Item 1.01 Entry into a Material Definitive Agreement

On April 24, 2020, AMC Entertainment Holdings, Inc. (the “Company”) issued \$500,000,000 aggregate principal amount of its 10.500% first lien notes due 2025 (the “Notes”), pursuant to an indenture, dated as of April 24, 2020 (the “Indenture”), among the Company, the guarantors named therein (the “Guarantors”) and U.S. Bank National Association, as trustee and collateral agent. The Indenture provides that the Notes are general senior secured obligations of the Company and are fully and unconditionally guaranteed on a joint and several senior secured basis by all of the Company’s existing and future subsidiaries that guarantee the Company’s other indebtedness, including the Company’s senior secured credit facilities (the “senior secured credit facilities”) under the credit agreement, dated as of April 30, 2013 (as amended through the seventh amendment thereto dated April 23, 2020, the “Credit Agreement”), among the Company, the guarantors named therein, the lenders from time to time party thereto and Citicorp North America, Inc., as administrative agent and collateral agent. The Notes and the note guarantees are secured, on a pari passu basis with the senior secured credit facilities, on a first-priority basis by substantially all of the tangible and intangible assets owned by the Company and guarantors that secure obligations under the senior secured credit facilities, including pledges of the capital stock of certain of the Company’s and the guarantors’ wholly-owned material subsidiaries (but limited to 65% of the voting stock of any foreign subsidiary), subject to certain thresholds, exceptions and permitted liens.

The Notes bear interest at a rate of 10.500% per annum, payable semi-annually on April 15 and October 15 each year, commencing October 15, 2020. The Notes will mature on April 15, 2025.

The Company may redeem some or all of the Notes at any time on or after April 15, 2022, at the redemption prices set forth in the Indenture. In addition, the Company may redeem up to 35% of the aggregate principal amount of the Notes using net proceeds from certain equity offerings on or prior to April 15, 2022 at a redemption price equal to 110.500% of their aggregate principal amount and accrued and unpaid interest to, but not including, the date of redemption. The Company may redeem some or all of the Notes at any time prior to April 15, 2022 at a redemption price equal to 100% of their aggregate principal amount and accrued and unpaid interest to, but not including, the date of redemption, plus an applicable make-whole premium. In addition, the Company may, at any time prior to 120 days after the issue date, redeem up to 35% of the aggregate principal amount of the Notes using net proceeds of any loan received pursuant to a Regulatory Debt Facility (as defined in the Indenture) at a redemption price equal to 105.250% of their aggregate principal amount and accrued and unpaid interest to, but not including, the date of redemption.

The Indenture contains covenants that limit the Company’s (and its restricted subsidiaries’) ability to, among other things: (i) incur additional indebtedness, including additional senior indebtedness; (ii) pay dividends on or make other distributions in respect of its capital stock; (iii) purchase or redeem capital stock or prepay subordinated debt or other junior securities; (iv) create liens ranking pari passu in right of payment with or subordinated in right of payment to Notes; (v) enter into certain transactions with its affiliates; and (vi) merge or consolidate with other companies or transfer all or substantially all of its assets. These covenants are subject to a number of important limitations and exceptions. The Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately.

The foregoing description of the Indenture is not intended to be complete and is qualified in its entirety by reference to the Indenture (including the form of the Notes), a copy of which is attached as Exhibit 4.1 hereto.

Item 2.03 Creation of a Direct Financial Obligation

The information set forth in Item 1.01 above is incorporated by reference into this Item 2.03.

Item 8.01 Other Events.

Credit Agreement and Odeon Revolving Credit Facility Waivers

When the revolver usage under the Credit Agreement (other than outstanding letters of credit up to \$25,000,000 in the aggregate) exceeds 35.0% of the aggregate amount of revolving commitments under the Credit Agreement, the Company is required to maintain a Secured Leverage Ratio (as defined in the Credit Agreement) of not greater than 6.00 to 1.00. In addition, under the £100 million revolving credit facility due February 14, 2022 (the “Odeon Revolving Credit Facility”), Odeon Cinemas Group Limited and its subsidiaries are required to maintain a Leverage Ratio (as defined in the Odeon Revolving Credit Facility) of not greater than 3.00 to 1.00.

On April 23, 2020, the Company entered into an amendment to the Credit Agreement with the lenders from time to time party thereto and Citicorp North America, Inc., as administrative agent (the “Credit Agreement Amendment”), pursuant to with the requisite lenders thereunder granted a waiver of the maintenance covenant thereunder for the period from and after the effective date of the Credit Agreement Amendment to and including the earlier of (a) March 31, 2021 and (b) the day immediately preceding the last day of the Test Period (as defined in the Credit Agreement) during which the Company has delivered a Financial Covenant Election (as defined in the Credit Agreement) to the administrative agent under the Credit Agreement (such period, the “Covenant Suspension Period”). During the Covenant Suspension Period, the Company will not, and will not permit any of its restricted subsidiaries to, make certain restricted payments and shall maintain Liquidity (as defined in the Credit Agreement) of no less than \$50,000,000 on the last day of each Test Period. In addition, the Credit Agreement Amendment provides for certain changes to the covenants in the Credit Agreement limiting indebtedness, liens and restricted payments that are intended to match corresponding restrictions under the Notes and the Indenture and to ensure that the terms and conditions of the Notes (subject to certain exceptions) are not materially more favorable (when taken as a whole) to the noteholders than the terms and conditions of the Credit Agreement (when taken as a whole) are to the lenders. Pursuant to the terms of the Credit Agreement, these more restrictive terms will be operative until the repayment, satisfaction, defeasance or other discharge of the obligations under the Notes or an effective amendment of, other consent or waiver with respect to, or covenant defeasance pursuant to the Indenture as result of which the covenants limiting indebtedness, liens and restricted payments thereunder are of no further force or effect. The foregoing description of the Credit Agreement Amendment and the Credit Agreement is not intended to be complete and is qualified in its entirety by reference to the Credit Agreement Amendment, a copy of which is attached as Exhibit 10.1 hereto and is incorporated by reference herein.

In addition, on April 24, 2020, Odeon Cinemas Group Limited entered into an amendment to the Odeon Revolving Credit Facility with Lloyds Bank PLC as agent (the “Odeon Amendment”), pursuant to which the requisite lenders thereunder granted a waiver of the maintenance covenant thereunder for the period from and after the effective date of the Odeon Amendment to and including the earlier of (a) March 31, 2021 and (b) the day immediately preceding the last day of the Relevant Period (as defined in the Odeon Amendment) during which Odeon Cinemas Group Limited has delivered a Financial Covenant Election (as defined in the Odeon Amendment) to the agent (the “Odeon Covenant Suspension Period”). During the Odeon Covenant Suspension Period, Odeon Cinemas Group Limited will not, and will not permit any of its subsidiaries to, make certain restricted payments including payments on shareholder loans, provided that cash payments of interest with respect to shareholder loans will be permitted. Additionally, the lenders granted a waiver such that certain events or circumstances resulting from the COVID-19 virus occurring prior to the Odeon Amendment and continuing will be deemed not to constitute an event of default under the Odeon Revolving Credit Facility.

The following Trust Indenture Act term used in this Indenture has the following meaning:

“obligor” on the Notes and the Subsidiary Guarantees means the Company and the Guarantors, respectively, and any successor obligor upon the Notes and the Subsidiary Guarantees, respectively.

All other terms used in this Indenture that are defined by the Trust Indenture Act, defined by Trust Indenture Act reference to another statute or defined by SEC rule under the Trust Indenture Act have the meanings so assigned to them. Notwithstanding any other provision in this Indenture, no obligation or requirement under the Trust Indenture Act shall be applicable to the Company or any Guarantor.

Section 1.04. Rules of Construction.

Unless the context otherwise requires:

- (a) a term has the meaning assigned to it;
- (b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;
- (c) “or” is not exclusive;
- (d) “including” means including without limitation;
- (e) words in the singular include the plural and words in the plural include the singular;
- (f) unsecured Indebtedness shall not be deemed to be subordinate or junior to secured Indebtedness merely by virtue of its nature as unsecured Indebtedness;

and

(g) the principal amount of any non-interest bearing or other discount security at any date shall be the principal amount thereof that would be shown on a balance sheet of the Company dated such date prepared in accordance with GAAP.

Section 1.05. Limited Condition Transactions.

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

- (i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio;
- (ii) determining whether a Default or Event of Default shall have occurred and be continuing (or any subset of Defaults or Events of Default); or
- (iii) testing availability under baskets set forth in this Indenture (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets or by reference to Section 4.06(a)(B) or the Excluded Contribution Amount);

in each case, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), with such option to be exercised on or prior to the date of execution of the definitive agreements related to such Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "LCT Test Date"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Company could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Company or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of the incurrence ratios subject to the LCT Election on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.

(b) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test, the amount of Consolidated EBITDA and/or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to Section 1.05), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision in any covenant (including any constituent definition thereof) of this Indenture that does not require compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the "*Fixed Amounts*") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or test (including, without limitation, any First Lien Leverage Ratio test, any Senior Leverage Ratio test, any Secured Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the "*Incurrence-Based Amounts*"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts.

(d) Notwithstanding anything herein to the contrary, for purposes of any determination under this Indenture expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the Spot Rate (or, if such determination is calculated under the Senior Credit Facilities at the Exchange Rate, such Exchange Rate) (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for purposes of determining compliance with respect to the amount of any Indebtedness, Investment, disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, this Section 1.06 shall otherwise apply to such provisions, including with respect to determining whether any Indebtedness or Investment may be incurred or disposition or Restricted Payment made at any time under such provisions. For purposes of any determination of Consolidated Total Debt, amounts in currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 4.12 (or, prior to the first such delivery, the most recent internally available financial statements).

The Notes

Section 2.01. Amount of Notes; Issuable in Series.

As provided for in Exhibit A hereto, the aggregate principal amount of the Notes which may be authenticated and delivered under this Indenture is unlimited. All Notes shall be substantially identical in all respects other than issue prices, issuance dates, first interest payment amount, first interest payment date and denominations. Additional Notes may be issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes; provided, such Additional Notes will not be issued with the same CUSIP number as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes; provided, further, that the Company's ability to issue Additional Notes shall be subject to the Company's compliance with Section 4.05 and Section 4.07. All Notes issued under this Indenture shall be treated as a single class for all purposes of this Indenture, including waivers, amendments, redemptions and offers to purchase.

Subject to Section 2.03, the Trustee shall authenticate the Initial Notes for original issue on the Issue Date in the aggregate principal amount of \$500,000,000. With respect to any Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of or in exchange for, or in lieu of, Initial Notes pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A), there shall be established in or pursuant to a resolution of the Board of Directors, and subject to Section 2.03, set forth, or determined in the manner provided in an Officers' Certificate, or established in one or more indentures supplemental hereto, prior to the issuance of such Notes:

- (a) whether such Notes shall be issued as part of a new or existing series of Notes and the title of such Notes (which shall distinguish the Notes of the series from Notes of any other series);
- (b) the aggregate principal amount of such Notes that may be authenticated and delivered under this Indenture (which shall be calculated without reference to any Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of the same series pursuant to Section 2.07, 2.09 or 3.06 or Exhibit A or any Notes which, pursuant to Section 2.03, are deemed never to have been authenticated and delivered hereunder);
- (c) the issue price and issuance date of such Notes, including the date from which interest on such Notes shall accrue; and
- (d) if applicable, that such Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositories for such Global Notes, the form of any legend or legends that shall be borne by any such Global Notes in addition to or in lieu of that set forth in Appendix I to Exhibit A and any circumstances in addition to or in lieu of those set forth in Section 2.3 of Exhibit A in which any such Global Notes may be exchanged in whole or in part for Notes registered, and any transfer of such Global Notes in whole or in part may be registered, in the name or names of Persons other than the depository for such Global Note or a nominee thereof.

If any of the terms of any series are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate or the trust indenture supplemental hereto setting forth the terms of the series.

Section 2.02. Form and Dating.

Provisions relating to the Notes are set forth in Exhibit A, which is hereby incorporated in and expressly made part of this Indenture. The Notes of each series and the Trustee's certificate of authentication shall be substantially in the form of Appendix I to Exhibit A which is hereby incorporated in and expressly made a part of this Indenture. Without limiting the generality of the foregoing, Notes offered and sold to QIBs in reliance on Rule 144A shall include the form of assignment set forth in Appendix I to Exhibit A and Notes offered and sold in offshore transactions in reliance on Regulation S (other than Initial Notes offered on the Issue Date) shall include the form of certificate set forth in Exhibit B. The Notes of each series may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage; *provided* that any such notation, legend or endorsement is in a form reasonably acceptable to the Company. Each Notes shall be dated the date of its authentication. The terms of the Notes of each series set forth in Appendix I to Exhibit A are part of the terms of this Indenture.

