite Lenders (or by the Administrative Agent with the consent of the Requisite Lenders) and the Borrower or the applicable Loan Party, as the case may be, and then any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided, however*, that no amendment, waiver or consent shall, unless in writing and signed by each Lender directly affected thereby, in addition to the Requisite Lenders (or the Administrative Agent with the consent thereof), do any of the following:

(i) waive any condition specified in Section 3.1 (Conditions Precedent to Initial Loans and Letters of Credit) or 3.2(b) or (c) (Conditions Precedent to Each Loan and Letter of Credit), except with respect to a condition based upon another provision hereof, the waiver of which requires only the concurrence of the Requisite Lenders and, in the case of the conditions specified in Section 3.1 (Conditions Precedent to Initial Loans and Letters of Credit), subject to the provisions of Section 3.3 (Determinations of Initial Borrowing Conditions);

(ii) increase the Commitment of such Lender or subject such Lender to any additional obligation;

139

---

(iii) extend the scheduled final maturity of any Loan owing to such Lender, or waive, reduce or postpone any scheduled date fixed for the payment or reduction of principal or interest of any such Loan or fees owing to such Lender (it being understood that Section 2.9 (Mandatory Prepayments) does not provide for scheduled dates fixed for payment) or for the reduction of such Lender's Commitment;

(iv) forgive, reduce, or release the Borrower from its obligations to repay, the principal amount of any Loan or Reimbursement Obligation owing to such Lender (other than by the payment or prepayment thereof);

(v) reduce the rate of interest on any Loan or Reimbursement Obligation outstanding and owing to such Lender or any fee payable hereunder to such Lender;

(vi) expressly subordinate any of the Obligations or any Liens securing the Obligations;

(vii) postpone any scheduled date fixed for payment of interest or fees owing to such Lender or waive any such payment;

(viii) change the aggregate Ratable Portions of Lenders required for any or all Lenders to take any action hereunder;

(ix) (A) release all or substantially all of the Collateral except as provided in *Section 10.8(b) (Concerning the Collateral and the Collateral Documents)*, (B) release the Borrower from its payment obligation to such Lender under this Agreement or the Notes owing to such Lender (if any), (C) release all or substantially all of the Guarantors from its or their obligations under the Guaranty except in connection with the sale or other disposition of a Guarantor (or all or substantially all of the assets thereof) permitted by this Agreement (or permitted pursuant to a waiver or consent of a transaction otherwise prohibited by this Agreement) or (D) amend, modify or waive the *proviso* in *Section 11.10 (Binding Effect)*; or

(x) amend *Section 10.8(b) (Concerning the Collateral and the Collateral Documents)*, *Section 11.7 (Sharing of Payments, Etc.)*, this *Section 11.1* or any definition of the terms “*Requisite Lenders*,” “*Requisite Revolving Credit Lenders*,” “*Requisite Term Lenders*” or “*Ratable Portion*”;

and provided, further, that (A) any modification of the application of payments to the Term Loans pursuant to *Section 2.9 (Mandatory Prepayments)* shall require the consent of the Requisite Term Lenders, (B) no amendment, waiver or consent shall, unless in writing and signed by any Special Purpose Vehicle that has been granted an option pursuant to *Section 11.2(e) (Assignments and Participations)*, affect the grant or nature of such option or the right or duties of such Special Purpose Vehicle hereunder, (C) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above to take such action, affect the rights or duties of such Agent under this Agreement or the other Loan Documents and (D) no amendment, waiver or consent shall, unless in writing and signed by the applicable Swing Lender in addition to the Lenders required above to take such action, affect the rights or duties of the Swing Lender under this Agreement or the other Loan Documents; provided, further, that, (x) the Administrative Agent may, solely upon the request, and with the consent, of the Borrower in connection with the execution of a Hedging Contract, amend, modify or supplement the Guaranty to provide for a “keepwell”, support or other agreement within the meaning of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act to be made by the Borrower or any other Guarantor for the benefit of any Guarantor that would not otherwise constitute an “eligible contract participant” as defined in the Commodity Exchange Act and the regulations thereunder, so long as such amendment, modification or supplement does not

