#### Explanation of Responses:

- 1. This amendment is being filed to correct the number of shares withheld to satisfy the Reporting Person's tax obligations arising from the vesting events previously disclosed. The amount included in the original Form 4 was an estimate of the tax withholding and is being amended to reflect the actual number of shares withheld following completion of the vesting process.
- 2. Does not include shares issuable upon future vesting of equity grants, including 97,845 shares issuable based upon satisfaction of service conditions and 97,847 shares issuable upon attainment of both performance goals and satisfaction of service conditions, which, when combined with the ownership reported above, would represent a total of 239,713 shares.