Section 2.03. Execution and Authentication.

Two Officers shall sign the Notes for the Company by manual, electronic or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Additional Notes executed by the Company to the Trustee for authentication, together with a written order of the Company in the form of an Officers' Certificate for the authentication and delivery of such Notes, and the Trustee in accordance with such written order of the Company shall authenticate and deliver such Notes.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

The Trustee shall not be required to authenticate such Notes if the issue thereof will adversely affect the Trustee's own rights, duties, indemnities or immunities under the Notes and this Indenture.

Section 2.04. Registrar and Paying Agent.

The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the "*Registrar*") and an office or agency where Notes may be presented for payment (the "*Paying Agent*"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more registrars for so long as the Notes are held in registered form, and one or more co-registrars. The initial Paying Agent will be U.S. Bank National Association, in New York.

The initial Registrar and transfer agent for the Notes will be U.S. Bank National Association in New York. The Registrars and the transfer agents will maintain a register reflecting ownership of Notes in the form of Definitive Notes (as defined in Exhibit A) outstanding from time to time, if any, and will make payments on and facilitate transfers of Definitive Notes on behalf of the Company. Each transfer agent shall perform the functions of a transfer agent.

The Company may change any Paying Agent, Registrar or transfer agent for the Notes without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar in respect of the Notes.

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or transfer agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar, Paying Agent or transfer agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or transfer agent.

Section 2.05. Paying Agent To Hold Money in Trust. Prior to each due date of the principal and interest on any Note, the Company shall deposit with the Paying Agent for such Note a sum sufficient to pay such principal and interest so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal or interest on the Notes and shall notify the Trustee of any default by the Company or any Guarantor in making any such payment. If the Company or a domestic Wholly Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section, the Paying Agent (if other than the Company or a domestic Wholly Owned Subsidiary) shall have no further liability for the money delivered to the Trustee.

Section 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Company on its own behalf and on the behalf of each of the Guarantors shall furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company and the Guarantors shall otherwise comply with TIA Section 312(a).

Section 2.07. Replacement Notes. If a mutilated security is surrendered to a Registrar or if the Holder of a Note claims that such Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met and the Holder satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent for such Note, the Registrar for such Note and any co-registrar from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is an additional obligation of Company.

Section 2.08. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and such Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09. Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes and deliver them in exchange for temporary Notes. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

Section 2.10. Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. Any Registrar and any Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel (subject to the record retention requirements of the Exchange Act) all Notes surrendered for registration of transfer, exchange, payment or cancellation and deliver cancelled Notes to the Company upon a written direction of the Company. Except as expressly permitted herein, the Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

If the Company or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Notes.

At such time as all beneficial interests in a Global Note have either been exchanged for definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Securities Custodian with respect to such Global Note to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

Section 2.11. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate borne by the Notes to the extent lawful) in any lawful manner. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Notes and the date (not less than 30 days after such notice) of the proposed payment (the "*Special Interest Payment Date*"), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the "*Special Record Date*") for the payment of such defaulted interest, which date shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.02, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable.

The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.12. CUSIP Numbers or ISINs. The Company in issuing the Notes may use “CUSIP” numbers, “ISINs” or other similar numbers (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “ISINs” or other similar numbers in notices of redemption as a convenience to Holders; *provided, however*, that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “ISIN” or other similar number that appears on any Note, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, ISIN or other similar numbers.

Section 2.13. Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

ARTICLE III

Redemption

Section 3.01. Notices to Trustee. If the Company elects to redeem Notes pursuant to paragraph 6 of the Notes, it shall notify the Trustee in writing of the redemption date, the principal amount of Notes to be redeemed, the redemption price and that such redemption is being made pursuant to paragraph 6 of the Notes.

The Company shall give notice to the Trustee provided for in this Section 3.01 at least 2 Business Days before the redemption date unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officers’ Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

Section 3.02. Selection of Notes To Be Redeemed. If less than all the Notes are to be redeemed at any time, not more than 60 days prior to the redemption date, the Trustee or the Registrar, as applicable, in accordance with the customary procedures of the Depository, shall select the Notes to be redeemed pro rata, and if the Depository prescribes no method of selection, then, by lot or by any other method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate and in accordance with methods generally used at the time of selection by fiduciaries in similar circumstances. The Trustee or the Registrar, as applicable, shall make the selection from outstanding Notes not previously called for redemption. The Trustee or the Registrar, as applicable, may select for redemption portions of the principal of Notes that have denominations larger than \$2,000. Notes and portions of them the Trustee or the Registrar, as applicable, selects shall be in amounts of \$2,000, or an integral multiple of \$1,000, (but in any event not less than \$2,000). Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee or the Registrar, as applicable, shall notify the Company promptly of the Notes or portions of Notes to be redeemed. The Trustee shall not be liable for selection made by it under this Section.

Section 3.03. Notice of Redemption. At least 10 days but not more than 60 days before a date for optional redemption of Notes pursuant to paragraph 6 of the Notes, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC. Notice of any optional redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

The notice shall identify the Notes (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) the name and address of the Paying Agent;
- (d) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (e) if fewer than all the outstanding Notes are to be redeemed, or if a Note is to be redeemed in part only, the identification and principal amounts of the particular Notes (or portion thereof) to be redeemed;
- (f) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (g) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- (h) any conditions to such redemption.

At the Company's written request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section at least 2 Business Days before the redemption date, unless the Trustee consents to a shorter period.

Section 3.04. Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 3.03, Notes called for redemption become due and payable on the redemption date or purchase date, as applicable, and at the redemption price or purchase price, as applicable, stated in the notice, unless such redemption or purchase is conditioned on the happening of a future event. The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price or purchase price, as applicable, stated in the notice, plus accrued and unpaid interest to the redemption date or purchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date or repurchase date, as applicable). Subject to Section 3.05, on and after the redemption date or the purchase date, unless the Company defaults in payment of the redemption or purchase price, interest shall cease to accrue on Notes or portions of Notes called for redemption, unless such redemption or purchase remains conditioned on the occurrence of a future event that has not occurred. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05. Deposit of Redemption Price. Prior to noon, New York City time, on the redemption date or purchase date, the Company shall deposit with the Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price or purchase price of and accrued and unpaid interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date or purchase date) on all Notes to be redeemed or purchased on that date other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation.

Section 3.06. Notes Redeemed in Part. Upon surrender and cancellation of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered. It is understood that, notwithstanding anything in this Indenture to the contrary, only a written request or order signed on behalf of the Company by an Officer and delivered to the Trustee and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Notes.

Section 3.07. Mandatory Redemption. The Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.08. Offers to Repurchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.16, the Company shall be required to commence an Asset Sale Offer or elects to commence an Advance Offer, it shall follow the procedures specified below.

(b) The Asset Sale Offer or Advance Offer, as the case may be, shall remain open for a period of at least 20 Business Days following its commencement (the "*Offer Period*"). No later than five Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Company shall apply all Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) (the "*Offer Amount*"), to the purchase of Notes and, if required or permitted by the terms of any other First Lien Obligations and/or, to the extent that the assets or property disposed of in the Asset Sale were not Collateral, *Pari Passu* Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and, if applicable, First Lien Obligations and/or other *Pari Passu* Indebtedness tendered in response to the Asset Sale Offer or Advance Offer, as the case may be. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, up to but excluding the Purchase Date, shall be paid on the Purchase Date to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer or Advance Offer, as the case may be.

(d) Upon the commencement of an Asset Sale Offer or an Advance Offer, as the case may be, the Company shall send, electronically or by first-class mail, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer or Advance Offer, as the case may be. The Asset Sale Offer or Advance Offer, as the case may be, shall be made to all Holders and, if required or permitted by the terms thereof, holders of other First Lien Obligations and, to the extent that the assets and property disposed of in the Asset Sale were not Collateral, any other *Pari Passu* Indebtedness. The notice, which shall govern the terms of the Asset Sale Offer or Advance Offer, as the case may be, shall state:

(i) that the Asset Sale Offer or Advance Offer, as the case may be, is being made pursuant to this Section 3.08 and Section 4.16 and the length of time the Asset Sale Offer or Advance Offer, as the case may be, shall remain open;

- (ii) the Offer Amount, the purchase price and the Purchase Date;
 - (iii) that any Note not tendered or accepted for payment shall continue to accrue interest;
 - (iv) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer or Advance Offer, as the case may be, shall cease to accrue interest after the Purchase Date;
 - (v) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer or an Advance Offer, as the case may be, may elect to have Notes purchased in amounts of \$1,000 or whole multiples of \$1,000 in excess thereof only;
 - (vi) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer or Advance Offer, as the case may be, shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or transfer by book-entry transfer, to the Company, DTC, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
 - (vii) that, if the aggregate principal amount (or accreted value, as applicable) of Notes and, if applicable, other First Lien Obligations and, to the extent that the assets and property disposed of in the Asset Sale were not Collateral, other Pari Passu Indebtedness, in each case, surrendered by the holders thereof exceeds the Offer Amount, the Trustee shall select the Notes (subject to applicable DTC procedures as to Global Notes) and the Company or the representative of such other First Lien Obligations and such other Pari Passu Indebtedness shall select such other First Lien Obligations and Pari Passu Indebtedness to be purchased or repaid on a pro rata basis based on the accreted value or principal amount of the Notes or such other First Lien Obligations and such other Pari Passu Indebtedness tendered (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased; provided that no Notes of \$2,000 or less can be redeemed or purchased in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes of such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased); and
 - (viii) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased.
- (e) On or before the Purchase Date, the Company shall, to the extent lawful, (1) accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Asset Sale Offer or Advance Offer, as the case may be, or if less than the Offer Amount has been tendered, all Notes tendered and (2) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.
- (f) The Company, DTC or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Company for purchase, and the Company shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officers' Certificate is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased; provided, that each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company shall publicly announce the results of the Asset Sale Offer or Advance Offer, as the case may be, on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.08 or Section 4.16, any purchase pursuant to this Section 3.08 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.07.

ARTICLE IV

Covenants

Section 4.01. Payment of Notes. The Company shall promptly pay the principal of, premium, if any, and interest on the Notes, in immediately available funds, on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Company shall pay interest on overdue principal at the rate specified therefore in the Notes, and it shall pay interest on overdue installments of interest at the rate borne by the Notes to the extent lawful.

Section 4.02. [Reserved].

Section 4.03. Payment of Taxes and Other Claims. The Company will, and will cause each Restricted Subsidiary to, pay its obligations in respect of taxes before the same shall become delinquent or in default, except where the failure to make payment could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

Section 4.04. Maintenance of Properties. The Company will, and will cause each Restricted Subsidiary to, keep and maintain all property material to the conduct of its business in good working order and condition (ordinary wear and tear excepted), except where the failure to do so could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.05. Limitation on Indebtedness and Certain Equity Securities.

(a) The Company will not, and will not permit any Restricted Subsidiary to, create, incur, assume or permit to exist any Indebtedness; provided, however, that the Company or any such Restricted Subsidiary may incur Indebtedness if after giving effect to the incurrence of such Indebtedness on a Pro Forma Basis the Senior Leverage Ratio is equal to or less than 3.50 to 1.0.

(b) The provisions of Section 4.05(a) shall not apply to:

(i) Indebtedness under Credit Facilities by the Company and the Restricted Subsidiaries and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof), up to an aggregate outstanding principal amount not to exceed the sum of (x) \$2,250.0 million plus (y) the greater of (i) \$700.0 million less the aggregate principal amount of the Notes issued on the Issue Date and (ii) 75% of Consolidated EBITDA for the Test Period then ended plus (z) an additional amount such that, after giving Pro Forma Effect to the incurrence of such additional amount and the application of the proceeds therefrom, the First Lien Leverage Ratio would be no greater than 3.00 to 1.00, provided that for purposes of determining the amount that may be incurred under clause (i)(z), all Indebtedness incurred under this clause (i) shall be deemed to be included in clause (a) of the definition of "First Lien Leverage Ratio";

(ii) Indebtedness represented by the Notes (but excluding any Additional Notes);

(iv) prepayments, redemptions, purchases, defeasances and other payments in respect of Junior Financings prior to their scheduled maturity: (A) in an aggregate amount, when taken together with the aggregate amount of loans and advances to a Parent Entity made pursuant to clause (m) of “Permitted Investments” in lieu of Restricted Payments permitted by this clause (A) not to exceed the greater of \$150,000,000 and 15% of Consolidated EBITDA for the most recently ended Test Period after giving Pro Forma Effect to the making of such prepayment, redemption, purchase, defeasance or other payment, (B) so long as no Event of Default shall have occurred and be continuing or would result therefrom (or, in the case of the use of subclause (1) of Section 4.06(a)(B), no Event of Default under Section 6.01(a), (b), (e) or (f)), in an amount not to exceed the amount under Section 4.06(a)(B) that is Not Otherwise Applied, (C) in an amount not to exceed the Excluded Contribution Amount that is Not Otherwise Applied and (D) in an amount not to exceed Available RP Capacity Amount; and

(v) prepayments, redemptions, purchases, defeasances and other payments in respect of Junior Financings prior to their scheduled maturity; provided that after giving effect to such Restricted Payment (A) on a Pro Forma Basis, the Total Leverage Ratio is less than or equal to 5.00 to 1.0 and (B) there is no continuing Event of Default.