140

adversely affect the rights of any Lender or any Issue and is otherwise on terms reasonably acceptable to the Administrative Agent, (y) the Administrative Agent may, with the consent of the Borrower, amend, modify or supplement this Agreement to cure any ambiguity, omission, defect or inconsistency, so long as such amendment, modification or supplement does not adversely affect the rights of any Lender or any Issuer and (z) the Requisite Revolving Credit Lenders (or the Administrative Agent with the prior written consent thereof), on the one hand, and the Borrower, on the other hand, may amend, supplement or otherwise modify or waive any of the terms and provisions (and related definitions) of *Article V (Financial Covenant)*. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments and waivers hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Requisite Lenders or all of the Lenders, as required, have approved any such amendment or waiver (and the definition of “Requisite Lenders” will automatically be deemed modified accordingly for the duration of such period); provided, that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(b) The Administrative Agent may, but shall have no obligation to, with the written concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(c) If, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Revolving Credit Lenders or Term Lenders, the consent of Requisite Lenders is obtained but the consent of any Revolving Credit Lender or Term Lender whose consent is required is not obtained (any such Lender whose consent is not obtained as described in this *Section 11.1* being referred to as a “*Non-Consenting Lender*”), then, at the Borrower’s request, an Eligible Assignee reasonably acceptable to the Administrative Agent shall have the right to purchase from such Non-Consenting Lender, and such Non-Consenting Lender agrees that it shall, upon the Administrative Agent’s request, sell and assign to the Lender acting as the Administrative Agent or such Eligible Assignee, all of the Revolving Credit Commitments and Revolving Credit Outstandings of such Non-Consenting Lender if such Non-Consenting Lender is a Revolving Credit Lender and all of the Term Loans of such Non-Consenting Lender if such Non-Consenting Lender is a Term Lender, in each case, for an amount equal to the principal balance of all such Revolving Loans or Term Loans, as applicable, held by the Non-Consenting Lender, and, in the case of a Repricing Transaction to which said Non-Consenting Lender did not consent, the prepayment premium set forth in *Section 2.8(d) (Optional Prepayments)* (if on or prior to the date six months after the Second Amendment Effective Date) and in *Section 2.8(e) (Optional Prepayments)* (if on or prior to the date six months after the date on which the available commitments of the 2016 Incremental Lenders in respect of the 2016 Incremental Term Loans are reduced to zero) and all accrued and unpaid interest and fees with respect thereto through the date of sale; *provided, however*, that such purchase and sale shall be recorded in the Register maintained by the Administrative Agent and not be effective until (x) the Administrative Agent shall have received from such Eligible Assignee an agreement in form and substance reasonably satisfactory to the Administrative Agent and the Borrower whereby such Eligible Assignee shall agree to be bound by the terms hereof and (y) such Non-Consenting Lender shall have received payments of all Revolving Loans or Term Loans, as applicable, held by it and all accrued and unpaid interest and fees with respect thereto through the date of the sale. Each Lender agrees that, if it becomes a Non-Consenting Lender, it shall execute and deliver to the Administrative Agent an Assignment

141

and Acceptance to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if the assigning Lender’s Loans are evidenced by Notes) subject to such Assignment and Acceptance; *provided, however*, that the failure of any Non-Consenting Lender to execute an Assignment and Acceptance shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register.

(d) Notwithstanding anything to the contrary set forth in this Agreement, any Incremental/Extended/Refinancing Amendment shall not require the consent of any Lender (other than the Lenders providing the New Incremental Loans, Extended Loans and Refinancing Loans, as applicable (such Loans, the “*Incremental/Extended/Refinancing Loans*”). Each of the parties hereto agrees that, upon the effectiveness of any Incremental/Extended/Refinancing Amendment which shall be promptly notified to each Lender by the Administrative Agent, this Agreement shall be deemed amended to the extent necessary to reflect the existence of the terms of the Incremental/Extended/Refinancing Loans. Any Incremental/Extended/Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to implement the terms of any such Incremental/Extended/Refinancing Loan, including any amendments necessary to establish Incremental/Extended/Refinancing Loans as new Tranches in respect of Loans so provided and such other technical amendments as may be necessary or appropriate in the reasonable judgment of the Administrative Agent and the Borrower in connection with the establishment of such new Tranches, in each case on terms not inconsistent with *Section 2.19 (Facility Increase)*, *Section 2.20 (Amend and Extend Transactions)*, *Section 2.21 (Refinancing Transactions)* and this *Section 2.22 (Incremental/Extended/Refinancing Amendments Generally)*, as applicable.

## **Section 11.2 Assignments and Participations**

(a) Each Lender may sell, transfer, negotiate or assign to one or more Eligible Assignees (other than to any Disqualified Institution) all or a portion of its rights and obligations hereunder (including all of its rights and obligations with respect to the Term Loans, the Revolving Loans, the Swing Loans and the Letters of Credit); *provided, however*, that (i) if any such assignment shall be of the assigning Lender's Revolving Credit Outstandings and Revolving Credit Commitments, such assignment shall cover the same percentage of such Lender's Revolving Credit Outstandings and Revolving Credit Commitments, (ii) the aggregate amount being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event (if less than the assignor's entire interest) be less than (x) in the case of Revolving Credit Outstandings and Revolving Credit Commitments, \$5,000,000 or an integral multiple of \$1,000,000 in excess thereof and (y) in the case of Term Loans, \$1,000,000 or an integral multiple of \$1,000,000 in excess thereof, except, in either case, (A) with the consent of the Borrower and the Administrative Agent or (B) if such assignment is being made to a Lender or an Affiliate or Approved Fund of a Lender (other than any Disqualified Institution), (iii) if such Eligible Assignee is not, prior to the date of such assignment, a Lender or an Affiliate or Approved Fund of a Lender (other than any Disqualified Institution), such assignment shall be subject to the prior consent of the Administrative Agent and the Borrower (which consents shall not be unreasonably withheld or delayed) and (iv) if such Eligible Assignee is not, prior to the date of such assignment, a Revolving Credit Lender or an Affiliate of a Revolving Credit Lender, any such assignment with respect to Revolving Credit Outstandings and Revolving Credit Commitments shall be subject to the prior consent of each Issuer and Swing Lender; *provided, however* that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 5 Business Days after having received notice thereof; *provided, further*, that, notwithstanding any other provision of this *Section 11.2*, the consent of the Borrower shall not be required for any assignment occurring when any Event of Default under *Section 9.1(a), (b) or (f) (Events of Default)* shall have occurred and be continuing and (v) no Revolving Credit Commitments or Revolving Loans may be assigned to any Affiliated Lender.

