In connection with the Transactions, on the Closing Date:

The new money financing provided by the New 2029 Notes will be used, among other things, to finance the repurchase of \$173.1 million aggregate principal amount of the Company’s outstanding 5.875% Senior Subordinated Notes due 2026 and 10%/12% Cash/PIK Toggle Second Lien Subordinated Secured Notes due 2026, which have been called for redemption, conditional upon the receipt of proceeds from the financing.

The principal amount of New Exchangeable Notes held by the Consenting Exchangeable Noteholders will be subject to potential downward adjustment, depending on the trading price of AMC Common Stock for a period following this exchange.
- The Consenting Term Loan Lenders (which constituted the “Required Lenders” as defined in the Credit Agreement), the Company, Muvico and Wilmington Savings Fund Society, FSB, as administrative agent and as collateral agent under the Credit Agreement, entered into an amendment to the Credit Agreement permitting the Transactions.

Cnty. 2024) (the “Intercreditor Litigation”) and will dismiss with prejudice any claims with respect to the Intercreditor Litigation.

New 2029 Notes Indenture

Interest, Guarantees and Security

The New 2029 Notes were issued pursuant to an indenture (the “New 2029 Notes Indenture”), dated as of the Closing Date, by and among Muvico, as issuer, the Company, as a guarantor, the other guarantors party thereto and CSC Delaware Trust Company, as trustee and as collateral agent (in such capacity, the “New 2029 Notes Collateral Agent”).

The New 2029 Notes will bear interest at a rate per annum equal to the Applicable Rate (as defined in the New 2029 Notes Indenture), payable semi-annually in arrears in cash and, to the extent required, in payment-in-kind (“PIK”) interest on June 15 and December 15 of each year, beginning on December 15, 2025. The New 2029 Notes will mature on February 19, 2029, unless redeemed in full prior to such maturity date, pursuant to the terms contained in the New 2029 Notes Indenture. If, by December 10, 2025, the Company has not obtained the necessary AMC shareholder approvals required to issue the Company’s Class A common stock, par value \$0.01 (“AMC Common Stock”) underlying the New Exchangeable Notes (the “Required Shareholder Approval”), the interest rate per annum payable with respect to the New 2029 Notes will increase by either 1.00% cash interest or 2.00% PIK interest, as determined by the Company in its sole discretion (the “Additional Rate”). The Additional Rate will (i) go into effect concurrent with any rate adjustment to the New Exchangeable Notes and (ii) remain in force for any duration of time in which the New Exchangeable Notes remain outstanding and are not exchangeable.

Muvico's obligations under the New 2029 Notes are fully and unconditionally guaranteed on a joint and several basis by the Company and each of the Company's subsidiaries that guarantee the Company's and Muvico's obligations under the Credit Agreement, as well as all of the Company's future subsidiaries that guarantee the Company's or any of the Company's subsidiaries other material indebtedness, including under the Credit Agreement. The New 2029 Notes are secured (a) on a first lien priority basis on the assets of the Company and the guarantors under the indenture governing the Company's Existing 7.5% Notes (the "Existing 7.5% Notes Indenture") (such guarantors, collectively, the "AMC Group Guarantors"), *pari passu* with the liens securing the term loans under the Credit Agreement, and, other than with respect to any turnover in favor of the Credit Agreement by the Existing Exchangeable Notes, the Existing Exchangeable Notes, and (b) on a 1.5 lien priority basis on the assets of Muvico, Centertainment Development, LLC ("Centertainment"), their guarantor subsidiaries under the Existing Exchangeable Notes Indenture and AMC Theatres of UK Limited (together with Centertainment and such guarantor subsidiaries, collectively, the "Muvico Group Guarantors"; the Muvico Group Guarantors, together with the AMC Group Guarantors, collectively, the "Existing Guarantors"), which lien will only be junior to the liens securing the term loans under the Credit Agreement and the New Exchangeable Notes and senior to the liens securing any other funded debt of Muvico, including, but not limited to, the Existing Exchangeable Notes.

Covenants and Events of Default

The New 2029 Notes Indenture contains covenants that limit the ability of Muvico, the Company and its subsidiaries to, among other things: (i) incur additional indebtedness or guarantee indebtedness; (ii) create liens; (iii) declare or pay dividends, redeem stock or make other distributions to stockholders; (iv) make investments; (v) enter into transactions with its affiliates; (vi) consolidate, merge, sell or otherwise dispose of all or substantially all of their respective assets; and (vii) impair the security interest in the collateral. These covenants are subject to a number of important limitations and exceptions. The New 2029 Notes Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding New 2029 Notes to be due and payable immediately.

The New 2029 Notes have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any state and may not be offered or sold in the United States absent registration or an exemption from the applicable registration requirements of the Securities Act and applicable state securities laws.

The foregoing summary of the New 2029 Notes Indenture and New 2029 Notes does not purport to be complete and is qualified in its entirety by reference to the New 2029 Notes Indenture and the form of New 2029 Note attached hereto as Exhibits 4.1 and 4.2, respectively and incorporated herein by reference.

New Exchangeable Notes Indenture

Interest, Guarantees and Security

The New Exchangeable Notes were issued pursuant to an indenture (the "New Exchangeable Notes Indenture"), dated as of the Closing Date, by and among Muvico, as issuer, the Company, as a guarantor, the other guarantors party thereto and GLAS Trust Company LLC, as trustee and as collateral agent (in such capacity, the "New Exchangeable Notes Collateral Agent").

The New Exchangeable Notes will initially bear interest at a rate per annum of 6.00% cash interest and 2.00% PIK interest, payable semi-annually in arrears on June 15 and December 15 of each year, beginning on December 15, 2025; *provided* that so long as the Required Shareholder Approval has been obtained on or before December 10, 2025 (the "Interest Adjustment Date"), the interest rate will be decreased, from and after the Interest Adjustment Date, to 1.50% cash interest (and no PIK interest) per annum. In the event that receipt of the Required Shareholder Approval does not occur prior to the Interest Adjustment Date, the interest rate on the New Exchangeable Notes will be increased, from and after the Interest Adjustment date, to 9.50% cash interest and 3.50% PIK interest per annum until any later date on which such Required Shareholder Approval is obtained, from and after which the interest rate will be decreased to 1.50% cash interest (and no PIK interest) per annum. The New Exchangeable Notes will mature on April 30, 2030, unless redeemed or exchanged in full prior to such maturity date, pursuant to the terms contained in the New Exchangeable Notes Indenture.

Muvico's obligations under the New Exchangeable Notes are fully and unconditionally guaranteed on a joint and several basis by the Company and the Company's subsidiaries that guarantee the Company and Muvico's obligations under the Credit Agreement, and all of the Company's future subsidiaries that guarantee the Company's other material indebtedness, including under the Credit Agreement. The New Exchangeable Notes are secured (a) on a first lien priority basis on the assets of the Company and the guarantors under the Existing 7.5% Notes Indenture, *pari passu* with the liens securing the term loans under the Credit Agreement, the Existing Exchangeable Notes, the New 2029 Notes and the remaining Existing 7.5% Notes, subject to the Existing 1L Intercreditor Agreement, and will be subject to the same turnover provisions as the Existing Exchangeable Notes for the benefit of the term loans under the Credit Agreement and (b) on a 1.25 lien priority basis on the assets of Muvico, Centertainment and their guarantor subsidiaries under the Existing Exchangeable Notes Indenture and AMC Theatres of UK Limited, which lien will only be junior to the liens securing the term loans under the Credit Agreement and senior to the liens securing the New 2029 Notes and the liens securing any other funded debt of Muvico, including, but not limited to, the Existing Exchangeable Notes.

Exchange Mechanics; Soft Call; Fundamental Change; Redemption

Prior to a Required Shareholder Approval, the New Exchangeable Notes are not exchangeable into AMC Common Stock. Following the Required Shareholder Approval, the New Exchangeable Notes will be exchangeable, at the option of the holders thereof, into AMC Common Stock at a stock price (the "Exchange Price") calculated based on a formula described in the New Exchangeable Notes Indenture.

Under the terms of the New Exchangeable Notes Indenture, the Company has also agreed to not engage in an at-the-market offering for six months following the Required Shareholder Approval, other than at-the-market offerings for the lesser of 25,000,000 shares of AMC Common Stock or \$50,000,000 in net proceeds raised through such at-the-market offering; *provided*, further, that if either (i) the share price of the AMC Common Stock exceeds 200% of the Soft Call Trigger Price (as defined in the New Exchangeable Notes Indenture) at any time, determined based on the average of the Daily VWAPs for any period of two consecutive Trading Days or (ii) at least 100,000,000 shares of AMC Common Stock have traded above 200% of the Soft Call Trigger Price, then, in either case, all such restrictions with respect to the Company's ability to engage in an at-the-market offering will no longer apply, so long as any AMC Common Stock sold in any such offering is sold at a price no less than 200% of the Soft Call Trigger Price.

At any time from and after the date that is one business day following the date on which the Exchange Price has been initially determined until the close of business on the second Trading Day immediately preceding the maturity date of the New Exchangeable Notes, each holder of the New Exchangeable Notes will have the right, at its option, to surrender for exchange all or a portion of its New Exchangeable Notes at the Exchange Rate for AMC Common Stock based on the applicable Exchange Rate then in effect. During such period, Muvico will have the right, at its election, to redeem all (but not less than all) of the outstanding New Exchangeable Notes at a price equal to the aggregate principal amount of the New Exchangeable Notes, plus accrued and unpaid interest thereon to, but excluding, the date of such redemption if the Daily VWAP per share of AMC Common Stock exceeds 110% of the Exchange Price for fifteen consecutive Trading Days ending on (and including) the Trading Day immediately before the date on which Muvico sends a notice to holders calling such New Exchangeable Notes for redemption (a "Soft Call Notice"). Any such Soft Call Notice will provide that the applicable redemption of the New Exchangeable Notes will occur on a business day of Muvico's choosing, not more than ten and not less than five business days after the date of the Soft Call Notice. Notwithstanding the foregoing, holders of New Exchangeable Notes will be entitled within two business days of such Soft Call Notice to submit their New Exchangeable Notes for exchange under the terms of the New Exchangeable Notes Indenture.

In the event that holders of New Exchangeable Notes voluntarily elect to exchange their New Exchangeable Notes, such holders will also be entitled to a make-whole premium (the “Exchange Adjustment Consideration”) equal to (i) prior to July 22, 2027, 21.0% of the aggregate principal amount of the New Exchangeable Notes being exchanged; (ii) on or after July 22, 2027 and prior to July 22, 2028, 14.0% of the aggregate principal amount of the New Exchangeable Notes being exchanged; (iii) on or after July 22, 2028 and prior to July 22, 2029, 7.0% of the aggregate principal amount of the New Exchangeable Notes being exchanged; and (iv) on or after July 22, 2029, zero. Muvico, at its option, will be entitled to pay the Exchange Adjustment Consideration in the form of shares of AMC Common Stock (using a modified exchange price equal to 110% of the Exchange Price), subject to restrictions under the Credit Agreement, or cash in twelve equal installments over the twelve-month period following the applicable exchange or a combination thereof.

If certain corporate events that constitute a Fundamental Change (as defined in the New Exchangeable Notes Indenture) occur, then holders will have the right to require Muvico to repurchase their New Exchangeable Notes at a cash repurchase price equal to 100% of the aggregate principal amount of the New Exchangeable Notes to be repurchased, plus accrued and unpaid interest, if any, thereon to, but excluding, the Fundamental Change Repurchase Date (as defined in the New Exchangeable Notes Indenture). The definition of Fundamental Change includes certain business combination transactions involving the Company, stockholder approval of any plan or proposal for the liquidation or dissolution of the Company and certain de-listing events with respect to AMC Common Stock.

Muvico will also be required to mandatorily redeem all of the issued and outstanding New Exchangeable Notes at a purchase price equal to 100% of the aggregate principal amount thereof, plus accrued and unpaid interest to, but excluding, the date of purchase in the event that, as of November 17, 2028, the aggregate principal amount outstanding of the Existing 7.5% Notes and New 2029 Notes exceeds an aggregate principal amount of \$190,000,000.

Covenants and Events of Default

The New Exchangeable Notes Indenture contains covenants that limit the ability of Centertainment and Muvico and their future respective subsidiaries to, among other things: (i) incur additional indebtedness or guarantee indebtedness; (ii) create liens; (iii) declare or pay dividends, redeem stock or make other distributions to stockholders; (iv) make investments; (v) enter into transactions with its affiliates; (vi) consolidate, merge, sell or otherwise dispose of all or substantially all of their respective assets; and (vii) impair the security interest in the collateral. These covenants are subject to a number of important limitations and exceptions. The New Exchangeable Notes Indenture also incorporates the other restrictive covenants contained in the New 2029 Notes Indenture. The New Exchangeable Notes Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding New Exchangeable Notes to be due and payable immediately.

Additional New Exchangeable Notes

The New Exchangeable Notes Indenture provides that in the event that the Required Shareholder Approval is not obtained within 180 days of the Closing Date, Muvico will promptly issue \$15.0 million aggregate principal amount of additional New Exchangeable Notes to the holders of the New Exchangeable Notes, *pro rata* based on the percentage of outstanding New Exchangeable Notes held by each such holder as of the Closing Date and rounded to the nearest \$1.00 increment.

The New Exchangeable Notes have not been registered under the Securities Act or the securities laws of any state and may not be offered or sold in the United States absent registration or an exemption from the applicable registration requirements of the Securities Act and applicable state securities laws.

The foregoing summary of the New Exchangeable Notes Indenture and New Exchangeable Notes does not purport to be complete and is qualified in its entirety by reference to the New Exchangeable Notes Indenture and the form of New Exchangeable Note attached hereto as Exhibits 4.3 and 4.4, respectively and incorporated herein by reference.

Pursuant to the Credit Agreement Amendment, certain covenants were amended to permit the consummation of the Transactions and directed Wilmington Savings Fund Society, FSB, as collateral agent in respect of the existing term loans (in such capacity, the “Credit Agreement Collateral Agent”), to enter into the A&R First Lien/Second Lien Centertainment Group Intercreditor Agreement (as defined below) and the First Lien/Intermediate Lien Intercreditor Agreement (as defined below).

Section 1.03 Incorporation by Reference of Trust Indenture Act

Whenever this Indenture refers to a provision of the Trust Indenture Act of 1939, as amended (“TIA”), the provision is incorporated by reference in and made a part of this Indenture. The following Trust Indenture Act term used in this Indenture has the following meaning:

“obligor” on the Notes and the Guarantees means AMC and the Guarantors, respectively, and any successor obligor upon the Notes and the Guarantees, respectively.

All other terms used in this Indenture that are defined by the Trust Indenture Act, defined by Trust Indenture Act reference to another statute or defined by SEC rule under the Trust Indenture Act have the meanings so assigned to them. Notwithstanding any other provision in this Indenture, no obligation or requirement under the Trust Indenture Act shall be applicable to the Company or any Guarantor.

Section 1.04 Rules of Construction

Unless the context otherwise requires:

- (a) a term has the meaning assigned to it;
- (b) “or” is not exclusive;
- (c) “including” means including without limitation;
- (d) words in the singular include the plural and words in the plural include the singular;

- (e) unsecured Indebtedness shall not be deemed to be subordinate or junior to secured Indebtedness merely by virtue of its nature as unsecured Indebtedness; and
- (f) the principal amount of any non-interest bearing or other discount security at any date shall be the principal amount thereof that would be shown on a balance sheet of AMC dated such date prepared in accordance with GAAP.

Section 1.05 Limited Condition Transactions.

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

- (i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio;
- (ii) determining whether a Default or Event of Default shall have occurred and be continuing (or any subset of Defaults or Events of Default); or
- (iii) testing availability under baskets set forth in this Indenture (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets); in each case, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Transaction, an "*LCT Election*"), with such option to be exercised on or prior to the date of execution of the definitive agreements related to such Limited Condition Transaction, the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "*LCT Test Date*"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Company could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Company or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of the incurrence ratios subject to the LCT Election on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.

Section 1.06 Certain Compliance Determinations.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Indenture shall be prepared in conformity with GAAP as in effect from time to time, except to the extent otherwise provided herein.

(b) Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test or utilization of any basket contained in this Indenture, Consolidated EBITDA, Consolidated Total Assets, the Total Leverage Ratio or the First Lien Leverage Ratio shall be calculated on a Pro Forma Basis to give effect to all Specified Transactions (including the Transactions) that have been made during the applicable period of measurement or subsequent to such period and prior to or simultaneously with the event for which the calculation is made and to the extent the proceeds of any new Indebtedness are to be used to repay other Indebtedness (including by repurchase, redemption, retirement, extinguishment, defeasance, discharge or pursuant to escrow or similar arrangements) no later than 60 days following the incurrence of such new Indebtedness, the Company shall be permitted to give Pro Forma Effect to such repayment of Indebtedness.

(c) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, any First Lien Leverage Ratio test and/or any Total Leverage Ratio test, the amount of Consolidated EBITDA and/or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to Section 1.05), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(d) Notwithstanding anything herein to the contrary, for purposes of any determination under this Indenture expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the Spot Rate (or, if such determination is calculated under the Term Loan Credit Agreement at the Exchange Rate, such Exchange Rate) (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); *provided, however*, that for purposes of determining compliance with respect to the amount of any Indebtedness, Investment, Disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or Disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, this Section 1.06 shall otherwise apply to such provisions, including with respect to determining whether any Indebtedness or Investment may be incurred or Disposition or Restricted Payment made at any time under such provisions. For purposes of any determination of Consolidated Total Debt, amounts in currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 4.12 (or, prior to the first such delivery, the most recent internally available financial statements).

Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 13.06, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and such Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes and deliver them in exchange for temporary Notes. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

Section 2.10 Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. Any Registrar and any Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel (subject to the record retention requirements of the Exchange Act), in accordance with the Trustee's customary procedures, all Notes surrendered for registration of transfer, exchange, payment or cancellation and deliver cancelled Notes to the Company upon a written direction of the Company. Except as expressly permitted herein, the Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

If the Company or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Notes.

At such time as all beneficial interests in a Global Note have either been exchanged for definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Securities Custodian with respect to such Global Note to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

Section 2.11 Defaulted Interest. If the Company defaults in a payment of interest on the Notes, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate borne by the Notes to the extent lawful) in any lawful manner. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “*Special Interest Payment Date*”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “*Special Record Date*”) for the payment of such defaulted interest, which date shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.02, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the Close of Business on such Special Record Date and shall no longer be payable.

The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.11, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.12 CUSIP Numbers or ISINs. The Company in issuing the Notes may use “CUSIP” numbers, “ISINs” or other similar numbers (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “ISINs” or other similar numbers in notices of redemption as a convenience to Holders; *provided, however*, that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “ISIN” or other similar number that appears on any Note, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, ISIN or other similar numbers.

Section 2.13 Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 2.14 Payment of Interest; Issuance of PIK Notes; Notice of PIK Interest.

(a) Unless previously redeemed, each Note will bear interest at a rate per annum equal to the Applicable Rate, payable semi-annually in arrears in cash and, to the extent provided in the Applicable Rate, in payment-in-kind (“PIK”) interest on June 15 and December 15 of each year, commencing December 15, 2025, to the Persons in whose names the Notes are registered in the security register for the Notes at the close of business on June 1 or December 1 (whether or not a Business Day), as the case may be, next preceding such applicable interest payment date. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, the date of issuance of such Notes (including Additional Notes).

(b) If the Additional Rate is payable and the Company elects to pay it in PIK interest for an interest payment period, the Company shall deliver a written notice to the Trustee and the Holders prior to the fifteenth (15th) calendar day immediately prior to the interest payment date for such interest payment period, which notice shall state the form of interest payment with respect to such interest period and the total amount of interest to be paid on such interest payment date (a “PIK Election”). If a PIK Election is made in accordance with the previous sentence, such PIK interest shall be paid in accordance with Section 2.14(c). In the event that the Company does not make a timely PIK Election in accordance with this clause (b) for an interest payment period, then the Company shall be deemed to have elected to pay the Additional Rate, if applicable, in cash.

(c) PIK interest on the Notes, if applicable, will be payable (x) with respect to Notes represented by one or more Global Notes registered in the name of, or held by, the Depository or its nominee on the relevant record date, by increasing the principal amount of the outstanding Global Note by an amount equal to the amount of PIK interest for the applicable interest period (rounded up to the nearest whole dollar) and (y) with respect to Notes not represented by Global Notes, by issuing Notes (rounded up to the nearest whole dollar) (“PIK Notes”), having the same terms and conditions as the Notes, in certificated form in an aggregate principal amount equal to the amount of PIK interest for the applicable period, and the Trustee will, at the request of the Company, authenticate and deliver such PIK Notes for original issuance to applicable Holders on the relevant record date, as shown by the records of the register of Holders. Following an increase in the principal amount of the outstanding Global Notes as a result of a payment of PIK interest, the Global Notes will bear interest on such increased principal amount from and after the date of such payment of PIK interest. Any PIK Notes issued in certificated form will be dated as of the applicable interest payment date and will bear interest from and after such date. All Notes issued pursuant to a payment of PIK interest will mature on the Maturity Date and will be governed by, and subject to the terms, provisions and conditions of this Indenture and shall have the same rights and benefits as the Notes issued on the Issue Date. Any certificated PIK Notes will be issued with the description “PIK” on the face of such PIK Note, and references to the “principal” or “principal amount” of the PIK Notes shall include any increase in the principal amount of the outstanding Notes as a result of any payment of PIK interest.

The calculation of PIK interest will be made by the Company or on behalf of the Company by such Person as the Company shall designate, and such calculation and verifying the correctness thereof shall not be a duty or obligation of the Trustee. Notwithstanding anything in this Indenture or the Notes to the contrary, the payment of accrued and unpaid interest (including interest that would otherwise be PIK interest when paid) in connection with any redemption of Notes as described in paragraph 6 of the Notes or Section 3.07 shall, in each case, be made solely in cash. PIK interest on the Notes will be paid in denominations of \$1.00 and integral multiples of \$1.00 in excess thereof.

ARTICLE III. REDEMPTION

Section 3.01 Notices to Trustee. If the Company elects to redeem Notes pursuant to paragraph 6 of the Notes, it shall notify the Trustee in writing of the redemption date, the principal amount of Notes to be redeemed, the redemption price and that such redemption is being made pursuant to paragraph 6 of the Notes.

The Company shall give notice to the Trustee provided for in this Section 3.01 at least two (2) Business Days before the redemption date unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

Section 3.02 Selection of Notes To Be Redeemed. If less than all the Notes are to be redeemed at any time, not more than 60 days prior to the redemption date, the Trustee or the Registrar, as applicable, in accordance with the customary procedures of the Depository, shall select the Notes to be redeemed pro rata, and if the Depository prescribes no method of selection, then, by lot or by any other method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate and in accordance with methods generally used at the time of selection by fiduciaries in similar circumstances. The Trustee or the Registrar, as applicable, shall make the selection from outstanding Notes not previously called for redemption. The Trustee or the Registrar, as applicable, may select for redemption portions of the principal of Notes that have denominations larger than \$1.00. Notes and portions of them the Trustee or the Registrar, as applicable, selects shall be in amounts of \$1.00, or an integral multiple of \$1.00, (but in any event not less than \$1.00). Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee or the Registrar, as applicable, shall notify the Company promptly of the Notes or portions of Notes to be redeemed. The Trustee shall not be liable for selection made by it under this Section.

Section 3.03 Notice of Redemption. At least 10 days but not more than 60 days before a date for optional redemption of Notes pursuant to paragraph 6 of the Notes, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC. Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

The notice shall identify the Notes (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

- (a) the redemption date;
- (b) the redemption price (which shall include, for the avoidance of doubt, the Applicable Premium);
- (c) the name and address of the Paying Agent;
- (d) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (e) that, if fewer than all the outstanding Notes are to be redeemed, or if a Note is to be redeemed in part only, the identification and principal amounts of the particular Notes (or portion thereof) to be redeemed;
- (f) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (g) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- (h) any conditions to such redemption.

At the Company's written request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section at least two (2) Business Days before the redemption date, unless the Trustee consents to a shorter period.

Section 3.04 Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 3.03, Notes called for redemption become due and payable on the redemption date or purchase date, as applicable, and at the redemption price or purchase price (which shall, for the avoidance of doubt, include the Applicable Premium), as applicable, stated in the notice, unless such redemption or purchase is conditioned on the happening of a future event. The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price or purchase price, as applicable, stated in the notice, plus accrued and unpaid interest to the redemption date or purchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date or repurchase date, as applicable). Subject to Section 3.05, on and after the redemption date or the purchase date, unless the Company defaults in payment of the redemption or purchase price, interest shall cease to accrue on Notes or portions of Notes called for redemption, unless such redemption or purchase remains conditioned on the occurrence of a future event that has not occurred. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 Deposit of Redemption Price. Prior to noon, New York City time, on the redemption date or purchase date, the Company shall deposit with the Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price or purchase price of and accrued and unpaid interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date that is on or prior to the redemption date or purchase date) on all Notes to be redeemed or purchased on that date other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation.

Section 3.06 Notes Redeemed in Part. Upon surrender and cancellation of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered. It is understood that, notwithstanding anything in this Indenture to the contrary, only a written request or order signed on behalf of the Company by an Officer and delivered to the Trustee and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Notes.

Section 3.07 Mandatory Redemption. The Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE IV. COVENANTS

Section 4.01 Payment of Notes. The Company shall promptly pay the principal of, premium, if any, and cash interest, if any, on the Notes, in immediately available funds, on the dates and in the manner provided in the Notes and in this Indenture and shall pay or deliver (or cause to be paid or delivered), in each case on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and cash interest and PIK interest, if any, shall be considered paid or delivered, as applicable, on the date due if on such date (i) in respect of any such amount required to be paid or delivered hereunder in cash, the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay such amount and (ii) the Trustee has received delivery of an Authentication Order on or prior to the date the payment is due of any PIK Notes to be authenticated and delivered or written direction as provided in Section 2.14 for any increased principal amount of the applicable Global Notes in amount equal to all PIK interest then due.

The Company shall pay interest on overdue principal at the rate specified therefore in the Notes, and it shall pay interest on overdue installments of interest at the rate borne by the Notes to the extent lawful.

Section 4.02 [Reserved].

Section 4.03 Payment of Taxes and Other Claims. AMC will, and will cause each Subsidiary to, pay its obligations in respect of taxes before the same shall become delinquent or in default, except where the failure to make payment could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

Section 4.04 Maintenance of Properties. AMC will, and will cause each Subsidiary to, keep and maintain all property material to the conduct of its business in good working order and condition (ordinary wear and tear excepted), except where the failure to do so could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.05 Limitation on Indebtedness and Certain Equity Securities.

(a) AMC will not, and will not permit any of its Subsidiaries to, directly or indirectly, incur any Indebtedness or issue any shares of Disqualified Equity Interests and AMC will not permit any of its Subsidiaries to issue any shares of preferred stock other than (i) to AMC or an AMC Group Guarantor, (ii) if such Subsidiary is a member of the Muvico Group, to Muvico or a Muvico Group Guarantor, or (iii) if such Subsidiary is a member of the Odeon Group, to another member of the Odeon Group.

(iii) Indebtedness (including intercompany Indebtedness) outstanding on the Issue Date (other than Indebtedness described in clauses (i), (ii), (iv), (v), (vi), (vii), (viii), (ix) or (x) of this Section 4.05(b));

(iv) Indebtedness under the Odeon Notes outstanding on the Issue Date and any Permitted Refinancing thereof; *provided* that the amount of Indebtedness (including any Permitted Refinancing) allowed to be incurred pursuant to this Section 4.05(b)(iv) shall be permanently reduced by the principal amount (valued at par) of any repayments, prepayments, redemptions, repurchases or other acquisitions by AMC or its Subsidiaries or other retirements (together, “*Debt Retirements*”) (with such Debt Retirement being made without the proceeds of any Permitted Refinancing) of Indebtedness incurred under this Section 4.05(b)(iv) made on or after the date hereof; provided further that notwithstanding the this clause (iv) or any other provision that expressly conflicts with the foregoing, the Odeon Notes outstanding on the Issue Date may be replaced or refinanced with Upsized Term Loan Refinancing Debt if (a) the Term Loan Obligations or any Permitted Refinancing thereof provides AMC, the Company and all of the Subsidiary Guarantors the ability to (i) refinance the Odeon Notes with Upsized Term Loan Refinancing Debt and (ii) refinance the Notes with Upsized Term Loan Refinancing Debt (regardless of whether the refinancings of the Odeon Notes and the Notes occur at the same or different times so long as the permissions are both created prior to any refinancing described in clause (i); provided further, if the Odeon Notes are replaced with Upsized Term Loan Refinancing Debt prior to a refinancing of the Notes with Upsized Term Loan Refinancing Debt, such Upsized Term Loan Refinancing Debt with respect to the refinanced Odeon Notes shall not result in a downgrade of the facility-level first lien ratings at the time of such refinancing;

(v) Indebtedness under the 2026 Second Lien Notes outstanding on the Issue Date;

(vi) Indebtedness under the 2029 First Lien Notes outstanding on the Issue Date and any Permitted Refinancing thereof, *provided* that the amount of Indebtedness (including any Permitted Refinancing) allowed to be incurred pursuant to this Section 4.05(b)(vi) shall be permanently reduced by the par value of any Debt Retirements (with such Debt Retirement being made without the proceeds of any Permitted Refinancing of such 2029 First Lien Notes) of the 2029 First Lien Notes made on or after the date hereof; *provided* further that any Permitted Refinancing of such 2029 First Lien Notes may include the Company or another Guarantor that is a member of the Muvico Group as obligors, provided that any Liens granted by such Muvico Group grantors are junior in all respect to the Liens securing the Notes on assets of members of the Muvico Group;

(vii) Indebtedness under the Exchangeable Notes outstanding on the Issue Date (including any paid-in-kind interest thereon) and any Permitted Refinancing thereof; *provided* that (i) the amount of Indebtedness (including any Permitted Refinancing) allowed to be incurred pursuant to this Section 4.05(b)(vii) shall be permanently reduced by the principal amount (valued at par) of any Debt Retirements (with such Debt Retirement being made without the proceeds of any Permitted Refinancing of such Exchangeable Notes) of Indebtedness incurred under this Section 4.05(b)(vii) made on or after the date hereof; (ii) the amount of interest that is paid-in-kind on the Exchangeable Notes shall not exceed 8.00% per annum and (iii) the Liens securing any Indebtedness pursuant to this clause (vii) shall be secured by Liens that are the same or lower in priority relative to the Secured Notes Obligations as the Exchangeable Notes;

(viii) [reserved];

(ix) Indebtedness under the 2026 Subordinated Dollar Notes outstanding on the Issue Date;

(x) Indebtedness under the 2027 Subordinated Notes outstanding on the Issue Date and any Permitted Refinancing thereof, *provided* that the amount of Indebtedness (including any Permitted Refinancing) allowed to be incurred pursuant to this Section 4.05(b)(x) shall be permanently reduced by the principal amount (valued at par) of any Debt Retirements (with such Debt Retirement being made without the proceeds of any Permitted Refinancing of such 2027 Subordinated Notes) of Indebtedness incurred under this Section 4.05(b)(x) made on or after the date hereof; *provided further* that any Permitted Refinancing pursuant to this Section 4.05(b)(x) may include the Company or another Guarantor that is a member of the Muvico Group as obligors, provided that any Liens are junior in all respect to the Liens securing the Notes on assets of members of the Muvico Group;

(xi) Guarantees by AMC and its Subsidiaries in respect of Indebtedness of AMC or any Subsidiary otherwise permitted hereunder; *provided* that (A) such Guarantee is otherwise a Permitted Investment under this Indenture, (B) no Guarantee by any Subsidiary of any Junior Financing shall be permitted unless such Subsidiary shall have also provided a senior secured Guarantee of the Notes and (C) if the Indebtedness being guaranteed is payment subordinated to the Notes, such Guarantee shall be subordinated in right of payment to the Guarantee of the Notes on terms at least as favorable to Holders as those contained in the subordination provisions applicable to such Indebtedness;

(xii) Indebtedness of AMC or of any Subsidiary owing to any other Subsidiary or AMC to the extent not otherwise prohibited by any other provision of this Indenture; *provided* that all such Indebtedness of the Company or any Guarantor owing to any Subsidiary that is not a Guarantor shall be subordinated to the Notes (but only to the extent permitted by applicable law and not giving rise to material adverse tax consequences);

(xvii) the unwinding of any Swap Obligations or Cash Management Obligations.

(b) In addition, neither AMC nor any of its Subsidiaries may make any Disposition to any Affiliate thereof (other than AMC and its Subsidiaries as permitted elsewhere expressly under this Indenture).

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of AMC or any of its Subsidiaries in respect of any sale, transfer or other Disposition of any property or asset of AMC or any of its Subsidiaries pursuant to clauses (x), (xi), (xii), (xiii) and (xiv) of Section 4.16(a) or (ii) any termination or sale of a leasehold interest, in each case, other than any Dispositions, terminations or sales resulting in aggregate Net Proceeds in any fiscal year not exceeding \$25,000,000 (each such event, an “*Asset Sale Prepayment Event*”), AMC shall, within 360 days after such Net Proceeds are received:

(i) repay in an aggregate amount up to an amount equal to the amount of such Net Proceeds, the Term Loan Obligations (or any Permitted Refinancing thereof); and/or

(ii) if AMC or any Subsidiary is required to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured on assets of the Odeon Group pursuant to the terms of the documentation governing such Indebtedness with the proceeds of such Asset Sale Prepayment Event (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the “*Odeon Other Applicable Indebtedness*”), then the relevant Person may apply the proceeds of such Asset Sale Prepayment Event to prepay such Odeon Other Applicable Indebtedness prior to applying the proceeds pursuant to Section 4.16(c); and/or

(iii) make a Qualified Reinvestment in the business of AMC and its Subsidiaries permitted under this Indenture; provided that no Default or Event of Default shall have occurred and be continuing at the time of such Asset Sale Prepayment Event, or shall result therefrom.

Section 4.17 After-Acquired Collateral. From and after the Issue Date, and subject to the applicable limitations and exceptions set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if AMC, the Company or any Guarantor creates any additional security interest upon any property or asset that would constitute Collateral to secure any Term Loan Obligations (or any Permitted Refinancing thereof), the Company and each of the Guarantors shall concurrently grant a perfected security interest (subject to Permitted Liens) upon any such Collateral, as security for the Secured Notes Obligations with the relative priority set forth in any applicable Intercreditor Agreements vis a vis the Term Loan Obligations (and for the avoidance of doubt, with the lien priority such Collateral would have had it been Collateral securing the Notes on the Issue Date). The Company, AMC and each other Guarantor shall, and shall cause each of its subsidiaries to, deliver each of the documents, instruments and agreements and take each of the actions set forth on Schedule 4.17 (Post-Closing Matters) within the time periods set forth on such schedule (or such later dates as Holders of the aggregate principal amount of the Notes then outstanding may reasonably agree).

Section 4.18 [Reserved].

Section 4.19 Certain Covenants.

(a) (i) AMC shall not, nor permit any of its Subsidiaries to, sell, transfer or otherwise dispose of any Material Property (whether pursuant to a sale, lease, license, transfer, investment, restricted payment, dividend or otherwise or relating to the exclusive rights thereto) to any person other than (A) in the case of any Material Property owned by AMC or any Guarantor that is a member of the AMC Group, to any member of the AMC Group that is a Guarantor, or (B) in the case of any Material Property owned by any member of the Muvico Group, the Company or any Guarantor that is a member of the Muvico Group, to AMC, the Company or any member of the Muvico Group or AMC Group that is a Guarantor, in each case, other than the grant of a non-exclusive license of intellectual property on arm's length (i.e. market) terms and fair market value economics to any Subsidiary in the ordinary course of business for a bona fide business purpose, (ii) no non-Guarantor shall own or hold an exclusive license to any Material Property, (iii) Odeon Holdco shall not sell, transfer or otherwise dispose of any Capital Stock issued by Odeon unless the Odeon Notes (or any Permitted Refinancing thereof) are repaid in full or otherwise cease to be obligations of AMC or any of its Subsidiaries, and (iv) no Person other than Odeon Holdco or a Wholly Owned Subsidiary thereof may be a lender of any portion of the Odeon-AMC Notes; *provided*, that notwithstanding the foregoing, (x) the Transactions shall be permitted in all respects and (y) the Odeon-AMC Notes may be cancelled or terminated.

(b) AMC shall not, nor permit any of its Subsidiaries to, form or acquire any Subsidiary after the Issue Date that is an Excluded Subsidiary (other than a Subsidiary of another member of the Odeon Group that is an existing Excluded Subsidiary) or permit any Guarantor to become or be replaced by an Excluded Subsidiary.

(c) Any premium, fee or other amount other than principal and interest due to the holders of Exchangeable Notes or other Indebtedness incurred under Section 4.05(b)(vii) upon the redemption, repurchase, repayment or conversion thereof shall be paid in Qualified Equity Interests of AMC *provided*, that notwithstanding the foregoing, to the extent that (a) any event of default under the Exchangeable Notes Indenture is continuing or (b) issuance of Qualified Equity Interests of AMC is not permissible or possible due to any regulatory or legal limitation, in either case, any such premium, fee or other amount may be paid in cash.

(d) the Company shall (and shall cause the other Muvico Group members to):

(i) observe in all material respects all corporate formalities;

(ii) maintain separate books and accounts for the Muvico Group members, including appropriate recording of amounts owing to the Muvico Group members under the Intercompany Agreements in effect on the Issue Date hereof (or as modified in a manner that is not materially worse than and/or is beneficial to the Holders) or from third parties and distributions made (or deemed made) by Muvico Group members to their parent entities; and

(iii) maintain the assets of the Company and its Subsidiaries separately from the assets of any Person (other than the Muvico Group), except as contemplated by and permitted under the Intercompany Agreements in effect on the Issue Date hereof (or as modified in a manner that is not materially worse than and/or is beneficial to the Holders).

(e) The Company shall not permit any Intercompany Agreement to be amended, modified, supplemented or otherwise changed in any manner material and adverse to the Holders in their capacity as such; *provided, however*, that the Intercompany Agreements may be amended, modified, supplemented or otherwise changed as may be required by law or applicable regulations.

(f) Notwithstanding anything herein to the contrary, no member of the AMC Group shall transfer (including by Investment or Restricted Payment), sell, assign or otherwise effect a Disposition of any asset or property to any member of the Muvico Group or the Odeon Group other than as contemplated by, and permitted under, the Intercompany Agreements or as otherwise required to satisfy the terms and conditions of the Term Loan Obligations in effect on the date hereof.

ARTICLE V. FUNDAMENTAL CHANGES

Section 5.01 Fundamental Changes: Holding Companies. AMC will not, and will not permit any Subsidiary to, merge into or consolidate or amalgamate with any other Person, or permit any other Person to merge into or consolidate with it, or liquidate or dissolve, except that:

(a) any Subsidiary may merge, consolidate or amalgamate with (i) either AMC or the Company; *provided* that AMC or the Company, as the case may be, shall be the continuing or surviving Person or (ii) one or more other Subsidiaries of AMC; *provided* that when any Subsidiary Guarantor is merging or amalgamating with another Subsidiary either (A) the continuing or surviving Person shall be a Subsidiary Guarantor or (B) if the continuing or surviving Person is not a Subsidiary Guarantor, the acquisition of such Subsidiary Guarantor by such surviving Subsidiary is permitted under the definition of “Permitted Investments”;

(b) any Subsidiary may liquidate or dissolve or change its legal form if AMC or the Company determines in good faith that such action is in the best interests of AMC and its Subsidiaries and is not materially disadvantageous to the Holders;

(c) any Subsidiary may make a Disposition of all or substantially all of its assets (upon voluntary liquidation or otherwise) to another Subsidiary or to either AMC or the Company; *provided* that if the transferor in such a transaction is the Company or a Guarantor, then either (A) the transferee must be the Company or a Guarantor, (B) to the extent constituting an Investment, such Investment must be an Investment in a Subsidiary that is not the Company or a Guarantor permitted under the definition of “Permitted Investments” or (C) to the extent constituting a Disposition to a Subsidiary that is not the Company or a Guarantor, such Disposition is for Fair Market Value and any promissory note or other non-cash consideration received in respect thereof is an Investment in a Subsidiary that is not the Company or a Guarantor permitted by the definition of “Permitted Investments”;

(d) AMC or the Company may merge, amalgamate or consolidate with any other Person; *provided* that AMC or the Company, as the case may be, shall be the continuing or surviving Person;

(e) any Subsidiary may merge, consolidate or amalgamate with any other Person in order to effect an Investment permitted under the definition of “Permitted Investments”; *provided* that the continuing or surviving Person shall be a Subsidiary, which together with each of the Subsidiaries, shall have complied with the following requirements:

(i) If any additional Subsidiary is formed or acquired after the Issue Date (including, without limitation, upon the formation of any Subsidiary that is a Delaware Divided LLC), AMC or the Company will, within 30 days after such newly formed or acquired Subsidiary is formed or acquired (including, without limitation, upon the formation of any Subsidiary that is a Delaware Divided LLC) (unless such Subsidiary is an Excluded Subsidiary), notify the Notes Collateral Agent thereof, and will and will cause such Subsidiary and the Guarantors to take all actions (if any) required to satisfy the Collateral and Guarantee Requirement with respect to such Subsidiary and with respect to any Equity Interest in or Indebtedness of such Subsidiary owned by or on behalf of the Company or any Guarantor within 30 days after such notice (or such longer period as the Collateral Agent shall reasonably agree); and

(ii) (A) AMC or the Company will, and will cause each Guarantor to, execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents), that may be required under any applicable law and that the Notes Collateral Agent or holders of a majority in the aggregate principal amount of the Notes then outstanding may reasonably request, to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Company and the Guarantors;

(B) If, after the Issue Date, any material assets (including any Material Real Property) with a book value in excess of \$5,000,000, are acquired (including, without limitation, any acquisition pursuant to a Delaware LLC Division) by the Company or any Guarantor or are held by any Subsidiary on or after the time it becomes a Guarantor pursuant to Section 5.01(e)(ii) (other than assets constituting Collateral under a Security Document that becomes subject to the Lien created by such Security Document upon acquisition thereof or constituting Excluded Assets), the Company will notify the Notes Collateral Agent thereof, and, if requested by the Collateral Agent, AMC or the Company will cause such assets to be subjected to a Lien securing the Secured Notes Obligations and will take and cause the other Guarantors to take, such actions as shall be necessary and reasonably requested by the Notes Collateral Agent and consistent with the Collateral and Guarantee Requirement to grant and perfect such Liens, including actions described in Section 5.01(e)(ii)(A), all at the expense of the Loan Parties and subject to last paragraph of the definition of the term “Collateral and Guarantee Requirement”; and

(f) Notwithstanding anything herein to the contrary, no member of the AMC Group shall transfer (including by Investment or Restricted Payment), sell, assign or otherwise effect a Disposition of any asset or property to any member of the Muvico Group or the Odeon Group other than as contemplated by, and permitted under, the Intercompany Agreements, or to fund the business operations of the Muvico Group or the Odeon Group in the ordinary course of business (including to service third party Indebtedness permitted to be incurred hereunder and guaranteed by AMC or a member of the AMC Group) or as otherwise required to satisfy the terms and conditions of the Term Loan Obligations in effect on the Issue Date (or any Permitted Refinancing thereof with corresponding terms and conditions that are no more onerous than such terms and conditions in effect on the Issue Date).

ARTICLE VI. DEFAULTS AND REMEDIES

Section 6.01 **Events of Default**. “*Event of Default*,” wherever used herein, means any one of the following events:

(a) default in the payment of the principal of or premium, if any, on any Note when and as the same shall become due and payable and in the currency required hereunder, whether at the due date thereof or upon acceleration, redemption or otherwise;

(b) default in the payment of any interest on any Note when it becomes due and payable, and continuance of such default for a period of 30 days;

(c) default in the performance, or breach, of any covenant or agreement of AMC or any Subsidiary contained in this Indenture or the Security Documents (other than a default in the performance, or breach, of a covenant or agreement which is specifically dealt with in clause (a) or (b) above) and continuance of such default or breach for a period of 30 days after written notice shall have been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 30% in aggregate principal amount of the Notes then outstanding;

(d) (i) one or more defaults in the payment of principal on Indebtedness of AMC or any Subsidiary incurred pursuant to clauses (i), (iv), (v), (vi), (vii), (ix), (x) and (xxvii) of Section 4.05(b), with an aggregate principal amount of at least \$150,000,000, when the same becomes due and payable, including at the Stated Maturity thereof, and such default or defaults shall have continued after any applicable grace period and shall not have been cured or waived or (ii) Indebtedness of AMC or any Subsidiary in an aggregate principal amount of \$150,000,000 shall have been accelerated or otherwise declared due and payable, or required to be prepaid or repurchased (other than by regularly scheduled prepayment or in connection with or as a result of the Transactions) prior to the Stated Maturity thereof;

(e) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of AMC or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for AMC or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(f) AMC or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in paragraph (e) of this Section 6.01, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for AMC or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(g) one or more enforceable judgments for the payment of money in an aggregate amount in excess of \$150,000,000 (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has not denied its obligation) shall be rendered against AMC, any of the Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of the Company or any Guarantor that are material to the businesses and operations of AMC and its Subsidiaries, taken as a whole, to enforce any such judgment;

(h) (i) any Lien on any material portion of the Collateral purported to be created under any Security Document (x) shall cease to be, or (y) shall be asserted by the AMC, the Company or any Guarantor not to be, a valid and perfected Lien (having the priority required by this Indenture and the Security Documents), except (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) as a result of the failure of the Controlling Collateral Agent or Designated Senior Representative, as applicable (1) to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (2) file Uniform Commercial Code continuation statements, (C) as to Collateral consisting of real property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (D) as a result of acts or omissions of the Controlling Collateral Agent or Designated Senior Representative, as applicable; and (ii) such default continues for 30 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in aggregate principal amount of the then outstanding Notes;

(i) (i) any provision of the Indenture or any Security Document, (ii) any material provision of any other Secured Notes Document, or (iii) any Guarantee shall for any reason be asserted by the Company or any Guarantor not to be, or shall cease to be, a legal, valid and binding obligation of any party thereto other than as expressly permitted hereunder or thereunder;

(j) a Change of Control occurs; or

(k) except as expressly permitted by this Indenture, the Guarantee of any Guarantor shall cease to be in full force and effect.

Section 6.02 Acceleration; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(e) or (f)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than 30% in aggregate principal amount of the Notes outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes to be due and payable. If an Event of Default specified in Section 6.01(e) or (f) occurs and is continuing, then the principal of, premium, if any, and accrued and unpaid interest, if any, on, all the Notes shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Trustee shall have no obligation to accelerate the Notes if in the reasonable judgment of the Trustee, acceleration is not in the interest of the Holders.

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article VI, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:

(A) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

(B) all overdue interest on all Notes;

(C) the principal of (and premium, if any, on) any Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes; and

(D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes; and

(ii) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) In the event of any Event of Default specified in Section 6.01(d), such Event of Default and all consequences thereof shall be automatically annulled if, within ten (10) Business Days after such Event of Default arose, the Company delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged, (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

(d) If the Notes are accelerated or otherwise become due prior to their stated maturity (including the acceleration of any portion of the Indebtedness evidenced by the Notes by operation of law), the amount that shall then be due and payable shall be equal to:

(i) (A) 100% of the principal amount of the Notes then outstanding plus the Applicable Premium in effect on the date of such acceleration, or (B) the applicable redemption price in effect on the date of such acceleration, as applicable,

plus

(ii) accrued and unpaid interest to, but excluding, the date of such acceleration,

in each case as if such acceleration were an optional redemption of the Notes so accelerated.

(e) Notwithstanding the generality of the foregoing, if the Notes are accelerated or otherwise become due prior to their stated maturity (including the acceleration of any portion of the Indebtedness evidenced by the Notes by operation of law), the Applicable Premium shall also be due and payable as though the Notes had been optionally redeemed on the date of such acceleration and shall constitute part of the obligations with respect to the Notes in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each holder's lost profits as a result thereof. If the Applicable Premium becomes due and payable, it shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the Applicable Premium or the Redemption Price Premium, as applicable) from and after the applicable triggering event. Any premium payable pursuant to this paragraph shall be presumed to be liquidated damages sustained by each Holder as the result of the acceleration of the Notes, and the Company agrees that it is reasonable under the circumstances currently existing. The premium shall also be payable in the event the Notes or this Indenture are satisfied, released or discharged through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure or by any other means. THE COMPANY AND EACH GUARANTOR EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Company expressly agrees (to the fullest extent it may lawfully do so) that: (A) the premium is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between the Holders and the Company giving specific consideration in this transaction for such agreement to pay the premium; and (D) the Company shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Company expressly acknowledges that its agreement to pay the premium to the Holders as herein described is a material inducement to the Holders to purchase the Notes.

Section 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 6.04 Waiver of Past Defaults. Subject to Section 6.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class by notice to the Trustee may waive an existing Default and its consequences under this Indenture and the Security Documents, except (a) a Default in the payment of the principal of or interest on a Note held by a non-consenting Holder or (b) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

Section 6.05 Control by Majority. Subject to any applicable Intercreditor Agreement, Holders of a majority in aggregate principal amount of the Notes then outstanding voting together as a single class may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or Notes Collateral Agent with respect to the Notes. However, the Trustee or the Notes Collateral Agent, as applicable may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee or Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent, as applicable in personal liability. Prior to taking any action hereunder, the Trustee and/or Notes Collateral Agent shall be entitled to reasonable indemnification, in its sole discretion, against all losses and expenses caused by taking or not taking such action.

Section 6.06 Limitation on Suits. Subject to any applicable Intercreditor Agreement, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting together as a single class shall have made a written request, and such Holder or Holders shall have offered, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and
- (c) the Trustee has failed to institute such proceeding and has not received from the Holders of at least a majority in aggregate principal amount of the Notes outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Notes for the enforcement of payment of the principal of or interest on such Notes on or after the applicable due date specified in such Note. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcements of the payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with premium (if any), interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents (including any claim for the reasonable compensation, expenses, disbursements and advances to the Trustee, its agents and counsel) as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities. Subject to the provisions of any applicable Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

FIRST: to the Trustee (acting in any capacity hereunder) and the Notes Collateral Agent, in each case for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Notes.

Section 6.12 Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE VII.
TRUSTEE**

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this clause (c) does not limit the effect of clause (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) For the avoidance of doubt, the Trustee's duties hereunder shall be strictly limited to those expressly set forth in this Indenture, and this Indenture shall not be interpreted to impose any implied fiduciary or other duties or obligations on the Trustee.

Section 7.02 Rights of Trustee Subject to the provisions of Section 7.01:

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) that might be incurred by it in compliance with such request or direction. If the Trustee requests direction from the Holders, the Trustee is entitled to refrain from taking action unless and until the Trustee shall have received direction from the Holders, and the Trustee shall not incur any liability to any Person based upon any action omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein.

(f) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.

(i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(j) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(k) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

(l) None of the Trustee, Paying Agent nor Notes Collateral Agent shall have any liability or responsibility for any calculation hereunder or in connection with the Notes or for any data or other information used in any such calculation or determination hereunder.

Section 7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

Section 7.05 Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within 45 days after it is known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06 Reports by Trustee to Holders. As promptly as practicable after each December 31 beginning with December 31, 2025, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Section 313(b) and (c).

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee whenever the Notes become listed on any stock exchange and of any delisting thereof. For the avoidance of doubt, the Trustee's reporting obligations hereunder are limited to those required by the TIA, and the Trustee is not responsible for the accuracy or completeness of the information provided by the Company.

Section 7.07 Compensation and Indemnity. The Company shall pay to the Trustee (acting in any capacity hereunder) and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all documented expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company shall indemnify the Trustee (acting in any capacity hereunder) against any and all loss, liability or expense (including documented attorneys' fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, gross negligence or bad faith. The Company need not pay for any settlement made by the Trustee without the Company's consent, such consent not to be unreasonably withheld. All rights, protections, indemnifications and releases from liability granted hereunder to the Trustee shall extend to it acting in any capacity hereunder and its officers, directors, employees, agents, successors and assigns.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company's indemnification and payment obligations pursuant to this Section shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(e) or (f) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 7.08 Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee by so notifying the resigning Trustee of its replacement. The Company shall remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Holders a majority in aggregate principal amount of the Notes then outstanding and such Holders do not reasonably promptly (but in any event, within 30 days following such resignation or removal) appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated; any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a).

Section 7.11 Preferential Collection of Claims Against Company. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

**ARTICLE VIII.
DISCHARGE OF INDENTURE; DEFEASANCE**

Section 8.01 Discharge of Liability on Notes; Defeasance.

(a) When (i) either (A) all outstanding Notes that have been authenticated (other than Notes replaced pursuant to Section 2.07 and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation or (B) all Notes under this Indenture that have not been delivered to the Trustee for cancellation have become due and payable, whether at the Maturity Date or upon redemption or will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article III and the Company irrevocably deposits or causes to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium and accrued interest to the Maturity Date or redemption date; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Notes; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes issued thereunder at the Maturity Date or the redemption date, as the case may be, then upon demand of the Company (accompanied by an Officer's Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Notes and the Liens on the Collateral securing the Notes will be released and the Trustee shall acknowledge satisfaction and discharge of this Indenture.

(b) Subject to Sections 8.01(c) and 8.02, the Company may, at its option, and at any time elect to (i) have the obligations of the Company discharged with respect to all outstanding Notes and the applicable Security Documents and all obligations of the Guarantors discharged with respect to their Subsidiary Guarantee, and have Liens on the Collateral securing the Notes released (“*legal defeasance option*”) or (ii) its and the Guarantors’ obligations under Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.12, 4.13, 4.15, 4.16, 4.17, 4.19, 5.01(b), 5.01(c), 5.01(d), 5.01(e), 5.01(f) and 5.01(g) (“*covenant defeasance option*”). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(c), (d), (e) (solely with respect to Subsidiaries), (f) (solely with respect to Subsidiaries), (g), (h), (i) and (j).

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the satisfaction and discharge of those obligations that the Company terminates.

(c) Notwithstanding clauses (a) and (b) above, the Company’s obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 4.01, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06 shall survive until the Notes have been paid in full. Thereafter, the Company’s obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

Section 8.02 Conditions to Defeasance. The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article VIII applicable to it) as trust funds in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee) to pay the principal of (and premium, if any) and interest on the outstanding Notes on the Maturity Date (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Notes. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Notes at a future date in accordance with Article III;

(b) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(c) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(d) No Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit; and

(e) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article VIII have been complied with.

Section 8.03 Application of Trust Money. The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from Government Securities, through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes subject to its customary procedures and those of any relevant depository.

Section 8.04 Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon written request any excess money or securities held by them upon payment of any amounts due to the Holders, or otherwise, hereunder.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

Section 8.05 Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee (acting in any capacity hereunder) against any tax, fee or other charge imposed on or assessed against deposited Government Securities, or the principal and interest received on such Government Securities, other than such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Section 8.06 Reinstatement. If the Trustee or Paying Agent is unable to apply any money, Government Securities in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article VIII; *provided, however*, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

**ARTICLE IX.
AMENDMENTS**

Section 9.01 Without Consent of Holders. AMC, the Company, any Guarantor (with respect to its Guarantee, this Indenture, the Intercreditor Agreements then in effect or the other Security Documents to which it is a party and excluding any amendment or supplement the sole purpose of which is to add an additional Guarantor), the Trustee and the Notes Collateral Agent, without the consent of any Holders, may amend the Notes, the Guarantees, this Indenture, any Intercreditor Agreement then in effect or the other Security Documents, for any of the following purposes:

- (a) to cure any ambiguity, omission, defect or inconsistency;

- (d) [reserved];
- (e) to add to the covenants of the Company or any Guarantor for the benefit of the Holders or to surrender any right or power herein conferred upon the Company;

- (k) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

- (l) to add Collateral with respect to any or all of the Notes and/or the Subsidiary Guarantees;
- (m) to release any Guarantor from its Guarantee pursuant to this Indenture when permitted or required by this Indenture;
- (n) to release any Collateral from the Lien securing the Notes when permitted or required by the Security Documents, this Indenture (including pursuant to Section 4.07(b) and including any release of any Lien that is not then otherwise required by this Indenture to be pledged as security for the Notes) or any applicable Intercreditor Agreement;
- (o) to comply with the rules of any applicable securities depositary;
- (p) to add any junior lien secured parties, and the Notes Collateral Agent as senior lien secured party, to any Junior Lien Intercreditor Agreement to the extent otherwise permitted pursuant to the terms hereof;
- (q) in the case of any Security Document, to include therein any legend required to be set forth therein pursuant to any applicable Intercreditor Agreement, or to modify any such legend as required by such Intercreditor Agreement;
- (r) with respect to the Intercreditor Agreements then in effect or the Security Documents, as provided in the relevant Intercreditor Agreement or Security Document, as applicable; and
- (s) to provide for the succession of any parties to the Security Documents, or any applicable Intercreditor Agreement (and any amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the definitive documentation governing Indebtedness permitted to be incurred pursuant to Section 4.05 or any other agreement that is not prohibited by this Indenture.

Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company, AMC and the Guarantors in the execution of any amended or supplemental indenture or security documents or intercreditor agreements authorized or permitted by the terms of this Indenture (provided, that any such intercreditor agreement may reflect that any additional Indebtedness referenced therein has Liens either senior to or junior to the Secured Notes Obligations or any Consolidated First Lien Debt, as applicable, so long as such Liens are permitted under the Indenture, or any joinder with respect to any of the foregoing upon the receipt of an Officer's Certificate stating that such execution and delivery is permitted by the Indenture and all conditions precedent relating to such execution and delivery have been satisfied) and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and/or the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or security documents or intercreditor agreements that affect its own rights, duties or immunities under this Indenture or otherwise.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. Except as set forth in Section 9.01(a), the failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.02 With Consent of Holders The Company, the Guarantors and the Trustee and the Notes Collateral Agent may modify or amend this Indenture, the Notes, any Guarantee, any applicable Intercreditor Agreement and the other Security Documents and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, any Guarantee, any applicable Intercreditor Agreement or any other Security Document may be waived, in each case, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including any consents or waivers obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes). However, without the consent of each Holder affected thereby, a modification or amendment may not:

(a) change the Maturity Date of the principal of, or the time for, payment of any installment of interest on, any Notes, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof or otherwise as provided in this Indenture, or change the coin or currency in which the principal of any Notes or any premium or the interest thereon is payable;

(b) [reserved];

(c) amend the contractual right expressly set forth in this Indenture (including Section 6.07) or any Note of any Holder to institute suit for the enforcement of any payment of principal of, premium, if any, or interest on such Note on or after the Stated Maturity or redemption date of any such Notes;

(d) reduce the percentage in principal amount of the outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture; and

(e) modify any of the provisions of this Section 9.02 or Sections 6.04 and 6.05, except to increase the percentage of outstanding Notes the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Secured Notes Obligations or (B) change or alter the priority of the Liens securing the Secured Notes Obligations in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture or the Security Documents.

Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company in the execution of such amended or supplemental indenture or security documents or intercreditor agreements (provided, that any such intercreditor agreement may reflect that any additional Indebtedness referenced therein has Liens either senior to or junior to the Secured Notes Obligations or any Consolidated First Lien Debt, as applicable, so long as such Liens are permitted under the Indenture, or any joinder with respect to any of the foregoing) upon the receipt of an Officer's Certificate stating that such execution and delivery is permitted by the Indenture and all conditions precedent relating to such execution and delivery have been satisfied, unless such amended or supplemental indenture or security documents or intercreditor agreements directly affect the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

In addition, Holders will be deemed to have consented for purposes of the Security Documents and the applicable Intercreditor Agreements, and the Notes Collateral Agent and the Trustee will be authorized, to amend or supplement the Security Documents or enter into a new intercreditor agreement to add additional secured parties to the extent Liens securing Indebtedness and other Obligations held by such parties are permitted under this Indenture. In executing any such amendment, supplement, joinder, consent or waiver to applicable Intercreditor Agreements or other Security Document or in entering into a new intercreditor agreement or Security Document, the Trustee and Notes Collateral Agent shall be entitled to receive and (subject to their duties set forth in this Indenture) shall be fully protected in relying upon an Officer's Certificate stating that the execution of such amendment, supplement, joinder, consent or waiver or new agreement is authorized or permitted by such Intercreditor Agreement and/or other Security Document, as the case may be, and complies with the provisions thereof and of this Indenture. Notwithstanding anything in this Indenture to the contrary, no opinion of counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, joinder, consent waiver or other modification to any Intercreditor Agreement and/or the other Security Documents or the entering into of a new intercreditor agreement or Security Document.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.03 Actions Taken by Initial Purchasers. In the case of any consent, waiver or other action to be taken by a Holder with respect to Notes beneficially owned by an Initial Purchaser, the Company and the Trustee, in their respective sole discretion, upon evidence satisfactory to each that such Notes are beneficially owned by such Initial Purchaser, may accept any consent, waiver or other action taken by such Initial Purchaser with respect to Notes it beneficially owns as having been provided or performed by the Holder thereof.

Section 9.04 Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date.

For all purposes of this Indenture, all Initial Notes and Additional Notes shall vote together as one series of Notes under this Indenture.

Section 9.05 Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver such Note to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return such Note to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

Section 9.06 Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent shall sign any amendment authorized pursuant to this Article IX, *provided* that the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it, in its sole discretion, and to receive, in addition to the documents required by Section 13.04 and (subject to Section 7.01) shall be fully protected in relying upon and shall be entitled to receive, an Officer's Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture. Notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, joinder, consent waiver or other modification to the applicable Intercreditor Agreements and/or the Security Documents or the entering into of a new intercreditor agreement or Security Document.

**ARTICLE XI.
GUARANTEE**

Section 11.01 Guarantee. Subject to the provisions of this Article XI, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any (including the Applicable Premium), and interest on the Notes and all other obligations and liabilities of the Company under this Indenture and the Notes (including, without limitation, any interest, fees or expenses accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding, whether or not such interest, fees or expenses is an allowed claim under applicable state, federal or foreign law and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the “*Guarantor Obligations*”). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article XI notwithstanding any extension or renewal of any Guarantor Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Notes or the Guarantor Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section.

Section 11.02 Execution and Delivery. To further evidence its Guarantee, each Guarantor and other Person that is required to become a Guarantor hereby agrees to (x) execute this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, execute a supplement to this Indenture, substantially in the form of Exhibit C hereto and deliver it to the Trustee. Each such Guarantor agrees that its Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

Each of the Guarantors hereby agrees that its Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor's Guarantee of such Note shall nevertheless be valid.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.03 Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Following delivery of an Officer's Certificate to the Trustee stating the occurrence of any of the following events, each Guarantor shall be automatically and unconditionally released and discharged from its Obligations under this Indenture and its Guarantee and such Guarantee shall be automatically and unconditionally terminated, and no further action by such Guarantor, the Company or the Trustee is required (other than delivery of such Officer's Certificate) for the release of such Guarantor or the termination of such Guarantee:

(i) upon the Company exercising its legal defeasance option or covenant defeasance option in accordance with Article VIII or a satisfaction and discharge of this Indenture as described under Section 8.01(a);

(ii) upon the merger, amalgamation, consolidation or winding up of such Subsidiary Guarantor with and into AMC, the Company or another Subsidiary Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding up, or upon the liquidation of such Subsidiary Guarantor;

(iii) upon such Subsidiary Guarantor becoming an Excluded Subsidiary under the definition of "Excluded Subsidiary"; *provided* that (A) the transaction or other circumstance pursuant to which such Subsidiary Guarantor became an Excluded Subsidiary was made in compliance with the applicable provisions of this Indenture; (B) no Default or Event of Default shall have occurred or be continuing immediately after giving effect thereto; (C) such Subsidiary Guarantor owns no assets which were previously transferred to it by another Subsidiary which constitutes Collateral; and (D)(x) the transaction pursuant to which such Subsidiary Guarantor ceases to be a Wholly Owned Subsidiary arises from legitimate business transactions with a bona fide business purpose (other than causing such release) with one or more Persons whose ownership of Equity Interests in such Subsidiary would satisfy the requirement set forth in subclause (z) below, (y) such Subsidiary Guarantor shall not be (or shall be simultaneously be released as) an obligor or guarantor with respect to any Guarantee Reference Indebtedness and (z) a Person other than AMC or any Subsidiary thereof, any holder of Guarantee Reference Indebtedness or any Affiliate of any of the foregoing holds Equity Interests in such Subsidiary;

(iv) upon the release or discharge of such Guarantor's primary obligations under, and guarantees, of all Guarantee Reference Indebtedness, except, in each case, (x) a discharge or release by or as a result of payment and (y) if at the time of the release and discharge of such Guarantee, such Guarantor would be required to guarantee the Notes pursuant to Section 4.10; or

(v) as described under Article IX hereof.

(c) Notwithstanding the foregoing, no Guarantor may be released from its Guarantee (other than pursuant to a satisfaction and discharge of this Indenture as described under Section 8.01(a)) if, on the date of and after giving effect to the release of such Guarantee, the Guarantor (or any subsidiary thereof) would own (or hold an exclusive license with respect to) or have an exclusive license on any Intellectual Property that is material to the business of AMC and its Subsidiaries taken as a whole.

Section 11.04 Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 11.05 No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

**ARTICLE XII.
COLLATERAL**

Section 12.01 Security Documents.

(a) The due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Obligations of the Company and the Guarantors to the Holders or the Trustee under this Indenture, the Notes, the Guarantees and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Secured Notes Obligations, subject to the terms of the Intercreditor Agreements. The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Notes Collateral Agent to enter into (or otherwise join, as applicable) the Security Documents and the Intercreditor Agreements including those entered into on the Issue Date and each other Intercreditor Agreement, as applicable, thereafter, and to perform its obligations and exercise its rights thereunder in accordance therewith. In the event of conflict between an Intercreditor Agreement and any of the other Security Documents, the applicable Intercreditor Agreement shall control.

Each Holder, by its acceptance of a Note, (a) agrees that it will be subject to and bound by and will take no actions contrary to the provisions of each applicable Intercreditor Agreement, and (b) authorizes and instructs the Notes Collateral Agent to enter into (or otherwise join, as applicable) the AMC Group First Lien Pari Passu Intercreditor Agreement, the Muvico Group First Lien/Second Lien Intercreditor Agreement, the Muvico Group First Lien Priority Intercreditor Agreement and the Muvico Group 1.25 Lien Priority Intercreditor Agreement on the Issue Date (and each other Intercreditor Agreement, as applicable, thereafter) as the Notes Collateral Agent, and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 12.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company and the Guarantors shall, at their sole expense, take all actions and make all filings (including filing Uniform Commercial Code (including amendments and continuation statements) and other financing statements, mortgages and deeds of trust) that may be required under applicable law, or that the Trustee or the Notes Collateral Agent may reasonably request, in order to ensure the creation, perfection and priority (or continuance thereof), as security for the Obligations of the Company and the Guarantors to the secured parties under this Indenture, the Notes, the Guarantees, the Intercreditor Agreements and the Security Documents, of a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreements and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Holders and the Trustee subject to no Liens other than Permitted Liens.

It is understood and agreed that:

(a) with respect to any Collateral constituting assets of any AMC Group Obligor, prior to the Discharge of First Lien Obligations (solely for this purpose, as defined in the AMC Group First Lien Pari Passu Intercreditor Agreement) that are Term Loan Obligations, to the extent that the Controlling Collateral Agent is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to any Collateral constituting assets of the AMC Group Obligors or makes any determination in respect of any matters relating to such Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any subsidiary of AMC (other than Centertainment and any of its Subsidiaries) (including in connection with assets acquired, or subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the deadline therefore as set forth in the documentation governing the Indebtedness for which the Controlling Collateral Agent is the collateral agent), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents, and the judgment of the Controlling Collateral Agent in respect of any such matters under the documentation governing the Indebtedness for which the Controlling Collateral Agent is the collateral agent shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents; and

(b) with respect to any Collateral constituting assets of any Muvico Group Entity, prior to the Discharge of Senior Obligations (solely for this purpose, as defined in the Muvico Group First Lien/Second Lien Intercreditor Agreement), to the extent that the Designated Senior Representative is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to any Collateral constituting assets of the Muvico Group Entities or makes any determination in respect of any matters relating to such Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any Subsidiary (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the deadline therefor as set forth in the documentation governing the Indebtedness for which the Designated Senior Representative is the collateral agent), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents, and the judgment of the Designated Senior Representative in respect of any such matters under the documentation governing the Indebtedness for which the Designated Senior Representative is the collateral agent shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.

Section 12.02 Release of Collateral

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the applicable Intercreditor Agreements and this Indenture. Notwithstanding anything to the contrary in the Security Documents, any applicable Intercreditor Agreement and this Indenture, the Company and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the Guarantees, and the applicable Collateral shall be automatically released from the Liens of the Notes Collateral Agent, under any one or more of the following circumstances:

- (i) upon consummation of the sale, transfer or other disposition of such Collateral to the extent such sale, transfer or other disposition is permitted under this Indenture;

(c) In addition, any Lien on any Collateral may be (i) released or subordinated to any Lien on such Collateral that is created, incurred or assumed pursuant to clause (viii)(A) of the definition of “Permitted Liens” to the extent required by the terms of the obligations secured by such Liens and (ii) subordinated to any Lien on any Material Real Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Material Real Property provided such lease, easement, right of way or similar agreement is permitted by Section 4.07.

(d) With respect to any release of Collateral, upon receipt of an Officer’s Certificate stating that all conditions precedent under this Indenture and the Security Documents to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company’s expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents and shall do or cause to be done (at the Company’s expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer’s Certificate, and notwithstanding any term hereof or in any Security Document to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officer’s Certificate.

Section 12.03 Suits to Protect the Collateral.

Subject to the provisions of Article VII and the Security Documents, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

- (a) enforce any of the terms of the Security Documents; and
- (b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

Section 12.04 Authorization of Receipt of Funds by the Trustee Under the Security Documents.

Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.05 Purchaser Protected.

In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XII to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

Section 12.06 Power Exercisable by Receiver or Trustee.

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XII upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article XII; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 12.07 Certain Limits on Collateral.

Notwithstanding anything in this Indenture or any other Security Document, it is understood and agreed that:

- (a) Liens required to be granted from time to time pursuant to this Indenture shall be subject to exceptions and limitations set forth in the Security Documents;

Section 12.08 Notes Collateral Agent.

(a) The Company and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Company and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.08. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, including any duty to monitor, perfect, maintain or enforce any security interest, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person’s Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a “*Related Person*”), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor's Affiliates.

(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Company or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its reasonable satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article VI or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 12.08).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Company (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Company pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 12.08 shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) The Trustee shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, including joinders and supplements thereto, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.

(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article VI, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) The Notes Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article IX of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent's instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor's property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Security Documents.

(l) If the Company or any Guarantor (i) incurs any obligations in respect of Junior Priority Obligations at any time when no Junior Lien Intercreditor Agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officer's Certificate so stating and requesting the Notes Collateral Agent to enter into any Junior Lien Intercreditor Agreement in favor of a designated agent or representative for the holders of the junior priority obligations so incurred, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of AMC, the Company or any of the Subsidiary Guarantors, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; *provided* that neither an Officer's Certificate nor an Opinion of Counsel shall be required pursuant to this Section 12.08(l) in connection with the applicable Intercreditor Agreements (including pursuant to a joinder thereto) to be entered into.

(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity reasonably satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Company or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a “*Security Document Order*”), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document, Intercreditor Agreement or amendment or supplement thereto, to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 12.08(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document, Intercreditor Agreement or amendment or supplement thereto. Any such execution of a Security Document or amendment or supplement thereto shall be at the direction and expense of the Company, upon delivery to the Notes Collateral Agent of an Officer’s Certificate stating that all conditions precedent to the execution and delivery of the Security Document, Intercreditor Agreement or amendment or supplement thereto have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents, Intercreditor Agreement or amendment or supplement thereto.

(s) Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable.

(t) After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Company or the Guarantors, it may require an Officer’s Certificate, which shall conform to the provisions of this Section 12.08 and Sections 13.04 and 13.05; *provided* that no Officer’s Certificate shall be required in connection with the Security Documents, the AMC Group First Lien Pari Passu Intercreditor Agreement, the Muvico Group First Lien/Second Lien Intercreditor Agreement, the Muvico Group First Lien Priority Intercreditor Agreement or the Muvico Group 1.25 Lien Priority Intercreditor Agreement to be entered into by (or otherwise joined by, as applicable) the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Security Documents and the Intercreditor Agreements, and shall solely act pursuant to the instructions of the Holders and the Trustee solely with respect to the Security Documents, the Intercreditor Agreements and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents and Intercreditor Agreements were named as this Indenture herein.

(aa) The Company and the Guarantors shall furnish to the Trustee and the Notes Collateral Agent, within 120 days after the end of each fiscal year (beginning with the first fiscal year ending after the Issue Date and after giving effect to any fiscal year end change effected on or after the Issue Date), an Officer's Certificate (which may be the same certificate required to be delivered by the Company pursuant to Section 4.13) either (i) (x) stating that such action has been taken with respect to the recording, filing, re-recording, and re-filing of this Indenture or the Security Documents, as applicable, as are necessary to maintain the perfected Liens of the applicable Security Documents securing the Secured Notes Obligations under applicable law to the extent required by the Security Documents other than any action as described therein to be taken, and (y) stating that on the date of such Officer's Certificate, all financing statements, financing statement amendments and continuation statements have been or will be executed and filed that are necessary, as of such date or promptly thereafter and during the succeeding 12 months, fully to maintain the perfection (to the extent required by the Security Documents) of the security interests of the Notes Collateral Agent securing the Obligations thereunder and under the Security Documents with respect to the Collateral; *provided* that if there is a required filing of a continuation statement or other instrument within such 12-month period and such continuation statement or amendment is not effective if filed at the time of the Officer's Certificate, such Officer's Certificate may so state and in that case the Company and the Guarantors shall cause a continuation statement or amendment to be timely filed and become effective so as to maintain such Liens and security interests securing the Secured Notes Obligations or (ii) stating that no such action is necessary to maintain such Liens or security interests.

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co-registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing; and

then the Trustee shall cancel such Definitive Note and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officer's Certificate, a new Global Note in the appropriate principal amount.

Transfers by an owner of a beneficial interest in the Rule 144A Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor depository or a nominee of such successor depository.

(iv) In the event that a Global Note is exchanged for Notes in definitive registered form pursuant to Section 2.4, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Notes (as set forth in Appendix I hereto) to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of this Indenture.

The Company will pay principal and Cash Interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Cash payments in respect of the Notes represented by a Global Note (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company (the “*Depository*”). The Company will make all cash payments in respect of a certificated Note (including principal, premium and interest) by mailing a check to the registered address of each Holder thereof; *provided, however*, that cash payments on the Notes may also be made, in the case of a Holder of at least \$2,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

At all times, PIK Interest on the Notes shall be payable in accordance with Section 2.14 of the Indenture.

3. Paying Agent and Registrar

Initially, CSC Delaware Trust Company, a Delaware trust company (the “*Trustee*”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

4. Indenture

The Company issued the Notes under an Indenture dated as of July 24, 2025 (the “*Indenture*”), among AMC, Holdings, the Company, the Guarantors party thereto from time to time, the Trustee and the Notes Collateral Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by express reference to the Trust Indenture Act of 1939 (15 U.S.C. 77aaa-77bbb) as in effect on the date of the Indenture (the “*TIA*”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of those terms.

The Notes are senior secured obligations of the Company and can be issued in an initial amount of \$856,964,000 and additional amounts as part of the same series under the Indenture which are unlimited (subject to Sections 2.01 and 2.10 of the Indenture). The Indenture imposes certain limitations on the ability of AMC and its Subsidiaries to, among other things, incur additional indebtedness, pay dividends or make distributions in respect of their capital stock, purchase or redeem capital stock, enter into transactions with stockholders or certain affiliates, create liens or consolidate, merge or sell all or substantially all of the Company’s assets. These limitations are subject to significant exceptions set forth in the Indenture.

The Guarantors (including each subsidiary of the Company that is required to guarantee the Guarantor Obligations pursuant to Section 4.10 of the Indenture) shall jointly and severally guarantee the Guarantor Obligations pursuant to the terms of the Indenture.

5. Mandatory Redemption.

The Company shall not be required to make any mandatory redemption with respect to the Notes.

6. Optional Redemption

Except as set forth herein, the Notes may not be redeemed prior to July 31, 2027. On and after that date, the Company may redeem the Notes in whole at any time or in part from time to time (i) from and including July 31, 2027 to and including April 30, 2028 at a redemption price equal to (x) 100.0%, plus (y) 50.0% of the then applicable interest rate determined in accordance with Section 2.14 of the Indenture (determined as of the last testing period before the date of redemption), of the principal amount thereof, plus accrued and unpaid interest, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption); and (ii) from and including May 1, 2028 to the Maturity Date at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption).

In addition, at any time and from time to time prior to July 31, 2027, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium with respect to the Notes plus accrued and unpaid interest, if any, thereon to the redemption date. Notice of such redemption must be sent to Holders of the Notes called for redemption not less than 10 or more than 60 days prior to the redemption date. The notice need not set forth the Applicable Premium but only the manner of calculation of the redemption price. The Indenture provides that, with respect to any such redemption, the Company will notify the Trustee of the Applicable Premium with respect to the Notes promptly after the calculation and that the Trustee will not be responsible for such calculation.

The Company may redeem the Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different redemption dates and, with respect to redemptions that occur on the same date, may specify the order in which such redemptions are deemed to occur. In addition, notice of any redemption of, or any offer to purchase, the Notes may, at the Company's discretion, be given in connection with another transaction (or series of related transactions), and any such redemption or purchase may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related transaction or event, as the case may be. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the redemption date or purchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date or purchase date or by the redemption date or purchase date as so delayed, or such notice or offer may be rescinded at any time in the Company's discretion if the Company reasonably believes that any or all of such conditions will not be satisfied or waived. In addition, the Company may provide in such notice or offer that payment of the redemption or purchase price and performance of the Company's obligations with respect to such redemption or offer to purchase may be performed by another Person.

If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Notes are registered at the Close of Business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

7. Sinking Fund

The Notes are not subject to any sinking fund.

8. Notice of Redemption

Notice of redemption shall be sent to the holders electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each holder of Notes to the address of such holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 10 nor more than 60 days prior to the redemption date. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

9. [Reserved]

10. Denominations; Transfer; Exchange

The Notes are in registered form in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Note for a period of 10 days prior to a selection of Notes to be redeemed or 10 days before an interest payment date.

11. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

12. Unclaimed Money

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

13. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

14. Amendment, Supplement and Waiver

The Indenture, the Notes or the Guarantees may be amended or supplemented as provided in the Indenture.

15. Defaults and Remedies

If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the Notes then outstanding, subject to certain limitations, may declare all the Notes to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Notes being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. The Trustee may refuse to enforce the Indenture or the Notes unless it receives reasonable indemnity or security. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the Trustee in its exercise of any trust or power under the Indenture. The Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.

16. Security.

The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Notes Collateral Agent to enter into the Security Documents on the Issue Date, and at any time after Issue Date, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

17. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA and incorporated by reference into the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

A director, officer, employee or stockholder, as such, of the Company or any Guarantor shall not have any liability for any obligations of the Company or any Guarantor under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

19. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law

THE INDENTURE, THIS NOTE AND THE GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. ISINs and CUSIP Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISINs and/or CUSIP numbers to be printed on the Notes and has directed the Trustee to use ISINs and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and such Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.09 Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes and deliver them in exchange for temporary Notes. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall authenticate and make available for delivery in exchange therefor, one or more definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of definitive Notes.

Section 2.10 Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. Any Registrar and any Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel (subject to the record retention requirements of the Exchange Act), in accordance with the Trustee's customary procedures, all Notes surrendered for registration of transfer, exchange, payment or cancellation and deliver canceled Notes to the Company upon a written direction of the Company. Except as expressly permitted herein, the Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

If the Company or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.10. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a registration of transfer or exchange of such Notes.

At such time as all beneficial interests in a Global Note have either been exchanged for definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Securities Custodian with respect to such Global Note to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

Section 2.11 Defaulted Interest. Upon the occurrence and continuance of an Event of Default, all due and unpaid Exchangeable Notes Obligations shall bear interest at a rate per annum equal to three percent (3.0%) in excess of the interest rate applicable to the Notes (*plus* interest on such defaulted interest at such rate, to the extent lawful), which interest shall be payable in cash. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date (not less than thirty (30) days after such notice) of the proposed payment (the “*Special Interest Payment Date*”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “*Special Record Date*”) for the payment of such defaulted interest, which date shall be not more than fifteen (15) days and not less than ten (10) days prior to the Special Interest Payment Date and not less than ten (10) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.02, not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such defaulted interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such defaulted interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the Close of Business on such Special Record Date and shall no longer be payable.

The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.11, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.12 CUSIP Numbers or ISINs. The Company in issuing the Notes may use “CUSIP” numbers, “ISINs” or other similar numbers (if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, “ISINs” or other similar numbers in notices of redemption as a convenience to Holders; *provided, however*, that neither the Company nor the Trustee shall have any responsibility for any defect in the “CUSIP” number, “ISIN” or other similar number that appears on any Note, check, advice of payment or redemption notice, and any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP number, ISIN or other similar numbers.

Section 2.13 Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Issue Date, until the principal hereof is due.

Section 2.14 Payment of Interest; Issuance of PIK Notes; Notice of PIK Interest.

(a) The Company shall, in accordance with the remainder of this Section 2.14, pay interest on the Notes at an aggregate rate of 8.00% per annum, which rate shall increase to 13.00% per annum from and after the Interest Adjustment Date (with notice to the Trustee), to the extent that the Required Shareholder Approval has not been obtained by AMC on or prior to such date; *provided* that, notwithstanding the foregoing, from and after the Interest Adjustment Date, to the extent that the Required Shareholder Approval has been obtained by AMC (*i.e.*, from and after the later to occur of the Interest Adjustment Date and the date that the Required Shareholder Approval has been obtained by AMC), the Company shall pay interest on the Notes at a rate of 1.50% per annum.

(b) The Company shall pay interest on the Notes in cash (“*Cash Interest*”) at a rate of 6.00% per annum, which rate shall increase to 9.50% per annum from and after the Interest Adjustment Date (with notice to the Trustee), to the extent that the Required Shareholder Approval has not been obtained by AMC on or prior to such date; *provided* that, notwithstanding the foregoing, from and after the Interest Adjustment Date, to the extent that the Required Shareholder Approval has been obtained by AMC (*i.e.*, from and after the later to occur of the Interest Adjustment Date and the date that the Required Shareholder Approval has been obtained by AMC), the Company shall pay interest on the Notes in cash at a rate of 1.50% per annum.

(c) The Company shall pay interest on the Notes in kind, in accordance with this Section 2.14(c) (“*PIK Interest*” and each in-kind payment of PIK Interest, a “*PIK Payment*”), at a rate of 2.00% per annum, which rate shall increase to 3.50% per annum from and after the Interest Adjustment Date (with Notice to the Trustee), to the extent that the Required Shareholder Approval has not been obtained by AMC on or prior to such date; *provided* that, notwithstanding the foregoing, from and after the Interest Adjustment Date, to the extent that the Required Shareholder Approval has been obtained by AMC (*i.e.*, from and after the later to occur of the Interest Adjustment Date and the date that the Required Shareholder Approval has been obtained by AMC), no PIK Interest shall be payable. PIK Interest on the Notes will be paid in denominations of \$1.00 and integral multiples of \$1.00 in excess thereof.

(i) PIK Interest on the Notes will be payable (x) with respect to Notes represented by one or more Global Notes registered in the name of, or held by, the Depository or its nominee on the relevant record date, by increasing the principal amount of the outstanding Global Note by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest whole dollar) and (y) with respect to Notes not represented by Global Notes, by issuing Notes (rounded up to the nearest whole dollar) (“*PIK Notes*”), having the same terms and conditions as the Notes, in certificated form in an aggregate principal amount equal to the amount of PIK Interest for the applicable period, and the Trustee will, at the request of the Company, authenticate and deliver such PIK Notes for original issuance to applicable Holders on the relevant record date, as shown by the records of the register of Holders. Following an increase in the principal amount of the outstanding Global Notes as a result of a PIK Payment, the Global Notes will bear interest on such increased principal amount from and after the date of such PIK Payment. Any PIK Notes issued in certificated form will be dated as of the applicable Interest Payment Date and will bear interest from and after such date. All Notes issued pursuant to a PIK Payment will mature on the Maturity Date and will be governed by, and subject to the terms, provisions and conditions of this Indenture and shall have the same rights and benefits as the Notes issued on the Issue Date. Any certificated PIK Notes will be issued with the description “PIK” on the face of such PIK Note, and references to the “principal” or “principal amount” of the PIK Notes shall include any increase in the principal amount of the outstanding Notes as a result of any PIK Payment.

(ii) The calculation of PIK Interest will be made by the Company or on behalf of the Company by such Person as the Company shall designate, and such calculation and verifying the correctness thereof shall not be a duty or obligation of the Trustee. Notwithstanding anything in this Indenture or the Notes to the contrary, the payment of accrued and unpaid interest (including interest that would otherwise be PIK Interest when paid) in connection with any redemption of Notes as described in Section 5 of the Notes or Section 3.08 or purchase of the Notes as described in Section 3.10 shall, in each case, be made solely in cash.

(d) Interest in accordance with the provisions set forth above shall be deemed to accrue on the Notes from and after July 1, 2025, notwithstanding the Issue Date.

Section 2.15 Exchange and Cancellation of Notes to Be Exchanged.

(a) If only a portion of a Definitive Note of a Holder is to be exchanged pursuant to Article X, then, as soon as reasonably practicable after such Definitive Note is surrendered for such exchange, the Company will cause such Definitive Note to be exchanged for (i) one or more Definitive Notes that are in amounts of \$1.00 or whole multiples of \$1.00 in excess thereof and have an aggregate principal amount equal to the principal amount of such Definitive Note that is not to be so exchanged and deliver such Definitive Note(s) to such Holder; and (ii) a Definitive Note having a principal amount equal to the principal amount to be so exchanged, which Definitive Note will be exchanged pursuant to the terms of this Indenture; *provided, however*, that the Definitive Note referred to in this clause (ii) need not be issued at any time after which such principal amount subject to such exchange is deemed to cease to be outstanding pursuant to Section 2.08.

(b) If a Definitive Note (or any portion thereof that has not theretofore been exchanged pursuant to Section 2.15(a)) of a Holder is to be exchanged pursuant to Article X, then, promptly after the later of the time such Definitive Note (or such portion) is deemed to cease to be outstanding pursuant to Section 2.08 and the time such Definitive Note is surrendered for such exchange (i) such Definitive Note will be canceled pursuant to Section 2.10; and (ii) in the case of a partial exchange, the Company will issue, execute and deliver to such Holder, and the Trustee will authenticate, in each case in accordance with Section 2.02, one or more Definitive Notes that (x) are in amounts of \$1.00 or whole multiples of \$1.00 in excess thereof and have an aggregate principal amount equal to the principal amount of such Definitive Note that is not to be so exchanged; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required in accordance with Section 2.02.

(c) If a Global Note (or any portion thereof) is to be exchanged pursuant to Article X, then, promptly after the time such Note (or such portion) is deemed to cease to be outstanding pursuant to Section 2.08, the Trustee will reflect a decrease of the principal amount of such Global Note in an amount equal to the principal amount of such Global Note to be so exchanged by notation on the "Schedule of Exchanges of Interests in the Global Note" forming part of such Global Note (and, if the principal amount of such Global Note is zero following such notation, cancel such Global Note pursuant to Section 2.10).

ARTICLE III. REDEMPTION

Section 3.01 Notices to Trustee. Solely to the extent that the Required Shareholder Approval has not been obtained by AMC, the Notes shall be redeemable beginning on the date that is one hundred eighty (180) days following the Interest Adjustment Date, at the redemption prices set forth in Section 6 of the Notes. If the Company elects to redeem the Notes pursuant to Section 6 of the Notes, it shall notify the Trustee in writing of the applicable redemption date, the relevant CUSIPs, the principal amount of Notes to be redeemed, the redemption price and that such redemption is being made pursuant to Section 6 of the Notes.

The Company shall deliver notice to the Trustee of any redemption of the Notes at least fifteen (15) days but not more than sixty (60) days prior to the applicable redemption date, unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein and be permitted hereunder.

Section 3.02 Selection of Notes To Be Redeemed. If fewer than all the Notes are to be redeemed at any time, not more than sixty (60) days prior to the redemption date, the Trustee or the Registrar, as applicable, subject to the customary procedures of the Depository, shall select the Notes to be redeemed *pro rata*, and if the Depository prescribes no method of selection, then, by lot or by any other method that complies with applicable legal and securities exchange and Depository requirements, if any, and that the Trustee or the Registrar, as applicable, in its sole discretion deems fair and appropriate. The Trustee or the Registrar, (or the Depository) as applicable, shall make the selection from outstanding Notes not previously called for redemption. The Trustee or the Registrar, as applicable, may select for redemption portions of the principal of Notes that have denominations larger than \$1.00. Notes and portions of them the Trustee or the Registrar, as applicable, selects shall be in amounts of \$1.00, or an integral multiple of \$1.00, (but in any event not less than \$1.00). Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee or the Registrar, as applicable, shall notify the Company promptly of the Notes or portions of Notes to be redeemed. The Trustee or Registrar shall not be liable for selection made by them under this Section.

Section 3.03 Notice of Redemption. At least ten (10) days but not more than sixty (60) days before a date for optional redemption of Notes pursuant to Section 6 of the Notes, the Company shall send a notice of redemption electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC. Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

The notice shall identify the Notes (or portion thereof) to be redeemed (including CUSIP numbers if any) and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) the name and address of the Paying Agent;
- (d) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(e) that, if fewer than all the outstanding Notes are to be redeemed, or if a Note is to be redeemed in part only, the identification and principal amounts of the particular Notes (or portion thereof) to be redeemed;

(f) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(g) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and

(h) any conditions to such redemption.

At the Company's written request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section at least fifteen (15) days but not more than sixty (60) days prior to the applicable redemption date, unless the Trustee consents to a shorter period.

Section 3.04 Soft Call.

(a) At any time from and after the Exchangeability Effective Date, until the Close of Business on the second Trading Day immediately preceding the Maturity Date, the Company shall have the right, at its election, to redeem all (but not less than all) of the outstanding Notes (a "*Soft Call*") at a price equal to one hundred percent (100.0%) of the principal amount of the Notes (the "*Soft Call Redemption Price*"), plus accrued and unpaid interest thereon to, but excluding, the Soft Call Date, but only if the Daily VWAP exceeds the Soft Call Trigger Price for fifteen (15) consecutive Trading Days ending on (and including) the Trading Day immediately before the Soft Call Notice Date ("*Soft Call Trigger*").

(b) If the Company elects to redeem the outstanding Notes pursuant to a Soft Call, the Company will send notice of the Soft Call prior to noon, New York City time (a "*Soft Call Notice*"; the date of such notice, the "*Soft Call Notice Date*"; provided that, if the Soft Call Notice is sent after noon, New York City time, the Soft Call Notice Date shall be deemed to be the Business Day immediately following the date of such Soft Call Notice), electronically or by first-class mail, with a copy to (x) the Trustee, (y) each Holder of Notes to the address of such Holder appearing in the notes register and (z) each Initial Holder to the last address of such Initial Holder specified by such Initial Holder to the Company in writing (for purposes of this clause (z), e-mail notice to such Initial Holder being sufficient), and otherwise in accordance with the procedures of DTC. Any Soft Call Notice may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent described in the Soft Call Notice ("*Soft Call Conditions*"). In addition, if such Soft Call Notice is subject to satisfaction of one or more Soft Call Conditions, such Soft Call Notice shall state that, in the Company's discretion, the Soft Call Date may be delayed until such time as any or all such Soft Call Conditions shall be satisfied (or waived by the Company in its sole discretion), or such Soft Call may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the Soft Call Date, or by the Soft Call Date so delayed. The Company may provide in such Soft Call Notice that payment of the Soft Call Redemption Price and performance of the Company's obligations with respect to such Soft Call may be performed by another Person; provided that such Person is a "United States person" within the meaning of Section 7701(a)(30) of the Code for U.S. federal income tax purposes. In the event a Soft Call is not completed due to a failure to satisfy (or for the Company to waive) one or more Soft Call Conditions ("*Soft Call Condition Failure*"), the Company (x) shall send notice to the Holders in accordance with this clause (b), with a copy to the Trustee, stating that a Soft Call Condition Failure has occurred, that the Notes shall not be redeemed on the Soft Call Date and that any Holder that failed to submit a Notice of Voluntary Exchange may still do so and (y) may redeem or attempt to redeem the Notes pursuant to a Soft Call in accordance with this Section 3.04 following any subsequent Soft Call Trigger. Notwithstanding the foregoing, any Holder that has submitted a Notice of Voluntary Exchange may not revoke or rescind such Notice of Voluntary Exchange as a result of a Soft Call Condition Failure.

The Soft Call Notice shall identify the Notes to be redeemed and shall state:

- (i) that the Notes have been called for redemption pursuant to this Section 3.04;
- (ii) the date on which such redemption will occur; *provided* that, such date shall be a Business Day of the Company's choosing that is no more than ten (10), nor less than five (5), Business Days after the date of the Soft Call Notice (the "*Soft Call Date*"); *provided, further*, that the Soft Call Date shall be no later than the second Trading Day prior to the Maturity Date;
- (iii) that such Holder may submit a Notice of Voluntary Exchange in accordance with Article X in respect of its Notes prior to the Close of Business on the third Business Day (or such later date as the Company may agree) following the Soft Call Notice Date (or (x) if the Company fails to pay the Soft Call Redemption Price due on such Soft Call Date in full, at any time until such time as the Company pays such Soft Call Redemption Price in full or (y) if there occurs a Soft Call Condition Failure, at any time thereafter in accordance with this Section 3.04);
- (iv) the Exchange Rate in effect on the Soft Call Notice Date for such Soft Call;
- (v) the Soft Call Redemption Price per \$1,000 principal amount of Notes;
- (vi) the name and address of the Paying Agent and the Exchange Agent;
- (vii) that Notes called for redemption pursuant to the Soft Call Notice (unless exchanged by such Holder) must be surrendered to the Paying Agent to collect the Soft Call Redemption Price;
- (viii) that, unless the Company defaults in making such Soft Call payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the Soft Call Date;

(ix) the CUSIP and ISIN numbers, if any, of such Notes (*provided* that no representation is made as to the correctness or accuracy of such CUSIP or ISIN number, if any, listed in such notice or printed on the Notes); and

(x) a description of any Soft Call Conditions, and that the Soft Call Notice (but not any Notice of Voluntary Exchange) may be rescinded in the event that any or all of such Soft Call Conditions will not have been satisfied by the Soft Call Date.

At the Company's written request, the Trustee shall give the Soft Call Notice to the Holders in accordance with this Section 3.04 in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section 3.04 at least five (5) days before the Soft Call Notice Date, unless the Trustee consents to a shorter period.

(c) Notwithstanding anything herein to the contrary, if a Holder sends a Notice of Voluntary Exchange in respect of its Notes following the Soft Call Notice Date and prior to the Close of Business on the second Business Day following the Soft Call Notice Date, the Company may not redeem such Notes and the provisions of Article X shall instead be applicable for any such Notes held by such Holder (for the avoidance of doubt, a Holder need only deliver a Notice of Voluntary Exchange prior to the Close of Business on the second Business Day following the Soft Call Notice Date and may satisfy the other requirements for exchange set forth in Section 10.02 following such date (including following the Soft Call Date)); *provided* that any Notice of Voluntary Exchange sent following the Close of Business on the second Business Day (or such later day as the Company may agree) following the Soft Call Notice Date shall be null and void and of no effect, and such Notes shall instead be subject to the redemption provisions in this Section 3.04, unless (x) there occurs a Soft Call Condition Failure, in which case such Notice of Voluntary Exchange shall be effective and subject to Article X or (y) the Company fails to pay the Soft Call Redemption Price due on such Soft Call Date in full, in which case a Holder may send a Notice of Voluntary Exchange at any time until such time as the Company pays such Soft Call Redemption Price in full.

Section 3.05 Effect of Notice of Redemption and of Soft Call Notice.

(a) Once notice of redemption is sent in accordance with Section 3.01, Notes called for redemption become due and payable on the redemption date, and at the redemption price stated in the notice, unless such redemption is conditioned on the happening of a future event. The notice, if sent in the manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, *plus* accrued and unpaid interest to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related Interest Payment Date that is on or prior to the redemption date or repurchase date, as applicable). Subject to Section 3.06, on and after the redemption date, unless the Company defaults in payment of the redemption, interest shall cease to accrue on Notes or portions of Notes called for redemption, unless such redemption remains conditioned on the occurrence of a future event that has not occurred. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

(b) Once a Soft Call Notice is sent in accordance with Section 3.04, the Notes (subject to such Holder's right to exchange any such Notes in accordance with Section 3.04 and Article X) shall become due and payable on the Soft Call Date and at the Soft Call Redemption Price stated in the Soft Call Notice, unless there occurs a Soft Call Condition Failure. The Soft Call Notice, if sent in the manner provided in Section 3.04, shall be conclusively presumed to have been given, whether or not the Holder receives such Soft Call Notice. Upon surrender to the Paying Agent, such Notes shall be paid at the Soft Call Redemption Price stated in the Soft Call Notice, *plus* accrued and unpaid interest to the Soft Call Date (subject to the right of Holders of record on the relevant record date to receive interest due on the related Interest Payment Date that is on or prior to the Soft Call Date). Subject to Section 3.06, on and after the Soft Call Date, unless the Company defaults in payment of the Soft Call Redemption Price, interest shall cease to accrue on Notes or portions of Notes called for redemption, unless such redemption remains conditioned on the occurrence of a future event that has not occurred. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.06 Deposit of Redemption Price. Prior to noon, New York City time, on the redemption date or Soft Call Date, as applicable, the Company shall deposit with the Paying Agent (or, if the Company or a domestic Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price or Soft Call Redemption Price, as applicable, and accrued and unpaid interest (subject to the right of Holders of record on the relevant record date to receive interest due on the related Interest Payment Date that is on or prior to the redemption date or Soft Call Date, as applicable) on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation.

Section 3.07 Notes Redeemed in Part. Upon surrender and cancellation of a Note that is redeemed in part, the Company may execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered. It is understood that, notwithstanding anything in this Indenture to the contrary, only a written request or order signed on behalf of the Company by an Officer and delivered to the Trustee and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Notes.

Section 3.08 Special Mandatory Redemption.

(a) Without limiting the obligations of the Company set forth in Section 3.10 or Section 4.16, the Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes except as provided in this Section 3.08.

(b) If, at any time on or after November 17, 2028, the aggregate principal amount of outstanding (i) 2029 AHG Secured Notes, (ii) 2029 Secured Notes and (iii) any Indebtedness in respect of any modification, refunding, replacement, substitution, restructuring or other refinancing thereof (together with, for the avoidance of doubt, all interest paid in kind on any such Indebtedness), in each case, with a Stated Maturity prior to the Maturity Date, collectively exceeds an aggregate principal amount of \$190,000,000 (the "*Special Mandatory Redemption Trigger Date*"), the Required Holders may, by written notice to the Trustee (the "*Special Mandatory Redemption Election Notice*"), require the Company to redeem all of the Notes then outstanding by a date no later than ten (10) Business Days after receipt of such Special Mandatory Redemption Election Notice (the "*Special Mandatory Redemption End Date*") at a redemption price equal to one hundred percent (100%) of the aggregate principal amount of the Notes then outstanding *plus* accrued and unpaid interest thereon, if any, to, but excluding, the Special Mandatory Redemption Date (the "*Special Mandatory Redemption Price*").

(c) In the event that the Company becomes obligated to redeem the Notes pursuant to Section 3.08(b), the Company will promptly, and in any event not more than five (5) Business Days after the Special Mandatory Redemption Trigger Date, deliver notice to the Trustee of the special mandatory redemption and the date upon which the Notes will be redeemed (the “*Special Mandatory Redemption Date*,” which date shall be no later than the Special Mandatory Redemption End Date). The Trustee will then promptly deliver such notice electronically or by first-class mail to each Holder of Notes at the address of such Holder appearing in the note register or otherwise in accordance with the procedures of DTC. Unless the Company defaults in payment of the Special Mandatory Redemption Price, on and after such Special Mandatory Redemption Date, interest will cease to accrue on the Notes and the Indenture will be discharged and cease to be of further effect.

Section 3.09 [Reserved].

Section 3.10 Right of Holders to Require the Company to Repurchase Notes upon a Fundamental Change.

(a) Subject to the other terms of this Section 3.10, if a Fundamental Change occurs, then each Holder will have the right (the “*Fundamental Change Repurchase Right*”) to require the Company to repurchase such Holder’s Notes (or any portion thereof in amounts of \$1.00 or whole multiples of \$1.00 in excess thereof) on the Fundamental Change Repurchase Date for such Fundamental Change for a cash purchase price equal to the Fundamental Change Repurchase Price.

(b) If the principal amount of the Notes has been accelerated in accordance with this Indenture and such acceleration has not been rescinded on or before the Fundamental Change Repurchase Date for a Repurchase Upon Fundamental Change (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to the Notes), then, notwithstanding anything to the contrary in Section 3.10(a), (i) the Company may not repurchase any Notes pursuant to this Section 3.10; and (ii) the Company will cause any Notes theretofore surrendered for such Repurchase Upon Fundamental Change (but not yet repurchased) to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Notes in accordance with the applicable procedures of DTC).

(c) [reserved].

(d) If a Fundamental Change Repurchase Date is after a record date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such record date will be entitled, notwithstanding such Repurchase Upon Fundamental Change, to receive, on or, at the Company’s election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Fundamental Change Repurchase Date is before such Interest Payment Date); and (ii) the Fundamental Change Repurchase Price will not include accrued and unpaid interest on such Note to, but excluding, such Fundamental Change Repurchase Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day and such Fundamental Change Repurchase Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid on the next Business Day to Holders as of the Close of Business on the immediately preceding record date; and (y) the Fundamental Change Repurchase Price will include interest on Notes to be repurchased from, and including, such Interest Payment Date.

(e) On or before the twentieth calendar day after the effective date of a Fundamental Change, the Company will send to each Holder, the Trustee and the Paying Agent a notice of such Fundamental Change (a “*Fundamental Change Notice*”). Substantially contemporaneously, the Company will issue a press release through such national newswire service as the Company then uses (or publish the same through such other widely disseminated public medium as the Company then uses, including its website) containing the information set forth in such Fundamental Change Notice. Such Fundamental Change Notice must state:

- (i) briefly, the events causing such Fundamental Change;
- (ii) the effective date of such Fundamental Change;
- (iii) the procedures that a Holder must follow to require the Company to repurchase its Notes pursuant to this Section 3.10, including the deadline for exercising the Fundamental Change Repurchase Right and the procedures for submitting and withdrawing a Fundamental Change Repurchase Notice;
- (iv) the Fundamental Change Repurchase Date for such Fundamental Change;
- (v) the Fundamental Change Repurchase Price per \$1.00 principal amount of Notes for such Fundamental Change (and, if such Fundamental Change Repurchase Date is after a record date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the definition thereof and Section 3.10(d));
- (vi) the name and address of the Paying Agent, Trustee and Exchange Agent;
- (vii) the Exchange Rate in effect on the date of such Fundamental Change Notice and a description and quantification of any adjustments to the Exchange Rate that may result from such Fundamental Change;
- (viii) that Notes for which a Fundamental Change Repurchase Notice has been duly tendered and not duly withdrawn must be delivered to the Paying Agent for the Holder thereof to be entitled to receive the Fundamental Change Repurchase Price;

(ix) that Notes (or any portion thereof) that are subject to a Fundamental Change Repurchase Notice that have been duly tendered may be exchanged only if such Fundamental Change Repurchase Notice is withdrawn in accordance with this Indenture; and

(x) the CUSIP and ISIN numbers, if any, of the Notes.

Neither the failure to deliver a Fundamental Change Notice nor any defect in a Fundamental Change Notice will limit the Fundamental Change Repurchase Right of any Holder or otherwise affect the validity of any proceedings relating to any Repurchase Upon Fundamental Change.

(f) To exercise its Fundamental Change Repurchase Right for a Note following a Fundamental Change, the Holder thereof must deliver:

(i) to the Paying Agent, before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or such later time as may be required by law), a duly completed, written Fundamental Change Repurchase Notice with respect to such Note; and

(ii) such Note, to the Trustee duly endorsed for transfer (if such Note is a Definitive Note) or to the Paying Agent by book-entry transfer (if such Note is a Global Note).

The Paying Agent will promptly deliver to the Company a copy of each Fundamental Change Repurchase Notice that it receives.

(g) Each Fundamental Change Repurchase Notice with respect to a Note must state:

(i) if such Note is a Definitive Note, the certificate number of such Note;

(ii) the principal amount of such Note to be repurchased, which must be in a minimum denomination of \$1.00 or whole multiples of \$1.00 in excess thereof; and

(iii) that such Holder is exercising its Fundamental Change Repurchase Right with respect to such principal amount of such Note;

provided, however, that if such Note is a Global Note, then such Fundamental Change Repurchase Notice must comply with the applicable procedures of DTC (and any such Fundamental Change Repurchase Notice delivered in compliance with the applicable procedures of DTC will be deemed to satisfy the requirements of this Section 3.10(g)).

(h) A Holder that has delivered a Fundamental Change Repurchase Notice with respect to a Note may withdraw such Fundamental Change Repurchase Notice by delivering a written notice of withdrawal to the Paying Agent at any time before the Close of Business on the second Business Day immediately preceding the related Fundamental Change Repurchase Date. Such withdrawal notice must state:

(i) if such Note is a Definitive Note, the certificate number of such Note;

(ii) the principal amount of such Note to be withdrawn, which must be in a minimum denomination of \$1.00 or whole multiples of \$1.00 in excess thereof; and

(iii) the principal amount of such Note, if any, that remains subject to such Fundamental Change Repurchase Notice, which must be in a minimum denomination of \$1.00 or whole multiples of \$1.00 in excess thereof;

provided, however, that if such Note is a Global Note, then such withdrawal notice must comply with the applicable procedures of DTC (and any such withdrawal notice delivered in compliance with the applicable procedures of DTC will be deemed to satisfy the requirements of this Section 3.10(h)).

Upon receipt of any such withdrawal notice with respect to a Note (or any portion thereof), the Paying Agent will (x) promptly deliver a copy of such withdrawal notice to the Company; and (y) if such Note is surrendered to the Paying Agent, cause such Note (or such portion thereof in accordance with Section 2.15, treating such Note as having been then surrendered for partial repurchase in the amount set forth in such withdrawal notice as remaining subject to repurchase) to be returned to the Holder thereof (or, if applicable with respect to any Global Note, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Note in accordance with the applicable procedures of DTC).

(i) The Company will cause the Fundamental Change Repurchase Price for a Note (or portion thereof) to be repurchased pursuant to a Repurchase Upon Fundamental Change to be paid to the Holder thereof on or before the later of (i) the applicable Fundamental Change Repurchase Date; and (ii) the date (x) such Note is delivered to the Trustee or Paying Agent (in the case of a Definitive Note) or (y) the applicable procedures of DTC relating to the repurchase, and the delivery to the Paying Agent, of such Holder's beneficial interest in such Note to be repurchased are complied with (in the case of a Global Note). For the avoidance of doubt, interest payable pursuant to Section 3.10(d) on any Note to be repurchased pursuant to a Repurchase Upon Fundamental Change must be paid pursuant to such Section regardless of whether such Note is delivered or such applicable procedures of DTC are complied with pursuant to the first sentence of this Section 3.10(i).

(j) Notwithstanding anything to the contrary in this Section 3.10, the Company will be deemed to satisfy its obligations under this Section 3.10 if (i) one or more third parties conduct any Repurchase Upon Fundamental Change and related offer to repurchase Notes otherwise required by this Section 3.10 in a manner that would have satisfied the requirements of this Section 3.10 if conducted directly by the Company; and (ii) an owner of a beneficial interest in any Note repurchased by such third party or parties will not receive a lesser amount (as a result of taxes, additional expenses or for any other reason) than such owner would have received had the Company repurchased such Note.

(k) The Company will comply in all material respects with all federal and state securities laws in connection with a Repurchase Upon Fundamental Change (including complying with Rules 13e-4 and 14e-1 under the Exchange Act and filing any required Schedule TO, to the extent applicable) so as to permit effecting such Repurchase Upon Fundamental Change in the manner set forth in this Indenture; *provided, however*, that, to the extent that the Company's obligations pursuant to this Section 3.10 conflict with any law or regulation that is applicable to the Company, the Company's compliance with such law or regulation will not be considered to be a default of such obligations.

(l) Subject to the terms of this Section 3.10, Notes may be repurchased pursuant to a Repurchase Upon Fundamental Change in part, but only in a minimum denomination of \$1.00 or whole multiples of \$1.00 in excess thereof. Provisions of this Section 3.10 applying to the repurchase of a Note in whole will equally apply to the repurchase of a permitted portion of a Note.

(2) the Fair Market Value of such Asset Sale, taken together with all previous Asset Sales since the Issue Date, shall not exceed \$20,000,000; *provided* that, subject to limitations on use of proceeds set forth in this Section 4.16, additional Asset Sales, the Fair Market Value of which, taken together with the Fair Market Value of all previous Asset Sales since the Issue Date permitted pursuant to this proviso, shall not exceed \$30,000,000, shall be permitted under this Section 4.16 (“*Permitted Paydown Asset Sales*”); and

(3) at least 90.0% of the consideration for such Asset Sale, together with all other Asset Sales completed or contractually agreed upon since the Issue Date, received by Holdings or such Subsidiary is in the form of cash or Cash Equivalents.

(b) Within three hundred sixty (360) days after receipt of any Net Proceeds from any Asset Sale or Casualty Event or any payment on the Odeon Holdco Intercompany Loan (as applicable, "*Asset Sale Proceeds Application Period*"), the Company or such Subsidiary shall apply an amount equal to the Net Proceeds from such Asset Sale or Casualty Event or payment on the Odeon Holdco Intercompany Loan (the "*Applicable Proceeds*"),

(1) to repay or repurchase (i) first, (1) the Term Loan Obligations (or any Permitted Refinancing of the Indebtedness thereof) or (2) if required, any other Indebtedness of the Company having First Lien Priority and incurred pursuant to Section 4.05(b)(viii) and (ii) second, to the extent any Applicable Proceeds remain after all Term Loan Obligations have been repaid in full, the Notes;

(3) any combination of the foregoing;

provided that, in the case of clause (2) above, a binding commitment or letter of intent shall be treated as a permitted application of the Applicable Proceeds (other than Applicable Proceeds of Permitted Paydown Asset Sales) from the date of such commitment or letter of intent so long as the Company or such Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds will be applied to satisfy such commitment or letter of intent within ninety (90) days of the expiration of the applicable Asset Sale Proceeds Application Period (an "*Acceptable Commitment*") and such Applicable Proceeds are actually applied in such manner within ninety (90) days of the expiration of such Asset Sale Proceeds Application Period (the period from the consummation of the Asset Sale to such date, the "*Commitment Application Period*"), and, in the event any Acceptable Commitment is later canceled or terminated for any reason after the expiration of the Asset Sale Proceeds Application Period and before such Applicable Proceeds are applied in connection therewith, then such Applicable Proceeds shall be applied in accordance with clause (1) above unless the Company or such Subsidiary reasonably expects to enter into another Acceptable Commitment prior to the expiration of the Asset Sale Proceeds Application Period and such Applicable Proceeds are actually applied in such manner prior to the expiration of the Commitment Application Period.

(c) [reserved].

(d) Pending the final application of an amount equal to the Applicable Proceeds pursuant to this Section 4.16, the holder of such Applicable Proceeds may invest such Applicable Proceeds in any manner not prohibited by this Indenture. For the avoidance of doubt, the Company may apply any Declined Proceeds (as defined in the Term Loan Credit Agreement (as in effect on the date hereof)) in any manner not prohibited by this Indenture.