For purposes of determining compliance with this Section 4.06, in the event that any payment or other distribution (whether in cash, securities or other property) of or in respect of principal of or interest on any Junior Financing, or any payment or other distribution (whether in cash, securities or other property), including any sinking fund or similar deposit, on account of the purchase, redemption, retirement, acquisition, cancellation or termination of any Junior Financing (or a portion thereof) meets the criteria of Sections 4.06(a)(A) and (B) or clauses (i) through (v) of Section 4.06(c) (or any sub-clause therein), the Company will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such payment (or portion thereof) between Section 4.06(a) and clauses (i) through (v) of Section 4.06(c) (or any sub-clause therein), in a manner that otherwise complies with this Section 4.06; provided that for the most recently ended Test Period following the making of any Junior Financing under this Section 4.06 (other than Section 4.06(c)(v)), if all or any portion of such Junior Financing could, based on the financial statements for such Test Period, have been made in reliance on Section 4.06(c)(v), such Junior Financing (or the relevant portion thereof) shall automatically be reclassified as having been made in reliance on Section 4.06(c)(v).

(d) The Company will not, and will not permit any Restricted Subsidiary to, amend or modify any documentation governing any Junior Financing, in each case if the effect of such amendment or modification (when taken as a whole) is materially adverse to Holders.

(e) Notwithstanding anything herein to the contrary, the foregoing provisions of this Section 4.06 will not prohibit the payment of any Restricted Payment or the consummation of any irrevocable redemption, purchase, defeasance or other payment within 60 days after the date of declaration thereof or the giving of such irrevocable notice, as applicable, if at the date of declaration or the giving of such notice such payment would have complied with the provisions of this Indenture.

Section 4.07. Limitation on Liens.

(a) The Company will not and will not permit any Restricted Subsidiary to create, incur or assume any Lien (other than Permitted Liens) (each, an “*Initial Lien*”) that secures obligations under any Indebtedness on any asset or property of the Company or any Restricted Subsidiary unless, in the case of Initial Liens on any asset or property that is not Collateral, the Notes are equally and ratably secured with (or, in the event the Lien relates to Junior Financing, are secured on a senior basis to) the obligations so secured.

(b) Any Lien created for the benefit of Holders of the Notes pursuant to this Section 4.07 shall provide by its terms that such Lien be deemed automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien. In addition, in the event that an Initial Lien is or becomes a Permitted Lien, the Company may, at its option and without consent from any Holder, elect to release and discharge any Lien created for the benefit of the Holders pursuant to the preceding paragraph in respect of such Initial Lien.

Section 4.08. Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions respect thereto with, any of its Affiliates, except:

- (i) (A) transactions with the Company or any Restricted Subsidiary and (B) transactions involving aggregate payments or consideration of less than the greater of \$30,000,000 and 3.0% of Consolidated EBITDA for the most recently ended Test Period prior to such transaction;
- (ii) on terms substantially as favorable to the Company or such Restricted Subsidiary as would be obtainable by the Company or such Subsidiary at the time in a comparable arm's-length transaction with a Person other than an Affiliate;
- (iii) the payment of fees and expenses related to the Transactions;
- (iv) issuances of Equity Interests of the Company to the extent not otherwise prohibited by this Indenture;
- (v) employment and severance arrangements (including salary or guaranteed payments and bonuses) between the Company and the Restricted Subsidiaries and their respective officers and employees in the ordinary course of business or otherwise in connection with the Transactions;
- (vi) payments by the Company and the Restricted Subsidiaries pursuant to tax sharing agreements among the Company and the Restricted Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Company and the Restricted Subsidiaries, to the extent payments are permitted by Section 4.06;
- (vii) the payment of customary fees and reasonable out-of-pocket costs to, and indemnities provided on behalf of, directors, officers and employees of a Parent Entity (or any direct or indirect parent company thereof), the Company and the Restricted Subsidiaries in the ordinary course of business to the extent attributable to the ownership or operation of the Company and the Restricted Subsidiaries;
- (viii) transactions pursuant to any agreement or arrangement in effect as of the Issue Date, or any amendment, modification, supplement or replacement thereto (so long as any such amendment, modification, supplement or replacement is not disadvantageous in any material respect to Holders when taken as a whole as compared to the applicable agreement or arrangement as in effect on the Issue Date as determined by the Company in good faith);
- (ix) Restricted Payments permitted under Section 4.06 (or Investments made pursuant to clause (m) of the definition of "Permitted Investments");
- (x) customary payments by the Company and any of the Restricted Subsidiaries made for any financial advisory, consulting, financing, underwriting or placement services or in respect of other investment banking activities (including in connection with acquisitions, divestitures or financings) and any subsequent transaction or exit fee, which payments are approved by the majority of the members of the Board of Directors or a majority of the disinterested members of the Board of Directors of such Person in good faith;
- (xi) the issuance or transfer of Equity Interests (other than Disqualified Equity Interests) of the Company to any Permitted Holder or to any former, current or future director, manager, officer, employee or consultant (or any Affiliate of any of the foregoing) of the Company, any of the Subsidiaries or any direct or indirect parent thereof;
- (xii) dispositions of Equity Interests in an Unrestricted Subsidiary to the extent otherwise permitted hereunder;
- (xiii) Affiliate repurchases of the loans and/or commitments under the Senior Credit Facilities to the extent permitted under agreements governing the Senior Credit Facilities, of the Notes, and the holding of such loans, the Notes and the payments and other related transactions in respect thereof;
- (xiv) transactions in connection with any Permitted Receivables Financing;

(xv) loans, Investments and other transactions by the Company and its Restricted Subsidiaries to the extent permitted under this Indenture;

(xvi) loans, advances and other transactions between or among the Company, any Restricted Subsidiary and/or any joint venture (regardless of the form of legal entity) in which the Company or any Subsidiary has invested (and which Subsidiary or joint venture would not be an Affiliate of a Parent Entity but for such Parent Entity's or a Subsidiary's ownership of Equity Interests in such joint venture or Subsidiary) to the extent not otherwise prohibited hereunder; and

(xvii) the existence and performance of agreements and transactions with any Unrestricted Subsidiary that were entered into prior to the designation of a Restricted Subsidiary as such Unrestricted Subsidiary to the extent that the transaction was permitted at the time that it was entered into with such Restricted Subsidiary and transactions entered into by an Unrestricted Subsidiary with an Affiliate prior to the redesignation of any such Unrestricted Subsidiary as a Restricted Subsidiary; provided that such transaction was not entered into in contemplation of such designation or redesignation, as applicable.

Section 4.09. Negative Pledge. The Company shall not, and shall not permit any of its Restricted Subsidiaries to enter into any agreement, instrument, deed or lease that prohibits or limits the ability of the Company or any Guarantor to create, incur, assume or suffer to exist any Lien upon any of their respective properties or revenues, whether now owned or hereafter acquired, for the benefit of the Holders with respect to the Secured Notes Obligations.

The provisions of the first paragraph of this Section 4.09 shall not apply to restrictions and conditions imposed by:

(a) (i) Requirements of Law, (ii) any documentation governing Indebtedness incurred pursuant to Section 4.05(b)(i), (iii) this Indenture, (iv) the Security Documents, (v) any documentation relating to any Permitted Receivables Financing, (vi) any documentation governing Indebtedness incurred pursuant to Section 4.05(b)(xxix), the 2024 Senior Unsecured Convertible Notes, the 2025 Subordinated Note Indenture, the 2024/2026 Subordinated Note Indenture, the 2027 Subordinated Note Indenture or Indebtedness arising under any other indentures, agreements or similar documents evidencing senior or subordinated notes or other debt securities of the Company or any of its Subsidiaries not prohibited by this Indenture, (vii) any documentation governing Indebtedness pursuant to the Odeon Credit Agreement, (viii) any documentation governing Indebtedness incurred pursuant to Section 4.05(b)(xxviii) and (ix) any documentation governing any Permitted Refinancing incurred to refinance any such Indebtedness referenced in clauses (i) through (viii) above; provided that with respect to Indebtedness referenced in (A) clauses (ii) and (vii) above, such restrictions shall be no materially more restrictive in any material respect than the restrictions and conditions in this Indenture or, in the case of Junior Financing, are market terms at the time of issuance and (B) clause (vi) above, such restrictions shall not expand the scope in any material respect of any such restriction or condition contained in the Indebtedness being refinanced;

(b) customary restrictions and conditions existing on the Issue Date and any extension, renewal, amendment, modification or replacement thereof, except to the extent any such amendment, modification or replacement expands the scope of any such restriction or condition;

(c) restrictions and conditions contained in agreements relating to the sale of a Subsidiary or any assets pending such sale; provided that such restrictions and conditions apply only to the Subsidiary or assets that is or are to be sold and such sale is permitted hereunder;

(d) customary provisions in leases, licenses and other contracts restricting the assignment thereof;

(e) restrictions imposed by any agreement relating to secured Indebtedness not prohibited by this Indenture to the extent such restriction applies only to the property securing by such Indebtedness;

(f) any restrictions or conditions set forth in any agreement in effect at any time any Person becomes a Restricted Subsidiary (but not any modification or amendment expanding the scope of any such restriction or condition); provided that such agreement was not entered into in contemplation of such Person becoming a Restricted Subsidiary and the restriction or condition set forth in such agreement does not apply to the Company or any Restricted Subsidiary;

(g) restrictions or conditions in any Indebtedness permitted pursuant to Section 4.05 that is incurred or assumed by Restricted Subsidiaries that are not Guarantors to the extent such restrictions or conditions are no more restrictive in any material respect than the restrictions and conditions in this Indenture or are market terms at the time of issuance and are imposed solely on such Restricted Subsidiary and its Subsidiaries;

(h) restrictions on cash (or Cash Equivalents) or other deposits imposed by agreements entered into in the ordinary course of business (or other restrictions on cash or deposits constituting Permitted Encumbrances);

(i) [reserved];

(j) customary provisions in joint venture agreements and other similar agreements applicable to joint ventures permitted by Section 4.05 and applicable solely to such joint venture and entered into in the ordinary course of business; and

(k) customary net worth provisions contained in real property leases entered into by Subsidiaries, so long as the Company has determined in good faith that such net worth provisions could not reasonably be expected to impair the ability of the Company and its Subsidiaries to meet their ongoing obligations.