142

---

Any such assignment need not be ratable as among the Term Loan Facility and the Revolving Credit Facility.

(b) The parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Note (if the assigning Lender's Loans are evidenced by a Note) subject to such assignment. Upon the execution, delivery, acceptance and recording in the Register of any Assignment and Acceptance and, other than in respect of assignments made pursuant to *Section 2.17(b) (Mitigation Obligations; Substitution of Lenders)* and *Section 11.1(c) (Amendments, Waivers, Etc.)*, the receipt by the Administrative Agent from the assignee of an assignment fee in the amount of \$3,500 (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, satisfaction of the requirements set forth in *clause (j)* below) from and after the effective date specified in such Assignment and Acceptance; *provided*, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment, (i) the assignee thereunder shall become a party hereto and, to the extent that rights and obligations under the Loan Documents have been assigned to such assignee pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender, and if such Lender were an Issuer, of such Issuer hereunder and thereunder, and (ii) the Notes (if any) corresponding to the Loans assigned thereby shall be transferred to such assignee by notation in the Register and (iii) the assignor thereunder shall, to the extent that rights and obligations under this Agreement have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except for those surviving the payment in full of the Obligations) and be released from its obligations under the Loan Documents, other than those relating to events or circumstances occurring prior to such assignment (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under the Loan Documents, such Lender shall cease to be a party hereto).

(c) The Administrative Agent shall maintain at its address referred to in *Section 11.8 (Notices, Etc.)* a copy of each Assignment and Acceptance delivered to and accepted by it and shall record in the Register the names and addresses of the Lenders and Issuers and the principal amount of the Loans and Reimbursement Obligations owing to each Lender from time to time and the Commitments of each Lender. Any assignment pursuant to this *Section 11.2* shall not be effective until such assignment is recorded in the Register.

(d) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee, the Administrative Agent shall, if such Assignment and Acceptance has been completed, (i) accept such Assignment and Acceptance, (ii) record or cause to be recorded the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower. Within five Business Days after its receipt of such notice, the Borrower, at its own expense, shall, if requested by such assignee, execute and deliver to the Administrative Agent new Notes to the order of such assignee in an amount equal to the Commitments and Loans assumed by it pursuant to such Assignment and Acceptance and, if the assigning Lender has surrendered any Note for exchange in connection with the assignment and has retained Commitments or Loans hereunder, new Notes to the order of the assigning Lender in an amount equal to the Commitments and Loans retained by it hereunder. Such new Notes shall be dated the same date as the surrendered Notes and be in substantially the form of *Exhibit B-1 (Form of Revolving Note)* or *Exhibit B-3 (Form of Term Loan Note)*, as applicable.

(e) In addition to the other assignment rights provided in this *Section 11.2*, each Lender may do each of the following:

(i) grant to a Special Purpose Vehicle the option to make all or any part of any Loan that such Lender would otherwise be required to make hereunder and the exercise of such option by

143

---

any such Special Purpose Vehicle and the making of Loans pursuant thereto shall satisfy (once and to the extent that such Loans are made) the obligation of such Lender to make such Loans thereunder; *provided, however*, that (x) nothing herein shall constitute a commitment or an offer to commit by such a Special Purpose Vehicle to make Loans hereunder and no such Special Purpose Vehicle shall be liable for any indemnity or other Obligation (other than the making of Loans for which such Special Purpose Vehicle shall have exercised an option, and then only in accordance with the relevant option agreement) and (y) such Lender's obligations under the Loan Documents shall remain unchanged, such Lender shall remain responsible to the other parties for the performance of its obligations under the terms of this Agreement and shall remain the holder of the Obligations for all purposes hereunder; and

(ii) assign, as collateral or otherwise, any of its rights under this Agreement (other than to a Disqualified Institution or a natural Person), whether now owned or hereafter acquired (including rights to payments of principal or interest on the Loans), to (A) without notice to or consent of the Administrative Agent or the Borrower, including any pledge or assignment to secure obligations to any Federal Reserve Bank (pursuant to Regulation A of the Federal Reserve Board) and (B) without notice to or consent of the Administrative Agent or the Borrower, (1) any holder of, or trustee or other representative for the benefit of, the holders of such Lender's Securities and (2) any Special Purpose Vehicle to which such Lender has granted an option pursuant to *clause (i)* above;

*provided, however*, that no such assignment or grant shall release such Lender from any of its obligations hereunder except as expressly provided in *clause (i)* above and except, in the case of a subsequent foreclosure pursuant to an assignment as collateral, if such foreclosure is made in compliance with the other provisions of this *Section 11.2* other than this *clause (e)* or *clause (f)* below. Each party hereto acknowledges and agrees that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any such Special Purpose Vehicle, such party shall not institute against, or join any other Person in instituting against, any Special Purpose Vehicle that has been granted an option pursuant to this *clause (e)* any bankruptcy, reorganization, insolvency or liquidation proceeding (such agreement shall survive the payment in full of the Obligations). The terms of the designation of, or assignment to, such Special Purpose Vehicle shall not restrict such Lender's ability to, or grant such Special Purpose Vehicle the right to, consent to any amendment or waiver to this Agreement or any other Loan Document or to the departure by the Borrower from