(e) Notwithstanding anything in this Indenture to the contrary, (i) to the extent that any of or all the Applicable Proceeds received by a Foreign Subsidiary are prohibited or delayed under any Requirements of Law from being repatriated to the Company, the portion of such Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Company (the Company hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Applicable Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16, (ii) to the extent that and for so long as the Company has determined in good faith that repatriation of any of or all the Applicable Proceeds would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), the Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.16 and may be retained by the applicable Foreign Subsidiary; *provided* that when the Company determines in good faith that repatriation of any of or all the Applicable Proceeds received by a Foreign Subsidiary would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation), such Applicable Proceeds shall be promptly applied (net of additional taxes payable or reserved against as a result thereof) in compliance with this Section 4.16.

(f) For purposes of clause (a)(3) of this Section 4.16 (and no other provision), the following shall be deemed to be cash or Cash Equivalents:

(1) the greater of the principal amount and carrying value of any liabilities (as reflected on the most recent balance sheet of AMC provided hereunder or in the footnotes thereto (or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the balance sheet of AMC or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company of the Company or such Subsidiary)), other than liabilities that are by their terms subordinated to the Exchangeable Notes Obligations, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) pursuant to a written agreement which releases the Company or such Subsidiary from such liabilities; and

(2) any securities received by Holdings or such Subsidiary from such transferee that are converted by Holdings or such Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within one hundred eighty (180) days following the closing of the applicable Asset Sale;

(g) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes. To the extent that the provisions of any securities laws or regulations conflict with the asset sale provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the asset sale provisions of this Indenture by virtue of such compliance.

(h) The provisions of this Indenture relating to the Company's obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified at any time with the written consent of the Required Holders. An offer to repurchase the Notes as a result of an Asset Sale may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes and/or the Subsidiary Guarantees so long as the tender of the Notes by a Holder is not conditioned upon the delivery of consents by such Holder.

(d) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Surviving Entity are assets of the type that would constitute Collateral under the Security Documents, the Surviving Entity will take such action to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; and

(e) each Guarantor (unless, in the case of Holdings or any Subsidiary Guarantor, it is the other party to the transactions above, in which case clause (a)(ii) shall apply) shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations in respect of the Notes outstanding and this Indenture pursuant to supplemental indentures.

(f) In connection with any consolidation, merger, transfer or lease contemplated in Section 5.01(a), the Company shall deliver, or cause to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, transfer or lease and the supplemental indenture in respect thereto comply with the provisions described herein and that all conditions precedent herein provided for or relating to such transaction have been complied with.

(g) In addition, the Company shall not permit any Subsidiary Guarantor to consolidate with or merge with or into any person (other than Holdings, the Company or any other Subsidiary Guarantor) and shall not permit the conveyance, transfer or lease of all or substantially all of the assets of any Subsidiary Guarantor (other than to Holdings, the Company or any other Subsidiary Guarantor or in a transaction pursuant to which the Guarantee of the Subsidiary Guarantor is released pursuant to Article XI) unless:

(i) the resulting, surviving or transferee Person shall be an entity organized or existing under the laws of the United States of America or any political subdivision thereof and such Person (if not such Subsidiary Guarantor) shall expressly assume all the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee by supplemental indenture, executed and delivered to the Trustee, and joinders to the applicable Security Documents and Applicable Intercreditor Agreements;

(ii) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Subsidiary as a result of such transaction as having been incurred by such Person or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(iii) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(iv) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Subsidiary Guarantor are assets of the type that would constitute Collateral under the Security Documents, the Subsidiary Guarantor will promptly cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; and

(v) the transaction is made in compliance with Section 4.16.

Section 5.02 Successor Substituted. Upon any consolidation or merger or any transfer of all or substantially all of the assets of Holdings or the Company, as applicable, in accordance with Section 5.01, the successor entity formed by such a consolidation or into which Holdings or the Company, as applicable, is merged or to which such transfer is made shall succeed to, shall be substituted for and may exercise every right and power of Holdings or the Company, as applicable, under the Notes and this Indenture, with the same effect as if such successor entity had been named as the Company herein. In the event of any transaction (other than a lease) described and listed in Section 5.01 in which Holdings or the Company, as applicable is not the continuing entity, the successor Person formed or remaining shall succeed to, be substituted for and may exercise every right and power of Holdings or the Company, as applicable, and Holdings or the Company, as applicable, shall be discharged from all obligations and covenants under the Notes and this Indenture.

ARTICLE VI. DEFAULTS AND REMEDIES

Section 6.01 Events of Default. "*Event of Default*," wherever used herein, means any one of the following events:

(a) default in the payment of the principal of or premium, if any, on any Note when and as the same shall become due and payable and in the currency required hereunder, whether at the due date thereof or upon acceleration, redemption or otherwise;

(b) default in the payment of any interest on any Note when it becomes due and payable, and continuance of such default for a period of thirty (30) days;

(d) (i) one or more defaults in the payment of principal on Indebtedness of Holdings, any Subsidiary or any Guarantor, with an aggregate principal amount of at least \$250,000,000, when the same becomes due and payable, including at the Stated Maturity thereof, and such default or defaults shall have continued after any applicable grace period and shall not have been cured or waived, (ii) either (x) the 2029 AHG Secured Notes, the 2029 Secured Notes or the Existing Exchangeable Notes or (y) any other Indebtedness (other than the Term Loan Obligations) with an aggregate principal amount of at least \$250,000,000 shall have been accelerated or otherwise declared due and payable, or required to be prepaid or repurchased (other than by regularly scheduled prepayment) prior to the Stated Maturity thereof or (iii) default in the performance, or breach, of any covenant or agreement of the Company, any Subsidiary or any Guarantor relating to the Term Loan Obligations, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause such Indebtedness to become due (after notice or the passage of time or both) or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its Stated Maturity; *provided* that this clause (d)(iii) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness;

(e) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of AMC, Holdings, the Company, any Guarantor, prior to any Odeon Holdco Intercompany Loan Payoff (x) Odeon Holdco, (y) Odeon or (z) any subsidiary of Odeon that is a Significant Subsidiary of AMC or any of their respective debts, or of a material part of any of their respective assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for AMC, Holdings, the Company, any Guarantor, prior to any Odeon Holdco Intercompany Loan Payoff (x) Odeon Holdco, (y) Odeon or (z) any subsidiary of Odeon that is a Significant Subsidiary of AMC or for a material part of any of their respective assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(f) AMC, Holdings, the Company, any Guarantor, or prior to any Odeon Holdco Intercompany Loan Payoff (x) Odeon Holdco, (y) Odeon or (z) any subsidiary of Odeon that is a Significant Subsidiary of AMC shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (g) of this Section 6.01, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for AMC, Holdings, the Company, any Guarantor, prior to any Odeon Holdco Intercompany Loan Payoff (x) Odeon Holdco, (y) Odeon or (z) any subsidiary of Odeon that is a Significant Subsidiary of AMC or for a material part of its respective assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(g) one or more enforceable judgments for the payment of money in an aggregate amount in excess of \$250,000,000 (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has not denied its obligation) shall be rendered against AMC, Holdings, the Company, any Guarantor, prior to any Odeon Holdco Intercompany Loan Payoff (x) Odeon Holdco, (y) Odeon or (z) any subsidiary of Odeon that is a Significant Subsidiary of AMC or any combination thereof and the same shall remain undischarged for a period of sixty (60) consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of AMC, the Company, any Guarantor, or prior to any Odeon Holdco Intercompany Loan Payoff (x) Odeon Holdco, (y) Odeon or (z) any subsidiary of Odeon that is a Significant Subsidiary of AMC that are material to the businesses and operations thereof to enforce any such judgment;

(h) (i) any Lien on any material portion of the Collateral purported to be created under any Security Document (x) shall cease to be, or (y) shall be asserted by any of AMC, Holdings, the Company or any other Guarantor not to be, a valid and perfected Lien (having the priority required by this Indenture and the Security Documents), except (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) as a result of the failure of the Controlling Collateral Agent or Designated Senior Representative, as applicable (1) to maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (2) file UCC continuation statements, (C) as to Collateral consisting of real property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (D) as a result of acts or omissions of the Controlling Collateral Agent or Designated Senior Representative, as applicable; and (ii) such default continues for thirty (30) days after receipt of written notice given by the Trustee or the Holders of not less than thirty percent (30%) in aggregate principal amount of the then outstanding Notes;

(i) (i) any provision of the Indenture or any Security Document, (ii) any material provision of any other Exchangeable Notes Document or (iii) any Guarantee shall for any reason be asserted by AMC, Holdings, the Company or any other Guarantor not to be, or shall cease to be, a legal, valid and binding obligation of any party thereto other than as expressly permitted hereunder or thereunder;

(j) except as permitted by this Indenture, the Guarantee of any Guarantor shall cease to be in full force and effect; or

(l) failure by the Company to deliver or pay (or cause to be delivered or paid) the applicable Exchange Consideration or Exchange Adjustment Consideration following a Voluntary Exchange on the applicable Exchange Date, and such default continues for two (2) Business Days.

Section 6.02 Acceleration; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(e) or (f)) occurs and is continuing, then and in every such case the Trustee, by notice to the Company, or the Holders of not less than thirty percent (30%) in aggregate principal amount of the Notes outstanding, by notice to the Company and the Trustee, may declare the principal of, premium, if any (including the Early Acceleration Premium, as set forth in this Section 6.02), and accrued and unpaid interest, if any, on, all the Notes to be due and payable. If an Event of Default specified in Section 6.01(e) or (f) occurs and is continuing, then the principal of, premium, if any (including the Early Acceleration Premium, as set forth in this Section 6.02), and accrued and unpaid interest, if any, on, all the Notes shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Trustee shall have no obligation to accelerate the Notes if in the reasonable judgment of the Trustee, acceleration is not in the interest of the Holders.

(b) At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of the money due has been obtained by the Trustee as provided hereinafter in this Article, the Required Holders, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences, if:

(i) the Company has paid or deposited, or caused to be paid or deposited, with the Trustee a sum sufficient to pay:

(A) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

(B) all overdue interest on all Notes;

(C) the principal of (and premium, if any, on) any Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Notes; and

(D) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Notes; and

(ii) all Events of Default, other than the non-payment of principal of the Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.04.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

(c) In the event of any Event of Default specified in Section 6.01(d), such Event of Default and all consequences thereof shall be automatically annulled if, within ten (10) Business Days after such Event of Default arose, the Company delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged, (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

If the Notes are accelerated or otherwise become due prior to their Stated Maturity, in each case as a result of an Event of Default whether automatically or by declaration, the amount of principal of, accrued and unpaid interest and premium on the Notes that shall automatically and immediately then be due and payable shall be equal to the principal amount of the Notes then outstanding *plus* accrued and unpaid interest on the Notes to, but excluding, such date of acceleration *plus* (i) if the Required Shareholder Approval has been obtained by the applicable date, the Exchange Adjustment Consideration (which, for the avoidance of doubt, shall be paid as Cash Exchange Adjustment Consideration), as if such acceleration were a Voluntary Exchange of the Notes so accelerated, or (ii) if the Required Shareholder Approval has not been obtained by the applicable date, (A) the Applicable Premium in effect on such date, if any, or (B) the redemption premium applicable to the Notes as of such date (as set forth in Section 6 of the Notes), if any (the amount determined in accordance with the foregoing clauses (i) and (ii), the "*Early Acceleration Premium*").

Without limiting the generality of the foregoing, if the Notes are accelerated or otherwise become due prior to their Stated Maturity, in each case, in respect of any Event of Default (including an event of default relating to certain events of bankruptcy, insolvency or reorganization (including the acceleration of claim by operation of law)), the Early Acceleration Premium shall also be automatically and immediately due and payable, without any declaration or other act on the part of the Trustee, the Notes Collateral Agent or any Holder, as though the Notes had been subject to a Voluntary Exchange or optional redemption, as applicable, and shall constitute part of the Exchangeable Notes Obligations in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Holder's lost profits as a result thereof. If the Early Acceleration Premium becomes due and payable, it shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the Early Acceleration Premium) from and after the applicable triggering event, including in connection with certain events of bankruptcy, insolvency or reorganization of the Company. Any premium payable above shall be presumed to be liquidated damages sustained by each Holder as the result of the acceleration of the Notes (and not unmatured interest or a penalty) and AMC, Holdings, the Company, Odeon Holdco and each other Guarantor agrees that it is reasonable under the circumstances currently existing. The premium shall also be automatically and immediately due and payable in the event the Notes or this Indenture are satisfied, released or discharged through foreclosure, whether by judicial proceeding or otherwise, deed in lieu of foreclosure or by any other means. EACH OF AMC, HOLDINGS, THE COMPANY, ODEON HOLDCO AND EACH OTHER GUARANTOR EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. AMC, Holdings, the Company, Odeon Holdco and each other Guarantor expressly agrees (to the fullest extent it may lawfully do so) that: (A) the foregoing premium is reasonable and is the product of an arm's-length transaction between sophisticated business entities ably represented by counsel; (B) the foregoing premium shall be payable under the circumstances described herein notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between Holders and such Person giving specific consideration in this transaction for such agreement to pay the foregoing premium; (D) such Person shall be estopped hereafter from claiming differently than as agreed to in this paragraph; and (E) such Person shall not challenge or question, or support any other Person in challenging or questioning, the validity or enforceability of the Early Acceleration Premium under the circumstances described herein, and such Person shall be estopped from raising or relying on any judicial decision or ruling questioning the validity or enforceability of any prepayment fee similar or comparable to the Early Acceleration Premium. AMC, Holdings, the Company, Odeon Holdco and each other Guarantor expressly acknowledges that its agreement to pay or guarantee the premium to Holders as herein described are individually and collectively a material inducement to Holders to purchase the Notes and that such premium to Holders shall be deemed to be earned on the Issue Date.

Section 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Section 6.04 Waiver of Past Defaults. Subject to Section 6.02, the Required Holders voting together as a single class by notice to the Trustee may waive an existing Default and its consequences under this Indenture and the Security Documents, except (a) a Default in the payment of the principal of or interest on a Note held by a non-consenting Holder, (b) a Default arising from a failure to offer to repurchase the Notes on the Fundamental Change Repurchase Date in accordance with the provisions of Section 3.10, or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

Section 6.05 Control by Majority. Subject to any Applicable Intercreditor Agreement, the Required Holders voting together as a single class may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or Notes Collateral Agent with respect to the Notes. However, the Trustee or the Notes Collateral Agent, as applicable may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee or Notes Collateral Agent, as applicable, determines is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent, as applicable in personal liability. Prior to taking any action hereunder, the Trustee and/or Notes Collateral Agent shall be entitled to reasonable indemnification, in its sole discretion, against all losses and expenses caused by taking or not taking such action.

Section 6.06 Limitation on Suits. Subject to any Applicable Intercreditor Agreement, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (a) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 30% in aggregate principal amount of the Notes then outstanding voting together as a single class shall have made a written request, and such Holder or Holders shall have offered, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) to be incurred in compliance with such request, to the Trustee to pursue such proceeding as trustee; and
- (c) the Trustee has failed to institute such proceeding and has not received from the Required Holders a direction inconsistent with such request, within sixty (60) days after such notice, request and offer.

The foregoing limitations on the pursuit of remedies by a Holder shall not apply to a suit instituted by a Holder of Notes for the enforcement of payment of the principal of or interest on such Notes on or after the applicable due date specified in such Note, or the Company's obligations to exchange any Notes pursuant to Article X on or after the respective due dates therefor provided in this Indenture and the Notes. A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcements of the payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, and to exchange the Notes for the consideration and in the manner specified in Article X, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07.

Section 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

Section 6.10 Priorities. Subject to any Applicable Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

FIRST: to the Trustee (acting in any capacity hereunder) and the Notes Collateral Agent, in each case for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, premium, if any, interest on, or any Exchange Consideration due upon exchange of, the Notes, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least fifteen (15) days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Notes.

Section 6.12 Waiver of Stay or Extension Laws. The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE VII.
TRUSTEE**

Section 7.01 Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.
- (b) Except during the continuance of an Event of Default:
- (i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting upon, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).
- (c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:
- (i) this clause (c) does not limit the effect of clause (b) of this Section 7.01;
 - (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and
 - (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.
- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.01.
- (e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.
- (f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

Section 7.02 Rights of Trustee. Subject to the provisions of Section 7.01:

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document. The Trustee may, however, in its discretion make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers.

(e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee, to the extent satisfactory to the Trustee, security or indemnity against the loss, liability or expense (including attorneys' fees) that might be incurred by it in compliance with such request or direction.

(f) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The Trustee shall not be required to give a note, bond or surety in respect of the trusts and powers under this Indenture.

(i) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(j) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(k) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

(l) None of the Trustee, Exchange Agent, Paying Agent nor Notes Collateral Agent shall have any liability or responsibility for any calculation hereunder or in connection with the Notes or for any data or other information used in any such calculation or determination hereunder, including, but not limited to in connection with any conversion or exchange of any Notes.

Section 7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliate with the same rights it would have if it were not Trustee. Any Paying Agent, Exchange Agent, Registrar or co-registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

Section 7.05 Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is known to a Trust Officer of the Trustee, the Trustee shall mail to each Holder notice of the Default or Event of Default within forty-five (45) days after it is known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default or Event of Default in payment of principal of or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06 Reports by Trustee to Holders. As promptly as practicable after each December 31 beginning with December 31, 2024, and in any event prior to March 31 in each year thereafter, the Trustee shall mail to each Holder a brief report dated as of March 31 each year that complies with TIA Section 313(a), if and to the extent required by such subsection. The Trustee shall also comply with TIA Sections 313(b) and 313(c).

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee whenever the Notes become listed on any stock exchange and of any delisting thereof.

Section 7.07 Compensation and Indemnity. The Company shall pay to the Trustee (acting in any capacity hereunder) and any predecessor Trustee from time to time such compensation for its services as shall from time to time be agreed to in writing by the Company and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee (acting in any capacity hereunder) upon request for all documented expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the documented compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company shall indemnify the Trustee (acting in any capacity hereunder) against any and all loss, liability or expense (including documented attorneys' fees) incurred by it in connection with the acceptance and administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expenses or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence. The Company need not pay for any settlement made by the Trustee without the Company's consent, such consent not to be unreasonably withheld. All rights, protections, indemnifications and releases from liability granted hereunder to the Trustee shall extend to it acting in any capacity hereunder and its officers, directors, employees, agents, successors and assigns.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Company's payment obligations pursuant to this Section shall survive the resignation or removal of the Trustee and the discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(e) or (f) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 7.08 Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Required Holders may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee by so notifying the resigning Trustee of its replacement. The Company shall remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns, is removed by the Company or by the Required Holders and such Holders do not reasonably promptly (but in any event, within thirty (30) days following such resignation or removal) appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee. In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated; any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force that it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a).

Section 7.11 Preferential Collection of Claims Against Company. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b): A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

**ARTICLE VIII.
DISCHARGE OF INDENTURE**

Section 8.01 Discharge of Liability on Notes; Defeasance.

(a) When (i) either (A) all outstanding Notes that have been authenticated (other than Notes replaced pursuant to Section 2.07 and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation or (B) all Notes under this Indenture that have not been delivered to the Trustee for cancellation have become due and payable, whether at the Maturity Date, upon redemption, a Soft Call Date or a Fundamental Change Repurchase Date or will become due and payable within one (1) year or have been called for redemption within one (1) year under arrangements satisfactory to the Trustee for the giving of notice of redemption pursuant to Article III or pursuant to a Soft Call Notice and the Company irrevocably deposits or causes to be deposited with the Trustee in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium and accrued interest to the Maturity Date, the applicable redemption date, the Soft Call Date or Fundamental Change Repurchase Date; (ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound; (iii) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Notes; and (iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes issued thereunder at the Maturity Date, the applicable redemption date, Soft Call Date or Fundamental Change Repurchase Date, as the case may be, then upon demand of the Company (accompanied by an Officer's Certificate and an Opinion of Counsel, at the cost and expense of the Company, to the Trustee stating that all conditions precedent specified herein relating to the satisfaction and discharge of this Indenture have been complied with) this Indenture shall cease to be of further effect with respect to the Notes and the Liens on the Collateral securing the Notes will be released.

(b) Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the satisfaction and discharge of those obligations that the Company terminates.

(c) Subject to Section 8.01(d) and Section 8.02, and solely to the extent that the Required Shareholder Approval has not been obtained, from and after the date that is six (6) months after the Interest Adjustment Date, the Company may, at its option, and at any time elect to (i) have the obligations of the Company discharged with respect to all outstanding Notes and the applicable Security Documents and all obligations of the Guarantors discharged with respect to their Guarantees, and have Liens on the Collateral securing the Notes released ("*legal defeasance option*") or (ii) its and the Guarantors' obligations under Sections 3.10, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.12, 4.13, 4.16, 4.17, 4.20, 4.22, 5.01(b), 5.01(d), 5.01(e), 5.01(f) and 5.01(g) and Articles IV-A and IV-B ("*covenant defeasance option*"). The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(c), (d), (e) (solely with respect to Subsidiaries of AMC), (f) (solely with respect to Subsidiaries of AMC), (g), (h), (i), (j) and (k).

(d) Notwithstanding clauses (a), (b) and (c) above, the Company's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, Article III, 4.01, 7.07, 7.08, 8.03, 8.04, 8.05 and 8.06 and Article X (and the Holder's rights to submit a Notice of Voluntary Exchange under Article III and exchange its Notes in accordance with Article X) shall survive until the Notes have been paid and/or exchanged in full. Thereafter, the Company's obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive.

Section 8.02 Conditions to Defeasance.

The Company may exercise its legal defeasance option or its covenant defeasance option only if:

- (a) The Required Shareholder Vote shall not have been obtained by AMC;
- (b) The Notes shall be optionally redeemable at such time pursuant to Section 6 of the Notes, subject to Section 8.01(c) above;

(c) The Company shall irrevocably have deposited or caused to be deposited, in each case, in trust with the Trustee (or another trustee satisfying the requirements of Section 7.10 who shall agree to comply with the provisions of this Article VIII applicable to it) as trust funds in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay and discharge and which shall be applied by the Trustee (or other qualifying trustee), without reinvestment, to pay the principal of (and premium, if any) and interest on the outstanding Notes on the Maturity Date (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; *provided* that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such Government Securities to said payments with respect to the Notes. Before such a deposit, the Company may give the Trustee, in accordance with Section 3.01 hereof, a notice of its election to redeem all of the outstanding Notes at a future date in accordance with Article III;

(d) unless only U.S. dollars shall have been so deposited, the Company delivers to the Trustee an Officer's Certificate expressing that the scheduled payments of such and interest on the deposited Government Securities *plus* any deposited money shall be sufficient, without reinvestment, to pay the principal, premium, if any, and interest when due on all outstanding Notes of such series to maturity or redemption, as the case may be;

(e) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(f) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such deposit and covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and covenant defeasance had not occurred;

(g) No Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit and defeasance;

(h) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this [Article VIII](#) have been complied with; and

(i) For the avoidance of doubt and notwithstanding anything herein to the contrary, this [Section 8.02](#) shall not apply following receipt of Required Shareholder Approval.

Section 8.03 Application of Trust Money. The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this [Article VIII](#). It shall apply the deposited money and the money from Government Securities, through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes subject to its customary procedures and those of any relevant depository.

Section 8.04 Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon written request any excess money or securities held by them upon payment of any amounts due to the Holders, or otherwise, hereunder.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two (2) years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

Section 8.05 Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee (acting in any capacity hereunder) against any tax, fee or other charge imposed on or assessed against deposited Government Securities, or the principal and interest received on such Government Securities, other than such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Section 8.06 Reinstatement. If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with this [Article VIII](#) by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this [Article VIII](#) until such time as the Trustee or Paying Agent is permitted to apply all such money or Government Securities in accordance with this [Article VIII](#); *provided, however*, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

**ARTICLE IX.

Section 9.01 Without Consent of Holders. The Company and AMC, Holdings and any other Guarantor (with respect to its Guarantee, this Indenture, the Intercreditor Agreements or the other Security Documents to which it is a party and excluding any amendment or supplement the sole purpose of which is to add an additional Guarantor), the Trustee and the Notes Collateral Agent, without the consent of any Holders, may amend the Notes, the Guarantees, this Indenture, any Intercreditor Agreement then in effect or the other Security Documents, for any of the following purposes:

Upon the request of the Company, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture or security documents or intercreditor agreements authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and/or the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or security documents or intercreditor agreements that affect its own rights, duties or immunities under this Indenture or otherwise.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. Except as set forth in Section 9.01(a), the failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.02 With Consent of Holders. The Company, AMC, Holdings and the other Guarantors and the Trustee and the Notes Collateral Agent may modify or amend this Indenture, the Notes, any Guarantee, any Applicable Intercreditor Agreement and the other Security Documents and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, any Guarantee, any Applicable Intercreditor Agreement or any other Security Document may be waived, in each case, with the consent of the Required Holders (including any consents or waivers obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes). However, without the consent of each Holder affected thereby (or, solely in the case of Section 9.02(f) below, the Required Supermajority Holders), a modification or amendment may not:

(a) change the Maturity Date of the principal of, or the time for, payment of any installment of interest on, any Notes, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof or otherwise as provided in this Indenture, or change the coin or currency in which the principal of any Notes or any premium or the interest thereon is payable;

(b) reduce the amount of, or change the coin or currency of, or impair the right to institute suit for the enforcement of the payment of, the Fundamental Change Repurchase Price;

(c) amend the contractual right expressly set forth in this Indenture (including Section 6.07) or any Note of any Holder to institute suit for the enforcement of any payment of principal of, premium, if any, or interest on such Note on or after the Stated Maturity or redemption date of any such Notes;

(d) reduce the percentage in principal amount of the outstanding Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture;

(e) modify any of the provisions of this Section 9.02 or Sections 6.04 and 6.05, except to increase the percentage of outstanding Notes the consent of whose Holders is required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note affected thereby;

(f) (i) amend or modify any term or provision within the Exchangeable Notes Documents to permit the issuance or incurrence of any Indebtedness for borrowed money (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money) with respect to which (A) the Liens on all or substantially all of the Collateral securing the Exchangeable Notes Obligations would be subordinated or (B) all or any portion of the Exchangeable Notes Obligations would be subordinated in right of payment (including by means of a “waterfall” provision), except for (1) any “debtor-in-possession” facility (or similar financing under applicable law) or (2) any other Indebtedness for borrowed money so long as a bona fide opportunity to participate in such Indebtedness is offered ratably to all adversely affected Holders on a no less than *pro rata* basis (other than with respect to customary backstop or similar fees and expense reimbursement) or (ii) make any change in any Security Document or the provisions in this Indenture or the other Exchangeable Notes Documents (A) modifying the application of proceeds of the Collateral, or releasing or having the effect of releasing the Liens on all or substantially all of the Collateral or (B) to release, or have the effect of releasing, all or substantially all of the value of the Guarantees;

(g) permit any transfer of intellectual property that is material to the business of the Muvico Group Entities by any Muvico Group Entity to AMC or any subsidiary of AMC (other than Holdings, the Company or any Subsidiary Guarantor) (except as provided in the Intercompany Agreements as in effect on the date hereof);

(h) modify any of the provisions of Section 2.14 or 3.07; or

(i) make any change that adversely affects the exchange rights of any Note (including with respect to any Voluntary Exchange or Exchange Adjustment Triggering Event) or modifies the consideration due in respect of an exchange of any Note, except as permitted by Sections 9.01(t) or (v).

Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee and/or the Notes Collateral Agent shall join with the Company in the execution of such amended or supplemental indenture or security documents or intercreditor agreements (or any joinder with respect to any of the foregoing) upon the receipt of an Officer’s Certificate and Opinion of Counsel stating that such execution and delivery is permitted by the Indenture and all conditions precedent relating to such execution and delivery have been satisfied, unless such amended or supplemental indenture or security documents or intercreditor agreements directly affect the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

In addition, Holders will be deemed to have consented for purposes of the Security Documents and the Intercreditor Agreements, and the Notes Collateral Agent and the Trustee will be authorized, to amend or supplement the Security Documents or enter into a new intercreditor agreement to add additional secured parties to the extent Liens securing Indebtedness and other Obligations held by such parties are permitted under this Indenture. In executing any such amendment, supplement, joinder, consent or waiver to Intercreditor Agreements or other Security Document or in entering into a new intercreditor agreement or Security Document, the Trustee and Notes Collateral Agent shall be entitled to receive and (subject to their duties set forth in this Indenture) shall be fully protected in relying upon an Officer’s Certificate and Opinion of Counsel stating that the execution of such amendment, supplement, joinder, consent or waiver or new agreement is authorized or permitted by such Intercreditor Agreement and/or other Security Document, as the case may be, and complies with the provisions thereof and of this Indenture. Notwithstanding anything in this Indenture to the contrary, no opinion of counsel shall be required in connection with the execution by the Trustee or Notes Collateral Agent of any such amendment, supplement, joinder, consent waiver or other modification to any Intercreditor Agreement and/or the other Security Documents or the entering into of a new intercreditor agreement or Security Document.

After an amendment under this Section becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

Section 9.03 Actions Taken by Initial Holders. In the case of any consent, waiver or other action to be taken by a Holder with respect to Notes beneficially owned by an Initial Holder, the Company and the Trustee, in their respective sole discretion, upon evidence satisfactory to each that such Notes are beneficially owned by such Initial Holder, may accept any consent, waiver or other action taken by such Initial Holder with respect to Notes it beneficially owns as having been provided or performed by the Holder thereof.

Section 9.04 Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. Such record date shall be a date not more than thirty (30) days prior to the first solicitation of Holders generally in connection therewith and no later than the date such solicitation is completed. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than one hundred eighty (180) days after such record date.

For all purposes of this Indenture, all Notes shall vote together as one series of Notes under this Indenture.

Section 9.05 Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver such Note to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return such Note to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

Section 9.06 Trustee To Sign Amendments. The Trustee and the Notes Collateral Agent shall sign any amendment authorized pursuant to this Article IX if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it, in its sole discretion, and to receive, in addition to the documents required by Section 13.04 and (subject to Section 7.01) shall be fully protected in relying upon and shall be entitled to receive, an Officer's Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture.

ARTICLE X. EXCHANGE OF NOTES

Section 10.01 Exchange Privilege.

(a) Subject to the conditions and upon compliance with the provisions of this Article X, each Holder shall have the right, at such Holder's option, to exchange all or any portion (if the portion to be exchanged is \$1.00 principal amount or an integral multiple thereof) of its Notes with the Company at any time during the period commencing on the Exchangeability Effective Date and ending at the Close of Business on the second Trading Day immediately preceding the final maturity date of the Notes (a "*Voluntary Exchange*").

(b) Upon exchange of Notes, such Holder shall be entitled to receive from the Company the amounts and types of consideration due upon exchange specified in this Article X based on the applicable Exchange Rate then in effect and the principal amount of and (subject to Section 10.03) accrued and unpaid interest, if any, on the Notes being exchanged on the applicable Exchange Date. The Exchange Rate in effect at any time shall be subject to adjustment in the manner set forth herein.

(c) The Company shall deliver to the Trustee on or prior to the fifth calendar day immediately prior to the expected Exchangeability Effective Date, as determined by the Company in good faith, a written notice stating the expected Exchangeability Effective Date.

Section 10.02 Exercise of Exchange Privilege.

(a) Before any Holder of a Note shall be entitled to exchange such Note or any portion thereof having a principal amount of \$1.00 or an integral multiple thereof pursuant to Section 10.01, such Holder shall complete and execute (including electronically) and deliver (email being sufficient if delivered to the email addresses set forth in Section 13.02) a properly completed and irrevocable written notice to the Company and to the Exchange Agent in the Form of Notice of Exchange set forth in Exhibit G hereto (a “*Notice of Voluntary Exchange*”; the date such notice is delivered to the Company and to the Exchange Agent prior to the Close of Business on such date, a “*Voluntary Exchange Notice Date*”); *provided that*:

(i) in the case of Notes represented by a Global Note, such Holder shall also (A) be required to surrender such Notes for exchange by transferring such Notes to the Exchange Agent through the facilities of DTC and comply with the applicable exchange procedures of DTC in effect at that time, including furnishing appropriate endorsements, and transfer documents if required by the Company or the Exchange Agent, (B) if required, pay all transfer or similar taxes, if any, as set forth in Section 10.10, and (C) if required, pay funds to the Company equal to the excess accrued interest paid to such Holder as set forth in Section 10.03(f); and

(ii) in the case of a Definitive Note, such Holder shall also (A) be required to surrender such Notes, duly endorsed to the Company or in blank (and, if required, accompanied by appropriate endorsements and transfer documents), at the office of the Exchange Agent, (B) if required, pay all transfer or similar taxes, if any, as set forth in Section 10.10, and (C) if required, pay funds to the Company equal to the excess accrued interest paid to such Holder as set forth in Section 10.03(f).

(b) [*reserved*].

(c) If a Holder of a Note has submitted such Note for repurchase upon an Offer to Purchase in accordance with this Indenture, such Holder may not surrender such Note for exchange until the Holder validly withdraws its election prior to the consummation of such Offer to Purchase in accordance with the terms thereof. For the avoidance of doubt, any Notes submitted for repurchase pursuant to an Offer to Purchase and not validly withdrawn by the Holder and not repurchased pursuant to the Offer to Purchase may be submitted for exchange in accordance with this Article X following the applicable consummation of such Offer to Purchase.

Section 10.03 Settlement of Exchange Privilege.

(a) Within two (2) Business Days following any Voluntary Exchange Notice Date, the Company shall deliver a written notice (electronically) to the applicable exchanging Holder at the last email address provided by such Holder to the Company providing notice of (a “*Voluntary Exchange Settlement Notice*”), with a copy to the Exchange Agent:

(i) the date on which the applicable consideration in respect of such Voluntary Exchange shall be delivered (which date shall be the first Business Day immediately following the later of (A) the date of the Voluntary Exchange Settlement Notice and (B) the date on which such Holder completes any applicable requirements set forth in Section 10.02(a) or otherwise reasonably required by the Exchange Agent, each, an “*Exchange Date*”),

(ii) specifying the Exchange Rate in effect at the time of such Voluntary Exchange,

(iii) specifying the amount of consideration (expressed as a number of shares of Common Stock and dollar figure, if applicable) to be received in respect of such Voluntary Exchange (including, (1) whether accrued and unpaid interest on the Notes being exchanged shall be settled in shares of Common Stock or in cash and (2) the amount and form of the Exchange Adjustment Consideration).

(b) If the Company does not timely deliver a Voluntary Exchange Settlement Notice in accordance with Section 10.03(a), or fails to elect a settlement method with respect to any accrued and unpaid interest, if any, on the Notes being exchanged, then (i) the Company shall be deemed to have delivered such Voluntary Exchange Settlement Notice and elected to settle such accrued and unpaid interest in shares of Common Stock and (ii) the Exchange Date for such Voluntary Exchange shall be the third Business Day following such Voluntary Exchange Notice Date (and, for the avoidance of doubt, the Company's failure to timely make such delivery and election will not constitute a Default or Event of Default).

(c) The number of shares of Common Stock and amount of cash, if any, that the Company is required to pay or deliver (or cause to be paid or delivered), as the case may be, in respect of any exchange of Notes pursuant to a Voluntary Exchange (the "*Exchange Consideration*") shall be computed as follows:

(i) if the Company elects to satisfy the Company's exchange obligations with respect to any accrued and unpaid interest on the Notes subject to such Voluntary Exchange through shares of Common Stock, the Company shall deliver (or cause to be delivered) to the exchanging Holder in respect of the amount of the Notes being exchanged, a whole number of shares of Common Stock equal to the product of: (A) 1/1000, (B) the principal amount of Notes subject to such exchange *plus* any accrued and unpaid interest thereon to, but excluding, the Exchange Date, and (C) the Exchange Rate; and

(ii) if the Company elects to satisfy the Company's exchange obligations with respect to any accrued and unpaid interest on the Notes subject to such Voluntary Exchange in cash, the Company shall deliver and pay (or cause to be delivered and paid) to the exchanging Holder (1) in respect of the principal amount of the Notes being exchanged, a whole number of shares of Common Stock equal to the product of: (A) 1/1000, (B) the principal amount of Notes subject to such exchange, and (C) the Exchange Rate, and (2) cash equal to the amount of accrued and unpaid interest thereon, to, but excluding, the Exchange Date.

(d) Delivery or payment, as the case may be, of the Exchange Consideration due upon exchange in accordance with this Section 10.03 shall occur on the Exchange Date.

(e) Each exchange shall be deemed to have been effected immediately preceding the Close of Business on the relevant Exchange Date; *provided, however*, that the Person in whose name any shares of Common Stock shall be issuable upon such exchange shall be treated as the holder of record of such shares as of the Close of Business on the Exchange Date. Upon an exchange of any Notes, and without prejudice to such Holder's right to any payment under Section 10.04(b) and under the last sentence thereof, such person will no longer be a Holder of such Notes surrendered for exchange.

(f) Notwithstanding the foregoing, if a Holder exchanges its Notes pursuant to a Voluntary Exchange such that the Exchange Date therefor is after the Close of Business on a record date but prior to the Open of Business on the immediately following Interest Payment Date, to the extent the Holder of such Notes at the Close of Business on such record date receives the interest payable on such Notes on the corresponding Interest Payment Date notwithstanding such exchange, then for purposes of the definition of “Exchange Consideration” when used with respect to such Notes, accrued and unpaid interest on such Notes shall be deemed paid and no increase to the Exchange Consideration shall be made and the Holder may be required to reimburse the Company in cash for any excess accrued interest paid in respect of the period between the Exchange Date and the next Interest Payment Date.

(g) If any Note is submitted for exchange to the Exchange Agent or the Exchange Agent receives any Notice of Voluntary Exchange with respect to a Note, then the Exchange Agent will promptly (and, in any event, within two (2) Business Days following any Voluntary Exchange Notice Date) notify the Company and the Trustee of such occurrence, together with any other information reasonably requested by the Company or Exchange Agent, and will cooperate with the Company to determine the Exchange Date for such Note in accordance with the definition thereof.

(h) In the absence of alternative arrangements, including pursuant to applicable registration rights, shares of Common Stock will be delivered in registered book-entry form on the transfer records of AMC’s transfer agent with any applicable private placement legend.

Section 10.04 Exchange Adjustment Consideration.

(a) In the event of an Exchange Adjustment Triggering Event as a result of a Voluntary Exchange, the Company shall, at its option, deliver or pay (or cause to be delivered or paid), as applicable, to the applicable exchanging Holder, in addition to the Exchange Consideration, the applicable Exchange Adjustment Consideration.

(b) The Exchange Adjustment Consideration due in respect of any Voluntary Exchange shall be due and payable on the applicable Exchange Date; *provided* that any Cash Exchange Adjustment Consideration (including if due as part of Combination Exchange Adjustment Consideration) paid in connection with a Voluntary Exchange shall be paid (or caused to be paid, including through the Company’s designated Paying Agent, with prior written notice to such Paying Agent and any necessary direction and/or documentation the Paying Agent may reasonably require at such time) by the Company in twelve (12) equal installments over a twelve (12) month period (with the first monthly installment being paid on either the first or fifteenth day of the month immediately following the Exchange Date and each subsequent installment being paid on such date of each month thereafter) unless the Company in its sole discretion elects to pay the Cash Exchange Adjustment Consideration or any portion thereof earlier. For the avoidance of doubt, notwithstanding the Voluntary Exchange of any Notes and the settlement in respect thereof or anything else in this Indenture to the contrary, until the final installment of Cash Exchange Adjustment Consideration is paid (or caused to be paid, including through the Company’s designated Paying Agent) by the Company, such remaining Cash Exchange Adjustment Consideration shall constitute an Obligation hereunder secured by Liens on the Collateral with the same priority as the Liens securing the other Obligations hereunder.

Section 10.05 Fractions of Shares. The Company shall not issue any fractional share of Common Stock upon exchange of the Notes and shall instead round the number of shares of Common Stock delivered in lieu of any fractional share of Common Stock down to the nearest whole share. Neither the Trustee nor the Exchange Agent will have any duty to make any such computation.

Section 10.06 Adjustment of Exchange Rate. The Exchange Rate shall be adjusted, without duplication, from time to time by the Company (with notice to the Exchange Agent) as follows, except that the Exchange Rate shall not be adjusted if Holders of the Notes participate as specified in Section 10.06(q) below in any of the dividends or distributions described in this Section 10.06 (other than (x) a share split or share combination or (y) a tender or exchange offer), at the same time and upon the same terms as holders of shares of Common Stock and solely as a result of holding the Notes, without having to exchange their Notes as if they held a number of shares of Common Stock equal to the *product of* (i) the applicable Exchange Rate in effect immediately after the Close of Business on the date for determination of holders of Common Stock entitled to receive such distribution, *multiplied by* (ii) the *quotient of* (x) the aggregate principal amount of Notes held by such Holders at such time *divided by* (y) \$1,000 (any such dividend or distribution to the holders of Common Stock in which Holders of Notes participate, a “*Received Dividend*”):

(a) If AMC issues or otherwise distributes shares of Common Stock exclusively as a dividend or distribution to all or substantially all holders of the shares of Common Stock (other than any Received Dividend), or if AMC effects a share split or share combination of the Common Stock (in each case, excluding an issuance solely pursuant to a Merger Event, as to which Section 10.12 will apply), the Exchange Rate shall be adjusted based on the following formula:

$$ER^1 = ER^0 \times \frac{OS^1}{OS^0}$$

where,

ER^0 = the Exchange Rate in effect immediately preceding the Open of Business on the “ex” date of such dividend or distribution, or immediately preceding the Open of Business on the effective date of such share split or share combination, as the case may be;

ER^1 = the new Exchange Rate in effect immediately after the Open of Business on such “ex” date for such dividend or distribution, or immediately after the Open of Business on the effective date of such share split or share combination, as the case may be;

OS^0 = the number of shares of Common Stock outstanding immediately preceding to the Open of Business on such “ex” date or immediately preceding to the Open of Business on the effective date of such share split or share combination, as the case may be; and

OS^1 = the number of shares of Common Stock outstanding immediately after, and solely as a result of, giving effect to such dividend, distribution, share split or share combination.

Any adjustment made under this Section 10.06(a) shall become effective immediately after the Open of Business on the “ex” date for such dividend or distribution, or immediately after the Open of Business on the effective date for such share split or share combination, as applicable. If any dividend or distribution of the type described in this clause (a) is announced or declared but not so paid or made, the Exchange Rate shall be readjusted, effective as of the date the Board of Directors determines not to pay or make such dividend or distribution, to the Exchange Rate that would then be in effect if such dividend or distribution had not been announced or declared. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Exchange Rate, no adjustment to the Exchange Rate will be made (other than (i) as result of a reverse share split, share combination or equivalent action thereto or (ii) with respect to the readjustment of the Exchange Rate as described in the immediately preceding sentence).

For purposes of this Section 10.06 and Section 10.07, “*effective date*” means the first date on which shares of Common Stock trade on the applicable exchange or in the applicable market, regular way, reflecting the relevant share split or share combination, as applicable.

(b) If AMC distributes to all or substantially all holders of shares of Common Stock any rights, options or warrants (other than pursuant to a shareholder rights plan, as to which Section 10.06(i) will apply) entitling them for a period of not more than forty-five (45) days from the record date of such distribution to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices of the shares of Common Stock on the ten (10) consecutive Trading Days immediately preceding the date that such distribution was first publicly announced (other than any Received Dividend), the Exchange Rate shall be increased based on the following formula:

$$ER^1 = ER^0 \times \frac{OS^0 + X}{OS^0 + Y}$$

where,

ER^0 = the Exchange Rate in effect immediately preceding the Open of Business on the “ex” date for such distribution;

ER^1 = the new Exchange Rate in effect immediately after the Open of Business on the “ex” date for such distribution;

OS^0 = the number of shares of Common Stock outstanding immediately preceding the Open of Business on the “ex” date for such distribution;

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and

Y = the number of shares of Common Stock equal to the *quotient of* (x) the aggregate price payable to exercise such rights, options or warrants, *divided by* (y) the average of the Last Reported Sale Prices of the shares of Common Stock over the ten (10) consecutive Trading Day period ending on (and including) the Trading Day immediately preceding the date “ex” date for such distribution.

Any increase in the Exchange Rate made under this Section 10.06(b) shall become effective immediately after the Open of Business on the “ex” date for such distribution.

For purposes of this Section 10.06(b), in determining whether any rights, options or warrants entitle the holders to subscribe for or purchase shares of Common Stock at a price less than such average of Last Reported Sale Prices of the shares of Common Stock, and in determining the aggregate exercise price payable for such shares of Common Stock, there shall be taken into account any consideration received by AMC for such rights, options or warrants and any amount payable on exercise or conversion thereof, with the value of such consideration, if other than cash, to be determined by the Board of Directors. To the extent that any such rights, options or warrants are not exercised or converted prior to the expiration of the exercisability or convertibility thereof, the new Exchange Rate shall be decreased, effective as of the time of such expiration, to the Exchange Rate that would then be in effect if such rights, options or warrants had not been so distributed. If any such dividend or distribution in this clause (b) is announced or declared but not paid or made, the new Exchange Rate shall be decreased, effective as of the date the Board of Directors determines not to make or pay such dividend or distribution, to be the Exchange Rate that would then be in effect if such dividend or distribution had not been announced or declared. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Exchange Rate, no adjustment to the Exchange Rate will be made (other than with respect to the readjustment of the Exchange Rate as described in the two immediately preceding sentences).

(c) If AMC distributes shares of the Company’s Capital Stock, evidences of AMC’s indebtedness, other assets or property of AMC or rights, options or warrants to acquire its Capital Stock or other securities to all or substantially all holders of shares of Common Stock, excluding:

- (i) dividends or distributions of shares, or of rights, options or warrants to purchase or subscribe for shares, of Common Stock as to which the provisions of Section 10.06(a) or Section 10.06(b), as applicable, shall apply;
- (ii) dividends or distributions paid exclusively in cash as to which the provisions of Section 10.06(d) shall apply;
- (iii) dividends or distributions of Reference Property solely pursuant to a Merger Event, as to which the provisions of Section 10.12 shall apply;
- (iv) any distribution constituting a Received Dividend;
- (v) rights issued or otherwise distributed pursuant to a shareholder rights or similar plan, except to the extent provided in Section 10.01(i);

(vi) a distribution solely pursuant to a tender offer or exchange offer for shares of Common Stock, as to which the provisions of Section 10.06(e) shall apply; and

(vii) Spin-Offs as to which the provisions set forth below in this Section 10.06(c) shall apply,

(any of such shares of Capital Stock, evidences of indebtedness, other assets or property or rights, options or warrants, the “*Distributed Property*”), then the Exchange Rate shall be increased based on the following formula:

$$ER^1 = ER^0 \times \frac{SP^0}{SP^0 - FMV}$$

where,

ER^0 = the Exchange Rate in effect immediately preceding the Open of Business on the “ex” date for such distribution;

ER^1 = the new Exchange Rate in effect immediately after the Open of Business on the “ex” date for such distribution;

SP^0 = the average of the Last Reported Sale Prices of the shares of Common Stock over the ten (10) consecutive Trading Day period ending on (and including) the Trading Day immediately preceding the “ex” date for such distribution; and

FMV = the fair market value (as determined by the Board of Directors in good faith) of the Distributed Property with respect to each outstanding share of Common Stock on the “ex” date for such distribution.

Any increase made under the portion of this Section 10.06(c) set forth above shall become effective immediately after the Open of Business on the “ex” date for such distribution.

Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “ SP^0 ” (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, at the same time and upon the same terms as holders of shares of Common Stock and solely as a result of holding such Note, without having to exchange such Note, the amount and kind of Distributed Property that such Holder would have received if such Holder had held a number of shares of Common Stock equal to the *product of* (i) the Exchange Rate in effect immediately after the Close of Business on the date for determination of holders of Common Stock entitled to receive such distribution *multiplied by* (ii) the *quotient of* (x) the aggregate principal amount of such Note *divided by* (y) \$1,000, and Section 10.06(q) shall apply to such distribution as if such distribution were a Received Dividend. If the Board of Directors determines the “FMV” (as defined above) of any distribution for purposes of this Section 10.06(c) by reference to the actual or when-issued trading market for any securities, it shall in doing so consider the prices in such market over the same period used in computing the average of Last Reported Sale Prices of the shares of Common Stock over the ten (10) consecutive Trading Day period ending on (and including) the Trading Day immediately preceding the “ex” date for such distribution. If any such distribution described in this Section 10.06(c) is declared or announced but not paid or made, the new Exchange Rate shall be decreased, effective as of the date the Board of Directors determines not to make or pay such distribution, to be the Exchange Rate that would then be in effect if such distribution had not been declared or announced. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Exchange Rate, no adjustment to the Exchange Rate will be made (other than with respect to the readjustment of the Exchange Rate as described in the immediately preceding sentence).

With respect to an adjustment pursuant to this Section 10.06(g) where there has been a payment of a dividend or other distribution on the shares of Common Stock of shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of AMC (other than solely pursuant to a Merger Event, as to which Section 10.12 shall apply, or a tender offer or exchange offer for shares of Common Stock, as to which Section 10.06(g) shall apply), that are, or, when issued, will be, listed or admitted for trading on a U.S. national securities exchange (a “*Spin-Off*”), the Exchange Rate shall be increased based on the following formula:

$$ER^1 = ER^0 \times \frac{FMV + MP^0}{MP^0}$$

where,

ER^0 = the Exchange Rate in effect immediately preceding the Close of Business on the last Trading Day of the Valuation Period;

ER^1 = the new Exchange Rate in effect immediately after the Close of Business on the last Trading Day of the Valuation Period;

FMV = the product of (x) the average of the Last Reported Sale Prices per share or unit of the Capital Stock or similar equity interest distributed in such Spin-Off (determined by reference to the definition of “Last Reported Sale Price” as set forth in Section 1.01 of this Indenture as if references therein to shares of Common Stock were to such Capital Stock or similar equity interest) over the ten (10) consecutive Trading Day period commencing on (and including) the “ex” date of the Spin-Off (such period, the “*Valuation Period*”) and (y) the number of shares or units of such Capital Stock or similar equity interests distributed per share of Common Stock in such distribution; and

MP^0 = the average of the Last Reported Sale Prices of the shares of Common Stock over the Valuation Period.

The increase to the Exchange Rate under the preceding paragraph shall be determined on the last Trading Day of the Valuation Period; *provided, however*, that in respect of any exchange of Notes, if the relevant Exchange Date occurs during the Valuation Period, in determining the Exchange Rate, references in the preceding paragraph with respect to ten (10) consecutive Trading Days shall be deemed to be replaced with such lesser number of consecutive Trading Days as have elapsed from (and including) the “ex” date of such Spin-Off to (but excluding) such Exchange Date.

If any such distribution described in this Section 10.06(c) is declared or announced but not paid or made, the new Exchange Rate shall be readjusted, effective as of the date the Board of Directors determines not to make or pay such distribution, to be the Exchange Rate that would then be in effect if such distribution had not been declared or announced. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Exchange Rate, no adjustment to the Exchange Rate will be made (other than with respect to the readjustment of the Exchange Rate as described in the immediately preceding sentence).

For purposes of this Section 10.06(c) (and subject in all respects to Section 10.06(i)), rights, options or warrants distributed by AMC to all holders of shares of Common Stock entitling them to subscribe for or purchase shares of AMC's Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of specified event or events ("*Trigger Event*"): (i) are deemed to be transferred with such shares of the Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this Section 10.06(c) (and no adjustment to the Exchange Rate under this Section 10.06(c) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Exchange Rate shall be made under this Section 10.06(c). If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and "ex" date with respect to new rights, options or warrants with such rights, options (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other such event (of the type described in the immediately preceding sentence) with respect thereto that was deemed to effect a distribution of rights, options or warrants, in each case for which an adjustment to the Exchange Rate under this Section 10.06(c) was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (x) the Exchange Rate shall be readjusted as if such rights, options or warrants had not been issued and (y) the Exchange Rate shall then again be readjusted, effective as of the date of such final redemption or purchase, to give effect to such distribution, deemed distribution or Trigger Event or other such event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of shares of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of shares of Common Stock as of the date of such redemption or purchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Exchange Rate shall be readjusted, effective as of such expiration or termination date, as if such rights, options and warrants had not been issued.

For purposes of Section 10.06(a), Section 10.06(b), Section 10.06(d) and this Section 10.06(c), if any dividend or distribution to which this Section 10.06(c) or Section 10.06(d) is applicable (other than a Spin-Off) has the same “ex” date as one or both of:

- (A) a dividend or distribution of shares of Common Stock to which Section 10.06(a) is applicable (the “*Clause A Distribution*”); or
- (B) a dividend or distribution of rights, options or warrants to which Section 10.06(b) is applicable (the “*Clause B Distribution*”),

then, in either case, (1) such dividend or distribution, other than the Clause A Distribution and the Clause B Distribution, shall be deemed to be a dividend or distribution to which this Section 10.06(c) or Section 10.06(d), as the case may be, is applicable (the “*Clause C or D Distribution*”) and any Exchange Rate adjustment required by this Section 10.06(c) or Section 10.06(d), as the case may be, with respect to such Clause C or D Distribution shall first be made, and (2) the “ex” date for the Clause B Distribution, if any, shall be deemed to immediately follow the “ex” date for the Clause C or D Distribution and any Exchange Rate adjustment required by Section 10.06(b) with respect to the Clause B Distribution shall then be made immediately after the adjustment pursuant to clause (1), except that, if determined by the Company, any shares of Common Stock that become outstanding as a result of the Clause A Distribution or the Clause B Distribution shall not be deemed to be “outstanding immediately preceding the Open of Business on the “ex” date” within the meaning of Section 10.06(b), and (3) the “ex” date for the Clause A Distribution, if any, shall be deemed to immediately follow the “ex” date for the Clause C or D Distribution or the Clause B Distribution, as the case may be, and any Exchange Rate adjustment required by Section 10.06(a) with respect to the Clause A Distribution shall then be made immediately after the adjustments pursuant to clauses (1) and (2), except that, if determined by the Company, any shares of Common Stock that become outstanding as a result of the Clause A Distribution shall not be deemed to be “outstanding immediately preceding the Open of Business on such “ex” date” within the meaning of Section 10.06(a).

(d) If AMC distributes any cash dividend or distribution to all or substantially all holders of shares of Common Stock (other than (i) any distribution of Reference Property pursuant to a Merger Event specified in Section 10.12 and (ii) any Received Dividend), the Exchange Rate shall be adjusted based on the following formula:

$$ER' = ER^0 \times \frac{SP^0}{SP^0 - C}$$

where,

ER^0 = the Exchange Rate in effect immediately preceding the Open of Business on the “ex” date for such dividend or distribution;

ER' = the new Exchange Rate in effect immediately after the Open of Business on the “ex” date for such dividend or distribution;

SP^0 = the average of the Last Reported Sale Prices of the shares of Common Stock over the ten (10) consecutive Trading Day period ending on (and including) the Trading Day immediately preceding the “ex” date for such dividend or distribution;

C = the amount of such cash dividend or distribution the Company distributes on account of one share of Common Stock.

Any increase in the Exchange Rate made under this Section 10.06(d) shall become effective immediately after the Open of Business on the “ex” date for such dividend or distribution. Notwithstanding the foregoing, if “C” (as defined above) is equal to or greater than “ SP^0 ” (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, at the same time and upon the same terms as holders of shares of Common Stock and solely as a result of holding Notes, without having to exchange such Note, the amount of cash that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the *product of* (i) the Exchange Rate in effect on the “ex” date for such cash dividend or distribution *multiplied by* (ii) the *quotient of* (x) the aggregate principal amount of such Note *divided by* (y) \$1,000, and Section 10.06(a) shall apply to such dividend or distribution as if such dividend or distribution were a Received Dividend. If any dividend or distribution described in this Section 10.06(d) is announced or declared but not so paid or made, the new Exchange Rate shall be readjusted, effective as of the date the Board of Directors determines not to make or pay such dividend or distribution, to be the Exchange Rate that would then be in effect if such dividend or distribution had not been announced or declared. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Exchange Rate, no adjustment to the Exchange Rate will be made (other than with respect to the readjustment of the Exchange Rate as described in the immediately preceding sentence).