Section 4.10. Future Guarantors. After the Issue Date, the Company will cause each Restricted Subsidiary which guarantees obligations under (a) the Senior Credit Facilities, (b) the Existing Notes, (c) any Credit Facility incurred by the Company or any Guarantor under Section 4.05(b)(i) in an aggregate principal amount in excess of \$250,000,000 or (d) any other capital markets debt securities of the Company or any Guarantor in an aggregate principal amount in excess of \$250,000,000 to execute and deliver a supplemental indenture to this Indenture, providing for a Subsidiary Guarantee by such Restricted Subsidiary and joinders to the First Lien Intercreditor Agreement, any First Lien/Second Lien Intercreditor Agreement (if applicable) and applicable Security Documents or new intercreditor agreements and security documents, together with any filings and agreements to the extent required by the Security Documents to create or perfect the security interests for the benefit of the Holders in the Collateral of such Subsidiary, within 60 days of the date of such Subsidiary's guarantee of such other Indebtedness, pursuant to which such Guarantor will unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of, premium, if any, and interest, if any, on the Notes on a senior secured basis. Each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Subsidiary without rendering the Subsidiary Guarantee as it relates to such Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 4.11. Change of Control. Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described under Section 3.03, the Company will be required to make an offer (a "*Change of Control Offer*") to purchase all outstanding Notes (as described in this Indenture) at a purchase price equal to 101% of their principal amount (or such higher amount as the Company may determine (any Change of Control Offer at a higher amount, an "*Alternate Offer*")) (such price, the "*Change of Control Payment*") plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Within 60 days following the date upon which the Change of Control occurred, the Company must send, electronically or by first class mail to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository, a notice to each Holder of Notes, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice will state:

- (1) that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;
- (2) the purchase price and the purchase date, which will be no earlier than 20 Business Days nor later than 60 days from the date such notice is sent (the “*Change of Control Payment Date*”); provided, that the Change of Control Payment Date shall be delayed until such time (including more than 60 days after the date such notice is sent) as any or all such conditions referred to in clause (8) below shall be satisfied or waived;
- (3) that any Notes not properly tendered will remain outstanding and continue to accrue interest;
- (4) that unless the Company defaults in the payment of the Change of Control Payment plus accrued and unpaid interest on all properly tendered Notes, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the procedures of DTC, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) until the close of business on the tenth Business Day after the date such notice is sent (or such later time and date as the Company may decide in its sole discretion) (such time and date, the “*withdrawal deadline*”), that Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; provided that the paying agent receives, not later than the withdrawal deadline, as electronic transmission (in PDF), a facsimile transmission or letter or other communication in accordance with the procedures of DTC setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;
- (7) that if less than all of such Holder’s Notes are tendered for purchase, such Holder will be issued new Notes (or, in the case of Global Notes, such Notes shall be reduced by such amount of Notes that the Holder has tendered) and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered (the unpurchased portion of the Notes must be equal to \$2,000 or an integral multiple of \$1,000 in excess thereof);
- (8) if such notice is sent prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control or such other conditions specified therein and describing each such condition, and, if applicable, stating that, in the Company’s discretion, the Change of Control Payment Date may be delayed until such time (including more than 60 days after the notice is mailed or delivered) as any or all such conditions shall be satisfied or waived, or that such purchase may not occur and such notice may be rescinded in the event that the Company reasonably believes that any or all such conditions (including the occurrence of such Change of Control) will not be satisfied or waived by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and
- (9) such other instructions, as determined by the Company, consistent with this Section 4.11, that a Holder must follow.

If a notice relating to a Change of Control Offer that is subject to one or more conditions precedent (other than the occurrence of a Change of Control) is later rescinded as described in clause (8) above as a result of the failure of such condition(s) to be satisfied or waived (or as a result of the Company reasonably believing that such will be the case), the offer described in such notice will not be deemed a valid “Change of Control Offer” for purposes of this Section 4.11.

The Company will not be required to make a Change of Control Offer following a Change of Control if (i) a third party approved in writing by the Company makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (ii) a notice of redemption to the Holders of the Notes has been given pursuant to this Indenture pursuant to Section 3.03 herein or (iii) in the event that upon the consummation of such Change of Control, the Company defeases or discharges the Notes as provided for under Article Eight herein. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party approved in writing by the Company making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice (except that such notice may be delivered or mailed more than 60 days prior to the redemption date or purchase date if the notice is subject to one or more conditions precedent as described therein and such date is delayed until such time as any and all such conditions are satisfied or waived), given not more than 60 days following such purchase pursuant to the Change of Control Offer described above, to redeem (with respect to the Company) or purchase (with respect to a third party) all of the Notes that remain outstanding following such purchase on a date (the "*Second Change of Control Payment Date*") at a price in cash equal to the Change of Control Payment in respect of the Second Change of Control Payment Date, including, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Second Change of Control Payment Date, subject to the right of Holders of record of Notes on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the Second Change of Control Payment Date.

If an offer is made to repurchase the Notes pursuant to a Change of Control Offer pursuant to this covenant, the Company will comply with all tender offer rules under state and federal securities laws, including, but not limited to, Section 14(e) under the Exchange Act and Rule 14e-1 thereunder, to the extent applicable to such offer. To the extent that the provisions of any securities laws or regulations, including Section 14(e) of, and Rule 14e-1 under, the Exchange Act, conflict with the change of control provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the change of control provisions of this Indenture by virtue of such compliance.

A Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes and/or the Subsidiary Guarantees so long as the tender of Notes by a Holder is not conditioned upon the delivery of consents by such Holder. In addition, the Company or any third party approved in writing by the Company that is making the Change of Control Offer (including, for the avoidance of doubt, an Alternate Offer) may, subject to applicable law, increase or decrease the Change of Control Payment (or decline to pay any early tender or similar premium) being offered to Holders at any time in its sole discretion, so long as the Change of Control Payment is at least equal to 101% of the aggregate principal amount of the Notes being repurchased, plus accrued and unpaid interest thereon.

Section 4.12. Provision of Financial Information.

(a) The Company shall file with the SEC and provide the Trustee and Holders of Notes with such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such Sections; provided, however, that the Company shall not be so obligated to file such information, documents and reports with the SEC if the SEC does not permit such filings but shall still be obligated to provide such information, documents and reports to the Trustee and the Holders of the Notes.

(b) In addition, to the extent not satisfied by the foregoing, the Company shall furnish to prospective investors, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act for so long as the Notes are not freely transferable under the Securities Act.

(c) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly information required above shall include a reasonably detailed presentation, either on the face of the financial statements, in the footnotes thereto or in an “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(d) Notwithstanding the foregoing, (a) the obligations in this Section 4.12 may be satisfied by a parent of the Company; provided that to the extent such information relates to a parent of the Company, such information is accompanied by consolidating information, which may be unaudited, that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Subsidiaries on a stand-alone basis, on the other hand, and to the extent such information is in lieu of information required to be provided under this Section 4.12, such materials are accompanied by a report and opinion of an independent registered public accounting firm of nationally recognized standing, which report and opinion shall be prepared in accordance with generally accepted auditing standards and shall not be subject to any “going concern” or like qualification or exception or any qualification or exception as to the scope of such audit (other than any exception or explanatory paragraph, but not a qualification, that is expressly solely with respect to, or expressly resulting solely from, (i) an upcoming maturity date of any Indebtedness occurring within one year from the time such opinion is delivered or (ii) any potential inability to satisfy a financial maintenance covenant on a future date or in a future period) and (b) (i) in no event shall any financial statements or reports be required to comply with (w) Rule 3-10 of Regulation S-X promulgated by the SEC (or such other rule or regulation that amends, supplements or replaces such Rule 3-10, including for the avoidance of doubt, Rules 13-01 or 13-02 of Regulation S-X promulgated by the SEC), (x) Rule 3-09 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-09) or (y) Rule 3-16 of Regulation S-X (or such other rule or regulation that amends, supplements or replaces such Rule 3-16) and (ii) in no event shall such financial statements or reports be required to comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-GAAP financial measures contained therein.

Section 4.13. Statement as to Compliance

The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the date hereof, a brief certificate of its principal executive officer, principal financial officer or principal accounting officer stating whether, to such officer’s knowledge, the Company is in compliance with all covenants and conditions to be complied with by it under this Indenture. For purposes of this Section 4.13, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

When a Default has occurred and is continuing or if the Trustee, any Holder or the trustee for or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Company shall deliver to the Trustee an Officers’ Certificate specifying such Default, notice or other action within 10 Business Days of its occurrence.

Section 4.14. Waiver of Certain Covenants

The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 4.03 to 4.11, Section 4.12(a) and Section 4.16, if the Holders of a majority in aggregate principal amount of the Notes at the time outstanding shall, by written direction of such Holders, waive such compliance in such instance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

Section 4.15. [Reserved].

Section 4.16. Asset Sales.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate, directly or indirectly, an Asset Sale (including (x) the sale or issuance of Equity Interests in a Restricted Subsidiary and (y) any Sale Leaseback) unless:

(1) such Asset Sale is made for Fair Market Value; and

(2) except in the case of a Permitted Asset Swap, a Sale Leaseback or the Disposition of a Multiplex theatre, in any such Asset Sale with a purchase price in excess of the greater of (x) \$50,000,000 and (y) 5% of Consolidated EBITDA for the most recently ended Test Period, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales completed or contractually agreed upon since the Issue Date, received by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

(b) Within 450 days after receipt of any Net Proceeds from any Asset Sale (the “*Asset Sale Proceeds Application Period*”), the Company or such Restricted Subsidiary, at its option, may apply an amount equal to the Net Proceeds from such Asset Sale (the “*Applicable Proceeds*”),

(1) to the extent the assets or property disposed of in the Asset Sale constituted Collateral, to repay (i) Obligations under the Notes, (ii) Obligations under the Senior Credit Facilities or (iii) any Additional First Lien Obligations and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto;

(2) to the extent the assets or property disposed of in the Asset Sale did not constitute Collateral:

(i) to repay (x) Obligations under the Notes, (y) Obligations under the Senior Credit Facilities or (z) any Additional First Lien Obligations; or

(ii) to repay Obligations under any Senior Indebtedness (other than any Senior Indebtedness referred to in clause (2)(i) above) and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Company or such Restricted Subsidiary will either (A) reduce the aggregate principal amount of Obligations under the Notes on a ratable basis with any such Senior Indebtedness repaid pursuant to this clause (2)(ii) by, at its option, (x) redeeming Notes as provided under Article 3 and/or (y) purchasing Notes through open-market purchases or in privately negotiated transactions (which may be below par) and/or (B) make an offer (in accordance with the provisions set forth below for an Asset Sale Offer) to all Holders to purchase their Notes on a ratable basis with any Senior Indebtedness repaid pursuant to this clause (2)(ii) for no less than 100% of the principal amount thereof, plus the amount of accrued and unpaid interest, if any, thereon (which offer shall be deemed to be an Asset Sale Offer for purposes hereof);

(3) to invest in the business of the Company and its Subsidiaries (including any acquisition or other Investment permitted under this Indenture); or

(4) any combination of the foregoing;

provided that, in the case of clause (3) above, a binding commitment or letter of intent shall be treated as a permitted application of the Applicable Proceeds from the date of such commitment or letter of intent so long as the Company or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds will be applied to satisfy such commitment or letter of intent within 180 days of the expiration of the Asset Sale Proceeds Application Period (an “*Acceptable Commitment*”) and such Applicable Proceeds are actually applied in such manner within 180 days of the expiration of the Asset Sale Proceeds Application Period (the period from the consummation of the Asset Sale to such date, the “*Commitment Application Period*”), and, in the event any Acceptable Commitment is later cancelled or terminated for any reason after the expiration of the Asset Sale Proceeds Application Period and before the Applicable Proceeds are applied in connection therewith, then such Applicable Proceeds shall constitute Excess Proceeds unless the Company or such Restricted Subsidiary reasonably expects to enter into another Acceptable Commitment prior to the expiration of the Asset Sale Proceeds Application Period and such Applicable Proceeds are actually applied in such manner prior to the expiration of the Commitment Application Period. To the extent Applicable Proceeds from an Asset Sale exceed amounts that are invested or applied as provided and within the time period set forth in Section 4.16(b), such excess amount will be deemed to constitute “*Excess Proceeds*”; provided that any amount of Applicable Proceeds offered to Holders of any Notes pursuant to clause (2) above shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any Holders.

If at any time the aggregate amount of Excess Proceeds exceeds \$100.0 million, then the Company shall within 20 Business Days make an offer to all Holders and, if required or permitted by the terms of any other First Lien Obligations and/or, to the extent that the assets or property disposed of in the Asset Sale were not Collateral, Indebtedness that is *pari passu* in right of payment with the Notes (“*Pari Passu Indebtedness*”), to the Holders of such First Lien Obligations and/or *Pari Passu Indebtedness*, as applicable (an “*Asset Sale Offer*”), to purchase the maximum aggregate principal amount (or accreted value, as applicable) of the Notes and such First Lien Obligations and/or *Pari Passu Indebtedness*, as applicable, out of the amount of the Excess Proceeds (in the case of any First Lien Obligations and/or *Pari Passu Indebtedness*, if applicable, is in accordance with the documents governing such First Lien Obligations and/or *Pari Passu Indebtedness*). The Company shall commence an Asset Sale Offer by sending the notice required pursuant to the terms of Section 3.08. The Company may satisfy the foregoing obligation with respect to such Applicable Proceeds from an Asset Sale by making an Asset Sale Offer in advance of being required to do so by this Indenture (an “*Advance Offer*”) with respect to all or part of the available Applicable Proceeds (the “*Advance Portion*”).

(d) If the aggregate principal amount (or accreted value, as applicable) of Notes and, if applicable, First Lien Obligations and/or *Pari Passu Indebtedness*, tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) in any manner not prohibited by this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero (regardless of whether there are any remaining Excess Proceeds upon such completion), and in the case of an Advance Offer, the Advance Portion shall be excluded in subsequent calculations of Excess Proceeds.

(e) Pending the final application of an amount equal to the Applicable Proceeds pursuant to this Section 4.16, the holder of such Applicable Proceeds may apply any Applicable Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility (including under the Senior Credit Facilities) or otherwise invest such Applicable Proceeds in any manner not prohibited by this Indenture. For the avoidance of doubt, the Company may apply any Retained Declined Proceeds in any manner not prohibited by this Indenture and such Retained Declined Proceeds shall in no event and under no circumstances constitute Excess Proceeds.