any provision of this Agreement or any other Loan Document without the consent of such Special Purpose Vehicle except, as long as the Administrative Agent and the Lenders, Issuers and other Secured Parties shall continue to, and shall be entitled to continue to, deal solely and directly with such Lender in connection with such Lender's obligations under this Agreement, to the extent any such consent would reduce the principal amount of, or the rate of interest on, any Obligations, amend this *clause (e)* or postpone any scheduled date of payment of such principal or interest. Each Special Purpose Vehicle shall be entitled to the benefits of *Section 2.14(c) (Illegality)*, *Section 2.15 (Increased Cost and Increased Costs and Capital Adequacy)* and *Section 2.16 (Taxes)* as if it were such Lender; *provided, however*, that anything herein to the contrary notwithstanding, the Borrower shall not, at any time, be obligated to make any payment under *Section 2.14(c) (Illegality)*, *Section 2.15 (Increased Costs and Capital Adequacy)* or *Section 2.16 (Taxes)* to any such Special Purpose Vehicle and any such Lender in excess of the amount the Borrower would have been obligated to pay to such Lender in respect of such interest if such Special Purpose Vehicle had not been assigned the rights of such Lender hereunder; *provided, further*, that such Special Purpose Vehicle shall have no direct right to enforce any of the terms of this Agreement against the Borrower, the Administrative Agent or the other Lenders.

(f) Each Lender may sell participations to one or more Persons (other than a natural Person, an Affiliated Lender, a Defaulting Lender or a Disqualified Institution) (each, a "Participant") in or to all or a

144

---

portion of its rights and obligations under the Loan Documents (including all its rights and obligations with respect to the Term Loans, Revolving Loans and Letters of Credit). The terms of such participation shall not, in any event, require the participant's consent to any amendments, waivers or other modifications of any provision of any Loan Documents, the consent to any departure by any Loan Party therefrom, or to the exercising or refraining from exercising any powers or rights such Lender may have under or in respect of the Loan Documents (including the right to enforce the obligations of the Loan Parties), except if any such amendment, waiver or other modification or consent would (i) reduce the amount, or postpone any date fixed for, any amount (whether of principal, interest or fees) payable to such participant under the Loan Documents, to which such participant would otherwise be entitled under such participation or (ii) result in the release of all or substantially all of the Collateral other than in accordance with *Section 10.8(b) (Concerning the Collateral and the Collateral Documents)*. In the event of the sale of any participation by any Lender, (w) such Lender's obligations under the Loan Documents shall remain unchanged, (x) such Lender shall remain solely responsible to the other parties for the performance of such obligations, (y) such Lender shall remain the holder of such Obligations for all purposes of this Agreement and (z) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Each participant shall be entitled to the benefits of *Section 2.14(c) (Illegality)*, *Section 2.15 (Increased Costs and Capital Adequacy)* and *Section 2.16 (Taxes)* as if it were a Lender; *provided, however*, that anything herein to the contrary notwithstanding, the Borrower shall not, at any time, be obligated to make any payment under *Section 2.14(c) (Illegality)*, *Section 2.15 (Increased Costs and Capital Adequacy)* or *Section 2.16 (Taxes)* to the participants in the rights and obligations of any Lender (together with such Lender) in excess of the amount the Borrower would have been obligated to pay to such Lender in respect of such interest had such participation not been sold (i) except to the extent such entitlement to receive any greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation or (ii) unless the sale of the participation to such Participant is made with the Borrower's prior written consent to such greater payments; *provided, further*, that such participant in the rights and obligations of such Lender shall have no direct right to enforce any of the terms of this Agreement against the Borrower, the Administrative Agent or the other Lenders.

(g) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); *provided*, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under *Section 5f.103-1(c)* of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(h) Any Issuer may at any time assign its rights and obligations hereunder to any other Lender by an instrument in form and substance satisfactory to the Borrower, the Administrative Agent, such Issuer and such Lender, subject to the provisions of *Section 2.7(b) (Evidence of Debt)* relating to notations of transfer in the Register. If any Issuer ceases to be a Lender hereunder by virtue of any assignment made pursuant to this *Section 11.2*, then, as of the effective date of such cessation, such Issuer's obligations to Issue Letters of Credit pursuant to *Section 2.4 (Letters of Credit)* shall terminate and such Issuer shall be an Issuer hereunder only with respect to outstanding Letters of Credit issued prior to such date.

145

(i) The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(j) Any Lender may, so long as no Default or Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions open to all Lenders on a pro rata basis in accordance with procedures of the type described in *Section 2.8(f)(iii) (Optional Prepayments)* or (y) open market purchases on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to *Article II*;

(ii) each Affiliated Lender that (A) purchases any Term Loans pursuant to this *clause (j)* shall represent and warrant to the seller and (B) sells any Term Loan hereunder shall represent and warrant to the buyer, in each case, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally and could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to participate in any such purchase or the price of the Term Loans being purchased (other than Lenders who elect not to receive such information);

(iii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders shall not exceed 20% of the original principal amount of all Term Loans at such time outstanding (after giving effect to any substantially simultaneous cancellations thereof) (such percentage, the "Affiliated Lender Cap");

(iv) as a condition to each assignment pursuant to this *clause (j)*, the Administrative Agent shall have been provided a notice in the form of *Exhibit R (Form of Affiliated Lender Assignment and Acceptance)* to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender;

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within 10 (ten) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in *Exhibit R (Form of Affiliated Lender Assignment and Acceptance)*.