(e) If AMC or any of its Subsidiaries makes a payment in respect of a tender or exchange offer for shares of Common Stock (including, for the avoidance of doubt, in the case of a reverse split off) that is subject to the then applicable tender offer rules under the Exchange Act (other than open market repurchases or an odd-lot tender offer), to the extent that the cash and value of any other consideration included in the payment per share of Common Stock exceeds the average of the Last Reported Sale Prices of the shares of Common Stock over the ten (10) consecutive Trading Days commencing on (and including) the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Exchange Rate shall be increased based on the following formula:

$$ER^1 = ER^0 \times \frac{AC + (SP^1 \times OS^1)}{OS^0 \times SP^1}$$

where,

- ER^0 = the Exchange Rate in effect immediately preceding the Close of Business on the tenth Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- ER^1 = the new Exchange Rate in effect immediately after the Close of Business on the tenth Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors in good faith) paid or payable for shares of Common Stock purchased in such tender or exchange offer;
- OS^0 = the number of shares of Common Stock outstanding immediately preceding the date such tender or exchange offer expires (prior to giving effect to the purchase of any shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);
- OS^1 = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange pursuant to such tender or exchange offer); and
- SP^1 = the average of the Last Reported Sale Prices of the shares of Common Stock over the ten (10) consecutive Trading Day period commencing on (and including) the Trading Day next succeeding the date such tender or exchange offer expires.

The increase in the Exchange Rate under this Section 10.06(e) shall be determined on the last Trading Day of such ten (10) consecutive Trading Day period but shall become effective and be given effect at the Close of Business on the tenth Trading Day immediately following (and including) the Trading Day next succeeding the date such tender or exchange offer expires; *provided, however*, that in respect of any exchange of Notes, if the relevant Exchange Date occurs within such ten (10) consecutive Trading Day period, in determining the Exchange Rate, references in the preceding paragraph with respect to ten (10) consecutive Trading Days shall be deemed replaced with such lesser number of consecutive Trading Days as have elapsed from (and including) the Trading Day next succeeding the expiration date of such tender or exchange offer to (but excluding) such Exchange Date.

If AMC or one of its Subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender or exchange offer but AMC or Subsidiary is ultimately prevented by applicable law from effecting all or any portion of such purchases or all such purchases are rescinded, the new Exchange Rate shall be decreased, effective as of the date the Board of Directors determines that applicable law so prevents, or rescinds, such purchases, to the Exchange Rate that would be in effect if such tender or exchange offer had not been made or had been made only in respect of such purchases that had been effected. For the avoidance of doubt, if the application of the formula in the preceding paragraph would result in a decrease in the Exchange Rate, no adjustment to the Exchange Rate will be made (other than with respect to the readjustment of the Exchange Rate as described in the immediately preceding sentence).

(f) [reserved].

(g) Notwithstanding this Section 10.06 or any other provision of this Indenture or the Notes, if an Exchange Rate adjustment becomes effective on any “ex” date as specified in Sections 10.06(a) through (g), and a Holder has exchanged its Note and the Exchange Date in respect of such exchange is on or after such “ex” date and on or prior to the related record date and such Holder would be treated as the record holder of shares of Common Stock as of the related Exchange Date pursuant to Section 10.03(e) based on an adjusted Exchange Rate otherwise becoming effective on such “ex” date, then, notwithstanding the foregoing Exchange Rate adjustment provisions, the Exchange Rate adjustment otherwise becoming effective on such “ex” date shall not be made for such exchanging Holder; and, instead, such Holder shall be treated as if such Holder were the record owner of the shares of Common Stock such Holder is entitled to receive upon exchange on an unadjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.

(h) Except as stated in this Indenture, the Company will not adjust the Exchange Rate for the issuance or acquisition of shares of Common Stock or any securities convertible into or exchangeable for shares of Common Stock or the right to purchase shares of Common Stock or such convertible or exchangeable securities. The applicable Exchange Rate will not be adjusted:

(i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on AMC’s securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(ii) upon the issuance of any shares of Common Stock or restricted stock units or rights (including shareholder appreciation rights) to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by AMC or any of its Subsidiaries;

(iii) upon the issuance of any shares of Common Stock pursuant to any right or warrant or exercisable, exchangeable or convertible security not described in this Section 10.06(h) and outstanding as of the Issue Date, including pursuant to the Permitted Transactions;

(iv) upon the repurchase of any shares of Common Stock pursuant to an odd lot tender offer or an open-market share repurchase program or other buy-back transaction that is not a tender offer or exchange offer of the nature described in Section 10.06(e);

(v) for a change solely in the par value of the shares of Common Stock; or

(vi) for accrued and unpaid interest, if any.

(i) If AMC adopts a shareholder rights plan, then upon exchange of the Notes, in addition to the consideration otherwise payable in connection with such exchange, Holders will receive from the Company a corresponding amount of rights consistent with the rights distributed by AMC to other holders of Common Stock under such rights plan, unless prior to any exchange, the shareholder rights plan expires or terminates or the rights have separated from the shares of Common Stock in accordance with such rights plan, in which case, and only in such case, the Exchange Rate will be adjusted at the time of separation as if AMC distributed, to all holders of shares of Common Stock, Distributed Property consisting of such rights as described in Section 10.06(c), subject to readjustment in the event of the expiration, termination or redemption of such rights.

(j) In addition to those adjustments required by clauses (a), (b), (c), (d) and (e) of this Section 10.06, and to the extent permitted by applicable law and applicable listing rules of any U.S. national securities exchange on which the shares of Common Stock are then listed, (i) the Company in its sole discretion from time to time may increase the Exchange Rate by any amount for a period of at least twenty (20) Business Days and (ii) the Company may also (but is not required to) increase the Exchange Rate to avoid or diminish any income tax to holders of shares of Common Stock or rights to purchase shares of Common Stock in connection with a dividend or distribution of shares of Common Stock (or rights to acquire shares of Common Stock) or similar event. Whenever the Exchange Rate is increased pursuant to either of the preceding two sentences, the Company shall deliver to the Holder of each Note at its last address appearing on the note register a notice of the increase at least fifteen (15) days prior to the date the increased Exchange Rate takes effect, and such notice shall state the increased Exchange Rate and the period during which it will be in effect.

(k) Adjustments to the Exchange Rate shall be calculated to the nearest one-ten thousandth (1/10,000) of a share.

(l) For purposes of this Section 10.06, (i) the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of AMC so long as AMC does not make or issue any dividend or distribution on shares of Common Stock held in the treasury of AMC but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock; and (ii) the dividend or distribution of any issued shares of Common Stock owned or held by or for the account of AMC shall be deemed a dividend or distribution of shares of Common Stock.

(m) For the avoidance of doubt, the closing of the Permitted Transactions shall not result in any adjustment of the Exchange Rate, or any other terms of the Notes except as set forth herein.

(n) Prior to the date for determination of holders of shares of Common Stock entitled to receive a distribution constituting a Received Dividend, the Company shall deliver a written notice to the Trustee that the Company intends to treat such distribution as a "Received Dividend" hereunder. If the Company shall have given such a notice to the Trustee of its intention to treat a distribution as a Received Dividend, the Company and AMC shall not permit any tender or exchange offer to which Section 10.06(e) applies to expire on, or on any day within the period of ten (10) Trading Days ending on (and including) the Trading Day next preceding, such date for determination.

(o) At the same time AMC makes a distribution constituting a Received Dividend to holders of Common Stock, the Company shall distribute, to each Person who was the Holder of a Note that was outstanding immediately after the Close of Business on the date for determination of holders of shares of Common Stock entitled to receive such distribution (whether or not such Note is outstanding on the date of such distribution), an amount equal to the amount of securities, cash or other assets that would have been receivable upon such distribution by a holder of the number of shares of Common Stock equal to the *product of* (i) the Exchange Rate in effect at such time *multiplied by* (ii) the *quotient of* (x) the aggregate principal amount of such Note *divided by* (y) \$1,000.

Section 10.07 Adjustments of Prices

. Whenever any provision of this Indenture requires the Company to calculate the Last Reported Sale Prices or the Daily VWAPs over a span of multiple days (including a Valuation Period), the Company shall make any adjustments to each that it reasonably determines in good faith to be appropriate to account for any adjustment to the Exchange Rate that becomes effective, or any event requiring an adjustment to the Exchange Rate (or changes to the market price per share of Common Stock resulting from any such event) where the “ex” date, effective date or expiration date, as the case may be, of the event occurs at any time during the period when such Last Reported Sale Prices or Daily VWAPs are to be calculated, without duplication of any adjustment made pursuant to Section 10.06.

Section 10.08 Notice of Adjustments of Exchange Rate

. Whenever the Exchange Rate is determined (including, for the avoidance of doubt, initially, in connection with the Exchangeability Effective Date) and/or subsequently adjusted as herein provided, the Company shall deliver to the Trustee (and the Exchange Agent if not the Trustee) an Officer’s Certificate setting forth the Exchange Rate, as adjusted, and describing in reasonable detail the facts upon which such adjustment (if any) is based and the date of effectiveness of such Exchange Rate (including the Exchangeability Effective Date). Such certificate shall promptly be filed with the Trustee and with the Exchange Agent (if other than the Trustee), and the Company shall also notify the Holders through the Trustee of the Exchange Rate, as adjusted, and describing in reasonable detail the facts upon which such adjustment is based. Failure to deliver any such certificate or notice shall not affect the validity of such adjustment.

Section 10.09 Certain Covenants.

The Company and AMC further agree:

(a) AMC shall at all times following receipt of the Required Shareholder Approval maintain authorized for issuance and available, out of its authorized but unissued shares of Common Stock or shares of Common Stock held in treasury that are not committed for any other purpose, free from preemptive rights, a number of shares of Common Stock equal to the number of shares of Common Stock required to settle all exchanges contemplated by this Indenture, including in respect of the Initial Notes and the full amount of Additional Notes issuable hereunder (including in each case, any PIK Notes or interest that has been paid in kind thereon, as applicable) and the full amount of Shares Exchange Adjustment Consideration that could be payable hereunder on such Notes (and interest that has been paid in kind thereon) if it were elected.

(b) AMC shall ensure at all times following receipt of the Required Shareholder Approval that all shares of Common Stock to be issued and delivered upon exchange of Notes have been duly authorized and validly issued and are fully paid and non-assessable, free of restrictions on transfer and free from all taxes, liens and charges with respect to the issue thereof (other than taxes payable by the Holder in respect of any issuance in a different name as specified in Section 10.10).

(c) If on the relevant Exchange Date the Common Stock is listed on any U.S. national securities exchange or automated quotation system, the Common Stock to be issued upon exchange of the Notes shall be listed on such exchange or automated quotation system.

(d) If any shares of Common Stock to be issued or delivered upon exchange of Notes hereunder require registration with or approval of any governmental authority under any federal or state law before such shares of Common Stock may be validly issued or delivered upon exchange, AMC has secured such registration or obtained such approval, as the case may be.

(e) In no event shall the Company initiate a Soft Call if any Common Stock constituting “Registrable Securities” to be delivered by the Company pursuant to an exchange in connection therewith are unable to be sold pursuant to an effective registration statement; *provided* that, the foregoing shall not apply with respect to Registrable Securities that are unable to be sold pursuant to an effective registration statement because the holder of such Registrable Securities has failed to provide on a timely basis information required to be included in such registration statement which the Company or AMC has reasonably requested in connection with the registration thereof.

Section 10.10 Taxes on Exchanges.

(a) The Company shall pay any and all documentary, stamp or similar issue or transfer taxes or duties payable solely in respect of the issuance or delivery of shares of Common Stock upon any exchange of Notes hereunder; *provided* that the Company shall not be required to pay any such tax or duty that is due because the exchanging Holder requests such shares or any portion of Notes not exchanged to be issued in a name other than such Holder’s name, in which case the Holder shall pay such tax and the Exchange Agent may refuse to deliver the certificates representing or effect a book-entry transfer through DTC for the shares of Common Stock being issued or such unexchanged Notes in a name other than the Holder’s name until the Trustee receives the amount of any such tax or duty or the Holder has established to the satisfaction of the Company that such tax or duty has been paid.

(b) Notwithstanding anything herein to the contrary, each of the Company, the Exchange Agent and any paying agent thereof that has a withholding obligation pursuant to the exchange of any Note (without duplication) shall be entitled to deduct and withhold from any amount payable hereunder such amounts as are required to be deducted and withheld with respect to the making of such payment under applicable tax law. Any amounts that are so deducted or withheld and paid over to the appropriate taxing authority shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction or withholding was made. To the extent that the amount so required under applicable tax law to be deducted or withheld from the payment of exchange consideration to an exchanging Holder exceeds the cash payments otherwise payable to such exchanging Holder, each of the Company, the Exchange Agent and any such paying agent thereof that has a withholding obligation pursuant to the exchange of any Note is hereby authorized to sell no more than such portion of the exchange consideration otherwise payable to the exchanging Holder as is necessary to provide sufficient funds to the Company or the Exchange Agent (or any such paying agent thereof that has a withholding obligation pursuant to the exchange of any Note), as the case may be, to enable it to comply with such deduction or withholding requirement and the Company, the Exchange Agent or any such paying agent thereof that has a withholding obligation pursuant to the exchange of any Note shall notify such exchanging Holder of such sale and remit (x) the applicable portion of the net proceeds of such sale to the appropriate taxing authority and (y) the remaining net proceeds of such sale (after deduction for the amounts described in clause (x)) to such exchanging Holder. Prior to making any deduction or withholding pursuant to this Section 10.10(b), the Company, the Exchange Agent or such paying agent thereof (as applicable) shall use commercially reasonable efforts to provide the exchanging Holder reasonable advance notice and an opportunity to provide any forms or certifications that would reduce or eliminate the potential deduction or withholding and shall cooperate with the exchanging Holder in good faith to reduce or eliminate any such deduction or withholding.

Section 10.11 Notice to Holders Prior to Certain Actions. In case of any:

- (a) action by the Company, AMC or one of their Subsidiaries that would require an adjustment to the Exchange Rate under Section 10.06; or
- (b) Merger Event; or
- (c) voluntary or involuntary dissolution, liquidation or winding-up of AMC, the Company or any of their subsidiaries,

then, in each case (unless notice of such event is otherwise required pursuant to another provision of this Indenture excluding, for the avoidance of doubt, Section 10.08), the Company shall cause to be filed with the Trustee and the Exchange Agent and to be sent to each Holder at such Holder's address appearing on the note register, as promptly as practicable but in any event at least five (5) Business Days prior to the applicable date specified in clause (x) or (y) below (or, if the date on which the Company first knows of the applicable date specified in clause (x) or (y) below is later than such applicable date, no more than five (5) Business Days after such date on which the Company first has such knowledge), or, in any such case, prior to such earlier time as notice thereof shall be required to be given pursuant to Rule 10b-17 under the Exchange Act, a notice stating (x) the date as of which the holders of record of shares of Common Stock are to be determined for the purpose of such action by AMC or one of its Subsidiaries or, in the case of a share split or share combination, the effective date of such share split or share combination or, in the case of a tender or exchange offer, the date on which such tender offer or exchange offer commences, or (y) the date on which such Merger Event, dissolution, liquidation or winding-up is expected to become effective or occur, and, if applicable, the date as of which it is expected that holders of record of shares of Common Stock shall be entitled to exchange their shares of Common Stock for securities or other property deliverable upon such Merger Event, dissolution, liquidation or winding-up. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such event or the operation of any provision herein consequent on or relating to such event.

If at any time the Company or AMC shall cancel any of the proposed transactions for which notice has been given under this Section 10.11 prior to the consummation hereof, the Company shall cause to be filed with the Trustee and the Exchange Agent and to be sent to each Holder at such Holder's address appearing on the note register, as promptly as practicable, notice of such cancellation.

Section 10.12 Provision in Case of Merger Event.

(a) In the event of:

- (i) any recapitalization, reclassification or change of the shares of Common Stock (other than a change only in par value or from par value to no par value or no par value to par value or solely as a result of a stock split or reverse stock split or subdivision or combination involving solely Common Stock that do not involve the issuance of any other series or class of securities);
- (ii) any consolidation, merger or combination involving AMC;
- (iii) any sale, lease or other transfer of the assets of AMC substantially as an entirety;
- (iv) any or binding statutory share exchange involving AMC; or
- (v) other similar event,

in each case, as a result of which the shares of Common Stock are converted into, or exchanged for, or represent solely the right to receive, stock, other securities, other property or assets (including cash) or any combination thereof (any such event, a "*Merger Event*"; and such stock, other securities and/or other property or assets (including cash), the "*Reference Property*"; with each "*unit of Reference Property*" meaning the kind and amount of Reference Property that a holder of one share of Common Stock would have owned or been entitled to receive on account of such Merger Event), then (x) from and after the effective time of such Merger Event, notwithstanding anything to the contrary in this Indenture or the Notes, the right to exchange each \$1,000 of Notes for a number of shares of Common Stock equal to the Exchange Rate will be determined in the same manner as if each reference to any number of shares of Common Stock in this Article X (or in any related definitions) were instead a reference to the same number of units of Reference Property and (y) at or prior to the effective time of such Merger Event, the Company, AMC, any other Person that is the surviving or transferee Person (if not AMC) of such Merger Event and (if applicable) any other issuer of securities constituting Reference Property, shall execute and deliver to the Trustee a supplemental indenture in accordance with Section 9.01 and this Section 10.12 providing for such change in the right to exchange each \$1,000 of Notes;

provided, however, that, at and after the effective time of such Merger Event (i) any amount payable in cash upon exchange of the Notes as set forth under this Article X will continue to be payable in cash, subject to the adjustments contained in this Section 10.12, (ii) *[reserved]*, (iii) the Daily VWAP of any unit of Reference Property or portion thereof that consists of a class of common equity securities will be determined by reference to the definition of “Daily VWAP”, substituting, if applicable, the Bloomberg page for such class of securities in such definition, (iv) the Daily VWAP of any unit of Reference Property or portion thereof that does not consist of a class of common equity securities, and the Last Reported Sale Price of any unit of Reference Property or portion thereof that does not consist of a class of common equity securities, will be the fair value of such unit of Reference Property or portion thereof, as applicable, determined in good faith by the Company (or, in the case of cash denominated in U.S. dollars, the face amount thereof) and (v) for purposes of the definition of “Fundamental Change” the term “Common Stock” and “common equity” will be deemed to mean the common equity (including depositary receipts representing common equity), if any, forming part of such Reference Property.

If the Merger Event causes a holder of Common Stock to own or receive more than a single type of consideration (determined based in part upon any form of shareholder election), then:

(1) the amount and type of Reference Property that a holder of shares of Common Stock would have owned or been entitled to receive in such Merger Event (and for which the Notes will be exchangeable) will be deemed to be the weighted average of the types and amounts of consideration actually owned or received by the holders of shares of Common Stock; and

(2) the unit of Reference Property shall refer to the consideration referred to in clause (1), attributable to one share of Common Stock.

The Company shall notify, in writing, the Holders, the Trustee and the Exchange Agent (if other than the Trustee) of the types and amounts of consideration (including such weighted average) comprising a unit of Reference Property as soon as practicable after such determination is made.

If the unit of Reference Property consists entirely of cash in such Merger Event, then for all exchanges for which the Exchange Date occurs after the effective date of such Merger Event:

(A) the consideration due upon exchange of Notes thereafter shall be paid solely in cash in an amount equal to the *product of* (i) the *quotient of* (x) the amount of the Notes being exchanged on the Exchange Date *divided by* (y) \$1,000, *multiplied by* (ii) the Exchange Rate in effect on the Exchange Date, *multiplied by* (iii) the amount of cash constituting the unit of Reference Property; and

(B) the Company shall satisfy the Company’s exchange obligation by paying cash to converting Holders on the second Business Day immediately following the Exchange Date.

Such supplemental indenture described in the first paragraph of this Section 10.12(a) shall provide for anti-dilution and other adjustments, in respect of the Reference Property, and covenants that the Board of Directors of AMC shall reasonably determine in good faith to be as nearly equivalent as is practicable to the adjustments and covenants provided for in this Article X in respect of Common Stock and otherwise preserve the economic interests of the Holders.

(b) When the Company executes and delivers a supplemental indenture pursuant to Section 10.12(a), the Company shall promptly (i) deliver to the Trustee an Officer's Certificate briefly stating the reasons therefor, the kind or amount of cash, securities or property or assets that will comprise a unit of Reference Property after any such Merger Event, any adjustment to be made with respect thereto and that all conditions precedent in this Indenture to such execution and delivery have been complied with, (ii) an Opinion of Counsel that all conditions precedent to the execution and delivery of such supplemental indenture have been complied with, and (iii) mail notice thereof to each Holder at its last address appearing on the note register or to DTC. The Company shall cause notice of the execution of such supplemental indenture to be mailed to each Holder, at its address appearing on the note register provided for in this Notes Indenture, within sixty (60) calendar days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

(c) Neither the Company nor AMC shall become a party to any Merger Event unless its terms are consistent with this Section 10.12. None of the foregoing provisions shall affect the right of a Holder to exchange its Notes into shares of Common Stock as set forth in Section 10.03 prior to the effective time of such Merger Event.

(d) The above provisions of this Section 10.12 shall similarly apply to successive Merger Events.

(e) Notwithstanding the Exchange Rate adjustment provisions described in Sections 10.06(a) through (g), no adjustment to the Exchange Rate shall be made pursuant to such provisions in the event of any dividend, distribution, share split, share combination or issuance upon a Merger Event to which the provisions under this Section 10.12 apply.

Section 10.13 No Voting or Dividend Rights.

Except as may be specifically provided for herein, until the exchange record date in respect of the exchange of such Note:

(a) no Holder of such Note shall have or exercise any rights by virtue hereof as a holder of shares of Common Stock, including, without limitation, the right to vote, to receive dividends and other distributions (other than Received Dividends) as a holder of shares of Common Stock or to receive notice of, or attend, meetings or any other proceedings of the holders of shares of Common Stock;

(b) the consent of any such Holder as a holder of Notes shall not be required with respect to any action or proceeding of AMC requiring the consent of holders of shares of Common Stock;

(c) no such Holder, by reason of the ownership or possession of such Note, shall have any right to receive any cash dividends, stock dividends, allotments or rights or other distributions (other than Received Dividends) paid, allotted or distributed or distributable to the holders of shares of Common Stock prior to, or for which the relevant record date preceded, the exchange record date in respect of the exchange of such Note; and

(d) no such Holder shall have any right not expressly conferred hereunder or by applicable law with respect to such Note held by such Holder.

For purposes of this Section 10.13, “*exchange record date*” means, in respect of the exchange of any Note, the date specified in Section 10.03(e) upon which the Person in whose name shares of Common Stock are issuable upon exchange of such Note shall be treated as the holder of record of such shares of Common Stock upon the exchange of such Note.

Section 10.14 No Responsibility of Trustee for Exchange Provisions.

(a) The Trustee and any Exchange Agent shall not at any time be under any duty or responsibility to determine, or be liable or accountable for any failure of the Company to determine (or the Company’s determination), or be deemed to make any representation as to,

(i) the Exchange Rate (or any adjustment thereto) or whether any facts exist that may require any adjustment (including any increase) of the Exchange Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or any information used in any calculation, adjustment or determination, or herein or in any supplemental indenture provided to be employed, in making the same;

(ii) the validity or value (or the type or amount) of any shares of Common Stock or cash or, after a Merger Event, Reference Property that may at any time be issued or delivered upon the exchange of any Note;

(iii) the correctness of any provisions contained in any supplemental indenture entered into pursuant to the first paragraph of Section 10.12(a) relating either to the type or amount of Reference Property receivable by Holders upon the exchange of their Notes after any Merger Event or to any adjustment to be made with respect thereto; or

(iv) the applicable Daily VWAP or Last Reported Sale Price.

(b) Neither the Trustee nor any other Exchange Agent shall at any time be under any duty or responsibility to cause AMC to, or be accountable for any failure of AMC to, issue, transfer or deliver any shares of Common Stock or cash or, after a Merger Event, Reference Property upon the surrender of any Note for the purpose of exchange or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article X.

Section 10.15 Beneficial Ownership Limitation.

(a) Notwithstanding anything to the contrary in this Indenture or the Notes, no shares of Common Stock will be issued or delivered upon exchange of any Note (and in the case of a Notice of Voluntary Exchange not in connection with a Soft Call, the Note will not be exchangeable) to the extent, and only to the extent, that such exchange would result in such Holder (together with its Affiliates and any Person whose beneficial ownership of Common Stock would be aggregated with that of the Holder for purposes of Section 13(d) of the Exchange Act and the applicable regulations of the SEC), or a “person” or “group” (within the meaning of Section 13(d)(3) of the Exchange Act) that includes such Holder, beneficially owning in excess of 9.99% of the outstanding shares of Common Stock immediately after giving effect to such exchange (the restrictions set forth in this sentence, the “*Ownership Limitation*”). Any election to exchange the Notes, including pursuant to a Notice of Voluntary Exchange, shall be deemed automatically not to have been so delivered with respect to such portion of Notes, and the Company shall have no obligation to deliver any Common Stock with respect to such exercise, to the extent that the delivery of such Common Stock or any other security otherwise deliverable upon such exercise would result in the Holder (together with its Affiliates and any Person whose beneficial ownership of Common Stock would be aggregated with that of the Holder for purposes of Section 13(d) of the Exchange Act and the applicable regulations of the SEC), or a “person” or “group” (within the meaning of Section 13(d)(3) of the Exchange Act) that includes such Holder, beneficially owning Common Stock in excess of the Ownership Limitation. For these purposes, beneficial ownership and calculations of percentage ownership will be determined in accordance with Section 13(d) of the Exchange Act and the applicable regulations of the SEC, including Rule 13d-3 under the Exchange Act. For purposes of determining the number of outstanding shares of Common Stock a Holder may acquire upon the exchange of such Notes without exceeding the Ownership Limitation, such Holder may rely on the number of outstanding shares of Common Stock as reflected in (x) AMC’s most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the SEC, as the case may be, (y) a more recent public announcement by AMC or (z) any other written notice by the Company or AMC setting forth the number of shares of Common Stock outstanding (the “*Reported Outstanding Share Number*”). Upon any request of any Holder that indicates it may be subject to an Ownership Limitation in such Holder’s preparation for a Notice of Voluntary Exchange, the Company shall within one (1) Business Day confirm in writing (including by email) to such Holder the number of shares of Common Stock then outstanding (the latest confirmation, the “*Confirmed Outstanding Share Number*”). If the Confirmed Outstanding Share Number is greater than the actual number of outstanding shares of Common Stock at the time the Company receives a Notice of Voluntary Exchange, the Company shall, within one (1) Business Day, notify such Holder in writing (including by email) of the number of shares of Common Stock then outstanding and provide the Holder with the opportunity to submit a revised Notice of Voluntary Exchange before effecting such exchange. For the avoidance of doubt, the limitations on the exchange of any Note pursuant to this Section 10.15 will not, in themselves, cause such Note to cease to be outstanding (and interest will continue to accrue on any portion of a Note that has been tendered for exchange and whose exchange is suspended pursuant to this Section 10.15), and such limitations will cease to apply if and when such Note’s exchange will not violate this Section 10.15. For the avoidance of doubt, nothing in this Section 10.15 will affect the Company’s ability to elect any settlement method in accordance with this Indenture, so long as shares of Company Common Stock or any other security otherwise deliverable are not delivered in contravention of the Ownership Limitation.

(b) If any Exchange Consideration or Shares Exchange Adjustment Consideration otherwise due upon the exchange of any Note is not delivered as a result of the Ownership Limitation, then the Company’s obligation to deliver such Exchange Consideration or Shares Exchange Adjustment Consideration will not be extinguished, and the Company will deliver such Exchange Consideration or Shares Exchange Adjustment Consideration within three (3) Business Days after the Holder of such Note provides written confirmation to the Company that such delivery will not contravene the Ownership Limitation. Any purported delivery of shares of Common Stock upon exchange of any Note will be void and have no effect to the extent, and only to the extent, that such delivery would contravene the Ownership Limitation. In the event that the issuance of Common Stock to the Holder upon the exchange of the Note results in the Holder, or a “person” or “group” (within the meaning of Section 13(d)(3) of the Exchange Act) that includes such Holder, being deemed to beneficially own, in the aggregate, more than the Ownership Limitation (as determined under Section 13(d) of the Exchange Act), such Common Stock in excess thereof shall be deemed null and void and shall be canceled *ab initio*, and the Holder shall not have the power to vote or to transfer such Common Stock; it being understood that notwithstanding the foregoing, the Company remains obligated and will deliver such Common Stock within three (3) Business Days after the Holder of such Note provides written confirmation to the Company that such delivery will not contravene the Ownership Limitation.

(c) The provisions of this Section 10.15 shall be construed, corrected and implemented in a manner so as to effectuate the intended beneficial ownership limitation herein contained. The Common Stock issuable upon exchange of the Notes in excess of the Ownership Limitation shall not be deemed to be beneficially owned by the Holder for any purpose, including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. No prior inability to convert such Notes pursuant to this Section 10.15 shall have any effect on the applicability of the provisions of this Section 10.15 with respect to any subsequent determination of convertibility. The limitation contained in this Section 10.15 shall apply to the successor holder of such Notes.

(d) Upon the occurrence of a Merger Event, (i) the Ownership Limitation and this Section 10.15 will thereafter apply with respect to such issuer whose equity holders are subject to Section 16 of the Exchange Act as if each reference to “Common Stock” in this Section 10.15 were instead a reference to the common equity (including depositary receipts representing common equity), if any, forming part of the Reference Property of such Merger Event; and (ii) if such Reference Property includes no such common equity or depositary receipts or such issuer’s equity holders following such Merger Event are not subject to Section 16 of the Exchange Act, then the Ownership Limitation and this Section 10.15 will thereafter cease to apply.

(e) Neither the Trustee nor the Exchange Agent shall have any duty or responsibility to monitor the Ownership Limitation or to monitor the Company’s or any Holder’s compliance with this Section 10.15 or have any liability or responsibility for such compliance

Section 10.16 General Exchangeability Restrictions. For the avoidance of doubt, notwithstanding anything herein to the contrary, in no event shall the Notes be exchangeable for Common Stock under this Indenture prior to the Exchangeability Effective Date and Trustee shall have no duty or liability to monitor the passing of the Exchangeability Effective Date (or any other date or time period hereunder).

ARTICLE XI. GUARANTEE

Section 11.01 Guarantee. Subject to the provisions of this Article XI, each Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes and the Trustee, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Company under this Indenture and the Notes (including, without limitation, any interest, fees or expenses accruing subsequent to the filing of a petition in bankruptcy, reorganization or similar proceeding, whether or not such interest, fees or expenses is an allowed claim under applicable state, federal or foreign law and the obligations under Section 7.07) (all the foregoing being hereinafter collectively called the “*Guarantor Obligations*”). Each Guarantor agrees that the Guarantor Obligations will rank equally in right of payment with other indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guarantor Obligations. Each Guarantor further agrees (to the extent permitted by law) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article XI notwithstanding any extension or renewal of any Guarantor Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guarantor Obligations and also waives notice of protest for non-payment. Each Guarantor waives notice of any default under the Notes or the Guarantor Obligations.

Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

Except as set forth in Section 11.02, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of set-off, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under, this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal granted; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or such Guarantor is released from its Guarantee in compliance with Section 11.03 hereof. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal or of interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Guarantee.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section 11.01.

Section 11.02 Execution and Delivery. To further evidence its Guarantee, each Guarantor and other Person that is required to become a Guarantor hereby agrees to (x) execute this Indenture or (y) in the case of any Person that becomes a Guarantor after the date hereof, execute a supplement to this Indenture, substantially in the form of Exhibit C hereto and deliver it to the Trustee. Each such Guarantor agrees that its Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

Each of the Guarantors hereby agrees that its Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note or at any time thereafter, such Guarantor's Guarantee of such Note shall nevertheless be valid.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.03 Limitation on Liability; Termination, Release and Discharge. Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Subsidiary Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(a) Following delivery of an Officer's Certificate to the Trustee stating the occurrence of any of the following events, each Subsidiary Guarantor shall be automatically and unconditionally released and discharged from its Obligations under this Indenture and its Subsidiary Guarantee and such Subsidiary Guarantee shall be automatically and unconditionally terminated, and no further action by such Subsidiary Guarantor, the Company or the Trustee is required (other than delivery of such Officer's Certificate) for the release of such Subsidiary Guarantor or the termination of such Subsidiary Guarantee:

(i) upon a satisfaction and discharge of this Indenture as described under Section 8.01(a);

(ii) upon the merger, amalgamation, consolidation or winding-up of such Subsidiary Guarantor with and into Holdings, the Company or another Subsidiary Guarantor that is the surviving Person in such merger, amalgamation, consolidation or winding-up, or upon the liquidation of such Subsidiary Guarantor;; or

(iii) as described under Article IX hereof.

(b) Following delivery of an Officer's Certificate to the Trustee stating the occurrence of any of the following events, each AMC Group Obligor shall be automatically and unconditionally released and discharged from its Obligations under this Indenture and its Guarantee and such Guarantee shall be automatically and unconditionally terminated, and no further action by such AMC Group Obligor, the Company or the Trustee is required (other than delivery of such Officer's Certificate) for the release of such AMC Group Obligor or the termination of such Guarantee:

(i) upon the release or discharge of such AMC Group Obligor's primary obligations under, and guarantees, of all Guarantee Reference Indebtedness, except (x) a discharge or release by or as a result of payment or (y) if at the time of the release and discharge of such Guarantee, such AMC Group Obligor would be required to guarantee the Notes pursuant to Section 4.10;

(ii) upon a satisfaction and discharge of this Indenture as described under Section 8.01(a);

(iii) in the case of each AMC Group Obligor other than AMC, upon the merger, amalgamation, consolidation or winding-up of such AMC Group Obligor with and into AMC or another AMC Group Obligor that is the surviving Person in such merger, amalgamation, consolidation or winding-up; or

(iv) as described under Article IX hereof.

(c) Following delivery of an Officer's Certificate to the Trustee stating the occurrence of any of the following events, Holdings shall be automatically and unconditionally released and discharged from its Obligations under this Indenture and its Guarantee and such Guarantee shall be automatically and unconditionally terminated, and no further action by Holdings, the Company or the Trustee is required (other than delivery of such Officer's Certificate) for the release of such Guarantor or the termination of such Subsidiary Guarantee:

- (i) upon a satisfaction and discharge of this Indenture as described under Section 8.01(a); or
- (ii) as described under Article IX hereof.

(d) Notwithstanding the foregoing, no Guarantor may be released from its Guarantee if, on the date of and after giving effect to the release of such Guarantee, the Guarantor (or any subsidiary thereof) would own (or hold an exclusive license with respect to) any intellectual property that is material to the business of the Muvico Group Entities.

Section 11.04 Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Subsidiary Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company, or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 11.04 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 11.05 No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guarantor Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

ARTICLE XII. COLLATERAL

Section 12.01 Security Documents. The due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Obligations of the Company and the Guarantors to the Holders or the Trustee under this Indenture, the Notes, the Guarantees and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Exchangeable Notes Obligations, subject to the terms of the Applicable Intercreditor Agreements. The Trustee, the Company and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders, the Trustee and the Notes Collateral Agent and pursuant to the terms of the Security Documents and the Applicable Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Notes Collateral Agent to enter into (or otherwise join, as applicable) the Security Documents and the Intercreditor Agreements and to perform its obligations and exercise its rights thereunder in accordance therewith. In the event of conflict between an Applicable Intercreditor Agreement and any of the other Security Documents, the Applicable Intercreditor Agreement shall control.

Each Holder, by its acceptance of a Note, (a) agrees that it will be subject to and bound by and will take no actions contrary to the provisions of each Applicable Intercreditor Agreement, and (b) authorizes and instructs the Notes Collateral Agent to, on the Issue Date, enter into (or otherwise join, as applicable) each Intercreditor Agreement then in effect (and each other Applicable Intercreditor Agreement, as applicable, thereafter) as the Notes Collateral Agent, and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein. The Company shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 12.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Company and the Guarantors shall, at their sole expense, take all actions and make all filings (including filing UCC (including amendments and continuation statements) and other financing statements, mortgages and deeds of trust) that may be required under applicable law, or that the Trustee or the Notes Collateral Agent may reasonably request, in order to ensure the creation, perfection and priority (or continuance thereof), as security for the Obligations of Company and the Guarantors to the secured parties under this Indenture, the Notes, the Guarantees, the Intercreditor Agreements and the Security Documents, of a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of each Applicable Intercreditor Agreement and the Security Documents), in favor of the Notes Collateral Agent for the benefit of the Holders and the Trustee subject to no Liens other than Permitted Liens.

It is understood and agreed that:

(a) with respect to any Collateral constituting assets of any AMC Group Obligor, prior to the Discharge of First Lien Obligations (solely for this purpose, as defined in the AMC Group First Lien Pari Passu Intercreditor Agreement) that are Term Loan Obligations, to the extent that the Controlling Collateral Agent is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to any Collateral constituting assets of the AMC Group Obligors or makes any determination in respect of any matters relating to such Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any subsidiary of AMC (other than Holdings and any of its Subsidiaries) (including in connection with assets acquired, or subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the deadline therefor as set forth in the documentation governing the Indebtedness for which the Controlling Collateral Agent is the collateral agent), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents, and the judgment of the Controlling Collateral Agent in respect of any such matters under the documentation governing the Indebtedness for which the Controlling Collateral Agent is the collateral agent shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents; and

(b) with respect to any Collateral constituting assets of any Muvico Group Entity, prior to the Discharge of Senior Obligations (solely for this purpose, as defined in the Muvico Group 1.5 Lien Priority Intercreditor Agreement), to the extent that the Designated Senior Representative is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to any Collateral constituting assets of the Muvico Group Entities or makes any determination in respect of any matters relating to such Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to, particular assets or the provision of any guarantee by any Subsidiary (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Issue Date) where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the deadline therefor as set forth in the documentation governing the Indebtedness for which the Designated Senior Representative is the collateral agent), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries and/or documents, and the judgment of the Designated Senior Representative in respect of any such matters under the documentation governing the Indebtedness for which the Designated Senior Representative is the collateral agent shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.

Section 12.02 Release of Collateral.

(a) Collateral may be released from the Liens and security interests created by the Security Documents at any time and from time to time in accordance with the provisions of the Security Documents, the Applicable Intercreditor Agreements and this Indenture. Notwithstanding anything to the contrary in the Security Documents, any Applicable Intercreditor Agreement and this Indenture, the Company and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the Guarantees, and the applicable Collateral shall be automatically released from the Liens of the Collateral Agent, under any one or more of the following circumstances:

(i) upon consummation of the sale, transfer or other disposition of such Collateral by the Company or a Guarantor to any Person other than the Company or a Guarantor, to the extent such sale, transfer or other disposition is permitted under this Indenture;

(ii) in the case of a Guarantor that is released from its Guarantee pursuant to Section 11.03, with respect to the property and other assets of such Guarantor, upon the release of such Guarantor from its Guarantee;

(iii) with respect to Collateral that is Capital Stock, upon the dissolution or liquidation of the issuer of that Capital Stock that is permitted by this Indenture;

(iv) with respect to any Collateral that becomes an “Excluded Asset,” upon it becoming an Excluded Asset;

(v) in accordance with Section 4.07(a);

(vi) *[reserved]*;

(vii) with respect to any Collateral, in connection with any enforcement action taken by the Controlling Collateral Agent or the Designated Senior Representative (or, in each case, such other similar defined term), as applicable, in accordance with the terms of each Applicable Intercreditor Agreement; or

(viii) as described under Article IX.

(b) The Liens on the Collateral securing the Notes and the Guarantees also shall automatically and without the need for any further action by any Person be terminated and released:

(i) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations in respect of the Notes under this Indenture, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid;

(ii) upon a satisfaction and discharge of this Indenture as described under Section 8.01(a); or

(iii) pursuant to the terms of any Applicable Intercreditor Agreement.

(c) In addition, any Lien on any Collateral may be (i) released or subordinated to any Lien on such Collateral that is created, incurred or assumed pursuant to clause (viii)(A) of the definition of “Permitted Liens” to the extent required by the terms of the obligations secured by such Liens and (ii) subordinated to any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property; *provided* such lease, easement, right of way or similar agreement is permitted by Section 4.07.

(d) With respect to any release of Collateral, upon receipt of an Officer’s Certificate stating that all conditions precedent under this Indenture and the Security Documents to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company’s expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents and shall do or cause to be done (at the Company’s expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer’s Certificate, and notwithstanding any term hereof or in any Security Document to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officer’s Certificate.

Section 12.03 Suits to Protect the Collateral.

Subject to the provisions of Article VII and the Security Documents, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

- (a) enforce any of the terms of the Security Documents; and
- (b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

Section 12.04 Authorization of Receipt of Funds by the Trustee Under the Security Documents. Subject to the provisions of the Applicable Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.05 Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XII to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

Section 12.06 Power Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XII upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article XII; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 12.07 Certain Limits on Collateral.

Notwithstanding anything in this Indenture or any other Security Document, it is understood and agreed that:

- (a) Liens required to be granted from time to time pursuant to this Indenture shall be subject to exceptions and limitations set forth in the Security Documents;
- (b) *[reserved]*;
- (c) no perfection actions shall be required with respect to Vehicles and other assets subject to certificates of title (except to the extent a security interest therein can be perfected by a UCC filing);
- (d) *[reserved]*;
- (e) no actions in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction shall be required to be taken to create any security interests in assets located or titled outside of the United States (including any Equity Interests of any Foreign Subsidiaries and foreign intellectual property) or to perfect or make enforceable any security interests in any such assets (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction);
- (f) no actions shall be required to perfect a security interest in letter of credit rights (other than the filing of UCC financing statements); and
- (g) neither the Company nor any Guarantor shall be required to deliver or obtain any landlord lien waivers, estoppel certificates or collateral access agreements or letters.

Section 12.08 Notes Collateral Agent.

(a) The Company and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Company and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.08. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a "*Related Person*"), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) None of the Notes Collateral Agent or any of its Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor's Affiliates.

(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Company or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Required Holders as it determines and, if it so requests, it shall first be indemnified to its reasonable satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Required Holders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a responsible officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Company referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article VI or the Required Holders (subject to this Section 12.08).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Company, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Company shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Required Holders, may appoint a successor collateral agent, subject to the consent of the Company (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Company pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 12.08 shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) The Trustee shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, including joinders and supplements thereto, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.

(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article VI, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent, such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) The Notes Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article 9 of the UCC can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent's instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor's property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Required Holders or as otherwise provided in the Security Documents.

(l) If the Company or any Guarantor (i) incurs any obligations in respect of junior priority obligations at any time when no applicable Junior Lien Intercreditor Agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officer's Certificate so stating and requesting the Notes Collateral Agent to enter into an applicable Junior Lien Intercreditor Agreement in favor of a designated agent or representative for the holders of the junior priority obligations so incurred, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Company, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; *provided* that neither an Officer's Certificate nor an Opinion of Counsel shall be required pursuant to this Section 12.08(l) in connection with the Applicable Intercreditor Agreements (including pursuant to a joinder thereto) to be entered into.

(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity reasonably satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause if it no longer reasonably deems any indemnity, security or undertaking from the Company or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Company (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Company or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9601, *et seq.*, or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Company, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Company or the Guarantors, the Required Holders shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Company signed by an Officer (a "Security Document Order"), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document, Intercreditor Agreement or amendment or supplement thereto, to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this [Section 12.08\(r\)](#), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document, Intercreditor Agreement or amendment or supplement thereto. Any such execution of a Security Document or amendment or supplement thereto shall be at the direction and expense of the Company, upon delivery to the Notes Collateral Agent of an Officer's Certificate stating that all conditions precedent to the execution and delivery of the Security Document, Intercreditor Agreement or amendment or supplement thereto have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents, Intercreditor Agreements or amendment or supplement thereto.

(s) Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Required Holders or the Trustee, as applicable.

(t) After the occurrence and continuance of an Event of Default, the Trustee, acting at the direction of the Required Holders, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Required Holders. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Required Holders. If the Notes Collateral Agent shall request direction from the Required Holders with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Required Holders, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Company or the Guarantors, it may require an Officer’s Certificate, which shall conform to the provisions of this Section 12.08 and Sections 13.04 and 13.05; *provided* that no Officer’s Certificate shall be required in connection with the Security Documents or Intercreditor Agreement to be entered into by (or otherwise joined by, as applicable) the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Security Documents and the Intercreditor Agreements, and shall solely act pursuant to the instructions of the Holders and the Trustee solely with respect to the Security Documents, the Intercreditor Agreements and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents and Intercreditor Agreements were named as this Indenture herein.

(aa) The Company and the Guarantors shall furnish to the Trustee and the Notes Collateral Agent, within one hundred twenty (120) days after the end of each fiscal year (beginning with the first fiscal year ending after the Issue Date and after giving effect to any fiscal year end change effected on or after the Issue Date), an Officer's Certificate (which may be the same certificate required to be delivered by the Company pursuant to Section 4.13) either (i) (x) stating that such action has been taken with respect to the recording, filing, re-recording, and refiling of this Indenture or the Security Documents, as applicable, as are necessary to maintain the perfected Liens of the applicable Security Documents securing the Exchangeable Notes Obligations under applicable law to the extent required by the Security Documents other than any action as described therein to be taken, and (y) stating that on the date of such Officer's Certificate, all financing statements, financing statement amendments and continuation statements have been or will be executed and filed that are necessary, as of such date or promptly thereafter and during the succeeding 12 months, fully to maintain the perfection (to the extent required by the Security Documents) of the security interests of the Notes Collateral Agent securing the Exchangeable Notes Obligations thereunder and under the Security Documents with respect to the Collateral; *provided* that if there is a required filing of a continuation statement or other instrument within such 12-month period and such continuation statement or amendment is not effective if filed at the time of the Officer's Certificate, such Officer's Certificate may so state and in that case the Company and the Guarantors shall cause a continuation statement or amendment to be timely filed and become effective so as to maintain such Liens and security interests securing Obligations or (ii) stating that no such action is necessary to maintain such Liens or security interests.

2.1 Form and Dating. (a) The Initial Notes and any Additional Notes shall be offered and sold by the Company from time to time and shall be fully and unconditionally guaranteed by AMC Entertainment Holdings, Inc. and each of the other Guarantors from time to time party to the Indenture. Unless issued in a transaction registered or exempt from, or not subject to the registration requirements under the Securities Act, the Initial Notes, any Additional Notes and any PIK Notes issued in respect thereof may be resold or transferred, initially, only to QIBs in reliance on Rule 144A and/or to non-U.S. persons in reliance on Regulation S.

The Rule 144A Global Note and the Regulation S Global Note are each referred to herein as a “*Global Note*” and are collectively referred to herein as “*Global Notes*.” The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominees and on the schedules thereto as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and pursuant to an order of the Company, authenticate and deliver, initially, one or more Global Notes that (a) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of the Depository and (b) shall be delivered by the Trustee to the Depository pursuant to instructions of the Depository, or held by the Securities Custodian.

Members of, or participants in, the Depository (“*Agent Members*”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Securities Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of the Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) Definitive Notes. In the event the Company reasonably determines that any Additional Notes are not eligible for resale under Rule 144A, the Additional Notes may be issued as one or more Definitive Notes. Otherwise, except as provided in Section 2.3, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of certificated Notes.

2.2 Authentication. The Trustee shall authenticate and deliver (a) Initial Notes for original issue in an initial aggregate principal amount of \$194,380,980, (b) Additional Notes in accordance with the Indenture and (c) any PIK Notes, if and when issued pursuant to the Indenture, in each case, upon a written order of the Company signed by two Officers. Such order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated.

2.3 Transfer and Exchange.

(a) *Transfer and Exchange of Definitive Notes*. When Definitive Notes are presented to the Registrar or a co-registrar with a request:

(i) to register the transfer of such Definitive Notes; or

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Registrar or co-registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar or co-registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing; and

(2) are being transferred, or exchanged pursuant to an effective registration statement under the Securities Act or an exemption from registration under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect; or

(C) (i) if such Definitive Notes are being transferred pursuant to an exemption from registration in accordance with Rule 144A or Regulation S under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904, a certification to that effect and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Trustee, together with;

(i) certification (in the form set forth on the reverse side of the Note) that such Definitive Note is being (A) transferred (1) to a QIB in accordance with Rule 144A, (2) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act, which certification shall be accompanied by a signed letter substantially in the form of Exhibit B, (3) pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, (4) pursuant to an available exemption from the registration requirements of the Securities Act other than those in (1)-(3) above, or (5) to AMC or the Company or a subsidiary of either of the foregoing or (B) exchanged for a beneficial interest in a Global Note; and

(ii) written instructions directing the Trustee to make, or directing the Securities Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Note represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the procedures of the Depository containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note and such account shall be credited in accordance with such instructions with a beneficial interest in the Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Distribution Compliance Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Notes from the transferor to the effect that such transfer is being made in accordance with Regulation S (if available) or Rule 144A (if available) under the Securities Act or pursuant to or in compliance with an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 and that, if such transfer is being made prior to the expiration of the Distribution Compliance Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Exhibit A (other than the provisions set forth in Section 2.4), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor depository or a nominee of such successor depository.

(iv) In the event that a Global Note is exchanged for Notes in definitive registered form pursuant to Section 2.4, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse, of the Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(d) Restrictions on Transfer of Regulation S Global Note.

(i) Prior to the expiration of the Distribution Compliance Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (2) in an offshore transaction in accordance with Regulation S, (3) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act, or (4) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the Rule 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Notes (as set forth in Appendix I hereto) to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period.

(ii) Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(e) Legend.

(i) Except as permitted by the following paragraphs (ii) and (iii), each certificate evidencing the Global Notes and the Definitive Notes and the Regulation S Global Note (prior to the expiration of the Distribution Compliance Period) (and all Notes issued in exchange therefor or in substitution thereof), shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only):

AS USED HEREIN, THE TERMS “OFFSHORE TRANSACTION,” “UNITED STATES” AND “U.S. PERSON” HAVE THE MEANING GIVEN TO THEM BY REGULATION S UNDER THE SECURITIES ACT.

Prior to the Distribution Compliance Period, each Regulation S Global Note shall also bear the following additional legend:

THIS SECURITY (OR ITS PREDECESSOR) WAS ORIGINALLY ISSUED IN A TRANSACTION ORIGINALLY EXEMPT FROM REGISTRATION UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND MAY NOT BE TRANSFERRED IN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, ANY U.S. PERSON EXCEPT PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND ALL APPLICABLE STATE SECURITIES LAWS. TERMS USED ABOVE HAVE THE MEANINGS GIVEN TO THEM IN REGULATION S UNDER THE SECURITIES ACT.

Each Definitive Note shall also bear the following additional legend:

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

(A) in the case of any Transfer Restricted Note that is a Definitive Note, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Note for a Definitive Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note; and

(B) in the case of any Transfer Restricted Note that is represented by a Global Note, the Registrar shall permit the beneficial owner thereof to exchange such Transfer Restricted Note for a beneficial interest in a Global Note that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Note,

in either case, if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144, or in reliance on an exemption from the registration requirements of the Securities Act other than Rule 144, Rule 903 or Rule 904 (such certification to be in the form set forth on the reverse of the Note).

(iii) Upon a sale or transfer after the expiration of the Distribution Compliance Period of any Note acquired pursuant to Regulation S, all requirements that such Note bear any Restricted Notes Legend shall cease to apply and the requirements requiring any such Note be issued in global form shall continue to apply.

(iv) Any shares of Common Stock issued in exchange for any Notes in accordance with the Indenture on the records of AMC's transfer agent will bear a notation or legend regarding transfer restrictions corresponding to the restrictions in place on the underlying Notes for which such shares of Common Stock are exchanged, unless and until such notation or legend may be removed because either such Common Stock (A) is freely transferable pursuant to an exemption from the Securities Act or (B) is being resold pursuant to an effective registration statement pursuant to registration rights held by the holder of such Common Stock.

(f) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for certificated or Definitive Notes, redeemed, exchanged for shares of Common Stock, repurchased or canceled, such Global Note shall be returned by the Depository to the Trustee for cancellation or retained and canceled by the Trustee in accordance with its customary procedures. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for certificated or Definitive Notes, redeemed, repurchased, exchanged for shares of Common Stock or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Securities Custodian, to reflect such reduction.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate certificated Notes, Definitive Notes and Global Notes at the Registrar's or co-registrar's request.

(ii) No service charge shall be made for any registration of transfer, exchange or exchange into shares of Common Stock, but the Company, the Trustee or the Exchange Agent may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchange or registration of transfer pursuant to Sections 3.10 and 9.05 of the Indenture).

(iii) The Registrar or co-registrar shall not be required to register the transfer of or exchange of any Note (1) that has been surrendered for exchange into shares of Common Stock (except to the extent that any portion of such Note is not subject to exchange), (2) that is subject to a Fundamental Change Repurchase Notice validly delivered and not withdrawn, (3) that is subject to a Soft Call following the Close of Business on the second (2nd) Business Day following a Soft Call Notice Date in accordance with Article III of the Indenture, or (4) for a period beginning ten (10) days before an offer to repurchase Notes or ten (10) days before an interest payment date.

(iv) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent, the Registrar or any co-registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent, the Registrar or any co-registrar shall be affected by notice to the contrary.

(v) All Notes issued upon any registration of transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

(h) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or any other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depository to the Trustee located in the Borough of Manhattan, The City of New York, to be so transferred, in whole or from time to time in part, without charge (although the Company may require payment of a sum sufficient to cover any tax or governmental charge imposed in connection therewith), and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of certificated Notes of authorized denominations. (c) The Company shall pay interest on the Notes in kind, in accordance with Section 2.14(c) of the Indenture (“*PIK Interest*”), at a rate of 2.00% per annum, which rate shall increase to 3.50% per annum from and after the Interest Adjustment Date, to the extent that the Required Shareholder Approval has not been obtained by AMC on or prior to such date; *provided* that, notwithstanding the foregoing, from and after the Interest Adjustment Date, to the extent that the Required Shareholder Approval has been obtained by AMC (i.e. from and after the later to occur of the Interest Adjustment Date and the date that the Required Shareholder Approval has been obtained by AMC), no PIK Interest shall be payable. PIK Interest on the Notes will be paid in denominations of \$1.00 and integral multiples of \$1.00 in excess thereof.

Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from (and including) July 1, 2025. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

1. Method of Payment

The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the June 1 and December 1 next preceding the applicable Interest Payment Date (each, a “*Record Date*”) even if the Notes are canceled after the record date and on or before the interest payment date. Holders must surrender the Notes to a Paying Agent to collect principal payments. The Company shall pay principal and Cash Interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Cash payments in respect of the Notes represented by a Global Note (including principal, premium and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company (the “*Depository*”). The Company shall make all cash payments in respect of a certificated Note (including principal, premium and interest) by mailing a check to the registered address of each Holder thereof; *provided, however*, that cash payments on the Notes may also be made, in the case of a Holder of at least \$2,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than ten (10) days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

At all times, PIK Interest on the Notes shall be payable in accordance with Section 2.14 of the Indenture.

2. Paying Agent, Exchange Agent and Registrar

Initially, GLAS Trust Company LLC (the “*Trustee*”), shall act as Paying Agent, Exchange Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company or any of its domestic Wholly Owned Subsidiaries may act as Paying Agent, Exchange Agent, Registrar or co-registrar.

3. Indenture

The Company issued the Notes under an Indenture dated as of July 24, 2025 (the “*Indenture*”), among the Company, the Guarantors party thereto from time to time, the Trustee and the Notes Collateral Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by express reference to the Trust Indenture Act of 1939 (15 U.S.C. 77aaa-77bbbb) as in effect on the date of the Indenture (the “*TIA*”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of those terms.

The Notes are senior secured obligations of the Company and can be issued in an initial amount of \$194,380,980 and additional amounts as part of the same series under the Indenture, in accordance therewith. The Indenture imposes certain limitations on the ability of AMC and its subsidiaries (including Holdings and its Subsidiaries (including the Company)) to, among other things, incur additional indebtedness, pay dividends or make distributions in respect of their capital stock, purchase or redeem capital stock, enter into transactions with stockholders or certain affiliates, create liens or consolidate, merge or sell all or substantially all of its assets. These limitations are subject to significant exceptions set forth in the Indenture.

The Guarantors (including each subsidiary of AMC that is required to guarantee the Guarantor Obligations pursuant to Section 4.10 of the Indenture) shall jointly and severally guarantee the Guarantor Obligations pursuant to the terms of the Indenture.

4. Special Mandatory Redemption

Without limiting the obligations of the Company set forth in Sections 3.10 and 4.16 of the Indenture, the Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes except as provided below.