(e) Notwithstanding anything in this Indenture to the contrary, (i) to the extent that any of or all the Applicable Proceeds received by a Foreign Subsidiary are prohibited or delayed under any Requirements of Law from being repatriated to the Company, the portion of such Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Company (the Company hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Applicable Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16, and (ii) to the extent that and for so long as the Company has determined in good faith that repatriation of any of or all the Applicable Proceeds would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), the Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and shall not constitute Excess Proceeds and may be retained by the applicable Foreign Subsidiary; provided that when the Company determines in good faith that repatriation of any of or all the Applicable Proceeds received by a Foreign Subsidiary would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), such Applicable Proceeds shall be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16.

(f) For purposes of clause (a)(2) of this Section 4.16 (and no other provision), the following shall be deemed to be cash or Cash Equivalents:

(1) the greater of the principal amount and carrying value of any liabilities (as reflected on the most recent balance sheet of the Company (or a Parent Entity) provided hereunder or in the footnotes thereto), or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the balance sheet of the Company (or Parent Entity) or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Secured Notes Obligations, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) pursuant to a written agreement which releases the Company or such Restricted Subsidiary from such liabilities;

(2) any securities received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of the applicable Asset Sale; and

(3) any Designated Non-Cash Consideration received by the Company or such Restricted Subsidiary in respect of such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this clause (3) that is at that time outstanding, not in excess (at the time of receipt of such Designated Non-Cash Consideration) of 5% of Consolidated Total Assets for the most recently ended Test Period as of the time of receipt of such Designated Non-Cash Consideration, with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(g) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer or an Advance Offer. To the extent that the provisions of any securities laws or regulations conflict with the asset sale provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the asset sale provisions of this Indenture by virtue of such compliance.

(h) The provisions of this Indenture relating to the Company's obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding. An Asset Sale Offer or Advance Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes and/or the Subsidiary Guarantees so long as the tender of the Notes by a Holder is not conditioned upon the delivery of consents by such Holder.

Section 4.17. After-Acquired Collateral. From and after the Issue Date, and subject to the applicable limitations and exceptions set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if the Company or any Guarantor creates any additional security interest upon any property or asset that would constitute Collateral to secure any First Lien Obligations, the Company and each of the Guarantors shall concurrently grant a first-priority perfected security interest (subject to Permitted Liens) upon any such Collateral, as security for the Secured Notes Obligations.

ARTICLE V

Successors

Section 5.01. Merger, Consolidation, Amalgamation and Sale of All or Substantially All Assets.

The Company shall not, consolidate or amalgamate with or merge with or into any other Person or sell, assign, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person unless at the time and after giving effect thereto:

(a) either: (i) the Company shall be the continuing corporation; or (ii) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance, transfer, lease or disposition the properties and assets of the Company substantially as an entirety (the “*Surviving Entity*”) shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof, and shall, in either case, expressly assume all the Obligations of the Company under the Notes, this Indenture, the Security Documents, the First Lien Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement, as applicable;

(b) immediately after giving effect to such transaction on a pro forma basis, no Default or Event of Default shall have occurred and be continuing;

(c) immediately after giving effect to such transaction and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, except in the case of the consolidation or merger of any Subsidiary with or into the Company, the Company (or the Surviving Entity if the Company is not the continuing corporation) will (i) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to (x) the Senior Leverage Ratio set forth in Section 4.05(a), (y) the First Lien Leverage Ratio set forth in Section 4.05(b)(i)(z) or (z) the Secured Leverage Ratio set forth in Section 4.05(b)(xxix) or (ii) have (x) a Senior Leverage Ratio, (y) a First Lien Leverage Ratio or (z) a Secured Leverage Ratio, in each case, equal to or less than the Senior Leverage Ratio, First Lien Leverage Ratio or Secured Leverage Ratio, as applicable, immediately prior to such transaction;

(d) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Surviving Entity are assets of the type that would constitute Collateral under the Security Documents, the Surviving Entity will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents;

(e) each Guarantor (unless it is the other party to the transactions above, in which case clause (a)(ii) shall apply) shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person’s obligations in respect of the Notes outstanding and this Indenture pursuant to supplemental indentures.

(f) In connection with any consolidation, merger, transfer or lease contemplated in Section 5.01(a), the Company shall deliver, or cause to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger, transfer or lease and the supplemental indenture in respect thereto comply with the provisions described herein and that all conditions precedent herein provided for or relating to such transaction have been complied with.

(g) In addition, the Company shall not permit any Guarantor to consolidate with or merge with or into any person (other than another Guarantor) and shall not permit the conveyance, transfer or lease of substantially all of the assets of any Guarantor unless:

(i) the resulting, surviving or transferee Person shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and such Person (if not such Guarantor) shall expressly assume all the obligations of such Guarantor under its Subsidiary Guarantee by supplemental indenture, executed and delivered to the Trustee, and joinders to the applicable Security Documents, the First Lien Intercreditor Agreement and any First Lien/Second Lien Intercreditor Agreement;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(iv) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Guarantor are assets of the type that would constitute Collateral under the Security Documents, the Guarantor will promptly as reasonably practicable using commercially reasonable efforts take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; and

(v) the transaction is made in compliance with Section 4.16.

Section 5.02. Successor Substituted. Upon any consolidation or merger or any transfer of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor entity formed by such a consolidation or into which the Company is merged or to which such transfer is made shall succeed to, shall be substituted for and may exercise every right and power of the Company under the Notes and this Indenture, with the same effect as if such successor entity had been named as the Company herein. In the event of any transaction (other than a lease) described and listed in Section 5.01 in which the Company is not the continuing entity, the successor Person formed or remaining shall succeed to, be substituted for and may exercise every right and power of the Company, and the Company shall be discharged from all obligations and covenants under the Notes and this Indenture.

ARTICLE VI

Defaults and Remedies

Section 6.01. Events of Default. "*Event of Default,*" wherever used herein, means any one of the following events:

(a) default in the payment of the principal of or premium, if any, on any Note when and as the same shall become due and payable and in the currency required hereunder, whether at the due date thereof or upon acceleration, redemption or otherwise;

(b) default in the payment of any interest on any Note when it becomes due and payable, and continuance of such default for a period of 30 days;

(c) default in the performance, or breach, of any covenant or agreement of the Company or any Restricted Subsidiary contained in this Indenture or the Security Documents (other than a default in the performance, or breach, of a covenant or agreement which is specifically dealt with in clause (a) or (b)) and continuance of such default or breach for a period of 30 days after written notice shall have been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 30% in aggregate principal amount of the Notes then outstanding;

(d) (i) one or more defaults in the payment of principal on Indebtedness of the Company or any Restricted Subsidiary, in an aggregate amount of the greater of \$250,000,000 or 25% of Consolidated EBITDA, when the same becomes due and payable at the stated maturity thereof, and such default or defaults shall have continued after any applicable grace period and shall not have been cured or waived or (ii) Indebtedness of the Company or any Restricted Subsidiary, in an aggregate amount of the greater of \$250,000,000 or 25% of Consolidated EBITDA, shall have been accelerated or otherwise declared due and payable, or required to be prepaid or repurchased (other than by regularly scheduled prepayment) prior to the stated maturity thereof;

(e) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of the Company or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for the Company or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(f) the Company or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in paragraph (e) of this Section, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for the Company or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(g) one or more enforceable judgments for the payment of money in an aggregate amount in excess of the greater of (a) \$250,000,000 and (b) 25% of Consolidated EBITDA for the most recently ended Test Period (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has not denied its obligation) shall be rendered against the Company, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of the Company or any Guarantor that are material to the businesses and operations of the Company and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

(h) (i) any Lien purported to be created under any Security Document (x) shall cease to be, or (y) shall be asserted by the Company or any Guarantor not to be, a valid and perfected Lien on any material portion of the Collateral, except (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) as a result of the failure of the Controlling Collateral Agent or Notes Collateral Agent to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (C) as to Collateral consisting of real property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage; and (ii) such default continues for 30 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in aggregate principal amount of the then outstanding Notes;

(i) any material provision of any Security Document or any Guarantee shall for any reason be asserted by the Company or any Guarantor not to be a legal, valid and binding obligation of the Company or such Guarantor other than as expressly permitted hereunder or thereunder; or

(j) except as permitted by this Indenture, the Guarantee of any Guarantor shall cease to be in full force and effect.

Section 6.02. Acceleration; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(e) or (f)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than 30% in aggregate principal amount of the Notes outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes to be due and payable. If an Event of Default specified in Section 6.01(e) or (f) occurs and is continuing, then the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Trustee shall have no obligation to accelerate the Notes if in the reasonable judgment of the Trustee, acceleration is not in the interest of the Holders.

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:

(A) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

(B) all overdue interest on all Notes;

(C) the principal of (and premium, if any, on) any Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes; and

(D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes; and

(ii) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) In the event of a declaration of acceleration in respect of the Notes because an Event of Default specified in Section 6.01(d) shall have occurred and be continuing, such declaration of acceleration shall be automatically annulled if the Indebtedness that is the subject of such Event of Default (i) is Indebtedness in the form of an operating lease entered into by the Company or its Subsidiaries after May 21, 1998 and required to be reflected on a consolidated balance sheet pursuant to EITF 97-10 or any subsequent pronouncement having similar effect, (ii) has been discharged or the holders thereof have rescinded their declaration of acceleration in respect of such Indebtedness, and (iii) written notice of such discharge or rescission, as the case may be, shall have been given to the Trustee by the Company and countersigned by the holders of such Indebtedness or a trustee, fiduciary or agent for such holders, within 30 days after such declaration of acceleration in respect of the Notes, and no other Event of Default has occurred during such 30-day period which has not been cured or waived during such period.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 6.04. Waiver of Past Defaults. Subject to Section 6.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class by notice to the Trustee may waive an existing Default and its consequences under this Indenture and the Security Documents, except (a) a Default in the payment of the principal of or interest on a Note held by a non-consenting Holder, (b) a Default arising from a failure to make or consummate a Change of Control Offer in accordance with the provisions of Section 4.11, or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

Section 6.05. Control by Majority. Subject to the First Lien Intercreditor Agreement, Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or Notes Collateral Agent with respect to the Notes. However, the Trustee or the Notes Collateral Agent, as applicable may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee or Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent, as applicable in personal liability. Prior to taking any action hereunder, the Trustee shall be entitled to reasonable indemnification, in its sole discretion, against all losses and expenses caused by taking or not taking such action.

Section 6.06. Limitation on Suits. Subject to the First Lien Intercreditor Agreement, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;

(b) the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting together as a single class shall have made a written request, and such Holder or Holders shall have offered, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and

(c) the Trustee has failed to institute such proceeding and has not received from the Holders of at least a majority in aggregate principal amount of the Notes outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Notes for the enforcement of payment of the principal of or interest on such Notes on or after the applicable due date specified in such Note. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcements of the payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

Section 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

Section 6.10. Priorities. Subject to the provisions of the First Lien Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Notes Collateral Agent, in each case for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Notes.

Section 6.12. Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

Trustee

Section 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

- (c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:
 - (i) this subsection (c) does not limit the effect of subsection (b) of this Section;
 - (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and
 - (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.
- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b) and (c) of this Section.
- (e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.
- (f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.
- (h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

Section 7.02. Rights of Trustee. Subject to the provisions of Section 7.01:

- (a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.
- (b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.
- (c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.
- (d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or negligence.
- (e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) that might be incurred by it in compliance with such request or direction.

(f) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.

(i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(j) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(k) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

Section 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

Section 7.05. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after it is known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06. Reports by Trustee to Holders. As promptly as practicable after each December 31 beginning with December 31, 2020, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Section 313(b) and (c).

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee whenever the Notes become listed on any stock exchange and of any delisting thereof.