In addition, Holdings or the Borrower or any of their respective Subsidiaries may make open market purchases of Term Loans *provided*, that (A) any such purchased Term Loans shall be retired and cancelled immediately upon the acquisition thereof, (B) Holdings, the Borrower and/or the applicable Subsidiary shall represent and warrant to the buyer that it does not possess material non-public information with

146

---

respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally and could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to participate in any such purchase or the price of the Term Loans being purchased (other than Lenders who elect not to receive such information), (C) no proceeds of the Revolving Credit Facility or New Incremental Notes may be used to acquire such Term Loans, (D) no Default or Event of Default has occurred and is continuing or would result therefrom and (E), the aggregate principal amount of all Term Loans purchased and remaining outstanding pursuant to open market purchases since the Closing Date shall not, in the aggregate, exceed 20.0% of the principal amount of all Term Loans then outstanding (calculated as of the date of such purchase).

(k) Notwithstanding anything in *Section 11.1 (Amendments, Waivers, Etc.)* or the definition of "Requisite Lenders," to the contrary, for purposes of determining whether the Requisite Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to *Section 11.2(l) (Assignments and Participations)*, any plan of reorganization pursuant to the Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(i) all Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Requisite Lenders have taken any actions; and

(ii) all Loans held by Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether all Lenders have taken any action unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(l) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any bankruptcy, insolvency law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in such proportion as the allocation of voting with respect to such matter by Lenders who are not Affiliated Lenders, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; *provided*, that such Affiliated Lender shall be entitled to vote in its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders.

### **Section 11.3 Costs and Expenses**

(a) The Borrower agrees upon demand to pay, or reimburse the Administrative Agent for, all of Administrative Agent's reasonable out-of-pocket audit, legal, appraisal, valuation, filing, document duplication and reproduction and investigation expenses and for all other reasonable out-of-pocket costs and expenses of every type and nature (including the reasonable fees, expenses and disbursements of the Administrative Agent's counsel, Latham & Watkins LLP, local legal counsel, auditors, accountants, appraisers, printers, insurance and environmental advisors, and other consultants and agents) incurred by

147

---

the Administrative Agent in connection with any of the following: (i) the Administrative Agent's audit and investigation of the Borrower and its Subsidiaries in connection with the preparation, negotiation or execution of any Loan Document or the Administrative Agent's periodic audits of the Borrower or any of its Subsidiaries, as the case may be, (ii) the preparation, negotiation, execution or interpretation of this Agreement (including, without limitation, the satisfaction or attempted satisfaction of any condition set forth in *Article III (Conditions to Loans and Letters of Credit)*), any Loan Document or any proposal letter or commitment letter issued in connection therewith, or the making of the Loans hereunder, (iii) the creation, perfection or protection of the Liens under any Loan Document (including any reasonable fees, disbursements and expenses for local counsel in various jurisdictions), (iv) the ongoing administration of this Agreement and the Loans, including consultation with attorneys in connection therewith and with respect to the Administrative Agent's rights and responsibilities hereunder and under the other Loan Documents, (v) the protection, collection or enforcement of any Obligation or the enforcement of any Loan Document, (vi) the commencement, defense or intervention in any court proceeding relating in any way to the Obligations, any Loan Party, any of the Borrower's Subsidiaries, this Agreement or any other Loan Document, (vii) the response to, and preparation for, any subpoena or request for document production with which the Administrative Agent is served or deposition or other proceeding in which the Administrative Agent is called to testify, in each case, relating in any way to the Obligations, any Loan Party, any of the Borrower's Subsidiaries, this Agreement or any other Loan Document or (viii) any amendment, consent, waiver, assignment, restatement, or supplement to any Loan Document or the preparation, negotiation and execution of the same.

(b) The Borrower further agrees to pay or reimburse the Administrative Agent and each of the Lenders and Issuers upon demand for all out-of-pocket costs and expenses, including reasonable attorneys' fees (including allocated costs of internal counsel and costs of settlement), incurred by the Administrative Agent, such Lenders or such Issuers in connection with any of the following: (i) in enforcing any Loan Document or Obligation or any security therefor or exercising or enforcing any other right or remedy available by reason of an Event of Default, (ii) in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a "work-out" or in any insolvency or bankruptcy proceeding, (iii) in commencing, defending or intervening in any litigation or in filing a petition, complaint, answer, motion or other pleadings in any legal proceeding relating to the Obligations, any Loan Party, any of the Borrower's Subsidiaries and related to or arising out of the transactions contemplated hereby or by any other Loan Document or (iv) in taking any other action in or with respect to any suit or proceeding (bankruptcy or otherwise) described in *clause (i), (ii) or (iii) above; provided, however*, that the Borrower's obligations under this *paragraph (b)* to pay or reimburse the Administrative Agent, the Lenders and the Issuers for the expenses of counsel shall be limited to one outside counsel to the Administrative Agent and one outside counsel to the Lenders and the Issuers and, in each case,

any reasonably appropriate local counsel in each relevant jurisdiction, and if the interests of any Lender or group of Lenders (other than all of the Lenders) are distinctly or disproportionately affected, one additional outside counsel for such Lender or group of Lenders.