If, at any time on or after November 17, 2028, the aggregate principal amount of outstanding (i) 2029 AHG Secured Notes, (ii) 2029 Secured Notes and (iii) any Indebtedness in respect of any modification, refunding, replacement, substitution, restructuring or other refinancing thereof (together with, for the avoidance of doubt, all interest paid in kind on any such Indebtedness), in each case, with a Stated Maturity prior to the Maturity Date, collectively exceeds \$190,000,000 (the “*Special Mandatory Redemption Trigger Date*”), the Required Holders may, by written notice to the Company (the “*Special Mandatory Redemption Election Notice*”), require the Company to redeem all of the Notes then outstanding by a date no later than ten (10) Business Days after the receipt of such Special Mandatory Redemption Election Notice (the “*Special Mandatory Redemption End Date*”) at a redemption price equal to 100% of the aggregate principal amount of the Notes then outstanding plus accrued and unpaid interest thereon, if any, to, but excluding, the Special Mandatory Redemption Date (the “*Special Mandatory Redemption Price*”).

In the event that the Company becomes obligated to redeem the Notes pursuant to the immediately preceding paragraph, the Company will promptly, and in any event not more than five (5) Business Days after the Special Mandatory Redemption Trigger Date, deliver notice to the Trustee of the special mandatory redemption and the date upon which the Notes will be redeemed (the “*Special Mandatory Redemption Date*,” which date will be no later than the Special Mandatory Redemption End Date). The Trustee will then promptly deliver such notice electronically or by first-class mail to each Holder of Notes at the address of such Holder appearing in the note register or otherwise in accordance with the procedures of the Depository. Unless the Company defaults in payment of the Special Mandatory Redemption Price, on and after such Special Mandatory Redemption Date, interest will cease to accrue on the Notes and the Indenture will be discharged and cease to be of further effect.

5. Soft Call

If a Soft Call Trigger Event occurs, the Company shall have the right, at its election, at any time, and from time to time, until the Close of Business on the second (2nd) Trading Day immediately preceding the Maturity Date, to redeem all (but not less than all) of the outstanding Notes for cash in the manner, and subject to the terms, set forth in Article III of the Indenture.

6. Optional Redemption

Except as otherwise set forth herein or in Section 3.03 of the Indenture, the Notes may not be redeemed.

Solely to the extent that the Required Shareholder Approval has not been obtained by AMC, on and after July 31, 2027, the Company may redeem the Notes in whole at any time or in part from time to time:

(i) from and including July 31, 2027 to and including April 30, 2028, at a redemption price equal to (A) (x) 100.0% *plus* (y) 50.0% of the then-applicable interest rate (determined as of date of the applicable notice of redemption in accordance with Section 2.14(a) of the Indenture) *multiplied by* (B) the principal amount thereof, *plus* accrued and unpaid interest, if any, to, but excluding, the applicable redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption); and

(ii) from and including May 1, 2028 to the Maturity Date at a redemption price equal to 100% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to, but excluding, the applicable redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date that is on or prior to the date of redemption).

In addition, solely to the extent that the Required Shareholder Approval has not been obtained by AMC, at any time from and after the date that is 180 days following the Interest Adjustment Date until July 31, 2027, the Company may, at its option, redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount thereof *plus* the Applicable Premium (as defined in the Indenture) with respect to the Notes, *plus* accrued and unpaid interest, if any, thereon to, but excluding, the redemption date.

If the redemption date is on or after a Record Date and on or before the related Interest Payment Date, such accrued and unpaid interest will be paid to the Person in whose name the Notes are registered at the Close of Business on such Record Date. On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

Notice of redemption must be sent to the Holders of the Notes called for redemption not less than 10 or more than 60 days prior to the applicable redemption date, in accordance with Section 8 below and Section 3.03 of the Indenture. In addition, notice of any redemption of the Notes permitted by the Indenture may, at the Company's discretion, be subject to one or more conditions precedent, including the consummation of any transaction. If such notice is delivered subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Company's discretion, the applicable redemption date may be delayed until such time as any or all such conditions shall be satisfied or waived, or may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date. In addition, the Company may provide in such notice that payment of the redemption price may be made by AMC.

Notwithstanding anything herein or in the Indenture to the contrary, in no event shall the Notes be redeemed pursuant to this Section 6 on or after the date on which the Required Shareholder Approval is obtained by AMC. In the event that the Required Shareholder Approval is obtained after a notice of redemption has been issued by the Company in respect of the Notes pursuant to this Section 6, but prior to the redemption date set forth in such redemption notice, such redemption notice shall automatically be rescinded, and the Company will promptly notify all Holders of record of such rescission.

7. Sinking Fund

The Notes are not subject to any sinking fund.

8. Notice of Redemption

Notice of redemption shall be sent electronically or by first class mail, with a copy to the Trustee or the Registrar, as applicable, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of the Depository not less than 10 nor more than 60 days prior to the applicable redemption date. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the applicable redemption date is deposited with the Paying Agent on or before such redemption date and certain other conditions are satisfied, on and after such date interest shall cease to accrue on such Notes (or such portions thereof) called for redemption.

9. Right of Holders to Require the Company to Repurchase Notes upon a Fundamental Change

As provided in, and subject to the terms of, Section 3.10 of the Indenture, if a Fundamental Change occurs, then each Holder will have the right to require the Company to repurchase such Holder's Notes (or any portion thereof in amounts of \$1.00 or whole multiples of \$1.00 in excess thereof) for cash in amount equal to 100% of the principal amount of Notes subject to repurchase plus accrued and unpaid interest (which shall be deemed to accrue at the PIK Rate), if any, on such Notes to, but excluding, the applicable Fundamental Change Repurchase Date.

10. Exchange Consideration; Exchange Adjustment Consideration

The Holder of this Note may exchange this Note into Exchange Consideration in the manner, and subject to the terms, set forth in Article X of the Indenture.

In addition, at any time and from time to time, the Holder of this Note will be entitled to the Exchange Adjustment Consideration as provided in, and subject to the terms of, Section 10.04 of the Indenture.

11. Denominations; Transfer; Exchange

The Notes are in registered form in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note that has been surrendered for exchange into shares of Common Stock (except to the extent that any portion of such Note is not subject to exchange), that is subject to a Fundamental Change Repurchase Notice validly delivered and not withdrawn, that is subject to a Soft Call following the Close of Business on the second (2nd) Business Day following a Soft Call Notice Date in accordance with Article III of the Indenture, or for a period beginning ten (10) days before an offer to repurchase Notes or ten (10) days before an interest payment date.

12. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal, premium or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

14. Amendment, Supplement and Waiver

The Indenture, the Notes or the Guarantees may be amended or supplemented as provided in Article IX of the Indenture.

15. Defaults and Remedies

If an Event of Default occurs and is continuing, the Trustee or the Holders of not less than 30% in aggregate principal amount of the Notes then outstanding, subject to certain limitations, may declare all the Notes to be immediately due and payable. Certain events of bankruptcy or insolvency are Events of Default and shall result in the Notes being immediately due and payable upon the occurrence of such Events of Default without any further act of the Trustee or any Holder.

Holders of Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Required Holders may direct the Trustee in its exercise of any trust or power under the Indenture. The Required Holders, by written notice to the Company and the Trustee, may rescind any declaration of acceleration and its consequences if the rescission would not conflict with any judgment or decree, and if all existing Events of Default have been cured or waived except non-payment of principal or interest that has become due solely because of the acceleration.

16. Security

The Notes shall be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Trustee and the Notes Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Notes Collateral Agent to enter into the Security Documents on the Issue Date of the Initial Notes, and at any time thereafter, as applicable, and to perform its obligations and exercise its rights thereunder in accordance therewith.

17. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA and incorporated by reference into the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

A director, officer, employee or stockholder, as such, of Holdings, the Company or any Guarantor shall not have any liability for any obligations of Holdings, the Company or any Guarantor under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

19. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entirety), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law

THE INDENTURE, THIS NOTE AND THE GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. ISINs and CUSIP Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISINs and/or CUSIP numbers to be printed on the Notes and has directed the Trustee to use ISINs and/or CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

 - (ii) a policy or policies of title insurance (or marked unconditional commitment to issue such policy or policies) in the amount equal to not less than 100% (or such lesser amount as reasonably agreed to by the Notes Collateral Agent (acting at the direction of the Required Holders)) of the Fair Market Value of such Mortgaged Property, as reasonably determined by AMC and agreed to by the Notes Collateral Agent (acting at the direction of the Required Holders), issued by a nationally recognized title insurance company insuring the Lien of each such Mortgage as a first priority Lien on the Mortgaged Property described therein, free of any other Liens except as expressly permitted by Section 4.07, together with such endorsements (other than a creditor's rights endorsement), as the Notes Collateral Agent (acting at the direction the Required Holders) may reasonably request to the extent available in the applicable jurisdiction at commercially reasonable rates (*provided, however*, in lieu of a zoning endorsement the Notes Collateral Agent (acting at the direction of the Required Holders) shall accept a zoning letter);
 - (iii) such affidavits and "gap" indemnifications as are customarily requested by the title company to induce the title company to issue the title policies and endorsements contemplated above,
 - (iv) a survey of each Mortgaged Property (other than any Mortgaged Property to the extent comprised of condominiums and to the extent the same cannot be surveyed) in such form as shall be required by the title company to issue the so-called comprehensive and other survey-related endorsements and to remove the standard survey exceptions from the title policies and endorsements contemplated above (*provided, however*, that a survey shall not be required to the extent that the issuer of the applicable title insurance policy provides reasonable and customary survey-related coverages (including, without limitation, survey-related endorsements) in the applicable title insurance policy based on an existing survey and/or such other documentation as may be reasonably satisfactory to the title insurer),
-

(v) a completed “*Life of Loan*” Federal Emergency Management (“*FEMA*”) Standard Flood Hazard Determination with respect to each Mortgaged Property subject to the applicable FEMA rules and regulations; and

(vi) such customary legal opinions as the Notes Collateral Agent (acting at the direction of holders of a majority of the aggregate principal amount of Notes then outstanding) may reasonably request with respect to any such Mortgage or Mortgaged Property;

provided that the Notes Collateral Agent (acting at the direction of the Required Holders) may grant extensions of time or waivers for the creation and perfection of security interests in or the obtaining of title insurance, surveys, legal opinions or other deliverables with respect to particular assets where it determines that such action cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required to be accomplished by the Indenture or the Security Documents.

1. Within sixty (60) days after the Issue Date, the Company shall use commercially reasonable efforts to deliver to the Notes Collateral Agent Deposit Account Control Agreements and Securities Account Control Agreements, as applicable, with respect to all of the Grantors' Deposit Accounts and Securities Accounts (in each case, that are not Excluded Accounts or Excluded Assets pursuant to clause (f) of the definition thereof) that are in existence on the Issue Date pursuant to Section 3.03(f) of the Muvico Security Agreement and Section 3.03(f) of the AMC Security Agreement.

For the avoidance of doubt, if the Borrowers have made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Borrowers or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Borrowers have made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of the incurrence ratios subject to the LCT Election on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.

The Administrative Agent will make such Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to an account of the Borrowers designated by the Borrowers in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with **paragraph (a)** of this Section and may, in reliance on such assumption and in its sole discretion, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrowers, and the Borrowers agree to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or the Borrowers interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent (acting at the Direction of the Required Lenders) in accordance with banking industry rules on interbank compensation, the rate reasonably determined by the Administrative Agent to be its cost of funding such amount, or (ii) in the case of the Borrowers, the interest rate applicable to such Borrowing in accordance with **Section 2.13**. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) Obligations of the Lenders hereunder to make Term Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan.

Section 2.07 Interest Elections.

(a) Each Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by **Section 2.03** and, in the case of a SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by **Section 2.03**. Thereafter, the Borrowers may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrowers may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, any Borrower shall notify the Administrative Agent of such election by telephone (or, at the option of the Borrowers, in writing) by the time that a Borrowing Request would be required under **Section 2.03** if the Borrowers were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such request may be given by (1) telephone or (2) an Interest Election Request.

(c) Each such request shall be irrevocable and each telephonic request shall be confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by a Responsible Officer of a Borrower.

(d) Each telephonic request and written Interest Election Request shall specify the following information in compliance with **Section 2.03**:

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a SOFR Borrowing; and

(iv) if the resulting Borrowing is to be a SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a SOFR Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

(e) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(f) If the Borrowers fail to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period, the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

Section 2.09 Repayment of Loans; Evidence of Debt.

(a) The Borrowers hereby unconditionally promise to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in **Section 2.10**.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, **provided** that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(e) Any Lender may request through the Administrative Agent that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrowers shall execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form provided by the Administrative Agent (acting at the Direction of the Required Lenders) and approved by the Borrowers.

Section 2.10 Amortization of Term Loans.

(a) Subject to adjustment pursuant to paragraph (c) of this **Section 2.10**, the Borrowers shall repay Term Loan Borrowings on the last Business Day of each March, June, September and December (commencing on September 30, 2024) in the principal amount of Term Loans equal to (i) the aggregate outstanding principal amount of Term Loans multiplied by (ii) 0.25%.

(c) Any prepayment of a Term Loan Borrowing of any Class (x) pursuant to **Section 2.11(a)(i)** shall be applied to reduce the subsequent scheduled and outstanding repayments of the Term Loan Borrowings of such Class to be made pursuant to this Section as directed by the Borrowers (and absent such direction in direct order of maturity) and (y) pursuant to **Section 2.11(c)** or **Section 2.11(d)** shall be applied to reduce the subsequent scheduled and outstanding repayments of the Term Loan Borrowings of such Class to be made pursuant to this Section, or in direct order of maturity.

Section 2.11 Prepayment of Loans.

(a) (i) The Borrowers shall have the right (and no Lender may decline to receive) at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty (subject to the immediately succeeding proviso); *provided* that, solely with respect to a voluntary prepayment under this Section 2.11(a)(i), with respect to any voluntary prepayment of the Term Loans, whether the relevant prepayment or refinancing, as applicable, occurs before or after an Event of Default pursuant to Sections 7.01(h) or (i) or an acceleration of the Term Loans (x) prior to the twelve month anniversary of the Effective Date, the Borrowers shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders the Make-Whole Amount in respect of the aggregate principal amount of the Loans so prepaid, repaid or refinanced and (y) on or after the twelve month anniversary of the Effective Date but on or prior to the eighteen-month anniversary of the Effective Date, the Borrowers shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, an amount equal to 4% of the aggregate amount of the applicable Term Loans prepaid (this clause (y), the “*Prepayment Premium*”). For the avoidance of doubt, no prepayment premium shall be payable hereunder in connection with any prepayment or refinancing of any Loan (whether the relevant prepayment or refinancing, as applicable, occurs before or after an Event of Default pursuant to Sections 7.01(h) or (i) or an acceleration of the Loans) on or after the eighteen-month anniversary of the Effective Date.

(ii) Notwithstanding anything in any Loan Document to the contrary, so long as no Default or Event of Default has occurred and is continuing, the Borrowers may prepay the outstanding Term Loans on the following basis:

(A) The Borrowers shall have the right to make a voluntary prepayment of Term Loans in cash at a discount to par (such prepayment, the “*Discounted Term Loan Prepayment*”) pursuant to the Borrowers Offer of Specified Discount Prepayment, Borrowers Solicitation of Discount Range Prepayment Offers or Borrowers Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(ii); *provided* that (x) the Borrowers shall not make any Borrowing of Revolving Loans to fund any Discounted Term Loan Prepayment and (y) the Borrowers shall not initiate any action under this Section 2.11(a)(ii) in order to make a Discounted Term Loan Prepayment with respect to any Class unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment with respect to such Class as a result of a prepayment made by the Borrowers on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Borrowers were notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrowers Solicitation of Discounted Prepayment Offers, the date of the Borrowers’ election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subsection (A) above, the Borrowers may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with three (3) Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that

(I) any such offer shall be made available, at the sole discretion of the Borrowers, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis,

(II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “*Specified Discount Prepayment Amount*”) with respect to each applicable tranche, the tranche or tranches of Term Loans subject to such offer and the specific percentage discount to par (the “*Specified Discount*”) of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section),

(III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and

(IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date.

The Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “**Specified Discount Prepayment Response Date**”).

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the tranches of such Term Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the Borrowers Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrowers will make prepayment of outstanding Term Loans pursuant to this **paragraph (B)** to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Term Loans specified in such Term Lender’s Specified Discount Prepayment Response given pursuant to **subsection (2)**; *provided* that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with the Borrowers and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify:

(I) the Borrowers of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid,

(II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Term Loans to be prepaid at the Specified Discount on such date and

(III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Term Lender to be prepaid at the Specified Discount on such date.

Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrowers and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrowers shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, the Borrowers may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that

(I) any such solicitation shall be extended, at the sole discretion of the Borrowers, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis,

(II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the “**Discount Range Prepayment Amount**”), the tranche or tranches of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Term Loans with respect to each relevant tranche of Term Loans willing to be prepaid by the Borrowers (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section),

(III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and

(IV) each such solicitation by the Borrowers shall remain outstanding through the Discount Range Prepayment Response Date.

The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “**Discount Range Prepayment Response Date**”). Each relevant Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Term Lender's Term Loans (the “**Submitted Amount**”) such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the Borrowers and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this **subsection (C)**. The Borrowers agree to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following **subsection (3)**) at the Applicable Discount (each such Term Lender, a “**Participating Lender**”).

(3) If there is at least one Participating Lender, the Borrowers will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Term Lender’s Discount Range Prepayment Offer at the Applicable Discount; **provided** that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with the Borrowers and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify:

(I) the Borrowers of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the tranches to be prepaid,

(II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Term Loans to be prepaid at the Applicable Discount on such date,

(III) each Participating Lender of the aggregate principal amount and tranches of such Term Lender to be prepaid at the Applicable Discount on such date, and

(IV) if applicable, each Identified Participating Lender of the Discount Range Proration.

Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrowers and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrowers shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with **subsection (F)** below (subject to **subsection (J)** below).

(D) (1) Subject to the proviso to **subsection (A)** above, the Borrowers may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that

(I) any such solicitation shall be extended, at the sole discretion of the Borrowers, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis,

(II) any such notice shall specify the maximum aggregate dollar amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the tranche or tranches of Term Loans the Borrowers are willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section),

(III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and

(IV) each such solicitation by the Borrowers shall remain outstanding through the Solicited Discounted Prepayment Response Date.

The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "**Solicited Discounted Prepayment Response Date**"). Each Term Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "**Offered Discount**") at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and tranches of such Term Loans (the "**Offered Amount**") such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the Borrowers with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrowers shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrowers (the “**Acceptable Discount**”), if any. If the Borrowers elect to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrowers from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “**Acceptance Date**”), the Borrowers shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrowers by the Acceptance Date, the Borrowers shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with the Borrowers and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the Borrowers at the Acceptable Discount in accordance with this Section 2.11(a)(ii)(D). If the Borrowers elect to accept any Acceptable Discount, then the Borrowers agree to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Term Lender, a “**Qualifying Lender**”). The Borrowers will prepay outstanding Term Loans pursuant to this subsection (D), to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Term Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with the Borrowers and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify:

(I) the Borrowers of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the tranches to be prepaid,

(II) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the tranches to be prepaid at the Applicable Discount on such date,

(III) each Qualifying Lender of the aggregate principal amount and the tranches of such Term Lender to be prepaid at the Acceptable Discount on such date, and

(IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration.

Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrowers and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrowers shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrowers and the Term Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary fees and expenses from the Borrowers in connection therewith.

(F) If any Term Loan is prepaid in accordance with paragraphs (B) through (D) above, the Borrowers shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrowers shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 a.m., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Term Loans on a pro rata basis across such installments. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(ii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate principal amount of the tranches and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent, with the provisions in this Section 2.11(a)(ii), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Borrowers.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(ii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) Each of the Borrowers and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(ii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(ii) as well as activities of the Auction Agent.

(J) The Borrowers shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to this subclause (J), any failure by the Borrowers to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(ii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

Notwithstanding anything to contrary, the provisions of this Section 2.11(a)(ii) shall permit any transaction permitted by such section to be conducted on a Class by Class basis and on a non-pro rata basis across Classes (but not within a single Class), in each case, as selected by the Borrowers.

(b) [Reserved].

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrowers or any of their Subsidiaries in respect of any Prepayment Event (excluding any Specified Leasehold Interest termination), the Borrowers shall, within five Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (b) of the definition of the term “Prepayment Event,” on the date of such Prepayment Event), prepay Term Loan Borrowings in an aggregate amount equal to the amount of such Net Proceeds

(d) Following the end of each fiscal year of AMC, commencing with the fiscal year ending December 31, 2024, the Borrowers shall prepay Term Loan Borrowings in an aggregate amount equal to the Excess Cash as of the end of such fiscal year; **provided** that for each fiscal year ended after December 31, 2024, no such prepayment shall be required unless Operating Cash Flow for such fiscal year is positive. Each prepayment pursuant to this paragraph shall be made on or before the date that is five Business Days after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash is being calculated.

(e) [Reserved].

(f) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrowers shall, in the event of any mandatory prepayment of Term Loan Borrowings made at a time when Term Loan Borrowings of more than one Class remain outstanding, prepay each Class on a pro rata basis; **provided**, that any Term Lender may elect, by notice to the Administrative Agent by telephone (confirmed by hand delivery, facsimile or other electronic transmission) at least one Business Day prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans of any such Borrowing pursuant to this Section (other than an optional prepayment pursuant to paragraph (a)(i) of this Section, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans of any such Borrowing that was so declined (such amount, “**Declined Proceeds**”) shall be (x) be offered to all Term Lenders who did not decline such prepayment and (y) if any Declined Proceeds remain thereafter, such Declined Proceeds shall be retained by the Borrowers and their Subsidiaries. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; **provided** that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice of prepayment may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in **Section 2.02**, except as necessary to apply fully the required amount of a mandatory prepayment. Prepayments shall be accompanied by accrued interest to the extent required by **Section 2.13**.

(h) Notwithstanding any other provisions of **Section 2.11(c)** or **(d)**,

(A) to the extent that (x) any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary giving rise to a prepayment pursuant to **Section 2.11(c)** (a “**Foreign Prepayment Event**”) or (y) prepayment of Excess Cash giving rise to a prepayment pursuant to **Section 2.11(d)** are prohibited or delayed by any Requirement of Law from being repatriated to the Borrowers, the portion of such Net Proceeds or Excess Cash so affected will not be required to be applied to repay Term Loans at the times provided in **Section 2.11(c)** or **(d)**, as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to any Borrower (the Borrowers hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Net Proceeds or Excess Cash will be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to **Section 2.11(c)** or **(d)**, as applicable, and

(B) to the extent that and for so long as the Borrowers have determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash, the Net Proceeds or Excess Cash so affected will not be required to be applied to repay Term Loans at the times provided in **Section 2.11(c)** or **(d)**, as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary; **provided** that when the Borrowers determine in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash, such Net Proceeds or Excess Cash shall be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to **Section 2.11(c)** or **(d)**, as applicable.

(i) Notwithstanding anything herein to the contrary, if, at the time that any prepayment would be required under **Section 2.11(c)** (solely with respect to an Asset Sale Prepayment Event) or **2.11(d)** or **(e)**, the Borrowers or any Subsidiary are required to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured on a pari passu basis with any Secured Obligation pursuant to the terms of the documentation governing such Indebtedness with the proceeds of such Asset Sale Prepayment Event or such Excess Cash (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the “**Other Applicable Indebtedness**”), then the relevant Person may apply the proceeds of such Asset Sale Prepayment Event or such Excess Cash on a pro rata (or less than pro rata) basis to the prepayment, repurchase or repayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time); it being understood that

(1) the portion of the proceeds of such Asset Sale Prepayment Event or such Excess Cash allocated to the Other Applicable Indebtedness shall not exceed the amount of the proceeds of such Asset Sale Prepayment Event or such Excess Cash required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof (and the remaining amount, if any, of the proceeds of such Asset Sale Prepayment Event or such Excess Cash shall be allocated in accordance with the terms hereof), and the amount of the prepayment, repurchase or repayment of the Other Applicable Indebtedness that would have otherwise been required pursuant to this **Section 2.11** shall be reduced accordingly and

(2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid, repaid or repurchased, the declined amount shall promptly (and in any event within ten Business Days after the date of such rejection) be applied in accordance with the terms hereof (without giving effect to this **Section 2.11(hi)**).

(j) Notwithstanding anything herein to the contrary, if, at the time that any prepayment would be required under **Section 2.11(c)** (solely with respect to an Asset Sale Prepayment Event) or **2.11(d)** or **(e)**, the Borrowers or any Subsidiary are required to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured on assets of the Odeon Group pursuant to the terms of the documentation governing such Indebtedness with the proceeds of such Asset Sale Prepayment Event or such Excess Cash (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the “**Odeon Other Applicable Indebtedness**”), then the relevant Person may apply the proceeds of such Asset Sale Prepayment Event or such Excess Cash to prepay such Odeon Other Applicable Indebtedness prior to any prepayment of the Term Loans.

Section 2.12 Fees and Certain Other Payments.

(a) The Borrowers agree to pay all premiums and/or fees to the Lenders as separately agreed as between the Borrowers and the Lenders and set forth in the Open Market Purchase Agreements or Note Exchange Agreement.

(b) [Reserved].

(c) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution. Fees paid hereunder shall not be refundable under any circumstances.

(d) The Borrowers agree to pay to the Administrative Agent, for its own account, an agency fee payable in the amount and at the times separately agreed upon between the Borrowers and the Administrative Agent pursuant to the Agent Fee Letter.

Section 2.13 Interest

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the sum of (x) the Applicable Rate *plus* (y) solely during the Ratings Trigger Period, 3.0%.

(c) Notwithstanding the foregoing, during the continuance of an Event of Default, all outstanding principal amounts of each Loan and any fee or other amount payable by the Borrowers hereunder that is not paid when due shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 3.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount (including overdue interest), 3.00% per annum plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, *provided* that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All computations of interest for ABR Loans (including ABR Loans determined by reference to the Term SOFR) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, *provided* that any Loan that is repaid on the same day on which it is made shall, subject to **Section 2.18**, bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.14 Inability to Determine Rates; Benchmark Replacement Setting

(a) Inability to Determine Rates. Subject to **Section 2.14(b)** if prior to the commencement of any Interest period for a Borrowing of SOFR Loans:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that “Adjusted Term SOFR” cannot be determined pursuant to the definition thereof; or

(ii) the Administrative Agent is advised by the Required Lenders in writing that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Adjusted Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan;

then, in each case, the Administrative Agent shall give notice thereof to the Borrowers and the Lenders as promptly as practicable thereafter.

Upon notice thereof by the Administrative Agent to the Borrowers, any obligation of the Lenders to make SOFR Loans, and any right of the Borrowers to continue SOFR Loans or to convert ABR Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (ii) above, at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (A) the Borrowers may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrowers will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans in the amount specified therein and (B) any outstanding affected SOFR Loans will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrowers shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to **Section 2.16**. Subject to **Section 2.14(b)** below, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on ABR Loans shall be determined by the Administrative Agent without reference to clause (c) of the definition of "Alternate Base Rate" until the Administrative Agent revokes such determination.

(b) Benchmark Replacement Setting.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its Benchmark Replacement Date have occurred prior to the setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrowers and the Lenders of (A) the implementation of any Benchmark Replacement, (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement, (C) the removal or reinstatement of any tenor of a Benchmark pursuant to **Section 2.14(b)(iv)** and (D) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this **Section 2.14(b)**, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this **Section 2.14(b)**.

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein, at any time (including in connection with the implementation of a Benchmark Replacement), (x) if the then-current Benchmark is a term rate (including Term SOFR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent (acting at the Direction of the Required Lenders) in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (y) if a tenor that was removed pursuant to clause (x) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Borrowers’ receipt of notice of the commencement of a Benchmark Unavailability Period (until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist), (i) the Borrowers may revoke any request for a borrowing of, conversion to, or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrowers will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans and (ii) any outstanding SOFR Loans will be deemed to have converted to ABR Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

Section 2.15 Increased Costs

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender; or

(ii) impose on any Lender or the applicable market any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or SOFR Loans made by such Lender therein; or

(iii) subject any Lender to any Taxes on its Loans, letters of credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the actual cost to such Lender of making or maintaining any SOFR Loan (or of maintaining its obligation to make any such Loan) or to increase the actual cost to such Lender or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender, the Borrowers will pay to such Lender, such additional amount or amounts as will compensate such Lender for such increased costs actually incurred or reduction actually suffered, *provided* that to the extent any such costs or reductions are incurred by any Lender as a result of any requests, rules, guidelines or directives enacted or promulgated under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Basel III after the Effective Date, then such Lender shall be compensated pursuant to this Section 2.15(a) only to the extent such Lender is imposing such charges on similarly situated borrowers under the other syndicated credit facilities that such Lender is a lender under. Notwithstanding the foregoing, this paragraph (a) will not apply to (A) Indemnified Taxes or Other Taxes or (B) Excluded Taxes.

(b) If any Lender determines that any Change in Law regarding liquidity or capital requirements has the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to liquidity or capital adequacy), then, from time to time upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction actually suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company in reasonable detail, as the case may be, as specified in **paragraph (a)** or **(b)** of this Section delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 15 Business Days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, **provided** that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; **provided, further**, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under **Section 2.11(f)** and is revoked in accordance therewith) or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to **Section 2.19** or **Section 9.02(c)**, then, in any such event, the Borrowers shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the actual loss, cost and expense attributable to such event. For purposes of calculating amounts payable by the Borrowers to the Lenders under this **Section 2.16**, each Lender shall be deemed to have funded each SOFR Loan made by it at Adjusted Term SOFR (determined without giving effect to any interest rate "floor") for such Loan by a matching deposit or other borrowing for a comparable amount and for a comparable period, whether or not such SOFR Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 15 Business Days after receipt of such demand. Notwithstanding the foregoing, this **Section 2.16** will not apply to losses, costs or expenses resulting from Taxes, as to which **Section 2.17** shall govern.

Section 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, ***provided*** that if the applicable Withholding Agent shall be required by applicable Requirements of Law to withhold or deduct any Taxes from such payments, then (i) the applicable Withholding Agent shall make such withholdings or deductions, (ii) the applicable Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law and (iii) if the Tax in question is an Indemnified Tax or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional amounts payable under this **Section 2.17**) a Lender (or, in the case of a payment received by the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrowers shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrowers shall indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, and any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this **Section 2.17**) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrowers by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of **Section 9.04(c)** relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this **Section 2.17**, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Each Lender shall deliver to the Borrowers and the Administrative Agent at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law and such other documentation reasonably requested by the Borrowers or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements. Each Lender shall, whenever a lapse or time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrowers and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrowers or the Administrative Agent) or promptly notify the Borrowers and the Administrative Agent in writing of its legal ineligibility to do so.

Without limiting the foregoing:

- (1) Each Lender that is a “*United States person*” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrowers and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrowers or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.
- (2) Each Lender that is not a “*United States person*” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrowers and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrowers or the Administrative Agent) whichever of the following is applicable:
 - (A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,
 - (B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),
 - (C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates substantially in the form of **Exhibit P-1, P-2, P-3** and **P-4**, as applicable, (any such certificate, a “*U.S. Tax Compliance Certificate*”) and (y) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),
 - (D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed original copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, U.S. Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information (or any successor forms) from each beneficial owner that would be required under this **Section 2.17(f)** if such beneficial owner were a Lender, as applicable (*provided* that if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or
 - (E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made.

(3) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (3), "**FATCA**" shall include any amendments made to FATCA after the date hereof.

Notwithstanding any other provisions of this clause (f), a Lender shall not be required to deliver any form or other documentation that such Lender is not legally eligible to deliver.

(g) If the Borrowers determine in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the Administrative Agent or the relevant Lender, as applicable, shall use commercially reasonable efforts to cooperate with the Borrowers in a reasonable challenge of such Taxes if so requested by the Borrowers; **provided** that (a) the Administrative Agent or such Lender determines in its reasonable discretion that it would not be subject to any unreimbursed third party cost or expense or otherwise be prejudiced by cooperating in such challenge, (b) the Borrowers pay all related expenses of the Administrative Agent or such Lender, as applicable, and (c) the Borrowers indemnify the Administrative Agent or such Lender, as applicable, for any liabilities or other costs incurred by such party in connection with such challenge. The Administrative Agent or a Lender shall claim any refund that it determines is reasonably available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this **Section 2.17**, it shall pay over such refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), **provided** that the Borrowers, upon the request of the Administrative Agent or such Lender, agree promptly to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrowers' request, provide the Borrowers with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (**provided** that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary, this **Section 2.17(g)** shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential) to any Loan Party or any other Person.

(h) Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to **Section 2.17(f)**.

(i) Each party's obligations under this **Section 2.17** shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrowers shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees or of amounts payable under **Section 2.15, 2.16 or 2.17**, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent (acting at the Direction of the Required Lenders), be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent and except that payments pursuant to **Sections 2.15, 2.16, 2.17 and 9.03** shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment (other than payments on the SOFR Loans) under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a SOFR Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan shall be made in the currency in which such Loan is denominated, all payments of accrued interest payable on a Loan shall be made in dollars, and all other payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all applicable amounts of principal, interest and fees then due hereunder, such funds shall be applied towards payment of applicable interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the applicable amounts of interest and fees then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans of a given Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class and accrued interest thereon than the proportion received by any other Lender with outstanding Loans of the same Class, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of such Class of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class; ***provided*** that

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and

(ii) the provisions of this paragraph shall not be construed to apply to

(A) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement,

(B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant or

(C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension.

The Borrowers consent to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent (acting at the Direction of the Required Lenders) in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(a), Section 2.06(b), Section 2.06(c), Section 2.18(d) or Section 9.03(c), then the Administrative Agent (acting at the Direction of the Required Lenders) may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent (acting at the Direction of the Required Lenders) for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid.

Section 2.19 Mitigation Obligations; Replacement of Lenders

(a) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event that gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17 or mitigate the applicability of Section 2.23, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, or (ii) the Borrowers are required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation), *provided* that

(A) the Borrowers shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consents, in each case, shall not unreasonably be withheld or delayed,

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts),

(C) the Borrowers or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and

(D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payment required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a material reduction in such compensation or payments.

A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrowers, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

Section 2.20 Subsequent Exchange Term Loans

(a) After the Effective Date, any Borrower may, at any time, on one or more occasions pursuant to a Subsequent Exchange Term Loan Facility Amendment issue additional Exchange Term Loans that are *pari passu* with the Initial Exchange Term Loans ("Subsequent Exchange Term Loans") (which loans shall thereafter for all purposes hereunder constitute Initial Exchange Term Loans) either (x) as consideration for additional open market purchases by any one or more of the Borrowers of Existing Term Loans as the Borrowers may elect pursuant to a Subsequent Exchange Term Loan Exchange Agreement or (y) for cash proceeds which are used to concurrently repurchase and/or refinance Existing Term Loans; provided, that:

- (i) [reserved],
- (ii) no issuance of Subsequent Exchange Term Loans in accordance with the terms of this Section 2.20 shall require the approval of any existing Lender,
- (iii) Subsequent Exchange Term Loans shall be *pari passu* in right of payment with the other Initial Exchange Term Loans in accordance with the terms hereof,
- (iv) any Subsequent Exchange Term Loans may participate in any voluntary prepayment of Term Loans as set forth in Section 2.11(a)(i), to the extent provided in such Section and Section 2.18(c), *provided*, that if multiple Classes of Term Loans are outstanding, each voluntary prepayment pursuant to Section 2.11(a)(i), shall be made on a pro rata basis for each Class that remains outstanding,
- (v) on the date of the Borrowing of any Subsequent Exchange Term Loans that will be of the same Class as any then-existing Class of Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.08 or 2.13 above, such Subsequent Exchange Term Loans shall be added to (and constitute a part of, be of the same Type as and, at the election of the Borrowers, have the same Interest Period as) each Borrowing of outstanding Term Loans of such Class on a pro rata basis (based on the relative sizes of such Borrowings), so that each Term Lender providing such Subsequent Exchange Term Loans will participate proportionately in each then-outstanding Borrowing of Term Loans of such Class; it being acknowledged that the application of this clause (a)(vi) may result in new Subsequent Exchange Term Loans having Interest Periods (the duration of which may be less than one month) that begin during an Interest Period then applicable to outstanding SOFR Loans of the relevant Class and which end on the last day of such Interest Period,

(vi) notwithstanding anything to the contrary in this **Section 2.20** or elsewhere in this Agreement, the Borrowers may issue Subsequent Exchange Term Loans to a Lender (or any Subsequent Exchange Term Loan Lender) for cash under this **Section 2.20** (and such loans so issued shall constitute Subsequent Exchange Term Loans for all purposes of this Agreement and the other Loan Documents), so long as (x) substantially concurrently with such issuance a Borrower uses any such proceeds received to purchase Existing Term Loans at a price no greater than par and (y) any such issuance of Exchange Term Loans complies with each of the other provisions of this **Section 2.20**,

(vii) the maturity date of any Subsequent Exchange Term Loans shall not be earlier than the Maturity Date;

(viii) the Weighted Average Life to Maturity of the Subsequent Exchange Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Initial Exchange Term Loans;

(ix) if the All-in Yield on any such Subsequent Exchange Term Loans shall exceed the All-in Yield on the Initial Exchange Term Loans then the Applicable **Margin Rate** (or the “floor” as provided in the following proviso) applicable to the Initial Exchange Term Loans shall be increased such that after giving effect to such increase, the All-in Yield on the Initial Term Loans shall equal the All-in Yield on such Subsequent Exchange Term Loans;

(x) such Subsequent Exchange Term Loans shall satisfy clauses (c), (d) (e) of the definition of Required Additional Debt Terms;

(xi) if the Subsequent Exchange Term Loans shall have any call-protection or other premium or fee payable upon the full or partial repayment, prepayment or repurchase or acceleration thereof (any such benefit, “**Call Protection**”) then such Call Protection shall be added to the terms of the Initial Term Loans to the extent in excess of the premiums set forth in **Section 2.11(a)**, and

(xii) no Subsequent Exchange Term Lender shall receive Subsequent Exchange Term Loans or cash consideration in an aggregate amount greater than the outstanding principal amount (including any fees and interest accrued thereon) of such holder’s Remaining Term Loans as of the time of such Subsequent Exchange (plus any applicable PIK fees).

(b) Each Lender providing a portion of any Subsequent Exchange Term Loans shall execute and deliver to the Administrative Agent and the Top Borrower all such documentation (including the relevant Subsequent Exchange Term Loan Facility Amendment) as may be reasonably required by the Administrative Agent (acting at the Direction of the Required Lenders) to evidence and effectuate such Subsequent Exchange Term Loans. On the effective date of (x) any open market purchase by the Top Borrower of Existing Loans in exchange for any applicable tranche of Subsequent Exchange Term Loans or (y) issuance of any Subsequent Exchange Term Loans for cash, upon consummation of the applicable exchange, each Person selling Existing Term Loans or lending such proceeds of Subsequent Exchange Term Loans shall become a Lender for all purposes in connection with this Agreement.

(c) As conditions precedent to the effectiveness of the issuance of any Subsequent Exchange Term Loans as consideration for the purchase of Existing Loans, (i) upon its request, the Administrative Agent shall be entitled to receive customary reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall be entitled to receive, from each such Lender of Subsequent Exchange Term Loans, an Administrative Questionnaire and such other documents as it (acting at the Direction of the Required Lenders) shall reasonably require from such Person and (iii) the Administrative Agent shall be entitled to receive a certificate of the Borrowers signed by a Responsible Officer thereof that as of the date of the issuance of, and giving effect to the issuance of, the applicable Subsequent Exchange Term Loans, no Event of Default exists.

(d) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Subsequent Exchange Term Loan Facility Amendment and/or any amendment to any other Loan Document as may be necessary in order to establish new Classes or sub-Classes in respect of Loans or commitments pursuant to this **Section 2.20** and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent (acting at the Direction of the Required Lenders) and the Borrowers in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this **Section 2.20**. In addition, any Subsequent Exchange Term Loan Facility Amendment with respect to any Subsequent Exchange Term Loans, without the consent of any Lenders (other than those providing such Subsequent Exchange Term Loans) or the Administrative Agent, may include such amendments to this Agreement as may be necessary, appropriate or advisable as reasonably determined by the Administrative Agent and the Borrowers to make the applicable Subsequent Exchange Term Loans “fungible” with the relevant existing Class of Subsequent Exchange Term Loans (including by modifying the applicable amortization schedule).

Section 2.21 **[Reserved]**.

Section 2.22 **[Reserved]**.

Section 2.23 **Illegality.** If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender to make, maintain or fund Loans whose interest is determined by reference to the Term SOFR Reference Rate, Term SOFR or Adjusted Term SOFR, or to determine or charge interest rates based upon the Term SOFR Reference Rate, Term SOFR or Adjusted Term SOFR, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligation of such Lender to make or continue SOFR Loans or to convert ABR Loans to SOFR Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon three Business Days’ notice from such Lender (with a copy to the Administrative Agent), in the case of SOFR Loans, prepay or, if applicable, convert all SOFR Loans of such Lender to SOFR Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such SOFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such SOFR Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Term SOFR Reference Rate, Term SOFR or Adjusted Term SOFR, the Administrative Agent shall, during the period of such suspension, compute the Alternate Base Rate applicable to such Lender without reference to the Term SOFR Reference Rate, Term SOFR or Adjusted Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Term SOFR Reference Rate, Term SOFR or Adjusted Term SOFR. Each Lender agrees to notify the Administrative Agent and the Borrowers in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon the Term SOFR Reference Rate, Term SOFR or Adjusted Term SOFR. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

(e) Notwithstanding anything to the contrary contained herein, if the Borrowers are not in compliance with **Section 6.13(c)** as of the last day of any calendar month (except due to the application of **Section 6.13(h)**), then the Borrowers shall cause (i) the AMC Group (other than the Odeon Group) to have no more than \$240,000,000 of Available Cash and (ii) the Odeon Group to have no more than \$150,000,000 of Available Cash, in each case within three (3) Business Days of the date that the certification described in **Section 5.01(h)** is delivered (or required to be delivered), and if the Borrowers shall then be in compliance with the requirements of **Section 6.13(c)**, the Borrowers shall be deemed to have satisfied the requirements of **Section 6.13(c)** as of the last day of the prior calendar month with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of **Section 6.13(c)** that had occurred shall be deemed cured for the purposes of this Agreement.

(f) If a Bi-Monthly Testing Event occurs, then the Borrowers shall cause (i) the AMC Group (other than the Odeon Group) to have no more than \$240,000,000 of Available Cash and (ii) the Odeon Group to have no more than \$150,000,000 of Available Cash, in each case, as of the 15th calendar day (or the immediately succeeding Business Day if such date is not a Business Day) of the applicable calendar month ending immediately after such Bi-Monthly Testing Event.

(g) Investments after the Effective Date (x) may not be made in the Odeon Group by the AMC Group and (y) to the extent permitted under all applicable documentation governing any Material Indebtedness, in the Odeon Group by any member of the Muvico Group shall be in the form of intercompany Indebtedness; **provided, that**, notwithstanding anything to the contrary herein, to the extent that any such Investments (i) are not permitted to be made in the Odeon Group by the Muvico Group pursuant to the terms of any Material Indebtedness as in effect on the Effective Date (or pursuant to terms of Material Indebtedness no more restrictive than Material Indebtedness in effect on the Effective Date), or (ii) are only permitted under the terms of such Material Indebtedness by requiring any member of the Odeon Group to utilize any "credit facilities" and/or general indebtedness baskets which are also available to the AMC Group such that the amount of indebtedness that the AMC Group is thereafter able to incur under the terms of such Material Indebtedness is in the aggregate less than the amount of indebtedness that the AMC Group is then able to incur under **Sections 6.01(a)(xiv)** or **(xxv)** under this Agreement, then in either case, the foregoing clause (x) shall not restrict Investments in the Odeon Group by the AMC Group in the form of either (x) Investments in Qualified Equity Interests of Odeon Holdco or (y) loans to Odeon Holdco that are unsecured and subordinated in right of payment to the Odeon Holdco Intercompany Loan.

(h) Notwithstanding the foregoing, no transfers of cash or Permitted Investments shall be required to comply with this **Section 6.13** to the extent that any transfer would result in a default under any Material Indebtedness of AMC or its Subsidiaries outstanding on the Effective Date or would result in material adverse tax or regulatory consequence in connection with repatriation of cash or Permitted Investments.

then, and in every such event (other than an event with respect to any Borrower described in paragraph (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrowers, take either or both of the following actions, at the same or different times:

(i) terminate the applicable Commitments, and thereupon the Commitments shall terminate immediately,

(ii) declare the applicable Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrowers accrued hereunder, shall become due and payable immediately and

(iii) [reserved],

in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to any Borrower described in **paragraph (h)** or **(i)** of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrowers accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers.

Notwithstanding anything in this Agreement to the contrary, each Lender and the Administrative Agent hereby acknowledge and agree that a restatement of historical financial statements shall not result in a Default hereunder (whether pursuant to **Section 7.01(c)** as it relates to a representation made with respect to such financial statements (including any interim unaudited financial statements) or pursuant to **Section 7.01(d)** as it relates to delivery requirements for financial statements pursuant to **Section 5.01**) to the extent that such restatement does not reveal any material adverse difference in the financial condition, results of operations or cash flows of the Borrowers and their Subsidiaries in the previously reported information from actual results reflected in such restatement for any relevant prior period.

Without limited the generality of the foregoing in this Section 7.01, it is understood and agreed that if the Loan Document Obligations are accelerated as a result of an Event of Default (including, but not limited to any event with respect to the any Borrower described in paragraph (h) or (i) of this Article or upon the occurrence or commencement of any bankruptcy or insolvency proceeding or other event pursuant to the Bankruptcy Code or other applicable law for the relief of debtors (including the acceleration of claims by operation of law)), the Loan Document Obligations that become due and payable shall include the premium (if any) above par, including the Make-Whole Amount and the Prepayment Premium, that would have been due on such date if the Term Loans were optionally prepaid pursuant to Section 2.11(a) on such date or, if applicable, repaid on the Maturity Date (any such premium, the “**Applicable Premium**”), which shall become immediately due and payable by the Borrowers and the other Loan Parties and shall constitute part of the Loan Document Obligations as if the Term Loans were being optionally redeemed or repaid as of such date, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a good faith reasonable estimate and calculation of each Lender’s lost profits and/or actual damages as a result thereof. The Applicable Premium (if any) shall also be automatically and immediately due and payable if the Loan Document Obligations are satisfied or released by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure, or by any other means in connection with an Event of Default described in the preceding sentence or are reinstated, including without limitation, under a plan of reorganization or similar manner in any bankruptcy, insolvency or similar proceeding. The Applicable Premium (if any) payable pursuant to this Agreement shall be presumed to be the liquidated damages sustained by each Lender as the result of the early repayment or prepayment of the Term Loans (and not unmatured interest or a penalty) and the Borrowers and other Loan Parties agree that it is reasonable under the circumstances currently existing. EACH OF THE BORROWERS AND THE OTHER LOAN PARTIES EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE PREPAYMENT FEE IN CONNECTION WITH ANY SUCH ACCELERATION. Each of the Borrowers and the other Loan Parties expressly agree (to the fullest extent they may lawfully do so) that: (A) the Applicable Premium is reasonable and the product of an arm’s length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Premium shall each be payable notwithstanding the then prevailing market rates at the time payment or redemption is made; (C) there has been a course of conduct between Lenders, the Borrowers and the other Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Premium; (D) any such Loan Party shall not challenge or question, or support any other Person in challenging or questioning, the validity or enforceability of the Applicable Premium or any similar or comparable prepayment fee, and such Loan Party shall be estopped from raising or relying on any judicial decision or ruling questioning the validity or enforceability of any prepayment fee similar or comparable to the Applicable Premium, and (E) the Borrower and the other Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph. Each of the Borrower and the other Loan Parties expressly acknowledge that its agreement to pay or guarantee the payment of the Applicable Premium to the Lenders as herein described are individually and collectively a material inducement to Lenders to make available (or be deemed to make available) the Loans hereunder.

Section 7.02 [Reserved].

Section 7.03 Application of Proceeds. After the exercise of remedies provided for in Section 7.01, any amounts received on account of the Secured Obligations shall be applied by the Collateral Agent in accordance with Section 4.02 of the Pledge and Security Agreement and/or the similar provisions in the other Security Documents. Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth in Section 4.02 of the Pledge and Security Agreement and/or the similar provisions in the other Security Documents.

ARTICLE VIII

THE ADMINISTRATIVE AGENT AND COLLATERAL AGENT

Section 8.01 Appointment and Authority.

(a) Each of the Lenders hereby irrevocably appoints Wilmington Savings Fund Society, FSB to serve as Administrative Agent and Collateral Agent under the Loan Documents, and authorizes the Administrative Agent and Collateral Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article (other than Resignation and Collateral and Guaranty Matters) are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders, and none of the Borrowers or any other Loan Party shall have any rights as a third party beneficiary of any such provision. The use of the term “agent” herein and in the other Loan Documents with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Collateral Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent, as “collateral agent” and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article IX (including the second paragraph of Section 9.03), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents as if set forth in full herein with respect thereto. In furtherance of the foregoing, the Collateral Agent shall have all of the rights, privileges, immunities and indemnities of the Administrative Agent for such purposes, and all references in this Article VIII to the Administrative Agent shall include the Collateral Agent for such purpose. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent and the Collateral Agent to (i) subject to Section 8.10, execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders and (ii) subject to Sections 8.09 and 9.02, negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, acting at the Direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 8.02 Rights as a Lender.

Each Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as the Administrative Agent hereunder in its individual capacity. Each such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrowers or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 8.03 Exculpatory Provisions.

The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) Shall not have or be deemed to have any fiduciary relationship with any Lender or any other Person, and no implied duties, covenants, functions, responsibilities, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that neither the Administrative Agent nor the Collateral Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may (i) expose such Agent to liability or that is contrary to any Loan Document or applicable law or (ii) be in violation of the automatic stay under any debtor relief law or that may affect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any debtor relief law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or the Collateral Agent or any of their respective Related Parties in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 8.02 and 6.04 or (ii) in the absence of its own gross negligence or willful misconduct (the absence of which shall be presumed unless otherwise determined by a court of competent jurisdiction in a final and nonappealable judgment); *provided* that any action or inaction taken at the Direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith to be necessary) shall not be deemed gross negligence or willful misconduct;

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent;

(f) shall not be required to use, risk or advance its own funds or otherwise incur financial liability in the performance of any of its duties or the exercise of any of its rights and powers hereunder or under any other Loan Document;

(g) shall not be responsible or liable for any failure or delay in the performance of its obligations under this Agreement or any other Loan Document arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or Governmental Authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; pandemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility;

(h) shall not be liable for any action omitted to be taken by it by reason of the lack of direction or instruction for such action (including, without limitation, for refusing to exercise discretion or for withholding its consent in the absence of receipt of, or resulting from a failure, delay or refusal on the part of any Lender to provide, written instructions to exercise such direction or grant such consent from any such Lender, as applicable). The Administrative Agent shall have no liability for any failure, inability or unwillingness on the part of any Lender or Credit Party to provide accurate and complete information on a timely basis to the Administrative Agent, as applicable, or otherwise on the part of any such party to comply with the terms of this Agreement, and shall not have any liability for any inaccuracy or error in the performance or observance on such the Administrative Agent's part of any of its duties hereunder that is caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof;

(i) shall not be responsible or have any obligation for (i) perfecting, maintaining, monitoring, preserving or protecting any security interest or Lien granted under this Agreement, any other Loan Document or any other agreement or instrument contemplated hereby or thereby, (ii) the filing, re-filing, recording, re-recording or continuing of financing statements, notices, instruments, documents, agreements, consents or other papers necessary to (1) create, preserve, perfect or validate any security interest granted to the Collateral Agent pursuant to any Loan Document or (2) enable the Collateral Agent to exercise and enforce its rights under any Loan Document, or (iii) providing, maintaining, monitoring or preserving insurance on (including any flood insurance policies or for determining whether any flood insurance policies are or should be obtained in respect of the Collateral, which each Lender shall be solely responsible for), or the payment of taxes with respect to, any of the Collateral;

(j) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance by any Person with the provisions of this Agreement relating to Affiliated Lenders or Debt Fund Affiliates;

(k) shall not be liable to the Lenders for any apportionment or distribution of payments made by it to such Lenders in good faith and if any such apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Lender to whom payment was due but not made shall be to recover pro rata from the other Lenders any payment equal to the amount to which they are determined to be entitled (and such other Lenders hereby agree to return to such Lender any such erroneous payments received by them);

(l) shall not be obligated to calculate or confirm the calculations of any financial covenants or ratios set forth herein or the other Loan Documents or in any of the financial statements of the Loan Parties;

(m) shall not have any obligation to monitor whether any amendment or waiver to any Loan Document has properly become effective or is permitted hereunder or thereunder except to the extent expressly agreed to by such Agent in such amendment or waiver; and

(n) For purposes of clarity, and without limiting any rights, protections, immunities or indemnities afforded to either Agent hereunder (including without limitation this Section 8.03), phrases such as “satisfactory to the Administrative Agent,” “approved by the Administrative Agent,” “acceptable to the Administrative Agent,” “as determined by the Administrative Agent,” “in the Administrative Agent’s discretion,” “selected by the Administrative Agent,” “elected by the Administrative Agent,” “requested by the Administrative Agent,” and phrases of similar import that authorize and permit the Administrative Agent to approve, disapprove, determine, act or decline to act in its discretion shall be subject to the Administrative Agent receiving written direction from the Required Lenders (or such other number or percentage of the Lenders as expressly required hereunder or under the other Credit Documents) to take such action or to exercise such rights.

The Administrative Agent and the Collateral Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default and stating that such notice is a “notice of default” is received by the Administrative Agent from the Borrowers or a Lender.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption or Subsequent Exchange Term Loan Documents, pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

Section 8.04 Reliance by the Agents.

The Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it in good faith to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent and the Collateral Agent may rely upon any statement made to it orally or by telephone and believed by it in good faith to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such other number or percentage of Lenders as may be required by any Loan Document in any instance) as it deems appropriate and, if it so reasonably requests, confirmation from the Lenders of their obligation to indemnify it against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

Section 8.05 Delegation of Duties.

The Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent and the Collateral Agent, as applicable. The Administrative Agent and the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII (and the indemnification provisions of Section 9.03) shall apply to any such sub-agent and to the Related Parties of each of the Administrative Agent and the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent and the Collateral Agent, as applicable. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent and the Collateral Agent, as applicable, acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 8.06 Resignation of Agents.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign upon 30 days' notice to the Lenders and the Borrowers. Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall have the right, with the Borrowers' consent (unless an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders, appoint a successor Administrative Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Administrative Agent is replaced, the "*Resignation Effective Date*").

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable)

(1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and

(2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above.

Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and **Section 9.04** shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Section 8.07 Non-Reliance on Agents and Other Lenders.

Each Lender acknowledges that it has, independently and without reliance upon any Administrative Agent or Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Administrative Agent or Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 8.08 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Administrative Agent or Collateral Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, or Collateral Agent or a Lender hereunder.

Section 8.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any proceeding under any debtor relief law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated), by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Agents under **Sections 2.12 and 9.03**) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, receiver and manager, interim receiver, monitor, assignee, trustee, liquidator, sequesteror or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their agents and counsel, and any other amounts due the Agents under **Sections 2.12 and 9.03**.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender, or to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

Section 8.10 Collateral and Guaranty Matters

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

Each Lender party to this Agreement hereby appoints the Administrative Agent and Collateral Agent to act as its agent under and in connection with the relevant Security Documents.

Section 8.11 [Reserved]

Section 8.12 Erroneous Payments

(a) Each Lender hereby agrees that if the Administrative Agent notifies a Lender or Secured Party or any Person who has received funds on behalf of a Lender or Secured Party (any such Lender, Secured Party or other recipient, a “***Erroneous Payment Recipient***”) in writing that the Administrative Agent has determined in its reasonable discretion that the Administrative Agent or its Affiliates mistakenly transmitted funds to such Erroneous Payment Recipient, as a result of a clerical, mechanical, technological or other error, whether or not known to such Erroneous Payment Recipient (any such funds, whether as a payment, prepayment or repayment of principal, interest, fees or otherwise, individually and collectively, an “***Erroneous Payment***”) and demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment Recipient shall make commercially reasonable efforts to promptly return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a written demand was made, in same day funds (in the currency so received). A notice from the Administrative Agent to any Lender under this **Section 8.12(a)** shall set forth the facts and circumstances resulting in such Erroneous Payment; *provided* that the Administrative Agent shall not make any demand under this **Section 8.12(a)** unless the notice described herein is delivered within 90 days after the making of the applicable Erroneous Payment.