Section 7.07. Compensation and Indemnity. The Company shall pay to the Trustee and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all documented out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company shall indemnify the Trustee against any and all loss, liability or expense (including documented attorneys' fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, negligence or bad faith. The Company need not pay for any settlement made by the Trustee without the Company's consent, such consent not to be unreasonably withheld. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents, successors and assigns.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company's payment obligations pursuant to this Section shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(e) or (f) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 7.08. Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders a majority in aggregate principal amount of the Notes then outstanding and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09. Successor Trustee by Merger

. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated; any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10. Eligibility; Disqualification

. The Trustee shall at all times satisfy the requirements of TIA Section 310(a). The Trustee shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$50,000,000 as set forth in its (or its related bank holding company's) most recent published annual report of condition. The Trustee shall comply with TIA Section 310(b), subject to the penultimate paragraph thereof; *provided, however*, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

For purposes of this Section 7.10 and clause (i) of the first proviso contained in TIA Section 310(b), the indenture, dated as of June 5, 2015, as amended, among AMC Entertainment Inc. and U.S. Bank National Association providing for the issuance of the 5.75% Senior Subordinated Notes due 2025, the indenture, dated as of November 8, 2016, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 5.875% Senior Subordinated Notes due 2026 and the 6.375% Senior Subordinated Notes due 2024, the indenture, dated as of March 17, 2017, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 6.125% Senior Subordinated Notes due 2027 and the indenture, dated as of September 14, 2018, as amended, among the Company, the guarantors party thereto and U.S. Bank National Association providing for the issuance of the 2.95% Convertible Senior Notes due 2024 are hereby deemed to be specifically described.

Section 7.11. Preferential Collection of Claims Against Company

. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

ARTICLE VIII

Discharge of Indenture; Defeasance

Section 8.01. Discharge of Liability on Notes; Defeasance.

(a) When (i) either (A) all outstanding Notes that have been authenticated (other than Notes replaced pursuant to Section 2.07 and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation or (B) all Notes under this Indenture that have not been delivered to the Trustee for cancellation have become due and payable, whether at the Maturity Date or upon redemption or will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article Three and the Company irrevocably deposits or causes to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium and accrued interest to the Maturity Date or redemption date; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Notes; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes issued thereunder at the Maturity Date or the redemption date, as the case may be, then upon demand of the Company (accompanied by an Officers' Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Notes and the Liens on the Collateral securing the Notes will be released and the Trustee shall acknowledge satisfaction and discharge of this Indenture.

(b) Subject to Sections 8.01(c) and 8.02, the Company may, at its option, and at any time elect to (i) have the obligations of the Company discharged with respect to all outstanding Notes and the applicable Security Documents and all obligations of the Guarantors discharged with respect to their Subsidiary Guarantee, and have Liens on the Collateral securing the Notes released (“*legal defeasance option*”) or (ii) its and the Guarantors’ obligations under Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.16, 4.17, 5.01(b), 5.01(c), 5.01(d), 5.01(e), 5.01(f) and 5.01(g) (“*covenant defeasance option*”). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(c), (d), (e) (solely with respect to Restricted Subsidiaries), (f) (solely with respect to Restricted Subsidiaries), (g), (h), (i) and (j).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding subsections (a) and (b) above, the Company’s obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.01, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06 shall survive until the Notes have been paid in full. Thereafter, the Company’s obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

Section 8.02. Conditions to Defeasance. The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article Eight applicable to it) as trust funds in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee) to pay the principal of (and premium, if any) and interest on the outstanding Notes on the Maturity Date (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Notes. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Notes at a future date in accordance with Article Three;

(b) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(c) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(d) No Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit; and

(e) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article Eight have been complied with.

Section 8.03. Application of Trust Money.

The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article Eight. It shall apply the deposited money and the money from Government Securities, through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes.

Section 8.04. Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

Section 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities, or the principal and interest received on such Government Securities, other than such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Section 8.06. Reinstatement. If the Trustee or Paying Agent is unable to apply any money, Government Securities in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article Eight; *provided, however*, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE IX

Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture or security documents or intercreditor agreements authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and/or the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or security documents or intercreditor agreements that affect its own rights, duties or immunities under this Indenture or otherwise.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.02. With Consent of Holders. The Company, the Guarantors and the Trustee and the Notes Collateral Agent may modify or amend this Indenture, the Notes, any Subsidiary Guarantee, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and the other Security Documents and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, any Subsidiary Guarantee, the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement or any Security Document may be waived, in each case, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including any consents or waivers obtained in connection with a purchase of, or tender offer (including a Change of Control Offer) or exchange offer for, the Notes). However, without the consent of each Holder affected thereby, a modification or amendment may not:

- (a) change the Maturity Date of the principal of, or the time for payment of any installment of interest on, any Notes, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Notes or any premium or the interest thereon is payable;
- (b) reduce the amount of, or change the coin or currency of, or impair the right to institute suit for the enforcement of, the Change of Control Payment;
- (c) amend the contractual right expressly set forth in this Indenture or any Note of any Holder to institute suit for the enforcement of any payment of principal of, premium, if any, or interest on such Note on or after the stated maturity or redemption date of any such Notes;
- (d) reduce the percentage in principal amount of the outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture; or
- (e) modify any of the provisions of this Section or Sections 6.04 and 6.05, except to increase the percentage of outstanding Notes the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Secured Notes Obligations or (B) change or alter the priority of the Liens securing the Secured Notes Obligations in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture or the Security Documents.

Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company in the execution of such amended or supplemental indenture or security documents or intercreditor agreements unless such amended or supplemental indenture or security documents or intercreditor agreements directly affect the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

In addition, Holders will be deemed to have consented for purposes of the Security Documents and the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, and the Notes Collateral Agent and the Trustee will be authorized, to amend or supplement the Security Documents to add additional secured parties to the extent Liens securing Indebtedness and other Obligations held by such parties are permitted under this Indenture. In executing any such amendment, supplement, consent or waiver to the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement or Security Document or in entering into a new intercreditor agreement or Security Document, the Trustee and Notes Collateral Agent shall be entitled to receive and (subject to their duties set forth in this Indenture) shall be fully protected in relying upon an Officers' Certificate stating that the execution of such amendment, supplement, consent or waiver or new agreement is authorized or permitted by the First Lien Intercreditor Agreement or First Lien/Second Lien Intercreditor Agreement, as applicable, and/or Security Document, as the case may be, and complies with the provisions thereof and of this Indenture. Notwithstanding anything in this Indenture to the contrary, no opinion of counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.03. [Reserved].

Section 9.04. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date.

For all purposes of this Indenture, all Initial Notes and Additional Notes shall vote together as one series of Notes under this Indenture.

Section 9.05. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver such Note to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return such Note to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

Section 9.06. Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent shall sign any amendment authorized pursuant to this Article Nine if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it, in its sole discretion, and to receive, in addition to the documents required by Section 13.04 and (subject to Section 7.01) shall be fully protected in relying upon and shall be entitled to receive, an Officers' Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture. Notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, consent waiver or other modification to the First Lien Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

Guarantee

Section 11.01. Subsidiary Guarantee. Subject to the provisions of this Article Eleven, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Company under this Indenture and the Notes (including, without limitation, any interest, fees or expenses accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding, whether or not such interest, fees or expenses is an allowed claim under applicable state, federal or foreign law and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the "*Guarantor Obligations*"). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article Eleven notwithstanding any extension or renewal of any Guarantor Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Notes or the Guarantor Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Subject to the provisions of Section 4.10, each Guarantor agrees that its Subsidiary Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Subsidiary Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Subsidiary Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section.

Section 11.02. Execution and Delivery. To further evidence its Subsidiary Guarantee, each Subsidiary and other Person that is required to become a Guarantor hereby agrees to (x) execute this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, execute a supplement to this Indenture, substantially in the form of Exhibit C hereto and deliver it to the Trustee. Concurrently with the execution and delivery of (x) this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, any supplemental indenture to this Indenture, each Guarantor who executes such supplemental indenture agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Subsidiary Guarantee on the Notes.

Each of the Guarantors hereby agrees that its Subsidiary Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Subsidiary Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor's Subsidiary Guarantee of such Note shall nevertheless be valid,

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Subsidiary Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.03. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any Guarantees under the Senior Credit Facilities) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Each Guarantor shall be automatically and unconditionally released and discharged from its obligations under this Indenture and its Subsidiary Guarantee and such Subsidiary Guarantee shall be automatically and unconditionally terminate, and no further action by such Guarantor, the Company or the Trustee is required for the release of such Guarantor or the termination of such Subsidiary Guarantee:

(i) upon any sale, exchange, issuance, transfer or other disposition (by merger, consolidation, amalgamation, dividend, distribution or otherwise) of (x) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or (y) all or substantially all of the assets of such Guarantor to a Person that is not the Company or a Guarantor, in each case, if such sale, exchange, issuance, transfer or other disposition is made in compliance with the applicable provisions of this Indenture (including any amendments thereof);

(ii) (A) upon the release or discharge of the guarantee by such Guarantor of the obligations under the Senior Credit Facilities and the Existing Notes or (B) upon the release or discharge of such other guarantee that required such Guarantor to provide such Subsidiary Guarantee pursuant to Section 4.10 except, in each case, (x) a discharge or release by or as a result of payment and (y) if at the time of the release and discharge of such Subsidiary Guarantee, such Guarantor would be required to guarantee the Notes pursuant to Section 4.10;

(iii) upon the designation of such Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture;

(iv) upon the Company exercising its legal defeasance option or covenant defeasance option in accordance with Article 8 or the Company's obligations under this Indenture being discharged in accordance with the terms of this Indenture;

(v) upon the merger, amalgamation, consolidation or winding up of such Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding up, or upon the liquidation of such Guarantor; or

(vi) as described under Article 9 hereof.

Section 11.04. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 11.05. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Notes Collateral Agent to enter into the Security Documents and the First Lien Intercreditor Agreement on the Issue Date and to perform its obligations and exercise its rights thereunder in accordance therewith. In the event of conflict between an Intercreditor Agreement and any of the other Security Documents, the applicable Intercreditor Agreement shall control. Each Holder, by its acceptance of a Note, (a) agrees that it will be subject to and bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement and (b) authorizes and instructs the Notes Collateral Agent to enter into the First Lien Intercreditor Agreement on the Issue Date as the Notes Collateral Agent, and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 12.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company and the Guarantors shall, at their sole expense, take all actions and make all filings (including filing Uniform Commercial Code (including amendments and continuation statements) and other financing statements, mortgages and deeds of trust) that may be required under applicable law, or that the Trustee or the Notes Collateral Agent may reasonably request, in order to ensure the creation, perfection and priority (or continuance thereof), as security for the Obligations of Company and the Guarantors to the secured parties under this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreements and the Security Documents, of a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreements and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Holders and the Trustee subject to no Liens other than Permitted Liens.

(b) It is understood and agreed that prior to the Discharge of First Lien Obligations that are Credit Agreement Obligations, to the extent that the First Lien Collateral Agent is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to the Collateral or makes any determination in respect of any matters relating to the Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any Subsidiary (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the Senior Credit Facilities), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents and the judgment of the First Lien Collateral Agent in respect of any such matters under the Senior Credit Facilities shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.

Section 12.02. Release of Collateral

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements and this Indenture. Notwithstanding anything to the contrary in the Security Documents, the Intercreditor Agreements and this Indenture, the Company and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the Subsidiary Guarantees under any one or more of the following circumstances:

- (i) upon consummation of the sale, transfer or other disposition of such Collateral by the Company or a Guarantor to any Person other than the Company or a Guarantor, to the extent such sale, transfer or other disposition is not prohibited under this Indenture;

- (i) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations in respect of the Notes under this Indenture, the Subsidiary Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid;
- (ii) upon a legal defeasance or covenant defeasance with respect to the Notes under this Indenture as described below under Sections 8.01(b) and 8.02, or a satisfaction and discharge of this Indenture as described under Section 8.01(a); or
- (iii) pursuant to the First Lien Intercreditor Agreement and the Security Documents with respect to the Notes.

(c) In addition, any Lien on any Collateral may be (i) released or subordinated to the holder of any Lien on such Collateral that is created, incurred or assumed pursuant to clauses (iv), (viii)(A) or (xxii) of the definition of “Permitted Liens” to the extent required by the terms of the obligations secured by such Liens and (ii) subordinated to any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement is permitted by Section 4.07.

(d) With respect to any release of Collateral, upon receipt of an Officers’ Certificate stating that all conditions precedent under this Indenture and the Security Documents to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company’s expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents and shall do or cause to be done (at the Company’s expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers’ Certificate, and notwithstanding any term hereof or in any Security Document to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officers’ Certificate.

Section 12.03. Suits to Protect the Collateral.

Subject to the provisions of Article 7 and the Security Documents, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

- (a) enforce any of the terms of the Security Documents; and
- (b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

Section 12.04. Authorization of Receipt of Funds by the Trustee Under the Security Documents.

Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.05. Purchaser Protected.

In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 12 to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

Section 12.06. Power Exercisable by Receiver or Trustee.

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 12 upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article 12; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 12.07. Certain Limits on Collateral.

Section 12.08. Notes Collateral Agent.

(a) The Company and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Company and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.08. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a "Related Person"), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor's Affiliates.