#### **Section 11.4 Indemnities**

(a) The Borrower agrees to indemnify and hold harmless each Agent, each Arranger, Lender, Issuer (including each Person obligated on a Hedging Contract that is a Loan Document if such Person was a Lender or Issuer at the time of it entered into such Hedging Contract) and each of their respective Affiliates, and each of the directors, officers, employees, agents, trustees, representatives, attorneys, consultants and advisors of or to any of the foregoing (including those retained in connection with the satisfaction or attempted satisfaction of any condition set forth in *Article III (Conditions to Loans and Letters of Credit)* (each such Person being an “Indemnitee”) from and against any and all claims, damages, liabilities, obligations, losses, penalties, actions, judgments, suits, costs, disbursements and expenses, joint or several, of any kind or nature (including fees, disbursements and expenses of financial and legal advisors

148

to any such Indemnitee) that may be imposed on, incurred by or asserted against any such Indemnitee in connection with or arising out of any investigation, litigation or proceeding, whether or not such investigation, litigation or proceeding is brought by the Borrower or any of its Subsidiaries or any such Indemnitee or any of their respective directors, security holders or creditors or the Borrower or any such Subsidiary, Indemnitee, director, security holder or creditor is a party thereto, whether direct, indirect, or consequential and whether based on any federal, state or local law or other statutory regulation, securities or commercial law or regulation, or under common law or in equity, or on contract, tort or otherwise, in any manner relating to or arising out of this Agreement, any other Loan Document, any Obligation, any Letter of Credit, any Disclosure Document, or any act, event or transaction related or attendant to any thereof, or the use or intended use of the proceeds of the Loans or Letters of Credit or in connection with any investigation of any potential matter covered hereby (collectively, the “*Indemnified Matters*”); *provided, however*, that the Borrower shall not have any liability under this *Section 11.4* to an Indemnitee (i) with respect to any Indemnified Matter that has resulted primarily from the gross negligence or willful misconduct of that Indemnitee, as determined by a court of competent jurisdiction in a final non-appealable judgment or order, (ii) with respect to a dispute among Indemnitee (other than a claim against any Agent or its affiliates solely in its capacity as Agent, except to the extent such claim is found by a final non-appealable judgment of a court of competent jurisdiction to have resulted primarily from the gross negligence or willful misconduct of such Lead Arranger or affiliate, as applicable); or (iii) arising from a material breach of the obligations of an Indemnitee under this Agreement as determined by a final, non-appealable judgment of a court of competent jurisdiction. Without limiting the foregoing, “*Indemnified Matters*” include (i) all Environmental Liabilities and Costs arising from or connected with the past, present or future operations of the Borrower or any of its Subsidiaries involving any property subject to a Collateral Document, or damage to real or personal property or natural resources or harm or injury alleged to have resulted from any Release of Contaminants on, upon or into such property or migrating from such property, (ii) any costs or liabilities incurred in connection with any Remedial Action concerning the Borrower or any of its Subsidiaries, (iii) any costs or liabilities incurred in connection with any Environmental Lien on Real Property or any asset owned or leased by the Borrower or any of its Subsidiaries and (iv) any costs or liabilities concerning the Borrower or any of its Subsidiaries, including their operations and owned or leased Real Property, incurred in connection with any other matter under any Environmental Law, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (49 U.S.C. § 9601 *et seq.*) and applicable state property transfer laws, whether, with respect to any such matter, such Indemnitee is a mortgagee pursuant to any leasehold mortgage, a mortgagee in possession, the successor in interest to the Borrower or any of its Subsidiaries, or the owner, lessee or operator of any property of the Borrower or any of its Subsidiaries by virtue of foreclosure, except, with respect to those matters referred to in *clauses (i), (ii), (iii) and (iv)* above, to the extent (x) incurred following foreclosure by any Agent, any Lender or any Issuer, or any Agent, any Lender or any Issuer having become the successor in interest to the Borrower or any of its Subsidiaries and (y) to the extent attributable solely to acts or omissions of any Agent, such Lender or such Issuer or any agent on behalf of such Agent, such Lender or such Issuer or any other Indemnitee.

(b) The Borrower shall indemnify each Agent, each Arranger, Lender and Issuer for, and hold such Agent, Arranger, Lender and Issuer and harmless from and against, any and all claims for brokerage commissions, fees and other compensation made against the Agents, the Arrangers, the Lenders and the Issuers for any broker, finder or consultant with respect to any agreement, arrangement or understanding made by or on behalf of any Loan Party or any of its Subsidiaries in connection with the transactions contemplated by this Agreement.

(c) The Borrower, at the request of any Indemnitee, shall have the obligation to defend against any investigation, litigation or proceeding or requested Remedial Action, in each case contemplated in *clause (a)* above, and the Borrower, in any event, may participate in the defense thereof with legal counsel of the Borrower’s choice. In the event that such Indemnitee requests the Borrower to defend against such

149

---

investigation, litigation or proceeding or requested Remedial Action, the Borrower shall promptly do so and such Indemnitee shall have the right to have legal counsel of its choice participate in such defense. No action taken by legal counsel chosen by such Indemnitee in defending against any such investigation, litigation or proceeding or requested Remedial Action, shall vitiate or in any way impair the Borrower’s obligation and duty hereunder to indemnify and hold harmless such Indemnitee.

(d) The Borrower agrees that any indemnification or other protection provided to any Indemnitee pursuant to this Agreement (including pursuant to this *Section 11.4*) or any other Loan Document shall (i) survive payment in full of the Obligations and (ii) inure to the benefit of any Person that was at any time an Indemnitee under this Agreement or any other Loan Document.