(b) Without limiting the immediately preceding clause (a), each Lender or Secured Party hereby further agrees that if it (or an Erroneous Payment Recipient on its behalf) receives a payment from the Administrative Agent (x) in a different amount or on a different date than the amount or date specified in a notice of payment sent by the Administrative Agent with respect to such payment, (y) that was not preceded or accompanied by a notice of payment sent by the Administrative Agent, or (z) that such Lender or Secured Party (or Erroneous Payment Recipient on its behalf) otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) then, in each case, such Lender or Secured Party shall presume that an error has been made (absent written confirmation from the Administrative Agent) and shall promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.12(b).

(c) Each Erroneous Payment Recipient hereby authorizes the Administrative Agent to set off, net and apply any amounts at any time owing to such Erroneous Payment Recipient under any Loan Document against any amount due to the Administrative Agent under the preceding clause (a).

(d) The Borrowers and each other Loan Party hereby agrees that (i) in the event an Erroneous Payment (or portion thereof) is not recovered from any Erroneous Payment Recipient (and without limiting the Administrative Agent's rights and remedies under this Section 8.12), the Administrative Agent shall be subrogated to all the rights of such Erroneous Payment Recipient with respect to such amount (such rights, the "***Erroneous Payment Subrogation Rights***") and (ii) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Loan Party. If the amount of any Erroneous Payment is subsequently recovered by the Administrative Agent or its Affiliates, the Administrative Agent or such Affiliate shall return to the applicable Erroneous Payment Recipient either (x) the Loans acquired pursuant to this clause (d) or (y) if applicable, the proceeds of such Loans. Notwithstanding anything to the contrary contained herein, and for the avoidance of doubt, in no event shall the occurrence of an Erroneous Payment (or any Erroneous Payment Subrogation Rights or other rights of the Administrative Agent in respect of an Erroneous Payment) result in the Administrative Agent becoming or being deemed to be a Lender hereunder or the holder of any Loans hereunder.

(e) In addition to any rights and remedies of the Administrative Agent provided by law, the Administrative Agent shall have the right, without prior notice to any Lender, any such notice being expressly waived by such Lender to the extent permitted by applicable law, with respect to any Erroneous Payment for which a demand has been made in accordance with this Section 8.12 and which has not been returned to the Administrative Agent, to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final but excluding trust accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by the Administrative Agent or any Affiliate, branch or agency thereof to or for the credit or the account of such Lender. The Administrative Agent agrees to promptly notify the Lender after any such setoff and application made by the Administrative Agent; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

(f) Each party's obligations under this Section 8.12 shall survive the resignation or replacement of the Administrative Agent, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

The Borrowers may change their address, email or facsimile number for notices and other communications hereunder by notice to the Administrative Agent, the Administrative Agent may change its address, email or facsimile number for notices and other communications hereunder by notice to the Borrowers and the Lenders may change their address, email or facsimile number for notices and other communications hereunder by notice to the Administrative Agent. Notices and other communications to the Lenders hereunder may also be delivered or furnished by electronic transmission (including email and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to **Article II** if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic transmission.

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DE-DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMPANY MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE COMPANY MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE COMPANY MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Borrowers, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Borrower's, any Loan Party's or the Administrative Agent's transmission of Company Materials or notices through the Platform, any other electronic messaging service, or through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses have resulted from the willful misconduct, bad faith or gross negligence of the Administrative Agent or any of its Related Parties, as applicable.

The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices and Borrowing Requests) purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on the Borrowers in any case shall entitle the Borrowers to any other or further notice or demand in similar or other circumstances.

(b) Except as expressly provided herein, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers, the Administrative Agent (to the extent that such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall execute such waiver, amendment or other modification to the extent approved by the Required Lenders) and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders, **provided** that no such agreement shall

(i) increase the Commitment of any Lender (other than with respect to any Subsequent Exchange Term Loan Facility pursuant to **Section 2.20** in respect of which such Lender has agreed to be a Subsequent Exchange Term Loan Lender) without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in **Section 4.02** or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender),

(ii) reduce the principal amount of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness in principal) or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (it being understood that any change to the definition of “**Total Leverage Ratio**” or in the component definitions thereof shall not constitute a reduction of interest or fees), **provided** that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrowers to pay default interest pursuant to **Section 2.13(c)**,

(iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Loan under **Section 2.10**, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby),

(iv) change any of the provisions of this Section without the written consent of each Lender directly and adversely affected thereby, **provided** that any such change which is in favor of a Class of Lenders holding Loans maturing after the maturity of other Classes of Lenders (and only takes effect after the maturity of such other Classes of Loans or Commitments) will require the written consent of the Required Lenders with respect to each Class directly and adversely affected thereby,

(v) lower the percentage set forth in the definition of “**Required Lenders**” or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be),

(vi) (A) release all or substantially all the value of the Guarantees under the Guaranty (except as expressly provided in the Loan Documents) without the written consent of each Lender or (B) amend modify, terminate or waive the last paragraph of **Section 9.15** without the written consent of each Lender,

(vii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (except as expressly provided in the Loan Documents),

(viii) change the currency in which any Loan is denominated, without the written consent of each Lender directly affected thereby,

(ix) change (A) any of the provisions of **Section 7.03**, or Section 4.02 of the Pledge and Security Agreement and/or the similar “waterfall” provisions in the other Security Documents referred to therein or (B) Section 2.18(c), in each case without the written consent of each Lender,

(x) (A) amend modify, terminate or waive **Section 6.01(b)** without the written consent of each Lender or (B) permit the issuance or incurrence of any Indebtedness (including, for the avoidance of doubt any “debtor-in-possession” facility pursuant to Section 364 of the Bankruptcy Code (or similar financing under applicable law) and no Lender or the Agent shall consent to the incurrence of such facility) with respect to which all or any portion of the Loan Document Obligations would be subordinated in right of payment or Liens on all or substantially all of the Collateral securing the Loan Document Obligations would be subordinated (any such other Indebtedness to which the Obligations are subordinated in right of payment or such Liens securing any of the Obligations are subordinated, “**Specified Indebtedness**”), unless each Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the principal amount of Obligations held by each Lender that are adversely affected thereby) of the Specified Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, “**Ancillary Fees**”) as offered to all other providers (or their Affiliates) of the Specified Indebtedness and to the extent such adversely affected Lender decides to participate in the Specified Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Specified Indebtedness afforded to the providers of the Specified Indebtedness (or any of their Affiliates) in connection with providing the Specified Indebtedness without the written consent of each Lender; provided, that, for the avoidance of doubt, any such opportunity (including any fees (other than bona fide backstop fees) available prior to closing thereof) may be provided in connection with a post-closing syndication of the Specified Indebtedness;

(xi) amend, modify or waive any provision of the Loan Documents in a manner that would permit any Subsidiary to be designated as an “Unrestricted Subsidiary” or permit the transfer of any assets (including by Disposition, Investment or Restricted Payments) to “Unrestricted Subsidiaries” or otherwise permit the creation or existence of, or transfer of any assets (including by Disposition, Investment or Restricted Payments) to, a Subsidiary otherwise not subject to the provisions of the Credit Documents (it being acknowledged that no Subsidiary is an “Unrestricted Subsidiary” hereunder as of the Effective Date) without the written consent of each Lender;

(xii) amend, modify or waive any provision of **Section 6.12** without the written consent of each Lender;

(xiii) to the extent not otherwise permitted by this Agreement as of the Effective Date, authorize additional Indebtedness that would be issued under the Loan Documents for the purpose of influencing voting thresholds without the written consent of each Lender;

(xiv) amend, modify or waive any provision of the Loan Documents to allow for purchases of any Loans (by open market purchase or through other assignments) by the Borrowers or any of their Subsidiaries or other Affiliates or make Discounted Term Loan Prepayments or other “Dutch Auction” prepayments or repurchases other than for cash consideration without the written consent of each Lender;

(xv) amend, modify or waive any provision of any Loan Document in a manner that would be disproportionately adverse to any Lender vis-à-vis any other Lender without the written consent of each Lender;

(xvi) permit the receipt by the Borrowers or any of their Subsidiaries of any non-cash consideration (or any consideration deemed to be cash consideration) except as permitted under this Agreement as of the Effective Date without the consent of each Lender;

(xvii) amend, modify or waive the definitions of “Maturity Date” and “Springing Maturity Date Condition” without the written consent of each Lender;

(xviii) amend, modify, terminate or waive the definition of “Ratings Trigger Period” and/or **Section 2.13(b)** without the written consent of each Lender;

provided, further, that

(A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or Collateral Agent, as the case may be, including, without limitation, any amendment of this Section,

(B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrowers and the Administrative Agent to cure any ambiguity, omission, mistake, error, defect or inconsistency and

(C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into solely by the Borrowers, the Administrative Agent and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time.

Notwithstanding the foregoing,

(a) subject to subsection (b) above (including clause (xiii) thereof), this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion,

(b) this Agreement and other Loan Documents may be amended or supplemented by an agreement or agreements in writing entered into by the Administrative Agent and the Borrowers or any Loan Party as to which such agreement or agreements is to apply, without the need to obtain the consent of any Lender, to include “parallel debt” or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Collateral Agent, in each case required to create in favor of the Collateral Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose (with the Borrowers hereby agreeing to, and to cause their subsidiaries to, enter into any such agreement or agreements upon reasonable request of the Administrative Agent promptly upon such request) and

(c) upon notice thereof by the Borrowers to the Administrative Agent with respect to the inclusion of any previously absent financial maintenance covenant or other covenant, this Agreement shall be amended by an agreement in writing entered into by the Borrowers and the Administrative Agent without the need to obtain the consent of any Lender to include any such covenant on the date of the incurrence of the applicable Indebtedness to the extent required by the terms of such definition or section.

(d) In connection with any proposed amendment, modification, waiver or termination (a “**Proposed Change**”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in **paragraph (b)** of this Section being referred to as a “**Non-Consenting Lender**”), then, so long as the Lender that is acting as the Administrative Agent is not a Non-Consenting Lender, the Borrowers may, at their sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in **Section 9.04**), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), **provided** that

(c) the Borrowers shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under **Section 9.04(b)** for an assignment of Loans or Commitments, as applicable, which consent shall not unreasonably be withheld,

(d) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts (including any amounts under **Section 2.11(a)(i)**), payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and

(e) unless waived, the Borrowers or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in **Section 9.04(b)**.

(f) [Reserved].

(g) [Reserved].

(h) Without any further consent of the Lenders, the Administrative Agent and the Collateral Agent shall be authorized to negotiate, execute and deliver on behalf of the Secured Parties any Intercreditor Agreement in a form substantially consistent with **Exhibit E** or **Exhibit F** hereto.

(i) For the avoidance of doubt, the definition of Required Lenders shall be calculated on a Pro Forma Basis in accordance with **Section 1.04**; **provided** that any waiver, amendment or modification obtained on such basis (i) will not become operative until substantially contemporaneously with the incurrence of such Indebtedness, (ii) is not required in order to avoid a covenant Default and (iii) does not affect the rights or duties under this Agreement of Lenders holding Loans or Commitments of any then outstanding Class but not the Lenders in respect of such Indebtedness to be incurred.

Section 9.03 Expenses; Indemnity; Damage Waiver.

(a) Any action taken by any Loan Party under or with respect to any Loan Document, even if required under any Loan Document or at the request of the Agent or Required Lenders, shall be at the expense of such Loan Party, and neither the Agent nor any other Secured Party shall be required under any Loan Document to reimburse any Loan Party or any Subsidiary of any Loan Party therefor except as expressly provided therein. In addition, the Borrowers agree (a) to pay or reimburse the Agent for all reasonable and documented or invoiced out-of-pocket costs and expenses, including any and all recording and filing fees, costs and expenses incurred pursuant to any Loan Document, associated with the syndication of the Loans and the preparation, execution and delivery, administration, amendment, modification, waiver and/or enforcement of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), including all Attorney Costs of one primary counsel (and a single local counsel in each relevant jurisdiction or otherwise retained with the Borrowers' consent (such consent not to be unreasonably withheld, conditioned or delayed)), (b) to pay or reimburse the Agent for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including Attorney Costs of one firm or counsel to the Agent and, to the extent required, one firm or local counsel in each relevant local jurisdiction or otherwise retained with the Borrowers' consent (such consent not to be unreasonably withheld, conditioned or delayed), which may include a single special counsel acting in multiple jurisdictions) and (c) to pay or reimburse the Lenders for all their reasonable and documented out of pocket costs and expenses (without duplication) incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement, modification to, waiver, enforcement and preservation of rights under this Agreement and the other Loan Documents and any other documents in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of one firm of counsel to the Lenders taken as a whole (it being understood such counsel shall initially be Gibson, Dunn & Crutcher LLP), and, to the extent required one firm of local counsel in each relevant local jurisdiction (which may include a single special counsel acting in multiple jurisdictions)). Subject to the limitations above, the foregoing costs and expenses shall include all reasonable search, filing, recording and title insurance charges and fees related thereto, and other reasonable and documented or invoiced out-of-pocket expenses incurred by the Agent. The agreements in this Section 9.03 shall survive the termination of the Commitments and repayment of all other Loan Document Obligations. All amounts due under this Section 9.03 shall be paid within ten (10) Business Days of receipt by the Borrowers of an invoice relating thereto setting forth such expenses in reasonable detail.

(b)

(i) The Borrowers agree to pay, indemnify and hold harmless the Agent, each Lender at any time party hereto (whether or not such Lender remains a party hereto) and each of their respective Related Persons (without duplication) (each such Person being an "**Indemnatee**") from and against all Liabilities that may be imposed on, incurred by or asserted against any such Indemnatee and the reasonable and documented or invoiced out-of-pocket expenses to which such Indemnatee may become subject, in each case to the extent of any such Liabilities and related expenses, to the extent arising out of, or resulting from, or in connection with the Loan Documents, the use or proposed use of proceeds of any Loan or any Proceeding (regardless of whether such Indemnatee is a party thereto or whether or not such Proceeding was brought by any Borrower, their equityholders, Affiliates or creditors or any other third Person) and to reimburse each such Indemnatee promptly for any reasonable and documented or invoiced out-of-pocket fees and expenses incurred in connection with investigating, responding to or defending any of the foregoing (which, in the case of Attorney Costs, shall be limited to (x) Attorney Costs of one firm of counsel for the Agent and its respective Affiliates, directors, officers, employees, agents, advisors and other representatives, (y) Attorney Costs of one firm of counsel for the Lenders and their respective Affiliates, directors, officers, employees, agents, advisors, and other representatives (it being understood such counsel shall initially be Gibson, Dunn & Crutcher LLP) and, (z) if reasonably necessary, Attorney Costs of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) (and, in the case of an actual or perceived conflict of interest where the indemnatee affected by such conflict notifies the Borrowers of the existence of such conflict and in connection with the investigating, responding to or defending any of the foregoing has retained its own counsel, of one other firm of counsel and, if reasonably necessary, on additional firm of local counsel in each relevant jurisdiction for such similarly situated affected Indemnitees)), in each case relating to the Transactions or the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents or the use or proposed use of the proceeds of the Loans (all the foregoing in this clause (b), collectively, the "**Indemnified Matters**"); **provided** that this clause (b) shall not apply with respect to Taxes other than any Taxes that represent Liabilities arising from any non-Tax claim; and **provided, further**, that the Borrowers shall have no obligation hereunder to any Indemnatee with respect to Indemnified Matters to the extent arising from (i) the gross negligence, bad faith or willful misconduct of such Indemnatee or any of its Related Indemnified Persons as determined in a final and non-appealable decision of a court of competent jurisdiction, (ii) a material breach of the obligations of such Indemnatee or any of its Related Indemnified Persons under the terms of this Agreement or any other Loan Document by such Indemnatee or any of its Related Indemnified Persons as determined in a final and non-appealable decision of a court of competent jurisdiction or (iii) any Proceeding brought by any Indemnatee against any other Indemnatee that does not involve an act or omission by the Borrowers or their Subsidiaries; **provided** that the Agent, to the extent fulfilling its role in its capacities as such, shall remain indemnified in respect of such a Proceeding, to the extent that none of the exceptions set forth in clause (i) or (ii) of the immediately preceding proviso applies to such Person at such time.

(ii) No Loan Party shall be liable for any settlement of any Proceeding effected without written consent of the Borrowers, but if settled with the Borrowers' written consent or if there is a final and non-appealable judgment by a court of competent jurisdiction in any such Proceeding, each Credit Party agrees to indemnify and hold harmless each Indemnitee from and against any and all Liabilities and reasonable and documented or invoiced legal or other out-of-pocket expenses by reason of such settlement or judgment in accordance with and to the extent provided in the other provisions of this Section 9.03. If any Person has reimbursed any Indemnitee for any legal or other expenses in accordance with such request and there is a final and non-appealable determination by a court of competent jurisdiction that the Indemnitee was not entitled to indemnification or contribution rights with respect to such payment pursuant to this Section 9.03, then the Indemnitee shall promptly refund such amount.

(iii) No Loan Party shall without the prior written consent of any Indemnitee (which consent shall not be unreasonably withheld or delayed, it being understood that the withholding of consent due to non-satisfaction of any of the conditions described in clauses (i), (ii) and (iii) of this sentence shall be deemed reasonable), effect any settlement of any pending or threatened Proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless such settlement (i) includes a full and unconditional release of such Indemnitee in form and substance reasonably satisfactory to such Indemnitee from all liability or claims that are the subject matter of such Proceeding, (ii) does not include any statement as to or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of any Indemnitee, and (iii) includes customary confidentiality and non-disparagement agreements.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrowers may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void), and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in **paragraph (c)** of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraphs **(b)(ii)** and **(g)** below, any Lender may assign to one or more Eligible Assignees (**provided** that, no assignments to any Borrower or any of their Subsidiaries or any Affiliates thereof are permitted) with the prior written consent of the Borrowers (only with respect to assignments to competitors of the Borrowers), **provided** that no consent of the Borrowers shall be required for any other assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than, \$1,000,000 (and integral multiples of \$1,000,000 in excess thereof), unless the Borrowers and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed), *provided* that no such consent of the Borrowers shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing,

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, *provided* that this subclause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans,

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption (which shall include a representation by the assignee that it meets all the requirements to be an Eligible Assignee), together (unless waived by the Administrative Agent) with a processing and recordation fee of \$3,500, *provided* that assignments made pursuant to Section 2.19(b) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrowers, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and

(E) [reserved].

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c)(i) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and, solely with respect to its Loans or Commitments, any Lender at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire and any tax forms required by **Section 2.17(f)** (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in **paragraph (b)** of this Section and any written consent to such assignment required by **paragraph (b)** of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this **paragraph (b)**.

(vi) The words “execution,” “signed,” “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the consent of the Borrowers or the Administrative Agent sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee) (a “**Participant**”), **provided** that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents, **provided** that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to **Section 9.02(b)** that directly and adversely affects such Participant. Subject to **paragraph (c) (ii)** of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of **Sections 2.15, 2.16 and 2.17** to the same extent as if it were a Lender (subject to the requirements and limitations thereof, it being understood that any tax forms required by **Section 2.17(f)** shall be provided solely to the Lender that sold the participation) and had acquired its interest by assignment pursuant to **paragraph (b)** of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of **Section 9.08** as though it were a Lender, **provided** that such Participant agrees to be subject to **Section 2.18(b)** as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under **Section 2.15** or **Section 2.17** than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrowers’ prior consent (not to be unreasonably withheld or delayed).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"), **provided** that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive (absent manifest error), and each Person whose name is recorded in the Participant Register pursuant to the terms hereof shall be treated as a Participant for all purposes of this Agreement, notwithstanding notice to the contrary.

(d) Any Lender may, without the consent of the Borrowers or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section shall not apply to any such pledge or assignment of a security interest, **provided** that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPV**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers, the option to provide to the Borrowers all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrowers pursuant to this Agreement, **provided** that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this **Section 9.04**, any SPV may (i) with notice to, but without the prior written consent of, the Borrowers and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrowers and Administrative Agent) providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

Section 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and so long as the Commitments have not expired or terminated. The provisions of **Sections 2.15, 2.16, 2.17 and 9.03** and **Article VIII** shall survive and remain in full force and effect regardless of the occurrence of the Termination Date. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement, in the event that, in connection with the refinancing or repayment in full of the credit facilities.

Section 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent and the Collateral Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.08 Right of Setoff. If an Event of Default under **Section 7.01(a), (b), (h) or (i)** shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrowers against any of and all the obligations of the Borrowers then due and owing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness. The applicable Lender shall notify the Borrowers and the Administrative Agent of such setoff and application, *provided* that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Notwithstanding the foregoing, no amount set off from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Section 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each of parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that any Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against the Borrowers or their respective properties in the courts of any jurisdiction.

(c) Each of parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in **paragraph (b)** of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in **Section 9.01**. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed

(a) to their and their Affiliates' directors, officers, employees, trustees and agents, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons to comply with this **Section 9.12** shall constitute a breach of this **Section 9.12** by the Administrative Agent, the Collateral Agent, or the relevant Lender, as applicable),

(b) (x) to the extent requested by any regulatory authority, required by applicable law or by any subpoena or similar legal process or (y) necessary in connection with the exercise of remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; *provided* that,

(i) in each case, unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify the Borrowers of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information and

(ii) in the case of **clause (y)** only, each Lender and the Administrative Agent shall use its reasonable best efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, and *provided, further*, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by the Borrowers or any of their Subsidiaries,

- (c) to any other party to this Agreement,
- (d) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to
- (iii) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or
- (iv) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to any Loan Party or their Subsidiaries and its obligations under the Loan Documents,
- (e) with the consent of the Borrowers, in the case of Information provided by any Borrower or any other Subsidiary,
- (f) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Collateral Agent or any Lender on a non-confidential basis from a source other than the Borrowers, or
- (g) to any ratings agency or the CUSIP Service Bureau on a confidential basis. In addition, each of the Administrative Agent, the Collateral Agent and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Borrowings hereunder.

For the purposes of this Section, “**Information**” means all information received from the Borrowers relating to any Borrower, any Subsidiary or their business, other than any such information that is available to the Administrative Agent, the Collateral Agent or any Lender on a non-confidential basis prior to disclosure by the Borrowers. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWERS, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWERS OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWERS, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

Section 9.13 USA Patriot Act. Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of Title III of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the Title III of the USA Patriot Act.

Section 9.14 Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of the Borrowers in respect of any sum due to any party hereto or any holder of any obligation owing hereunder (the “**Applicable Creditor**”) shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than the currency in which such sum is stated to be due hereunder (the “**Agreement Currency**”), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Borrowers under this Section shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

Section 9.15 Release of Liens and Guarantees. Subject to Section 6.12 and the final paragraph of this Section 9.15, a Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by (and to the extent constituting Excluded Assets, upon the request of the Borrowers, the Equity Interests of) such Subsidiary Loan Party shall be automatically released, upon the request of the Borrowers, upon any Subsidiary Loan Party becoming an Excluded Subsidiary.

Upon (i) any sale or other transfer by any Loan Party (other than to the Borrowers or any other Loan Party) of any Collateral in a transaction permitted under this Agreement or (ii) the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral or the release of any Loan Party from its Guarantee under the Guaranty pursuant to **Section 9.02**, the security interests in such Collateral created by the Security Documents or such guarantee shall be automatically released. Upon the occurrence of the Termination Date, all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. The Lenders irrevocably authorize the Administrative Agent and Collateral Agent to (i) release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by **Section 6.02 (v)** or **(viii)(A)** or **(xxi)** to the extent required by the terms of the obligations secured by such Liens pursuant to documents reasonably acceptable to the Administrative Agent and Collateral Agent (acting at the Direction of the Required Lenders)) and (ii) subordinate any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property **provided** such lease, easement, right of way or similar agreement is permitted by **Section 6.02**.

No Guarantor will be released from its guarantee or become an Excluded Subsidiary, including as a result of ceasing to be wholly-owned, unless (i) at the time such Guarantor ceases to be wholly-owned or otherwise becomes an Excluded Subsidiary, the primary purpose of such transaction was not to evade the guarantee requirements hereof, (ii) the transaction by which such Guarantor ceases to be wholly-owned or otherwise becomes an Excluded Subsidiary was consummated on an arms' length basis with an unaffiliated third party and (iii) such transaction otherwise complies with the terms of this Agreement (with the Borrowers being deemed to have made an Investment in such resulting non-Guarantor Subsidiary or Excluded Subsidiary at the time of such transaction, and such Investment being subject to [Section 6.04](#)).

Section 9.16 No Fiduciary Relationship. The Borrowers, on behalf of themselves and their subsidiaries, agree that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrowers, the other Subsidiaries and their Affiliates, on the one hand, and the Agents, the Lenders and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Agents, the Lenders or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. Each Agent, Lender and their respective Affiliates may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their affiliates.

ARTICLE II

Priorities and Agreements with Respect to Shared Collateral

SECTION 2.01. Subordination.

(a) Notwithstanding the date, time, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection of any Liens granted to any Junior Representative or any Junior Secured Parties on the Shared Collateral or of any Liens granted to any Senior Representative or the Senior Secured Parties on the Shared Collateral (or any actual or alleged defect in any of the foregoing) and notwithstanding any provision of the UCC, any applicable law, any Junior Debt Document or any Senior Debt Document or any other circumstance whatsoever, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees that any Lien on the Shared Collateral securing or purporting to secure any (i) Senior Obligations now or hereafter held by or on behalf of any Senior Secured Parties or any Senior Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior in all respects and prior to any Lien on the Shared Collateral securing or purporting to secure any Junior Obligations, and (ii) Junior Obligations now or hereafter held by or on behalf of any Junior Secured Parties or any Junior Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Shared Collateral securing or purporting to secure any Senior Obligations.

(b) All Liens on the Shared Collateral securing or purporting to secure any Senior Obligations shall be and remain senior in all respects and prior to all Liens on the Shared Collateral securing or purporting to secure any Junior Obligations for all purposes, whether or not such Liens securing or purporting to secure any Senior Obligations are subordinated to any Lien on the Shared Collateral securing or purporting to secure any other obligation of the Company, any Centertainment Group Grantor or any other Person or otherwise subordinated, voided, avoided, invalidated or lapsed.

SECTION 2.02. Nature of Senior Lender Claims. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges that (a) [reserved], (b) the terms of the Senior Debt Documents and the Senior Obligations may be amended, supplemented or otherwise modified, and the Senior Obligations, or a portion thereof, may be Refinanced from time to time and (c) the aggregate amount of the Senior Obligations may be increased in the manner permitted under the Senior Debt Documents and the Junior Debt Documents, in each case, without notice to or consent by the Junior Representatives or the Junior Secured Parties and without affecting the provisions hereof. The Lien priorities provided for in Section 2.01 shall not be altered or otherwise affected by any amendment, supplement or other modification, or any Refinancing, of either the Senior Obligations or the Junior Obligations, or any portion thereof. As between the Company and the other Grantors and the Junior Secured Parties, the foregoing provisions will not limit or otherwise affect the obligations of the Company and the Grantors contained in any Junior Debt Document with respect to the incurrence of additional Senior Obligations.

SECTION 2.03. Prohibition on Contesting Liens. Each of the Junior Representatives, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Senior Obligations held (or purported to be held) by or on behalf of any of the Senior Secured Parties or any Senior Representative or other agent or trustee therefor in any Senior Collateral, and the Designated Senior Representative and each other Senior Representative, for itself and on behalf of each Senior Secured Party under its Senior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Junior Obligations held (or purported to be held) by or on behalf of any of any Junior Representative or any of the Junior Secured Parties in the Junior Collateral. Notwithstanding the foregoing, no provision in this Agreement shall be construed to prevent or impair the rights of the Designated Senior Representative or any other Senior Representative to enforce this Agreement (including the priority of the Liens securing the Senior Obligations as provided in Section 2.01) or any of the Senior Debt Documents.

SECTION 2.04. No New Liens. The parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred (a) no Centertainment Group Grantor shall grant or permit any additional Liens on any asset or property of such Centertainment Group Grantor to secure any Junior Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Centertainment Group Grantor to secure the Senior Obligations and (b) if any Junior Representative or any Junior Secured Party shall hold any Lien on any assets or property of any Centertainment Group Grantor securing any Junior Obligations that are not also subject to the senior-priority Liens securing Senior Obligations under the Senior Collateral Documents, such Junior Representative or Junior Secured Party (i) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, unless such Centertainment Group Grantor shall promptly grant a similar Lien on such assets or property to the Senior Representatives as security for the Senior Obligations, shall assign such Lien to the Senior Representatives as security for the Senior Obligations (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to the Senior Representatives, shall be deemed to hold and have held such Lien for the benefit of the Senior Representatives as security for the Senior Obligations. If any Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds or payment from or as a result of any Liens granted in contravention of this Section 2.04, it shall pay such proceeds or payments over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 2.05. Perfection of Liens. Except for the agreements of the Designated Senior Representative pursuant to Section 5.05, none of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Junior Representatives or the Junior Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Junior Secured Parties and shall not impose on the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives, the Junior Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

SECTION 2.06. [Reserved].

SECTION 2.07. Refinancings. The Senior Obligations and the Junior Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Senior Debt Document or any Junior Debt Document, as applicable) of any party hereto, all without affecting the priorities provided for herein or the other provisions hereof; provided that, such Refinancing indebtedness shall only be subject to this Agreement if (i) (a) such Refinancing indebtedness is required, pursuant to its terms or pursuant to the terms of any Senior Debt Document or any Junior Debt Document, to be subject to this Agreement or (b) the Company has elected to subject such Refinanced indebtedness to the terms of this Agreement, and (ii) the collateral agent for the holders of such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness and such collateral agent and Grantors shall have complied with Section 9.09 with respect to such indebtedness.

ARTICLE III

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) neither any Junior Representative nor any Junior Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Designated Senior Representative, any other Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment, and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without any consultation with or the consent of any Junior Representative or any Junior Secured Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, any Junior Representative may file a claim, proof of claim, or statement of interest with respect to the Junior Obligations under its Junior Debt Facility, (B) any Junior Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Obligations or the rights of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) to the extent not otherwise inconsistent with or prohibited by this Agreement, any Junior Representative and the Junior Secured Parties may exercise their rights and remedies as unsecured creditors, to the extent provided in Section 5.04, (D) any Junior Representative may exercise the rights and remedies provided for in Section 6.03 and may vote on a proposed Plan of Reorganization in any Insolvency or Liquidation Proceeding of the Company or any other Grantor in accordance with the terms of this Agreement (including Section 6.12), (E) any Junior Representative and the Junior Secured Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Secured Parties, including any claims secured by the Junior Collateral, in each case in accordance with the terms of this Agreement and (F) from and after the Junior Enforcement Date, the Designated Junior Representative or any person authorized by it may exercise or seek to exercise any rights or remedies with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), in each case of clauses (A) through (F) above, to the extent such action is not inconsistent with, or could not result in a resolution inconsistent with, the terms of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Junior Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the proviso in Section 3.01(a) and in Article VI, the sole right of the Junior Representatives and the Junior Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Junior Obligations pursuant to the Junior Debt Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to the proviso in Section 3.01(a), (i) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that neither such Junior Representative nor any such Junior Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party with respect to the Shared Collateral under the Senior Debt Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives any and all rights it or any such Junior Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party is adverse to the interests of the Junior Secured Parties.

(d) Each Junior Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Junior Debt Document shall be deemed to restrict in any way the rights and remedies of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Debt Documents.

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Obligations, the Designated Senior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Designated Junior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Junior Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Junior Representatives, or for the taking of any other action authorized by the Junior Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Junior Representative or other agent or trustee acting on behalf of the Junior Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Junior Secured Parties or the Junior Obligations.

(f) Notwithstanding anything to the contrary herein, the Liens on Shared Collateral securing the Exchangeable Notes Obligations shall only be subordinated pursuant to this Agreement to the Liens on Shared Collateral securing the Senior Exchangeable Notes Obligations and the Senior Notes Obligations, and the rights of the Senior Exchangeable Notes Secured Parties and Senior Notes Secured Parties hereunder with respect to the Shared Collateral and the proceeds thereof shall only be enforceable as against the Exchangeable Notes Secured Parties, in each case to the fullest extent permitted under the Exchangeable Notes Indenture.

Without limiting the foregoing, in the event the Shared Collateral securing the Exchangeable Notes Obligations is determined, contrary to the intent and expectation of the parties, to constitute all or substantially all (within the meaning of the Exchangeable Notes Indenture) of the collateral that secures the Exchangeable Notes Obligations (the "Exchangeable Notes Collateral"), the Shared Collateral hereunder shall, only insofar as it relates to the Liens on the Shared Collateral securing the Senior Exchangeable Notes Obligations and the Senior Notes Obligations, be limited to the maximum amount that would not constitute all or substantially all of the Exchangeable Notes Collateral. For the avoidance of doubt, nothing in this subsection shall limit any rights under this Agreement of the Senior Credit Agreement Secured Parties.

SECTION 3.02. Cooperation. Subject to the proviso in Section 3.01(a), each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Designated Senior Representative upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Junior Debt Documents.

SECTION 3.03. Actions upon Breach. Should any Junior Representative or any Junior Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the Designated Senior Representative or any other Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Company or any other Grantor) or the Company may obtain relief against such Junior Representative or such Junior Secured Party by injunction, specific performance or other appropriate equitable relief. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby (a) agrees that the Senior Secured Parties' damages from the actions of the Junior Representatives or any Junior Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party.

ARTICLE IV

Payments

SECTION 4.01. Application of Proceeds. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, (x) any Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of claims secured by Shared Collateral (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments) or otherwise, shall in each case be applied by the Designated Senior Representative to the Senior Obligations in such order as specified in the Senior Credit Agreement until the Discharge of Senior Obligations has occurred. Upon the Discharge of Senior Obligations, the Designated Senior Representative shall deliver promptly to the Designated Junior Representative any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Junior Representative to the Junior Obligations in such order as specified in the relevant Junior Debt Documents.

SECTION 4.02. Payments Over. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, any Shared Collateral, Proceeds thereof or distributions on account of claims secured by Shared Collateral received by any Junior Representative or any Junior Secured Party (i) in connection with the exercise of any right or remedy (including setoff or recoupment) or otherwise or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments), in each case, shall be segregated and held in trust for the benefit of and forthwith paid over to the Designated Senior Representative for the benefit of the Senior Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, until such time as the Discharge of Senior Obligations shall have occurred. The Designated Senior Representative is hereby authorized to make any such endorsements as agent for each of the Junior Representatives or any such Junior Secured Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE V

Other Agreements

SECTION 5.01. Releases.

(a) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any subsidiary of Holdings) (i) in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative or (ii) if not in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative, so long as such sale, transfer or other disposition is permitted by the terms of the Junior Debt Documents and the Senior Debt Documents, the Liens granted to the Junior Representatives and the Junior Secured Parties upon such Shared Collateral (but such Liens shall not be deemed to be so released on the Proceeds thereof that were not applied to the payment of Senior Obligations) to secure Junior Obligations shall terminate and be released, automatically and without any further action, concurrently with or to the same extent as the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to a Junior Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Junior Secured Parties and the Junior Representatives) and any necessary or proper instruments of termination or release prepared by the Company or any other Centertainment Group Grantor, such Junior Representative will promptly execute, deliver or acknowledge, at the Company's or the other Centertainment Group Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Junior Representative, for itself and on behalf of the Junior Secured Parties under its Junior Debt Facility, to release the Liens on the Junior Collateral as set forth in the relevant Junior Debt Documents.

(b) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby irrevocably constitutes and appoints each Senior Representative and any officer or agent of each Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Representative or such Junior Secured Party or in such Senior Representative's own name, from time to time in such Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby consents to the application, whether prior to or after an event of default under any Senior Debt Document, of proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Debt Documents; provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Junior Representatives or the Junior Secured Parties to receive proceeds in connection with the Junior Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Junior Collateral Document, in the event the terms of a Senior Collateral Document and a Junior Collateral Document each require any Centertainment Group Grantor to (i) make payment in respect of any item of Shared Collateral, (ii) deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both any Designated Senior Representative and any Junior Representative or Junior Secured Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Junior Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents, (a) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (b) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) *first*, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents, (ii) *second*, after the occurrence of the Discharge of Senior Obligations, to the Designated Junior Representative for the benefit of the Junior Secured Parties pursuant to the terms of the applicable Junior Debt Documents and (iii) *third*, if no Senior Obligations or Junior Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Junior Collateral Documents.

(a) Without the prior written consent of each Senior Representative, no Junior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Junior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Company agrees to deliver to each Senior Representative copies of (i) any amendments, supplements or other modifications to the Junior Collateral Documents and (ii) any new Junior Collateral Documents promptly after effectiveness thereof. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that each Junior Collateral Document under its Junior Debt Facility shall include the following language (or language to similar effect reasonably approved by the Designated Senior Representative):

“Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the [Junior Representative] pursuant to this [Agreement] on any Collateral consisting of assets of Muvico, LLC, a Texas limited liability company (the “Company”), or any other Centertainment Group Entity (but not, for the avoidance of doubt, any Collateral consisting of assets of AMC or any subsidiary thereof (other than any Centertainment Group Entity)) shall be expressly subject and subordinate to the Liens and security interests granted in favor of the Senior Credit Agreement Agent, Senior Exchangeable Notes Agent and the Senior Notes Agent (each, as defined in the First Lien/Second Lien Intercreditor Agreement referred to below) and (ii) the exercise of any right or remedy by the [Junior Representative] hereunder shall be subject to the limitations and provisions of that certain Amended and Restated First Lien/Second Lien Intercreditor Agreement, dated as of July 24, 2025 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “First Lien/Second Lien Intercreditor Agreement”), among Wilmington Savings Fund Society, FSB, as Senior Credit Agreement Agent, GLAS Trust Company LLC, as Senior Exchangeable Notes Agent, GLAS Trust Company LLC, as Senior Notes Agent, GLAS Trust Company LLC, as Exchangeable Notes Agent (as defined therein), the other agents and representatives party thereto from time to time, Holdings, the Company and the other parties thereto from time to time. In the event of any conflict between the terms of the First Lien/Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the First Lien/Second Lien Intercreditor Agreement shall govern.”

(b) In the event that any Senior Representative enters into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Designated Senior Representative, the Senior Secured Parties, the Company or any other Grantor thereunder in respect of any of the Shared Collateral (including the release of any Liens in Senior Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of the comparable Junior Collateral Documents without the consent of any Junior Representative or any Junior Secured Party and without any action by any Junior Representative, the Company or any other Grantor; provided, however, that (A) no such amendment, waiver or consent shall have the effect of (i) releasing any Lien on any Shared Collateral securing the applicable Junior Obligations, except to the extent that a release of such Lien is permitted by Section 5.01 and provided that there is a corresponding release of the Lien on such Shared Collateral securing the Senior Obligations, (ii) imposing duties that are adverse on any Junior Representative without its consent or (iii) altering the terms of the Junior Debt Documents to permit other Liens on the Shared Collateral not permitted under the terms of the Junior Debt Documents as in effect on the date hereof or Article VI and (B) written notice of such amendment, waiver or consent shall have been given to each Junior Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

(c) The Senior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Junior Secured Party; provided, however, that, without the consent of the Junior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement. The Junior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Senior Secured Party; provided, however, that, without the consent of the Senior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement.

SECTION 5.04. Rights as Unsecured Creditors. The Junior Representatives and the Junior Secured Parties may exercise rights and remedies as unsecured creditors against the Company and any other Grantor in accordance with the terms of the Junior Debt Documents and applicable law so long as such rights and remedies do not violate and are not otherwise inconsistent with any provision of this Agreement. Unless otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by any Junior Representative or any Junior Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Junior Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Representative or any Junior Secured Party of rights or remedies as a creditor in respect of Shared Collateral. In the event any Junior Representative or any Junior Secured Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Junior Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Junior Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Senior Representative (such Shared Collateral being referred to herein as the “**Pledged or Controlled Collateral**”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, such Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Junior Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior Collateral Documents and subject to the terms and conditions of this Section 5.05. Each Junior Representative acknowledges and agrees that if it shall at any time hold a perfected Lien on any Pledged or Controlled Collateral, such Junior Representative shall also hold such Pledged or Controlled Collateral as sub-agent or gratuitous bailee for each Senior Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Senior Collateral Documents (to the extent not otherwise perfected) and subject to the terms and conditions of this Section 5.05 and the Lien priority provided for herein.

(b) In the event that any Senior Representative (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Representative agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Junior Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Junior Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, each Senior Representative shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Junior Collateral Documents did not exist. The rights of the Junior Representatives and the Junior Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) No Senior Representative shall have any obligation whatsoever to the Junior Representatives or any Junior Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of each Senior Representative under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Junior Representative for purposes of perfecting the Lien held by such Junior Representative.

(e) No Senior Representative shall have by reason of the Junior Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Junior Representative or any Junior Secured Party, and each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives and releases each Senior Representative from all claims and liabilities arising pursuant to such Senior Representative’s role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each Senior Representative shall, at the Centertainment Group Grantors’ sole cost and expense, (i) (A) deliver to the Designated Junior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Centertainment Group Grantor that the Designated Junior Representative is entitled to approve any awards granted in such proceeding. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by such Senior Representative as a result of its own willful misconduct, gross negligence or bad faith. No Senior Representative has any obligation to follow instructions from the Designated Junior Representative in contravention of this Agreement.

(g) Neither the Designated Senior Representative nor any of the other Senior Representatives or Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Company or any other Grantor to the Designated Senior Representative, any other Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed to Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Company or any other Centertainment Group Grantor incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Designated Senior Representative of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Designated Senior Representative), each Junior Representative (including the Designated Junior Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to the Designated Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Junior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Centertainment Group Grantor that the new Designated Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. **Financing and Sale Issues.** Until the Discharge of Senior Obligations has occurred, if the Company or any other Centertainment Group Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Representative shall desire to consent (or not object) to, as applicable, the sale, use or lease of cash or other collateral or to consent (or not object) to the Company's or any other Centertainment Group Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to be secured by the Senior Collateral ("**DIP Financing**"), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it will (as applicable) raise no objection to and will not otherwise contest such use of such cash or other collateral or such DIP Financing and, except solely to the extent permitted by Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the Senior Obligations are subordinated to or *pari passu* with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Junior Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by any Senior Representative. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, further agrees that it will (as applicable) raise no objection to and will not otherwise contest (a) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations with respect to the Senior Collateral made by Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, (b) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale of Senior Collateral (including, without limitation, pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral, (c) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) any sale or other disposition of any or all of the Senior Collateral for which any Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Junior Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Junior Obligations pursuant to this Agreement; without limiting the foregoing, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it may not raise any objections based on rights afforded by Section 363(e) or Section 363(f) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. In addition, the Junior Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations.

SECTION 6.02. **Relief from the Automatic Stay.** Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding with respect to any Centertainment Group Grantor or take any action in derogation thereof without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties for adequate protection in any form, (b) any objection by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to any motion, relief, action or proceeding based on the Designated Senior Representative's or any other Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and/or payment (whether or not allowed or allowable in any Insolvency or Liquidation Proceeding) of interest, fees, expenses, premiums (including make-whole premiums), and/or other amounts of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, including, without limitation, as adequate protection or otherwise. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative expense claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, may seek or request adequate protection in the form of (as applicable) a Lien on such additional or replacement collateral and/or a superpriority administrative expense claim, which Lien and/or superpriority administrative expense claim (as applicable) is subordinated to the Liens securing and providing adequate protection for, and claims with respect to, the Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to the Liens securing and claims with respect to the Senior Obligations under this Agreement and (ii) in the event any Junior Representatives, for themselves and on behalf of the Junior Secured Parties under their Junior Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of (as applicable) a Lien on additional or replacement collateral and/or a superpriority administrative expense claim, then such Junior Representatives, for themselves and on behalf of each Junior Secured Party under their Junior Debt Facilities, agree that the Senior Representatives shall also be granted (as applicable) a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and/or a senior superpriority administrative expense claim, and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Junior Obligations and/or superpriority administrative expense claim shall be subordinated to the Liens on such collateral securing and claims with respect to the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens and claims granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Company or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason, any amount (a "**Recovery**"), whether received as proceeds of security, enforcement of any right of setoff, recoupment or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall still be entitled to a future Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute separate and distinct grants of Liens, (b) the Junior Secured Parties' claims against the Grantors in respect of their Liens on the Shared Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the Senior Secured Parties against the Grantors in respect of the Shared Collateral, and (c) because of, among other things, their differing rights in the Shared Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding of any Centertainment Group Grantor. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Secured Parties and the Junior Secured Parties in respect of the Shared Collateral constitute only a single class of claims (rather than separate classes of senior and junior secured claims), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior Secured Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal and pre-petition interest, all amounts owing in respect of post-petition interest, fees, premiums (including make-whole premiums), and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution is made in respect of the Junior Obligations), with each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from or on account of the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Secured Parties. This Section 6.05 is intended to govern the relationship between the classes of claims held by the Junior Secured Parties, on the one hand, and a class of claims comprised of the Senior Obligations, on the other hand, in respect of the Shared Collateral.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Secured Party, including the seeking by any Junior Secured Party of adequate protection or the asserting by any Junior Secured Party of any of its rights and remedies under the Junior Debt Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights set forth herein shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Junior Representative or any Junior Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, such Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees not to assert any such rights without the prior written consent of the Designated Senior Representative.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral or other collateral for the Senior Obligations.

SECTION 6.10. Reorganization Securities. Without limitation of the provisions of Section 4.01, if, in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a Plan of Reorganization on account of both the Senior Obligations and the Junior Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Junior Obligations are secured Liens upon the same assets or properties (or any obligor thereon holds any Deemed Collateral or assets of the type included in the definition of “Deemed Collateral”), the provisions of this Agreement (including Article VIII hereof with respect to the Restricted Group Collateral) will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations (and to such Deemed Collateral or assets).

SECTION 6.11. Post-Petition Interest. None of the Junior Representatives or any other Junior Secured Party shall oppose or seek to challenge any claim by any Senior Representative or any Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor of Senior Obligations consisting of claims for post-petition interest, fees, costs, expenses, premiums (including make-whole premiums) and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise (for this purpose ignoring all claims and Liens held by the Junior Secured Parties on the Shared Collateral).

SECTION 6.12. Plan Voting. No Junior Representative or any other Junior Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) may propose, support, or vote in favor of any Plan of Reorganization (and each shall be deemed to have voted to reject any Plan of Reorganization) that is inconsistent with, or in violation of, the terms of this Agreement unless such plan (a) pays off, in cash in full, all Senior Obligations or (b) is accepted by the class of holders of Senior Obligations voting thereon in accordance with Section 1126(c) of the Bankruptcy Code.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Junior Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to AMC or any of its subsidiaries shall be deemed to have been given and made in reliance upon this Agreement. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges that it and such Junior Secured Parties have, independently and without reliance on the Designated Senior Representative or any other Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior Representatives and the Junior Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party shall have any duty to any Junior Representative or Junior Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with AMC or any of its subsidiaries (including the Junior Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Junior Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor’s title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Debt Document or any Junior Debt Document;
- (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Debt Document or of the terms of any Junior Debt Document;
- (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;
- (d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or
- (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Company or any other Grantor in respect of the Senior Obligations or (ii) any Junior Representative or Junior Secured Party in respect of this Agreement.

ARTICLE VIII

Turnover Provision

SECTION 8.01. Turnover Provision. Notwithstanding anything contained herein or in any other Debt Document to the contrary, after an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Credit Agreement Obligations has not occurred (after the occurrence of which this Section 8.01 shall no longer be operative), (x) any Restricted Group Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of the Junior Obligations from the Restricted Group (whether or not on account of Restricted Group Shared Collateral) (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding of any member of the Restricted Group (including any adequate protection payments) or otherwise, in each case (x) through (z), received by any Junior Secured Party or Junior Representative shall be segregated from the other funds and property of such Junior Secured Party or Junior Representative, as the case may be, and received and held in trust by such Junior Secured Party or Junior Representative, as the case may be, as trustee, and shall be forthwith paid over, in the same form as received, with any necessary endorsements (but without any express or implied representation or warranty), and applied (i) FIRST, to the payment of all amounts owing to the Senior Credit Agreement Agent (in its capacity as such) pursuant to the terms of the applicable Senior Credit Agreement Loan Documents, and (ii) SECOND, until the Discharge of Senior Credit Agreement Obligations, to the payment in full of the Senior Credit Agreement Obligations, with such amounts to be applied to the Senior Credit Agreement Obligations in accordance with the terms of the applicable Senior Credit Agreement Loan Documents; the foregoing turnover provision shall apply to all cash and any other assets removed from any premises of any member of the Restricted Group by or on behalf of Junior Representative or otherwise received by or on behalf of Junior Representative in any manner, in each case, in connection with any enforcement action. After the Discharge of Senior Credit Agreement Obligations, this turnover provision shall no longer apply.

ARTICLE IX.

Miscellaneous

SECTION 9.01. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any Senior Debt Document or any Junior Debt Document, the provisions of this Agreement shall govern.

Notwithstanding the foregoing, the relative rights and obligations of the Junior Representatives and the Junior Secured Parties (as amongst themselves) with respect to any Junior Collateral shall be governed by the terms of the Junior Lien Intercreditor Agreement and in the event of any conflict between the Junior Lien Intercreditor Agreement and this Agreement, with respect to the Junior Representatives and the Junior Secured Parties (as amongst themselves), the provisions of the Junior Lien Intercreditor Agreement shall control, in each case as applicable.

SECTION 9.02. Continuing Nature of this Agreement; Severability. Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Junior Representatives or any Junior Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any other Grantor constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Representative (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, with the consent of the Company).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Junior Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

(d) Notwithstanding the foregoing, without the consent of any other Representative or Secured Party, the Designated Senior Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional Junior Debt Obligations in compliance with the Senior Credit Agreement, the Senior Notes Indenture, the Senior Exchangeable Notes Indenture, the Exchangeable Notes Indenture and any Additional Junior Debt Documents.

SECTION 9.04. Information Concerning Financial Condition of the Company and the other Grantors. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Company and the other Grantors and all endorsers or guarantors of the Senior Obligations or the Junior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Junior Obligations. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Designated Senior Representative, any other Senior Representative, any Senior Secured Party, any Designated Junior Representative, any other Junior Representative or any Junior Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 9.05. Subrogation. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 9.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 9.07. Additional Grantors. AMC agrees that, if any subsidiary of AMC shall become a Grantor after the date hereof, it will promptly cause such subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 9.08. Dealings with Grantors. Upon any application or demand by the Company or any Grantor to any Senior Representative or Junior Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), any such Company or Grantor, as appropriate, shall furnish to the applicable Junior Representative or Senior Representative a certificate of an appropriate officer (an “**Officer’s Certificate**”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 9.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then-extant Senior Debt Documents and the Junior Debt Documents, the Company or any other Grantor may incur or issue and sell one or more series or classes of Additional Junior Debt. Any such additional class or series of Additional Junior Debt (the “**Junior Class Debt**”) may be secured by a junior priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the Junior Collateral Documents for such Junior Class Debt, if and subject to the condition that the Representative of any such Junior Class Debt (each, a “**Junior Class Debt Representative**”), acting on behalf of the holders of such Junior Class Debt (such Representative and holders in respect of any such Junior Class Debt being referred to as the “**Junior Class Debt Parties**”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (v), as applicable, of this Section 9.09. In order for a Junior Class Debt Representative to become a party to this Agreement:

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) neither any Junior Representative nor any Junior Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Designated Senior Representative, any other Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment, and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without the consent of any Junior Representative or any Junior Secured Party (but any such determinations shall be in consultation with the Junior Representatives); provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, any Junior Representative may file a claim, proof of claim, or statement of interest with respect to the Junior Obligations under its Junior Debt Facility, (B) any Junior Representative may take any action in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) to the extent not otherwise prohibited by this Agreement, any Junior Representative and the Junior Secured Parties may exercise their rights and remedies as unsecured creditors, to the extent provided in Section 5.04, (D) any Junior Representative may exercise the rights and remedies provided for in Section 6.03 and may vote on a proposed Plan of Reorganization in any Insolvency or Liquidation Proceeding of the Company or any other Grantor in accordance with the terms of this Agreement (including Section 6.12), (E) any Junior Representative and the Junior Secured Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Secured Parties, including any claims secured by the Junior Collateral, in each case in accordance with the terms of this Agreement and (F) from and after the Junior Enforcement Date, the Designated Junior Representative or any person authorized by it may exercise or seek to exercise any rights or remedies with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), in each case of clauses (A) through (E) above, to the extent consistent with the terms of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Junior Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the proviso in Section 3.01(a) and in Article VI, the sole right of the Junior Representatives and the Junior Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Junior Obligations pursuant to the Junior Debt Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to the proviso in Section 3.01(a), (i) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that neither such Junior Representative nor any such Junior Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party with respect to the Shared Collateral under the Senior Debt Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives any and all rights it or any such Junior Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party is adverse to the interests of the Junior Secured Parties.

(d) Each Junior Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Junior Debt Document shall be deemed to restrict in any way the rights and remedies of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Debt Documents.

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Obligations, the Designated Senior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Designated Junior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Junior Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Junior Representatives, or for the taking of any other action authorized by the Junior Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Junior Representative or other agent or trustee acting on behalf of the Junior Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Junior Secured Parties or the Junior Obligations.

SECTION 3.02. Cooperation. Subject to the proviso in Section 3.01(a), each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Designated Senior Representative upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Junior Debt Documents.

SECTION 3.03. Actions upon Breach. Should any Junior Representative or any Junior Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the Designated Senior Representative or any other Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Company or any other Grantor) or the Company may obtain relief against such Junior Representative or such Junior Secured Party by injunction, specific performance or other appropriate equitable relief. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby (a) agrees that the Senior Secured Parties' damages from the actions of the Junior Representatives or any Junior Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party.

ARTICLE IV

Payments

SECTION 4.01. Application of Proceeds. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, (x) any Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of claims secured by Shared Collateral (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments) or otherwise, shall in each case be applied by the Designated Senior Representative to the Senior Obligations in such order as specified in the Senior Debt Documents until the Discharge of Senior Obligations has occurred. Upon the Discharge of Senior Obligations, the Designated Senior Representative shall deliver promptly to the Designated Junior Representative any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Junior Representative to the Junior Obligations in such order as specified in the relevant Junior Debt Documents and any Junior Lien Intercreditor Agreement.

SECTION 4.02. Payments Over. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, any Shared Collateral, Proceeds thereof or distributions on account of claims secured by Shared Collateral received by any Junior Representative or any Junior Secured Party (i) in connection with the exercise of any right or remedy (including setoff or recoupment) or otherwise or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments), in each case, shall be segregated and held in trust for the benefit of and forthwith paid over to the Designated Senior Representative for the benefit of the Senior Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, until such time as the Discharge of Senior Obligations shall have occurred. The Designated Senior Representative is hereby authorized to make any such endorsements as agent for each of the Junior Representatives or any such Junior Secured Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE V

Other Agreements

SECTION 5.01. Releases.

(a) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any subsidiary of Holdings) (i) in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative or (ii) if not in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative, so long as such sale, transfer or other disposition is permitted by the terms of the Junior Debt Documents and the Senior Debt Documents, the Liens granted to the Junior Representatives and the Junior Secured Parties upon such Shared Collateral (but such Liens shall not be deemed to be so released on the Proceeds thereof that were not applied to the payment of Senior Obligations) to secure Junior Obligations shall terminate and be released, automatically and without any further action, concurrently with or to the same extent as the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to a Junior Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Junior Secured Parties and the Junior Representatives) and any necessary or proper instruments of termination or release prepared by the Company or any other Centertainment Group Grantor, such Junior Representative will promptly execute, deliver or acknowledge, at the Company's or the other Centertainment Group Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Junior Representative, for itself and on behalf of the Junior Secured Parties under its Junior Debt Facility, to release the Liens on the Junior Collateral as set forth in the relevant Junior Debt Documents and any Junior Lien Intercreditor Agreement.