(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Company or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its reasonable satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article 6 or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 12.08).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Company (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Company pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 12.08 shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) The Trustee shall initially act as Notes Collateral Agent and shall be authorized to appoint co- Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, including joinders and supplements thereto, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.

(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article 6, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) The Notes Collateral Agent is each Holder’s agent for the purpose of perfecting the Holders’ security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent’s instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor's property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Security Documents.

(l) If the Company or any Guarantor (i) incurs any obligations in respect of junior priority obligations at any time when no First Lien/Second Lien Intercreditor Agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officers' Certificate so stating and requesting the Notes Collateral Agent to enter into the First Lien/Second Lien Intercreditor Agreement in favor of a designated agent or representative for the holders of the junior priority obligations so incurred, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Company, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; provided that neither an Officer's Certificate nor an Opinion of Counsel shall be required pursuant to this Section 12.08(l) in connection with the applicable Intercreditor Agreements (including pursuant to a joinder thereto) to be entered into.

(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity reasonably satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Company or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a “*Security Document Order*”), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document or amendment or supplement thereto, to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 12.08(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document or amendment or supplement thereto. Any such execution of a Security Document or amendment or supplement thereto shall be at the direction and expense of the Company, upon delivery to the Notes Collateral Agent of an Officer’s Certificate stating that all conditions precedent to the execution and delivery of the Security Document or amendment or supplement thereto have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents or amendment or supplement thereto.

(s) Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable.

(t) After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Company or the Guarantors, it may require an Officer's Certificate, which shall conform to the provisions of this Section 12.08 and Sections 13.04 and 13.05; provided that no Officer's Certificate shall be required in connection with the Security Documents and the First Lien Intercreditor Agreement to be entered by the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee solely with respect to the Security Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents were named as this Indenture herein.

(aa) The Company and the Guarantors shall furnish to the Trustee and the Notes Collateral Agent, within 120 days after the end of each fiscal year (beginning with the first fiscal year ending after the Issue Date and after giving effect to any fiscal year end change effected on or after the Issue Date), an Officer's Certificate (which may be the same certificate required to be delivered by the Company pursuant to Section 4.13) either (i) (x) stating that such action has been taken with respect to the recording, filing, re-recording, and re-filing of this Indenture or the Security Documents, as applicable, as are necessary to maintain the perfected Liens of the applicable Security Documents securing the Obligations under applicable law to the extent required by the Security Documents other than any action as described therein to be taken, and (y) stating that on the date of such Officer's Certificate, all financing statements, financing statement amendments and continuation statements have been or will be executed and filed that are necessary, as of such date or promptly thereafter and during the succeeding 12 months, fully to maintain the perfection (to the extent required by the Security Documents) of the security interests of the Notes Collateral Agent securing the Obligations thereunder and under the Security Documents with respect to the Collateral; provided that if there is a required filing of a continuation statement or other instrument within such 12-month period and such continuation statement or amendment is not effective if filed at the time of the Officer's Certificate, such Officer's Certificate may so state and in that case the Company and the Guarantors shall cause a continuation statement or amendment to be timely filed and become effective so as to maintain such Liens and security interests securing Obligations or (ii) stating that no such action is necessary to maintain such Liens or security interests.

2.3 Transfer and Exchange. (a) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Registrar or a co-registrar with a request:

(i) to register the transfer of such Definitive Notes; or

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co-registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) are being transferred, or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect; or

(C) if such Definitive Notes are being transferred pursuant to an exemption from registration in accordance with Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904, (i) a certification to that effect and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, together with;

(i) certification (in the form set forth on the reverse side of the Initial Note) that such Definitive Note is being transferred (1) to a QIB in accordance with Rule 144A or (2) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act, which certification shall be accompanied by a signed letter substantially in the form of Exhibit B; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Note represented by the Global Note, such instructions to contain information regarding the Depository to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the procedures of the Depository containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Initial Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor depository or a nominee of such successor depository.

(iv) In the event that a Global Note is exchanged for Notes in definitive registered form pursuant to Section 2.4, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Initial Notes or Additional Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(d) Restrictions on Transfer of Regulation S Global Note. (i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Initial Notes to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

[FORM OF REVERSE SIDE OF INITIAL NOTE]

10.500% Senior Secured Note due 2025

1. **Interest.** AMC Entertainment Holdings, Inc., a Delaware corporation (the “*Company*”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Company will pay interest semiannually, in arrears, on April 15 and October 15 of each year, commencing October 15, 2020, in immediately available funds. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. **Method of Payment**

The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the April 1 or October 1 next preceding the interest payment date even if the Notes are canceled after the record date and on or before the interest payment date. Holders must surrender the Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company (the “*Depository*”). The Company will make all payments in respect of a certificated Note (including principal, premium and interest) by mailing a check to the registered address of each Holder thereof; *provided, however*, that payments on the Notes may also be made, in the case of a Holder of at least \$2,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. **Paying Agent and Registrar**

Initially, U.S. Bank National Association, a national banking association (the “*Trustee*”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

4. **Indenture**

The Company issued the Notes under an Indenture dated as of April 24, 2020 (the “*Indenture*”), among the Company, the Guarantors party thereto from time to time, the Trustee and the Notes Collateral Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. 77aaa-77bbb) as in effect on the date of the Indenture (the “*TIA*”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of those terms.

The Notes are senior secured obligations of the Company and can be issued in an initial amount of up to \$500,000,000 and additional amounts as part of the same series under the Indenture which are unlimited (subject to Sections 2.01 and 2.10 of the Indenture). The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to, among other things, incur additional indebtedness, pay dividends or make distributions in respect of their capital stock, purchase or redeem capital stock, enter into transactions with stockholders or certain affiliates, create liens or consolidate, merge or sell all or substantially all of the Company’s assets. These limitations are subject to significant exceptions.

5. **Mandatory Redemption.**

The Company shall not be required to make any mandatory redemption with respect to the Notes.

6. Optional Redemption.

Except as set forth herein, the Notes may not be redeemed prior to April 15, 2022. On and after that date, the Company may redeem the Notes in whole at any time or in part from time to time at the following redemption prices (expressed in percentages of principal amount), plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption), if redeemed during the 12-month period beginning on April 15 of the years set forth below:

Period	Redemption Price
2022	105.250%
2023	102.625%
2024 and thereafter	100.000%

Prior to April 15, 2022 the Company may on any one or more occasions redeem up to 35% of the original aggregate principal amount of the Notes at a redemption price of 110.500% of the principal amount thereof with the net cash proceeds of one or more Equity Offerings, plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided* that:

- (1) at least 65% of the original aggregate principal amount of the Initial Notes remains outstanding after each such redemption; and
- (2) the redemption occurs within 120 days after the closing of such Equity Offering.

In addition, at any time and from time to time prior to April 15, 2022, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of such redemption must be sent to Holders of the Notes called for redemption not less than 10 or more than 60 days prior to the redemption date. The notice need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.

In addition, until 120 days after the Issue Date, the Company may redeem in the aggregate up to 35% of the original aggregate principal amount of the Notes with the net cash proceeds of any loan received pursuant to a Regulatory Debt Facility at a redemption price (expressed as a percentage of principal amount thereof) of 105.250%, plus accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided*, however, that at least 65% of the original aggregate principal amount of the Initial Notes must remain outstanding after each such redemption; *provided*, further, that such redemption shall occur upon not less than 10 nor more than 60 days' notice mailed (or to the extent permitted or required by applicable DTC procedures or regulations with respect to global notes, sent electronically) to each Holder of Notes being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

The Company may redeem the Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different redemption dates and, with respect to redemptions that occur on the same date, may specify the order in which such redemptions are deemed to occur. In addition, notice of any redemption of, or any offer to purchase, the Notes may, at the Company's discretion, be given in connection with an Equity Offering, other transaction (or series of related transactions) or an event that constitutes a Change of Control and prior to the completion or the occurrence thereof, and any such redemption or purchase may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related Equity Offering, transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the redemption date or purchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date or purchase date or by the redemption date or purchase date as so delayed, or such notice or offer may be rescinded at any time in the Company's discretion if the Company reasonably believes that any or all of such conditions will not be satisfied or waived. In addition, the Company may provide in such notice or offer that payment of the redemption or purchase price and performance of the Company's obligations with respect to such redemption or offer to purchase may be performed by another Person.

If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Notes are registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

The Notes are not subject to any sinking fund.

8. Notice of Redemption

Notice of redemption shall be sent to the holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each holder of Notes to the address of such holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 10 nor more than 60 days prior to the redemption date. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering. Notes in denominations larger than \$2,000 may be redeemed in part but only in integral multiples of \$1,000. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

9. Repurchase at the Option of Holders upon Change of Control

Upon a Change of Control, the Company will be required to make an offer, subject to certain conditions specified in the Indenture, to repurchase all the Notes of each Holder at a purchase price equal to 101% of the principal amount of Notes to be repurchased plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

10. Denominations; Transfer; Exchange

The Notes are in registered form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Note for a period of 10 days prior to a selection of Notes to be redeemed or 10 days before an interest payment date.

11. **Persons Deemed Owners**

The registered Holder of this Note may be treated as the owner of it for all purposes.

12. **Unclaimed Money**

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

13. **Discharge and Defeasance**

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

14. **Amendment, Supplement and Waiver**

The Indenture, the Notes or the Subsidiary Guarantees may be amended or supplemented as provided in the Indenture.

15. **Defaults and Remedies**

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding, subject to certain limitations, may declare all the Notes to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Notes being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. The Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.

16. **Security.**

The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Notes Collateral Agent to enter into the Security Documents on the Issue Date, and at any time after Issue Date, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

17. **Trustee Dealings with the Company**

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. **No Recourse Against Others**

A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

19. **Authentication**

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. **Abbreviations**

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. **Governing Law**

THE INDENTURE, THIS NOTE AND THE SUBSIDIARY GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. **ISINs and CUSIP Numbers**

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISINs and/or CUSIP numbers to be printed on the Notes and has directed the Trustee to use ISINs and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

A Holder of Notes may upon written request and without charge to the Holder receive a copy of the Indenture which has in it the text of this Note. Requests may be made to: Kevin M. Connor, General Counsel, One AMC Way, 11500 Ash Street, Leawood, Kansas 66211.

This SEVENTH AMENDMENT TO CREDIT AGREEMENT, dated as of April 23, 2020 (this "Amendment"), is entered into by and among AMC Entertainment Holdings, Inc., a Delaware corporation (the "Borrower"), the Lenders (as defined below) party hereto and CITICORP NORTH AMERICA, INC., as administrative agent (in such capacity, the "Administrative Agent") and Collateral Agent and Citibank, N.A., as an Issuer (each as defined therein).

WHEREAS, the Borrower has entered into that certain Credit Agreement dated as of April 30, 2013 (as amended by that certain First Amendment to Credit Agreement dated as of December 11, 2015, that certain Second Amendment to Credit Agreement dated as of November 8, 2016, that certain Third Amendment to Credit Agreement dated as of May 9, 2017, that certain Fourth Amendment to Credit Agreement dated as of June 13, 2017, that certain Fifth Amendment to Credit Agreement, dated as of August 14, 2018 and that certain Sixth Amendment to Credit Agreement, dated as of April 22, 2019 (the "Existing Credit Agreement"), and as amended by this Amendment and as further amended, supplemented, amended and restated or otherwise modified from time to time, the "Credit Agreement") with each lender from time to time party thereto (collectively, the "Lenders" and each, individually, a "Lender"), and the Administrative Agent; and

WHEREAS, the Borrower has requested, and the Lenders constituting the "Required Revolving Lenders" have agreed to make, certain additional changes to the Existing Credit Agreement on and subject to the terms and conditions set forth herein.

WHEREAS, substantially simultaneously with the effectiveness of this Amendment, the Borrower shall issue \$500 million of 10.50% Senior Secured Notes due 2025 (the "New Notes");

WHEREAS, under the terms of the Existing Credit Agreement, the terms of the New Notes may not be materially more favorable (when taken as a whole) to the investors providing the New Notes than the terms and conditions of the Existing Credit Agreement (when taken as a whole) are to the Lenders unless any relevant covenants are added for the benefit of the outstanding Loans and by notice from the Borrower to the Administrative Agent, the Borrower and the Administrative Agent may amend the Existing Credit Agreement to add any such relevant covenants without the consent of any other Lender;

NOW, THEREFORE, in consideration of the premises and covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. Defined Terms.

Capitalized terms used but not defined herein shall have the respective meanings assigned to such terms in the Amended Credit Agreement.