#### **Section 11.5 Limitation of Liability**

(a) The Borrower agrees that no Indemnitee shall have any liability (whether in contract, tort or otherwise) to any Loan Party or any of their respective Subsidiaries or any of their respective equity holders or creditors for or in connection with the transactions contemplated hereby and in the other Loan Documents, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Indemnitee’s gross negligence or willful misconduct. In no event, however, shall any Indemnitee be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings). The Borrower hereby waives, releases and agrees (each for itself and on behalf of its Subsidiaries) not to sue upon any such claim for any special, indirect, consequential or punitive damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(b) IN NO EVENT SHALL ANY AGENT AFFILIATE HAVE ANY LIABILITY TO ANY LOAN PARTY, LENDER, ISSUER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT OR CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY OR ANY AGENT AFFILIATE’S TRANSMISSION OF APPROVED ELECTRONIC COMMUNICATIONS THROUGH THE INTERNET OR ANY USE OF THE APPROVED ELECTRONIC PLATFORM, EXCEPT TO THE EXTENT SUCH LIABILITY OF ANY AGENT AFFILIATE IS FOUND IN A FINAL NON-APPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED PRIMARILY FROM AGENT AFFILIATE’S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

#### **Section 11.6 Right of Set-off**

Upon the occurrence and during the continuance of any Event of Default each Lender and each Affiliate of a Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender or its Affiliates to or for the credit or the account of any Loan Party against any and all of the Obligations now or hereafter existing whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and even though such Obligations may be unmatured. Each Lender agrees promptly to notify the Borrower after any such set-off and application made by such Lender or its Affiliates; *provided, however*, that the failure to give such notice shall not affect the validity of such set-off and application. Each Lender agrees that it shall not, without the express consent of the Requisite Lenders (and that, to the extent lawfully entitled to do so, upon the request of the Requisite Lenders) exercise its set-off rights under this *Section 11.6* against any deposit accounts of the Loan Parties and their Subsidiaries maintained with such Lender or any Affiliate thereof. The rights of each Lender under this *Section 11.6* are in addition to the other rights and remedies (including other rights of set-off) that such Lender may have.

150

**Section 11.7    Sharing of Payments, Etc.**

(a) If any Lender (directly or through an Affiliate thereof) obtains any payment (whether voluntary, involuntary, through the exercise of any right of set-off (including pursuant to *Section 11.6 (Right of Set-off)*) or otherwise) of the Loans owing to it, any interest thereon, fees in respect thereof or amounts due pursuant to *Section 11.3 (Costs and Expenses)* and *Section 11.4 (Indemnities)* (other than payments pursuant to *Section 2.14 (Special Provisions Governing Eurodollar Rate Loans)*, *2.15 (Increased Costs and Capital Adequacy)* or *2.16 (Taxes)*) or otherwise receives any Collateral or any "Proceeds" (as defined in the Pledge and Security Agreement) of Collateral (other than payments pursuant to *Section 2.14 (Special Provisions Governing Eurodollar Rate Loans)*, *2.15 (Increased Costs and Capital Adequacy)* or *2.16 (Taxes)*) (in each case, whether voluntary, involuntary, through the exercise of any right of set-off (including pursuant to *Section 11.6 (Right of Set-off)*) or otherwise) in excess of its Ratable Portion of all payments of such Obligations obtained by all the Lenders, such Lender (a "Purchasing Lender") shall forthwith purchase from the other Lenders (each, a "Selling Lender") such participations in their Loans or other Obligations as shall be necessary to cause such Purchasing Lender to share the excess payment ratably with each of them. Notwithstanding anything herein to the contrary, the sharing provisions under this *Section 11.7* shall not apply to any amounts received by any Lender under any terms and provisions hereof that expressly permit a non-pro rata payment to one or more Lenders, including, without limitation, *Section 2.8(f) (Optional Prepayments)* and *Section 11.2(j) (Assignments and Participations)*.

(b) If all or any portion of any payment received by a Purchasing Lender is thereafter recovered from such Purchasing Lender, such purchase from each Selling Lender shall be rescinded and such Selling Lender shall repay to the Purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Selling Lender's ratable share (according to the proportion of (i) the amount of such Selling Lender's required repayment in relation to (ii) the total amount so recovered from the Purchasing Lender) of any interest or other amount paid or payable by the Purchasing Lender in respect of the total amount so recovered.

(c) The Borrower agrees that any Purchasing Lender so purchasing a participation from a Selling Lender pursuant to this *Section 11.7* may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

The parties hereto hereby irrevocably waive any objection, including any objection to the laying of venue or based on the grounds of *forum non conveniens*, that any of them may now or hereafter have to the bringing of any such action or proceeding in such respective jurisdictions. The Borrower and each other Group Member irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or tort or otherwise, against any Agent, any Lender, any Issuer or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York located in the City of New York or of the United States of America for the Southern District of New York; *provided*, that nothing in this Agreement or any other Loan Document shall limit the right of the Administrative Agent to commence any proceeding in the federal or state courts of any other jurisdiction to the extent the Administrative Agent determines that such action is necessary or appropriate to exercise its rights or remedies as a secured creditor under this Agreement or any Collateral Document.

If any reference to the number of a Section (but not to any clause, sub-clause or subsection thereof) is followed immediately by a reference in parenthesis to the title of a Section, the title reference shall govern in case of direct conflict absent manifest error.

