Explanation of Responses:

- Shares of Issuer's Class A Common Stock ("Common Shares") and units of Issuer's AMC Preferred Equity Units ("APEUs") were issued upon the vesting of certain Restricted Stock Units ("RSUs") granted on February 8, 2020, under the Issuer's 2013 Equity Incentive Plan ("EIP"). Each RSU represents the right to receive one Common Share and one APEU upon vesting. One-third of the total grant vested on January 3, 2023, based upon the Reporting Person's continued employment.
- Common Shares and APEUs were issued upon the vesting of certain RSUs granted on March 15, 2021, under the EIP. Each RSU represents the right to receive one Common Share and one APEU upon vesting. One-third of the total grant vested on January 3, 2023, based upon the Reporting Person's continued employment.
- Common Shares and APEUs were issued upon the vesting of certain RSUs granted on March 2, 2022, under the EIP. Each RSU represents the right to receive one Common Share and one APEU upon vesting. One-third of the total grant vested on January 3, 2023, based upon the Reporting Person's continued employment.
- Common Shares and APEUs otherwise issuable were withheld to satisfy the Reporting Person's tax obligations arising from the RSU vesting events described in notes 1-3 above.
- Does not include 37,499 outstanding APEUs or Common Shares and APEUs issuable upon future vesting of equity grants, including 51,809 Common Shares and 51,809 APEUs issuable based upon continued service and 113,593 Common Shares and 113,593 APEUs issuable upon attainment of performance goals at target, which, when combined with the ownership reported above, would represent a total of 404,042 equity interests.
- Each APEU is a depository share and represents an interest in one one-hundredth (1/100th) of a share of the Issuer's Series A Convertible Participating Preferred Stock. Each APEU is designed to have the same economic and voting rights as a Common Share and trades on the NYSE under the symbol "APE". Each APEU is automatically convertible into one (1) Common Share upon an approval by the Issuer's stockholders to authorize sufficient additional Common Shares to permit the conversion of the then-outstanding APEUs. The APEUs have no expiration date.
