Explanatory Note

AMC Entertainment Holdings, Inc. (the “Company”, or “AMC”) filed a Current Report on Form 8-K on February 7, 2023 to disclose the consummation of the previously announced forward purchase agreement (the “Forward Purchase Agreement”), dated as of December 22, 2022 by and between the Company and Antara Capital LP (the “Investor”). This Amendment No. 1 on Form 8-K/A is being filed solely to clarify the description and provide supplemental information with respect to the lock-up waiver, including:

- The amount of APEs that the Company is permitted to sell under the lock-up restrictions under the Forward Purchase Agreement. Originally, the Company could sell a maximum of \$40 million worth of APEs, which were previously sold. Under the waiver, the Company has an option to sell an additional \$100 million worth of APEs during the lock-up period. The Company would not expect any of these sales to occur prior to the release of its annual 2022 results and only in such a manner as anticipated to have a positive impact on long-term shareholder value.
- The waiver likewise gives the Investor an option to sell up to 26 million of the APEs that were previously subject to the lockup restriction. This represents approximately 10% of the Investors interest in APE units.

This Amendment No. 1 also provides supplemental information with respect to the timing of definitive proxy information relating to the special stockholder meeting.

Item 1.01 Entry into a Material Definitive Agreement

Forward Purchase Agreement

On February 7, 2023 (the “Closing Date”), AMC Entertainment Holdings, Inc. (the “Company”, or “AMC”), in connection with the consummation of its previously announced forward purchase agreement (the “Forward Purchase Agreement”), dated as of December 22, 2022 by and between the Company and Antara Capital LP (the “Investor”), issued to the Investor 106,595,106 AMC Preferred Equity Units (“APEs”) for an aggregate purchase price of \$75.1 million (the “Forward Purchase APEs”) and (ii) simultaneously purchased from the Investor, on a private basis, \$100 million aggregate principal amount of the Company’s 10%/12% Cash/PIK Toggle Second Lien Notes due 2026 (the “Exchange Notes”) in exchange for 91,026,191 APEs (together with the Forward Purchase APEs, the “Private Placement APEs”) and cash equal to the accrued and unpaid interest on the Exchange Notes. The Company intends to use the net proceeds from the sale of the Private Placement APEs primarily to further deleverage and/or bolster liquidity.

On February 9, 2023, the Company and the Investor agreed to a mutual waiver of the lock-up restrictions in the Forward Purchase Agreement restricting the sale, transfer or other disposition of APEs. In accordance with the mutual waiver, the lock-up restrictions will not apply to (i) sales of APEs by the Investor in an amount not to exceed an aggregate of 26 million APEs, and (ii) allow additional sales of APEs by the Company in an amount not to exceed \$100 million.

The above waivers are from lock-up restrictions that otherwise apply until the earlier of the announced special stockholder meeting and April 6, 2023. The Company previously sold APEs in an amount of \$40 million as permitted by the lock-up restrictions pursuant to its at-the-market program. AMC would not in any event expect any further sales of APEs prior to its release of annual 2022 results and only in such a manner as expected to positively impact long-term shareholder value.

The Company expects to file on February 14, 2023 and commence mailing of a definitive proxy statement relating to the announced special stockholder meeting, which is currently scheduled to be held on March 14, 2023. The record date for the meeting is February 8, 2023.

The Company also agreed that prior to March 31, 2023, it will not issue or exchange, without the Investor’s prior written consent, any Class A common stock in return for cancellation of the Company’s outstanding indebtedness.

Debt Repurchases

In addition to the Exchange Notes purchased on February 7, 2023 pursuant to the Forward Purchase Agreement, the Company has repurchased \$85.2 million aggregate principal amount of its outstanding debt since December 19, 2022, at an average discount of approximately 49%, including additional repurchases from the Investor of \$56.9 million aggregate principal amount of the Company’s 10%/12% Cash/PIK Toggle Second Lien Notes due 2026 and \$4.1 million aggregate principal amount of the Company’s 5.875% Senior Subordinated Notes due 2026.

As a result of these debt repurchases and the purchase of the Exchange Notes, total debt repurchased since the beginning of 2022, including the previously announced Odeon debt refinancing reported on October 20, 2022, now stands at \$365 million.

Item 3.02 Unregistered Sales of Equity Securities

The information set forth in Item 1.01 above is incorporated herein by reference. The issuance of the Private Placement APEs was made in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”).

For additional information regarding the APEs, including the convertibility features thereof, see the Company’s Form 8-A filed with the Securities and Exchange Commission (the “SEC”) on August 4, 2022.