**Section 11.18 Confidentiality; Fiduciary Duty**

Each Lender and each Agent agrees to keep information obtained by it pursuant hereto and the other Loan Documents confidential in accordance with such Lender's or Agent's, as the case may be, customary practices and agrees that it shall only use such information in connection with the transactions contemplated by this Agreement and not disclose any such information other than (a) to such Lender's or such Agent's, as the case may be, Affiliates, and its and its Affiliates' partners, trustees, advisors, directors, officers, employees, representatives and agents that are or are expected to be involved in the evaluation of such information in connection with the transactions contemplated by this Agreement and are advised of the confidential nature of such information, (b) to the extent such information presently is or hereafter becomes available to such Lender or such Agent, as the case may be, on a non-confidential basis from a source other than the Borrower or any other Loan Party or becomes publicly available other than as a result of a breach of this *Section 11.18*, (c) to the extent disclosure is required by law, regulation or judicial order or requested or required by bank regulators or auditors, (d) (i) to current or prospective assignees, participants and Special Purpose Vehicle grantees of any option described in *Section 11.2(f) (Assignments and Participations)*, contractual counterparties in any Hedging Contract permitted hereunder and to their respective legal or financial advisors, in each case and to the extent such assignees, participants, grantees or counterparties agree to be bound by, and to cause their advisors to comply with, the provisions of this *Section 11.18*; *provided*, that no such disclosure shall be made by such Lender or such Agent or any of their respective Affiliates to any such Person that is a Disqualified Institution; (ii) to any actual or prospective party (or its managers, administrators, trustees, partners, directors, officers, employees, agents, advisors and other representatives) surety, reinsurer, guarantor or credit liquidity enhancer (or their advisors) to or in connection with any swap, derivative or other similar transaction under which payments are to be made by reference to the Obligations or to the Borrower and its obligations or to this Agreement or payments hereunder; (iii) to any rating agency when required by it; (iv) to the CUSIP Service Bureau or any similar organization or (v) in connection with establishing a due diligence defense. Notwithstanding any other provision in this Agreement, each Agent hereby agrees that the Borrower (and each of its officers, directors, employees, accountants, attorneys and other advisors) may disclose to any and all persons, without limitation of any kind, the U.S. tax treatment and U.S. tax structure of the Facility and the transactions contemplated hereby and all materials of any kind (including opinions and other tax analyses) that are provided to it relating to such U.S. tax treatment and U.S. tax structure.

Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their Affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its stockholders or its affiliates, on the other. The Loan Parties acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its stockholders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Loan Party, its management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for

making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto.

**Section 11.19 Patriot Act Notice**

Each Lender subject to the Patriot Act hereby notifies the Borrower that, pursuant to Section 326 of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, including the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

**Section 11.20 Designated Senior Debt**

**Section 11.21 Independence of Covenants**

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

**Section 11.22 Electronic Execution of Assignments**

The words “execution,” “signed,” “signature,” and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as an original executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**Section 11.24 Severability**

In case any provision in or obligation hereunder shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

Beginning in May of 2015, the Company also received CIDs from the Attorneys General for the States of Ohio, Texas, Washington, Florida, New York, and Kansas and from the District of Columbia, regarding similar inquiries under those states’ antitrust laws. The Company does not believe it has violated federal or state antitrust laws and is cooperating with the relevant governmental authorities. However, the Company cannot predict the ultimate scope, duration or outcome of these investigations.

**SOLVENCY CERTIFICATE**

[DATE]

This Solvency Certificate (this "Certificate") is furnished to the Administrative Agent and the Lenders pursuant to Section [ ] of the Credit Agreement, dated as of [ ], among [ ] (the "Credit Agreement"). Unless otherwise defined herein, capitalized terms used in this Certificate shall have the meanings set forth in the Credit Agreement.

I, the [ ] of the Borrower (after giving effect to the Transactions), in that capacity only and not in my individual capacity (and without personal liability), DO HEREBY CERTIFY on behalf of the Borrower that, as of the date hereof, after giving effect to the consummation of the Transactions (including the execution and delivery of the Acquisition Documents and the Credit Agreement, the making of the Loans and the use of proceeds of such Loans on the date hereof):

1. The fair value of the assets of the Borrower and its Subsidiaries on a consolidated basis will exceed their consolidated debts and liabilities, contingent or otherwise.
2. The present fair saleable value of the property of the Borrower and its Subsidiaries on a consolidated basis will be greater than the amount that will be required to pay the probable liability on their debts and other liabilities, contingent or otherwise, as such debts and other liabilities become absolute and matured.
3. The Borrower and its Subsidiaries on a consolidated basis will not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the Closing Date.
4. The Borrower and its Subsidiaries on a consolidated basis will not have incurred and do not intend to incur, or believe that they will incur, any debts and liabilities, contingent or otherwise, including current obligations, that they do not believe that they will be able to pay (based on their assets and cash flow) as such debts and liabilities become due (whether at maturity or otherwise).
5. In reaching the conclusions set forth in this Certificate, the undersigned has (i) reviewed the Credit Agreement, (ii) reviewed the financial statements (including the pro forma financial statements) referred to in Section [ ] of the Credit Agreement (the "Financial Statements") and (iii) made such other investigations and inquiries as the undersigned has deemed appropriate. The undersigned is familiar with the financial performance and business of the Borrower and its Subsidiaries.

IN WITNESS WHEREOF, I have executed this Certificate this as of the date first written above.