Section 2. Required Revolving Lender Amendments. Effective as of the Amendment No. 7 Effective Date (as defined below), the Borrower, the Administrative Agent and the Required Revolving Lenders hereby agree that the Existing Credit Agreement shall be amended (the "Required Revolving Lender Amendments") as follows:

- (a) The following definitions are hereby added in the appropriate alphabetical order to Section 1.01:

"Amendment No. 7" means Amendment No. 7 to this Agreement, dated as of April 23, 2020, among the Borrower, the Lenders party thereto and the Administrative Agent.

“Amendment No. 7 Effective Date” has the meaning assigned thereto in Amendment No. 7.

“Covenant Suspension Conditions” means that each of the following shall be satisfied:

(a) since the Amendment No. 7 Effective Date through the last day of the Covenant Suspension Period, notwithstanding anything to the contrary in Section 6.08(a), the Borrower shall not, nor shall permit any Restricted Subsidiary to, pay or make, directly or indirectly, any Restricted Payment to its shareholders pursuant to Section 6.08(a)(viii), (xii) or (xiv) (the “RP Condition”); and

(b) the Borrower shall maintain Liquidity of no less than \$50,000,000 as of the last day of each Test Period ending during the Covenant Suspension Period (the “Liquidity Condition”).

“Covenant Suspension Period” means the period from and after the Amendment No. 7 Effective Date to and including the earlier of (a) March 31, 2021 and (b) the day immediately preceding the last day of the Test Period during which the Borrower has delivered a Financial Covenant Election to the Administrative Agent.

“Electronic Signature” means an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record.

“Financial Covenant Election” means an election by the Borrower, by written notice to the Administrative Agent, to test the Financial Performance Covenant on the last day of the Test Period during which the Borrower has delivered such Financial Covenant Election and each Test Period ending thereafter.

“Liquidity” means, as of any date of determination, the sum of (a) unused Revolving Commitments at such time, plus (b) unused commitments under other committed working capital facilities available to the Borrower and its Restricted Subsidiaries (including unused “Commitments” under and as defined in the Revolving Credit Facility Agreement, dated as of December 7, 2017, among Odeon Cinemas Group Limited, Lloyds Bank plc, as agent, and the other arrangers, agents and lenders party thereto), plus (c) the aggregate amount of cash and cash equivalents of the Borrower and the Restricted Subsidiaries as of such time. For purposes of determining Liquidity, Revolving Commitments shall be deemed to be used at any date of determination to the extent of the outstanding Revolving Loans, LC Exposure and Swingline Exposure at such time.

(b) The definition of “Material Adverse Effect” in Section 1.01 is hereby amended and restated in its entirety as follows:

“Material Adverse Effect” means any event, circumstance or condition that has had, or could reasonably be expected to have, a materially adverse effect on (a) the business or financial condition of the Borrower and the Restricted Subsidiaries, taken as a whole, (b) the ability of the Borrower and the Guarantors, taken as a whole, to perform their payment obligations under the Loan Documents or (c) the rights and remedies of the Administrative Agent and the Lenders under the Loan Documents; provided that for purposes of Section 4.02(a), matters or impacts arising from, related to, or in connection with the outbreak and spread of the novel coronavirus known as COVID-19 shall not constitute, result or otherwise have a Material Adverse Effect.”

(c) Section 6.10 of the Credit Agreement is hereby amended by inserting the following new terms at the end thereof:

Notwithstanding the foregoing, so long as the Borrower is in compliance with the Covenant Suspension Conditions at all relevant times during the Covenant Suspension Period, the foregoing financial covenant shall be suspended and not applicable for such Test Period. From and after the end of the Covenant Suspension Period, compliance with the foregoing financial covenant shall be calculated by annualizing Consolidated EBITDA for each of the first three fiscal quarters completed after the end of the Covenant Suspension Period (for example, in the case where the Covenant Suspension Period ends after the quarter ending March 31, 2021, (A) Consolidated EBITDA for the Test Period ending June 30, 2021 shall equal Consolidated EBITDA for the fiscal quarter ending June 30, 2021 multiplied by four, (B) Consolidated EBITDA for the Test Period ending September 31, 2021 shall equal Consolidated EBITDA for the two consecutive fiscal quarters ending September 30, 2021 multiplied by two, and (C) Consolidated EBITDA for the Test Period ending December 31, 2021, shall equal Consolidated EBITDA for the three consecutive fiscal quarters ending December 31, 2021 multiplied by 4/3) and thereafter shall be calculated based on actual Consolidated EBITDA for each fiscal quarter comprising a Test Period.

If the Borrower ceases to be in compliance with (a) the Liquidity Condition as of the last day of any Test Period ending during the Covenant Suspension Period, then the Financial Performance Covenant will be deemed to be applicable as of the last day of such Test Period or (b) the RP Condition at any time during the Covenant Suspension Period, then (x) prior to the date on which the financial statements for the fiscal quarter ending June 30, 2020 were required to have been delivered pursuant to Section 5.01(b), it will be an immediate Event of Default under Section 7.01(d) and (y) thereafter, the Financial Performance Covenant will be deemed to have been applicable as of the last day of the most recently ended Test Period. Accordingly, if the Borrower would not have been in compliance with the Financial Performance Covenant as of the last day of such Test Period referenced in clause (a) or (b)(y), as applicable, then, subject to the rights and limitations set forth in Section 7.02, an Event of Default under Section 7.01(d) shall result from such non-compliance with the Liquidity Condition or the RP Condition, as applicable.

Section 3. Amendments Related to New Notes. Effective as of the Amendment No. 7 Effective Date, the Borrower and the Administrative Agent hereby agree that the Existing Credit Agreement shall be amended (the "Additional Covenant Amendments"; together with the Required Revolving Lender Amendments, the "Amendments") as follows:

(a) The following definitions are hereby added in the appropriate alphabetical order to Section 1.01 of the Credit Agreement:

"Secured Notes Covenant Discharge" means either (a) the repayment, satisfaction, defeasance or other discharge of all the obligations under the Senior Secured Notes or (b) an effective amendment of, other consent or waiver with respect to, or covenant defeasance pursuant to, the Senior Secured Notes Indenture, as a result of which the covenants limiting indebtedness, liens and restricted payments are of no further force or effect.

"Senior Secured Notes" means the Borrower's 10.50% Senior Secured Notes due 2025 issued under a Senior Secured Notes Indenture in the original principal amount of \$500,000,000.

"Senior Secured Notes Indenture" means the Indenture to be dated as of April 24, 2020, between the Borrower, the guarantors party thereto and U.S. Bank National Association, as initial trustee.

(b) The definition of Available Amount in Section 1.01 of the Credit Agreement is hereby amended by:

(i) inserting the words "(or, at any time prior to the Secured Notes Discharge, \$300,000,000)" after the words "then last ended" in clause (a) of such definition.

(ii) inserting the words "at any time after the Secured Notes Covenant Discharge," at the beginning of clause (b) of such definition.

(iii) inserting the words "(or, at any time prior to the Secured Notes Discharge to the extent resulting in a lesser amount under this clause (c) as of such date of determination, January 1, 2021)" after the words January 1, 2019.

(c) Clause (xiv) of Section 6.01(a) of the Credit Agreement is hereby amended by inserting the parenthetical "(provided, however, that, at any time prior to the Secured Notes Discharge, no Restricted Subsidiary that is not a Loan Party may incur Indebtedness in reliance on this clause (xiv))" at the end of such clause.

(d) Clause (xxv) of Section 6.01(a) of the Credit Agreement is hereby amended by inserting the parenthetical "(or, at any time prior to the Secured Notes Discharge, the greater of \$50,000,000 and 5% of Consolidated EBITDA)" after the words "the greater of \$250,000,000 and 25% of Consolidated EBITDA" in the proviso to such clause.

(e) Clause (xx) of Section 6.02 of the Credit Agreement is hereby amended by inserting the words "(or, at any time prior to the Secured Notes Discharge, the greater of \$150,000,000 and 15% of Consolidated EBITDA)" after the words "the greater of \$300,000,000 and 30% of Consolidated EBITDA" in the proviso to such clause.

(f) Clause (n) of Section 6.04 of the Credit Agreement is hereby amended by inserting the parenthetical “(or, at any time prior to the Secured Notes Discharge, the greater of \$200,000,000 and 20% of Consolidated EBITDA)” after the words “the greater of \$400,000,000 and 40% of Consolidated EBITDA” in the proviso to such clause.

(g) Clause (viii) of Section 6.08(a) of the Credit Agreement is hereby amended by inserting the parenthetical “(or, at any time prior to the Secured Notes Discharge, the greater of \$150,000,000 and 15% of Consolidated EBITDA)” after the words “the greater of \$300,000,000 and 30% of Consolidated EBITDA” in clause (A) therein.

(h) Clause (iv) of Section 6.08(b) of the Credit Agreement is hereby amended by inserting the parenthetical “(or, at any time prior to the Secured Notes Discharge, the greater of \$150,000,000 and 15% of Consolidated EBITDA)” after the words “the greater of \$300,000,000 and 30% of Consolidated EBITDA” in clause (A) therein.

Section 4. Representations and Warranties.

(a) The representations and warranties of each Loan Party set forth in the Loan Documents are, after giving effect to this Amendment on the Amendment No. 7 Effective Date, true and correct in all material respects on and as of such date, except to the extent such representations and warranties specifically refer to an earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date; *provided* that any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct in all respects on the Amendment No. 7 Effective Date or on such earlier date, as the case may be.

(b) After giving effect to this Amendment and the transactions contemplated hereby on Amendment No. 7 Effective Date, no Default or Event of Default has occurred and is continuing on either of the Amendment No. 7 Effective Date.

Section 5. Conditions to Effectiveness of Amendment No. 7.

(a) The Amendments shall become effective on the date on which each of the following conditions is satisfied (the “Amendment No. 7 Effective Date”):

(i) The Administrative Agent (or its counsel) shall have received from (1) the Borrower, (2) each Lender party hereto (which shall constitute the Required Revolving Lenders) and (3) the Administrative Agent, either (A) counterparts of this Amendment signed on behalf of such parties or (B) written evidence satisfactory to the Administrative Agent (which may include facsimile or other electronic transmissions of signed signature pages) that such parties have signed counterparts of this Amendment.

(ii) The Administrative Agent shall have received a copy of (1) the Organizational Document of the Borrower certified, to the extent applicable, as of a recent date by the applicable Governmental Authority, (2) signature and incumbency certificates of the Responsible Officers of the Borrower, (3) resolutions of the Board of Directors and/or similar governing bodies of the Borrower approving and authorizing the execution, delivery and performance of this Amendment, certified as of the Amendment No. 7 Effective Date by its secretary, an assistant secretary or a Responsible Officer as being in full force and effect without modification or amendment, and (4) a good standing certificate from the applicable Governmental Authority of the Borrower jurisdiction of incorporation, organization or formation.

(iii) The Administrative Agent shall have received all fees and other amounts previously agreed in writing by the Borrower to be due and payable on or prior to the Amendment No. 7 Effective Date, including, to the extent invoiced at least three Business Days prior to the Amendment No. 7 Effective Date (except as otherwise reasonably agreed by the Borrower), reimbursement or payment of all reasonable and documented out-of-pocket expenses (including reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent) required to be reimbursed or paid by any Loan Party under any Loan Document.

(iv) The Administrative Agent shall notify the Borrower and the Lenders of each of the Amendment No. 7 Effective Date and such notices shall be conclusive and binding.

Section 6. Governing Law. This Amendment shall be construed in accordance with and governed by the law of the State of New York. The provisions of Sections 11.12 and 11.13 of the Credit Agreement shall apply to this Amendment to the same extent as if fully set forth herein.

Section 7. Costs and Expenses. The Borrower agrees to reimburse the Administrative Agent for its reasonable out of pocket expenses in connection with this Amendment and the transactions contemplated hereby, including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent.

Section 8. Counterparts. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of any executed counterpart of a signature page of this Amendment by facsimile transmission or other electronic imaging means shall be effective as delivery of a manually executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Amendment and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based record-keeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent.

Section 9. Effect of Amendment.

(a) Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of, the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Amendment No. 7 Effective Date. Nothing herein shall be deemed to establish a precedent for purposes of interpreting the provisions of the Amended Credit Agreement or entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document in similar or different circumstances. This Amendment shall apply to and be effective only with respect to the provisions of the Credit Agreement and the other Loan Documents specifically referred to herein.

(b) On and after the Amendment No. 7 Effective Date, each reference in the Credit Agreement to “this Agreement”, “hereunder”, “hereof”, “herein” or words of like import, and each reference to the Credit Agreement, “thereunder”, “thereof”, “therein” or words of like import in any other Loan Document, shall be deemed a reference to the Credit Agreement, as amended hereby. This Amendment shall constitute a “Loan Document” for all purposes of the Credit Agreement and the other Loan Documents.