(b) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby irrevocably constitutes and appoints each Senior Representative and any officer or agent of each Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Representative or such Junior Secured Party or in such Senior Representative's own name, from time to time in such Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby consents to the application, whether prior to or after an event of default under any Senior Debt Document, of proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Debt Documents; provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Junior Representatives or the Junior Secured Parties to receive proceeds in connection with the Junior Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Junior Collateral Document, in the event the terms of a Senior Collateral Document and a Junior Collateral Document each require any Centertainment Group Grantor to (i) make payment in respect of any item of Shared Collateral, (ii) deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waives or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both any Designated Senior Representative and any Junior Representative or Junior Secured Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Junior Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents, (a) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (b) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) *first*, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents, (ii) *second*, after the occurrence of the Discharge of Senior Obligations, to the Designated Junior Representative for the benefit of the Junior Secured Parties pursuant to the terms of the applicable Junior Debt Documents and Junior Lien Intercreditor Agreements and (iii) *third*, if no Senior Obligations or Junior Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Junior Collateral Documents.

(a) Without the prior written consent of the Designated Senior Representative, no Junior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Junior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Company agrees to deliver to the Designated Senior Representative copies of (i) any amendments, supplements or other modifications to the Junior Collateral Documents and (ii) any new Junior Collateral Documents promptly after effectiveness thereof.

(b) In the event that any Senior Representative enters into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Designated Senior Representative, the Senior Secured Parties, the Company or any other Grantor thereunder in respect of any of the Shared Collateral (including the release of any Liens in Senior Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of the comparable Junior Collateral Documents without the consent of any Junior Representative or any Junior Secured Party and without any action by any Junior Representative, the Company or any other Grantor; provided, however, that (A) no such amendment, waiver or consent shall have the effect of (i) releasing any Lien on any Shared Collateral securing the applicable Junior Obligations, except to the extent that a release of such Lien is permitted by Section 5.01 and provided that there is a corresponding release of the Lien on such Shared Collateral securing the Senior Obligations, (ii) imposing duties that are adverse on any Junior Representative without its consent or (iii) altering the terms of the Junior Debt Documents to permit other Liens on the Shared Collateral not permitted under the terms of the Junior Debt Documents as in effect on the date hereof or Article VI and (B) written notice of such amendment, waiver or consent shall have been given to each Junior Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

(c) The Senior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Junior Secured Party; provided, however, that, without the consent of the Junior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement. The Junior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Senior Secured Party; provided, however, that, without the consent of the Senior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement.

SECTION 5.04. Rights as Unsecured Creditors. The Junior Representatives and the Junior Secured Parties may exercise rights and remedies as unsecured creditors against the Company and any other Grantor in accordance with the terms of the Junior Debt Documents and applicable law so long as such rights and remedies do not violate and are not otherwise inconsistent with any provision of this Agreement. Unless otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by any Junior Representative or any Junior Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Junior Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Representative or any Junior Secured Party of rights or remedies as a creditor in respect of Shared Collateral. In the event any Junior Representative or any Junior Secured Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Junior Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Junior Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Senior Representative (such Shared Collateral being referred to herein as the “**Pledged or Controlled Collateral**”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, such Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Junior Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior Collateral Documents and subject to the terms and conditions of this Section 5.05.

(b) In the event that any Senior Representative (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Representative agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Junior Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Junior Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, each Senior Representative shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Junior Collateral Documents did not exist. The rights of the Junior Representatives and the Junior Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) No Senior Representative shall have any obligation whatsoever to the Junior Representatives or any Junior Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of each Senior Representative under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Junior Representative for purposes of perfecting the Lien held by such Junior Representative.

(e) No Senior Representative shall have by reason of the Junior Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Junior Representative or any Junior Secured Party, and each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives and releases each Senior Representative from all claims and liabilities arising pursuant to such Senior Representative's role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each Senior Representative shall, at the Centertainment Group Grantors' sole cost and expense, (i)(A) deliver to the Designated Junior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Centertainment Group Grantor that the Designated Junior Representative is entitled to approve any awards granted in such proceeding. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by such Senior Representative as a result of its own willful misconduct, gross negligence or bad faith. No Senior Representative has any obligation to follow instructions from the Designated Junior Representative in contravention of this Agreement.

(g) Neither the Designated Senior Representative nor any of the other Senior Representatives or Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Company or any other Grantor to the Designated Senior Representative, any other Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed to Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Company or any other Centertainment Group Grantor incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Designated Senior Representative of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Designated Senior Representative), each Junior Representative (including the Designated Junior Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to the Designated Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Junior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Centertainment Group Grantor that the new Designated Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. Financing and Sale Issues. Until the Discharge of Senior Obligations has occurred, if the Company or any other Centertainment Group Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Designated Senior Representative shall desire to consent (or not object) to, as applicable, the sale, use or lease of cash or other collateral or to consent (or not object) to the Company's or any other Centertainment Group Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to be secured by the Senior Collateral ("**DIP Financing**"), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it will (as applicable) raise no objection to and will not otherwise contest such use of such cash or other collateral or such DIP Financing and, except solely to the extent permitted by Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the Senior Obligations are subordinated to or *pari passu* with the Liens securing such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Junior Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by the Designated Senior Representative. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, further agrees that it will (as applicable) raise no objection to and will not otherwise contest (a) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations with respect to the Senior Collateral made by Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, (b) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale of Senior Collateral (including, without limitation, pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral, (c) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) any sale or other disposition of any or all of the Senior Collateral for which the Designated Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Junior Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Junior Obligations pursuant to this Agreement; without limiting the foregoing, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it may not raise any objections based on rights afforded by Section 363(e) or Section 363(f) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. In addition, the Junior Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding with respect to any Centertainment Group Grantor or take any action in derogation thereof without the prior written consent of the Designated Senior Representative as it relates exclusively to Shared Collateral.

SECTION 6.03. Adequate Protection. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties for adequate protection in any form, (b) any objection by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to any motion, relief, action or proceeding based on the Designated Senior Representative's or any other Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and/or payment (whether or not allowed or allowable in any Insolvency or Liquidation Proceeding) of interest, fees, expenses, premiums (including make-whole premiums), and/or other amounts of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, including, without limitation, as adequate protection or otherwise. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative expense claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, may seek or request adequate protection in the form of (as applicable) a Lien on such additional or replacement collateral and/or a superpriority administrative expense claim, which (A) Lien is subordinated to the Liens securing and providing adequate protection for, and claims with respect to, the Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to the Liens securing and claims with respect to the Senior Obligations under this Agreement and (B) superpriority administrative expense claim is subordinated to all superpriority administrative expense claims of the Senior Secured Parties on the same basis as the other claims of the Junior Secured Parties are so subordinated to the claims of the Senior Secured Parties under this Agreement and (ii) in the event any Junior Representatives, for themselves and on behalf of the Junior Secured Parties under their Junior Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of (as applicable) a Lien on additional or replacement collateral and/or a superpriority administrative expense claim, then such Junior Representatives, for themselves and on behalf of each Junior Secured Party under their Junior Debt Facilities, agree that the Senior Representatives shall also be granted (as applicable) a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and/or a senior superpriority administrative expense claim, and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Junior Obligations and/or superpriority administrative expense claim shall be subordinated to the Liens on such collateral securing and claims with respect to the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens and claims granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Company or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason, any amount (a “**Recovery**”), whether received as proceeds of security, enforcement of any right of setoff, recoupment or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall still be entitled to a future Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute separate and distinct grants of Liens, (b) the Junior Secured Parties’ claims against the Grantors in respect of their Liens on the Shared Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the Senior Secured Parties against the Grantors in respect of the Shared Collateral, and (c) because of, among other things, their differing rights in the Shared Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding of any Centertainment Group Grantor. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Secured Parties and the Junior Secured Parties in respect of the Shared Collateral constitute only a single class of claims (rather than separate classes of senior and junior secured claims), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior Secured Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal and pre-petition interest, all amounts owing in respect of post-petition interest, fees, premiums (including make-whole premiums), and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution is made in respect of the Junior Obligations), with each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from or on account of the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Secured Parties. This Section 6.05 is intended to govern the relationship between the classes of claims held by the Junior Secured Parties, on the one hand, and a class of claims held by the Senior Secured Parties, on the other hand, in respect of the Shared Collateral.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Secured Party, including the seeking by any Junior Secured Party of adequate protection or the asserting by any Junior Secured Party of any of its rights and remedies under the Junior Debt Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights set forth herein shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Junior Representative or any Junior Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, such Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees not to assert any such rights with respect to the Shared Collateral without the prior written consent of the Designated Senior Representative.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral or other collateral for the Senior Obligations.

SECTION 6.10. Reorganization Securities. Without limitation of the provisions of Section 4.01, if, in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a Plan of Reorganization on account of both the Senior Obligations and the Junior Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Junior Obligations are secured Liens upon the same assets or properties (or any obligor thereon holds any Deemed Collateral or assets of the type included in the definition of “Deemed Collateral”), the provisions of this Agreement (including Article VIII hereof with respect to the Restricted Group Collateral) will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations (and to such Deemed Collateral or assets).

SECTION 6.11. Post-Petition Interest. None of the Junior Representatives or any other Junior Secured Party shall oppose or seek to challenge any claim by any Senior Representative or any Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor of Senior Obligations consisting of claims for post-petition interest, fees, costs, expenses, premiums (including make-whole premiums) and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise exclusively as it relates to the Shared Collateral governed by this Agreement.

SECTION 6.12. Plan Voting. No Junior Representative or any other Junior Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) may propose, support, or vote in favor of any Plan of Reorganization (and each shall be deemed to have voted to reject any Plan of Reorganization) that is inconsistent with, or in violation of, the terms of this Agreement unless such plan (a) pays off, in cash in full, all Senior Obligations or (b) is accepted by the class of holders of Senior Obligations voting thereon in accordance with Section 1126(c) of the Bankruptcy Code.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Junior Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to AMC or any of its subsidiaries shall be deemed to have been given and made in reliance upon this Agreement. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges that it and such Junior Secured Parties have, independently and without reliance on the Designated Senior Representative or any other Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior Representatives and the Junior Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party shall have any duty to any Junior Representative or Junior Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with AMC or any of its subsidiaries (including the Junior Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Junior Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Debt Document or any Junior Debt Document;
- (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Debt Document or of the terms of any Junior Debt Document;
- (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Company or any other Grantor in respect of the Senior Obligations or (ii) any Junior Representative or Junior Secured Party in respect of this Agreement.

ARTICLE VIII

Turnover Provision

SECTION 8.01. Turnover Provision. Notwithstanding anything contained herein or in any other Debt Document to the contrary, after an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred (after the occurrence of which this Section 8.01 shall no longer be operative), (x) any Restricted Group Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of the Junior Exchangeable Notes Obligations from the Restricted Group (whether or not on account of Restricted Group Shared Collateral) (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding of any member of the Restricted Group (including any adequate protection payments) or otherwise, in each case (x) through (z), received by any Junior Exchangeable Notes Secured Party or Junior Exchangeable Notes Agent shall be segregated from the other funds and property of such Junior Exchangeable Notes Secured Party or Junior Exchangeable Notes Agent, as the case may be, and received and held in trust by such Junior Exchangeable Notes Secured Party or Junior Exchangeable Notes Agent, as the case may be, as trustee, and shall be forthwith paid over, in the same form as received, with any necessary endorsements (but without any express or implied representation or warranty), and applied (i) FIRST, to the payment of all amounts owing to each Senior Representative (in its capacity as such) pursuant to the terms of the applicable Senior Debt Documents, and (ii) SECOND, until the Discharge of Senior Obligations, to the payment in full of the Senior Obligations of each Series on a ratable basis, with such amounts to be applied to the Senior Obligations of a given Series in accordance with the terms of the applicable Senior Debt Documents; the foregoing turnover provision shall apply to all cash and any other assets removed from any premises of any member of the Restricted Group by or on behalf of Junior Exchangeable Notes Agent or otherwise received by or on behalf of Junior Exchangeable Notes Agent in any manner, in each case, in connection with any enforcement action. After the Discharge of the Senior Obligations and/or the Discharge of the Junior Exchangeable Notes Obligations (or any Permitted Refinancing thereof), this turnover provision (and any definitions only existing for purposes of this Section) shall no longer apply.

ARTICLE IX.

Miscellaneous

SECTION 9.01. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any Senior Debt Document or any Junior Debt Document (in each case, other than the First Lien AMC Intercreditor Agreement) as it relates to Shared Collateral, the provisions of this Agreement shall govern.

Notwithstanding the foregoing, the relative rights and obligations of the Junior Representatives and the Junior Secured Parties (as amongst themselves) with respect to any Junior Collateral shall be governed by the terms of the applicable Junior Lien Intercreditor Agreement(s) and in the event of any conflict between the applicable Junior Lien Intercreditor Agreement(s) and this Agreement, with respect to the Junior Representatives and the Junior Secured Parties (as amongst themselves), the provisions of the applicable Junior Lien Intercreditor Agreement(s) shall control, in each case as applicable.

Notwithstanding anything to the contrary in the A&R Senior/Junior Lien Intercreditor Agreement, the relative rights and obligations of the Secured Parties (as defined herein) (as amongst themselves) with respect to any Shared Collateral shall be governed by the terms of this Agreement and in the event of any conflict between the A&R Senior/Junior Lien Intercreditor Agreement and this Agreement, with respect to the Secured Parties (as amongst themselves), the provisions of this Agreement shall control, in each case as applicable.

SECTION 9.02. Continuing Nature of this Agreement; Severability. Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Junior Representatives or any Junior Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any other Grantor constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Representative (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, with the consent of the Company).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Junior Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

(d) Notwithstanding the foregoing, without the consent of any other Representative or Secured Party, the Designated Senior Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional Junior Debt Obligations in compliance with the Senior Credit Agreement, the Junior Exchangeable Notes Indenture, the Junior Notes Indenture and any Additional Junior Debt Documents.

SECTION 9.04. Information Concerning Financial Condition of the Company and the other Grantors. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Company and the other Grantors and all endorsers or guarantors of the Senior Obligations or the Junior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Junior Obligations. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Designated Senior Representative, any other Senior Representative, any Senior Secured Party, any Designated Junior Representative, any other Junior Representative or any Junior Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 9.05. Subrogation. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 9.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 9.07. Additional Grantors. AMC agrees that, if any subsidiary of AMC shall become a Grantor after the date hereof, it will promptly cause such subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 9.08. Dealings with Grantors. Upon any application or demand by the Company or any Grantor to the Designated Senior Representative or the Designated Junior Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), any such Company or Grantor, as appropriate, shall furnish to the Designated Junior Representative or the Designated Senior Representative a certificate of an appropriate officer (an “**Officer’s Certificate**”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 9.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then-extant Senior Debt Documents and the Junior Debt Documents, the Company or any other Grantor may incur or issue and sell one or more series or classes of Additional Junior Debt. Any such additional class or series of Additional Junior Debt (the “**Junior Class Debt**”) may be secured by a junior priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the Junior Collateral Documents for such Junior Class Debt, if and subject to the condition that the Representative of any such Junior Class Debt (each, a “**Junior Class Debt Representative**”), acting on behalf of the holders of such Junior Class Debt (such Representative and holders in respect of any such Junior Class Debt being referred to as the “**Junior Class Debt Parties**”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (v), as applicable, of this Section 9.09. In order for a Junior Class Debt Representative to become a party to this Agreement:

(i) such Junior Class Debt Representative shall have executed and delivered a Joinder Agreement to the Designated Senior Representative and the Designated Junior Representative substantially in the form of Annex III (with such changes as may be reasonably approved by the Designated Senior Representative and such Junior Class Debt Representative) pursuant to which it becomes a Representative hereunder, and the Junior Class Debt in respect of which such Junior Class Debt Representative is the Representative and the related Junior Class Debt Parties become subject hereto and bound hereby;

(ii) the Company shall have delivered to the Designated Senior Representative and the Designated Junior Representative true and complete copies of each of the Junior Debt Documents relating to such Junior Class Debt, certified as being true and correct by a Responsible Officer of the Company;

(iii) in the case of any Junior Class Debt, all filings, recordings and/or amendments or supplements to the Junior Collateral Documents necessary to confirm and perfect the junior priority Liens securing the relevant Junior Obligations relating to such Junior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordings, acceptable provisions to perform such filings or recordings have been taken in the reasonable judgment of the Designated Junior Representative), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments have been taken in the reasonable judgment of the Designated Senior Representative);

(iv) the Company shall have delivered to the Designated Senior Representative and the Designated Junior Representative an Officer’s Certificate stating that such Additional Junior Debt Obligations are permitted by each applicable Junior Debt Document to be incurred, or to the extent a consent is otherwise required to permit the incurrence of such Additional Junior Debt Obligations under any applicable Junior Debt Document, the relevant Grantors have obtained the requisite consent; and

(v) the Junior Debt Documents relating to such Junior Class Debt shall provide, in a manner reasonably satisfactory to the Designated Senior Representative, that each Junior Class Debt Party with respect to such Junior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Junior Class Debt.

SECTION 9.10. Consent to Jurisdiction; Waivers. The Designated Senior Representative and each other Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 9.11;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.10 any special, exemplary, punitive or consequential damages.

The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 2.01. Subordination.

(a) Notwithstanding the date, time, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection of any Liens granted to the Junior Representative or any Junior Secured Parties on the Shared Collateral or of any Liens granted to any Senior Representative or the Senior Secured Parties on the Shared Collateral (or any actual or alleged defect in any of the foregoing) and notwithstanding any provision of the UCC, any applicable law, any Junior Debt Document or any Senior Debt Document or any other circumstance whatsoever, the Junior Representative, on behalf of itself and the Junior Secured Party under the Junior Debt Facility, hereby agrees that any Lien on the Shared Collateral securing or purporting to secure any (i) Senior Obligations now or hereafter held by or on behalf of any Senior Secured Parties or any Senior Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior in all respects and prior to any Lien on the Shared Collateral securing or purporting to secure any Junior Obligations, and (ii) Junior Obligations now or hereafter held by or on behalf of any Junior Secured Parties or the Junior Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Shared Collateral securing or purporting to secure any Senior Obligations.

(b) All Liens on the Shared Collateral securing or purporting to secure any Senior Obligations shall be and remain senior in all respects and prior to all Liens on the Shared Collateral securing or purporting to secure any Junior Obligations for all purposes, whether or not such Liens securing or purporting to secure any Senior Obligations are subordinated to any Lien on the Shared Collateral securing or purporting to secure any other obligation of the Company, any other Grantor or any other Person or otherwise subordinated, voided, avoided, invalidated or lapsed.

SECTION 2.02. Nature of Senior Lender Claims. The Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, acknowledges (a) the terms of the Senior Debt Documents governing the Senior Obligations may be amended, supplemented or otherwise modified, and (b) the Senior Obligations, or any portion thereof, may be Refinanced in accordance with Section 9.09, and the Lien priorities provided for in Section 2.01 shall not be altered or otherwise affected by any such amendment, supplement or other modification, or any Refinancing. As between the Company and the other Grantors and the Junior Secured Parties, the foregoing reflects and acknowledges the agreement between the Company and the Grantors contained in the Notes Indenture with respect to the incurrence of additional Senior Obligations.

SECTION 2.03. Prohibition on Contesting Liens. The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Senior Obligations held (or purported to be held) by or on behalf of any of the Senior Secured Parties or any Senior Representative or other agent or trustee therefor in any Senior Collateral, and the Designated Senior Representative and each other Senior Representative, for itself and on behalf of each Senior Secured Party under its Senior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Junior Obligations held (or purported to be held) by or on behalf of any of the Junior Representative or any of the Junior Secured Parties in the Junior Collateral. Notwithstanding the foregoing, no provision in this Agreement shall be construed to prevent or impair the rights of the Designated Senior Representative or any other Senior Representative to enforce this Agreement (including the priority of the Liens securing the Senior Obligations as provided in Section 2.01) or any of the Senior Debt Documents.

SECTION 2.04. No New Liens. The parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred (a) no Grantor shall grant or permit any additional Liens on any asset or property of such Grantor to secure any Junior Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations and (b) if the Junior Representative or any Junior Secured Party shall hold any Lien on any assets or property of any Grantor securing any Junior Obligations that are not also subject to the senior-priority Liens securing Senior Obligations under the Senior Collateral Documents, the Junior Representative or such Junior Secured Party (i) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, the Company shall cause each such Grantor to promptly grant a similar Lien on such assets or property to the Senior Representatives as security for the Senior Obligations and (ii) until such grant of a similar Lien to the Senior Representatives, shall be deemed to hold and have held such Lien for the benefit of the Senior Representatives as security for the Senior Obligations on a priority basis to the Lien granted to the Junior Representative. If the Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds or payment from or as a result of any Liens granted in contravention of this Section 2.04, it shall pay such proceeds or payments over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 2.05. Perfection of Liens. Except for the agreements of the Designated Senior Representative pursuant to Section 5.05, none of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Junior Representative or the Junior Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Junior Secured Parties and shall not impose on the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative, the Junior Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

ARTICLE III

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) neither the Junior Representative nor any Junior Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Designated Senior Representative, any other Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) prior to the Junior Enforcement Date, object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Designated Senior Representative, the other Senior Representative and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment, and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral in consultation with (but without the consent of) the Junior Representative or any Junior Secured Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, the Junior Representative may file a claim, proof of claim, or statement of interest with respect to the Junior Obligations under the Junior Debt Facility, (B) the Junior Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Obligations or the rights of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) to the extent not otherwise inconsistent with or prohibited by this Agreement, the Junior Representative and the Junior Secured Parties may exercise their rights and remedies as unsecured creditors, to the extent provided in Section 5.04, (D) the Junior Representative may exercise the rights and remedies provided for in Section 6.03 and may vote on a proposed Plan of Reorganization in any Insolvency or Liquidation Proceeding of the Company or any other Grantor in accordance with the terms of this Agreement (including Section 6.12), (E) the Junior Representative and the Junior Secured Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Secured Parties, including any claims secured by the Junior Collateral, in each case in accordance with the terms of this Agreement and (F) from and after the Junior Enforcement Date, the Junior Representative or any person authorized by it may exercise or seek to exercise any rights or remedies with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), in each case of clauses (A) through (F) above, to the extent such action is consistent with the terms of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, the Junior Representative, on behalf of itself and the Junior Secured Party under the Junior Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds that are exclusively of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Junior Obligations.

(c) Subject to the proviso in Section 3.01(a), (i) the Junior Representative, for itself and on behalf of the Junior Secured Parties, agrees that neither it nor any such Junior Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by the Designated Senior Representative, the other Senior Representatives or any Senior Secured Party with respect to the Shared Collateral consistent with this Agreement and the other Senior Debt Documents and Junior Debt Documents, and (ii) the Junior Representative, for itself and on behalf of the Junior Secured Parties, hereby waives any and all rights it or any Junior Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party is adverse to the interests of the Junior Secured Parties.

(d) [reserved].

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Obligations, the Designated Senior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Junior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Junior Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Junior Representative, or for the taking of any other action authorized by the Junior Collateral Documents; provided, however, that nothing in this Section shall impair the right of the Junior Representative or other agent or trustee acting on behalf of the Junior Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Junior Secured Parties or the Junior Obligations.

Notwithstanding anything contained herein to the contrary, nothing in this Agreement shall be construed to limit, in any manner, the rights and remedies that the Junior Secured Parties have, pursuant to the Junior Debt Documents, as it relates to Collateral of the AMC Group (other than AMC UK). For the avoidance of doubt, any assets or property held by AMC or any of its Subsidiaries (other than the Muvico Group and AMC UK) shall be excluded from the definition of “Shared Collateral” for all purposes of this Agreement.

SECTION 3.02. Cooperation. Subject to the proviso in Section 3.01(a), the Junior Representative, on behalf of itself and the Junior Secured Parties, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Designated Senior Representative upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Junior Debt Documents; provided that nothing contained in this Section or elsewhere in this Agreement shall limit the rights of the Junior Secured Parties to exercise rights and remedies under the Junior Debt Documents, other than to the extent specifically covered by the provisions of this Agreement.

SECTION 3.03. Actions upon Breach. Should the Junior Representative or any Junior Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the Designated Senior Representative, any other Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Company or any other Grantor) or the Company may obtain relief against the Junior Representative or such Junior Secured Party by injunction, specific performance or other appropriate equitable relief. The Junior Representative, on behalf of itself and the Junior Secured Party under the Junior Debt Facility, hereby (a) agrees that the Senior Secured Parties’ damages from the actions of the Junior Representative or any Junior Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party.

Upon delivery to a Junior Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Junior Secured Parties and the Junior Representative) and any necessary or proper instruments of termination or release prepared by the Company or any other Grantor, the Junior Representative will promptly execute, deliver or acknowledge, at the Company's or the other Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Junior Representative, for itself and on behalf of the Junior Secured Parties under the Junior Debt Facility, to release the Liens on the Junior Collateral as set forth in the relevant Junior Debt Documents.

(b) The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, hereby irrevocably constitutes and appoints each Senior Representative and any officer or agent of each Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Junior Representative or such Junior Secured Party or in such Senior Representative's own name, from time to time in such Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

SECTION 5.03. Amendments to Junior Collateral Documents.

(a) Without the prior written consent of the Designated Senior Representative, no Junior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Junior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. SECTION 5.04. Rights as Unsecured Creditors. The Junior Representative and the Junior Secured Parties may exercise rights and remedies as unsecured creditors against the Company and any other Grantor in accordance with the terms of the Junior Debt Documents and applicable law so long as such rights and remedies do not violate and are not otherwise inconsistent with any provision of this Agreement (which, for the avoidance of doubt, does not govern the exercise of rights and remedies with respect to assets that are not Shared Collateral). Unless otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by the Junior Representative or any Junior Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Junior Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Representative or any Junior Secured Party of rights or remedies as a creditor in respect of Shared Collateral. In the event any Junior Representative or any Junior Secured Party becomes a judgment lien creditor as a result of its enforcement of its rights as an unsecured creditor in respect of Junior Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens on the Shared Collateral securing the Junior Obligations are so subordinated to such Liens on the Shared Collateral securing Senior Obligations under this Agreement.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Senior Representative (such Shared Collateral being referred to herein as the “**Pledged or Controlled Collateral**”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, such Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the Junior Representative, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior Collateral Documents and subject to the terms and conditions of this Section 5.05.

(d) No Senior Representative shall have any obligation whatsoever to the Junior Representative or any Junior Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of each Senior Representative under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the Junior Representative for purposes of perfecting the Lien held by the Junior Representative.

(e) No Senior Representative shall have by reason of the Junior Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of the Junior Representative or any Junior Secured Party, and the Junior Representative, for itself and on behalf of the Junior Secured Party under the Junior Debt Facility, hereby waives and releases each Senior Representative from all claims and liabilities arising pursuant to such Senior Representative's role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each Senior Representative shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Junior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Junior Representative is entitled to approve any awards granted in such proceeding. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by such Senior Representative as a result of its own willful misconduct, gross negligence or bad faith. No Senior Representative has any obligation to follow instructions from the Junior Representative in contravention of this Agreement.

(g) Neither the Designated Senior Representative nor any of the other Senior Representatives or Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Company or any other Grantor to the Designated Senior Representative, any other Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed to Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Company or any other Grantor incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Designated Senior Representative of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Designated Senior Representative), the Junior Representative (including the Junior Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to the Designated Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Junior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Designated Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. **Financing and Sale Issues.** Until the Discharge of Senior Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Designated Senior Representative shall desire to consent (or not object) to, as applicable, the sale, use or lease of cash or other collateral or to consent (or not object) to the Company's or any other Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to be secured by the Senior Collateral ("**DIP Financing**"), then the Junior Representative, for itself and on behalf of the Junior Secured Party under the Junior Debt Facility, agrees that it will (as applicable) raise no objection to and will not otherwise contest such use of such cash or other collateral or such DIP Financing and, except solely to the extent permitted by Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the Senior Obligations are subordinated to or *pari passu* with the Liens securing such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) the Liens securing such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Junior Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by the Designated Senior Representative. Until the Discharge of Senior Obligations has occurred, the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, further agrees that it will (as applicable) raise no objection to and will not otherwise contest (a) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations with respect to the Senior Collateral made by the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, (b) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale of Senior Collateral (including, without limitation, pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral, (c) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) any sale or other disposition of any or all of the Senior Collateral for which the Designated Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Junior Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Junior Obligations pursuant to this Agreement; without limiting the foregoing, the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that it may not raise any objections based on rights afforded by Section 363(e) or Section 363(f) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. In addition, the Junior Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations.

Notwithstanding the foregoing, this Agreement shall not restrict the Junior Representative and the Junior Secured Party from (i) objecting to any DIP Financing (x) that requires the sale, liquidation or other disposition of material assets that do not constitute Shared Collateral or (y) that requires specific and material terms of a plan of reorganization or arrangement or a proposal other than terms for a sale, liquidation or other disposition of Shared Collateral; provided, for the avoidance of doubt, that plan terms regarding the sale, liquidation or other disposition of non-material assets are not material terms, or (ii) proposing any DIP Financing to any Grantors or to a court of competent jurisdiction, provided no Junior Secured Party shall propose any DIP Financing ranking senior in Lien priority to the Senior Obligations with respect to the Senior Collateral or conditioned upon or contemplating the securing of any or all of the Junior Obligations on a basis inconsistent with the terms hereof.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding with respect to any Grantor or take any action in derogation thereof without the prior written consent of the Designated Senior Representative as it relates exclusively to Shared Collateral.

SECTION 6.03. Adequate Protection. The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties for adequate protection in any form, (b) any objection by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to any motion, relief, action or proceeding based on the Designated Senior Representative's, any other Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and/or payment (whether or not allowed or allowable in any Insolvency or Liquidation Proceeding) of interest, fees, expenses, premiums (including make-whole premiums), and/or other amounts of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, including, without limitation, as adequate protection or otherwise. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative expense claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, may seek or request adequate protection in the form of (as applicable) a Lien on such additional or replacement collateral and/or a superpriority administrative expense claim, which (A) Lien is subordinated to the Liens securing and providing adequate protection for, and claims with respect to, the Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to the Liens securing and claims with respect to the Senior Obligations under this Agreement and (B) superpriority administrative expense claim is subordinated to all superpriority administrative expense claims of the Senior Secured Parties, and (ii) in the event the Junior Representative, for itself and on behalf of the Junior Secured Parties under their Junior Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of (as applicable) a Lien on additional or replacement collateral and/or a superpriority administrative expense claim, then the Junior Representative, for itself and on behalf of the Junior Secured Party under their Junior Debt Facilities, agree that the Senior Representatives shall also be granted (as applicable) a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and/or a senior superpriority administrative expense claim, and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Junior Obligations and/or superpriority administrative expense claim shall be subordinated to the Liens on such collateral securing and claims with respect to the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens and claims granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Company or any other Grantor (as defined in the Senior Exchangeable Notes Indenture) (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason, any amount (a “**Recovery**”), whether received as proceeds of security, enforcement of any right of setoff, recoupment or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall still be entitled to a future Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Junior Representative, for itself and on behalf of the Junior Secured Parties, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in respect of the Shared Collateral in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them, solely to the extent it is on account of the Shared Collateral, shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute separate and distinct grants of Liens, (b) the Junior Secured Parties’ claims against the Grantors in respect of their Liens on the Shared Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the Senior Secured Parties against the Grantors in respect of the Shared Collateral, and (c) because of, among other things, their differing rights in the Shared Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding of any Grantor. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Secured Parties and the Junior Secured Parties in respect of the Shared Collateral constitute only a single class of claims (rather than separate classes of senior and junior secured claims), then the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior Secured Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal and pre-petition interest, all amounts owing in respect of post-petition interest, fees, premiums (including make-whole premiums), and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution is made in respect of the Junior Obligations from Shared Collateral, with the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from or on account of the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Secured Parties. This Section 6.05 is intended to govern the relationship between the classes of claims held by the Junior Secured Parties, on the one hand, and a class of claims comprised of the Senior Obligations, on the other hand, in respect of the Shared Collateral.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Secured Party (other than the seeking of adequate protection as contemplated in Section 6.03), including the seeking by any Junior Secured Party of adequate protection in violation of this Agreement, the proposing of a DIP Facility, or the asserting by any Junior Secured Party of any of its rights and remedies under the Junior Debt Documents or otherwise in a manner inconsistent with this Agreement.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights set forth herein shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Reserved.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, the Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral or other collateral for the Senior Obligations.

SECTION 6.10. Reorganization Securities. Without limitation of the provisions of Section 4.01, if, in any Insolvency or Liquidation Proceeding of any Grantor, debt obligations of such Grantor, as reorganized, secured by Liens upon any property of such reorganized Grantor are distributed pursuant to a Plan of Reorganization on account of both the Senior Obligations and the Junior Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Junior Obligations are secured Liens upon the same assets or properties (or any Grantor obligor thereon holds any Deemed Collateral or assets of the type included in the definition of “Deemed Collateral”), the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations (and to such Deemed Collateral or assets). For the avoidance of doubt, this Section 6.10 shall not apply to any debt or assets of any entity comprising the AMC Group (other than AMC UK).

SECTION 6.11. Post-Petition Interest. Neither the Junior Representative nor any other Junior Secured Party shall oppose or seek to challenge any claim by the Senior Representative or any Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of any Grantor of Senior Obligations consisting of claims for post-petition interest, fees, costs, expenses, premiums (including make-whole premiums) and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise (for this purpose ignoring all claims and Liens held by the Junior Secured Parties on the Shared Collateral) to the extent that any Junior Secured Party shall recover any consideration from any Grantor on account of its secured claim against such Grantor in any Insolvency or Liquidation Proceeding.

SECTION 6.12. Plan Voting. Neither the Junior Representative nor any other Junior Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) may propose, support, or vote in favor of any Plan of Reorganization (and each shall be deemed to have voted to reject any Plan of Reorganization) that is inconsistent with, or in violation of, the terms of this Agreement unless such plan (a) pays off, in cash in full, all Senior Obligations or (b) is accepted by the class of holders of Senior Obligations voting thereon in accordance with Section 1126(c) of the Bankruptcy Code.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Junior Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to Holdings or any of its subsidiaries shall be deemed to have been given and made in reliance upon this Agreement. The Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, acknowledges that it and such Junior Secured Parties have, independently and without reliance on the Designated Senior Representative or any other Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. The Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, acknowledges and agrees that neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior Representative and the Junior Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party shall have any duty to the Junior Representative or Junior Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with Holdings or any of its subsidiaries (including the Junior Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Junior Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Designated Senior Representative, the other Senior Representative, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Debt Document or any Junior Debt Document;
 - (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Debt Document or of the terms of any Junior Debt Document;
 - (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;
 - (d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or
 - (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Company or any other Grantor in respect of the Senior Obligations or (ii) the Junior Representative or Junior Secured Party in respect of this Agreement.

ARTICLE IX

Miscellaneous

SECTION 9.01. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any Senior Debt Document or any Junior Debt Document, the provisions of this Agreement shall govern.

Notwithstanding the foregoing, the relative rights and obligations of the Senior Representatives and the Senior Secured Parties (as amongst themselves) with respect to any Senior Collateral shall be governed by the terms of any intercreditor agreement setting forth the priorities amongst such parties, and in the event of any conflict between any such intercreditor agreement and this Agreement, with respect to the Senior Representatives and the Senior Secured Parties (as amongst themselves), the provisions of such intercreditor agreement shall control, in each case as applicable.

SECTION 9.02. Continuing Nature of this Agreement; Severability. Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Representative (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, with the consent of the Company).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 9.04. Information Concerning Financial Condition of the Company and the other Grantors. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Company and the other Grantors and all endorsers or guarantors of the Senior Obligations or the Junior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Junior Obligations. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Designated Senior Representative, any other Senior Representative, any Senior Secured Party, the Junior Representative or any Junior Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 9.05. Subrogation. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder solely as it relates to the Shared Collateral until the Discharge of Senior Obligations has occurred.

SECTION 9.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, prior to the occurrence of a Junior Enforcement Date, the Junior Representative, on behalf of itself and the Junior Secured Parties, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 9.07. Additional Grantors. Holdings agrees that, if any subsidiary of Holdings shall become a Grantor after the date hereof, it will promptly cause such subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 9.08. Dealings with Grantors. Upon any application or demand by the Company or any Grantor to the Designated Senior Representative or Junior Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), any such Company or Grantor, as appropriate, shall furnish to the Junior Representative or the Designated Senior Representative a certificate of an appropriate officer (an “**Officer’s Certificate**”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 9.09. Senior Refinancing Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then-extant Senior Debt Documents and Junior Debt Documents, the Senior Obligations may be Refinanced, in whole or in part pursuant to a Refinancing (the "Additional Senior Refinancing Debt") secured by a Lien on Shared Collateral under and pursuant to the Senior Collateral Documents for such Additional Senior Refinancing Debt, which such Liens shall be senior to the Liens on the Shared Collateral in favor of the Junior Secured Parties in accordance with the terms hereof. Each Representative of any such Additional Senior Refinancing Debt (each, an "Additional Senior Refinancing Debt Representative"), acting on behalf of the holders of such Additional Senior Refinancing Debt (such Representative and holders in respect of any such Additional Senior Refinanced Debt being referred to as the "Additional Senior Refinancing Debt Secured Parties"), may become a party to this Agreement by satisfying the conditions set forth in clauses (I) through (III) below:

(I) such Additional Senior Refinancing Debt Representative shall have executed and delivered a Joinder Agreement to the Designated Senior Representative and the Junior Representative substantially in the form of Annex III (with such changes as may be reasonably approved by the Designated Senior Representative, the Junior Representative and such Additional Senior Refinancing Debt Representative) pursuant to which it becomes a Representative hereunder, and the Additional Senior Refinancing Debt in respect of which such Additional Senior Refinancing Debt Representative is the Representative and the related Additional Senior Refinancing Debt Secured Parties become subject hereto and bound hereby;

(II) the Company shall have delivered to the Designated Senior Representative and the Junior Representative true and complete copies of each of the Senior Debt Documents relating to such Additional Senior Refinancing Debt, certified as being true and correct by a Responsible Officer of the Company;

(III) the Company shall have delivered to the Designated Senior Representative and the Junior Representative an Officer's Certificate stating that such Additional Senior Refinancing Debt Obligations are permitted to be incurred by each applicable Senior Debt Document and Junior Debt Document, or to the extent a consent is otherwise required to permit the incurrence of such Additional Senior Refinancing Debt Obligations under any applicable Senior Debt Document or Junior Debt Document, the relevant Grantors have obtained the requisite consent; and

SECTION 9.10. Consent to Jurisdiction; Waivers. The Designated Senior Representative and each other Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 9.11;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.10 any special, exemplary, punitive or consequential damages.

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) neither any Junior Representative nor any Junior Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Designated Senior Representative, any other Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment, and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without any consultation with or the consent of any Junior Representative or any Junior Secured Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, any Junior Representative may file a claim, proof of claim, or statement of interest with respect to the Junior Obligations under its Junior Debt Facility, (B) any Junior Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Obligations or the rights of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) to the extent not otherwise inconsistent with or prohibited by this Agreement, any Junior Representative and the Junior Secured Parties may exercise their rights and remedies as unsecured creditors, to the extent provided in Section 5.04, (D) any Junior Representative may exercise the rights and remedies provided for in Section 6.03 and may vote on a proposed Plan of Reorganization in any Insolvency or Liquidation Proceeding of the Company or any other Grantor in accordance with the terms of this Agreement (including Section 6.12), (E) any Junior Representative and the Junior Secured Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Secured Parties, including any claims secured by the Junior Collateral, in each case in accordance with the terms of this Agreement and (F) from and after the Junior Enforcement Date, the Designated Junior Representative or any person authorized by it may exercise or seek to exercise any rights or remedies with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), in each case of clauses (A) through (F) above, to the extent such action is not inconsistent with, or could not result in a resolution inconsistent with, the terms of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Junior Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the proviso in Section 3.01(a) and in Article VI, the sole right of the Junior Representatives and the Junior Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Junior Obligations pursuant to the Junior Debt Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to the proviso in Section 3.01(a), (i) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that neither such Junior Representative nor any such Junior Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party with respect to the Shared Collateral under the Senior Debt Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives any and all rights it or any such Junior Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party is adverse to the interests of the Junior Secured Parties.

(d) Each Junior Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Junior Debt Document shall be deemed to restrict in any way the rights and remedies of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Debt Documents.

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Obligations, the Designated Senior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Designated Junior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Junior Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Junior Representatives, or for the taking of any other action authorized by the Junior Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Junior Representative or other agent or trustee acting on behalf of the Junior Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Junior Secured Parties or the Junior Obligations.

(f) Notwithstanding anything to the contrary herein, the Liens on Shared Collateral securing the Exchangeable Notes Obligations shall only be subordinated pursuant to this Agreement to the Liens on Shared Collateral securing the Senior Exchangeable Notes Obligations and the Senior Notes Obligations, and the rights of the Senior Exchangeable Notes Secured Parties and Senior Notes Secured Parties hereunder with respect to the Shared Collateral and the proceeds thereof shall only be enforceable as against the Exchangeable Notes Secured Parties, in each case to the fullest extent permitted under the Exchangeable Notes Indenture.

Without limiting the foregoing, in the event the Shared Collateral securing the Exchangeable Notes Obligations is determined, contrary to the intent and expectation of the parties, to constitute all or substantially all (within the meaning of the Exchangeable Notes Indenture) of the collateral that secures the Exchangeable Notes Obligations (the "Exchangeable Notes Collateral"), the Shared Collateral hereunder shall, only insofar as it relates to the Liens on the Shared Collateral securing the Senior Exchangeable Notes Obligations and the Senior Notes Obligations, be limited to the maximum amount that would not constitute all or substantially all of the Exchangeable Notes Collateral. For the avoidance of doubt, nothing in this subsection shall limit any rights under this Agreement of the Senior Credit Agreement Secured Parties.

SECTION 3.02. Cooperation. Subject to the proviso in Section 3.01(a), each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Designated Senior Representative upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Junior Debt Documents.

SECTION 3.03. Actions upon Breach. Should any Junior Representative or any Junior Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the Designated Senior Representative or any other Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Company or any other Grantor) or the Company may obtain relief against such Junior Representative or such Junior Secured Party by injunction, specific performance or other appropriate equitable relief. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby (a) agrees that the Senior Secured Parties' damages from the actions of the Junior Representatives or any Junior Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party.

ARTICLE IV

Payments

SECTION 4.01. Application of Proceeds. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, (x) any Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of claims secured by Shared Collateral (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments) or otherwise, shall in each case be applied by the Designated Senior Representative to the Senior Obligations in such order as specified in the Senior Credit Agreement until the Discharge of Senior Obligations has occurred. Upon the Discharge of Senior Obligations, the Designated Senior Representative shall deliver promptly to the Designated Junior Representative any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Junior Representative to the Junior Obligations in such order as specified in the relevant Junior Debt Documents.

SECTION 4.02. Payments Over. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, any Shared Collateral, Proceeds thereof or distributions on account of claims secured by Shared Collateral received by any Junior Representative or any Junior Secured Party (i) in connection with the exercise of any right or remedy (including setoff or recoupment) or otherwise or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments), in each case, shall be segregated and held in trust for the benefit of and forthwith paid over to the Designated Senior Representative for the benefit of the Senior Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, until such time as the Discharge of Senior Obligations shall have occurred. The Designated Senior Representative is hereby authorized to make any such endorsements as agent for each of the Junior Representatives or any such Junior Secured Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE V

Other Agreements

SECTION 5.01. Releases.

(a) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any subsidiary of Holdings) (i) in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative or (ii) if not in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative, so long as such sale, transfer or other disposition is permitted by the terms of the Junior Debt Documents and the Senior Debt Documents, the Liens granted to the Junior Representatives and the Junior Secured Parties upon such Shared Collateral (but such Liens shall not be deemed to be so released on the Proceeds thereof that were not applied to the payment of Senior Obligations) to secure Junior Obligations shall terminate and be released, automatically and without any further action, concurrently with or to the same extent as the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to a Junior Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Junior Secured Parties and the Junior Representatives) and any necessary or proper instruments of termination or release prepared by the Company or any other Centertainment Group Grantor, such Junior Representative will promptly execute, deliver or acknowledge, at the Company's or the other Centertainment Group Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Junior Representative, for itself and on behalf of the Junior Secured Parties under its Junior Debt Facility, to release the Liens on the Junior Collateral as set forth in the relevant Junior Debt Documents.

(b) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby irrevocably constitutes and appoints each Senior Representative and any officer or agent of each Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Representative or such Junior Secured Party or in such Senior Representative's own name, from time to time in such Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby consents to the application, whether prior to or after an event of default under any Senior Debt Document, of proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Debt Documents; provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Junior Representatives or the Junior Secured Parties to receive proceeds in connection with the Junior Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Junior Collateral Document, in the event the terms of a Senior Collateral Document and a Junior Collateral Document each require any Centertainment Group Grantor to (i) make payment in respect of any item of Shared Collateral, (ii) deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waivers or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both any Designated Senior Representative and any Junior Representative or Junior Secured Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Junior Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents, (a) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (b) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) *first*, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents, (ii) *second*, after the occurrence of the Discharge of Senior Obligations, to the Designated Junior Representative for the benefit of the Junior Secured Parties pursuant to the terms of the applicable Junior Debt Documents and (iii) *third*, if no Senior Obligations or Junior Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Junior Collateral Documents.

(a) Without the prior written consent of each Senior Representative, no Junior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Junior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Company agrees to deliver to each Senior Representative copies of (i) any amendments, supplements or other modifications to the Junior Collateral Documents and (ii) any new Junior Collateral Documents promptly after effectiveness thereof. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that each Junior Collateral Document under its Junior Debt Facility shall include the following language (or language to similar effect reasonably approved by the Designated Senior Representative):

“Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the [Junior Representative] pursuant to this [Agreement] on any Collateral consisting of assets of Muvico, LLC, a Texas limited liability company (the “Company”), or any other Centertainment Group Entity (but not, for the avoidance of doubt, any Collateral consisting of assets of AMC or any subsidiary thereof (other than any Centertainment Group Entity)) shall be expressly subject and subordinate to the Liens and security interests granted in favor of the Senior Credit Agreement Agent, Senior Exchangeable Notes Agent and the Senior Notes Agent (each, as defined in the First Lien/Second Lien Intercreditor Agreement referred to below) and (ii) the exercise of any right or remedy by the [Junior Representative] hereunder shall be subject to the limitations and provisions of that certain Amended and Restated First Lien/Second Lien Intercreditor Agreement, dated as of July 24, 2025 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “First Lien/Second Lien Intercreditor Agreement”), among Wilmington Savings Fund Society, FSB, as Senior Credit Agreement Agent, GLAS Trust Company LLC, as Senior Exchangeable Notes Agent, GLAS Trust Company LLC, as Senior Notes Agent, GLAS Trust Company LLC, as Exchangeable Notes Agent (as defined therein), the other agents and representatives party thereto from time to time, Holdings, the Company and the other parties thereto from time to time. In the event of any conflict between the terms of the First Lien/Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the First Lien/Second Lien Intercreditor Agreement shall govern.”

(b) In the event that any Senior Representative enters into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Designated Senior Representative, the Senior Secured Parties, the Company or any other Grantor thereunder in respect of any of the Shared Collateral (including the release of any Liens in Senior Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of the comparable Junior Collateral Documents without the consent of any Junior Representative or any Junior Secured Party and without any action by any Junior Representative, the Company or any other Grantor; provided, however, that (A) no such amendment, waiver or consent shall have the effect of (i) releasing any Lien on any Shared Collateral securing the applicable Junior Obligations, except to the extent that a release of such Lien is permitted by Section 5.01 and provided that there is a corresponding release of the Lien on such Shared Collateral securing the Senior Obligations, (ii) imposing duties that are adverse on any Junior Representative without its consent or (iii) altering the terms of the Junior Debt Documents to permit other Liens on the Shared Collateral not permitted under the terms of the Junior Debt Documents as in effect on the date hereof or Article VI and (B) written notice of such amendment, waiver or consent shall have been given to each Junior Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

(c) The Senior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Junior Secured Party; provided, however, that, without the consent of the Junior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement. The Junior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Senior Secured Party; provided, however, that, without the consent of the Senior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement.

SECTION 5.04. Rights as Unsecured Creditors. The Junior Representatives and the Junior Secured Parties may exercise rights and remedies as unsecured creditors against the Company and any other Grantor in accordance with the terms of the Junior Debt Documents and applicable law so long as such rights and remedies do not violate and are not otherwise inconsistent with any provision of this Agreement. Unless otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by any Junior Representative or any Junior Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Junior Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Representative or any Junior Secured Party of rights or remedies as a creditor in respect of Shared Collateral. In the event any Junior Representative or any Junior Secured Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Junior Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Junior Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Senior Representative (such Shared Collateral being referred to herein as the “**Pledged or Controlled Collateral**”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, such Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Junior Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior Collateral Documents and subject to the terms and conditions of this Section 5.05. Each Junior Representative acknowledges and agrees that if it shall at any time hold a perfected Lien on any Pledged or Controlled Collateral, such Junior Representative shall also hold such Pledged or Controlled Collateral as sub-agent or gratuitous bailee for each Senior Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Senior Collateral Documents (to the extent not otherwise perfected) and subject to the terms and conditions of this Section 5.05 and the Lien priority provided for herein.

(b) In the event that any Senior Representative (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Representative agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Junior Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Junior Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, each Senior Representative shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Junior Collateral Documents did not exist. The rights of the Junior Representatives and the Junior Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) No Senior Representative shall have any obligation whatsoever to the Junior Representatives or any Junior Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of each Senior Representative under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Junior Representative for purposes of perfecting the Lien held by such Junior Representative.

(e) No Senior Representative shall have by reason of the Junior Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Junior Representative or any Junior Secured Party, and each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives and releases each Senior Representative from all claims and liabilities arising pursuant to such Senior Representative’s role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each Senior Representative shall, at the Centertainment Group Grantors’ sole cost and expense, (i) (A) deliver to the Designated Junior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Centertainment Group Grantor that the Designated Junior Representative is entitled to approve any awards granted in such proceeding. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by such Senior Representative as a result of its own willful misconduct, gross negligence or bad faith. No Senior Representative has any obligation to follow instructions from the Designated Junior Representative in contravention of this Agreement.

(g) Neither the Designated Senior Representative nor any of the other Senior Representatives or Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Company or any other Grantor to the Designated Senior Representative, any other Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed to Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Company or any other Centertainment Group Grantor incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Designated Senior Representative of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Designated Senior Representative), each Junior Representative (including the Designated Junior Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to the Designated Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Junior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Centertainment Group Grantor that the new Designated Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. **Financing and Sale Issues.** Until the Discharge of Senior Obligations has occurred, if the Company or any other Centertainment Group Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Representative shall desire to consent (or not object) to, as applicable, the sale, use or lease of cash or other collateral or to consent (or not object) to the Company's or any other Centertainment Group Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to be secured by the Senior Collateral ("**DIP Financing**"), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it will (as applicable) raise no objection to and will not otherwise contest such use of such cash or other collateral or such DIP Financing and, except solely to the extent permitted by Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the Senior Obligations are subordinated to or *pari passu* with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Junior Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by any Senior Representative. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, further agrees that it will (as applicable) raise no objection to and will not otherwise contest (a) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations with respect to the Senior Collateral made by Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, (b) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale of Senior Collateral (including, without limitation, pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral, (c) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) any sale or other disposition of any or all of the Senior Collateral for which any Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Junior Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Junior Obligations pursuant to this Agreement; without limiting the foregoing, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it may not raise any objections based on rights afforded by Section 363(e) or Section 363(f) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. In addition, the Junior Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations.

SECTION 6.02. **Relief from the Automatic Stay.** Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding with respect to any Centertainment Group Grantor or take any action in derogation thereof without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties for adequate protection in any form, (b) any objection by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to any motion, relief, action or proceeding based on the Designated Senior Representative's or any other Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and/or payment (whether or not allowed or allowable in any Insolvency or Liquidation Proceeding) of interest, fees, expenses, premiums (including make-whole premiums), and/or other amounts of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, including, without limitation, as adequate protection or otherwise. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative expense claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, may seek or request adequate protection in the form of (as applicable) a Lien on such additional or replacement collateral and/or a superpriority administrative expense claim, which Lien and/or superpriority administrative expense claim (as applicable) is subordinated to the Liens securing and providing adequate protection for, and claims with respect to, the Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to the Liens securing and claims with respect to the Senior Obligations under this Agreement and (ii) in the event any Junior Representatives, for themselves and on behalf of the Junior Secured Parties under their Junior Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of (as applicable) a Lien on additional or replacement collateral and/or a superpriority administrative expense claim, then such Junior Representatives, for themselves and on behalf of each Junior Secured Party under their Junior Debt Facilities, agree that the Senior Representatives shall also be granted (as applicable) a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and/or a senior superpriority administrative expense claim, and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Junior Obligations and/or superpriority administrative expense claim shall be subordinated to the Liens on such collateral securing and claims with respect to the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens and claims granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Company or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason, any amount (a "**Recovery**"), whether received as proceeds of security, enforcement of any right of setoff, recoupment or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall still be entitled to a future Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute separate and distinct grants of Liens, (b) the Junior Secured Parties' claims against the Grantors in respect of their Liens on the Shared Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the Senior Secured Parties against the Grantors in respect of the Shared Collateral, and (c) because of, among other things, their differing rights in the Shared Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding of any Centertainment Group Grantor. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Secured Parties and the Junior Secured Parties in respect of the Shared Collateral constitute only a single class of claims (rather than separate classes of senior and junior secured claims), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior Secured Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal and pre-petition interest, all amounts owing in respect of post-petition interest, fees, premiums (including make-whole premiums), and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution is made in respect of the Junior Obligations), with each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from or on account of the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Secured Parties. This Section 6.05 is intended to govern the relationship between the classes of claims held by the Junior Secured Parties, on the one hand, and a class of claims comprised of the Senior Obligations, on the other hand, in respect of the Shared Collateral.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Secured Party, including the seeking by any Junior Secured Party of adequate protection or the asserting by any Junior Secured Party of any of its rights and remedies under the Junior Debt Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights set forth herein shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Junior Representative or any Junior Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, such Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees not to assert any such rights without the prior written consent of the Designated Senior Representative.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral or other collateral for the Senior Obligations.

SECTION 6.10. Reorganization Securities. Without limitation of the provisions of Section 4.01, if, in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a Plan of Reorganization on account of both the Senior Obligations and the Junior Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Junior Obligations are secured Liens upon the same assets or properties (or any obligor thereon holds any Deemed Collateral or assets of the type included in the definition of “Deemed Collateral”), the provisions of this Agreement (including Article VIII hereof with respect to the Restricted Group Collateral) will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations (and to such Deemed Collateral or assets).

SECTION 6.11. Post-Petition Interest. None of the Junior Representatives or any other Junior Secured Party shall oppose or seek to challenge any claim by any Senior Representative or any Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor of Senior Obligations consisting of claims for post-petition interest, fees, costs, expenses, premiums (including make-whole premiums) and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise (for this purpose ignoring all claims and Liens held by the Junior Secured Parties on the Shared Collateral).

SECTION 6.12. Plan Voting. No Junior Representative or any other Junior Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) may propose, support, or vote in favor of any Plan of Reorganization (and each shall be deemed to have voted to reject any Plan of Reorganization) that is inconsistent with, or in violation of, the terms of this Agreement unless such plan (a) pays off, in cash in full, all Senior Obligations or (b) is accepted by the class of holders of Senior Obligations voting thereon in accordance with Section 1126(c) of the Bankruptcy Code.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Junior Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to AMC or any of its subsidiaries shall be deemed to have been given and made in reliance upon this Agreement. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges that it and such Junior Secured Parties have, independently and without reliance on the Designated Senior Representative or any other Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior Representatives and the Junior Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party shall have any duty to any Junior Representative or Junior Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with AMC or any of its subsidiaries (including the Junior Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Junior Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor’s title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Debt Document or any Junior Debt Document;
- (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Debt Document or of the terms of any Junior Debt Document;
- (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;
- (d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or
- (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Company or any other Grantor in respect of the Senior Obligations or (ii) any Junior Representative or Junior Secured Party in respect of this Agreement.

