Explanation of Responses:

- The price reported is a weighted average price. The reporting person undertakes to provide the Issuer, any security holder of the Issuer, or the staff of the Commission, upon request, full information regarding the number of shares purchased at each price included in the weighted average price.
- Does not include shares issuable upon future vesting of contingent equity grants, including 3,992,269 shares issuable based upon satisfaction of service conditions and 5,883,140 shares issuable upon attainment of both performance goals and satisfaction of service conditions, which, when combined with the ownership reported above, would represent a total of 12,312,429 shares.