ARTICLE VIII

Turnover Provision

SECTION 8.01. Turnover Provision. Notwithstanding anything contained herein or in any other Debt Document to the contrary, after an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Credit Agreement Obligations has not occurred (after the occurrence of which this Section 8.01 shall no longer be operative), (x) any Restricted Group Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of the Junior Obligations from the Restricted Group (whether or not on account of Restricted Group Shared Collateral) (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding of any member of the Restricted Group (including any adequate protection payments) or otherwise, in each case (x) through (z), received by any Junior Secured Party or Junior Representative shall be segregated from the other funds and property of such Junior Secured Party or Junior Representative, as the case may be, and received and held in trust by such Junior Secured Party or Junior Representative, as the case may be, as trustee, and shall be forthwith paid over, in the same form as received, with any necessary endorsements (but without any express or implied representation or warranty), and applied (i) FIRST, to the payment of all amounts owing to the Senior Credit Agreement Agent (in its capacity as such) pursuant to the terms of the applicable Senior Credit Agreement Loan Documents, and (ii) SECOND, until the Discharge of Senior Credit Agreement Obligations, to the payment in full of the Senior Credit Agreement Obligations, with such amounts to be applied to the Senior Credit Agreement Obligations in accordance with the terms of the applicable Senior Credit Agreement Loan Documents; the foregoing turnover provision shall apply to all cash and any other assets removed from any premises of any member of the Restricted Group by or on behalf of Junior Representative or otherwise received by or on behalf of Junior Representative in any manner, in each case, in connection with any enforcement action. After the Discharge of Senior Credit Agreement Obligations, this turnover provision shall no longer apply.

ARTICLE IX.

Miscellaneous

SECTION 9.01. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any Senior Debt Document or any Junior Debt Document, the provisions of this Agreement shall govern.

Notwithstanding the foregoing, the relative rights and obligations of the Junior Representatives and the Junior Secured Parties (as amongst themselves) with respect to any Junior Collateral shall be governed by the terms of the Junior Lien Intercreditor Agreement and in the event of any conflict between the Junior Lien Intercreditor Agreement and this Agreement, with respect to the Junior Representatives and the Junior Secured Parties (as amongst themselves), the provisions of the Junior Lien Intercreditor Agreement shall control, in each case as applicable.

SECTION 9.02. Continuing Nature of this Agreement; Severability. Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Junior Representatives or any Junior Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any other Grantor constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Representative (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, with the consent of the Company).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Junior Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

(d) Notwithstanding the foregoing, without the consent of any other Representative or Secured Party, the Designated Senior Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional Junior Debt Obligations in compliance with the Senior Credit Agreement, the Senior Notes Indenture, the Senior Exchangeable Notes Indenture, the Exchangeable Notes Indenture and any Additional Junior Debt Documents.

SECTION 9.04. Information Concerning Financial Condition of the Company and the other Grantors. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Company and the other Grantors and all endorsers or guarantors of the Senior Obligations or the Junior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Junior Obligations. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Designated Senior Representative, any other Senior Representative, any Senior Secured Party, any Designated Junior Representative, any other Junior Representative or any Junior Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 9.05. Subrogation. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 9.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 9.07. Additional Grantors. AMC agrees that, if any subsidiary of AMC shall become a Grantor after the date hereof, it will promptly cause such subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 9.08. Dealings with Grantors. Upon any application or demand by the Company or any Grantor to any Senior Representative or Junior Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), any such Company or Grantor, as appropriate, shall furnish to the applicable Junior Representative or Senior Representative a certificate of an appropriate officer (an “**Officer’s Certificate**”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 9.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then-extant Senior Debt Documents and the Junior Debt Documents, the Company or any other Grantor may incur or issue and sell one or more series or classes of Additional Junior Debt. Any such additional class or series of Additional Junior Debt (the “**Junior Class Debt**”) may be secured by a junior priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the Junior Collateral Documents for such Junior Class Debt, if and subject to the condition that the Representative of any such Junior Class Debt (each, a “**Junior Class Debt Representative**”), acting on behalf of the holders of such Junior Class Debt (such Representative and holders in respect of any such Junior Class Debt being referred to as the “**Junior Class Debt Parties**”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (v), as applicable, of this Section 9.09. In order for a Junior Class Debt Representative to become a party to this Agreement:

(i) such Junior Class Debt Representative shall have executed and delivered a Joinder Agreement to each Senior Representative and the Designated Junior Representative substantially in the form of Annex III (with such changes as may be reasonably approved by the Designated Senior Representative and such Junior Class Debt Representative) pursuant to which it becomes a Representative hereunder, and the Junior Class Debt in respect of which such Junior Class Debt Representative is the Representative and the related Junior Class Debt Parties become subject hereto and bound hereby;

(ii) the Company shall have delivered to each Senior Representative and the Designated Junior Representative true and complete copies of each of the Junior Debt Documents relating to such Junior Class Debt, certified as being true and correct by a Responsible Officer of the Company;

(iii) in the case of any Junior Class Debt, all filings, recordations and/or amendments or supplements to the Junior Collateral Documents necessary to confirm and perfect the junior priority Liens securing the relevant Junior Obligations relating to such Junior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordings have been taken in the reasonable judgment of the Designated Junior Representative), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments have been taken in the reasonable judgment of the Designated Senior Representative);

(iv) the Company shall have delivered to each Senior Representative and the Designated Junior Representative an Officer's Certificate stating that such Additional Junior Debt Obligations are permitted by each applicable Junior Debt Document to be incurred, or to the extent a consent is otherwise required to permit the incurrence of such Additional Junior Debt Obligations under any applicable Junior Debt Document, the relevant Grantors have obtained the requisite consent; and

(v) the Junior Debt Documents relating to such Junior Class Debt shall provide, in a manner reasonably satisfactory to the Designated Senior Representative, that each Junior Class Debt Party with respect to such Junior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Junior Class Debt.

SECTION 9.10. Consent to Jurisdiction; Waivers. The Designated Senior Representative and each other Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 9.11;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.10 any special, exemplary, punitive or consequential damages.

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) neither any Junior Representative nor any Junior Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Designated Senior Representative, any other Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment, and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without the consent of any Junior Representative or any Junior Secured Party (but any such determinations shall be in consultation with the Junior Representatives); provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, any Junior Representative may file a claim, proof of claim, or statement of interest with respect to the Junior Obligations under its Junior Debt Facility, (B) any Junior Representative may take any action in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) to the extent not otherwise prohibited by this Agreement, any Junior Representative and the Junior Secured Parties may exercise their rights and remedies as unsecured creditors, to the extent provided in Section 5.04, (D) any Junior Representative may exercise the rights and remedies provided for in Section 6.03 and may vote on a proposed Plan of Reorganization in any Insolvency or Liquidation Proceeding of the Company or any other Grantor in accordance with the terms of this Agreement (including Section 6.12), (E) any Junior Representative and the Junior Secured Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Secured Parties, including any claims secured by the Junior Collateral, in each case in accordance with the terms of this Agreement and (F) from and after the Junior Enforcement Date, the Designated Junior Representative or any person authorized by it may exercise or seek to exercise any rights or remedies with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), in each case of clauses (A) through (E) above, to the extent consistent with the terms of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Junior Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the proviso in Section 3.01(a) and in Article VI, the sole right of the Junior Representatives and the Junior Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Junior Obligations pursuant to the Junior Debt Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to the proviso in Section 3.01(a), (i) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that neither such Junior Representative nor any such Junior Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party with respect to the Shared Collateral under the Senior Debt Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives any and all rights it or any such Junior Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party is adverse to the interests of the Junior Secured Parties.

(d) Each Junior Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Junior Debt Document shall be deemed to restrict in any way the rights and remedies of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Debt Documents.

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Obligations, the Designated Senior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Designated Junior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Junior Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Junior Representatives, or for the taking of any other action authorized by the Junior Collateral Documents; provided, however, that nothing in this Section shall impair the right of any Junior Representative or other agent or trustee acting on behalf of the Junior Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Junior Secured Parties or the Junior Obligations.

SECTION 3.02. Cooperation. Subject to the proviso in Section 3.01(a), each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Designated Senior Representative upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Junior Debt Documents.

SECTION 3.03. Actions upon Breach. Should any Junior Representative or any Junior Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the Designated Senior Representative or any other Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Company or any other Grantor) or the Company may obtain relief against such Junior Representative or such Junior Secured Party by injunction, specific performance or other appropriate equitable relief. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby (a) agrees that the Senior Secured Parties' damages from the actions of the Junior Representatives or any Junior Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party.

ARTICLE IV

Payments

SECTION 4.01. Application of Proceeds. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, (x) any Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of claims secured by Shared Collateral (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments) or otherwise, shall in each case be applied by the Designated Senior Representative to the Senior Obligations in such order as specified in the Senior Debt Documents until the Discharge of Senior Obligations has occurred. Upon the Discharge of Senior Obligations, the Designated Senior Representative shall deliver promptly to the Designated Junior Representative any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Junior Representative to the Junior Obligations in such order as specified in the relevant Junior Debt Documents and any Junior Lien Intercreditor Agreement.

SECTION 4.02. Payments Over. After an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, any Shared Collateral, Proceeds thereof or distributions on account of claims secured by Shared Collateral received by any Junior Representative or any Junior Secured Party (i) in connection with the exercise of any right or remedy (including setoff or recoupment) or otherwise or (ii) in any Insolvency or Liquidation Proceeding (including any adequate protection payments), in each case, shall be segregated and held in trust for the benefit of and forthwith paid over to the Designated Senior Representative for the benefit of the Senior Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, until such time as the Discharge of Senior Obligations shall have occurred. The Designated Senior Representative is hereby authorized to make any such endorsements as agent for each of the Junior Representatives or any such Junior Secured Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE V

Other Agreements

SECTION 5.01. Releases.

(a) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any subsidiary of Holdings) (i) in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative or (ii) if not in connection with the exercise of remedies in respect of Shared Collateral by a Senior Representative, so long as such sale, transfer or other disposition is permitted by the terms of the Junior Debt Documents and the Senior Debt Documents, the Liens granted to the Junior Representatives and the Junior Secured Parties upon such Shared Collateral (but such Liens shall not be deemed to be so released on the Proceeds thereof that were not applied to the payment of Senior Obligations) to secure Junior Obligations shall terminate and be released, automatically and without any further action, concurrently with or to the same extent as the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to a Junior Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Junior Secured Parties and the Junior Representatives) and any necessary or proper instruments of termination or release prepared by the Company or any other Centertainment Group Grantor, such Junior Representative will promptly execute, deliver or acknowledge, at the Company's or the other Centertainment Group Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Junior Representative, for itself and on behalf of the Junior Secured Parties under its Junior Debt Facility, to release the Liens on the Junior Collateral as set forth in the relevant Junior Debt Documents and any Junior Lien Intercreditor Agreement.

(b) Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby irrevocably constitutes and appoints each Senior Representative and any officer or agent of each Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Representative or such Junior Secured Party or in such Senior Representative's own name, from time to time in such Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

(c) Unless and until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby consents to the application, whether prior to or after an event of default under any Senior Debt Document, of proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Debt Documents; provided that nothing in this Section 5.01(c) shall be construed to prevent or impair the rights of the Junior Representatives or the Junior Secured Parties to receive proceeds in connection with the Junior Obligations not otherwise in contravention of this Agreement.

(d) Notwithstanding anything to the contrary in any Junior Collateral Document, in the event the terms of a Senior Collateral Document and a Junior Collateral Document each require any Centertainment Group Grantor to (i) make payment in respect of any item of Shared Collateral, (ii) deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law), (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of or (vii) obtain the agreement of a landlord with respect to access to leased premises where any item of Shared Collateral is located or waives or subordination of rights with respect to any item of Shared Collateral in favor of, in any case, both any Designated Senior Representative and any Junior Representative or Junior Secured Party, such Grantor may, until the applicable Discharge of Senior Obligations has occurred, comply with such requirement under the Junior Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Designated Senior Representative.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Designated Senior Representative and the Senior Secured Parties shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Debt Documents, (a) to adjust settlement for any insurance policy covering the Shared Collateral in the event of any loss thereunder and (b) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) *first*, prior to the occurrence of the Discharge of Senior Obligations, to the Designated Senior Representative for the benefit of Senior Secured Parties pursuant to the terms of the Senior Debt Documents, (ii) *second*, after the occurrence of the Discharge of Senior Obligations, to the Designated Junior Representative for the benefit of the Junior Secured Parties pursuant to the terms of the applicable Junior Debt Documents and Junior Lien Intercreditor Agreements and (iii) *third*, if no Senior Obligations or Junior Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 5.03. Amendments to Junior Collateral Documents.

(a) Without the prior written consent of the Designated Senior Representative, no Junior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Junior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Company agrees to deliver to the Designated Senior Representative copies of (i) any amendments, supplements or other modifications to the Junior Collateral Documents and (ii) any new Junior Collateral Documents promptly after effectiveness thereof.

(b) In the event that any Senior Representative enters into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Designated Senior Representative, the Senior Secured Parties, the Company or any other Grantor thereunder in respect of any of the Shared Collateral (including the release of any Liens in Senior Collateral), then such amendment, waiver or consent shall apply automatically to any comparable provision of the comparable Junior Collateral Documents without the consent of any Junior Representative or any Junior Secured Party and without any action by any Junior Representative, the Company or any other Grantor; provided, however, that (A) no such amendment, waiver or consent shall have the effect of (i) releasing any Lien on any Shared Collateral securing the applicable Junior Obligations, except to the extent that a release of such Lien is permitted by Section 5.01 and provided that there is a corresponding release of the Lien on such Shared Collateral securing the Senior Obligations, (ii) imposing duties that are adverse on any Junior Representative without its consent or (iii) altering the terms of the Junior Debt Documents to permit other Liens on the Shared Collateral not permitted under the terms of the Junior Debt Documents as in effect on the date hereof or Article VI and (B) written notice of such amendment, waiver or consent shall have been given to each Junior Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent.

(c) The Senior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Junior Secured Party; provided, however, that, without the consent of the Junior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement. The Junior Debt Documents may be amended, restated, supplemented or otherwise modified in accordance with their terms without the consent of any Senior Secured Party; provided, however, that, without the consent of the Senior Representatives, no such amendment, restatement, supplement or modification (or successive amendments, restatements, supplements or modifications) shall contravene any provision of this Agreement.

SECTION 5.04. Rights as Unsecured Creditors. The Junior Representatives and the Junior Secured Parties may exercise rights and remedies as unsecured creditors against the Company and any other Grantor in accordance with the terms of the Junior Debt Documents and applicable law so long as such rights and remedies do not violate and are not otherwise inconsistent with any provision of this Agreement. Unless otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by any Junior Representative or any Junior Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Junior Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Representative or any Junior Secured Party of rights or remedies as a creditor in respect of Shared Collateral. In the event any Junior Representative or any Junior Secured Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Junior Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Junior Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Senior Representative (such Shared Collateral being referred to herein as the “**Pledged or Controlled Collateral**”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, such Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the relevant Junior Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior Collateral Documents and subject to the terms and conditions of this Section 5.05.

(b) In the event that any Senior Representative (or its agents or bailees) has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Representative agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Junior Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Junior Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, each Senior Representative shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Debt Documents as if the Liens under the Junior Collateral Documents did not exist. The rights of the Junior Representatives and the Junior Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) No Senior Representative shall have any obligation whatsoever to the Junior Representatives or any Junior Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of each Senior Representative under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Junior Representative for purposes of perfecting the Lien held by such Junior Representative.

(e) No Senior Representative shall have by reason of the Junior Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Junior Representative or any Junior Secured Party, and each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby waives and releases each Senior Representative from all claims and liabilities arising pursuant to such Senior Representative's role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each Senior Representative shall, at the Centertainment Group Grantors' sole cost and expense, (i)(A) deliver to the Designated Junior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Centertainment Group Grantor that the Designated Junior Representative is entitled to approve any awards granted in such proceeding. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by such Senior Representative as a result of its own willful misconduct, gross negligence or bad faith. No Senior Representative has any obligation to follow instructions from the Designated Junior Representative in contravention of this Agreement.

(g) Neither the Designated Senior Representative nor any of the other Senior Representatives or Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Company or any other Grantor to the Designated Senior Representative, any other Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed to Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Company or any other Centertainment Group Grantor incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Designated Senior Representative of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Designated Senior Representative), each Junior Representative (including the Designated Junior Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to the Designated Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Junior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Centertainment Group Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Centertainment Group Grantor that the new Designated Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. Financing and Sale Issues. Until the Discharge of Senior Obligations has occurred, if the Company or any other Centertainment Group Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Designated Senior Representative shall desire to consent (or not object) to, as applicable, the sale, use or lease of cash or other collateral or to consent (or not object) to the Company's or any other Centertainment Group Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to be secured by the Senior Collateral ("**DIP Financing**"), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it will (as applicable) raise no objection to and will not otherwise contest such use of such cash or other collateral or such DIP Financing and, except solely to the extent permitted by Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the Senior Obligations are subordinated to or *pari passu* with the Liens securing such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Junior Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by the Designated Senior Representative. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, further agrees that it will (as applicable) raise no objection to and will not otherwise contest (a) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations with respect to the Senior Collateral made by Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, (b) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale of Senior Collateral (including, without limitation, pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral, (c) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) any sale or other disposition of any or all of the Senior Collateral for which the Designated Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Junior Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Junior Obligations pursuant to this Agreement; without limiting the foregoing, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that it may not raise any objections based on rights afforded by Section 363(e) or Section 363(f) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. In addition, the Junior Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding with respect to any Centertainment Group Grantor or take any action in derogation thereof without the prior written consent of the Designated Senior Representative as it relates exclusively to Shared Collateral.

SECTION 6.03. Adequate Protection. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties for adequate protection in any form, (b) any objection by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to any motion, relief, action or proceeding based on the Designated Senior Representative's or any other Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and/or payment (whether or not allowed or allowable in any Insolvency or Liquidation Proceeding) of interest, fees, expenses, premiums (including make-whole premiums), and/or other amounts of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, including, without limitation, as adequate protection or otherwise. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative expense claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, may seek or request adequate protection in the form of (as applicable) a Lien on such additional or replacement collateral and/or a superpriority administrative expense claim, which (A) Lien is subordinated to the Liens securing and providing adequate protection for, and claims with respect to, the Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to the Liens securing and claims with respect to the Senior Obligations under this Agreement and (B) superpriority administrative expense claim is subordinated to all superpriority administrative expense claims of the Senior Secured Parties on the same basis as the other claims of the Junior Secured Parties are so subordinated to the claims of the Senior Secured Parties under this Agreement and (ii) in the event any Junior Representatives, for themselves and on behalf of the Junior Secured Parties under their Junior Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of (as applicable) a Lien on additional or replacement collateral and/or a superpriority administrative expense claim, then such Junior Representatives, for themselves and on behalf of each Junior Secured Party under their Junior Debt Facilities, agree that the Senior Representatives shall also be granted (as applicable) a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and/or a senior superpriority administrative expense claim, and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Junior Obligations and/or superpriority administrative expense claim shall be subordinated to the Liens on such collateral securing and claims with respect to the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens and claims granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Company or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason, any amount (a “**Recovery**”), whether received as proceeds of security, enforcement of any right of setoff, recoupment or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall still be entitled to a future Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute separate and distinct grants of Liens, (b) the Junior Secured Parties’ claims against the Grantors in respect of their Liens on the Shared Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the Senior Secured Parties against the Grantors in respect of the Shared Collateral, and (c) because of, among other things, their differing rights in the Shared Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding of any Centertainment Group Grantor. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Secured Parties and the Junior Secured Parties in respect of the Shared Collateral constitute only a single class of claims (rather than separate classes of senior and junior secured claims), then each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior Secured Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal and pre-petition interest, all amounts owing in respect of post-petition interest, fees, premiums (including make-whole premiums), and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution is made in respect of the Junior Obligations), with each Junior Representative, for itself and on behalf of each Junior Secured Party under its Junior Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from or on account of the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Secured Parties. This Section 6.05 is intended to govern the relationship between the classes of claims held by the Junior Secured Parties, on the one hand, and a class of claims held by the Senior Secured Parties, on the other hand, in respect of the Shared Collateral.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Secured Party, including the seeking by any Junior Secured Party of adequate protection or the asserting by any Junior Secured Party of any of its rights and remedies under the Junior Debt Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights set forth herein shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Junior Representative or any Junior Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, such Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees not to assert any such rights with respect to the Shared Collateral without the prior written consent of the Designated Senior Representative.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral or other collateral for the Senior Obligations.

SECTION 6.10. Reorganization Securities. Without limitation of the provisions of Section 4.01, if, in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a Plan of Reorganization on account of both the Senior Obligations and the Junior Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Junior Obligations are secured Liens upon the same assets or properties (or any obligor thereon holds any Deemed Collateral or assets of the type included in the definition of “Deemed Collateral”), the provisions of this Agreement (including Article VIII hereof with respect to the Restricted Group Collateral) will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations (and to such Deemed Collateral or assets).

SECTION 6.11. Post-Petition Interest. None of the Junior Representatives or any other Junior Secured Party shall oppose or seek to challenge any claim by any Senior Representative or any Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of any Centertainment Group Grantor of Senior Obligations consisting of claims for post-petition interest, fees, costs, expenses, premiums (including make-whole premiums) and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise exclusively as it relates to the Shared Collateral governed by this Agreement.

SECTION 6.12. Plan Voting. No Junior Representative or any other Junior Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) may propose, support, or vote in favor of any Plan of Reorganization (and each shall be deemed to have voted to reject any Plan of Reorganization) that is inconsistent with, or in violation of, the terms of this Agreement unless such plan (a) pays off, in cash in full, all Senior Obligations or (b) is accepted by the class of holders of Senior Obligations voting thereon in accordance with Section 1126(c) of the Bankruptcy Code.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Junior Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to AMC or any of its subsidiaries shall be deemed to have been given and made in reliance upon this Agreement. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges that it and such Junior Secured Parties have, independently and without reliance on the Designated Senior Representative or any other Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, acknowledges and agrees that neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior Representatives and the Junior Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party shall have any duty to any Junior Representative or Junior Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with AMC or any of its subsidiaries (including the Junior Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Junior Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representatives and the Junior Secured Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Debt Document or any Junior Debt Document;
- (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Debt Document or of the terms of any Junior Debt Document;
- (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;

- (d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or
- (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Company or any other Grantor in respect of the Senior Obligations or (ii) any Junior Representative or Junior Secured Party in respect of this Agreement.

ARTICLE VIII

Turnover Provision

SECTION 8.01. Turnover Provision. Notwithstanding anything contained herein or in any other Debt Document to the contrary, after an event of default under any Senior Debt Document has occurred and until such event of default is cured or waived, so long as the Discharge of Senior Obligations has not occurred (after the occurrence of which this Section 8.01 shall no longer be operative), (x) any Restricted Group Shared Collateral, (y) any Proceeds thereof or (z) any distributions received on account of the Junior Exchangeable Notes Obligations from the Restricted Group (whether or not on account of Restricted Group Shared Collateral) (i) in connection with the sale or other disposition of, or collection on, any of the foregoing (x) through (z) or (ii) in any Insolvency or Liquidation Proceeding of any member of the Restricted Group (including any adequate protection payments) or otherwise, in each case (x) through (z), received by any Junior Exchangeable Notes Secured Party or Junior Exchangeable Notes Agent shall be segregated from the other funds and property of such Junior Exchangeable Notes Secured Party or Junior Exchangeable Notes Agent, as the case may be, and received and held in trust by such Junior Exchangeable Notes Secured Party or Junior Exchangeable Notes Agent, as the case may be, as trustee, and shall be forthwith paid over, in the same form as received, with any necessary endorsements (but without any express or implied representation or warranty), and applied (i) FIRST, to the payment of all amounts owing to each Senior Representative (in its capacity as such) pursuant to the terms of the applicable Senior Debt Documents, and (ii) SECOND, until the Discharge of Senior Obligations, to the payment in full of the Senior Obligations of each Series on a ratable basis, with such amounts to be applied to the Senior Obligations of a given Series in accordance with the terms of the applicable Senior Debt Documents; the foregoing turnover provision shall apply to all cash and any other assets removed from any premises of any member of the Restricted Group by or on behalf of Junior Exchangeable Notes Agent or otherwise received by or on behalf of Junior Exchangeable Notes Agent in any manner, in each case, in connection with any enforcement action. After the Discharge of the Senior Obligations and/or the Discharge of the Junior Exchangeable Notes Obligations (or any Permitted Refinancing thereof), this turnover provision (and any definitions only existing for purposes of this Section) shall no longer apply.

ARTICLE IX.

Miscellaneous

SECTION 9.01. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any Senior Debt Document or any Junior Debt Document (in each case, other than the First Lien AMC Intercreditor Agreement) as it relates to Shared Collateral, the provisions of this Agreement shall govern.

Notwithstanding the foregoing, the relative rights and obligations of the Junior Representatives and the Junior Secured Parties (as amongst themselves) with respect to any Junior Collateral shall be governed by the terms of the applicable Junior Lien Intercreditor Agreement(s) and in the event of any conflict between the applicable Junior Lien Intercreditor Agreement(s) and this Agreement, with respect to the Junior Representatives and the Junior Secured Parties (as amongst themselves), the provisions of the applicable Junior Lien Intercreditor Agreement(s) shall control, in each case as applicable.

Notwithstanding anything to the contrary in the A&R Senior/Junior Lien Intercreditor Agreement, the relative rights and obligations of the Secured Parties (as defined herein) (as amongst themselves) with respect to any Shared Collateral shall be governed by the terms of this Agreement and in the event of any conflict between the A&R Senior/Junior Lien Intercreditor Agreement and this Agreement, with respect to the Secured Parties (as amongst themselves), the provisions of this Agreement shall control, in each case as applicable.

SECTION 9.02. Continuing Nature of this Agreement; Severability. Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Junior Representatives or any Junior Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Company or any other Grantor constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Representative (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, with the consent of the Company).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Junior Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

(d) Notwithstanding the foregoing, without the consent of any other Representative or Secured Party, the Designated Senior Representative may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional Junior Debt Obligations in compliance with the Senior Credit Agreement, the Junior Exchangeable Notes Indenture, the Junior Notes Indenture and any Additional Junior Debt Documents.

SECTION 9.04. Information Concerning Financial Condition of the Company and the other Grantors. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Company and the other Grantors and all endorsers or guarantors of the Senior Obligations or the Junior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Junior Obligations. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Designated Senior Representative, any other Senior Representative, any Senior Secured Party, any Designated Junior Representative, any other Junior Representative or any Junior Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Designated Junior Representative, the other Junior Representatives and the Junior Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 9.05. Subrogation. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 9.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 9.07. Additional Grantors. AMC agrees that, if any subsidiary of AMC shall become a Grantor after the date hereof, it will promptly cause such subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 9.08. Dealings with Grantors. Upon any application or demand by the Company or any Grantor to the Designated Senior Representative or the Designated Junior Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), any such Company or Grantor, as appropriate, shall furnish to the Designated Junior Representative or the Designated Senior Representative a certificate of an appropriate officer (an “**Officer’s Certificate**”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 9.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then-extant Senior Debt Documents and the Junior Debt Documents, the Company or any other Grantor may incur or issue and sell one or more series or classes of Additional Junior Debt. Any such additional class or series of Additional Junior Debt (the “**Junior Class Debt**”) may be secured by a junior priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the Junior Collateral Documents for such Junior Class Debt, if and subject to the condition that the Representative of any such Junior Class Debt (each, a “**Junior Class Debt Representative**”), acting on behalf of the holders of such Junior Class Debt (such Representative and holders in respect of any such Junior Class Debt being referred to as the “**Junior Class Debt Parties**”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (v), as applicable, of this Section 9.09. In order for a Junior Class Debt Representative to become a party to this Agreement:

(i) such Junior Class Debt Representative shall have executed and delivered a Joinder Agreement to the Designated Senior Representative and the Designated Junior Representative substantially in the form of Annex III (with such changes as may be reasonably approved by the Designated Senior Representative and such Junior Class Debt Representative) pursuant to which it becomes a Representative hereunder, and the Junior Class Debt in respect of which such Junior Class Debt Representative is the Representative and the related Junior Class Debt Parties become subject hereto and bound hereby;

(ii) the Company shall have delivered to the Designated Senior Representative and the Designated Junior Representative true and complete copies of each of the Junior Debt Documents relating to such Junior Class Debt, certified as being true and correct by a Responsible Officer of the Company;

(iii) in the case of any Junior Class Debt, all filings, recordings and/or amendments or supplements to the Junior Collateral Documents necessary to confirm and perfect the junior priority Liens securing the relevant Junior Obligations relating to such Junior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordings, acceptable provisions to perform such filings or recordings have been taken in the reasonable judgment of the Designated Junior Representative), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments have been taken in the reasonable judgment of the Designated Senior Representative);

(iv) the Company shall have delivered to the Designated Senior Representative and the Designated Junior Representative an Officer’s Certificate stating that such Additional Junior Debt Obligations are permitted by each applicable Junior Debt Document to be incurred, or to the extent a consent is otherwise required to permit the incurrence of such Additional Junior Debt Obligations under any applicable Junior Debt Document, the relevant Grantors have obtained the requisite consent; and

(v) the Junior Debt Documents relating to such Junior Class Debt shall provide, in a manner reasonably satisfactory to the Designated Senior Representative, that each Junior Class Debt Party with respect to such Junior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Junior Class Debt.

SECTION 9.10. Consent to Jurisdiction; Waivers. The Designated Senior Representative and each other Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 9.11;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.10 any special, exemplary, punitive or consequential damages.

The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 2.01. Subordination.

(a) Notwithstanding the date, time, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection of any Liens granted to the Junior Representative or any Junior Secured Parties on the Shared Collateral or of any Liens granted to any Senior Representative or the Senior Secured Parties on the Shared Collateral (or any actual or alleged defect in any of the foregoing) and notwithstanding any provision of the UCC, any applicable law, any Junior Debt Document or any Senior Debt Document or any other circumstance whatsoever, the Junior Representative, on behalf of itself and the Junior Secured Party under the Junior Debt Facility, hereby agrees that any Lien on the Shared Collateral securing or purporting to secure any (i) Senior Obligations now or hereafter held by or on behalf of any Senior Secured Parties or any Senior Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior in all respects and prior to any Lien on the Shared Collateral securing or purporting to secure any Junior Obligations, and (ii) Junior Obligations now or hereafter held by or on behalf of any Junior Secured Parties or the Junior Representative or other agent or trustee therefor, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Shared Collateral securing or purporting to secure any Senior Obligations.

(b) All Liens on the Shared Collateral securing or purporting to secure any Senior Obligations shall be and remain senior in all respects and prior to all Liens on the Shared Collateral securing or purporting to secure any Junior Obligations for all purposes, whether or not such Liens securing or purporting to secure any Senior Obligations are subordinated to any Lien on the Shared Collateral securing or purporting to secure any other obligation of the Company, any other Grantor or any other Person or otherwise subordinated, voided, avoided, invalidated or lapsed.

SECTION 2.02. Nature of Senior Lender Claims. The Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, acknowledges (a) the terms of the Senior Debt Documents governing the Senior Obligations may be amended, supplemented or otherwise modified, and (b) the Senior Obligations, or any portion thereof, may be Refinanced in accordance with Section 9.09, and the Lien priorities provided for in Section 2.01 shall not be altered or otherwise affected by any such amendment, supplement or other modification, or any Refinancing. As between the Company and the other Grantors and the Junior Secured Parties, the foregoing reflects and acknowledges the agreement between the Company and the Grantors contained in the Notes Indenture with respect to the incurrence of additional Senior Obligations.

SECTION 2.03. Prohibition on Contesting Liens. The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Senior Obligations held (or purported to be held) by or on behalf of any of the Senior Secured Parties or any Senior Representative or other agent or trustee therefor in any Senior Collateral, and the Designated Senior Representative and each other Senior Representative, for itself and on behalf of each Senior Secured Party under its Senior Debt Facility, agrees that it shall not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, extent, perfection, allowability, priority or enforceability of any Lien securing, or the allowability or value of any claims asserted with respect to, any Junior Obligations held (or purported to be held) by or on behalf of any of the Junior Representative or any of the Junior Secured Parties in the Junior Collateral. Notwithstanding the foregoing, no provision in this Agreement shall be construed to prevent or impair the rights of the Designated Senior Representative or any other Senior Representative to enforce this Agreement (including the priority of the Liens securing the Senior Obligations as provided in Section 2.01) or any of the Senior Debt Documents.

SECTION 2.04. No New Liens. The parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred (a) no Grantor shall grant or permit any additional Liens on any asset or property of such Grantor to secure any Junior Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations and (b) if the Junior Representative or any Junior Secured Party shall hold any Lien on any assets or property of any Grantor securing any Junior Obligations that are not also subject to the senior-priority Liens securing Senior Obligations under the Senior Collateral Documents, the Junior Representative or such Junior Secured Party (i) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, the Company shall cause each such Grantor to promptly grant a similar Lien on such assets or property to the Senior Representatives as security for the Senior Obligations and (ii) until such grant of a similar Lien to the Senior Representatives, shall be deemed to hold and have held such Lien for the benefit of the Senior Representatives as security for the Senior Obligations on a priority basis to the Lien granted to the Junior Representative. If the Junior Representative or any Junior Secured Party shall, at any time, receive any proceeds or payment from or as a result of any Liens granted in contravention of this Section 2.04, it shall pay such proceeds or payments over to the Designated Senior Representative in accordance with the terms of Section 4.02.

SECTION 2.05. Perfection of Liens. Except for the agreements of the Designated Senior Representative pursuant to Section 5.05, none of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Junior Representative or the Junior Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Junior Secured Parties and shall not impose on the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative, the Junior Secured Parties or any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

ARTICLE III

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) neither the Junior Representative nor any Junior Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or recoupment) with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party in respect of the Senior Obligations, the exercise of any right by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations under any lockbox agreement, control agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Designated Senior Representative, any other Senior Representative or any Senior Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party of any rights and remedies relating to the Shared Collateral under the Senior Debt Documents or otherwise in respect of the Senior Collateral or the Senior Obligations, or (z) prior to the Junior Enforcement Date, object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Designated Senior Representative, the other Senior Representative and the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff, recoupment, and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral in consultation with (but without the consent of) the Junior Representative or any Junior Secured Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, the Junior Representative may file a claim, proof of claim, or statement of interest with respect to the Junior Obligations under the Junior Debt Facility, (B) the Junior Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Obligations or the rights of the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) to the extent not otherwise inconsistent with or prohibited by this Agreement, the Junior Representative and the Junior Secured Parties may exercise their rights and remedies as unsecured creditors, to the extent provided in Section 5.04, (D) the Junior Representative may exercise the rights and remedies provided for in Section 6.03 and may vote on a proposed Plan of Reorganization in any Insolvency or Liquidation Proceeding of the Company or any other Grantor in accordance with the terms of this Agreement (including Section 6.12), (E) the Junior Representative and the Junior Secured Parties may file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Junior Secured Parties, including any claims secured by the Junior Collateral, in each case in accordance with the terms of this Agreement and (F) from and after the Junior Enforcement Date, the Junior Representative or any person authorized by it may exercise or seek to exercise any rights or remedies with respect to any Shared Collateral in respect of any Junior Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), in each case of clauses (A) through (F) above, to the extent such action is consistent with the terms of this Agreement. In exercising rights and remedies with respect to the Senior Collateral, the Designated Senior Representative, the other Senior Representatives and the Senior Secured Parties may enforce the provisions of the Senior Debt Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, the Junior Representative, on behalf of itself and the Junior Secured Party under the Junior Debt Facility, agrees that it will not take or receive any Shared Collateral or any Proceeds that are exclusively of Shared Collateral in connection with the exercise of any right or remedy (including setoff or recoupment) with respect to any Shared Collateral in respect of Junior Obligations.

(c) Subject to the proviso in Section 3.01(a), (i) the Junior Representative, for itself and on behalf of the Junior Secured Parties, agrees that neither it nor any such Junior Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by the Designated Senior Representative, the other Senior Representatives or any Senior Secured Party with respect to the Shared Collateral consistent with this Agreement and the other Senior Debt Documents and Junior Debt Documents, and (ii) the Junior Representative, for itself and on behalf of the Junior Secured Parties, hereby waives any and all rights it or any Junior Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party is adverse to the interests of the Junior Secured Parties.

(d) [reserved].

(e) Subject to the proviso in Section 3.01(a), until the Discharge of Senior Obligations, the Designated Senior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto. Following the Discharge of Senior Obligations, the Junior Representative or any Person authorized by it shall have the exclusive right to exercise any right or remedy with respect to the Collateral and shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Junior Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Junior Representative, or for the taking of any other action authorized by the Junior Collateral Documents; provided, however, that nothing in this Section shall impair the right of the Junior Representative or other agent or trustee acting on behalf of the Junior Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Junior Secured Parties or the Junior Obligations.

Notwithstanding anything contained herein to the contrary, nothing in this Agreement shall be construed to limit, in any manner, the rights and remedies that the Junior Secured Parties have, pursuant to the Junior Debt Documents, as it relates to Collateral of the AMC Group (other than AMC UK). For the avoidance of doubt, any assets or property held by AMC or any of its Subsidiaries (other than the Muvico Group and AMC UK) shall be excluded from the definition of “Shared Collateral” for all purposes of this Agreement.

SECTION 3.02. Cooperation. Subject to the proviso in Section 3.01(a), the Junior Representative, on behalf of itself and the Junior Secured Parties, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Designated Senior Representative upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Junior Debt Documents; provided that nothing contained in this Section or elsewhere in this Agreement shall limit the rights of the Junior Secured Parties to exercise rights and remedies under the Junior Debt Documents, other than to the extent specifically covered by the provisions of this Agreement.

SECTION 3.03. Actions upon Breach. Should the Junior Representative or any Junior Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, the Designated Senior Representative, any other Senior Representative or other Senior Secured Party (in its or their own name or in the name of the Company or any other Grantor) or the Company may obtain relief against the Junior Representative or such Junior Secured Party by injunction, specific performance or other appropriate equitable relief. The Junior Representative, on behalf of itself and the Junior Secured Party under the Junior Debt Facility, hereby (a) agrees that the Senior Secured Parties’ damages from the actions of the Junior Representative or any Junior Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (b) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Designated Senior Representative, any other Senior Representative or any Senior Secured Party.

Upon delivery to a Junior Representative of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Junior Secured Parties and the Junior Representative) and any necessary or proper instruments of termination or release prepared by the Company or any other Grantor, the Junior Representative will promptly execute, deliver or acknowledge, at the Company's or the other Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens. Nothing in this Section 5.01(a) will be deemed to affect any agreement of a Junior Representative, for itself and on behalf of the Junior Secured Parties under the Junior Debt Facility, to release the Liens on the Junior Collateral as set forth in the relevant Junior Debt Documents.

(b) The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, hereby irrevocably constitutes and appoints each Senior Representative and any officer or agent of each Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Junior Representative or such Junior Secured Party or in such Senior Representative's own name, from time to time in such Senior Representative's discretion, for the purpose of carrying out the terms of Section 5.01(a), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(a), including any termination statements, endorsements or other instruments of transfer or release.

SECTION 5.03. Amendments to Junior Collateral Documents.

(a) Without the prior written consent of the Designated Senior Representative, no Junior Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Junior Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. SECTION 5.04. Rights as Unsecured Creditors. The Junior Representative and the Junior Secured Parties may exercise rights and remedies as unsecured creditors against the Company and any other Grantor in accordance with the terms of the Junior Debt Documents and applicable law so long as such rights and remedies do not violate and are not otherwise inconsistent with any provision of this Agreement (which, for the avoidance of doubt, does not govern the exercise of rights and remedies with respect to assets that are not Shared Collateral). Unless otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by the Junior Representative or any Junior Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Junior Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Junior Representative or any Junior Secured Party of rights or remedies as a creditor in respect of Shared Collateral. In the event any Junior Representative or any Junior Secured Party becomes a judgment lien creditor as a result of its enforcement of its rights as an unsecured creditor in respect of Junior Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens on the Shared Collateral securing the Junior Obligations are so subordinated to such Liens on the Shared Collateral securing Senior Obligations under this Agreement.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of such Senior Representative, or of agents or bailees of such Senior Representative (such Shared Collateral being referred to herein as the “**Pledged or Controlled Collateral**”), or if it shall any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, such Senior Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent or gratuitous bailee for the Junior Representative, in each case solely for the purpose of perfecting the Liens granted under the relevant Junior Collateral Documents and subject to the terms and conditions of this Section 5.05.

(d) No Senior Representative shall have any obligation whatsoever to the Junior Representative or any Junior Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of each Senior Representative under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the Junior Representative for purposes of perfecting the Lien held by the Junior Representative.

(e) No Senior Representative shall have by reason of the Junior Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of the Junior Representative or any Junior Secured Party, and the Junior Representative, for itself and on behalf of the Junior Secured Party under the Junior Debt Facility, hereby waives and releases each Senior Representative from all claims and liabilities arising pursuant to such Senior Representative's role under this Section 5.05 as sub-agent and gratuitous bailee with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each Senior Representative shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Junior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Junior Representative is entitled to approve any awards granted in such proceeding. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by such Senior Representative as a result of its own willful misconduct, gross negligence or bad faith. No Senior Representative has any obligation to follow instructions from the Junior Representative in contravention of this Agreement.

(g) Neither the Designated Senior Representative nor any of the other Senior Representatives or Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Company or any other Grantor to the Designated Senior Representative, any other Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed to Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Company or any other Grantor incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then the Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the granting by the Designated Senior Representative of amendments, waivers and consents hereunder and the agent, representative or trustee for the holders of such Senior Obligations shall be a Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Designated Senior Representative), the Junior Representative (including the Junior Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to the Designated Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Junior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depository banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Designated Senior Representative is entitled to approve any awards granted in such proceeding.

ARTICLE VI

Insolvency or Liquidation Proceedings

SECTION 6.01. **Financing and Sale Issues.** Until the Discharge of Senior Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Designated Senior Representative shall desire to consent (or not object) to, as applicable, the sale, use or lease of cash or other collateral or to consent (or not object) to the Company's or any other Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to be secured by the Senior Collateral ("**DIP Financing**"), then the Junior Representative, for itself and on behalf of the Junior Secured Party under the Junior Debt Facility, agrees that it will (as applicable) raise no objection to and will not otherwise contest such use of such cash or other collateral or such DIP Financing and, except solely to the extent permitted by Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing the Senior Obligations are subordinated to or *pari passu* with the Liens securing such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) the Liens securing such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Junior Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens provided to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by the Designated Senior Representative. Until the Discharge of Senior Obligations has occurred, the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, further agrees that it will (as applicable) raise no objection to and will not otherwise contest (a) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations with respect to the Senior Collateral made by the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, (b) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale of Senior Collateral (including, without limitation, pursuant to Section 363(k) of the Bankruptcy Code or any similar provision under any other applicable Bankruptcy Law) or to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral, (c) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (d) any sale or other disposition of any or all of the Senior Collateral for which the Designated Senior Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Junior Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Junior Obligations pursuant to this Agreement; without limiting the foregoing, the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that it may not raise any objections based on rights afforded by Section 363(e) or Section 363(f) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. In addition, the Junior Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations.

Notwithstanding the foregoing, this Agreement shall not restrict the Junior Representative and the Junior Secured Party from (i) objecting to any DIP Financing (x) that requires the sale, liquidation or other disposition of material assets that do not constitute Shared Collateral or (y) that requires specific and material terms of a plan of reorganization or arrangement or a proposal other than terms for a sale, liquidation or other disposition of Shared Collateral; provided, for the avoidance of doubt, that plan terms regarding the sale, liquidation or other disposition of non-material assets are not material terms, or (ii) proposing any DIP Financing to any Grantors or to a court of competent jurisdiction, provided no Junior Secured Party shall propose any DIP Financing ranking senior in Lien priority to the Senior Obligations with respect to the Senior Collateral or conditioned upon or contemplating the securing of any or all of the Junior Obligations on a basis inconsistent with the terms hereof.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding with respect to any Grantor or take any action in derogation thereof without the prior written consent of the Designated Senior Representative as it relates exclusively to Shared Collateral.

SECTION 6.03. Adequate Protection. The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties for adequate protection in any form, (b) any objection by the Designated Senior Representative, the other Senior Representatives or the Senior Secured Parties to any motion, relief, action or proceeding based on the Designated Senior Representative's, any other Senior Representative's or Senior Secured Party's claiming a lack of adequate protection or (c) the allowance and/or payment (whether or not allowed or allowable in any Insolvency or Liquidation Proceeding) of interest, fees, expenses, premiums (including make-whole premiums), and/or other amounts of the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party, including, without limitation, as adequate protection or otherwise. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or a superpriority administrative expense claim in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, may seek or request adequate protection in the form of (as applicable) a Lien on such additional or replacement collateral and/or a superpriority administrative expense claim, which (A) Lien is subordinated to the Liens securing and providing adequate protection for, and claims with respect to, the Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to the Liens securing and claims with respect to the Senior Obligations under this Agreement and (B) superpriority administrative expense claim is subordinated to all superpriority administrative expense claims of the Senior Secured Parties, and (ii) in the event the Junior Representative, for itself and on behalf of the Junior Secured Parties under their Junior Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of (as applicable) a Lien on additional or replacement collateral and/or a superpriority administrative expense claim, then the Junior Representative, for itself and on behalf of the Junior Secured Party under their Junior Debt Facilities, agree that the Senior Representatives shall also be granted (as applicable) a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and/or a senior superpriority administrative expense claim, and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Junior Obligations and/or superpriority administrative expense claim shall be subordinated to the Liens on such collateral securing and claims with respect to the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens and claims granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing and claims with respect to the Junior Obligations are so subordinated to such Liens securing and claims with respect to Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Company or any other Grantor (as defined in the Senior Exchangeable Notes Indenture) (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be or avoided as fraudulent or preferential in any respect or for any other reason, any amount (a “**Recovery**”), whether received as proceeds of security, enforcement of any right of setoff, recoupment or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall still be entitled to a future Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Junior Representative, for itself and on behalf of the Junior Secured Parties, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in respect of the Shared Collateral in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them, solely to the extent it is on account of the Shared Collateral, shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. The Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Junior Collateral Documents constitute separate and distinct grants of Liens, (b) the Junior Secured Parties’ claims against the Grantors in respect of their Liens on the Shared Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the Senior Secured Parties against the Grantors in respect of the Shared Collateral, and (c) because of, among other things, their differing rights in the Shared Collateral, the Junior Obligations are fundamentally different from the Senior Obligations and must be separately classified in any Plan of Reorganization proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding of any Grantor. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Senior Secured Parties and the Junior Secured Parties in respect of the Shared Collateral constitute only a single class of claims (rather than separate classes of senior and junior secured claims), then the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Junior Secured Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal and pre-petition interest, all amounts owing in respect of post-petition interest, fees, premiums (including make-whole premiums), and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution is made in respect of the Junior Obligations from Shared Collateral, with the Junior Representative, for itself and on behalf of each Junior Secured Party under the Junior Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them from or on account of the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Junior Secured Parties. This Section 6.05 is intended to govern the relationship between the classes of claims held by the Junior Secured Parties, on the one hand, and a class of claims comprised of the Senior Obligations, on the other hand, in respect of the Shared Collateral.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit the Designated Senior Representative, any other Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Junior Secured Party (other than the seeking of adequate protection as contemplated in Section 6.03), including the seeking by any Junior Secured Party of adequate protection in violation of this Agreement, the proposing of a DIP Facility, or the asserting by any Junior Secured Party of any of its rights and remedies under the Junior Debt Documents or otherwise in a manner inconsistent with this Agreement.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights set forth herein shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Reserved.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, the Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral or other collateral for the Senior Obligations.

SECTION 6.10. Reorganization Securities. Without limitation of the provisions of Section 4.01, if, in any Insolvency or Liquidation Proceeding of any Grantor, debt obligations of such Grantor, as reorganized, secured by Liens upon any property of such reorganized Grantor are distributed pursuant to a Plan of Reorganization on account of both the Senior Obligations and the Junior Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Junior Obligations are secured Liens upon the same assets or properties (or any Grantor obligor thereon holds any Deemed Collateral or assets of the type included in the definition of “Deemed Collateral”), the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations (and to such Deemed Collateral or assets). For the avoidance of doubt, this Section 6.10 shall not apply to any debt or assets of any entity comprising the AMC Group (other than AMC UK).

SECTION 6.11. Post-Petition Interest. Neither the Junior Representative nor any other Junior Secured Party shall oppose or seek to challenge any claim by the Senior Representative or any Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of any Grantor of Senior Obligations consisting of claims for post-petition interest, fees, costs, expenses, premiums (including make-whole premiums) and/or other charges, under Section 506(b) of the Bankruptcy Code or otherwise (for this purpose ignoring all claims and Liens held by the Junior Secured Parties on the Shared Collateral) to the extent that any Junior Secured Party shall recover any consideration from any Grantor on account of its secured claim against such Grantor in any Insolvency or Liquidation Proceeding.

SECTION 6.12. Plan Voting. Neither the Junior Representative nor any other Junior Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) may propose, support, or vote in favor of any Plan of Reorganization (and each shall be deemed to have voted to reject any Plan of Reorganization) that is inconsistent with, or in violation of, the terms of this Agreement unless such plan (a) pays off, in cash in full, all Senior Obligations or (b) is accepted by the class of holders of Senior Obligations voting thereon in accordance with Section 1126(c) of the Bankruptcy Code.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Junior Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to Holdings or any of its subsidiaries shall be deemed to have been given and made in reliance upon this Agreement. The Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, acknowledges that it and such Junior Secured Parties have, independently and without reliance on the Designated Senior Representative or any other Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Junior Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Junior Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. The Junior Representative, on behalf of itself and each Junior Secured Party under the Junior Debt Facility, acknowledges and agrees that neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Junior Representative and the Junior Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither the Designated Senior Representative nor any other Senior Representative or other Senior Secured Party shall have any duty to the Junior Representative or Junior Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with Holdings or any of its subsidiaries (including the Junior Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Junior Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Designated Senior Representative, the other Senior Representative, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Senior Debt Document or any Junior Debt Document;
 - (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Debt Document or of the terms of any Junior Debt Document;
 - (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;
 - (d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company or any other Grantor; or
 - (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Company or any other Grantor in respect of the Senior Obligations or (ii) the Junior Representative or Junior Secured Party in respect of this Agreement.

ARTICLE IX

Miscellaneous

SECTION 9.01. Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any Senior Debt Document or any Junior Debt Document, the provisions of this Agreement shall govern.

Notwithstanding the foregoing, the relative rights and obligations of the Senior Representatives and the Senior Secured Parties (as amongst themselves) with respect to any Senior Collateral shall be governed by the terms of any intercreditor agreement setting forth the priorities amongst such parties, and in the event of any conflict between any such intercreditor agreement and this Agreement, with respect to the Senior Representatives and the Senior Secured Parties (as amongst themselves), the provisions of such intercreditor agreement shall control, in each case as applicable.

SECTION 9.02. Continuing Nature of this Agreement; Severability. Subject to Section 5.06 and Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Representative (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, with the consent of the Company).

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 9.04. Information Concerning Financial Condition of the Company and the other Grantors. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Company and the other Grantors and all endorsers or guarantors of the Senior Obligations or the Junior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Junior Obligations. The Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that the Designated Senior Representative, any other Senior Representative, any Senior Secured Party, the Junior Representative or any Junior Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Designated Senior Representative, the other Senior Representatives, the Senior Secured Parties, the Junior Representative and the Junior Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 9.05. Subrogation. Each Junior Representative, on behalf of itself and each Junior Secured Party under its Junior Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder solely as it relates to the Shared Collateral until the Discharge of Senior Obligations has occurred.

SECTION 9.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Debt Documents. Except as otherwise provided herein, prior to the occurrence of a Junior Enforcement Date, the Junior Representative, on behalf of itself and the Junior Secured Parties, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 9.07. Additional Grantors. Holdings agrees that, if any subsidiary of Holdings shall become a Grantor after the date hereof, it will promptly cause such subsidiary to become party hereto by executing and delivering an instrument in the form of Annex II. Upon such execution and delivery, such subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 9.08. Dealings with Grantors. Upon any application or demand by the Company or any Grantor to the Designated Senior Representative or Junior Representative to take or permit any action under any of the provisions of this Agreement or under any Collateral Document (if such action is subject to the provisions hereof), any such Company or Grantor, as appropriate, shall furnish to the Junior Representative or the Designated Senior Representative a certificate of an appropriate officer (an “**Officer’s Certificate**”) stating that all conditions precedent, if any, provided for in this Agreement or such Collateral Document, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement or any Collateral Document relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 9.09. Senior Refinancing Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the then-extant Senior Debt Documents and Junior Debt Documents, the Senior Obligations may be Refinanced, in whole or in part pursuant to a Refinancing (the "Additional Senior Refinancing Debt") secured by a Lien on Shared Collateral under and pursuant to the Senior Collateral Documents for such Additional Senior Refinancing Debt, which such Liens shall be senior to the Liens on the Shared Collateral in favor of the Junior Secured Parties in accordance with the terms hereof. Each Representative of any such Additional Senior Refinancing Debt (each, an "Additional Senior Refinancing Debt Representative"), acting on behalf of the holders of such Additional Senior Refinancing Debt (such Representative and holders in respect of any such Additional Senior Refinanced Debt being referred to as the "Additional Senior Refinancing Debt Secured Parties"), may become a party to this Agreement by satisfying the conditions set forth in clauses (I) through (III) below:

(I) such Additional Senior Refinancing Debt Representative shall have executed and delivered a Joinder Agreement to the Designated Senior Representative and the Junior Representative substantially in the form of Annex III (with such changes as may be reasonably approved by the Designated Senior Representative, the Junior Representative and such Additional Senior Refinancing Debt Representative) pursuant to which it becomes a Representative hereunder, and the Additional Senior Refinancing Debt in respect of which such Additional Senior Refinancing Debt Representative is the Representative and the related Additional Senior Refinancing Debt Secured Parties become subject hereto and bound hereby;

(II) the Company shall have delivered to the Designated Senior Representative and the Junior Representative true and complete copies of each of the Senior Debt Documents relating to such Additional Senior Refinancing Debt, certified as being true and correct by a Responsible Officer of the Company;

(III) the Company shall have delivered to the Designated Senior Representative and the Junior Representative an Officer's Certificate stating that such Additional Senior Refinancing Debt Obligations are permitted to be incurred by each applicable Senior Debt Document and Junior Debt Document, or to the extent a consent is otherwise required to permit the incurrence of such Additional Senior Refinancing Debt Obligations under any applicable Senior Debt Document or Junior Debt Document, the relevant Grantors have obtained the requisite consent; and

SECTION 9.10. Consent to Jurisdiction; Waivers. The Designated Senior Representative and each other Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York County, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 9.11;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.10 any special, exemplary, punitive or consequential damages.

LEAWOOD, KANSAS – (July 25, 2025) – AMC Entertainment Holdings, Inc. (NYSE: AMC) ("AMC" or the "Company") today announced the successful completion of a series of previously announced debt refinancing transactions with key creditor groups, including certain holders of its 7.5% Senior Secured Notes due 2029 (the "Consenting 7.5% Noteholders"), certain holders of Muvico, LLC's 6.00%/8.00% Senior Secured Exchangeable Notes due 2030 (the "Consenting Exchangeable Noteholders") and certain lenders of AMC's term loans outstanding under its existing credit agreement (the "Credit Agreement," and any such consenting lenders, the "Consenting Term Loan Lenders") that materially strengthen the Company's capital structure and fortify the Company's balance sheet and financial flexibility.

The transactions executed in accordance with the Transaction Support Agreement dated July 1, 2025, garnered overwhelming support from creditors, with approximately 90% of Term Loan holders under AMC's Credit Agreement delivering their consent. This support enabled AMC to quickly close the full suite of coordinated transactions, including new capital funding, significant debt reduction, and litigation resolution.

Highlights of the now-completed transactions include:

Adam Aron, Chairman and CEO of AMC, commented, "With the closing of these transformative transactions and the full redemption of our 2026 debt maturities, AMC is unquestionably on offense. Around 90% of our term loan lenders rallied behind this forward-looking plan, a level of support that demonstrates their tremendous confidence in the direction in which AMC is headed."

Aron continued, "We are especially excited about our dramatic expansion plans for an increased number of premium large format and extra-large screens being offered by AMC and Odeon globally, along with our continued broad deployment of state-of-the-art laser projection technology. AMC Entertainment already offers more premium experiences than any other exhibitor on the planet, and we intend to further increase our lead in this area even that much more. Supported by a wide variety of marketing initiatives that are compelling in the value and messaging that they offer to moviegoers, our offering our guests the best possible experiences in often unique and particularly noteworthy theatres is the secret sauce that is key to our increasing success."

Aron concluded, "Watch out world, AMC Entertainment is on the way back. With fresh capital secured, near-term debt maturities addressed, and with the overwhelming support of our lenders, we are operating from a clearly improved financial position. Combining our bold balance sheet transactions with the tailwinds of a resurgent box office both domestically and internationally, at AMC we look to the future with optimism, momentum and confidence."
